MASTER LEASE

This MASTER LEASE (this "Lease") is made by and between HANSEN FAMILY TRUST ("Landlord"), and NAVIGATOR SCHOOLS, a California nonprofit public benefit corporation, or ("Tenant") or assigned affiliated entity. The Basic Lease Information attached hereto as pages(i) and (ii) (the "Basic Lease Information") and all exhibits and other attachments to this Lease are incorporated into this Lease and made a part hereof. Capitalized terms used in this Lease without definitions have the respective meanings assigned to them in the Basic Lease Information.

1. TERM AND POSSESSION

1.1 LEASE OF PREMISES, COMMENCEMENT AND EXPIRATION.

1.1.1 Lease of Premises. The Building is constructed on the land described in Exhibit A attached hereto (the "Land"). In consideration of the mutual covenants herein, Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, the Premises, subject to all the terms and conditions of this Lease. The Premises are shown as the crosshatched area on Exhibit B attached hereto. The Building, the Land and all other improvements located thereon and appurtenances thereto are referred to collectively herein as the "Property."

1.1.2 Rentable Area. The agreed rentable area of the Premises is stipulated to be the Premises Rentable Area, which is set forth in the Basic Lease Information. The Tenant's Share stipulated in the Basic Lease Information has been calculated by dividing the Premises Rentable Area by the Building Rentable Area, then expressing such quotient as a percentage.

1.1.3 Term and Commencement. The Term of this Lease shall commence on the Date of Lease as stated in the Basic Lease Information, and, unless sooner terminated pursuant to the terms of this Lease, shall expire, without notice to Tenant, on the Expiration Date. In the event the Commencement Date occurs on other than on the first day of the month, such partial month shall be added to the Term and the Expiration Date shall be the last day of the last month of the Term.

1.1.4 Special Termination Right. Notwithstanding anything to the contrary in this Lease, Tenant shall have the right to terminate this Lease upon written notice to Landlord that Navigator Schools was denied approval by its chartering agency of a material revision of its charter for the operation of the charter school known as Watsonville Prep that would allow Navigator Schools to operate the school on the Premises.

1.2 COMPLETION AND DELIVERY OF PREMISES.

1.2.1 Construction of Tenant's Work. Tenant, at its sole cost and expense, shall construct on the Premises the works of improvement (the "Tenant's Work") as described in, and pursuant to, the work letter attached hereto as Exhibit D (the "Work Letter").

1.2.2 Occupancy of the Premises. Tenant shall have no right to occupy any portion of the Premises prior to the Commencement Date except to construct Tenant's Work. Notwithstanding the foregoing, so long as Landlord has received from Tenant certificates satisfactory to Landlord evidencing the insurance required to be carried by Tenant under this Lease, Landlord shall use reasonable efforts to give Tenant access to the Premises for approximately twenty (20) business days prior to the Commencement Date (the "Early Access Period") for purposes of installing Tenant's furniture, fixtures, and operational equipment. Tenant's access to the Premises during the Early Access Period shall be subject to all terms and conditions of this Lease; provided, however, so long as Tenant

does not commence business operations in any part of the Premises, Tenant shall not be obligated to pay any monthly installments of Basic Annual Rent during the Early Access Period until the Commencement Date.

1.3 REDELIVERY OF THE PREMISES. Upon the expiration or earlier termination of this Lease or upon the exercise by Landlord of its right to re-enter the Premises without terminating this Lease pursuant to Section 13.2.2 below, Tenant shall immediately deliver to Landlord the Premises in a safe, clean, neat, sanitary and operational condition, ordinary wear and tear, damage by casualty and/or condemnation and repairs required to be made by Landlord hereunder excepted, together with all keys and parking and access cards. At Landlord's option, all permanent fixtures installed and all voice and data cabling and wiring installed by Tenant in the Premises shall remain therein and become the property of Landlord unless Landlord requests removal which shall be removed at Tenant's expense; provided, the removal of Installations (defined in Section 6.3.3 below) and restoration of the Premises shall be governed by the terms of Section 6.3.3.

1.4 HOLDING OVER. In the event Tenant retains possession of the Premises after the expiration or earlier termination of this Lease, such possession shall constitute a tenancy at sufferance only, subject, however, to all of the terms, provisions, covenants and agreements on the part of Tenant hereunder. In such event, Tenant shall be subject to immediate eviction and removal and shall pay Landlord as rent for the period of such holdover an amount equal to one hundred and twenty five percent (125%) the Basic Annual Rent and Additional Rent (each as hereinafter defined) in effect immediately preceding expiration or termination, as applicable, which payments shall be due and payable on or before the first (1st) day of each month during any holdover period. Tenant shall also pay any actual damages sustained by Landlord as a result of such holdover but Tenant shall not be liable for punitive or exemplary damages.

1.5 OPTION PERIODS. Tenant shall have three (3) options to extend the Initial Term for seven (7) years each (each such option period, an "Option" and, collectively with the Initial Term, the "Term"). The Option must be exercised if at all by written notice (the "Option Notice") delivered by Lessee to Lessor not less than six (6) months prior to the then-scheduled Expiration Date, provided, however, that the Option shall not be exercisable unless, as of the date of the Option Notice and at the then-scheduled Expiration Date, Lessee is not in default hereunder. In the event the Term of this Lease shall be extended under this Section, then all of the terms, covenants and conditions of the Lease shall remain unmodified and in full force and effect, except that each Option Period shall commence immediately upon the expiration of the Initial Term or prior Option Period, as applicable.

- (vi) any costs or expenses related to monitoring, testing, removal, cleaning, abatement or remediation of any Hazardous or Toxic Materials (hereinafter defined) in the Building or on the Land except for such costs and expenses which relate to monitoring, testing, removal, clearing, abatement or remediation of substances which were designated as Hazardous or Toxic Materials after the Effective Date;

2.1.1 Payment Obligation. In addition to the Basic Rent specified in this Lease, Tenant shall pay to Landlord the Additional Rent in monthly installments as hereinafter provided. Landlord shall use reasonable efforts to provide Tenant with written notice of Tenant's estimated Additional Rent for the next calendar year and the amount of the monthly installment of Additional Rent due for such year by December 31st of each calendar year or as soon thereafter as practicable. Landlord shall have the right to increase Tenant's estimated Additional Rent during any calendar year if Landlord reasonably believes Operating Expenses and/or Taxes have increased (or are likely to increase) during such year. Beginning

on the Commencement Date and continuing on the first day of each month thereafter, Tenant shall pay to Landlord the applicable monthly installment of Additional Rent, without demand, offset or deduction, provided, however, if the applicable installment covers a partial month, then such installment shall be prorated on a daily basis.

2.1.1.1 This subparagraph applies to each calendar year during which Additional Rent is owing except for the calendar year in which the Expiration Date occurs. Within ninety (90) days after the end of each calendar year or as soon thereafter as is reasonably possible, Landlord shall prepare and deliver to Tenant a statement showing Tenant's actual Additional Rent for the applicable calendar year. If Tenant's total monthly payments of estimated Additional Rent for the applicable year are less than Tenant's actual Additional Rent, then Tenant shall pay to Landlord the amount of such underpayment. If Tenant's total monthly payments of estimated Additional Rent for the applicable year are more than Tenant's actual Additional Rent, then Landlord shall pay such amount to Tenant or, at Landlord's option, credit against the next Additional Rent payment or payments due from Tenant the amount of such overpayment. This provision shall survive the expiration or earlier termination of this Lease with respect to the calendar year in which the Expiration Date or termination occurs.

2.1.1.2 Within ninety (90) days after the Expiration Date or termination date of this Lease or as soon thereafter as practicable, Landlord shall prepare and deliver to Tenant a statement (the "Final Additional Rent Statement") showing Tenant's actual Additional Rent for the period beginning January 1 of the year in which the Expiration Date or termination date occurs and ending on the Expiration Date or termination date (such period is herein called the "Final Additional Rent Period"). Landlord shall have the right to calculate the actual Operating Expenses and Additional Rent allocable to the Final Additional Rent Period which are not determinable within such ninety (90) day period. If the aggregate of Tenant's monthly payments of estimated Additional Rent for the Final Additional Rent Period are less than Tenant's actual Additional Rent for such period as set forth in the Final Additional Rent Statement, then Tenant shall pay to Landlord the amount of such underpayment. If Tenant's monthly payments of estimated Additional Rent for the Final Additional Rent Period are more than Tenant's actual Additional Rent for such period as set forth in the Final Additional Rent Statement, Landlord shall pay to Tenant the amount of such excess payments, less any amounts then owed to Landlord.

2.1.1.3 Landlord will cause adequate books and records for Operating Expenses and Taxes and other amounts relevant to Tenant's obligations under this Lease to be maintained in accordance with the provisions set forth herein. Unless Tenant takes written exception to any item within thirty (30) days after delivery to Tenant of an annual statement or a statement delivered for the final Additional Rent period, such statement shall be considered as final and accepted by Tenant. Within twenty (20) business days following a request from Tenant, Landlord shall furnish written explanations to Tenant in reasonable detail for any computation made under this Lease. If Tenant questions such computation following receipt of such explanation, Tenant shall give notice thereof to Landlord, and Landlord and Tenant shall, within twenty (20) business days thereafter, discuss, in good faith, such computation.

2.2 RENT DEFINED AND NO OFFSETS. Basic Annual Rent, Additional Rent and all other sums (whether or not expressly designated as rent) required to be paid to Landlord by Tenant under this Lease (including, without limitation, any sums payable to Landlord under any addendum, exhibit or schedule attached hereto) shall constitute rent and are sometimes collectively referred to as "Rent". Each payment of Rent shall be paid by Tenant when due, without prior demand therefor and without deduction or setoff.

2.3 LATE CHARGES; INTEREST RATE. If any Rent under this Lease shall not be paid within five (5) days of the date such payment is due, a "Late Charge" of five percent (5%) of the

payment then overdue may be charged by Landlord to defray Landlord's administrative expense incident to the handling of such overdue payments. Furthermore, any amount due from Tenant to Landlord which is not paid within ten (10) days after the date due shall bear interest at the lower of (i) ten percent (10%) per annum or (ii) the highest rate from time to time allowed by applicable law, from the date such payment is due until paid.

3. SECURITY DEPOSIT

Landlord acknowledges that Tenant has paid to Landlord the Security Deposit described in Section 13 of the Basic Lease Information as security for the performance of the terms hereof by Tenant. Tenant shall not be entitled to interest thereon and Landlord may commingle such Security Deposit with any other funds of Landlord. The Security Deposit shall not be considered an advance payment of rental or a measure of Landlord's damages in case of default by Tenant. If a default by Tenant shall occur under this Lease, Landlord may, but shall not be required to, from time to time, without prejudice to any other remedy, use, apply or retain all or any part of this Security Deposit for the payment of any Rent or any other sum in default or to compensate Landlord for any other loss or damage which Landlord may suffer by reason of Tenant's default, including, without limitation, costs and attorneys' fees incurred by Landlord to recover possession of the Premises. If Landlord shall use, apply or retain all or any part of the Security Deposit as provided for above, Tenant shall restore the Security Deposit to the amount set forth in the Basic Lease Information within thirty (30) days after receipt of notice from Landlord. The Security Deposit, if not previously used or applied by Landlord, shall at the election of Tenant be applied to Rent owing in the last month of the Term or be returned to Tenant within thirty (30) days after the Expiration Date.

4. OCCUPANCY AND USE

4.1 USE OF PREMISES.

4.1.1 General. The Premises shall, subject to the remaining provisions of this Section, be used solely for the Permitted Use. Without limiting the foregoing, Tenant shall comply with all laws, statutes, ordinances, orders, permits and regulations affecting Tenant's use and occupancy of the Premises. Tenant will not do or permit anything which may disturb the quiet enjoyment of any other tenant of the Property.

4.1.2 Landlord's Compliance Obligation. Landlord shall comply with all laws, statutes, ordinances, orders and regulations relating to the Property (exclusive, however, of those with which Tenant is obligated to comply by reason of Section 4.1.1) as of the Date of Lease.

4.1.3 Hazardous and Toxic Materials.

- (a) For purposes of this Lease, hazardous or toxic materials shall mean asbestos containing materials and all other materials, substances, wastes and chemicals classified as hazardous or toxic substances, materials, wastes or chemicals (individually and collectively, "Hazardous or Toxic Materials") under then-current applicable governmental laws, rules or regulations or that are subject to any right-to-know laws or requirements (individually and collectively, "Environmental Laws").
- (b) Tenant shall not knowingly incorporate into, or use or otherwise place or dispose of at the Premises or any other portion of the Property, any Hazardous or Toxic Materials, except for use and storage of cleaning and office supplies used in the ordinary course of Tenant's business and then only if (i) such materials are in small quantities, properly

labeled and contained, and (ii) such materials are handled and disposed of in accordance with the highest accepted industry standards for safety, storage, use and disposal. If Tenant or its employees, agents or contractors shall ever violate the provisions of paragraph (b) of this Section 4.1.3 or otherwise contaminate the Premises or the Property, then, at Landlord's election, either Tenant or Landlord shall clean, remove and dispose of the material causing the violation, in compliance with all applicable governmental standards, laws, rules and regulations and then prevalent industry practice and standards (the "Remediation Work"). In the event Tenant performs such work, Tenant shall repair any damage to the Premises or the Property (collectively with the Remediation Work, "Tenant's Environmental Corrective Work") in such period of time as may be reasonable under the circumstances after written notice by Landlord. In the event Landlord performs the Tenant's Environmental Corrective Work, within thirty (30) days after receiving an invoice, Tenant shall reimburse Landlord for the costs incurred by Landlord to perform such Tenant's Environmental Corrective Work. Tenant's obligations under this Section 4.1.3(b) shall survive the expiration or earlier termination of this Lease.

- (c) Landlord has no current knowledge of the presence of, and Landlord shall not knowingly dispose of at the Premises or any other portion of the Property, any Hazardous or Toxic Materials that would materially and adversely affect Tenant's access, use or occupancy of the Premises or otherwise pose any material risk or material threat to the health, safety or welfare of Tenant or any of its employees or guests. If Landlord or Landlord's employees, agents or contractors cause Hazardous or Toxic Materials to be located at the Property or if any Hazardous or Toxic Materials exists that predates Tenant's occupancy of the Property (including any Early Occupancy Period), Landlord shall perform the Remediation Work at its sole cost and expense. If Tenant is prevented from using, and does not use, the Premises or any portion thereof for five (5) consecutive business days or fifteen (15) days in any twelve (12) month period ("Eligibility Period") as a result of the presence of Hazardous or Toxic Materials in, on the Premises or the Building which were not caused or introduced by Tenant or Tenant's agents, employees, licenses or invitees, where such Hazardous or Toxic Materials pose a health risk to occupants of the Premises as determined by a governmental body or agency and such health risk renders the Premises unsuitable for Tenant's Permitted Use, then Tenant's obligation to pay Rent shall be abated or reduced, as the case may be, from and after the first (1st) day following the Eligibility Period and continuing for such time that Tenant continues to be so prevented from using, and does not use, the Premises or a portion thereof, in the proportion that the rentable square feet of the portion of the Premises that Tenant is prevented from using, and does not use, bears to the total rentable square feet of the Premises.

4.2 RULES AND REGULATIONS. Tenant will comply with all rules and regulations applying to tenants in the Building (the "Rules and Regulations") as may be adopted and uniformly applied from time to time by Landlord for (a) the management, safety, care and cleanliness of, and the preservation of good order and protection of property in, the Premises and the Building and at the Property, (b) the increase in energy efficiency of the Building and the Property, (c) the decrease in the use of natural resources in the Building and the Property or the waste of the same, (d) recycling of reusable items, and (e) such other goals which result in the decrease in the carbon footprint of the Building and the Property. Landlord may rescind, supplement and amend any Rules and Regulations so long as any change in the Rules and Regulations does not diminish the rights granted to Tenant in this Lease, cause harm to Tenant, or interfere with Tenant's use of the Premises for the Permitted Use. The Rules and

Regulations in effect on the date hereof are attached hereto as Exhibit C to this Lease. All changes and amendments to the Rules and Regulations sent by Landlord to Tenant in writing and conforming to the foregoing standards shall be carried out and observed by Tenant. In the event of any conflict between the Rules and Regulations and the provisions of this Lease, the provisions of this Lease shall prevail. Landlord hereby reserves all rights necessary to implement and enforce the Rules and Regulations.

Additionally, if any subsequent alteration or improvement is made to the Premises by Tenant, Tenant shall, at its expense, take all actions to procure any such modification or amendment or additional permit.

4.6 **BACKGROUND CHECKS.** All Landlord employees, agents, contractors, or other individuals sent to the Premises by Landlord who will have regular or unsupervised contact with Tenant's students and employees shall submit to a criminal background check (with a request for subsequent arrest notifications) and furnish Tenant with verification that Landlord has received and reviewed the criminal record summary consistent with the terms of Education Code Sections 44237 and 45125.1 for all employees, agents, contractors, or other individuals sent to the Premises by Landlord, and has determined that they have not been convicted of a violent felony listed in Penal Code Section 667.5(c), a serious felony listed in Penal Code Section 1192.7(c), a sex offense listed in Education Code Section 44010, a controlled substance offense listed in Education Code Section 44011, a crime involving moral turpitude (e.g., embezzlement, perjury, fraud, etc.), or any offense which may make the employee unsuitable/undesirable to work around students. Any Landlord employee, agent, contractor, or other individual sent to the Premises by Landlord who has been convicted of a violent felony listed in Penal Code Section 667.5(c), a serious felony listed in Penal Code Section 1192.7(c), a sex offense listed in Education Code Section 44010, a controlled substance offense listed in Education Code Section 44011, a crime involving moral turpitude (e.g., embezzlement, perjury, fraud, etc.), or any offense which may make the employee unsuitable/undesirable to work around students shall not be allowed to enter the Premises. In addition, all Landlord employees, agents, contractors, or other individuals sent to the Premises by Landlord who will have regular contact with Tenant students and employees shall not enter the Premises unless the person has submitted to a risk assessment and/or be examined and determined to be free of active tuberculosis (TB) within the period of 60 days prior to employment/service, or otherwise meet the requirements of Education Code section 49406. Landlord shall not be liable for and, except as provided in Section 5.2.2 below, Tenant shall not be entitled to any abatement or reduction of Rent by reason of, interruption of any of the foregoing services when such interruption is caused by circumstances beyond Landlord's reasonable control, nor shall any such interruption be construed as an eviction (constructive or actual) of Tenant or as a breach of the implied warranty of suitability, or relieve Tenant from the obligation to perform any covenant or agreement herein and in no event shall Landlord be liable for damage to persons or property (including, without limitation, business interruption), or be in default hereunder, as a result of any such interruption or results or effects thereof. Tenant hereby waives the provisions of any applicable existing or future law, ordinance or governmental regulation permitting the termination of this Lease due to an interruption, failure or inability to provide any services (including, without limitation, the provisions of California Civil Code Section 1932(1)).

5.2.2 Limited Right to Abatement of Rent. In the event that Tenant wishes at any time to utilize the services of a telephone or telecommunications provider whose equipment is not then servicing the Building, no such provider shall be permitted to install its lines or other equipment within the Building without first securing the prior written approval of Landlord which shall not be unreasonably withheld, conditioned, or delayed.

6. MAINTENANCE, REPAIRS, ALTERATIONS AND IMPROVEMENTS

6.1 LANDLORD'S OBLIGATION TO MAINTAIN AND REPAIR. Landlord shall maintain the foundation, floor and ceiling slabs, roof, curtain wall, 1st Floor exterior glass and mullions, columns, beams, all Common Areas, Service Corridors and Service Areas (collectively the "Building Structure") and core Building mechanical, electrical, life safety, plumbing, sprinkler systems and core HVAC systems (collectively, the "Building Systems") in first class condition and repair and shall operate the Building in a manner comparable to similar commercial buildings in the area. Notwithstanding anything in this Lease to the contrary, Tenant shall be neither required nor permitted to make any repair to, modification of, or addition to the Building Structure and/or the Building Systems except to the extent required (and after prior written approval by Landlord using contractors approved in writing by Landlord) because of Tenant's use of all or a portion of the Premises for other than normal and customary business office operations. Except for the elements of the Building described herein, Landlord shall not be required to maintain or repair any portion of the Premises.

6.2 TENANT'S OBLIGATION TO MAINTAIN AND REPAIR.

6.2.1 Tenant's Obligation. Tenant shall, at Tenant's sole cost and expense, (i) maintain and keep the Premises (including, but not limited to, all fixtures, walls, ceilings, floors, doors, windows except replacement of 1st Floor exterior plate glass, appliances, HVAC units installed by Tenant, data and phone cables, satellite dishes, antennas and any and all other equipment which is a part of or serves the Premises other than those items that are the obligation of the Landlord pursuant to Section 6.1 above) in good repair and condition, ordinary wear and tear excepted, and (ii) repair or replace any damage or injury done to the Building or any other part of the Property caused by Tenant, Tenant's agents, employees, licensees, invitees or visitors. All repairs and replacements performed by or on behalf of

Tenant shall be performed diligently, in a good and workmanlike manner and in accordance with applicable governmental laws, rules, and regulations.

6.3 IMPROVEMENTS AND ALTERATIONS.

6.3.1 Tenant's Construction Obligations. Tenant's sole construction obligations under this Lease are as set forth in Exhibit D attached hereto.

When exercising the Reserved Right, Landlord will ensure that Tenant's use of the Premises is not materially interfered with.

6.3.3 Installations and Installations by Tenant. Tenant shall not, without the prior written consent of Landlord, not to be unreasonably withheld, conditioned or delayed, make any alterations to, or install any equipment or machinery of any kind (other than office and school equipment and unattached personal property) in the Premises (all such alterations are herein collectively referred to as "Installations"). All work performed by Tenant or its contractor relating to the Installations shall be performed diligently and in a good and workmanlike manner, and shall conform to applicable governmental laws, rules and regulations, Landlord's insurance requirements and all rules for performing work in the Building. Landlord may also require, as a condition to its consent to any Installations, that any architect retained by Tenant in connection with such Installations be certified as a Certified Access Specialist (CASP), and that following the completion of such Installations, such architect shall certify the Premises as meeting all applicable construction-related accessibility standards pursuant to California Civil Code Section 55.53. Upon completion of the Installations, Tenant shall deliver to Landlord "as built" plans in a format reasonably acceptable to Landlord. All Installations that constitute fixtures within the Premises shall be surrendered with the Premises at the expiration or earlier termination of this Lease, unless prior to construction of the Installations and as a condition of Landlord's approval thereof, Landlord requires that some or all of the Installations be removed by Tenant at Tenant's sole cost and expense upon termination or expiration of this Lease. Landlord will have the right to periodically inspect the work on the Premises and may require changes in the method or quality of the work if necessary to cause the work to comply with the requirements of this Lease. Tenant shall also deliver to Landlord evidence of Tenant's payment of the general contractor and subcontractors for the portions of Tenant's Installations and the absence of any liens generated by such portions of the Installations as may be reasonably required by Landlord (i.e., either unconditional lien releases in accordance with California Civil Code Sections 8132 through 8135, inclusive, or release bond(s) in accordance with California Civil Code Sections 8424).

7. INSURANCE AND CASUALTY

7.1 TOTAL OR PARTIAL DESTRUCTION OF THE BUILDING OR THE PREMISES.

7.1.1 Total Destruction. If the Building should be totally destroyed by fire or other casualty or if either the Building, or the Premises should be so damaged that rebuilding or repairs cannot

be completed, in Landlord's reasonable opinion, within one hundred eighty (180) days after commencement of repairs to the Building or the Premises, as applicable, Landlord shall within thirty (30) days of the casualty provide written notice of its opinion to Tenant, and either Landlord or Tenant may, at its option, terminate this Lease, in which event Basic Annual Rent and Additional Rent shall be abated during the unexpired portion of this Lease effective as of the date of such damage. Landlord shall exercise the termination right pursuant to the preceding sentence, if at all, by delivering written notice of termination to Tenant within ten (10) days after determining that the repairs cannot be completed within one hundred eighty (180) days. Tenant shall exercise its termination right pursuant to this Section 7.1.1, if at all, by delivering written notice of termination to Landlord within ten (10) days after being advised by Landlord that the repairs cannot be completed within one hundred eighty (180) days or that the Premises will be unfit for occupancy or inaccessible by reasonable means for at least one hundred eighty (180) days after commencement of repairs to the Building.

7.1.2 Partial Destruction; Failure to Terminate. If the Building and/or the Premises should be partially destroyed by fire or other casualty or if the Building and/or the Premises is completely destroyed and neither Landlord nor Tenant elects to terminate this Lease pursuant to Section 7.1.1, then Landlord shall promptly commence (and thereafter pursue with reasonable diligence) preparation of the plans and specifications for the repair of the Building and/or the Premises (including the Tenant's Work, except as set forth in the next sentence) and thereafter diligently pursue repairing the Building and/or the Premises to substantially the same condition which existed immediately prior to the occurrence of the casualty. To the extent the Tenant's Work include any items required to be insured by Tenant under Section 7.2.1 below, Landlord shall have the obligation to repair such items only to the extent the proceeds of such insurance are disbursed to Landlord for such repair.

7.1.3 Limitation on Landlord's Obligations; Abatement of Rent. In no event shall Landlord be required to rebuild, repair or replace any part of the furniture, equipment, fixtures, inventory, supplies or any other personal property or any other improvements (except the Tenant's Work), which may have been placed by Tenant within the Building or the Premises. Landlord shall allow Tenant a fair diminution of Basic Annual Rent and Additional Rent during the time the Premises are unfit for occupancy; provided, however, if the casualty in question was caused by the gross negligence of Tenant, its agents, employees, or licensees, Basic Annual Rent and Additional Rent shall be abated only to the extent Landlord is compensated for such Basic Annual Rent and Additional Rent by loss of rents insurance, if any.

7.1.4 Insurance Proceeds. Any insurance which may be carried by Landlord or Tenant against loss or damage to the Building or the Premises shall be for the sole benefit of the party carrying such insurance and under its sole control and shall be used as required by this Section 7.1.

7.2 TENANT'S INSURANCE.

7.2.1 Types of Coverage. From and after the date of this Lease, Tenant will carry, at its expense, the insurance set forth in this Section. Notwithstanding the foregoing, if Tenant assigns this Lease to, or sublets the entirety of the Premises to, an Affiliate pursuant to Section 11.1 below, Tenant shall have satisfied its obligations under this Section 7.2 if such Affiliate provides for the benefit of Landlord the insurance required of Tenant pursuant to this Section 7.2.

7.2.2 Commercial General Liability Insurance. Commercial General Liability Insurance covering the Premises and Tenant's use thereof against claims for personal or bodily injury or death or property damage occurring upon, in or about the Premises (including contractual indemnity and liability coverage), such insurance to provide coverage of not less than \$2,000,000.00 per occurrence and \$2,000,000.00 annual aggregate, with a deductible of not more than \$10,000 or such lesser amount

reasonably acceptable to Landlord. All insurance coverage required under this Section 7.2.2 shall extend to any liability of Tenant arising out of the indemnities provided for in this Lease to the extent such indemnity would be covered by commercial general liability insurance. Additionally, each such policy of insurance required under this Section 7.2.2 shall expressly insure Tenant and, as and additional insured, Landlord.

7.2.3 Personal Property Insurance. Property insurance on an all-risk basis (including coverage against fire, wind, tornado, vandalism, malicious mischief, water damage and sprinkler leakage) covering all tenant owned fixtures, equipment and leasehold improvements, and other personal property located in the Premises and endorsed to provide one hundred percent (100%) replacement cost coverage. Such policy will be written in the name of Tenant. The property insurance may, with the consent of the Landlord, provide for a reasonable deductible.

7.2.4 Workers Compensation' and Employer's Liability Insurance. Worker's compensation insurance with limits as mandated pursuant to the laws in the State of California or \$1,000,000.00, whichever is greater, together with employer's liability insurance in an amount at least \$1,000,000.00.

7.2.5 Hired and Non-Owned Auto Liability Insurance. Hired and Non-Owned Auto Liability Insurance covering Tenant and its employees and agents in an amount of at least \$1,000,000 combined single limit.

7.2.6 Professional Liability Insurance. Professional Liability (also known as errors and omissions insurance): Not less than the minimum limits required by law for Tenant's profession, and in any event, not less than One Million Dollars (\$1,000,000.00) per occurrence.

7.2.7 Other Requirements of Insurance. All such insurance will be issued and underwritten by companies with an AM Best rating of A/VIII or better or by a joint powers authority, and will contain endorsements that (a) such insurance may not lapse with respect to Landlord or be canceled or amended with respect to Landlord without the insurance company giving Landlord at least thirty (30) days prior written notice of such cancellation or amendment, (b) Tenant will be solely responsible for payment of premiums, and (c) Tenant's insurance is primary in the event of overlapping coverage which may be carried by Landlord; provided however, if Tenant's insurance company cannot provide the notice required under clause (a), Tenant shall provide the notice required under clause (a). Additionally, each such policy of insurance required under this section, except as to Worker's Compensation insurance shall expressly insure both Tenant and, as additional insureds, Landlord as an additional insured thereunder.

7.2.8 Proof of Insurance. Within fifteen (15) days after the Effective Date of this Lease, but in any event prior to the Commencement Date, Tenant shall deliver to Landlord certified copies of all policies of insurance required by this Section 7.2 or duly executed, original certificates of such insurance evidencing in-force coverage. Further, at least fifteen (15) days prior to the expiration of the policy in question, Tenant shall deliver to Landlord a duly executed, original certificate of insurance evidencing the renewal of each insurance policy required to be maintained by Tenant hereunder.

7.3 LANDLORD'S INSURANCE.

From and after the date of this Lease, Landlord will carry a policy or policies of all risk extended coverage insurance covering the Property endorsed to provide replacement cost coverage and providing protection against perils included within the standard California form of fire and extended coverage insurance policy, together with insurance against sprinkler damage,

vandalism, malicious mischief and such other risks as Landlord may from time to time determine and with any such deductibles as Landlord may from time to time reasonably determine.

7.3.2 Commercial General Liability Insurance. Landlord will carry Commercial General Liability policy or policies covering the Building against claims for personal or bodily injury, or death, or property damage resulting from the negligence of the Landlord or its agents, occurring upon, in or about the Building to afford protection to the limit of not less than \$2,000,000 per occurrence, and \$2,000,000 annual aggregate. This insurance coverage shall extend to any liability of Landlord arising out of the indemnities provided for in this Lease.

7.4 WAIVER OF SUBROGATION. Except to the extent that insurance required to be maintained by Tenant under this Section 7 covers loss to Landlord, Landlord and Tenant each waive any rights each may have against the other on account of any loss or damage occasioned to Landlord or Tenant, as the case may be, their respective property, the Premises or its contents, or to other portions of the Property arising from any liability, loss, damage, or injury caused by fire or other casualty for which property insurance is carried or required to be carried under this Lease and that the applicable carrier has acknowledged and accepted the tender of the claim for indemnification. The insurance policies obtained by Landlord and Tenant under this Lease will contain endorsements waiving any right of subrogation that the insurer may otherwise have against the noninsuring party.

7.5 INDEMNIFICATION.

7.5.1 Tenant's Indemnification. Tenant will pay for, defend, indemnify, and hold Landlord harmless against and from any real or alleged damage or injury and from all claims, judgments, liabilities, costs, and expenses, including attorneys' fees and costs, arising out of or connected with Tenant's use of the Premises, or any repairs to the Premises or Installations (including original improvements and fixtures specified as Tenant's Work) that Tenant may make or cause to be made on the Premises, any breach of this Lease by Tenant and any loss or interruption of business or loss of rental income resulting from any of the foregoing. Tenant will not be liable for any of the obligations outlined herein to the extent, and in the proportion, that the same is ultimately determined to be attributable to the negligence or misconduct of Landlord. This obligation to indemnify will include all of Landlord's attorneys' fees, litigation costs, investigation costs, court costs and all other costs, expenses, and liabilities reasonably incurred by Landlord or its counsel from the first notice that any claim or demand is to be made or may be made. Tenant's obligations under this Section 7.5.1 shall survive the termination of this Lease.

7.5.2 Landlord's Indemnification. Landlord agrees to indemnify Tenant and hold it harmless from any and all loss, cost, damage, expense and liability (including without limitation court costs and reasonable attorneys' fees) incurred in connection with or arising from any Losses, caused by the gross negligence or willful misconduct of Landlord and/or any of Landlord's Agents. The obligations of Landlord under this Section 7.5.2 shall survive the termination of this Lease with respect to any claims or liability arising in connection with any event occurring prior to such termination

8. CONDEMNATION

8.1 If the Property or any portion thereof that, in Landlord's or Tenant's reasonable opinion, is necessary to the continued efficient and/or economically feasible use of the Property or the Premises shall be taken or condemned for public purposes, or sold to a condemning authority in lieu thereof, then either party may, at its option, terminate this Lease on the effective date of such taking by delivering written notice thereof to the other party on or before ten (10) days after the effective date of the taking, condemnation or sale in lieu thereof. If neither Landlord nor Tenant elects to exercise such termination

right, then this Lease shall continue in full force and effect, provided that if the taking, condemnation or sale includes any portion of the Premises, the Basic Annual Rent and Additional Rent shall be redetermined on the basis of the remaining square feet of Premises. Landlord, at Landlord's sole option and expense, shall restore and reconstruct the Building to substantially its former condition to the extent that the same may be reasonably feasible, but such work shall not be required to exceed the scope of the work done by Landlord in originally constructing the Building. Landlord shall receive the entire award (which shall include sales proceeds) payable as a result of a condemnation, taking or sale in lieu thereof. Tenant shall, however, have the right to recover from such authority through a separate award, any compensation as may be awarded to Tenant on account of moving and relocation expenses and depreciation and removal of Tenant's physical property.

9. LIENS

9.1 MECHANICS' LIENS. Tenant shall keep the Premises and the Property free from all liens arising out of any work performed, materials furnished or obligations incurred by Tenant, and Tenant shall defend indemnify and hold harmless Landlord from and against any and all claims, causes of action, damages and expenses (including reasonable attorneys' fees) arising from or in connection with any such liens. If Tenant shall not, within ten (10) days following notification to Tenant of the imposition of any such lien, cause the same to be released of record by payment or the posting of a bond in amount, form and substance acceptable to Landlord, Landlord shall have, in addition to all other remedies provided herein and by law, the right but not the obligation, to cause the same to be released by such means as it shall deem proper, including payment of or defense against the claim giving rise to such lien. All amounts paid or incurred by Landlord in connection therewith shall be paid by Tenant to Landlord on demand and shall bear interest from the date of demand until paid at the rate set forth in Section 2.4 above. Nothing contained in this Lease shall constitute any consent by Landlord to subject Landlord's estate to liability under any mechanics' or other lien law. Tenant shall give Landlord adequate opportunity, and Landlord shall have the right at all times, to post such notices of non-responsibility as may be allowed under California law.

9.2 LEASEHOLD MORTGAGE. Notwithstanding Section 9.1 above, Tenant shall have the right without Landlord's prior written consent to subject its leasehold estate and all of its rights and interests in and to the Premises under this Lease (sometimes referred to herein as the "Leasehold Interest") to a Leasehold Mortgage in accordance with and subject to the provisions of Exhibit E, attached hereto and incorporated herein as if fully set forth below.

10. TAXES ON TENANT'S PROPERTY

10.1 Tenant shall be liable for and shall pay, prior to their becoming delinquent, any and all taxes and assessments levied against any personal property or trade or other fixtures placed by Tenant in or about the Premises. Tenant shall submit a personal property tax exemption application at Tenant's sole cost and expense, and Landlord shall use its commercially reasonable efforts to reasonably cooperate with Tenant's application at no cost to Landlord. Any personal property tax exemption received in connection with Tenant's application shall inure to the benefit of Tenant in the form of Tenant not being billed for said property taxes.

11. SUBLETTING AND ASSIGNING

11.1 Except as otherwise permitted herein and by Section 11.2 and Section 11.3 below, Tenant shall not assign this Lease, or allow it to be assigned, in whole or in part, by operation of law or otherwise (it being agreed that for purposes of this Lease, assignment shall include, without limitation, the transfer of a majority interest of stock, partnership or other forms of ownership interests, merger or dissolution) or

mortgage or pledge the same, or sublet the Premises or any part thereof or permit the Premises to be occupied by any individual or business entity, or any combination thereof, other than Tenant, without the prior written consent of Landlord. Notwithstanding the foregoing, Landlord's consent shall not be required and the requirements of Section 11.2 shall not apply for Tenant to assign this Lease to an "Affiliate" of Tenant. The term "Affiliate" as used herein means a corporation, limited liability company or other entity that controls, is controlled by, or is under common control with Tenant including, without limitation, Navigator Schools Support Corporation, a California nonprofit public benefit corporation doing business as Watsonville Prep, 407 Main Street LLC, a California limited liability company, or an entity which is an Affiliate of either of them. Tenant shall provide written notice to Landlord no less than ten (10) days after the effective date of any transfer to an Affiliate. Notwithstanding any subletting or assignment by Tenant hereunder or any provision herein to the contrary, Tenant shall remain fully liable for the performance of all the covenants, agreements, terms, provisions and conditions contained in this Lease on the part of Tenant to be performed. No assignee or subtenant of the Tenant may (i) assign or sublet the Premises or any portion thereof or (ii) use the Premises for marijuana or tobacco sales or use, or as a liquor store. Any assignment made by Tenant shall contain a covenant of assumption by the assignee running to Landlord. All reasonable legal fees and expenses incurred by Landlord in connection with any assignment or sublease proposed by Tenant will be paid by Tenant within thirty (30) days of receipt of an invoice from Landlord, which shall not exceed \$1,000.

11.2 LANDLORD'S RIGHTS. If Tenant desires to sublease any portion of the Premises or assign this Lease, Tenant shall submit to Landlord (a) in writing, the name of the proposed subtenant or assignee, the nature of the proposed subtenant's or assignee's business and, in the event of a sublease, the portion of the Premises which Tenant desires to sublease, (b) a current balance sheet and income statement for such proposed subtenant or assignee, (c) a copy of the assignment, and (d) such other information as Landlord may reasonably request (collectively, the "Required Information"). Landlord shall, within thirty (30) days after Landlord's receipt of the Required Information, deliver to Tenant a written notice (a "Landlord Response") in which Landlord either (i) consents to the proposed sublease or assignment, or (ii) withholds its consent to the proposed sublease or assignment, which consent shall not be unreasonably withheld so long as Tenant is not in default hereunder and Landlord has received all Required Information. The reason for which Landlord shall be deemed to have reasonably withheld its consent to any sublease or assignment includes but is not limited to (i) Landlord's determination (in its sole discretion) that such subtenant or assignee is not of the character or quality of a tenant to whom Landlord would generally lease space in the Building, (ii) the proposed subtenant's or assignee's primary business is prohibited by a non-compete clause then affecting the Building, (iii) the proposed subtenant or assignee is a tenant of the Building, or Landlord is negotiating with the proposed subtenant or assignee to become a tenant of the Building, or (iv) such subtenant or assignee does not meet the creditworthiness standards applied by Landlord generally in the selection of tenants for the Building (but taking into consideration the fact that Tenant remains liable under this Lease). In lieu of consenting to any such proposed sublease or assignment (and without regard to whether Landlord's action is "reasonable" or "unreasonable") Landlord shall have the right, within thirty (30) days after Landlord's receipt of the Required Information to, if the proposed assignment or sublease is for the remainder of the term of this Lease, terminate this Lease as to the space so affected as of the date so specified by Tenant in its notice to Landlord, in which event Tenant shall be relieved of any and all further obligations hereunder as to such space.

11.3 LANDLORD'S RIGHTS RELATING TO ASSIGNEE OR SUBTENANT. If this Lease or any part hereof is assigned or the Premises or any part thereof are sublet, Landlord may at its option collect directly from such assignee or subtenant all rents becoming due to Tenant under such assignment or sublease and apply such rent against any sums due to Landlord by Tenant hereunder. Tenant hereby authorizes and directs any such assignee or subtenant to make such payment of rent directly to Landlord upon receipt of notice from Landlord, and Tenant agrees that any such payments

made by an assignee or subtenant to Landlord shall, to the extent of the payments so made, be a full and complete release and discharge of rent owed to Tenant by such assignee or subtenant. No direct collection by Landlord from any such assignee or subtenant shall be construed to constitute a novation or a release of Tenant or any guarantor of Tenant from the further performance of its obligations hereunder. In the event that, following an assignment or subletting, this Lease or the rights and obligations of Tenant hereunder are terminated for any reason, including without limitation in connection with default by or bankruptcy of Tenant, Landlord may, at its option, consider this Lease to be thereafter a direct lease to the assignee or subtenant of Tenant upon the terms and conditions contained in this Lease.

12. TRANSFERS BY LANDLORD, SUBORDINATION AND TENANT'S ESTOPPEL CERTIFICATE

12.1 SALE OF THE PROPERTY. In the event of any transfer of title to the Property, the transferor shall automatically be relieved and freed of all obligations of Landlord under this Lease accruing after such transfer, provided that the transferee expressly assumes in writing all obligations of Landlord hereunder accruing after the date of such transfer and further provided that if a Security Deposit has been made by Tenant, Landlord shall not be released from liability with respect thereto unless Landlord's transferee assumes responsibility for the Security Deposit.

12.2 SUBORDINATION, ATTORNMENT AND NOTICE. This Lease is subject and subordinate (i) to the lien of each mortgage and deed of trust encumbering all or any portion of the Property, regardless of whether such lease, mortgage or deed of trust now exists or may hereafter be created, (ii) to any and all advances (including interest thereon) to be made under each such lease, mortgage or deed of trust and (iii) to all modifications, consolidations, renewals, replacements and extensions of each such lease, mortgage or deed of trust; provided that the foregoing subordination to any mortgage or deed of trust placed on the Property after the date hereof shall not become effective until and unless the holder of such mortgage or deed of trust delivers to Tenant a non-disturbance agreement (which may include Tenant's agreement to attorn as set forth below) permitting Tenant, if Tenant is not then in material default under any provision of, this Lease, to remain in occupancy of the Premises in the event of a foreclosure of any such mortgage or deed of trust. Tenant shall, in the event of the sale or assignment of Landlord's interest in the Premises, attorn to and recognize such purchaser, assignee or lessor as Landlord under this Lease. Tenant shall, in the event of any proceedings brought for the foreclosure of, or in the event of the exercise of the power of sale under, any mortgage or deed of trust covering the Premises, attorn to and recognize the purchaser at foreclosure as Landlord under this Lease. The above subordination and attornment clauses shall be self-operative and no further instruments of subordination or attornment need be required by any mortgagee, trustee, lessor, purchaser or assignee. In confirmation thereof, Tenant agrees that, upon the request of Landlord, or any such mortgagee, trustee, lessor, purchaser or assignee, Tenant shall execute and deliver whatever instruments may be required for such purposes and to carry out the intent of this Section 12.2.

12.3 TENANT'S ESTOPPEL CERTIFICATE. In accordance with Civil Code Section 1938(e), Landlord hereby states the following:

"A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs to correct violations of the construction-related accessibility standards within the premises."

agrees that Tenant’s indemnity obligations set forth in the Lease shall include any and all claims relating to or arising as a result of the Premises not having been inspected by a CASp or any suit brought against Landlord and/or any Landlord Party if a visit to Tenant’s Premises is wholly or partially the triggering basis for such a suit against Landlord.

Tenant may, at its sole risk and expense, elect to have the Premises inspected by a CASp for purposes of determining whether or not the Premises comply with all of the applicable construction-related accessibility standards under California law (“Tenant CASp Inspection”). Any such Tenant CASp Inspection shall be performed in a noninvasive manner to the Premises. It is the express intent and understanding of the parties that Tenant’s right to perform such Tenant CASp Inspection shall be solely for Tenant’s own benefit and Landlord and Landlord Parties shall have no duty or responsibility whatsoever of any kind for any claims, expenses, actions, repairs, alterations, modifications, damages, liabilities, or losses arising from or in connection with such Tenant CASp Inspection (“CASp Inspection Claims”) or the reports or recommendations resulting therefrom (each or collectively “CASp Inspection Results”). Tenant also agrees to correct any violations of construction related accessibility standards identified in such CASp Inspection Results at Tenant’s sole cost and expense, and to indemnify, defend, and hold harmless Landlord and Landlord Parties from and against any and all CASp Inspection Claims or CASp Inspection Results arising from or in connection with such Tenant CASp Inspection.

15.20 WAIVER OF JURY TRIAL/JUDICIAL REFERENCE. To the greatest extent permitted by existing law, each party to this agreement hereby expressly waives any right to trial by jury of any claim, demand, action or cause of action either arising under this agreement or any other instrument, document or agreement executed or delivered in connection therewith or in any way connected with or related or incidental to the dealings of the parties hereto or any of them with respect to this agreement or any other instrument, document or agreement executed or delivered in connection herewith, or the transactions related hereto or thereto, in each case whether now existing or hereafter arising, and whether sounding in contract or tort or otherwise; and each party hereby agrees and consents that any such claim, demand, action or cause of action shall be decided by court trial without a jury.

If this jury waiver is found to be invalid, then the parties agree that all questions of fact or law shall be submitted to a referee in accordance with Code of Civil Procedure Section 638 et seq., for issuance by the referee of a Statement of Decision as to all such matters. The parties agree that the referee shall be a retired judge who served as a judge for no less than ten years to be mutually agreed upon between the parties. If the parties are unable to agree, any party may request an appointment of the referee by the presiding judge of the Santa Cruz County Superior Court.

There may be one or more Leasehold Mortgages and Leasehold Mortgagees, at Tenant’s discretion. To facilitate the financing of the Installations, Landlord agrees to the following:

A. Consent to Leasehold Mortgages. Landlord’s consent and approval shall not be required in connection with any Leasehold Mortgage, the transfer of Tenant's interest in this Lease and Premises in connection with a judicial or non-judicial sale proceeding pursuant to the Leasehold Mortgage, any transfer pursuant to a deed or assignment in lieu of foreclosure, any sale or transfer in any bankruptcy or insolvency proceedings, or any similar transfer pursuant to any exercise of remedies under any Leasehold Mortgage (collectively, a “Foreclosure”), subject to compliance with the terms of this Exhibit and subject to such transferee expressly assuming all of the Tenant's obligations under the Lease. The Leasehold Mortgagee shall be permitted to sublease all or a portion of the Premises to one or more new subtenants (i) without the further consent or approval of the Landlord so long as such subtenants operate the Premises for school use (including, without limitation, a public charter school) and related educational and administrative purposes, including, without limitation, classrooms, and administrative offices, and for any other lawful use reasonably related to the foregoing operates an educational facility, or (ii) subject to the prior written consent of the Landlord, which consent shall not be unreasonably withheld, conditioned or delayed, with respect to such subtenants operating the Premises for non-school use (including, without limitation, any office or retail use) (an "Expanded Use"). Such right shall be exercisable by Leasehold Mortgagee within thirty (30) days following written notice by Landlord to Leasehold Mortgagee of the termination of this Lease, by written notice from Leasehold Mortgagee to Landlord given within such 30-day period. Upon exercise of such right, Landlord and Leasehold Mortgagee (or an affiliate or nominee of Leasehold Mortgagee, as Leasehold Mortgagee may elect) shall enter into the New Lease within thirty (30) days thereafter. Upon execution of any such New Lease, the tenant thereunder shall be required to cure outstanding defaults of the Tenant under this Lease in the same manner, and within the same time period, as required under the provisions of this Exhibit, except to the extent such defaults are noncurable personal defaults to the Tenant, such as bankruptcy or insolvency, provided any monetary default and any other sum that may be due from Tenant to Landlord under the Lease or by reason of Tenant's default thereunder shall be cured and/or paid at the time Leasehold Mortgagee, its affiliate or nominee executes the New Lease.

G. Notices by Landlord. Leasehold Mortgagee shall promptly provide Landlord written notice of when the Leasehold Mortgage is made or released. Until such time as this Leasehold Mortgage is released or canceled of record, Landlord agrees that it will provide Leasehold Mortgagee whose Leasehold Mortgage is most senior in priority (unless otherwise directed in writing by such senior Leasehold Mortgagee and delivered to Landlord) with a copy of any notices sent to Tenant under this Lease, including any default notices, within one business day of delivery of such notices to Tenant. Landlord agrees that no notice to Leasehold Mortgagee shall be effective unless it is reduced to writing and delivered to Tenant and such Leasehold Mortgagee, at the address and in the manner indicated in this Lease (in the case of Tenant) and at the address and in the manner indicated in the Landlord Agreement (in the case of Leasehold Mortgagee), and no grace or cure periods for Tenant's cure of a default of its obligations under this Lease or the time permitted to a Leasehold Mortgagee to cure such default shall be deemed to commence unless and until such notice is so delivered.

H. Leasehold Mortgagee Performance and Cure Rights. Landlord hereby agrees to accept from any Leasehold Mortgagee any and all payments and performance of Tenant's obligations under this Lease, whether before or after default (but within the applicable periods provided for in this Exhibit), with the same force and effect as if paid or performed by Tenant. Landlord agrees that in the event of any default or breach of covenant by Tenant under this Lease within the curative period provided for such cure or remedy in this Lease, then Leasehold Mortgagee shall have the right, at its sole option, to exercise any one or more of the following rights:

Leasehold Mortgagee may be subject (but such extension shall apply only to those defaults that Leasehold Mortgagee is so prevented from curing);

(ii) to require Landlord to terminate Tenant's rights under this Lease by reason of such default, and to substitute Leasehold Mortgagee as lessee of the Premises with Landlord for the balance of the term of this Lease (including any renewal options) by entering into a New Lease (as defined above) and upon payment to Landlord of Landlord's reasonable attorneys' fees in connection therewith and payment of Rent, damages and other sums due under the Lease at the time of execution of the New Lease by Leasehold Mortgagee, its affiliates or nominees, Tenant hereby agreeing to execute such cancellations as may be reasonably required in connection therewith; and

(iii) to acquire pursuant to any Foreclosure the Leasehold Interest and Tenant's rights under this Lease and assume the obligations of Tenant under this Lease as required under this Exhibit, and in such event, Landlord shall not exercise its right of termination with respect to such default, provided that upon such acquisition, Leasehold Mortgagee shall be entitled to cure any and defaults within the curative periods provided above other than payment of Rent, damages and other sums due under the Lease at the time of execution of the New Lease, which shall be paid by Leasehold Mortgagee, its affiliates or nominees no later than ten (10) days following such acquisition.

Such Purchaser shall be permitted to sublease all or a portion of the Premises to one or more new subtenants (i) without the further consent or approval of the Landlord so long as such subtenants operate the Premises for school use (including, without limitation, a public charter school) and related educational and administrative purposes, including, without limitation, classrooms, and administrative offices, and for any other lawful use reasonably related to the

No consent or approval by Landlord shall be required in connection with the commencement or completion of any Foreclosure or any assignment or transfer of Tenant's rights under this Lease in connection with any such Foreclosure.

J. Attornment. In the event that any Purchaser shall acquire the rights of Tenant pursuant to the provisions of this Exhibit, such Purchaser will attorn to Landlord in a writing reasonably acceptable to Landlord, and Landlord will thereupon recognize Purchaser as the lessee under this Lease. In the attornment document, the Purchaser shall agree to assume all of the obligations of the Tenant to Landlord under this Lease, subject to the provisions of Exhibit Section Q below, and provided that the Purchaser shall not be deemed to have assumed any responsibility or liability for any unsatisfied indemnification obligations of Tenant under the Lease, nor any responsibility or liability to any third party for any liabilities or obligations of the Tenant under this Lease, arising prior to the Purchaser's acquisition of the Leasehold Interest.

K. Transfer Not a Default. In the event of the assignment or transfer of Tenant's Leasehold Interest pursuant to any Foreclosure, no such Foreclosure shall constitute a default by Tenant under this Lease, and any Purchaser of the Leasehold Interest shall be entitled to all the benefits of this Lease. L. Exercise of Lease Options. It is expressly agreed that the Leasehold Mortgage includes a pledge and assignment of all rights and options of Tenant to extend or renew the Lease, and that upon any assignment or transfer of the Leasehold Interest pursuant to any Foreclosure, such assignment or transfer shall include all such rights and options. No option granted to Tenant to extend or renew this Lease shall be exercisable without the prior, written consent of Leasehold Mortgagee, and in the event of any exercise thereof without such consent, (i) Leasehold Mortgagee shall not be bound thereby and (ii) the option shall not have been validly exercised and Tenant shall be a holdover tenant. In addition, in any case in which Tenant has failed to exercise any option to extend or renew this Lease within the time required under this Lease, Landlord shall give Leasehold Mortgagee written notice of such failure, and at the written request of Leasehold Mortgagee, (i) Landlord shall extend the period for such exercise by a period of up to sixty (60) days, and (ii) during such 60-day period, if the Leasehold Mortgagee shall cure all defaults that Leasehold Mortgagee is capable of curing and, as to any other defaults, commences the exercise of remedies against Tenant and thereafter diligently pursues the same to completion within the applicable time periods set forth in this Exhibit, the right to exercise such option shall continue throughout the curative period provided in Exhibit Section H above, and upon

Any subsequent assignment of the Leasehold Interest shall be subject to such consent as required under the terms of this Lease.

N. Leasehold Mortgagee as Beneficiary. Each Leasehold Mortgagee is an express third party beneficiary of the provisions of this Exhibit and shall be entitled to enforce the same directly against Landlord.

O. Bankruptcy of Landlord. In the event that the Landlord shall become subject to any bankruptcy or insolvency proceeding and subject to applicable law, any rights, elections, or actions available to Tenant therein shall be subject to the rights of Leasehold Mortgagee under the Leasehold Mortgage to consent to, or to exercise on behalf of Tenant, such rights, elections, or actions. Without limiting the foregoing but subject to applicable law, no consent or acquiescence by Tenant to any rejection of this Lease by Landlord or any successor or trustee in such proceeding shall be binding or effective without the prior, written consent thereto by each Leasehold Mortgagee, and the rights, liens, and claims of Leasehold Mortgagee shall extend to, encumber, and include all rights to damages for any such rejection and all rights to continued possession of the Premises.

P. Liability of Leasehold Mortgagee. In no event shall Leasehold Mortgagee have or be deemed to assume any personal liability under this Lease or any personal liability for performance of any of Tenant's obligations under this Lease prior to becoming the Tenant under the Lease and taking possession of the Premises. Prior to becoming the Tenant under the Lease and taking possession of the Premises, nothing in this Lease shall operate to give rise to or create any responsibility or liability for the control, care, management or repair of the Premises upon such Leasehold Mortgagee, or impose responsibility for the carrying out by the Leasehold Mortgagee of any of the covenants, terms and conditions of the Tenant under this Lease, or constitute such Leasehold Mortgagee a "mortgagee in possession," nor shall said instrument operate to make such Leasehold Mortgagee responsible or liable for any waste committed on the Premises by any person whatsoever, or for any dangerous or defective condition of the Premises, or for any negligence in the management, upkeep, repair or control of the Premises resulting in loss, injury or death to any tenant, licensee, invitee, guest, employee, agent or stranger; it being agreed that (i) Leasehold Mortgagee's commencement of any Foreclosure or any efforts to cure any default under this Lease shall be for its own protection and shall not by itself constitute and assumption of the Lease nor obligate Leasehold Mortgagee to complete any such proceedings or cure, and (iii) in the event Leasehold Mortgagee or any affiliate or nominee thereof shall have acquired the Leasehold Interest, upon any subsequent assignment of this Lease which assignment has complied with the terms and conditions of Paragraph F above, Leasehold Mortgagee or such any affiliate or nominee shall be released from any further liability under this Lease accruing after the date of such assignment, other than any unsatisfied indemnification obligations of Tenant

under the Lease or any responsibility or liability to any third party for any liabilities or obligations of the Tenant under this Lease, accruing during the assignor's tenancy period.

Q. Rights As Among Leasehold Mortgagees. In any case in which there shall be more than one Leasehold Mortgage, each Leasehold Mortgagee shall be entitled to the benefit of the provisions of this Exhibit, provided, that (i) any actions or elections permitted to be taken or made hereunder shall be determined and exercised by the Leasehold Mortgagee whose Leasehold Mortgage is most senior in priority (unless otherwise directed in writing by such senior Leasehold Mortgagee and delivered to Landlord), and (ii) the time periods in this Exhibit for any action or response by a Leasehold Mortgagee shall run concurrently for all Leasehold Mortgagees.

R. Encumbrances by Landlord. In the event the Landlord's interest in the Premises is subject to a mortgage or deed of trust ("Landlord Mortgage"), Landlord agrees on or before the funding of the Leasehold Mortgage to obtain such commercially reasonable Non-Disturbance Agreement or Tri Party Agreement as may be approved by such Leasehold Mortgagee, pursuant to which such Landlord Mortgagee agrees that in the event such Landlord Mortgagee, or its successor in interest, including any purchaser at a foreclosure sale, whether judicial or non-judicial, should acquire title to the Premises, such Landlord Mortgagee or its successor in interest shall be subject to and bound by the terms of this Lease (expressly including this Exhibit) and that no foreclosure or other enforcement of such mortgage, deed of trust or other encumbrance in and of itself will disturb or effect this Lease or the rights of Leasehold Mortgagee hereunder.

S. Casualty and Condemnation. In the event of any casualty or condemnation affecting the Premises, and notwithstanding any other provision of this Lease to the contrary, (i) any net proceeds of insurance or condemnation that are required to be applied to restoration of the Premises or Installations shall be payable to Leasehold Mortgagee (or if there is more than one Leasehold Mortgage, to the Leasehold Mortgagee having senior priority) and administered by such Leasehold Mortgagee for application to such restoration in accordance with the provisions of the Lease and the terms and conditions governing such application as set forth in the Leasehold Mortgage, it being agreed that such terms and conditions may not change the obligation of Landlord or Tenant under the Lease to restore the Premises in a timely manner, (ii) in any case not involving a total condemnation of the Premises in which any such proceeds are not required under the Lease to be applied to restoration of the Premises or Installations, all such proceeds not required for such restoration shall be payable first to Leasehold Mortgagee (or if there is more than one Leasehold Mortgage, to each Leasehold Mortgagee in order of priority) until the indebtedness and obligations under each Leasehold Mortgage have been paid and satisfied in full, after which they shall be paid to or apportioned between Landlord and/or Tenant as provided under the other provisions of this Lease, and (iii) no election by Tenant to terminate this Lease upon any such casualty or condemnation shall be effective without the prior written consent of each Leasehold Mortgagee.

T. Landlord Agreement. At the request of any Leasehold Mortgagee (or prospective Leasehold Mortgagee) and upon payment of Landlord's reasonable attorney's fees in connection therewith, Landlord will enter into an agreement with such Leasehold Mortgagee (as executed, together with any amendments thereto and renewals and replacements therefor, the "Landlord Agreement"), containing in substantial substance the following assurances or undertakings, or such additional provisions as may be mutually acceptable to Landlord, Tenant and Leasehold Mortgagee:

(i) Stating that, as of the date of the Landlord Agreement, this Lease is valid and in full force and effect, and has not been altered, amended or modified, in any respect whatsoever, other than pursuant to disclosed amendments delivered to Leasehold Mortgagee;

(ii) Stating, if true, that (a) no notice of any default by Tenant under the Lease has been issued by Landlord, other than with respect to defaults that have been cured or waived by Landlord, and (b) to the best of Landlord's knowledge with no duty of investigation, no default, nor any event that, with the passage of time or the giving of notice, or both, would constitute a default under this Lease has occurred and is continuing as of the date of the Landlord Agreement;

(iii) Confirming the commencement and termination dates of this Lease, the amount of Base Rent currently payable by Tenant and the date through which such payments have been made, and whether any options to renew or extend the Lease or to purchase the Landlord's interests in the Premises have been exercised or have lapsed; and

(iv) Expressly identifying each Leasehold Mortgage and Leasehold Mortgagee and setting forth the address(es) of Landlord and each Leasehold Mortgagee for purposes of notices to be given and received pursuant to the provisions of this Exhibit, and providing that such Leasehold Mortgagee shall have such rights and remedies as provided to Leasehold Mortgagee in the Lease, including this Exhibit.

In addition, in the event that there is any transfer of Landlord's interests in the Premises, in connection with the execution of all documents required in connection therewith, Landlord will cause any such transferee to provide a Landlord Agreement and acknowledge the rights of Leasehold Mortgagee pursuant to this Exhibit.

U. Nothing in this Exhibit shall prevent or hinder Landlord from exercising its right under the Lease or at law to self-help or to cure Tenant's breach or default under the Lease following issuance of written notice of such default to Tenant and Leasehold Mortgagee. Landlord need not wait until the Leasehold Mortgagee Curative Commencement Date before exercising such rights to self-help or cure. Landlord shall provide to Leasehold Mortgagee written notice of Landlord's election to exercise such rights as soon as reasonably practicable under the circumstances.

V. This Lease shall not be amended, modified, terminated or cancelled without the prior written consent of the Leasehold Mortgagee, with consent may not be unreasonably withheld, conditioned or delayed.

SCOPE OF WORK: The Contractor shall furnish all labor, materials, equipment, tools, and utility and transportation services, and perform and complete all work required in connection with Gilroy Prep School Portable Relocation Project (“Project”) in strict accordance with the Contract Documents enumerated in Article 7 below. The Contractor shall be liable to Navigator for any damages arising as a result of a failure to comply with that obligation, and the Contractor shall not be excused with respect to any failure to so comply by an act or omission of the Architect, Engineer, Inspector, Division of the State Architect (DSA), or representative of any of them, unless such act or omission actually prevents the Contractor from fully complying with the Contract Documents and the Contractor protests, in accordance with the Contract Documents, that the act or omission is preventing the Contractor from fully complying with the Contract Documents. Such protest shall not be effective unless reduced to writing and filed with Navigator office within seven (7) days of the date of occurrence of such act or omission preventing the Contractor from fully complying with the Contract Documents.

It is further expressly understood by the Contractor, that the Contractor shall not be entitled to any claim of additional compensation as a result of Navigator’s postponement of giving the notice to proceed.

If the Contractor believes that a postponement will cause hardship to it, the Contractor may terminate the Contract with written notice to Navigator within ten (10) days after receipt by the Contractor of Navigator's notice of postponement. It is further understood by the Contractor that in the event that the Contractor terminates the Contract as a result of postponement by Navigator, Navigator shall only be obligated to pay the Contractor for the work performed by the Contractor at the time of notification of postponement. Should the Contractor terminate the Contract as a result of a notice of postponement, Navigator shall have the authority to award the Contract to the next lowest responsible bidder.

WITNESSETH: That the Contractor and the Owner for the consideration hereinafter named agree as follows:

ARTICLE I. SCOPE OF WORK. The Contractor agrees to furnish all labor, equipment and materials, including tools, implements, and appliances required, and to perform all the Work in a good and workmanlike manner, free from any and all liens and claims from mechanics, material suppliers, subcontractors, artisans, machinists, teamsters, freight carriers, and laborers required for:

Hayward Collegiate Modular Classroom and Site work Project

all in strict compliance with the plans, drawings and specifications therefore prepared by:

Artik Art and Architecture
Martin Hochroth, Principal
394-A Umbarger Rd
San Jose, CA 95111

(“Architect”)

and other Contract Documents relating thereto.

ARTICLE II. CONTRACT DOCUMENTS. The Contractor and the Owner agree that all of the documents listed in Article 1.1.1 of the General Conditions form the Contract Documents which form the Contract.

ARTICLE III. TIME TO COMPLETE AND LIQUIDATED DAMAGES. Time is of the essence in this Contract, and the time for Completion of the Work (“the Contract Time”) shall be completed no later than August 26, 2024 if no other dates are established in a Notice to Proceed from Owner.

Failure to Complete the Work within the time and in the manner provided for by the Contract Documents shall subject the Contractor to liquidated damages. The actual occurrence of damages and the actual amount of the damages which the Owner would suffer if the Work were not Completed within the Contract Time are dependent upon many circumstances and conditions which could prevail in various combinations and, from the nature of the case, it is impracticable and extremely difficult to fix the actual damages. Damages which the Owner would suffer in the event of such delay include, but are not limited to, loss of the use of the Work, disruption of activities, costs of administration and supervision, and the incalculable inconvenience and loss suffered by the public.

Accordingly, the parties agree that the amount herein set forth shall be the amount of damages which the Owner shall directly incur upon failure of the Contractor to Complete the Work within the Contract Time: \$2,000 for each calendar day by which Completion of the Work is delayed beyond the Contract Time as adjusted by Change Orders.

If Contractor causes delay to any other contractor's work on the Project that results in delayed *completion* of the Project, Contractor shall be subject to liquidated damages in the amount set forth above for each calendar day Contractor delayed *completion* of the Project. The actual occurrence of damages and the actual amount of the damages which the Owner would suffer for such delayed *completion* of the Project are dependent upon many circumstances and conditions which could prevail in various combinations and, from the nature of the case, it is impracticable and extremely difficult to fix the actual damages. Damages which the Owner would suffer in the event of such delay include, but are not limited to, loss of the use of the other contractor's work and the Project, disruption of activities, costs of administration and supervision, and the incalculable inconvenience and loss suffered by the public.

Accordingly, the parties agree that the amount set forth herein shall be presumed to be the amount of damages which the Owner shall directly incur for each calendar day that *completion* of the Project is delayed because of Contractor caused delays to the work of other contractors.

If liquidated damages accrue as described above, the Owner, in addition to all other remedies provided by law, shall have the right to assess the liquidated damages at any time, and to withhold liquidated damages (and any interest thereon) at any time from any and all retention or progress payments, which would otherwise be or become due the Contractor. In addition, if it is reasonably apparent to the Owner before liquidated damages begin to accrue that Contractor cannot or will not Complete the Work within the Contract Time, Owner may assess and withhold, from retention or progress payments, the estimated amount of liquidated damages that will accrue in the future. If the retained percentage or withheld progress payments are not sufficient to discharge all liabilities of the Contractor incurred under this Article, the Contractor and its sureties shall continue to remain liable to the Owner until all such liabilities are satisfied in full.

If Owner accepts any work or makes any payment under this Agreement after a default by reason of delays, the payment or payments shall in no respect constitute a waiver or modification of any Agreement provisions regarding time of Completion and liquidated damages.

ARTICLE IV. PAYMENT AND RETENTION. The Owner agrees to pay the Contractor in current funds of **Nine Hundred Fifty Thousand and Four Hundred Dollars Exactly (\$950,400.00)** for work satisfactorily performed after receipt of properly documented and submitted Applications for Payment and to make payments on account thereof, as provided in the General Conditions. Contractor agrees that Owner may retain ten percent (10%) of the amount otherwise due. (See Exhibit A)

ARTICLE V. CHANGES. Changes in this Agreement or in the Work to be done under this Agreement shall be made as provided in the General Conditions.

ARTICLE VI. TERMINATION. The Owner or Contractor may terminate the Contract as provided in the General Conditions.

ARTICLE X. [RESERVED].

ARTICLE XI. INDEMNIFICATION AND INSURANCE. The Contractor will defend, indemnify and hold harmless the Owner, its governing board, officers, agents, trustees, employees and others as provided in the General Conditions.

By this statement the Contractor represents that it has secured the payment of Workers' Compensation in compliance with the provisions of the Labor Code of the State of California and during the performance of the work contemplated herein will continue so to comply with said provisions of said Code. The Contractor shall supply the Owner with certificates of insurance evidencing that Workers' Compensation Insurance is in effect and providing that the Owner will receive thirty (30) days' notice of cancellation.

Contractor shall provide the insurance set forth in the General Conditions. The amount of general liability insurance shall be \$2,000,000 per occurrence for bodily injury, personal injury and property damage and the amount of automobile liability insurance shall be \$1,000,000 per accident for bodily injury and property damage combined single limit. The Owner shall be named as an additional insured on all policies provided by Contractor under this Agreement.

ARTICLE XII. ENTIRE AGREEMENT.
