Board Member Commitments

The objectives of the Navigator Schools Board of Directors are to promote the success of the charter schools it governs and to ensure adherence to the mission and educational philosophy of Navigator Schools. To accomplish these objectives, board members must be willing to attend meetings, follow through on commitments, and participate fully in the decision-making process. Board members are asked to commit to this policy as part of their initial orientation. They will annually review and renew their individual commitments in the following areas.

Commitment to Mission

Navigator board members promote our shared mission, generating good will for the organization and encouraging support for the efforts of the staff and volunteers.

Navigator Schools equips students to be learners and leaders in high school, college, and beyond. We develop top-tier teams of educators who continuously improve and innovate schools that deliver phenomenal outcomes for all students, regardless of their circumstances.

The board ensures that the Chief Executive Officer has the moral and professional support needed to further Navigator’s goals. Annually in June, the board will review the Chief Executive Officer’s performance and compensation.

Commitment to Improving, Promoting, and Defending California Public Charter Schools

California charter schools are public, free, accountable, and open to all. They provide families with a voice and a choice to select innovative educational models that best serve the needs of children, young adults, and the community. Board members support and defend high-quality public charter schools in California.
