

Date: June 24, 2022
To: Board of Directors of Navigator Schools
From: Kevin Sved, CEO
Subject: Local Indicators

The State Board of Education (SBE) approved standards for the local indicators that support a local educational agency (LEA) in measuring and reporting progress within the appropriate priority area. The approved performance standards require an LEA to:

- Annually measure its progress in meeting the requirements of the specific Local Control Funding Formula (LCFF) priority.
- Report the results as part of a non-consent item at a regularly scheduled public meeting of the local governing board/body in conjunction with the adoption of the Local Control and Accountability Plan (LCAP).
- Report results to the public through the California School Dashboard utilizing the SBE-adopted self-reflection tools for each local indicator.

Additional information can be found [here](#) on the California Department of Education (CDE) website, including the complete “Quick Guide” with the approved standards and self-reflection tools that were used to report progress on the local indicators for Gilroy Prep, Hollister Prep, and Watsonville Prep.

Recommendation

It is recommended that the Board adopt the Local Control and Accountability Plans (LCAPs) for Gilroy Prep, Hollister Prep, and Watsonville Prep as previously presented and approved, and now approved with consideration of the attached Local Indicator reports.
