Subject: School Accountability Report Card

## **Background**

Once per year, public schools in California are responsible for submitting a School Accountability Report Card (SARC). The SARC is due February 1st. It provides information to the community to allow public comparison of schools for student achievement, environment, resources and demographics. I coordinated with the support office and school staff of Gilroy Prep, Hollister Prep, Watsonville Prep and Hayward Collegiate to collect, verify, and report required information. The SARC for each school site may be found below:
