This meeting will be held in compliance with the Brown Act.

Individuals in need of a disability-related accommodation, modification, or auxiliary aid/service, should direct requests to Tom Peraic, General Counsel, at tom.peraic@navigatorschools.org

Committee Members Present

Ian Connell (remote), Jaime Quiroga (remote)

Committee Members Absent

JP Anderson

Guests Present

Ami Ortiz (remote), Caprice Young (remote), Christopher Copus (remote), Lili Huang (remote), Noël Russell-Unterburger (remote), Tom Peraic (remote)

I. Opening Items

A. Record Attendance and Guests

B. Call the Meeting to Order

Ian Connell called a meeting of the Finance Committee of Navigator Schools to order on Monday Dec 11, 2023 at 3:02 PM.

C. Public Comments

There were no public comments.

D. Approve Minutes from Previous Meeting

Ian Connell made a motion to approve the minutes from Finance Committee on 06-12-23. Jaime Quiroga seconded the motion.

The committee **VOTED** unanimously to approve the motion.

Roll Call Ian Connell Aye Jaime Quiroga Aye JP Anderson Absent

II. Business and Finance

A. Opening Remarks

Noël Russell-Unterburger expressed appreciation to the Board Members Ian Connell and Jaime Quiroga for their attendance.

B. 22-23 Draft Audited Financial Reports

Noël Russell-Unterburger led the discussion of the draft audited financial reports. As of 12/01/23 Navigator has a net income positive. We have hired additional staff and there has been alignment between SGI wages and fair market value to reduce attrition and improve hiring success. Guest Lili Huang led a discussion concerning audit issues and updates. Extension is in place until 03/31/24 and will be discussed further at an upcoming Board meeting.

C. YTD Actuals through October October 31, 2023

Noël Russell-Unterburger led the discussion and shared this data with the committee.

D. Investment Policy Implementation

Noël Russell-Unterburger led the discussion and shared that we have a good investment policy but we need to create an Investment Committee. Goals are short term investment strategies and investment grade bonds.

E. Cash Flow forecasting without Elementary and Secondary School Emergency Relief (ESSER) Fund

Noël Russell-Unterburger led the discussion. She shared specifically around ESSR that she is identifying additional expenditures and identifying funding streams. ESSR 09/24.

III. Closing Items

A. Adjourn Meeting

Jaime Quiroga made a motion to Adjourn. Ian Connell seconded the motion. The committee **VOTED** unanimously to approve the motion. There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 4:00 PM.

Respectfully Submitted, Tom Peraic

3rd Quarter Financial Update

Section:II. Business and FinanceItem:A. 3rd Quarter Financial UpdatePurpose:DiscussSubmitted by:NS 2023-24 April 2024 Financial Update 6.13.24.pdf

Date: June 13, 2024 To: Finance Committee From: Noël Russell-Unterburger, Chief Financial & Operating Officer Subject: 2023-24 Budget vs. Actuals as of April 30, 2024

The enclosed financial report presents Navigator Schools' financial performance for the 2023-24 fiscal year, covering the year-to-date Budget vs. Actuals through April 30, 2024, including year end projections. This narrative provides a comprehensive analysis of the organization's revenue, expenditures, and overall financial position.

In 2023-24, we embarked on a transformative journey, focusing on key strategic objectives to drive our mission of providing high-quality education and ensuring the long-term success of our scholars. We focused on key initiatives to support and prioritize student success and well-being, organizational development and equity, and financial stability and growth. These areas represent the core pillars of our approach to foster a supportive and equitable environment for staff and students, and ensure the long-term financial viability of the organization, setting the stage for future growth and success.

While these strategic investments and initiatives contributed to higher-than-expected expenses in the 2023-24 fiscal year, they were essential for Navigator Schools to adapt to the evolving educational landscape, address critical challenges, and position itself for growth and long-term success. The following financial report provides a detailed analysis of the organization's revenue, expenditures, and overall financial position during this transformative year.

Enrollment and ADA:

The expected enrollment for the 2023-24 academic year is projected to be 1,763 students, exceeding the board-approved budget by 22 students. However, the Average Daily Attendance (ADA) is currently at 1,622 students, which is 52 students below the budgeted figure of 1,674. The Approved Budget assumed an ADA rate of 96% and it is coming in at 94%, representing a 2% decrease.

Revenue Analysis:

The projected total revenue for the 2023-24 fiscal year is \$31,963,446, which is \$110,644 higher than the Approved Budget of \$31,852,802.

- The most significant variance is in LCFF Revenue, which is projected to be \$601,702 lower than budgeted, primarily due to the lower-than-expected ADA.
- Federal Revenue and Other Local Revenue are trending on budget.

• Other State Revenue and Donations & Grants are projected to exceed the Approved Budget by \$522,713 and \$189,633, respectively, offsetting the LCFF Revenue shortfall.

Expenditure Analysis:

Total projected expenditures for the 2023-24 fiscal year are \$33,359,733, exceeding the Approved Budget by \$1,427,346 or 4.5%. The main contributors to this overspend are:

- 1. Salaries: Projected to be \$331,667 over budget due to adjustments in pay rates for staff that addressed compensation equity and competitiveness issues with hourly and director positions.
- 2. Benefits & Taxes: Projected to be \$331,933 over budget, aligning with the increase in staff salaries.
- 3. Services & Other Operating Expenses: Projected to be \$1,419,129 over the Approved Budget. The overrun is attributed to the investments in operational enhancement that include the following:
 - Increasing our media and communications reach \$90k (cost was not included in the Approved Budget)
 - Grant writing for growth, replication and expansion planning \$135k even though the cost was not included in the Approved Budget this investment has increased our grant revenue with a \$1.2M Community Schools grant award.
 - Establishing a baseline DEIA Audit to inform our long-term strategy and planning
 \$52k (cost was not included in the Approved Budget)
 - Investments in leadership Professional Development \$70k (\$50k over budget)
 - Specialized legal services needed for material revision, facility/SB740, general HR and employment compliance \$222k (\$121k over budget)
 - Revenue support, LCAP development, interim and financial reporting review \$40k (cost was not included in the Approved Budget)
 - Tech, software and subscriptions \$107k (\$56k over budget). Includes new budget management software.
 - Accounting fees are \$140k (\$100k over budget). The cost included additional reconciliation work for 2023 audit.
 - Travel \$196k (\$149k over budget). Travel is higher due to several out-of- state charter and professional training conferences (especially CSGF, CSDC and Valor), it also includes various staff training for school and support office leadership.
- 4. Books & Supplies: Projected to be \$420,883 under the Approved Budget, resulting in moderate cost savings. The reduced expenditure in this area was largely due to minimal spending in the Arts & Music category.

Net Operating Position and Capital Expenditures:

Navigator Schools is projecting a net operating deficit of \$1,396,287 which is \$1,316,702 higher than the budgeted deficit of \$79,585. This is primarily attributed to the higher-than-expected expenses in Salaries, Benefits & Taxes, and Services & Other Operating Expenses, which outweigh the savings from Books & Supplies and additional revenue from Other State Revenue and Donations & Grants.

Capital Outlay is projected to be \$234,500 below budget, indicating adjustments in planned capital projects.

Financial Position and Future Outlook:

The ending net assets for the 2023-24 fiscal year are projected to be \$10,171,879, a decrease of \$1,285,053 from the beginning net assets of \$11,456,932.

We made substantial financial investments in 2023-24 to enhance our high-quality instructional model, elevate our professional services and create a more efficacious operational environment. The implementation of these initiatives was essential to adapt to the evolving educational landscape, address critical challenges and position itself for long term sustainability and growth.

To address the future implications of the 2023-24 financial deficit, we consider the inherent risks with deficit spending, analyze the ROI on investments, and develop contingencies for the unknown and unseen circumstances for the upcoming 2024-25 year.

We have developed a conservative outlook for 2024-25 that includes changes to our financial picture including adjustments required due to expiring ESSER funding, conservatively forecast our ADA% to an attainable level, proactively planned and implemented cost control measures, operational efficiency initiatives, and resource optimization strategies. These measures aim to align actual expenses with budget projections and prevent overruns in the future. Additionally, periodic reviews of revenue projections, particularly LCFF revenue, will be conducted in partnership with EdTec to validate enrollment and attendance assumptions and account for potential changes in funding rates.

Navigator Schools remains committed to being responsible stewards of public funds while delivering an excellent academic model for its students. Our team values the governance and guidance provided by the Board of Directors and seeks their insights and recommendations to effectively shape its future growth strategy.

June 17, 2024, Board Meeting

Executive Summary

- 2023-24 was a year of transition and investment
- The 2024-25 budget includes conservative assumptions based on changes in the financial picture
- We have established a separate growth initiative to ensure existing schools receive ongoing focus
- Our Wildly Important Goal (WIG) for 2024-25 will be the success of Multilingual Learners
- At the same time, we will continue to make progress on goals established during 2023-24
- We have established a separate growth initiative to ensure existing schools receive ongoing focus
- Budget Overview Slides

2023-24 was a year of transition and investment

- Wildly Important School Site Goals for 2023-24: Data-Driven Instruction, Intervention for All in Need, and Strong Student Culture.
- Strategic financial investments:
 - Win approval of a Material Revision to expand Hayward Collegiate through 7th and 8th grade and to return to the originally approved enrollment at all grade levels
 - ✓ Reduce chronic absenteeism by hiring attendance counselors
 - ✓ Accelerate learning outcomes with particular emphasis on math
 - Deepen our full-inclusion special education professional development and processes
 - ✓ Continue our implementation of Valor and Second Step to increase SEL
 - Address compensation equity and competitiveness issues among hourly staff and directors
 - Establish a comprehensive safety strategy
 - Restructure family engagement
 - Increase media and communications reach
 - Increase grant and philanthropy revenue
 - Move facilities projects forward on time
 - Created a higher level of efficacy in the finance department, including reorganization of duties
 - Fully participate in peer-to-peer job alike resources from CSGF
 - Establish a baseline DEIA audit to inform our long-term strategy

The 2024-25 budget includes conservative assumptions based on changes in the financial picture

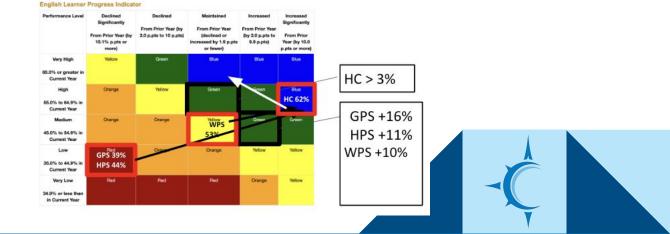

- ESSER funding ends (\$1.6 million annual decrease in federal funding)
- Community Schools Planning grants replaced by Watsonville-specific CS grant
- No more RTAC funding for Navi Impact; \$200k in earned revenue
- State COLA of only 1.07%
- 3% COLA for 2024-25 for all employees
- Inflation impacts of 10% on benefits costs
- Reduce our projected ADA % from 96% to 94% because our 2023-24 ADA % came in lower than was projected in the 2023-24 budget even though we significantly decreased our chronic absenteeism rates
- Recover from 2022-23 FRL undercount
- \$750k in foundation grant revenue (50% higher than 2023-24)
- Invest in our co-founder's sabbatical

Our Wildly Important Goal (WIG) for 2024-25 will be the success of Multilingual Learners

WIG:

Achieve Blue on the MLL CA Dashboard by increasing the percent of Multilingual Learners growing a level or maintaining Level 4 on the ELPAC from % to %.

- GPS 39% to 55%
- HPS 44% to 55%
- WPS 53% to 63%
- \circ $\,$ HC 62% to 65% $\,$

At the same time, we will continue to make progress on goals established during 2023-24

- 1. Reduce chronic absenteeism to pre-pandemic levels
- 2. Increase academic achievement to pre-pandemic levels
- 3. Pilot and select new ELA and science curricula
- 4. Increase the quality of ELO-P (afterschool) programs
- 5. Implement a DEIA strategy based on the DEIA Audit
- 6. Implement our academic data strategy
- 7. Identify and begin work on a new facility for HPS and expansion building for WPS
- 8. Increase family and community engagement to increase the % of historically disadvantaged students enrolled and build civic capacity
- 9. Develop and implement a philanthropy strategy
- 10. Grow the reach of our media efforts
- 11. Increase our impact through Navi Impact fee-for-service

We have established a separate growth initiative to ensure existing schools receive ongoing focus

- Build out alumni articulation and support strategies for existing schools
- Win major growth grants from the US Department of Education and Foundations
- Develop strong community partnerships and support for new schools in nearby communities
- Win approval of two new TK-12 charters to open by 2026-27
- Identify and begin the development of facilities for the two new schools
