I. Opening Items

A. Record Attendance and Guests

B. Call the Meeting to Order

Caitrin Wright called a meeting of the Governance Committee of Navigator Schools to order on Tuesday Apr 10, 2018 at 11:02 AM.

II. Topical Items

A. Onboarding Plan for New Board Members

The committee discussed identifying key topics for onboarding. Suggestions included a series of meetings with key groups (NS leadership team, for example) and new board members. Committees could also meet with new members to provide overviews. A binder could be provided with key documents (charters, finance documents, etc.) However, binder materials should be carefully chosen so as not to be overwhelming.

The importance of relationship-building was highlighted, and how simple sit-down meetings and board retreats might support that process. These conversations could be informally structured at the start then progress into more structured introductions. One-on-one meetings for complicated subjects (finance, for example) might be helpful.

The role of the board could be further defined. Onboarding experiences at other institutions were discussed. Perhaps staff (Ami) and Joyce could both meet with new members concerning finance. Orientation conversations might focus on specific topics in an orientation binder. School visits (big-picture) can support the mission and academic topics, as well as provide deeper insight into staff positions and behind-the-scenes roles.

The committee is interested in further exploring the CEO's perspective (a follow-up meeting will be scheduled).

Prep calls and debrief calls could be employed to assist new board members before and after board meetings.

B. 2018-19 Board Meeting Schedule & Retreat

The committee discussed altering the meeting schedule to be more evenly-spaced throughout the year. What things drive our board calendar? Joyce had feedback on this matter from a finance perspective (as part of a separate conversation). Bryan might have similar insights. The committee suggested that Kevin and Sean provide a new draft of the calendar (that evens-out the occurrences of meetings), perhaps providing annotations to explain key events within the chronology of the year.

C.

Review of Current Board Member Terms and Next Steps

This topic will be addressed at the next committee meeting.

III. Closing Items

A. Schedule Next Meeting(s)

An additional meeting of the Governance Committee was scheduled for Thursday, May 3rd from 9:00 am - 10:00 am. All members agreed that they could meet at that time.

B. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 11:28 AM.

Respectfully Submitted,

Sean Martin

Caitrin Wright made a motion to adjourn the meeting.

Alicia Gallegos Fambrini seconded the motion.

The committee **VOTED** unanimously to approve the motion.
