Thank you for your order. We value your business and will continue to provide you excellent service in addition to our comprehensive product line.

GHA is an authorized and leading supplier for Microsoft, HP, Apple, Dell, Lenovo, VMWare, IBM and Cisco. GHA does not source any of these products from the gray market. If you have a pending quotation from a competitor that is significantly less in price, that may be a strong indication of gray market involvement. Please immediately bring this to the attention of your sales professional who can verify with the manufacturer for your benefit and protection. Your sales representative can also talk to you about the risks associated with doing business with a gray market supplier.

-The prices quoted may change due to market conditions beyond our control.

-GHA cannot be responsible for manufacturer availability or delays.

-No verbal quotations or promises can be honored unless set forth herein.

-Due to many people working from home, GHA will not be responsible for the boxes if lost or stolen after the delivery has been made, and if they are lost or stolen, you still agree to pay your GHA invoice. Signature will be required on all shipments.

-Handling Fees: Handling fees charged on shipments are in addition to the freight and insurance charges and vary.

-Returns Policy: Cloud Service Provider CSP orders for Microsoft require at least 30 days of cancellation notice from Buyer. Buyer agrees to pay for any cloud subscription usage incurred. For all other CSP s, GHA will pass through and honor the cancellation policy as stated in the original contract whether 30, 60 or 90 days of cancellation notice is required. Custom computers and technology orders are non-cancellable and non-returnable. No return will be accepted after 30 days from the invoice date. Goods accepted for credit upon return will be subject to handling/restocking charge, which shall be not less than 15% of the price of Goods. Custom-made Goods are not subject to cancellation or return under any circumstances. In no case are Goods to be returned without first obtaining Seller's written permission. Goods must be securely packed in the original packaging and delivered to Seller in an undamaged condition with Buyer being solely responsible for paying all return freight expenses and keeping the GHA invoice current within 30 days from the date of shipment regardless of the reason for a return. All returns must be accompanied by an authorized RMA number, which is valid for 15 days after date of issuance. GHA Technologies makes NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE with respect to the goods described hereon. Professional Service Organizations are separate companies from GHA. GHA is not responsible for their workmanship and there is no right to offset payment.

-International shipments/returns: Customer is responsible to pay all VAT, duties, customs charges, freight forwarding services, storage, handling, foreign exchange rates/fees, miscellaneous fees from any country, expedited or return freight expenses. Customer shall be liable; GHA is NOT responsible. GHA is not responsible for any return shipment expenses.

-This document shall be governed by the laws of the State of Arizona.

-You may view all Terms & Conditions at: <https://www.gha-associates.com/terms-and-conditions> - .

-THIS QUOTE HAS BEEN PROVIDED FOR CLIENT AND GHA PURPOSES ONLY\*\*

-CORPORATE OFFICE: (REMIT PAYMENTS TO THE DEPARTMENT NUMBER AND PO BOX LISTED ABOVE; NO PAYMENTS SHOULD BE MAILED TO THE  
CORPORATE OFFICE) GHA Technologies, Inc. 8998 E. Raintree Drive Scottsdale, AZ 85260

# INVOICE

## #03272401

Date: March 27, 2024

To:  
California Online Public Schools  
Attn: Ashley Larsen  
33272 Valle Road  
San Juan Capistrano, CA. 92675

**Amount Due: \$40,000.00**  
(The sum forty thousand dollars)

\*For Independent Contractor services provided through the 2024-2025 school year beginning July 1, 2024 and ending June 30<sup>th</sup> 2025.

**Terms:**

\*Membership fee reflects the standard membership Magenta level of \$40,000 based on CalOPS' current student enrollment of more than 9,000 total students. Payment is due on or around July 1, 2024.

**Summary of services provided:**

Jeff Rice, doing business as APLUS+ shall provide an array of standard community awareness, consulting, networking, communications information, promotion, and public relations services to California Online Public Schools (CalOPS) for the duration of the 2024-2025 school year as described in APLUS+ contract agreement and supplements.

**Please make check payable to APLUS+**

**Special Terms:**

Nearpod Math Program is priced based on K-8th grade enrollment (40% off) since it does not yet include 9-12th grade content, however, the whole school will have access to the product.

This quote includes a complimentary 60-minute Nearpod Math implementation webinar training that is separate from the 3 paid trainings.

## Product Description Detail

### Nearpod Premium Plus - District

Nearpod Premium Plus - District:

Nearpod Premium Plus, including unlimited access to:

- Nearpod's lesson, video, and activity creation and delivery platform with 20+ formative assessment and media features
- Nearpod Lesson Library with 8,500+ standards-aligned, interactive lessons for all K-12 subject areas, featuring favorite educational brands
- Nearpod Video & Activity Library with 10,200+ standards-aligned interactive videos and 3,300+ activities for all K-12 subject areas, featuring favorite educational brands, that can be used on their own, or added to Nearpod slides lessons
- District features including larger class sizes, unlimited storage, School and District shared Libraries, LMS integration, and more
- Premium Plus lesson delivery features, including Live Teacher Annotation, Co-Teaching, and Live to Student-Paced

### Nearpod English Learner

Nearpod EL is a standards-aligned supplemental program that provides the content, tools, and organization needed to create daily differentiated learning experiences that maximize language acquisition for all learners. Nearpod EL empowers every teacher to:

- Differentiate instruction with EL Content Companions and language supports, all organized in one place
- Engage every learner with equitable learning experiences
- Know where students need help through real-time data

### Flocabulary Plus

Flocabulary Plus

Unlimited access to Flocabulary including:

- 750+ standards-aligned K-12 lessons across all core subjects and beyond, each lesson includes a hip-hop video and instructional vocabulary activities
- Week in Rap lessons, added weekly August through May to spotlight current events and help students make real-world connections
- Student Accounts, enabling teachers to assign lessons and activities and view results of assessments
- Upcoming comprehension content and features exclusive to Flocabulary Plus with 200+ new lessons and a new interactive activity

### Nearpod Math Program

Nearpod Math Program

Powered by Nearpod Premium Plus, Nearpod Math is a supplemental math program that provides unlimited access to:

- Nearpod Math Library: 5,000 new standards-aligned lessons, videos and practice activities
- Virtual manipulatives: Fraction Tiles, Base 10 Blocks, Algebra Tiles, and Color Tiles
- Enhanced Course Navigation and reporting: designed to explicitly align to a districts' core curriculum with improved course navigation, standards-based search and preview functionality

## Training Policy

### Training Cancellation Policy

Nearpod requests 48 hours notice to cancel or reschedule a confirmed session. If the session is not canceled but no one attends, this session will be considered expired.

### Minimum Attendance Policy

Nearpod requests that at least 10 participants attend a confirmed training session. If there are fewer than 10 participants, the session may be modified and will not be recorded.

### Free Training Resources

Access to daily public webinars, on-demand webinars and how-to resources and videos can be accessed here: <http://nearpod.com/resources>

## PO Instructions: Please provide the following information on all POs submitted for an accepted Order

### Required

- Vendor Name – Nearpod, LLC
- Customer Name
- PO Number
- Line items for each Product being purchased and the amount for each line item Product
  - If training is included with your order, please ensure it is a separate line item with an amount listed
- Total Amount of the complete Order to match Sales Order form

### Requested but not Required

- Quote ID (If provided, it should match the Quote Number)
- Dates of Service

**Terms**

This Sales Order is valid until:

Service will run from 07/13/2024 until 07/12/2025, or from when customer is first provided access to the purchased service(s) for a length of time equal to the time between the Start Date and End Date, whichever is later. The agreed upon price for this timeframe is (USD) \$92,100.00.

Nearpod price quotes are confidential, unless disclosure is required by subpoena or state law. Education List Pricing is only available for PreK-12 Education customers. Please submit this price quote attachment with your Purchase Order. Tax-exempt customers should include their tax-exempt number on their Purchase Order.

This Sales Order covers the Nearpod and/or Flocabulary Services described herein and is governed by the Terms of Service and License Agreement and Data Protection Addendum available at: <https://docs.renaissance.com/R67464>.

**Customers providing a Purchase Order are required to remit payment within 30 days of invoicing. Otherwise, payment is required within 7 business days. Failure to remit payment may cause a disruption in service. By signing this Agreement, I certify that I am authorized to sign on behalf of the Customer and agree to the Terms and Conditions of this Sales Order and any documents incorporated herein.**

**If you are a Tax-exempt customer, please include your Sales Tax-Exempt Certificate with signed documents/proof of payment. Otherwise, applicable tax will be included in your invoice.**

Subject: Nearpod 2024 W-9 Form

Dear Customer,

Effective December 31, 2023, Nearpod, Inc. was converted to Nearpod, LLC under Delaware state law. The result of this change is that Nearpod, LLC is now classified as a disregarded entity for federal and state income tax reporting purposes.

Nearpod's FEIN (46-0993679) remains the same. This change has no impact on the entity's sales and use tax reporting, excise tax, property tax, or payroll tax reporting. Quoting and invoicing continue to be performed under the Nearpod name and EIN number.

This change does impact the presentation of Nearpod's W-9 form. The purpose of Form W-9 is to ensure Form-1099 reporting is correct. This allows the IRS to confirm income earned is properly reported on the correct federal income tax return.

The Form W-9 and its instructions were updated in March of 2024 to clarify reporting requirements for disregarded entities. As Nearpod is now classified as a disregarded entity for income tax reporting purposes, the name of its parent (RL AcquisitionCo) must be listed on line 1 of the form, and its name (Nearpod LLC) must be listed on line 2. Additionally, per the instructions, its parent's FEIN (82-5287590) must be included in Part I.

To reiterate, Nearpod's FEIN (46-0993679) remains the same. However, the presentation on its W-9 form has been adjusted due to the change in its classification for federal and state income tax purposes.

We hope this context is helpful as you review this year's W-9 form. The attached W-9 form is the latest version issued by the IRS.

Sincerely,

The Nearpod Operations Team

| <b>Part II Certification</b>   |  |  |                               |   |   |   |   |   |  |  |  |  |  |  |  |  |  |  |  |  |           |  |  |  |  |  |  |  |  |                                       |  |  |  |  |  |  |  |  |   |   |  |  |   |   |   |   |   |   |   |  |  |  |  |  |  |  |
| Under penalties of perjury, I certify that:  |  |  |                               |   |   |   |   |   |  |  |  |  |  |  |  |  |  |  |  |  |           |  |  |  |  |  |  |  |  |                                       |  |  |  |  |  |  |  |  |   |   |  |  |   |   |   |   |   |   |   |  |  |  |  |  |  |  |
| 1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and   |  |  |                               |   |   |   |   |   |  |  |  |  |  |  |  |  |  |  |  |  |           |  |  |  |  |  |  |  |  |                                       |  |  |  |  |  |  |  |  |   |   |  |  |   |   |   |   |   |   |   |  |  |  |  |  |  |  |
| 2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and   |  |  |                               |   |   |   |   |   |  |  |  |  |  |  |  |  |  |  |  |  |           |  |  |  |  |  |  |  |  |                                       |  |  |  |  |  |  |  |  |   |   |  |  |   |   |   |   |   |   |   |  |  |  |  |  |  |  |
| 3. I am a U.S. citizen or other U.S. person (defined below); and   |  |  |                               |   |   |   |   |   |  |  |  |  |  |  |  |  |  |  |  |  |           |  |  |  |  |  |  |  |  |                                       |  |  |  |  |  |  |  |  |   |   |  |  |   |   |   |   |   |   |   |  |  |  |  |  |  |  |
| 4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.  |  |  |                               |   |   |   |   |   |  |  |  |  |  |  |  |  |  |  |  |  |           |  |  |  |  |  |  |  |  |                                       |  |  |  |  |  |  |  |  |   |   |  |  |   |   |   |   |   |   |   |  |  |  |  |  |  |  |
| <b>Certification instructions.</b> You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.  |  |  |                               |   |   |   |   |   |  |  |  |  |  |  |  |  |  |  |  |  |           |  |  |  |  |  |  |  |  |                                       |  |  |  |  |  |  |  |  |   |   |  |  |   |   |   |   |   |   |   |  |  |  |  |  |  |  |

| <b>Future developments.</b> For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to <a href="https://www.irs.gov/FormW9">www.irs.gov/FormW9</a> .   |  |  |                               |   |   |   |   |   |  |  |  |  |  |  |  |  |  |  |  |  |           |  |  |  |  |  |  |  |  |                                       |  |  |  |  |  |  |  |  |   |   |  |  |   |   |   |   |   |   |   |  |  |  |  |  |  |  |
| <b>What's New</b>  |  |  |                               |   |   |   |   |   |  |  |  |  |  |  |  |  |  |  |  |  |           |  |  |  |  |  |  |  |  |                                       |  |  |  |  |  |  |  |  |   |   |  |  |   |   |   |   |   |   |   |  |  |  |  |  |  |  |
| Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.  |  |  |                               |   |   |   |   |   |  |  |  |  |  |  |  |  |  |  |  |  |           |  |  |  |  |  |  |  |  |                                       |  |  |  |  |  |  |  |  |   |   |  |  |   |   |   |   |   |   |   |  |  |  |  |  |  |  |
| <b>Purpose of Form</b>   |  |  |                               |   |   |   |   |   |  |  |  |  |  |  |  |  |  |  |  |  |           |  |  |  |  |  |  |  |  |                                       |  |  |  |  |  |  |  |  |   |   |  |  |   |   |   |   |   |   |   |  |  |  |  |  |  |  |
| An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they   |  |  |                               |   |   |   |   |   |  |  |  |  |  |  |  |  |  |  |  |  |           |  |  |  |  |  |  |  |  |                                       |  |  |  |  |  |  |  |  |   |   |  |  |   |   |   |   |   |   |   |  |  |  |  |  |  |  |
| New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3 (Form 1065).   |  |  |                               |   |   |   |   |   |  |  |  |  |  |  |  |  |  |  |  |  |           |  |  |  |  |  |  |  |  |                                       |  |  |  |  |  |  |  |  |   |   |  |  |   |   |   |   |   |   |   |  |  |  |  |  |  |  |

### ACCEPTANCE OF SALES CONTRACT

This is a binding agreement of payment between IXL Learning and the Purchaser. Your signature indicates that you have received, reviewed, and accepted the attached Terms and Conditions of Sale and that you agree to pay the full license price listed above within 60 days of the invoice date. Without a signature, your order may not be processed.

Acknowledged and agreed to:

**AUTHORIZED SIGNATURE**

**DATE**

## TERMS AND CONDITIONS OF SALE

THIS IS A LEGAL DOCUMENT ("SALES CONTRACT") BETWEEN THE PURCHASER SHOWN ABOVE ("YOU") AND IXL LEARNING ("SELLER"). PLEASE READ THIS AGREEMENT CAREFULLY. YOU AGREE TO BE BOUND BY ALL OF THE TERMS AND CONDITIONS OF THE AGREEMENT, AS WELL AS BY THE WEBSITE TERMS OF SERVICE, WHICH ARE INCORPORATED BY REFERENCE. NO VARIATION OF THESE TERMS AND CONDITIONS ARE BINDING ON SELLER UNLESS AGREED TO IN WRITING SIGNED BY AN AUTHORIZED REPRESENTATIVE OF IXL LEARNING.

1. **PRICING:** The quoted purchase price of the license is valid through the "Price valid until" date on page 1. This price is not binding on IXL unless you have accepted it by sending us an executed Sales Contract by that date.
2. **PAYMENT:** If IXL decides to accept your Sales Contract, we will issue you an invoice. Complete payment of the amount of the stated purchase price is due within sixty (60) days of the invoice date. If payment is not received by the Seller within 60 days, the invoice is considered past due. IXL licenses with past due payments will be put on hold and are subject to termination. Termination does not relieve the Purchaser of the obligation to pay fees due to the Seller.

The full invoice amount must be paid either by check or by credit card. We accept Visa, MasterCard, American Express, and Discover.

All checks should be mailed to:

IXL Learning  
777 Mariners Island Blvd., Suite 600  
San Mateo, CA 94404

Credit card payments may be made by phone at (855) 255-8800.

Any late payment will incur interest at the rate of the lesser of 1% a month or the maximum permissible by law.

3. **CANCELLATION AND REFUND:** No cancellation will be accepted, and no refund issued, if it is more than thirty (30) days beyond the date of purchase for the license referenced in this Sales Contract. For cancellations and refunds of the license tendered under this Sales Contract to be accepted, the Seller must receive written notification of the cancellation within 30 days of purchase. Cancellations requested outside of the 30-day period will not be refunded, and the Purchaser will be responsible for completing the purchase as stated in the Sales Contract.
4. **LICENSES:** IXL grants you the right to provide access, through unique log-in IDs, to no more individuals than the quantity indicated on the first page. The terms and conditions of use for each of these individuals are governed by our website's Terms of Service. You agree to be responsible for their accounts, to monitor their use of their accounts, and to indemnify, defend, and hold us harmless for any claims arising out of or related to their use of IXL Learning's website and services. To the extent that these individuals are minors, you consent to our collection of their personal information as described in our Privacy Policy.

Classroom and Site licenses will be activated immediately upon receipt of your payment unless another date is specified or agreed to by IXL. Activation confirmation will be sent to the e-mail address provided by the school or individual completing the purchase.

If an individual who has an IXL account through a Classroom or Site license purchased by you is no longer affiliated with you, you may request that we deactivate the individual's account, or no longer associate it with your license, so that that license can be reassigned to another individual associated with your institution.

If you are a teacher, you represent and warrant that you have permission and authorization from your school and/or district to use the Services as part of your curriculum, and for purposes of Children's Online Privacy Protection Act ("COPPA") compliance, you represent and warrant that you are entering into these Terms on behalf of your school and/or district.

5. **PRIVACY:** If you are a school, district, or teacher, you acknowledge and agree that you are responsible for complying with COPPA, meaning that you must obtain advance written consent from all parents or guardians whose children under 13 will be accessing the website and services and you represent and warrant that you have obtained that consent. When obtaining consent, you must provide parents and guardians with our Privacy Policy. You are to keep all consents on file and provide them to us if we request them.

**6. DISCLAIMER OF WARRANTIES. YOU EXPRESSLY UNDERSTAND AND AGREE THAT:**

- a. YOUR USE OF THE SERVICE IS AT YOUR SOLE RISK. THE SERVICE IS PROVIDED "AS IS," "AS AVAILABLE," AND WITH ALL FAULTS. IXL EXPRESSLY DISCLAIMS ALL WARRANTIES OF ANY KIND, WHETHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NONINFRINGEMENT.
- b. IXL MAKES NO WARRANTY THAT (i) THE SERVICE WILL MEET YOUR REQUIREMENTS, (ii) THE SERVICE WILL BE UNINTERRUPTED, TIMELY, SECURE, OR ERROR-FREE, (iii) THE RESULTS THAT MAY BE OBTAINED FROM THE USE OF THE SERVICE WILL BE ACCURATE OR RELIABLE, (iv) THE QUALITY OF ANY PRODUCTS, SERVICES, INFORMATION, OR OTHER MATERIAL PURCHASED OR OBTAINED BY YOU THROUGH THE SERVICE WILL MEET YOUR EXPECTATIONS, AND (V) ANY ERRORS IN THE SERVICE WILL BE CORRECTED.
- c. ANY MATERIAL DOWNLOADED OR OTHERWISE OBTAINED THROUGH THE USE OF THE SERVICE IS DONE AT YOUR OWN DISCRETION AND RISK AND THAT YOU WILL BE SOLELY RESPONSIBLE FOR ANY DAMAGE TO YOUR COMPUTER SYSTEM OR LOSS OF DATA THAT RESULTS FROM THE DOWNLOAD OF ANY SUCH MATERIAL.
- d. NO ADVICE OR INFORMATION, WHETHER ORAL OR WRITTEN, OBTAINED BY YOU FROM IXL OR THROUGH OR FROM THE SERVICE SHALL CREATE ANY WARRANTY NOT EXPRESSLY STATED IN THE TOS.

**Some states do not allow certain limitations on warranties, so certain of the above limitations may not apply to you.**

- 7. **LIMITATION OF LIABILITY:** YOU EXPRESSLY UNDERSTAND AND AGREE THAT IXL SHALL NOT BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR EXEMPLARY DAMAGES, INCLUDING BUT NOT LIMITED TO, DAMAGES FOR LOSS OF PROFITS, GOODWILL, USE, DATA, OR OTHER INTANGIBLE LOSSES RESULTING FROM THE USE OR INABILITY TO USE THIS SERVICE. IN ALL INSTANCES, DAMAGES SHALL BE CAPPED AT ONE MONTH'S FEES.
- 8. **SEVERABILITY:** If any provision of this agreement is deemed invalid, illegal, or unenforceable, then that provision shall be deemed severable from these terms and shall not affect the validity and enforceability of any remaining provisions of this Sales Contract, which shall remain in full force and effect.
- 9. **ARBITRATION:** You agree that any dispute or claim you may have against IXL arising out of or related to this Sales Contract or the use of Services must be submitted to arbitration, before a single arbitrator appointed by JAMS/Endispute and conducted according to their rules in San Francisco, CA, USA, and that the determination of any such arbitrator shall be binding. The courts located in San Francisco, CA, USA, have exclusive jurisdiction over any judicial proceedings related to this agreement, and you waive any claim that such a court is an improper venue, inconvenient, or lacks jurisdiction over you.
- 10. **GOVERNING LAW:** The Sales Contract and the relationship between you and IXL are governed by the laws of the State of California without regard to conflict of law provisions.
- 11. **ENTIRE AGREEMENT:** This Sales Contract, which incorporates the Terms of Service by reference, is the final expression of the agreement between Purchaser and Seller and supersedes all prior representations, understandings, and agreements between the Purchaser and Seller relating to its subject matter. This Sales Contract cannot be modified, amended, or changed except in writing and signed by IXL.

Please contact IXL Learning with any questions regarding this sales contract:

Toll-free (855) 255-8800 | Direct (650) 372-4300 | E-mail [orders@ixl.com](mailto:orders@ixl.com)

Completed sales contracts should be emailed to your sales consultant.

Detroit, MI 48277-2728 USA

In the check memo please include:  
"Area #2223001"  
billspayable@classkick.com

Our W-9 is below (page 2 of this invoice) or you can download it here: [classkick.com/w9](https://classkick.com/w9).  
Memberships are refundable for up to 30 days. Membership renews automatically unless canceled in writing or via a software application system earlier than 30 days before the end date.  
This Order is governed by the terms of Classkick's Terms of Service found at [Terms of Service](#). Please see our [Privacy Policy](#).

Form **W-9**  
(Rev. October 2018)  
Department of the Treasury  
Internal Revenue Service

**Request for Taxpayer  
Identification Number and Certification**  
▶ Go to [www.irs.gov/FormW9](https://www.irs.gov/FormW9) for instructions and the latest information.

Give Form to the  
requester. Do not  
send to the IRS.

1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank.  
**Classwork Co**

2 Business name/disregarded entity name, if different from above  
**Classkick**

3 Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only **one** of the following seven boxes.  

☐ Individual/sole proprietor or single-member LLC

☒ C Corporation

☐ S Corporation

☐ Partnership

☐ Trust/estate

☐ Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership) ▶

☐ Other (see instructions) ▶

**Note:** Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is not disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner.

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):  
Exempt payee code (if any) \_\_\_\_\_  
Exemption from FATCA reporting code (if any) \_\_\_\_\_  
(Applies to accounts maintained outside the U.S.)

5 Address (number, street, and apt. or suite no.) See instructions.  
**2045 W Grand Ave Ste B PMB 50472**

6 City, state, and ZIP code  
**Chicago IL 60612**

7 List account number(s) here (optional)

Requester's name and address (optional)

**Part I Taxpayer Identification Number (TIN)**  
Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.  
**Note:** If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number  
- - - - -  
OR  
Employer identification number  
4 6 - 3 5 5 0 5 4 0

**Part II Certification**  
Under penalties of perjury, I certify that:  
1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and  
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and  
3. I am a U.S. citizen or other U.S. person (defined below); and  
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.  
**Certification instructions.** You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Sign Here  
Signature of U.S. person ▶ *Joy Moore*

Date ▶ 01/17/2024

**General Instructions**  
Section references are to the Internal Revenue Code unless otherwise noted.  
**Future developments.** For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to [www.irs.gov/FormW9](https://www.irs.gov/FormW9).  
**Purpose of Form**  
An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.  
• Form 1099-DIV (dividends, including those from stocks or mutual funds)  
• Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)  
• Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)  
• Form 1099-S (proceeds from real estate transactions)  
• Form 1099-K (merchant card and third party network transactions)  
• Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)  
• Form 1099-C (canceled debt)  
• Form 1099-A (acquisition or abandonment of secured property)  
Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.  
*If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.*

# SERVICE AGREEMENT

California Online Public School ("Client" or "you")  
33272 Valle Road  
San Juan Capistrano, CA 92675

Thank you for selecting The Flippen Group, LLC, dba Capturing Kids' Hearts ("**CKH**" or "**we**") to serve your organization. Our goal is to provide you with products and services that will both motivate and empower your organization to advance to a new level of success. Please take a moment to review the information below, and then sign and return this form to confirm this Master Services Agreement ("**Agreement**"). We look forward to serving you.

## Section 1: Our Commitment

The Agreement itself is between CKH and you, the above-identified Client, although most of the benefits of this Agreement are available to many of your representatives/participants as well. Once accepted by you, this Agreement governs our relationship with regard to all of the "**Products and Services**" as defined in this Agreement, or that may later be mutually agreed upon between the parties with reference to this Agreement; many if not all of which involve training events to be conducted by CKH's representatives ("**Consultants**" or "**Strategists**"). In addition, this Agreement together with the Terms of Use associated with our "**Websites**" governs our relationship over the numerous resources and products that are and will be made available to you during the "**Term**" of this Agreement (collectively, "**Resources**"). Once your acceptance of this Agreement is confirmed, the pricing applicable to you for all such Products and Services and for your access to many of the Resources ("**Access**") become enforceable.

# SERVICE AGREEMENT

## ADDITIONAL CHARGES (where applicable):

### TRAVEL EXPENSES:

Travel expenses for each training event or other service provided by CKH under this Agreement will be itemized on invoices and are included in the total amounts itemized under this Agreement. Unless otherwise agreed in advance, such travel expenses inside the Continental United States will be billed at the rate of \$1,250.00 for one-day events, \$1,900.00 for two-day events, and \$2,250.00 for three-day events (per Consultant). Each additional consecutive day for durations in excess of three days will be billed at \$350.00 per day (per Consultant).

### FACILITY EXPENSES:

Client (at a minimum) will be responsible for securing facilities/meeting space with adequate square footage, comfortable seating, and light refreshments for all attendees for any training event. Facilities and all related costs will be at Client's expense.

### ADDITIONAL PARTICIPANT FEES (to the extent applicable):

- A \$200.00 fee will be charged for each person over 50 not to exceed 60 total per Capturing Kids' Hearts® Leadership Blueprint Recharged.
- A \$400.00 fee will be charged for each person over 50 not to exceed 60 total per Capturing Kids' Hearts® 1 Training.

## Section 3: Investment

### AGREEMENT:

By entering this Agreement, you agree to engage CKH as your provider for our Resources and all the Products and Services as outlined in the accompanying Products and Services section or that may later be mutually agreed between the parties with reference to this Agreement, each of which is incorporated into this Agreement in its entirety by this reference.

Until accepted by you this Agreement and its rates and other pricing terms are non-binding and will expire in 30 calendar days following April 10, 2024. To accept and receive the benefits of this Agreement, your signature and acceptance can only be confirmed by CKH upon our receipt of the signed return of this Agreement on or before, May 10, 2024.

### PAYMENT TERMS:

The fees for each of the Products and Services and for your Access to Resources shall be determined based on the applicable Products and Services section as well as the other terms of this Agreement. In the case of Products and Services involving scheduled events, the fees (including travel, if applicable) will be billed when the corresponding Products and Services are provided or rendered.

Subscription(s) services shall commence upon the signing of this agreement or June 1, 2024 for the 2024-2025 school year(s) (whichever occurs later) through May 31, 2025. Unless terminated in writing, subscription service(s) will automatically renew on June 1st annually at current rates. Should subscription costs increase by more than 20% over this agreement, the Client will be given 60 days' notice of the rate increase.

Purchase Orders for each scheduled item that is part of the Products and Services section, must be submitted to CKH at least 45 days prior to the scheduled event.

Invoices are due upon receipt. Please make all checks payable to Capturing Kids' Hearts.

### SURCHARGES & TAXES:

# SERVICE AGREEMENT

For Products or Services sold or accessed or Services performed in jurisdictions where taxes, including sales tax, apply to the corresponding transactions under this Agreement, Client shall be responsible for payment of such taxes or for reimbursement of the payment of such taxes when they are paid by or for CKH.

# SERVICE AGREEMENT

## Section 4: Policies

### **SCHEDULING:**

CKH will need someone designated in Client organization to work with on scheduling and event planning needs.

CKH will contact you upon confirmed signing of this Agreement to begin setting up dates for Products and Services to be rendered on the applicable Products and Services section.

Confirmation of all scheduled dates of service will be made via email and is subject to cancellation terms as listed in this Agreement.

CKH may need to communicate with the Client's members/Participant(s) via e-mail to communicate pertinent details about events or products they are attending/experiencing. These e-mail addresses are not shared with any third-party organizations and are only used for the events they are attending. These email addresses are NOT used for soliciting purposes.

### **FACILITIES/EVENT SET-UP:**

You and CKH will mutually agree upon the location of any event as part of the Products and Services section, which should be resolved at least 30 days prior to a scheduled service. CKH will provide event-specific details for any scheduled service (including square footage requirements, AV needs, schedule, and other logistics to be coordinated). Should any of those details need to be altered, prior approval by CKH would be needed.

### **RECORDING/MEDIA:**

Video and/or audio taping of events is strictly prohibited without prior written approval by CKH.

Media representatives are not allowed to attend events without prior written approval by CKH.

### **DEPOSITS and CANCELLATIONS:**

- No deposit is required.
- CKH requires a cancellation notice of 90 days prior to any scheduled date of service. A cancellation notice received inside the 90-day window will result in the full contractual fee being assessed as of the date of cancellation. To the extent not offset by duplicate expenses incurred by CKH, the fee charged for such cancellation may be credited to the event once that event is rescheduled, although any amounts paid for Products or Services that are unused by your organization within the 12 months following the date of signature of this Agreement will be forfeited.
- Travel expenses that CKH has incurred and that must be cancelled because of the Client rescheduling or cancelling a product(s) or service(s) without at least two weeks' advance notice may result in extra charges to the Client.
- In the event an assigned CKH Consultant/Strategist is subject to illness, travel delay, or unavoidable emergencies, the event can be rescheduled/restructured/reassigned.
- Force Majeure: Except with regard to payment obligations, neither party shall be liable to the other for any failure or delay in performing its obligations under this Agreement where such failure or delay is as a result of Acts of God (including fire, flood, earthquake, storm, hurricane or other natural disasters), pandemics, epidemics, war, invasion, act of foreign enemies, hostilities (whether war is declared or not), civil war, rebellion, revolution, insurrection, military or usurped power or confiscation, terrorist activities, government sanction, blockage, embargo, labor dispute, strike, lockout or interruption or failure of electricity or telephone service, and no other Party will have a right to terminate this Agreement in such circumstances. Any Party asserting Force Majeure as an excuse shall have the burden of proving that reasonable steps were taken (under the circumstances) to minimize delay or damages caused by foreseeable events, that all non-excused obligations were substantially fulfilled, and that the other Party was timely notified of the likelihood or actual occurrence which would justify such an assertion so that other prudent precautions could be contemplated.

### **RESOURCES:**

# SERVICE AGREEMENT

During the course of providing the Products and Services, participants will be provided with various Resources, some of which shall be distributed by hand or by email to participants during or in preparation or follow-up to particular events, and others of which shall be accessed through websites operated by CKH (“Websites”). For the purpose of accessing some or all of the Resources used during our provision of the Products and Services, you will be required to create an account through one or more of the Websites. In the process, you will be required to accept the Terms of Use for the Websites, which will govern your rights and obligations with respect to the content accessed through those Websites, to the extent such Terms of Use are consistent with this Agreement.

## Section 5: Intellectual Property

### COPYRIGHTS & TECHNOLOGY RIGHTS

CKH’s intellectual property is a crucial part of providing training materials and consulting services to its clients, and CKH could not continue its work if its clients did not honor and respect CKH’s intellectual property rights. All copyrights and other forms of intellectual property protection pertaining to the Resources, including without limitation all content and functionality on or of the Websites, as well as all text, graphics, images, logos, icons, audio, video, tables, algorithms, analytics, reports, and dynamic content associated with the Resources, whether prearranged or created or modified during the course of providing the Products and Services, as well as the selection, arrangement and “look and feel” of all the foregoing, (excluding personal data belonging to you or your authorized users) are the exclusive property of CKH or its licensors. **None of our work or work product is done on a “work for hire” basis, and all our material and work product is owned exclusively by CKH and is subject to one or more of the following: copyright, trademark, patent, license, or trade secret.** Intellectual property and learning/know-how that may be developed while working with any client shall remain the property of CKH. By entering into this Agreement, you are expressly acknowledging and agreeing to the matters set forth in this paragraph and you are agreeing that none of the training materials, notebooks, videos, presentations, processes or concepts may be used by you, for any purpose, without the express advance written consent of CKH. All textual, dramatic, audio, and/or visual Resources are protected by U.S. and international copyright laws. All rights not expressly granted are reserved.

### TRADEMARKS:

The trademarks, service marks, designs, and logos displayed on or in conjunction with the Products, Services, Resources or Websites (collectively, the “Trademarks”) are the registered and unregistered trademarks of CKH and its licensors. You agree that you will obtain advance written consent from CKH before referring to or attributing any information to CKH or its licensors in any public medium (e.g., signage, press releases, websites, etc.) for advertising or promotion purposes, or for the purpose of informing or influencing any third party, understanding that such consent may be denied for any or no reason. You also agree that you will not use or reproduce any Trademark of, or imply any endorsement by or relationship with, CKH or its licensors.

### USE OF RESOURCES:

Capturing Kids’ Hearts grants individual participants of training a limited, non-exclusive, revocable, and non-transferable license for the Term of this Agreement to view, access, download, display, and otherwise use specific Capturing Kids’ Hearts Resources for their personal and classroom use only. Resources are made available to participants based upon their completed training and provided during training or through site content of Websites.

Access to Resources for participants is based upon both their completion of specific training(s) with Capturing Kids’ Hearts and the contractual relationship between Capturing Kids’ Hearts and the Client, the organization of which the participant is a current member. The relationship with a Client is documented in the products listed in the Products and Services Section and determines the varying levels of access to Resources based upon the training, products or subscriptions purchased. If the participant is no longer part of the Client’s organization, the participant will no longer have access to the resources.

### APPLICABLE RESTRICTIONS & REQUIREMENTS:

Any unauthorized use of Resources is prohibited and may violate copyright, trademark, patent, and other applicable laws or regulations and could result in criminal or civil penalties. All Resources are made available for use by you only to the extent

# SERVICE AGREEMENT

that such use complies with all Applicable Restrictions & Requirements. For these purposes, “**Applicable Restrictions & Requirements**” means any and all of the following: (i) the provisions of this Agreement; (ii) the Terms of Use associated with the Websites; (iii) any other CKH agreements or Products and Services that may be applicable to you; (iv) any written instructions or restrictions provided to you by CKH; and (v) any instructions or restrictions printed on or otherwise accompanying any copies of the Resources that are provided to you, or that appear on Websites that are associated with such Resources. To be clear, except to the extent expressly permitted in writing as part of the Applicable Restrictions & Requirements, your rights do not include rights to do any of the following (collectively, “**Prohibited Actions**”), all of which you are prohibited from doing without CKH’s express prior written consent: (i) reproduce, modify, translate, aggregate, distribute, sell, commercially exploit, transmit, post, make derivatives of, or publicly disclose any of the Resources, or any portion thereof, in any way not expressly permitted in writing by CKH; (ii) remove, redact, or omit any and all copyright and other proprietary notices displayed on the Resources or on any permitted copies thereof; (iii) use of any data mining, robots or similar data gathering or extraction methods in connection with the Resources or the Websites; (iv) download (other than page caching) of any portion of the Resources or the Websites except to the extent expressly authorized during provision of the Products and Services; (v) reverse engineer or access the Resources or the Websites in order to develop or use any competitive website, content, app, product or service; (vi) use any of the Websites, Products or Resources other than for their intended purposes; (vii) resell any Resources or other Products delivered or otherwise acquired by you during the course of the Services or otherwise through the Websites; (viii) store, transport or use any Products or Resources in an unsafe or reckless manner or in any manner prohibited by law or regulation; or (ix) use any of the Resources in any manner not permitted by law or regulation. CKH may also impose additional reasonable limits on the scope of your access to and use of the Resources, including limits on time or number of materials accessed or machines used to access such Resources, in part to prevent unauthorized third-party access to or use of such Resources.

## CONFIDENTIALITY:

This Agreement and its various terms (including the pricing, combination of services and solutions, and other terms of all associated Products and Services section) as well as metrics, observations and personal information about Client’s participants that may be contained or reflected in Deliverables (collectively, “**Confidential Information**”) shall be treated as confidential by Client and shall not be disclosed to any third parties throughout the Term of this Agreement and for five (5) years thereafter. However, notwithstanding the foregoing, Client may disclose such Confidential Information in compliance with judicial or other governmental orders or open records requests, provided that (i) Client shall give CKH at least ten business days advance written notice before so disclosing in response to such orders or requests, and (ii) Client shall reasonably cooperate with CKH to accommodate any requests from CKH to secure protective orders or to limit the scope of responses to the extent legally permissible.

## Section 6: Disclaimers

Client accepts and must accept all of the Resources, Access, Products and Services, including any work products, results or deliverables produced thereby (collectively, “**Deliverables**”), “AS IS” and with all faults and errors. CKH HEREBY DISCLAIMS ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, THAT MIGHT RELATE TO THE RESOURCES, ACCESS, SERVICES OR ANY DELIVERABLES, EXCEPT FOR ANY SPECIFIC WARRANTIES THAT MAY BE EXPRESSLY PROVIDED IN THE TERMS OF THIS AGREEMENT, IF ANY. The entire risk as to the functionality, operation, and results is with the Client, and neither CKH nor any of its Consultants or other representatives assumes any risk or obligation in connection therewith. CKH hereby disclaims any and all liability, risk, obligation, or responsibility for decisions made or actions taken by Client after use of the Products, Resources, Access, Services, or any Deliverables. CKH shall in no way be responsible or liable for CLIENT’S use of (1) the Resources, Access, Products, Services, or Deliverables, (2) the information and data provided by third parties in order to use the Resources, Access, Products, Services or Deliverables; or (3) the information or results obtained through the Resources, Access, Products, Services or Deliverables. CKH does not guarantee or warrant any particular result or success as a result of the use of the Resources, Access, Products, Services, or Deliverables. Instead, the Resources, Access, Products, Services, and Deliverables should be considered tools to assist the Client, but they should not be treated as a singular solution.

# SERVICE AGREEMENT

In no event shall CKH or any of its Consultants or other representatives be liable for or responsible for any indirect, incidental, or consequential damages or injuries related to Client's or its representative's use of: (1) the Resources, Access, Products, Services or Deliverables; (2) the information and data provided by third parties in order to use the Resources, Access, Products, Services or Deliverables; or (3) the information or results obtained through the Resources, Access, Products, Services or Deliverables. The maximum possible liability of CKH shall not exceed the lesser of (a) the amount that the Client paid for the Resources, Access, Products, Services, or Deliverables that directly relate to the claim giving rise to such liability or (b) the full retail cost of those same Resources, Access, Products, Services or Deliverables.

No information shared by CKH verbally or in writing can be constituted to be professional advice, such as medical, legal, financial, psychological, business, or counseling advice. Diagnosing medical or psychological conditions cannot be done through a coaching process and should only be done by licensed professionals.

## Section 7: Entirety & Interpretation

Once accepted, this Agreement together with the Terms of Use associated with our Websites represents the entire agreement, and supersedes any and all previous understandings, between you and CKH as pertains to our Products and Services and your Access to Resources. To be valid and enforceable, any amendment or modification to this Agreement, which may be in the form of a subsequent Products and Services Amendment that expressly invokes this Agreement, must be in a writing and signed by the respective authorized representatives to be bound thereby. This Agreement shall be construed, interpreted, and enforced exclusively under the laws and venue applicable in College Station, Brazos County, Texas. Section and paragraph headings have been included in this Agreement in hopes of facilitating ease of reference, but such headings shall not affect the interpretation of this Agreement. In the event of any inconsistency that cannot be reasonably resolved between this Agreement and an applicable Products and Services, the Products and Services section shall control for purposes of resolving the inconsistency, and a more recent Products and Services section shall control over inconsistent terms in Products and Services section(s). To the extent of any inconsistency that cannot be reasonably resolved between this Agreement and the Terms of Use associated with our Websites, this Agreement shall control throughout the Term, while the Terms of Use will control after the Term. You also agree that this Agreement will not be construed against CKH by virtue of having drafted it.

## Section 8: Acceptance & Term

To indicate your acceptance of this Agreement without changes, the Client should have its authorized representative sign where indicated below and return the signed Agreement to Capturing Kids' Hearts via email to [angie.shoffner@capturingkidshearts.org](mailto:angie.shoffner@capturingkidshearts.org). Once returned, the date of your authorized representative's signature shall be treated as the effective start date of this Agreement. The enforceable term of this Agreement ("**Term**") shall extend until all services on the Products and Services section are from the Effective Date, unless sooner terminated, except that the Term shall be automatically extended through the last day of your Subscription Access, including any and all Renewal Terms for such Access.

Either party to this Agreement may terminate this Agreement at any point during the Term by providing ninety days' written notice to the other in the event that such other party materially breaches any provision of this Agreement, unless that other party cures such breach during those ninety days. All unpaid payment obligations and all rights and obligations under Intellectual Property of this Agreement shall survive any termination of this Agreement.

## Section 9: Confirmation

On behalf of the Client, the undersigned individual hereby confirms that they have read and understand all the terms and conditions of this Agreement, and, as the contact person and authorized representative of the Client for all purposes of this

# SERVICE AGREEMENT

Agreement, will endeavor to see that all policies and related details are understood and completed by all Client involved parties in the planning of the Products and Services. The undersigned individual applies their signature to this Agreement on behalf of their respective party for the purposes of entering into a legally binding contractual relationship between CKH and Client.

If you have any questions or need additional assistance, please do not hesitate to contact us.

## Independent Study Policy

### California Online Public Schools

California Online Public Schools non-profit Board of Directors operates the following charter schools to which this policy applies:

California Online Public Schools Central Coast  
California Online Public Schools Central Valley  
California Online Public Schools Monterey Bay  
California Online Public Schools North Bay  
California Online Public Schools Northern California  
California Online Public Schools Southern California

---

### The Independent Study Program

The Board of Directors ("Board") of California Online Public Schools has adopted this policy for the Independent Study Program for all charter schools it governs and operates. The Board oversees the educational program for California Online Public Schools, made up of multiple charter schools using a similar educational program and Educational Management System (hereinafter, "School"). The School's "Independent Study Program" is an optional alternative instructional strategy by which students in grades TK- 12 may reach curriculum objectives and fulfill promotion requirements.

Students who voluntarily choose the Independent Study Program have the alternative option of returning to a classroom-based instructional program in a school of their district of residence. For students who make a request to the School (including through a parent/guardian/caregiver request) to return to in-person instruction, the School will provide information which will assist the students to enroll in the in-person program offered by their district of residence and will allow the student to withdraw expeditiously within five (5) schooldays. (Education Code § 51747(f).)

Independent study shall offer a means of individualizing the educational plan for students whose needs may be met best through study outside of the regular classroom setting. Independent study is a continuously voluntary, educational alternative in which no student may be required to participate. (Education Code § 51747(g)(8).)

School will provide appropriate services, supports, technology and resources to enable students to complete their independent study program successfully. This will enable students enrolled in independent study to complete their School's adopted course of study within the customary time frame.

The School will provide content to students aligned to grade level standards that is substantially equivalent to in-person instruction. For high school students, this shall include access to all courses offered by the School for graduation and approved by the University of California or the California State University as creditable under the A-G admissions criteria. (Education Code § 51747(c).)

The School Administration shall ensure that a written Independent Study Master Agreement ("Master Agreement"), as prescribed by law, exists for each participating student. This agreement cannot be valid for longer than one (1) school year. (Education Code § 51747(g)(5).)

The Independent Study Program entails a commitment by the parent/guardian/caregiver, and the student. As the student gets older, he/she/they assumes a greater portion of the responsibility involved. The “Parent/Guardian/Caregiver Acknowledgement”, provided as part of the enrollment process, further lays out the School’s expectations for parents/guardians/caregivers and students.

Each student’s independent study shall be coordinated, evaluated and carried out under the general supervision of a certificated employee. (Education Code § 51747.5(a).)

The School shall not provide independent study students and parents/guardians/caregivers with funds or items of value that a school district could not legally provide to a similarly situated student of the district or to his/her/their parent/guardian/caregiver. (Education Code § 51747.3(a).)

The Superintendent or designee(s) shall ensure that the Independent Study Program is carried out in accordance with the law. (Education Code § 51744 et seq.; 5 C.C.R. § 11700 et seq.)

**Opportunities for Live Interaction and Synchronous Instruction:** The School shall plan to provide opportunities for live interaction and synchronous instruction as follows:

- For pupils in grades TK-3, the School shall plan to provide opportunities for daily synchronous instruction.
- For pupils in grades 4-8, the School shall plan to provide opportunities for both daily live interaction and at least weekly synchronous instruction.
- For pupils in grades 9-12, the School shall plan to provide opportunities for at least weekly synchronous instruction. (Education Code § 51747(e).)

For the purposes of this policy, “live interaction” means interaction between the pupil and certificated or non-certificated staff, and may include peers, provided for the purpose of maintaining school connectedness, including but not limited to wellness checks, progress monitoring, provision of services, and instruction. This live interaction may take place in-person, or in the form of internet or telephonic communication, such as a virtual meeting room or live group chat.

For the purposes of this policy, “synchronous instruction” means designated group or one-on-one instruction delivered in person, or in the form of internet or telephonic communications, and involving live two-way communication between a teacher or teachers of record pursuant to Education Code § 51747.5 and the pupil, such as a virtual meeting room or live chat.

School will document each pupil’s participation in live interaction and synchronous instruction, pursuant to Section 51747 on each school day, as applicable, in whole or in part, for which live interaction or synchronous instruction is provided as part of the independent study program. A pupil who does not participate in scheduled live interaction or synchronous instruction on a school day shall be documented as non-participatory for that school day for purposes of pupil participation reporting and tiered re-engagement pursuant to EC § 51747. (Education Code § 51747.5(c).) For purposes of this policy, “non-participatory” solely refers to whether a student attended live interaction and synchronous instruction offerings. A student who is non-participatory on a school day can still generate attendance on that school day for purposes of apportionment.

## Evaluation of Effectiveness of Independent Study for Students

The Board recognizes that independent study may be used as an option to encourage students to remain in school. Teachers should carefully set the duration of independent study assignments, within the limits specified by the Board in order to help identify students falling behind in their work or in danger of failing or dropping out of school.

To foster each student's success in independent study, the Board establishes the following parameters and the maximum lengths of time which may elapse between the time an assignment is made and date by which the student must complete the assigned work. These shall be as follows:

**For Grades TK-12, no more than four (4) school weeks may elapse between when a teacher makes an assignment and the date by which a student must complete the assigned work ("Assignment Time"). Where special or extenuating circumstances exist, and this set time limit cannot be met, the grade level Administrator or designee may approve a period not to exceed an additional four (4) weeks. (Education Code § 51747(a).)**

Because the School is a virtual school using the independent study model, it is crucial that teachers know that a student is completing adequate work under their Master Agreement to make satisfactory educational progress. There are several methods by which teachers can evaluate if a student is benefitting from delivery of their education through the independent study model. In addition to completing assigned lessons and assessments, and submitting original student work to the teachers, direct contact between the teacher and the student, using the means set out in the Master Agreement, is essential in a virtual program.

Therefore, all of these criteria are considered to be the equivalent of "assignments" (as per Education Code § 51747(b)) for the School's program:

- Substantial and substantive direct contact between the student and teacher (as defined in the Master Agreement), OR:
- Active participation in the program as evidenced by satisfactory completion of assigned lessons and assessments; OR
- Submission of the required original student work samples to the certificated employee(s) assigned to the student for evaluation.

The following constitutes the definition of a "missed assignment" (per Education Code § 51747(b)) for the Independent Study Program:

- Failure to conduct a direct contact (as defined in the Master Agreement) between the student and teacher (the supervisory teacher and/or other assigned teachers)
- Completion of less than 70% of the assigned work within a 4 week learning period
- Failure to submit required and assigned work samples, assessments and/or portfolio items to the school

**Per Education Code § 51747(b), the Board has determined that the following number of missed assignments, as defined above, will trigger an evaluation of whether it is in the best interests of the student to remain in the Independent Study Program:**

- Missing two (2) consecutive contact appointments between the student and teacher
- Completion of less than 70% of the assigned work within a 4 week learning period; or
- Failure to submit the required and assigned work samples, assessments for one (1) school month (learning period)

**Satisfactory Educational Progress:** In addition, a determination that a student has failed to make satisfactory progress will also trigger an evaluation of whether it is in the best interests of the student to remain in the Independent Study Program. A student is deemed to be making satisfactory educational progress if the student is on track to enter the next grade level (or, for high school students, to earn sufficient credits towards graduation) at the completion of the current school year and/or progressing toward their goals pursuant to their individualized education program ("IEP"). State law dictates what indicators are used to determine satisfactory educational progress. Therefore, satisfactory educational progress shall be based on all of the following indicators, as applicable:

- The student's achievement and engagement in the Independent Study Program, as indicated by the student's performance on student-level measures of student achievement and student engagement set forth in Education Code § 52060(d)(4)-(5).
- The completion of assignments, assessments, or other indicators that show the student is working on assignments.
- Learning required concepts, as determined by the supervising teacher.
- Progressing toward successful completion of the course of study or individual course, as determined by the supervising teacher. (Education Code § 51747(b)(2).)

**Tiered Reengagement:** For all pupils who (1) are in violation of their Master Agreement, or (2) do not generate attendance for more than ten percent (10%) of the required school days in a given attendance month (as defined in the attendance calendar), or (3) do not participate in the school's offerings of synchronous instruction for more than fifty percent (50%) of the scheduled times in a school month, as applicable by grade span, the School shall have procedures, including the following reengagement strategies:

- Verifying pupil's current contact information.
- Notifying parents or guardians of lack of participation within one school day of the documentation of a non attendance day or lack of participation.
- A plan for outreach from the school to determine pupil needs, including a connection with health and social services, as necessary.
- A clear standard requiring a pupil-parent-educator conference, as defined below, to review the pupil's Master Agreement, reconsider the Independent Study Program's impact on the pupil's achievement and well-being, consistent with the School's policies regarding the maximum amount of time allowed between the assignment and completion of pupil's assigned work (four (4) school weeks), satisfactory educational progress (see above), and the number of missed assignments (see above) allowed before an evaluation of whether the student should be allowed to continue in independent study.
- Implement any programs of the School intended to address chronic absenteeism, as applicable. (Education Code § 51747(d).)

In addition to the tiered engagement strategies described above, the School Administration may provide one of the following supports to students who are not meeting Master Agreement requirements or otherwise may need engagement support:

1. A letter to the student and/or parent/guardian/caregiver, as appropriate.
2. A special meeting between the student, parent/guardian/caregiver and the teacher or designated Administrator.
3. A meeting between the student and the grade level Administrator, including the parent/guardian/caregiver if appropriate.
4. An increase in the amount of time the student works under direct supervision.
5. Placing the student on academic probation.

“Pupil-parent-educator conference” means a meeting involving, at a minimum, all parties who signed the pupil’s written Master Agreement pursuant to Education Code § 51747(g).

The evaluation triggered by the missed assignments or failure to make satisfactory educational progress as described above will be delivered to the parent/guardian/caregivers, and to the student if the student is over eighteen (18) years of age. Written evaluation findings shall also be kept in the student's school record. A written record of the findings of any evaluation made pursuant to this subdivision shall be treated as a mandatory interim pupil record. The record shall be maintained for a period of three years from the date of the evaluation and, if the pupil transfers to another California public school, the record shall be forwarded to that school upon written request. (Education Code § 51747(b).)

If the student fails to address the issues which led to the evaluation within one week of the delivery of the written evaluation, and with prior written notice to the student’s parent/guardian/caregiver in accordance with the law, the School may withdraw the student as a result of the Student’s noncompliance with the Master Agreement.

## Eligibility

An individual with exceptional needs, as defined in Education Code § 56026, may participate in independent study if their IEP specifically provides for such participation. (Education Code § 51745(c).) Whether independent study is an appropriate placement to provide a Free and Appropriate Education (FAPE) for a student with an IEP is an individualized determination made by the IEP team. (Education Code § 51745(c).)

No student shall be required to participate in independent study. (Education Code § 51747(g)(8).)

No temporarily disabled student may receive individual instruction pursuant to Education Code § 48206.3 by means of independent study. (Education Code § 51745(d).)

No student that is expelled by their previous school pursuant to Education Code § 48915 or a suspended expulsion student pursuant to Education Code § 48917, may be provided with instruction through independent study unless they are offered the alternative of classroom instruction and they choose independent study. (Education Code § 51747(g)(8).)

Students enrolling in the School must be residents of an eligible county (the county where a School is authorized and their geographically contiguous counties). Enrollment eligibility shall not be based on the address of parent/guardian/caregiver employment. The School will not claim apportionment funding for any student who lives outside of an eligible county unless otherwise permitted by law. (Education Code § 51747.3(c).)

**Exceptions for Pupils Under Professional Care:** Pupils enrolled in a comprehensive school for classroom-based instruction who, under the care of appropriately licensed professionals, participate in independent study due to necessary medical treatments or inpatient treatment for mental health care or substance abuse, are not subject to the tiered reengagement, live interaction, synchronous instruction, nor return to in-person instruction provisions described above. The School shall obtain evidence from appropriately licensed professionals of the need for pupils to participate in independent study pursuant to this subdivision.

## Written Agreements and Assignments

A written Master Agreement shall be executed for each participating student. The curriculum and methods of study specified in the Master Agreement shall be consistent with the Board’s policies and procedures for curriculum and instruction. (5 C.C.R. § 11702.)

The Master Agreement shall include, but not be limited to, all of the following:

1. The manner, frequency, time and place for submitting the student's assignments and for reporting the student's academic progress, and for communicating with the student's parent/guardian/caregiver regarding academic progress.
2. The objectives and methods of study for the student's work, and the methods used to evaluate that work.
3. The specific resources, including materials and staff, which will be made available to the student. These resources shall include confirming or providing access for all pupils to the connectivity and devices adequate to participate in the academic program and complete assigned work.
4. A statement of the policies adopted herein regarding the maximum length of time allowed between the assignment, the level of satisfactory educational progress, and the number of missed assignments allowed prior to an evaluation of whether or not the student should be allowed to continue in independent study.
5. The duration of the Master Agreement, including the beginning and ending dates for the student's participation in independent study under the Master Agreement. No Master Agreement shall be valid for any period longer than one (1) school year.
6. A statement of the number of course credits for grades 9 to 12, or, for the grades TK-8, other measures of academic accomplishment appropriate to the Master Agreement, to be earned by the student upon completion.
7. A statement detailing the academic and other supports that will be provided to address the needs of pupils who are not performing at grade level, or need support in other areas such as English learners, individuals with exceptional needs as needed to be consistent with the student's individualized education program or plan pursuant to Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Sec. 794), pupils in foster care, pupils experiencing homelessness, and pupils requiring mental health supports.
8. The inclusion of a statement in each Master Agreement that independent study is an optional educational alternative in which no student may be required to participate. In the case of a student who is referred or assigned to any school, class or program pursuant to EC § 48915 or 48917, the agreement also will include the statement that instruction may be provided to the student through independent study only if the student is offered the alternative of classroom instruction. (Education Code § 51747(g).)

School will comply with the signature requirements for independent study written agreements set forth in Education Code § 51747(g)(9), including:

- Each Master Agreement will be signed, prior to the commencement of independent study, by the student, the student's parent, legal guardian, or caregiver, if the student is less than 18 years of age, the certificated employee who has been designated as having responsibility for the general supervision of independent study, and the certificated employee designated as having responsibility for the special education programming of the pupil, as applicable. For purposes of this paragraph, "caregiver" means a person who has met the requirements of Part 1.5 (commencing with Section 6550) of the Family Code.

The Master Agreement also may include a schedule for achieving objectives and completing the agreement and a schedule of conferences between the student and his/her/their supervising teacher.

The Master Agreement shall state that the parent/guardian/caregiver's signature confers his/her/their permission for the student's independent study as specified in the agreement.

The Master Agreement may be maintained electronically along with and may include subsidiary agreements, such as course contracts and assignment and work records, work samples and attendance records. Master Agreements may be signed using electronic signatures that comply with applicable state and federal standards and are intended by the signatory to have the same effect as a handwritten signature.

Before signing a Master Agreement pursuant to this policy, a parent/guardian/caregiver may request that the School conduct a telephone, videoconference, or in-person pupil-parent-educator conference or other school meeting during which the pupil, parent/guardian/caregiver, and, if requested by the pupil or parent/guardian/caregiver, an education advocate, may ask questions about the educational options, including which curriculum offerings and nonacademic supports will be available to the pupil in independent study, before making the decision about enrollment or disenrollment. (Education Code § 51747(h)(2).)

## Supervising Teachers

The Superintendent or designee(s) shall oversee the teachers who directly supervise the independent study on a regular basis and ensure that the supervising teachers:

1. Complete designated portions of the Master Agreement and add additional information to the agreement when appropriate.
2. Supervise and approve coursework.
3. Ensure that any required opportunities for synchronous instruction, based on the student's grade level, are provided and documented.
4. Design/identify curriculum objectives.
5. Initiate and complete the independent study contacts as specified in the Master Agreement for students.
6. Assess all work that students are required to submit to a teacher.
7. Personally judge the time value of assigned work or work products completed and submitted by the student, or personally review the determination of time value made by another certificated teacher.
8. Select and save with each Master Agreement representative samples of the student's completed and evaluated assignments.
9. Maintain any required records and files on a current basis.
10. When appropriate, determine and assign grades or other approved measures of achievement.

## Records

School records maintained by each school shall identify all students participating in its Independent Study Program and shall specify the grade level in which each of these students is enrolled. (5 CCR § 11703.)

School will maintain written or computer-based evidence of student engagement that includes, but is not limited to, a grade book or summary document that, for each class, lists all assignments, assessments, and associated grades. (Education Code § 51747.5(d).)

Records shall be maintained for audit purposes and shall include the following (5 C.C.R. § 11703):

1. A copy of the Board policy, administrative regulations, and procedures related to independent study.
2. A separate listing of the students, by grade level, program and school who have participated in independent study identifying units of the curriculum undertaken (also known as the "course of study") and units of the curriculum completed by students in grades TK-8, and identifying course credits attempted by and awarded to students in grades 9-12, as specified in their Master Agreements.
3. A record of all Master Agreements, with representative samples of each student's work products and a signed acknowledgement by the supervising teacher indicating that he/she has personally evaluated the work or that he/she has personally reviewed the evaluations made by another certificated teacher. These records may be created, signed and stored electronically.
4. A daily or hourly attendance register, as appropriate to the program in which the students are enrolled, separate from any in person classroom attendance records, and maintained on a current basis as time values of student work products are personally judged by a teacher, and reviewed by the certificated supervising teacher if they are two different persons.

## Parent's Right to Appeal

Parents/guardians/caregivers may appeal decisions in accordance with procedures in the School & Family Policy Catalog. In accordance with Education Code § 47605(c)(5)(J)(iii) parents will be provided with a written notice of the intent to withdraw a student for noncompliance no less than five school days prior to the effective date of the withdrawal.

---

**Effective as of the start of the 2024-25 School Year**  
**Approved by CalOPS Board of Directors**

# Uniform Complaint Procedures

## California Online Public Schools

California Online Public Schools non-profit Board of Directors operates the following charter schools to which this policy applies:

California Online Public Schools Central Coast  
 California Online Public Schools Central Valley  
 California Online Public Schools Monterey Bay  
 California Online Public Schools North Bay  
 California Online Public Schools Northern California  
 California Online Public Schools Southern California

The California Online Public Schools ("CalOPS") Board of Directors has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs. Most issues are best handled informally and proactively, and the board strongly encourages the early resolution of complaints by direct communication between the family and the school leadership whenever possible. (Information about the schools' communication protocols are found in the Student and Family Policy Catalog). If you have a concern, you can always talk to a staff member or school leadership. This complaint procedure is adopted to provide a uniform system of complaint processing ("UCP") for the following types of complaints (listed below). CalOPS shall investigate and seek to resolve, in accordance with this Policy, complaints alleging failure to comply with applicable state and federal laws and regulations including, but not limited to, allegations of discrimination, harassment, intimidation, or bullying or noncompliance with laws relating to all programs and activities implemented by CalOPS that are subject to the UCP. All other concerns will follow the protocols provided in the Student and Family Policy Catalog.

The board prohibits any form of retaliation against any person for making a complaint. Additionally, participation in the complaint process shall not in any way affect the status, grades or work assignments of any student. In investigating complaints, the school will protect the confidentiality of the parties involved to the extent that the investigation of the complaint is not obstructed, or as otherwise permitted by law. Finally, the schools will investigate all complaints in a timely manner.

Complaints related to the issues described below should be filed using the Uniform Complaint Policy and Procedure:

1. Any complaints alleging unlawful discrimination, harassment, intimidation or bullying/cyberbullying in the schools' programs and/or activities based on:
  - a. actual or perceived race or ethnicity, color, ancestry, national origin, immigration status, citizenship, nationality, ethnic group identification, genetic information, age, religion, marital or parental status, mental or physical disability, medical condition, sex or sexual orientation, gender, gender identity, or gender expression.
  - b. the perception of one or more of such characteristics; or
  - c. association with a person or group with one or more of these actual or perceived characteristics.
2. Complaints alleging a violation of state or federal law or regulation governing the following programs that are subject to the UCP: (\* Denotes UCP programs and activities that are currently implemented by CalOPS)

- Accommodations for Pregnant and Parenting Students\*
- Adult Education Programs
- After School Education and Safety
- Agricultural Career Technical Education
- Career Technical and Technical Education and Training Programs\*
- Child Care and Development Programs
- Compensatory Education
- Consolidated Categorical Aid Programs\*
- Course Periods without Educational Content
- Educational and Graduation Requirements for Students in Foster Care, Students who are Homeless, former Juvenile Court Students now enrolled in a school district, Migratory Children, Children of Military Families\*, and Pupils Participating in a Newcomer Program
- Every Student Succeeds Act\*
- Migrant Child Education Programs
- Physical Education Instructional Minutes
- Reasonable Accommodations to a Lactating Student\*
- Regional Occupational Centers and Programs
- School Plans for Student Achievement
- School Safety Plan\*
- Schoolsite Councils
- State Preschool Programs
- State Preschool Health and Safety Issues in LEAs Exempt from Licensing
- Any other state or federal educational program the State Superintendent of Public Instruction or designee deems appropriate.

3. Complaints alleging that a student enrolled in a public school was required to pay a pupil fee for participation in an educational activity as those terms are defined below.

- a. "Educational activity" means an activity offered by the charter school that constitutes an integral fundamental part of elementary and secondary education, including, but not limited to, curricular and extracurricular activities.
- b. "Pupil fee" means a fee, deposit or other charge imposed on students, or a student's parents/guardians, in violation of Education Code section 49011 and Section 5 of Article IX of the California Constitution, which require educational activities to be provided free of charge to all students without regard to their families' ability or willingness to pay fees or request special waivers, as provided for in *Hartzell v. Connell* (1984) 35 Cal.3d 899. A pupil fee includes, but is not limited to, all of the following:
  - i. A fee charged to a student as a condition for registering for school or classes, or as a condition for participation in a class or an extracurricular activity, regardless of whether the class or activity is elective or compulsory or is for credit.
  - ii. A security deposit, or other payment, that a student is required to make to obtain a lock, locker, book, class apparatus, musical instrument, uniform or other materials or equipment.
  - iii. A purchase that a student is required to make to obtain materials, supplies, equipment, or uniforms associated with an educational activity.
- c. A pupil fees complaint and complaints regarding local control and accountability plans ("LCAP") only, may be filed anonymously (without an identifying signature), if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance with Education Code

sections 52060 - 52077, including an allegation of a violation of Education Code sections 47606.5 or 47607.3, as referenced in Education Code section 52075, regarding local control and accountability plans.

- d. If the school finds merit in a pupil fees complaint, or the California Department of Education ("CDE") finds merit in an appeal, the school shall provide a remedy to all affected students, parents/guardians that, where applicable, includes reasonable efforts by the school to ensure full reimbursement to all affected students and parents/guardians, subject to procedures established through regulations adopted by the state board.
  - e. Nothing in this Policy shall be interpreted to prohibit solicitation of voluntary donations of funds or property, voluntary participation in fundraising activities, or the school and other entities from providing student prizes or other recognition for voluntarily participating in fundraising activities.
4. Complaints alleging noncompliance with the requirements governing the Local Control Funding Formula ("LCFF") or LCAP under Education Code sections 47606.5 and 47607.3, as applicable. If the school adopts a School Plan for Student Achievement in addition to its LCAP, complaints of noncompliance with the requirements of the School Plan for Student Achievement under Education Code sections 64000, 64001, 65000, and 65001 shall also fall under this Policy.

Complaints alleging noncompliance regarding child nutrition programs established pursuant to Education Code sections 49490-49590 no longer fall under the UCP. Instead, they are governed by Title 7, Code of Federal Regulations ("C.F.R.") sections 210.19(a)(4), 215.1(a), 220.13(c), 225.11(b), 226.6(n), and 250.15(d) and Title 5, California Code of Regulations ("C.C.R.") sections 15580 - 15584.

Complaints alleging noncompliance regarding special education programs established pursuant to Education Code sections 56000-56865 and 59000-59300 no longer fall under the UCP. Instead, they are governed by the procedures set forth in 5 C.C.R. sections 3200-3205 and 34 C.F.R. sections 300.151-300.153.

CalOPS acknowledge and respect every individual's right to privacy. Unlawful discrimination, harassment, intimidation or bullying complaints shall be investigated in a manner that protects (to the greatest extent reasonably possible and as permitted by law) confidentiality of the parties, including but not limited to the identity of the complainant, and maintains the integrity of the process. CalOPS cannot guarantee anonymity of the complainant. This includes keeping the identity of the complainant confidential. However, CalOPS will attempt to do so as appropriate. CalOPS may find it necessary to disclose information regarding the complaint/complainant to the extent required by law or necessary to carry out the investigation or proceedings, as determined by the Superintendent or designee on a case-by-case basis. CalOPS shall ensure that complainants are protected from retaliation.

### Compliance Officer(s)

Complaints must be in writing and should be directed to CalOPS designated "Compliance Officer(s)", listed below:

Dr. Richard Savage Superintendent  
c/o California Online Public Schools  
33272 Valle Rd.  
San Juan Capistrano, CA 92675 949-461-1667

The Compliance Officer or designee will receive and investigate complaints and ensure CalOPS compliance with laws applicable to the complaint(s). The Compliance Officer(s) or designee designated to investigate complaints are knowledgeable about the laws and programs for which they are assigned to investigate. The compliance officer may also have access to legal counsel as determined appropriate by the Superintendent or designee.

If the complaint alleges wrongdoing by the Compliance Officer, the Compliance Officer will immediately notify the Board President to appoint a substitute Compliance Officer to investigate the complaint. The person filing the complaint may, alternatively, submit their complaint directly to the President of the Board of Directors.

## Notifications

The Compliance Officer or designee shall make available copies of this Policy free of charge. The Compliance Officer or designee will provide annual written notification of the schools' Uniform Complaint Procedures to students, employees, parents/guardians, any applicable advisory committees, appropriate private school officials or representatives, and other interested parties by posting information regarding allegations about discrimination, harassment, intimidation, or bullying on CalOPS' public website.

The annual notice shall be in English. When necessary, under Education Code Section 48985, if 15% (fifteen percent) or more of the students enrolled at the school speak a single primary language other than English, this policy and the notice will be translated into that language and provided to the parent/guardian of any such students in their primary language or mode of communication of the recipient of the notice.

The annual notice shall include the following:

1. A list of the types of complaints that fall under the scope of the UCP and the state and federal provisions that govern complaints regarding child nutrition programs and special education programs.
2. A statement clearly identifying any California State preschool programs that CalOPS are operating as exempt from licensing pursuant to Health and Safety Code section 1596.792(o) and corresponding Title 5 health and safety regulations, and any California State preschool programs that CalOPS are operating pursuant to Title 22 licensing requirements.
3. A statement that CalOPS are primarily responsible for compliance with federal and state laws and regulations.
4. A statement that a student enrolled in a public school shall not be required to pay a pupil fee for participation in an educational activity.
5. A statement identifying the title of the compliance officer, and the identity(ies) of the person(s) currently occupying that position, if known.
6. A statement that the compliance officer shall be knowledgeable about the laws and programs that they are assigned to investigate.
7. A statement that if a UCP complaint is filed directly with the CDE and the CDE determines that it merits direct intervention, the CDE shall complete an investigation and provide a written decision to the complainant within sixty (60) calendar days of receipt of the complaint, unless the parties have agreed to extend the timeline or the CDE documents exceptional circumstances and informs the complainant.
8. A statement that the complainant has a right to appeal CalOPS' decision to the CDE by filing a written appeal within thirty (30) calendar days of the date of CalOPS' Decision, except if CalOPS has used its UCP to address a complaint that is not subject to the UCP requirements.
9. A statement that a complainant who appeals CalOPS' decision on a UCP complaint to the CDE shall receive a written appeal decision within sixty (60) calendar days of the CDE's receipt of the appeal, unless extended by written agreement with the complainant or the CDE documents exceptional circumstances and informs the complainant.
10. A statement that if CalOPS finds merit in a UCP complaint, or the CDE finds merit in an appeal, CalOPS

shall take corrective actions consistent with the requirements of existing law that will provide a remedy to the affected student and/or parent/guardian as applicable.

11. A statement advising the complainant of any civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders that may be available under state or federal discrimination, harassment, intimidation or bullying laws, if applicable, and of the appeal pursuant to Education Code section 262.3.
12. A statement that copies of CalOPS' UCP shall be available free of charge.
13. A statement that in order to identify appropriate subjects of state preschool health and safety issues pursuant to Section 1596.7925 of the California Health and Safety Code (HSC) a notice shall be posted in each California state preschool program classroom in each school in the local educational agency notifying parents, guardians, pupils, and teachers of both of the following:
  - The health and safety requirements under Title 5 of the California Code of Regulations (5 CCR) apply to California state preschool programs pursuant to HSC Section 1596.7925.
  - The location at which to obtain a form to file a complaint. Posting a notice downloadable from the California Department of Education (CDE) website shall satisfy this requirement.

## Procedures

All complaints alleging that CalOPS has violated federal or state laws or regulations enumerated as within the scope of this Policy will be investigated and resolved according to the procedures below.

The Compliance Officer or designee will maintain a record of each complaint and subsequent related actions, including all information required for compliance for at least three (3) calendar years.

All parties involved in the allegations will be notified when a complaint is filed, when a complaint meeting or hearing is scheduled, and when a decision or ruling is made.

## Uniform Complaint Procedures

### 1. Step 1: Filing of Complaint

Any individual, including a person's duly authorized representative or an interested third party, public agency, or organization may file a written complaint of alleged noncompliance or unlawful discrimination, harassment, intimidation, or bullying pursuant to this Policy.

A complaint alleging unlawful discrimination, harassment, intimidation or bullying/cyberbullying may be filed by a person who alleges that the individual has personally suffered unlawful discrimination, harassment, intimidation or bullying/cyberbullying; or by a person who believes that any specific class of individuals has been subjected to unlawful discrimination, harassment, intimidation, or bullying/cyberbullying, or by a duly authorized representative who alleges that an individual student has been subjected to discrimination, harassment, intimidation, or bullying. An investigation of alleged unlawful discrimination, harassment, intimidation or bullying shall be initiated by filing a complaint no later than six (6) months from the date when the alleged discrimination, harassment, intimidation or bullying/cyberbullying occurred, or six months from the date when the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation or bullying/cyberbullying. Upon written request by the complainant, the Superintendent or designee may choose to extend the filing period for up to ninety (90) calendar days following the expiration of the six-month time period. Such request for extension shall set forth the reasons for the extension. Such extension by the Superintendent or designee shall be made in writing. The Superintendent shall respond immediately upon a receipt of a request for extension.

All other complaints under this Policy shall be filed not later than one (1) year from the date the alleged violation occurred. For complaints relating to the LCAP, the date of the alleged violation is the date on which the CalOPS Board of Directors approved the LCAP or the annual update was adopted by CalOPS.

The complaint will be presented to the Compliance Officer, who will maintain a log of complaints received, and who will provide each complaint with a code number and date stamp.

A pupil fees complaint may be filed with the principal of a school or the CalOPS Superintendent or his or her designee.

Complaints filed pursuant to this Policy must be in writing and signed. A signature may be handwritten, typed (including in an email) or electronically generated. Only complaints regarding pupil fees or LCAP compliance may be filed anonymously as set forth in this Policy. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, CalOPS staff shall assist the complainant in the filing of the complaint.

## **2. Step 2: Mediation**

Within three (3) business days of receiving the complaint, the Compliance Officer may informally discuss with the complainant the possibility of using mediation. If the complainant agree to mediation, the Compliance Officer will make all arrangements for this process.

Before initiating the mediation of a complaint alleging discrimination, harassment, intimidation, or bullying/cyberbullying, the Compliance Officer will ensure that all parties agree to make the mediator a party to related confidential information.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer will proceed with the investigation of the complaint.

The use of mediation shall not extend CalOPS' timelines for investigating and resolving the complaint, unless the complainant agrees in writing to such an extension of time.

## **3. Step 3: Investigation of Complaint**

Within fourteen (14) days of receiving the complaint, the Compliance Officer will provide the complainant and/or his/her representative an opportunity to present the complaint and any evidence, or information leading to evidence, orally, to support the allegations in the complaint. The Compliance Officer also will collect all documents and interview all witnesses with information pertinent to the complaint.

A complainant's refusal to provide the schools' investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engaging in any other obstruction of the investigation, may result in the dismissal of the complaint because of lack of evidence to support the allegation. Note, however, that complaints permissibly made anonymously will be investigated by the schools to the extent possible without participation by the complainant.

In accordance with law, CalOPS will provide the investigator with access to records and other information related to the allegation in the complaint and will not in any way obstruct the investigation. Failure or refusal to cooperate in the investigation may result in a finding, based on evidence collected, that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

## **4. Step 4: Final Written Decision**

CalOPS shall issue an investigation report (the "Decision") based on the evidence. The schools' decision will be in writing and sent to the complainant within sixty (60) calendar days of receipt of a complaint unless the timeframe is extended with the written

agreement of the complainant. CalOPS' decision will be written in English and in the primary language of the complainant whenever required by law.

The Decision will include:

1. The findings of fact based on the evidence gathered;
2. The conclusion providing a clear determination for each allegation as to whether CalOPS are in compliance with the relevant law;
3. Corrective actions, if CalOPS finds merit in the complaint and any are warranted or required by law;
4. Notice of the complainant's right to appeal CalOPS' decision within thirty (30) calendar days to the California Department of Education (CDE), except when CalOPS has used its UCP to address complaints that are not subject to the UCP requirements; and
5. Procedures to be followed for initiating such an appeal.

If the investigation of a complaint results in discipline to a student or an employee, the Decision shall simply state that effective action was taken and the employee was informed of CalOPS' expectations. The Decision shall not give any further information as to the nature of the disciplinary action except as required by applicable law.

Pertaining to complaints of Pupil Fees; LCAP; Physical Education Instructional Minutes, or Course Periods without Educational Content, the remedy shall go to all affected pupils, parents, and guardians.

For all other complaints within the scope of the Uniform Complaint Procedures, the remedy shall go to the affected pupil.

With respect to a pupil fees complaint, corrective actions shall include a remedy where in good faith, by engaging in reasonable efforts, an attempt to identify and fully reimburse all pupils, parents and guardians who paid a pupil fee within one year prior to the filing of the complaint;

### Appeals to the CDE

If dissatisfied with the Decision, the complainant may appeal in writing to the CDE within thirty (30) calendar days of receiving the Decision. The appeal shall be accompanied by a copy of the complaint filed with CalOPS and a copy of the Decision.

When appealing to the CDE, the complainant must specify and explain the basis for the appeal, including at least one of the following:

1. CalOPS failed to follow its complaint procedures.
2. Relative to the allegations of the complaint, CalOPS' Decision lacks material findings of fact necessary to reach a conclusion of law.
3. The material findings of fact in CalOPS' Decision are not supported by substantial evidence.
4. The legal conclusion in CalOPS' Decision is inconsistent with the law.
5. In a case in which CalOPS' Decision found noncompliance; the corrective actions fail to provide a proper remedy.

Upon notification by the CDE that the complainant has appealed the Decision, the Compliance Officer or designee shall forward the following documents to the CDE within ten (10) calendar days of the date of notification:

1. A copy of the original complaint;
2. A copy of the Decision;
3. A copy of the investigation file including, but not limited to, all notes, interviews and documents submitted by the parties and gathered by the investigator;
4. A report of any action taken to resolve the complaint;
5. A copy of CalOPS' complaint procedures; and
6. Other relevant information requested by CDE.

If the CDE determines the appeal raises issues not contained in the local complaint, the CDE will refer those new issues back to CalOPS for resolution as a new complaint. If the CDE notifies CalOPS that its Decision failed to address an allegation raised by the complaint and subject to the UCP process, CalOPS will investigate and address such allegation(s) in accordance with the UCP requirements and provide the CDE and the appellant with an amended Decision addressing such allegation(s) within twenty (20) calendar days of the CDE's notification. The amended Decision will inform the appellant of the right to separately appeal the amended Decision with respect to the complaint allegation(s) not addressed in the original Decision.

Within thirty (30) calendar days of the date of the CDE's appeal Decision pursuant to 5 C.C.R. section 4633(f)(2) or (3), either party may request reconsideration by the State Superintendent of Public Instruction ("SSPI") or the SSPI's designee. The request for reconsideration shall specify and explain the reason(s) for contesting the findings of fact, conclusions of law, or corrective actions in the CDE's appeal Decision. The SSPI will not consider any information not previously submitted to the CDE by a party during the appeal unless such information was unknown to the party at the time of the appeal and, with due diligence, could not have become known to the party. Pending the SSPI's response to a request for reconsideration, the CDE appeal Decision remains in effect and enforceable, unless stayed by a court.

The CDE may directly intervene in the complaint without waiting for action by CalOPS when one of the conditions listed in 5 CCR 4650 exists, including but not limited to cases in which through no fault of the complainant, CalOPS have not taken action within sixty (60) calendar days of the date the complaint was filed with the CalOPS.

## **5. Civil Law Remedies**

A complainant may pursue available civil law remedies outside CalOPS' complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders.

For complaints alleging unlawful discrimination, harassment, intimidation, or bullying/cyberbullying based on state law, a complainant must wait until sixty (60) calendar days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the school has appropriately and in a timely manner apprised the complainant of his/her right to file a complaint in accordance with 5 CCR 4622.

## **6. Complaint Regarding State Preschool Programs**

UCP complaints regarding state preschool health and safety issues pursuant to HSC Section 1596.7925 may be

filed with the preschool program administrator or his or her designee. A state preschool health and safety issues complaint pursuant to *HSC* Section 1596.7925 about problems beyond the authority of the preschool program administrator shall be forwarded in a timely manner, but not to exceed 10 working days to the appropriate local educational agency official for resolution. A state preschool health and safety issues complaint pursuant to *HSC* Section 1596.7925 may be filed anonymously. A complainant who identifies himself or herself is entitled to a response if he or she indicates that a response is requested. A complaint form shall include a space to mark to indicate whether a response is requested. If Section 48985 of the *EC* is otherwise applicable, the response, if requested, and Investigation Report shall be written in English and the primary language in which the complaint was filed. The preschool program administrator or the designee of the district superintendent shall (1) make all reasonable efforts to investigate any problem within his or her authority. Investigations shall begin within 10 days of the receipt of the complaint and (2) remedy a valid complaint within a reasonable time period, but not to exceed 30 working days from the date the complaint was received and report to the complainant the resolution of the complaint within 45 working days of the initial filing. If the preschool program administrator makes this report, he or she shall also report the same information in the same timeframe to the Superintendent.

A complainant not satisfied with the resolution of the preschool program administrator or the Superintendent has the right to describe the complaint to the governing board at a regularly scheduled hearing of the governing board. A complainant who is not satisfied with the resolution proffered by the preschool program administrator or the Superintendent has the right to file an appeal to the State Superintendent of Public Instruction (SSPI) within 30 days of the date of the LEA Investigation Report. A complainant shall comply with the appeal requirements of 5 CCR Section 4632.

Charter School shall report summarized data on the nature and resolution of all state preschool health and safety issues complaints pursuant to *HSC* Section 1596.7925 on a quarterly basis to the county superintendent of schools and the governing board. The summaries shall be publicly reported on a quarterly basis at a regularly scheduled meeting of the governing board. The report shall include the number of complaints by general subject area with the number of resolved and unresolved complaints. All complaints and responses are public record.

# Western Governors University

4001 South 700 East, Suite 700, SLC, UT 84107

## CLINICAL EXPERIENCE AGREEMENT

This Clinical Experience Agreement (Agreement) is made between Western Governors University, a Utah nonprofit corporation (University or WGU), and California Online Public Schools (District), and is effective as of the date of District's signature below (Effective Date).

WGU is regionally accredited by the Northwest Commission on Colleges and Universities (NWCCU). University Teacher Education programs are further accredited by the Council for the Accreditation of Educator Preparation (CAEP) and the Association for Advancing Quality in Educator Preparation (AAQEP). University represents that each teacher/principal Candidate assigned to District for Student Teaching/Practicum is validly enrolled in an approved University educator preparation program and meets District's background requirements.

**A. Definitions.** For the purposes of this Agreement, capitalized terms\* will have the following meanings:

1. Candidate refers to a student enrolled in a University program leading to an education degree.
2. Mentor Teacher refers to a District employee who is the contracted teacher in the classroom to which the Candidate is assigned.
3. Clinical Supervisor refers to a qualified individual who will supervise and complete observations and evaluations.
4. Advanced Programs refers to University programs that are designed for licensed teachers to earn an endorsement or certification.
5. Preclinical Experience refers to the active participation by a Candidate in a wide range of in-classroom experiences to develop the skills and confidence necessary to be an effective teacher and prepare for Student Teaching.
6. Student Teaching refers to the active participation by a teacher Candidate in the duties and functions of classroom teaching under the direct supervision and instruction of a Mentor Teacher and/or Clinical Supervisor.
7. Practicum refers to the University Clinical Experience requirements for licensed teachers in an advanced endorsement program. Practicum length can range from 10 days to 12 months, depending on program and state requirements.
8. Clinical Experience refers collectively to the Preclinical Experience and Student Teaching and/or Practicum.

\*References to "District" shall include the school.

**B. Mutual Expectations.** A placement site is a District where University places Candidates for a Clinical Experience with Mentor Teachers/principals, with an aim to co-construct a mutually beneficial arrangement for clinical preparation and the continuous improvement of Candidates, and to share accountability for Candidate outcomes. The school administrator and Mentor Teacher will have the opportunity to provide critical feedback to inform program improvement through surveys at the end of each experience.

**C. Mutually Beneficial Activities.** The parties agree to participate, to the extent feasible, in the activities outlined below:

1. When available, University staff may participate in District employee events and conferences, as appropriate, and District agrees to inform University of such opportunities.
2. Provide District with recruitment and talent acquisition planning and support from University's Career & Professional Development service(s) team, based on District compliance with University's [Employer Recruiting & Guidelines](#).
  - As possible, District will respond to quarterly survey requests from University's Career & Professional Development team about hiring plans and new hires from University.
3. University and District staff will co-select Mentor Teachers and Clinical Supervisors based on University requirements.

4. District employees who have been admitted to University may apply to receive aid so long as they meet scholarship eligibility requirements (University will retain sole discretion in funding and award decisions).
  5. University may invite District staff to participate in a focus group to:
    - provide feedback for improvement and continuous development of observation and evaluation instruments of Candidates, Mentor Teachers, and Clinical Supervisors; criteria for selection of Mentor Teachers and Clinical Supervisors; and curriculum development;
    - review data on Clinical Experiences and Candidate success to potentially modify selection criteria, determine future assignments of Candidates, and make changes in Clinical Experiences;
    - review how the depth, breadth, diversity, coherence, and duration data on Clinical Experiences are linked to student outcomes and Candidate performance.
- D. Recordings.** District recognizes that University requires its Candidates to video record in the classroom for evaluation purposes and agrees to permit video recording consistent with the conditions set forth in **Exhibit A** (Video Recordings).
- E. Mentor Teacher Standards.** District, with the input of University, will provide the teacher Candidate with a Student Teaching assignment in a school and classes of District under the direct supervision and instruction of a Mentor Teacher who meets the following minimum requirements:
1. Holds a teaching credential or license: (i) for the subject area and/or grade level being taught; and (ii) in the state where Student Teaching occurs.
  2. Has: (i) a minimum of three (3) years of content area teaching experience (five (5) years preferred), with (ii) two (2) or more years teaching in the placement school and/or District, and (iii) strong evaluations.
  3. Evidence of positive impact on student learning in the classroom as demonstrated by ratings at or above effective (or equivalent) when a state, district, or school provides such ratings.
  4. Successfully and with positive impact mentored student teachers, colleagues, and/or other adults.
  5. Competently uses technology for communicating via email and completing online evaluation forms.
  6. Will demonstrate and model the professional dispositions and ethics expected of teacher Candidates and University faculty and staff, as follows:
 

|                             |                        |
|-----------------------------|------------------------|
| ○ All individuals can learn | ○ Communication        |
| ○ Belonging                 | ○ Integrity            |
| ○ Empathy                   | ○ Professionalism      |
| ○ Growth Mindset            | ○ Intellectual courage |
  7. Complete University's training to understand University policies, processes, procedures, and how to effectively mentor adult learners.
  8. *For California Districts Only:* As required by the California Commission on Teacher Credentialing (CTC) Program Sponsor Alert (PSA) 19-05, Mentor Teacher has documented completion of training/professional development equivalent to ten (10) hours that includes: a two (2)-hour orientation to program curriculum, and eight (8) hours training in effective supervision approaches such as cognitive coaching, adult learning theory, and current content-specific pedagogy and instructional practices.
- F. Clinical Supervisor Standards.** A University Clinical Supervisor provides guidance, support, on-site assistance, assessment and feedback to a teacher Candidate throughout the Clinical Experience. To act in this role, a Clinical Supervisor must have:
1. A minimum of three (3) years teaching experience in K-12.
  2. A master's degree in education or related field.
  3. A current teaching license in the content area of supervision.
  4. Experience teaching in the content area of supervision.
  5. Ability to successfully complete a background clearance, if requested.
  6. District and principal approval (if a District employee).

7. Ability to consistently demonstrate and model the professional dispositions and ethics expected of teacher Candidates and University faculty and staff, as follows:
  - All individuals can learn
  - Belonging
  - Empathy
  - Growth Mindset
  - Communication
  - Integrity
  - Professionalism
  - Intellectual courage

**G. University Responsibilities.** University will:

1. Select qualified Candidates who have been prepared with the appropriate educational background, knowledge, skills, and professional disposition to participate in a Clinical Experience.
2. Provide Mentor Teacher with compensation for participation in Clinical Experience as described in this Agreement. The Mentor Teacher may also receive professional development hours connected to the successful completion of University, and any state required Mentor Teacher training.
3. Be responsible for the selection, assignment, training, and compensation of Clinical Supervisors.
4. Require Candidates to have a fully cleared background check acceptable to District prior to participating in Clinical Experience activities.
5. Where required by state regulation or District policy, ensure Candidates have a current tuberculosis (TB) risk assessment and/or examination. Upon request, Candidates will be required to provide documentation to District prior to participating in a Clinical Experience.
6. Provide opportunities for feedback regarding improvement of University Candidate preparation.
7. Provide professional development training to Mentor Teachers regarding University processes and procedures.
8. Maintain an online site for support, resources, and training for Mentor Teachers.
9. Facilitate a cohort seminar in which teacher Candidates will participate with a community of peers to receive support during Student Teaching and the final performance assessment.
10. Maintain general responsibility for instruction, academic evaluation, and related academic matters concerning Candidate participation in the Clinical Experience, including evaluation and grading.

**H. District Responsibilities.** District, or school administrator, will:

1. Nominate one or more qualified Mentor Teacher(s) by providing a completed copy of the Mentor Teacher Nomination Form to University's Field Placement Team.
2. Allow the Clinical Supervisor access to the host school and classroom, including virtual settings, for the specific purpose of observing Candidates.
3. Where applicable and where a Teacher Candidate will serve as a contracted teacher, District agrees to provide a Mentor Teacher during Student Teaching.
4. University utilizes video recordings for both observations and teacher performance assessments. District agrees to allow video recording and/or live streaming for completion of observations and teacher performance assessments for all University programs. (See **Exhibit A** for details regarding video recordings.)
5. Notify University about any changes to District policies (e.g., COVID and other healthcare policies).
6. Provide Candidates with any District policies and procedures to which Candidates are expected to adhere during the Clinical Experience and while on District premises.
7. Through the involvement of the Mentor Teacher and/or school administrator, participate with the Clinical Supervisor and teacher Candidates in two evaluations: one mid-way through Student Teaching, and a final evaluation at the end of Student Teaching. University shall be responsible for the format of evaluations.
  - See Advanced Programs Practicum section below for evaluation requirements for Educational Leadership, English Language Learning, and Master of Special Education.

8. Provide Candidates opportunities to observe, assist, tutor, instruct, implement effective teaching strategies, and conduct research, as appropriate, during the Clinical Experience.
9. Provide opportunities, when possible and appropriate, for Candidates to use technology to enhance student learning and monitor student progress and growth.
10. Provide opportunities, when possible and appropriate, for Candidates to experience working with diverse student populations, including English language learners and students with exceptional learning needs.
11. Encourage Mentor Teachers to participate in University's training to understand University policies, processes, procedures, and how to effectively mentor adult learners.
12. Encourage administrators and Mentor Teachers to participate in University feedback surveys (offered at the end of the Clinical Experience) to report on Candidate quality and preparation and to provide program feedback to University for continuous improvement.
13. Adhere to any then-applicable state requirements related to training/professional development.
14. *For California Districts Only:* Require Cooperating Teachers to complete and document training/professional development equivalent to ten (10) hours that includes: a two (2)-hour orientation to the program curriculum, and eight (8) hours of training in effective supervision approaches such as cognitive coaching, adult learning theory, and current content-specific pedagogy and instructional practices (as required by the CTC).

**I. Advanced Programs Practicum.** The following additional requirements apply to Advanced Programs Practicum:

1. Candidates are licensed teachers who are in most cases completing the Practicum in their own classroom using a qualified individual within their school as a Clinical Supervisor who meets the applicable qualifications and requirements.
2. Each Candidate will:
  - have a relationship with the school and arrange placement by obtaining District approval.
  - secure his/her own Clinical Supervisor, subject to approval of University's Field Experience team to ensure the Clinical Supervisor meets program requirements.
  - provide a valid background clearance, liability insurance, and teaching license.
  - comply with any other applicable District requirements.
3. Evaluations of Candidates are as follows:
  - Educational Leadership - 4 total (2 evaluations during the first Practicum course, and 2 during the second Practicum course)
  - English Language Learning - 3 total (2 observations and 1 final evaluation)

**J. Confidentiality & Education Records**

1. District acknowledges that the education records of assigned Candidates are protected by the Family Educational Rights and Privacy Act (FERPA), and agrees to comply with FERPA and limit access to those employees or agents with a need to know. Pursuant to FERPA, and for the purposes of this Agreement, University designates District as a "school official" with a legitimate educational interest in such records.
2. University shall instruct Candidates of the necessity of maintaining the confidentiality of all District student records. District shall not grant Candidates or University employees access to individually identifiable student information unless the affected student's parent or guardian has first given written consent using a form approved by District that complies with FERPA and other applicable law.

**K. Additional Terms**

1. Term. This Agreement shall commence on the Effective Date and shall continue for three (3) years from the Effective Date, or until such time as either party gives the other party thirty (30) days advance written notice of its intent to terminate the Agreement. In the event of termination, any Candidates at District as of the date of such notice shall be permitted to complete their Student Teaching or Practicum.
2. Points of Contact. Each party shall designate a point of contact for communication and coordination of Student Teaching or Practicum. Contact information is set forth following the signature block.

3. Right to Accept or Terminate a Placement. District may refuse to accept for placement, or may terminate the placement, of any Candidate based upon its good faith determination that the Candidate is not meeting performance standards or is otherwise deemed unacceptable to District. In such cases, District shall notify University in writing and state the reasons for such decision.
4. Insurance.
  - University Insurance. University represents and warrants that it provides and maintains general liability insurance with limits of at least \$1,000,000 per occurrence and \$2,000,000 annual aggregate and, upon District's request, shall provide a certificate of insurance as evidence of coverage. University shall maintain, at its sole expense, workers' compensation insurance as required by law.
  - Professional Liability Insurance. Candidates will be responsible for procuring and maintaining, at their own expense, professional liability insurance for the duration of the Clinical Experience with minimum limits of either: (i) \$1,000,000 per occurrence and \$3,000,000 annual aggregate, or (ii) \$2,000,000 per occurrence and \$2,000,000 annual aggregate.
5. Status of Parties. Nothing in this Agreement is intended to or shall be construed to constitute an agency, employer/employee, partnership, or fiduciary relationship between the parties. Neither party will have the authority to, and will not, act as agent for or on behalf of the other party or represent or bind the other party in any manner. No Candidate or other third party shall be a beneficiary of, or have any right to enforce the terms of this Agreement.
6. Non-Discrimination. Each party agrees to comply with all applicable non-discrimination laws, and will accept, assign, supervise, and evaluate qualified Candidates regardless of race, sex, sexual orientation, religion, creed, national origin, age, disability, veteran status, or any other basis protected by law.
7. Entire Agreement. This Agreement represents the entire understanding between the parties relating to the subject matter and supersedes all prior oral or written agreements. This Agreement may be modified only in writing, signed by both parties.

The parties have executed this Agreement as of the Effective Date.

## **Exhibit A**

### **Video Recording**

1. Teacher Performance Assessment. District acknowledges that Candidates must complete a teacher performance assessment, which includes the submission of video recordings of themselves teaching in the classroom and of real artifacts (such as lesson plans, video, and student work samples). Recordings provide an avenue to evaluate performance and determine competency.
2. Clinical observation / Evaluation. University utilizes a secure, interactive, online, cloud-based platform to accommodate for the changing classroom environment and protect the health and safety of participants. Candidates upload recorded video submissions or participate in livestreams for feedback, scoring, and critiquing of video assignments, and Clinical Supervisors leave time-stamped feedback.
3. Guidelines. The following guidelines are provided to Candidates. District understands that Candidates are not employees or agents of University and that any further precautions regarding the privacy of District students should be agreed directly between the District and Candidates.

#### *Teacher Candidate Guidelines for Video Recordings*

- Secure appropriate permission from the parents/guardians of your students and from adults who appear in the video recording.
- To protect confidentiality, remove your name and use pseudonyms or general references (e.g., "the district") for your state, school, district, and Mentor Teacher. Mask or remove all names on any typed or written material (e.g., commentaries, lesson plans, student work samples) that could identify individuals or educator preparation programs. During video recording, use only the first names of students.
- You must follow appropriate protocol to submit recordings to University.
- You may not display the video publicly (i.e., personal websites, YouTube, Facebook).
- You may not use any part of the recordings for any personal or professional purposes outside of performance evaluation.
- You must destroy all video recordings once the evaluation is complete.

# YOUR BEST PATH TO EDUCATION SUCCESS.

## Online. Nonprofit. Accredited.

WGU was designed from the ground up to meet the needs of busy adults like you. The result? An innovative, accredited, affordable university that makes it easier for you to earn the credentials you need for the career you want.

### Tuition.

Tuition is charged per term. Terms are six months long and can begin on the first of any month.

Undergraduate programs..... \$3,475–\$3,950\*  
Graduate programs..... \$3,590–\$3,665\*

Some programs have per-term or one-time fees specific to that program's costs.

\*As of October 2022.

### Accreditation and awards.

WGU maintains regional accreditation, which is the highest standard recognized by the U.S. Department of Education.

WGU's Teachers College is accredited by CAEP, the only recognized national accreditor for educator preparation. WGU is the first competency-based online university to receive CAEP accreditation for its degree programs that lead to teacher licensure.

# A SMARTER WAY TO EARN YOUR DEGREE.

As a WGU student, you'll have every advantage:

## Unparalleled flexibility.

With no set log-in times, you can complete coursework on your schedule, whenever and wherever works best for you.

## Affordable tuition.

WGU's low, flat-rate tuition covers as many courses as you complete during a term and is less than what you'd pay at other universities.

## Accelerated progress.

You'll advance through your courses as quickly as you prove mastery of the material and skills, potentially saving you time and money.

## Personal attention.

You'll work one-on-one with dedicated faculty mentors who provide personalized coaching, guidance, and support from enrollment through graduation.

## Career relevance.

Because industry leaders and academic experts help design WGU's curriculum, you can be confident you'll gain the skills and knowledge that employers value.

## Teachers College degree programs.

### Programs Leading to Initial Teacher Licensure

#### B.A. and B.S. Programs

- Elementary Education
- Special Education and Elementary Education (Dual Licensure)
- Special Education (Mild to Moderate)
- Mathematics Education (Middle Grades and Secondary)
- Science Education (Middle Grades and Secondary, multiple disciplines)

**California Online Public Schools**  
A California Nonprofit Public Benefit Corporation  
Operating public charter schools

**RESOLUTION OF THE BOARD OF DIRECTORS  
TO AUTHORIZE BANK ACCOUNT(S)**

RESOLUTION NUMBER 6-24-1

WHEREAS, the California Online Public Schools Board of Directors has authorized its officers to set up and make changes to Bank Accounts for the Organization's use and,

WHEREAS, Bank policy can require corporations to provide a Board Resolution to open accounts, change signers or make other changes on existing accounts, and,

WHEREAS, other documents may be needed to open accounts and/or to change the corporation's bank accounts over to the combined corporation with the name California Online Public Schools,

NOW THEREFORE LET IT BE RESOLVED; that the California Online Public Schools Board of Directors hereby authorizes its officers to execute any documents required by the bank, and

LET IT BE FURTHER RESOLVED, that California Online Public Schools Board of Directors authorizes the following as signers on these accounts: Board President, Board Treasurer, Board Vice President, Board Secretary, Principals, Superintendent and Deputy Superintendent. Whoever holds these positions will be a Board authorized signer while s/he holds the office or position. All other previous signers will be removed. The current signers are listed below.

LET IT BE FURTHER RESOLVED, that in addition, further signers may be added or removed in the future with the written approval of any two officers of the Board of Directors and in accordance with bank policy. All signers will abide by the adopted California Online Public Schools fiscal policies and controls. This Resolution will take effect immediately.

Authorized signers for California Online Public Schools effective July, 2024:

Elaine Pavlich, Board President  
Diana Rivas, Board Vice President  
Michael Henjum, Board Treasurer  
Adam Pulsipher, Board Secretary  
Heather Tamayo, Middle School Principal  
Marcus White, Elementary School Principal  
Matthew Brockway, High School Principal  
Richard Savage, Superintendent  
Ricardo Romero, Deputy Superintendent

# California Online Public Schools

## Budget Presentation – FY24/25

# State Budget Process

# May Revise Highlights

# LCFF Increase

Cumulative increase in State COLA since FY18-19

**2024-25 COLA at May Proposal- 1.07%**

# Governor May Revised Update

This results in \$17,502 total per pupil spending and \$23,878 in all funds per pupil spending at May Revise, compared to \$17,653 total per pupil spending and \$23,519 all funds per pupil spending, from the Governor’s January Budget.

# Increases in the proposal

# Learning Recovery Proposals

Learning recovery initiatives funding to be spent by June 30, 2028

Original Entitlement  
(FY23): \$7.9B

Clawback (FY24): \$1.1B

Unspent LREBG now requires  
a plan, reported results  
included in LCAP (FY25-FY28)

# CA Trends

Source: School Services of California

# CalOps – FY25 Budget Highlights

- Budget balanced with **\$3.6M** surplus (**3.0%** of expenses)
- **1.07%** COLA projected for LCFF, based on Governor's May Revise
- ADA forecasted at **8,329**, **+0.5%** to current year

# Revenues - Specialty Funding

- Sunsetting of CARES Act funds removes **\$3.2M** compared with the current year
- However, State discretionary block grants are expected to more than offset this loss.
  - FY25 State Block Grant Revenue: **\$4.4M**
  - Grant Funds Held in Reserve: **\$8.4M**

# Cash Balance

- Strong cash balance for each monthly close
- No factoring built into budget
- Low point in August

# Three Year Forecasts

- **Revenue:** Next year is an increase from current year and projected to grow annually through FY27.
- **Expenses:** FY25 expected to increase 3% YOY as staff increases are offset by Pearson savings. Subsequent expense costs are expected to rise at a standard 2% COLA.
- **Surplus & Cash:** Positive and balanced across all three years

## SoCal FY24-25 Budget

## Monthly Cash Flow/Forecast FY26-27

Revised 5/29/24

ADA = 4919.64

## Revenues

## State Aid - Revenue Limit

8011 LCFF State Aid  
8012 Education Protection Account  
8096 In Lieu of Property Taxes

## Federal Revenue

8181 Special Education - Entitlement  
8290 Title I, Part A - Basic Low Income  
8291 Title II, Part A - Teacher Quality  
8294 Title V, Part B - PCSG

## Other State Revenue

8311 State Special Education  
8550 Mandated Cost  
8560 State Lottery  
8599 Other State Revenue

## Other Local Revenue

8660 Interest Revenue

## Total Revenue

## Expenses

## Certificated Salaries

1100 Teachers' Salaries  
1175 Teachers' Extra Duty/Stipends  
1200 Pupil Support Salaries  
1300 Administrators' Salaries

## Classified Salaries

2100 Instructional Salaries  
2300 Classified Administrators' Salaries  
2400 Clerical and Office Staff Salaries

## Benefits

3101 STRS  
3301 OASDI  
3311 Medicare  
3401 Health and Welfare  
3501 State Unemployment  
3601 Workers' Compensation  
3901 Other Benefits

## Books and Supplies

4100 Textbooks and Core Curricula Materials  
4200 Books and Other Reference Materials  
4302 School Supplies  
4305 Software  
4310 Office Expense  
4311 Business Meals  
4400 Noncapitalized Equipment

## **SAMPLE RESOLUTION REGARDING THE EDUCATION PROTECTION ACCOUNT**

**California Online Schools Southern California  
California Online Schools Northern California  
California Online Schools North Bay  
California Online Schools Monterey Bay  
California Online Schools Central Valley  
California Online Schools Central Coast**

**WHEREAS**, the voters approved Proposition 30 on November 6, 2012 and Proposition 55 on November 8, 2016;

**WHEREAS**, Proposition 30 added Article XIII, Section 36 to the California Constitution effective November 7, 2012 and Proposition 55 Article XIII, Section 36 to the California Constitution effective November 8, 2016 (commencing 01/01/2018);

**WHEREAS**, the provisions of Article XIII, Section 36(e) create in the state General Fund an Education Protection Account to receive and disburse the revenues derived from the incremental increases in taxes imposed by Article XIII, Section 36(f);

**WHEREAS**, before June 30<sup>th</sup> of each year, the Director of Finance shall estimate the total amount of additional revenues, less refunds that will be derived from the incremental increases in tax rates made pursuant to Article XIII, Section 36(f) that will be available for transfer into the Education Protection Account during the next fiscal year;

**WHEREAS**, if the sum determined by the State Controller is positive, the State Controller shall transfer the amount calculated into the Education Protection Account within ten days preceding the end of the fiscal year;

**WHEREAS**, all monies in the Education Protection Account are hereby continuously appropriated for the support of school districts, county offices of education, charter schools and community college districts;

**WHEREAS**, monies deposited in the Education Protection Account shall not be used to pay any costs incurred by the Legislature, the Governor or any agency of state government;

**WHEREAS**, a community college district, county office of education, school district, or charter school shall have the sole authority to determine how the monies received from the Education Protection Account are spent in the school or schools within its jurisdiction;

**WHEREAS**, the governing board of the district shall make the spending determinations with respect to monies received from the Education Protection Account in open session of a public meeting of the governing board;

**WHEREAS**, the monies received from the Education Protection Account shall not be used for salaries or benefits for administrators or any other administrative cost;

**WHEREAS**, each community college district, county office of education, school district and charter school shall annually publish on its Internet website an accounting of how much money was received from the Education Protection Account and how that money was spent;

**WHEREAS**, the annual independent financial and compliance audit required of community college districts, county offices of education, school districts and charter schools shall ascertain and verify whether the funds provided from the Education Protection Account have been properly disbursed and expended as required by Article XIII, Section 36 of the California Constitution;

**WHEREAS**, expenses incurred by community college districts, county offices of education, school districts and charter schools to comply with the additional audit requirements of Article XIII, Section 36 may be paid with funding from the Education

Protection Act and shall not be considered administrative costs for purposes of Article XIII, Section 36.

NOW, THEREFORE, IT IS HEREBY RESOLVED:

1. The monies received from the Education Protection Account shall be spent as required by Article XIII, Section 36 and the spending determinations on how the money will be spent shall be made in open session of a public meeting of the governing board of California Online Public Schools (CalOPS);

2. In compliance with Article XIII, Section 36(e), with the California Constitution, the governing board of the California Online Public Schools (CalOPS) has determined to spend the monies received from the Education Protection Act as attached.

Status: Certified  
Saved by: charter impact  
Date: 5/30/2024 5:09 PM**2024–25 Certification of Assurances**

Submission of Certification of Assurances is required every fiscal year. A complete list of legal and program assurances for the fiscal year can be found at <https://www.cde.ca.gov/fg/aa/co/ca24assurance.toc.asp>.

**CDE Program Contact:**Consolidated Application Support Desk, Education Data Office, [ConAppSupport@cde.ca.gov](mailto:ConAppSupport@cde.ca.gov), 916-319-0297**Consolidated Application Certification Statement**

I hereby certify that all of the applicable state and federal rules and regulations will be observed by this applicant; that to the best of my knowledge the information contained in this application is correct and complete; and I agree to participate in the monitoring process regarding the use of these funds according to the standards and criteria set forth by the California Department of Education Federal Program Monitoring (FPM) Office. Legal assurances for all programs are accepted as the basic legal condition for the operation of selected projects and programs and copies of assurances are retained on site. I certify that we accept all assurances except for those for which a waiver has been obtained or requested. A copy of all waivers or requests is on file. I certify that actual ink signatures for this form are on file.

Every Student Succeeds Act (ESSA) Section 8524 specifies federal requirements regarding constitutionally protected prayer in public elementary and secondary schools. This form meets the annual requirement and provides written certification.

**CDE Program Contact:**Miguel Cordova, Title I Policy, Program, and Support Office, [MCordova@cde.ca.gov](mailto:MCordova@cde.ca.gov), 916-319-0381**Protected Prayer Certification Statement**

The local educational agency (LEA) hereby assures and certifies to the California State Board of Education that the LEA has no policy that prevents, or otherwise denies participation in, constitutionally protected prayer in public schools as set forth in the "Guidance on Constitutionally Protected Prayer in Public Elementary and Secondary Schools."

The LEA hereby assures that this page has been printed and contains an ink signature. The ink signature copy shall be made available to the California Department of Education upon request or as part of an audit, a compliance review, or a complaint investigation.

Date: 5/23/2024 5:29 AM**2024–25 LCAP Federal Addendum Certification****CDE Program Contact:**Local Agency Systems Support Office, [LCAPAddendum@cde.ca.gov](mailto:LCAPAddendum@cde.ca.gov), 916-323-5233**Initial Application**

To receive initial funding under the Every Student Succeeds Act (ESSA), a local educational agency (LEA) must have a plan approved by the State Educational Agency on file with the State. Within California, LEAs that apply for ESSA funds for the first time are required to complete the Local Control and Accountability Plan (LCAP), the LCAP Federal Addendum Template (Addendum), and the Consolidated Application (ConApp). The LCAP, in conjunction with the Addendum and the ConApp, serve to meet the requirements of the ESSA LEA Plan.

In order to initially apply for funds, the LEA must certify that the current LCAP has been approved by the local governing board or governing body of the LEA. As part of this certification, the LEA agrees to submit the LCAP Federal Addendum, that has been approved by the local governing board or governing body of the LEA, to the California Department of Education (CDE) and acknowledges that the LEA agrees to work with the CDE to ensure that the Addendum addresses all required provisions of the ESSA programs for which they are applying for federal education funds.

**Returning Application**

If the LEA certified a prior year LCAP Federal Addendum Certification data collection form in the Consolidated Application and Reporting System, then the LEA may use in this form the same original approval or adoption date used in the prior year form.

## 2024–25 Substitute System for Time Accounting

This certification may be used by auditors and by California Department of Education oversight personnel when conducting audits and sub-recipient monitoring of the substitute time-and-effort system. Approval is automatically granted when the local educational agency (LEA) submits and certifies this data collection.

**CDE Program Contact:**

Hilary Thomson, Fiscal Oversight and Support Office, [HThomson@cde.ca.gov](mailto:HThomson@cde.ca.gov), 916-323-0765

The LEA certifies that only eligible employees will participate in the substitute system and that the system used to document employee work schedules includes sufficient controls to ensure that the schedules are accurate.

Detailed information on documenting salaries and wages, including both substitute systems of time accounting, are described in Procedure 905 of the California School Accounting Manual posted on the web at <https://www.cde.ca.gov/fg/ac/sa/>.

|   |    |
|---|----|
| 2024–25 Request for authorization   | No |
| LEA certifies that the following is a full disclosure of any known deficiencies with the substitute system or known challenges with implementing the system<br>(Maximum 500 characters) |    |

Date: 5/30/2024 5:10 PM**2023–24 Homeless Education Policy, Requirements, and Implementation**

The purpose of this data collection is to meet federal requirements specified in 42 United States Code 11431 et seq. (Education for Homeless Children and Youths Act) and some federal requirements in Title I, Part A of the Elementary and Secondary Education Act (ESEA). This collection includes monitoring local educational agencies (LEAs) and their compliance with key provisions of the Education for Homeless Children and Youths Act including the collection of contact information for each required designated LEA's homeless liaison.

**CDE Program Contact:**

Karmina Barrales, Integrated Student Support and Programs Office, [KBarrales@cde.ca.gov](mailto:KBarrales@cde.ca.gov), 916-327-9692

**Homeless Education Certification**

The LEA hereby assures that the LEA has met the following requirements:

1. Designated a staff person as the liaison for homeless children and youths;
2. Developed a written policy that supports the enrollment and retention of homeless children and youths in schools of the LEA which:
  - a) Includes policies and practices to ensure that homeless children and youths are not stigmatized or segregated on the basis of their status as homeless;
  - b) Includes a dispute resolution process;
  - c) Ensures that transportation is provided for a homeless child or youth to and from the school of origin if requested by the parent, guardian or homeless liaison;
3. Disseminated public notice of the educational rights of homeless children and youths where such children and youths receive services under the provisions of the Education for Homeless Children and Youths Act.

Date: 5/23/2024 6:01 AM**2024–25 LCAP Federal Addendum Certification****CDE Program Contact:**Local Agency Systems Support Office, [LCAPAddendum@cde.ca.gov](mailto:LCAPAddendum@cde.ca.gov), 916-323-5233**Initial Application**

To receive initial funding under the Every Student Succeeds Act (ESSA), a local educational agency (LEA) must have a plan approved by the State Educational Agency on file with the State. Within California, LEAs that apply for ESSA funds for the first time are required to complete the Local Control and Accountability Plan (LCAP), the LCAP Federal Addendum Template (Addendum), and the Consolidated Application (ConApp). The LCAP, in conjunction with the Addendum and the ConApp, serve to meet the requirements of the ESSA LEA Plan.

In order to initially apply for funds, the LEA must certify that the current LCAP has been approved by the local governing board or governing body of the LEA. As part of this certification, the LEA agrees to submit the LCAP Federal Addendum, that has been approved by the local governing board or governing body of the LEA, to the California Department of Education (CDE) and acknowledges that the LEA agrees to work with the CDE to ensure that the Addendum addresses all required provisions of the ESSA programs for which they are applying for federal education funds.

**Returning Application**

If the LEA certified a prior year LCAP Federal Addendum Certification data collection form in the Consolidated Application and Reporting System, then the LEA may use in this form the same original approval or adoption date used in the prior year form.

**Homeless Education Certification**

The LEA hereby assures that the LEA has met the following requirements:

1. Designated a staff person as the liaison for homeless children and youths;
2. Developed a written policy that supports the enrollment and retention of homeless children and youths in schools of the LEA which:
  - a) Includes policies and practices to ensure that homeless children and youths are not stigmatized or segregated on the basis of their status as homeless;
  - b) Includes a dispute resolution process;
  - c) Ensures that transportation is provided for a homeless child or youth to and from the school of origin if requested by the parent, guardian or homeless liaison;
3. Disseminated public notice of the educational rights of homeless children and youths where such children and youths receive services under the provisions of the Education for Homeless Children and Youths Act.

Date: 5/30/2024 4:23 PM**2024–25 LCAP Federal Addendum Certification****CDE Program Contact:**Local Agency Systems Support Office, [LCAPAddendum@cde.ca.gov](mailto:LCAPAddendum@cde.ca.gov), 916-323-5233**Initial Application**

To receive initial funding under the Every Student Succeeds Act (ESSA), a local educational agency (LEA) must have a plan approved by the State Educational Agency on file with the State. Within California, LEAs that apply for ESSA funds for the first time are required to complete the Local Control and Accountability Plan (LCAP), the LCAP Federal Addendum Template (Addendum), and the Consolidated Application (ConApp). The LCAP, in conjunction with the Addendum and the ConApp, serve to meet the requirements of the ESSA LEA Plan.

In order to initially apply for funds, the LEA must certify that the current LCAP has been approved by the local governing board or governing body of the LEA. As part of this certification, the LEA agrees to submit the LCAP Federal Addendum, that has been approved by the local governing board or governing body of the LEA, to the California Department of Education (CDE) and acknowledges that the LEA agrees to work with the CDE to ensure that the Addendum addresses all required provisions of the ESSA programs for which they are applying for federal education funds.

**Returning Application**

If the LEA certified a prior year LCAP Federal Addendum Certification data collection form in the Consolidated Application and Reporting System, then the LEA may use in this form the same original approval or adoption date used in the prior year form.

**Homeless Education Certification**

The LEA hereby assures that the LEA has met the following requirements:

1. Designated a staff person as the liaison for homeless children and youths;
2. Developed a written policy that supports the enrollment and retention of homeless children and youths in schools of the LEA which:
  - a) Includes policies and practices to ensure that homeless children and youths are not stigmatized or segregated on the basis of their status as homeless;
  - b) Includes a dispute resolution process;
  - c) Ensures that transportation is provided for a homeless child or youth to and from the school of origin if requested by the parent, guardian or homeless liaison;
3. Disseminated public notice of the educational rights of homeless children and youths where such children and youths receive services under the provisions of the Education for Homeless Children and Youths Act.

Date: 5/23/2024 9:52 AM**2024–25 LCAP Federal Addendum Certification****CDE Program Contact:**Local Agency Systems Support Office, [LCAPAddendum@cde.ca.gov](mailto:LCAPAddendum@cde.ca.gov), 916-323-5233**Initial Application**

To receive initial funding under the Every Student Succeeds Act (ESSA), a local educational agency (LEA) must have a plan approved by the State Educational Agency on file with the State. Within California, LEAs that apply for ESSA funds for the first time are required to complete the Local Control and Accountability Plan (LCAP), the LCAP Federal Addendum Template (Addendum), and the Consolidated Application (ConApp). The LCAP, in conjunction with the Addendum and the ConApp, serve to meet the requirements of the ESSA LEA Plan.

In order to initially apply for funds, the LEA must certify that the current LCAP has been approved by the local governing board or governing body of the LEA. As part of this certification, the LEA agrees to submit the LCAP Federal Addendum, that has been approved by the local governing board or governing body of the LEA, to the California Department of Education (CDE) and acknowledges that the LEA agrees to work with the CDE to ensure that the Addendum addresses all required provisions of the ESSA programs for which they are applying for federal education funds.

**Returning Application**

If the LEA certified a prior year LCAP Federal Addendum Certification data collection form in the Consolidated Application and Reporting System, then the LEA may use in this form the same original approval or adoption date used in the prior year form.

**2024–25 Substitute System for Time Accounting**

This certification may be used by auditors and by California Department of Education oversight personnel when conducting audits and sub-recipient monitoring of the substitute time-and-effort system. Approval is automatically granted when the local educational agency (LEA) submits and certifies this data collection.

**CDE Program Contact:**Hilary Thomson, Fiscal Oversight and Support Office, [HThomson@cde.ca.gov](mailto:HThomson@cde.ca.gov), 916-323-0765

The LEA certifies that only eligible employees will participate in the substitute system and that the system used to document employee work schedules includes sufficient controls to ensure that the schedules are accurate.

Detailed information on documenting salaries and wages, including both substitute systems of time accounting, are described in Procedure 905 of the California School Accounting Manual posted on the web at <https://www.cde.ca.gov/fg/ac/sa/>.

Date: 5/30/2024 5:05 PM**2023–24 Homeless Education Policy, Requirements, and Implementation**

The purpose of this data collection is to meet federal requirements specified in 42 United States Code 11431 et seq. (Education for Homeless Children and Youths Act) and some federal requirements in Title I, Part A of the Elementary and Secondary Education Act (ESEA). This collection includes monitoring local educational agencies (LEAs) and their compliance with key provisions of the Education for Homeless Children and Youths Act including the collection of contact information for each required designated LEA's homeless liaison.

**CDE Program Contact:**

**Homeless Education Certification**

The LEA hereby assures that the LEA has met the following requirements:

1. Designated a staff person as the liaison for homeless children and youths;
2. Developed a written policy that supports the enrollment and retention of homeless children and youths in schools of the LEA which:
  - a) Includes policies and practices to ensure that homeless children and youths are not stigmatized or segregated on the basis of their status as homeless;
  - b) Includes a dispute resolution process;
  - c) Ensures that transportation is provided for a homeless child or youth to and from the school of origin if requested by the parent, guardian or homeless liaison;
3. Disseminated public notice of the educational rights of homeless children and youths where such children and youths receive services under the provisions of the Education for Homeless Children and Youths Act.

Date: 5/23/2024 7:32 AM**2024–25 LCAP Federal Addendum Certification****CDE Program Contact:**Local Agency Systems Support Office, [LCAPAddendum@cde.ca.gov](mailto:LCAPAddendum@cde.ca.gov), 916-323-5233**Initial Application**

To receive initial funding under the Every Student Succeeds Act (ESSA), a local educational agency (LEA) must have a plan approved by the State Educational Agency on file with the State. Within California, LEAs that apply for ESSA funds for the first time are required to complete the Local Control and Accountability Plan (LCAP), the LCAP Federal Addendum Template (Addendum), and the Consolidated Application (ConApp). The LCAP, in conjunction with the Addendum and the ConApp, serve to meet the requirements of the ESSA LEA Plan.

In order to initially apply for funds, the LEA must certify that the current LCAP has been approved by the local governing board or governing body of the LEA. As part of this certification, the LEA agrees to submit the LCAP Federal Addendum, that has been approved by the local governing board or governing body of the LEA, to the California Department of Education (CDE) and acknowledges that the LEA agrees to work with the CDE to ensure that the Addendum addresses all required provisions of the ESSA programs for which they are applying for federal education funds.

**Returning Application**

If the LEA certified a prior year LCAP Federal Addendum Certification data collection form in the Consolidated Application and Reporting System, then the LEA may use in this form the same original approval or adoption date used in the prior year form.

Date: 5/30/2024 5:05 PM**2023–24 Homeless Education Policy, Requirements, and Implementation**

The purpose of this data collection is to meet federal requirements specified in 42 United States Code 11431 et seq. (Education for Homeless Children and Youths Act) and some federal requirements in Title I, Part A of the Elementary and Secondary Education Act (ESEA). This collection includes monitoring local educational agencies (LEAs) and their compliance with key provisions of the Education for Homeless Children and Youths Act including the collection of contact information for each required designated LEA's homeless liaison.

**CDE Program Contact:**

**Homeless Education Certification**

The LEA hereby assures that the LEA has met the following requirements:

1. Designated a staff person as the liaison for homeless children and youths;
2. Developed a written policy that supports the enrollment and retention of homeless children and youths in schools of the LEA which:
  - a) Includes policies and practices to ensure that homeless children and youths are not stigmatized or segregated on the basis of their status as homeless;
  - b) Includes a dispute resolution process;
  - c) Ensures that transportation is provided for a homeless child or youth to and from the school of origin if requested by the parent, guardian or homeless liaison;
3. Disseminated public notice of the educational rights of homeless children and youths where such children and youths receive services under the provisions of the Education for Homeless Children and Youths Act.

Date: 5/23/2024 8:29 AM**2024–25 LCAP Federal Addendum Certification****CDE Program Contact:**Local Agency Systems Support Office, [LCAPAddendum@cde.ca.gov](mailto:LCAPAddendum@cde.ca.gov), 916-323-5233**Initial Application**

To receive initial funding under the Every Student Succeeds Act (ESSA), a local educational agency (LEA) must have a plan approved by the State Educational Agency on file with the State. Within California, LEAs that apply for ESSA funds for the first time are required to complete the Local Control and Accountability Plan (LCAP), the LCAP Federal Addendum Template (Addendum), and the Consolidated Application (ConApp). The LCAP, in conjunction with the Addendum and the ConApp, serve to meet the requirements of the ESSA LEA Plan.

In order to initially apply for funds, the LEA must certify that the current LCAP has been approved by the local governing board or governing body of the LEA. As part of this certification, the LEA agrees to submit the LCAP Federal Addendum, that has been approved by the local governing board or governing body of the LEA, to the California Department of Education (CDE) and acknowledges that the LEA agrees to work with the CDE to ensure that the Addendum addresses all required provisions of the ESSA programs for which they are applying for federal education funds.

**Returning Application**

If the LEA certified a prior year LCAP Federal Addendum Certification data collection form in the Consolidated Application and Reporting System, then the LEA may use in this form the same original approval or adoption date used in the prior year form.

The local educational agency (LEA) is required to review and receive approval of their Application for Funding selections with their local governing board.

|   |     |
|---|-----|
| By checking this box the LEA certifies that the Local Board has approved the Application for Funding for the listed fiscal year | Yes |
|---|-----|

**District English Learner Advisory Committee Review**

Per Title 5 of the California Code of Regulations Section 11308, if your LEA has more than 50 English learners, then the LEA must establish a District English Learner Advisory Committee (DELAC) which shall review and advise on the development of the application for funding programs that serve English learners.

|   |     |
|---|-----|
| By checking this box the LEA certifies that parent input has been received from the District English Learner Committee (if applicable) regarding the spending of Title III funds for the listed fiscal year | Yes |
|---|-----|

**Application for Categorical Programs**

To receive specific categorical funds for a school year, the LEA must apply for the funds by selecting Yes below. Only the categorical funds that the LEA is eligible to receive are displayed.

**2024–25 Substitute System for Time Accounting**

This certification may be used by auditors and by California Department of Education oversight personnel when conducting audits and sub-recipient monitoring of the substitute time-and-effort system. Approval is automatically granted when the local educational agency (LEA) submits and certifies this data collection.

**CDE Program Contact:**Hilary Thomson, Fiscal Oversight and Support Office, [HThomson@cde.ca.gov](mailto:HThomson@cde.ca.gov), 916-323-0765

The LEA certifies that only eligible employees will participate in the substitute system and that the system used to document employee work schedules includes sufficient controls to ensure that the schedules are accurate.

Detailed information on documenting salaries and wages, including both substitute systems of time accounting, are described in Procedure 905 of the California School Accounting Manual posted on the web at <https://www.cde.ca.gov/fg/ac/sa/>.

Date: 5/30/2024 3:01 PM**2023–24 Homeless Education Policy, Requirements, and Implementation**

The purpose of this data collection is to meet federal requirements specified in 42 United States Code 11431 et seq. (Education for Homeless Children and Youths Act) and some federal requirements in Title I, Part A of the Elementary and Secondary Education Act (ESEA). This collection includes monitoring local educational agencies (LEAs) and their compliance with key provisions of the Education for Homeless Children and Youths Act including the collection of contact information for each required designated LEA's homeless liaison.

**Homeless Education Certification**

The LEA hereby assures that the LEA has met the following requirements:

1. Designated a staff person as the liaison for homeless children and youths;
2. Developed a written policy that supports the enrollment and retention of homeless children and youths in schools of the LEA which:
  - a) Includes policies and practices to ensure that homeless children and youths are not stigmatized or segregated on the basis of their status as homeless;
  - b) Includes a dispute resolution process;
  - c) Ensures that transportation is provided for a homeless child or youth to and from the school of origin if requested by the parent, guardian or homeless liaison;
3. Disseminated public notice of the educational rights of homeless children and youths where such children and youths receive services under the provisions of the Education for Homeless Children and Youths Act.

## Goals and Actions

### Goal

| Goal # | Description  |
|--------|--|
| 1      | All students will learn and achieve in a safe, secure, effective, and rigorous learning environment. |

### Measuring and Reporting Results

| Metric   | Baseline  | Year 1 Outcome   | Year 2 Outcome  | Year 3 Outcome  | Desired Outcome for 2023–24  |
|--|---|--|---|---|--|
|  |   |  |   |   |  |
| The median percent progress towards Typical Growth in Reading as measured by i-Ready | In 2019-2020, the median percent progress towards Typical Growth in Reading was 80% | In 2020-2021, the median percent progress towards Typical Growth in Reading was 100% | In 2021-2022, the median percent progress towards Typical Growth in Reading was 83% | In 2023-2024, the median percent progress towards Typical Growth after the first two diagnostics (through month 6) in Reading was 67.5% | The desired outcome for 2023-2024, the median percent progress towards Typical Growth in Reading will be 84.7% |
| The median percent progress towards Typical Growth in Math as measured by i-Ready    | In 2019-2020, the median percent progress towards Typical Growth in Math was 71%    | In 2020-2021, the median percent progress towards Typical Growth in Math was 86%     | In 2021-2022, the median percent progress towards Typical Growth in Math was 79%    | In 2023-2024, the median percent progress towards Typical Growth after the first two diagnostics (through month 6) in Math was 57%      | The desired outcome for 2023-2024, the median percent progress towards Typical Growth in Math will be 81.1%    |
| Increase English Learner reclassification rates                                      | No baseline   | In 2021-2022 the RFEP rate was 50%   | In 2022-2023 the RFEP rate was 20%  | In January 2024 the RFEP rate is 0%   | The desired outcome for 2023-2024 is an RFEP rate of 28%   |

### Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

The comprehensive execution of our outlined actions has been achieved in accordance with the plan, however, we understand the need for consistency and continued growth.

Previous Year Implementation:

Action 1: The median percent progress towards Typical Growth in Reading, as measured by i-Ready, was tracked throughout the previous cycle. Students' progress towards meeting typical growth expectations in reading was monitored regularly using i-Ready assessments. This data provided insights into individual student growth and overall trends in reading proficiency within the learning environment.

Action 2: Similarly, the median percent progress towards Typical Growth in Math, as measured by i-Ready, was monitored consistently. Students' progress in math proficiency was assessed using i-Ready assessments, allowing educators to identify areas of strength and weakness in mathematical skills and adjust instruction accordingly.

Action 3: Efforts were made to increase English Learner reclassification rates, indicating progress towards providing effective language support and instruction. Strategies such as targeted English language development programs and individualized support for English Learners were implemented to facilitate their progress towards proficiency and subsequent reclassification.

Substantive Differences in Planned Actions vs. Actual Implementation:

Action 1 & 2: While the planned actions for monitoring progress in reading and math proficiency were carried out as intended, there have been variances in the degree of implementation across different grade levels or student populations. It's essential to assess whether all subgroups received equitable support and resources to ensure consistent progress towards typical growth.

Action 3: The planned action to increase English Learner reclassification rates has encountered challenges related to resource allocation, language support services, or individual student needs. Substantive differences may exist in the extent to which specific strategies were effective in facilitating English Learner progress and reclassification.

Overall, the analysis of actual outcome data, including i-Ready assessments and English Learner reclassification rates, provides insights into the effectiveness of the planned actions in creating a safe, secure, effective, and rigorous learning environment for all students. Evaluating progress towards typical growth in reading and math, as well as English Learner reclassification rates, allows for targeted interventions and adjustments to instructional practices to ensure that all students have the opportunity to learn and achieve.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

In some cases, there is variation in the budgeted and estimated actuals as a result of changes in personnel costs. We will continue to ensure students in all areas and levels are able to utilize the services provided as well.

The overall implementation of actions to achieve the articulated goal involved navigating various challenges while striving for success.

Despite material differences between budgeted and actual expenditures and planned vs. actual percentages of improved services, we demonstrated resilience and adaptability in addressing the needs of all students within the learning environment.

## An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

During the three-year LCAP cycle, the specific actions implemented to achieve the goal of ensuring all students learn and achieve in a safe, secure, effective, and rigorous learning environment have demonstrated varying degrees of effectiveness:

### Monitoring Progress in Reading and Math:

**Effectiveness:** The action of monitoring progress in reading and math using i-Ready assessments has generally been effective in providing valuable data for identifying areas of improvement and informing instructional practices. Regular assessment allowed educators to track individual student growth and adjust interventions accordingly.

**Ineffectiveness:** However, there were instances where the effectiveness of this action was hindered by challenges such as inconsistent participation in assessments, logistical hurdles in administering assessments, and difficulties in interpreting and utilizing assessment data effectively. These challenges may have led to less accurate or timely interventions for students in need of support.

### Increasing English Learner Reclassification Rates:

**Effectiveness:** Efforts to increase English Learner reclassification rates have shown some effectiveness, particularly through the implementation of targeted English language development programs and individualized support for English Learners. Progress has been observed in some cohorts of English Learners, indicating that these interventions have had a positive impact.

**Ineffectiveness:** Despite efforts, there were some challenges in achieving significant increases in reclassification rates across all English Learner subgroups. Limited resources, staffing constraints, and the complexity of language acquisition for diverse student populations may have contributed to the ineffectiveness of this action in producing desired results uniformly across all student groups in all cycle years.

Overall, while the specific actions undertaken during the three-year LCAP cycle have shown varying degrees of effectiveness, there is room for improvement in ensuring consistent progress towards the goal. Addressing challenges such as resource allocation, data interpretation, and targeted support for diverse student populations will be essential for enhancing the effectiveness of future actions aimed at achieving the goal of creating a conducive learning environment for all students.

## A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

Reflecting on prior practice, our school has identified areas for refinement and enhancement in pursuit of our goal. As a result, several adjustments have been made for the coming year:

### Goal Refinement:

While maintaining our overarching goal of ensuring all students learn and achieve in a safe, secure, effective, and rigorous learning environment, we have refined our focus to emphasize sustained growth and consistency over time. This shift underscores our commitment to continuous improvement and long-term student success.

### Metrics and Desired Outcomes:

In response to fluctuations observed in previous years, we have revised our metrics and desired outcomes to prioritize consistency and sustainable growth. Rather than solely focusing on short-term progress, we will place greater emphasis on trajectory and trend analysis to ensure that our efforts result in enduring improvements.

### Actions:

Building upon our reflections on prior practice, we have identified specific actions to enhance the effectiveness of our initiatives:

**Adjustment to i-Ready Diagnostic Proctoring:** We will implement revised procedures for administering i-Ready diagnostic assessments to ensure greater reliability and validity of data collection. This will enable more accurate monitoring of student progress and early identification of areas requiring intervention.

**Early Review of Typical i-Ready Growth:** To proactively monitor our progress towards growth targets, we will conduct an early review of Typical i-Ready growth during diagnostic 2. This will allow us to promptly identify deviations from our growth plan and make necessary adjustments to stay on course.

**Development and Refinement of ELD Plan:** Recognizing the importance of providing targeted support to English Learners, we will further develop and refine our English Language Development (ELD) plan. This includes the hiring of additional ELD teachers to better serve the needs of our ELD students and their families, fostering growth and proficiency in English language skills.

These changes reflect our commitment to leveraging insights from prior practice to refine our strategies and actions for the coming year. By focusing on sustainability, consistency, and targeted support, we aim to maximize the impact of our efforts in creating an inclusive and conducive learning environment for all students.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Goals and Actions

### Goal

| Goal # | Description  |
|--------|--|
| 2      | All stakeholder groups will demonstrate active engagement in the school program. |

### Measuring and Reporting Results

| Metric                                    | Baseline   | Year 1 Outcome   | Year 2 Outcome   | Year 3 Outcome   | Desired Outcome for 2023–24   |
|---|--|--|--|--|---|
| Maintain a high rate of biweekly contacts | In 2019-2020, the average biweekly contact rate was 82.7%      | In 2020-2021, the average biweekly contact rate was 94.9%      | In 2021-2022, the average biweekly contact rate was 99.3%      | As of January 2024, the average biweekly contact rate was 98%. | The desired outcome for 2023-2024 is an average biweekly contact rate of 99.37%         |
| Decrease chronic absenteeism              | The 2020-2021 chronic absenteeism rate after month 7 was 6.44% | The 2021-2022 chronic absenteeism rate after month 7 was 6.95% | The 2022-2023 chronic absenteeism rate after month 7 was 5.16% | The chronic absenteeism rate after month 3 was 4.05%           | The desired outcome for 2023-2024 month 7 chronic absenteeism rate will be less than 5% |
| Maintain a low suspension rate            | The 2019-2020 suspension rate was 0%                           | The 2020-2021 suspension rate was 0%                           | The 2021-2022 suspension rate was 0%                           | As of January 2024, our suspension rate was 0%.                | The desired outcome for 2023-2024 is 0%   |

### Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

The comprehensive execution of our outlined actions and services has been achieved in accordance with the plan.

Previous Year Implementation:

Biweekly Contact (Action 1): The implementation of biweekly contact, including both in-person and virtual engagement, was highly successful. The high rate of contact indicates a proactive approach to staying connected with students and fostering ongoing communication between the school and families.

Chronic Absenteeism (Action 2): While efforts to decrease chronic absenteeism were made, the effectiveness of this action was marginal, resulting in less significant improvements. Despite initiatives to address absenteeism, some challenges may have persisted, contributing to limited progress in reducing absentee rates.

Suspension Rate (Action 3): The maintenance of a low suspension rate was achieved, indicating successful efforts to promote positive behavior and resolve disciplinary issues through alternative means.

Substantive Differences in Planned Actions vs. Actual Implementation:

Biweekly Contact (Action 1): The planned action to maintain a high rate of biweekly contacts was successfully implemented as described, with both in-person and virtual engagement strategies effectively utilized. The high rate of contact suggests a commitment to fostering strong connections with students and families, promoting engagement in the school program.

Chronic Absenteeism (Action 2): While the planned action aimed to decrease chronic absenteeism, the actual implementation yielded marginal effectiveness. Despite efforts, chronic absenteeism rates may not have decreased as significantly as anticipated for all student groups, indicating a need for further targeted interventions and support mechanisms to address underlying causes of absenteeism.

Suspension Rate (Action 3): The planned action to maintain a low suspension rate was achieved, reflecting successful implementation efforts to promote positive behavior and address disciplinary issues proactively. However, it's crucial to sustain these efforts to ensure continued success in maintaining a safe and supportive learning environment.

In summary, while the implementation of biweekly contact and maintenance of a low suspension rate was highly successful, efforts to decrease chronic absenteeism showed varying degrees of effectiveness for the different student groups. Addressing challenges related to absenteeism will be crucial for achieving desired outcomes in these areas in the future.

#### An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Material differences between budgeted and actual expenditures may have arisen due to unforeseen expenses such as additional staffing for support services or professional development for staff training.

Adjustments to the budget may have been necessary to accommodate unexpected costs or reallocate resources to address emerging needs, resulting in differences between budgeted and actual expenditures.

Planned Percentages of Improved Services vs. Estimated Actual Percentages of Improved Services:

Material differences between planned and actual percentages of improved services may have occurred due to challenges in fully implementing planned actions or achieving desired outcomes.

Factors such as limited resources, logistical constraints, and unforeseen circumstances may have impacted the ability to deliver services as planned, resulting in disparities between planned and actual percentages of improved services.

In summary, while the implementation of actions to achieve the articulated goal encountered challenges, successes were also observed.

Material differences between budgeted and actual expenditures and planned vs. actual percentages of improved services may reflect the dynamic nature of addressing complex educational issues and the need for flexibility in resource allocation.

## An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

During the three-year LCAP cycle, the effectiveness of specific actions in making progress toward the articulated goal varied:

### Biweekly Contact:

**Effectiveness:** The action of maintaining high rates of biweekly contact, including in-person and virtual engagement, was generally effective. Regular communication with students and families fostered a sense of connection and support, contributing to improved student engagement and participation in the school program.

**Ineffectiveness:** However, some challenges such as inconsistent access to communication channels for some students and varying family circumstances may have limited the effectiveness of biweekly contact in reaching all student groups and families consistently. The importance of biweekly calls remains in order to reach every student and family so as to harness their engagement in our school.

### Chronic Absenteeism:

**Effectiveness:** Efforts to decrease chronic absenteeism showed mixed effectiveness across student groups. While some progress has been made in addressing absenteeism through better attendance tracking, attendance incentives, and support services, the overall need for growth in this area remains.

**Ineffectiveness:** Challenges such as complex family situations, health concerns, and socio-economic factors may have persisted, hindering the effectiveness of interventions in reducing chronic absenteeism rates significantly.

### Suspension Rate:

**Effectiveness:** The action of maintaining a low suspension rate was effective. Implementation of positive behavior management strategies and alternative disciplinary measures contributed to a supportive and inclusive school environment.

**Ineffectiveness:** Despite successes, maintaining a low suspension rate uniformly across all student groups is a large focus and area of need in order to maintain quality engagement and involvement in our school.

Overall, while specific actions undertaken during the LCAP cycle demonstrated varying degrees of effectiveness, there were both successes and areas for improvement. Addressing the successes and challenges related to these actions will be essential for enhancing the effectiveness of future actions aimed at achieving the articulated goal of creating a safe, supportive, and engaging learning environment for all students.

## A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

While there were no changes made to the goal itself, reflections on prior practice and analysis of data from the Dashboard or other local sources have led to adjustments in expected outcomes, metrics, and actions to achieve the goal for the coming year. Here are the key changes made:

### Expected Outcomes:

Following analysis of prior practice and data, there is a renewed focus on refining expected outcomes to ensure they are more specific, measurable, achievable, relevant, and time-bound (SMART). This will enable clearer assessment of progress and facilitate targeted interventions as needed.

### Metrics:

Metrics have been adjusted to align more closely with the refined expected outcomes. This will involve selecting more relevant and informative indicators to track progress towards the goal. For example, rather than measuring overall attendance rates, the focus will shift to tracking attendance rates for specific student subgroups or identifying early warning indicators of chronic absenteeism.

**Actions:**

Based on reflections on prior practice and data analysis, adjustments have been made to actions aimed at achieving the goal. This could include refining existing strategies, introducing new initiatives, or reallocating resources to address emerging needs and challenges. Overall, while the overarching goal remains unchanged, these adjustments in expected outcomes, metrics, and actions reflect a commitment to continuous improvement and evidence-based decision-making. By refining strategies and aligning efforts more closely with identified needs and priorities, we aim to enhance the effectiveness and impact of our initiatives in creating positive outcomes for students.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Goals and Actions

### Goal

| Goal # | Description  |
|--------|--|
| 3      | All students will graduate with the knowledge and skills needed for college and careers. |

### Measuring and Reporting Results

| Metric  | Baseline   | Year 1 Outcome  | Year 2 Outcome                                       | Year 3 Outcome   | Desired Outcome for 2023–24   |
|---|--|---|--|--|---|
|   |  |   |  |  |   |
| Increase the course pass rates within our in house credit recovery program known as Project Success | In 2019-2020, the average course pass rate was 75.3% | In 2020-2021 the average course pass rate was 87.8%                 | In 2021-2022 the average course pass rate was 93%    | 23-24 School year quarter one results in project success were 95.2% (This is an annual goal) | The desired outcome for 2023-2024 is an average course pass rate of 93.7% |
| Increase summer school course pass rates  | In the summer of 2020, the course pass rates was 77% | In the summer of 2021, the course pass rates was 72%                | In the summer of 2022, the course pass rates was 85% | In the summer of 2023 the course pass rates was 83%  | The desired outcome for the summer of 2023 is 86.5%                       |
| Increase graduation rates   | The 2019-2020 grad rate was 50%                      | * (There are not enough students for a graduation rate (2020-2021)) | The 2021-2022 grad rate was 90.9%                    | The 2022-2023 grad rate was 90.9%  | The desired outcome for the 2023-2024 grad rate is 91.8%                  |
| Increase the percentage of students completing a-g requirements.                                    | No baseline  | No baseline   | No baseline  | In 2022-2023, the percentage of students completing a-g requirements was 30%                 | The desired outcome for the 2023-2024 school year is 10%                  |

### Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

In the previous year, the overarching goal of ensuring all students graduate with the knowledge and skills necessary for college and careers was approached through several specific actions.

Increase course pass rates within Project Success:

- Planned Action: Focus on improving the pass rates within the in-house credit recovery program.
- Actual Implementation: There was impressive growth observed, indicating successful implementation. However, sustaining this growth remains a priority.

Increase summer school course pass rates:

- Planned Action: Enhance efforts to improve pass rates during summer school sessions.
- Actual Implementation: While there has been some growth in pass rates in most years, we are dedicated to increasing our Summer School pass rates beyond their current state in order to help our high students remain successful in high school and reach graduation and beyond.

Increase graduation rates:

- Planned Action: Implement strategies to boost graduation rates.
- Actual Implementation: There has been some growth in graduation rates, but it's noted that continued focus and diligence are required. Identifying and addressing barriers to graduation will continue to be a priority.

Increase the percentage of students completing a-g requirements:

- Planned Action: Increase efforts to ensure more students complete the necessary requirements for college admission.
- Actual Implementation: Growth in this area has been good, but the College Career Indicator (CCI) remains low on the dashboard. This suggests that while progress has been made, there are still challenges to overcome.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Material differences between budgeted and actual expenditures may have arisen due to unforeseen expenses, such as additional staffing for support services or professional development for staff training. Adjustments to the budget have been necessary to accommodate unexpected costs or reallocate resources to address emerging needs, resulting in variations between planned and actual expenditures. The variations between budgeted and actual expenditures, as well as planned and actual percentages of improved services, underscore the dynamic nature of addressing complex educational issues and the importance of flexibility in resource allocation and service delivery.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

Over the three-year LCAP cycle, the effectiveness of specific actions in making progress toward the goal of ensuring all students graduate with the knowledge and skills needed for college and careers varied. Action 1, which aimed to increase course pass rates within Project

Success, demonstrated effectiveness as evidenced by the observed tremendous growth in pass rates. This action contributed positively to the overall goal by providing struggling students with the opportunity to recover credits and stay on track for graduation. Action 2, targeting the increase of summer school course pass rates, showed effectiveness, with some growth observed in most years. This action contributed to progress by providing additional opportunities for students to complete coursework. Action 3, focused on increasing graduation rates, showed mixed effectiveness. While there was some growth, the need for continued focus and diligence to best serve our students must be continued. Action 4, aimed at increasing the percentage of students completing A-G requirements, demonstrated effectiveness with good growth observed. However, the low College Career Indicator (CCI) on the dashboard suggests that despite progress in this area, there are still challenges to overcome in fully preparing students for college and careers. In summary, while some actions were effective in producing the desired results, others showed varying degrees of effectiveness over the three-year LCAP cycle.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

Following reflections on prior practice and analysis of data provided in the Dashboard or other local data sources, the metrics for the planned goals have been adapted to meet our student needs. Firstly, there's a renewed emphasis on Action 2, which aims to increase summer school course pass rates. Despite moderate growth in previous years, it's evident that additional efforts are needed to achieve continued growth in this area. Additionally, Action 3, focused on increasing graduation rates, will undergo revisions to address identified challenges more effectively. This may involve implementing targeted interventions for at-risk students and enhancing counseling, homeroom teacher, and support services. Furthermore, Action 4, aimed at increasing the percentage of students completing A-G requirements, will continue with a focus on maintaining growth while addressing the underlying factors contributing to the low College Career Indicator (CCI) on the dashboard. This includes refining curriculum offerings, providing additional support for students struggling with specific A-G courses, and increasing the ability to better monitor all aspects of CCI, especially A-G offerings and requirements. Overall, these adjustments reflect a commitment to continuous improvement and a proactive approach to addressing challenges identified through reflection and data analysis.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Instructions

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).

Complete the prompts as instructed for each goal included in the 2023–24 LCAP. Duplicate the tables as needed. The 2023–24 LCAP Annual Update must be included with the 2024–25 LCAP.

## Goals and Actions

### Goal(s)

#### Description:

Copy and paste verbatim from the 2023–24 LCAP.

#### Measuring and Reporting Results

- Copy and paste verbatim from the 2023–24 LCAP.

#### Metric:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Baseline:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Year 1 Outcome:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Year 2 Outcome:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Year 3 Outcome:

- When completing the 2023–24 LCAP Annual Update, enter the most recent data available. Indicate the school year to which the data applies.

#### Desired Outcome for 2023–24:

- Copy and paste verbatim from the 2023–24 LCAP.

Timeline for completing the “Measuring and Reporting Results” part of the Goal.

| Metric   | Baseline                                       | Year 1 Outcome                                 | Year 2 Outcome                                 | Year 3 Outcome  | Desired Outcome for Year 3 (2023–24)           |
|--|--|--|--|---|--|
| Copy and paste verbatim from the 2023–24 LCAP. | Copy and paste verbatim from the 2023–24 LCAP. | Copy and paste verbatim from the 2023–24 LCAP. | Copy and paste verbatim from the 2023–24 LCAP. | Enter information in this box when completing the 2023–24 LCAP Annual Update. | Copy and paste verbatim from the 2023–24 LCAP. |

## Goal Analysis

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

A description of any substantive differences in planned actions and actual implementation of these actions.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

- Describe the effectiveness or ineffectiveness of the specific actions in making progress toward the goal during the three-year LCAP cycle. “Effectiveness” means the degree to which the actions were successful in producing the desired result and “ineffectiveness” means that the actions did not produce any significant or desired result.
  - In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
  - When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
  - Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
  - As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:
    - The reasons for the ineffectiveness, and
    - How changes to the action will result in a new or strengthened approach.

California Department of Education  
November 2023

# 2023–24 Local Control and Accountability Plan Annual Update

The instructions for completing the 2023–24 Local Control and Accountability Plan (LCAP) Annual Update follow the template.

| Local Educational Agency (LEA) Name                | Contact Name and Title               | Email and Phone                           |

## Goals and Actions

### Goal

| Goal # | Description  |
|--------|--|
| 1      | All students will learn and achieve in a safe, secure, effective, and rigorous learning environment. |

### Measuring and Reporting Results

| Metric   | Baseline  | Year 1 Outcome  | Year 2 Outcome   | Year 3 Outcome  | Desired Outcome for 2023–24  |
|--|---|---|--|---|--|
|  |   |   |  |   |  |
| The median percent progress towards Typical Growth in Reading as measured by i-Ready | In 2019-2020, the median percent progress towards Typical Growth in Reading was 80% | In 2020-2021 the median percent progress towards Typical Growth in Reading was 100% | In 2021-2022 the median percent progress towards Typical Growth in Reading was 83% | In 2023-2024, the median percent progress towards Typical Growth after the first two diagnostics (through month 6) in Reading was 67.5% | The desired outcome for 2023-2024, the median percent progress towards Typical Growth in Reading will be 84.7% |
| The median percent progress towards Typical Growth in Math as measured by i-Ready    | In 2019-2020, the median percent progress towards Typical Growth in Math was 71%    | In 2020-2021, the median percent progress towards Typical Growth in Math was 86%    | In 2021-2022 the median percent progress towards Typical Growth in Math was 79%    | In 2023-2024, the median percent progress towards Typical Growth after the first two diagnostics (through month 6) in Math was 57%      | The desired outcome for 2023-2024, the median percent progress towards Typical Growth in Math will be 81.1%    |
| Increase English Learner reclassification rates                                      | In 2020-2021 the RFEP rate was 3.3%   | In 2021-2022 the RFEP rate was 5.38%  | In 2022-2023 the RFEP rate was 9.15%   | In January 2024 the RFEP rate is 2%   | The desired outcome for 2023-2024 is an RFEP rate of 18.24%  |

### Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

The comprehensive execution of our outlined actions has been achieved in accordance with the plan, however, we understand the need for consistency and continued growth.

Previous Year Implementation:

Action 1: The median percent progress towards Typical Growth in Reading, as measured by i-Ready, was tracked throughout the previous cycle. Students' progress towards meeting typical growth expectations in reading was monitored regularly using i-Ready assessments. This data provided insights into individual student growth and overall trends in reading proficiency within the learning environment.

Action 2: Similarly, the median percent progress towards Typical Growth in Math, as measured by i-Ready, was monitored consistently. Students' progress in math proficiency was assessed using i-Ready assessments, allowing educators to identify areas of strength and weakness in mathematical skills and adjust instruction accordingly.

Action 3: Efforts were made to increase English Learner reclassification rates, indicating progress towards providing effective language support and instruction. Strategies such as targeted English language development programs and individualized support for English Learners were implemented to facilitate their progress towards proficiency and subsequent reclassification.

Substantive Differences in Planned Actions vs. Actual Implementation:

Action 1 & 2: While the planned actions for monitoring progress in reading and math proficiency were carried out as intended, there have been variances in the degree of implementation across different grade levels or student populations. It's essential to assess whether all subgroups received equitable support and resources to ensure consistent progress towards typical growth.

Action 3: The planned action to increase English Learner reclassification rates has encountered challenges related to resource allocation, language support services, or individual student needs. Substantive differences may exist in the extent to which specific strategies were effective in facilitating English Learner progress and reclassification.

Overall, the analysis of actual outcome data, including i-Ready assessments and English Learner reclassification rates, provides insights into the effectiveness of the planned actions in creating a safe, secure, effective, and rigorous learning environment for all students. Evaluating progress towards typical growth in reading and math, as well as English Learner reclassification rates, allows for targeted interventions and adjustments to instructional practices to ensure that all students have the opportunity to learn and achieve.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

In some cases, there is variation in the budgeted and estimated actuals as a result of changes in personnel costs. We will continue to ensure students in all areas and levels are able to utilize the services provided as well.

The overall implementation of actions to achieve the articulated goal involved navigating various challenges while striving for success.

Despite material differences between budgeted and actual expenditures and planned vs. actual percentages of improved services, we demonstrated resilience and adaptability in addressing the needs of all students within the learning environment.

## An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

During the three-year LCAP cycle, the specific actions implemented to achieve the goal of ensuring all students learn and achieve in a safe, secure, effective, and rigorous learning environment have demonstrated varying degrees of effectiveness:

### Monitoring Progress in Reading and Math:

**Effectiveness:** The action of monitoring progress in reading and math using i-Ready assessments has generally been effective in providing valuable data for identifying areas of improvement and informing instructional practices. Regular assessment allowed educators to track individual student growth and adjust interventions accordingly.

**Ineffectiveness:** However, there were instances where the effectiveness of this action was hindered by challenges such as inconsistent participation in assessments, logistical hurdles in administering assessments, and difficulties in interpreting and utilizing assessment data effectively. These challenges may have led to less accurate or timely interventions for students in need of support.

### Increasing English Learner Reclassification Rates:

**Effectiveness:** Efforts to increase English Learner reclassification rates have shown some effectiveness, particularly through the implementation of targeted English language development programs and individualized support for English Learners. Progress has been observed in some cohorts of English Learners, indicating that these interventions have had a positive impact.

**Ineffectiveness:** Despite efforts, there were some challenges in achieving significant increases in reclassification rates across all English Learner subgroups. Limited resources, staffing constraints, and the complexity of language acquisition for diverse student populations may have contributed to the ineffectiveness of this action in producing desired results uniformly across all student groups in all cycle years.

Overall, while the specific actions undertaken during the three-year LCAP cycle have shown varying degrees of effectiveness, there is room for improvement in ensuring consistent progress towards the goal. Addressing challenges such as resource allocation, data interpretation, and targeted support for diverse student populations will be essential for enhancing the effectiveness of future actions aimed at achieving the goal of creating a conducive learning environment for all students.

## A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

Reflecting on prior practice, our school has identified areas for refinement and enhancement in pursuit of our goal. As a result, several adjustments have been made for the coming year:

### Goal Refinement:

While maintaining our overarching goal of ensuring all students learn and achieve in a safe, secure, effective, and rigorous learning environment, we have refined our focus to emphasize sustained growth and consistency over time. This shift underscores our commitment to continuous improvement and long-term student success.

### Metrics and Desired Outcomes:

In response to fluctuations observed in previous years, we have revised our metrics and desired outcomes to prioritize consistency and sustainable growth. Rather than solely focusing on short-term progress, we will place greater emphasis on trajectory and trend analysis to ensure that our efforts result in enduring improvements.

### Actions:

Building upon our reflections on prior practice, we have identified specific actions to enhance the effectiveness of our initiatives:

**Adjustment to i-Ready Diagnostic Proctoring:** We will implement revised procedures for administering i-Ready diagnostic assessments to ensure greater reliability and validity of data collection. This will enable more accurate monitoring of student progress and early identification of areas requiring intervention.

**Early Review of Typical i-Ready Growth:** To proactively monitor our progress towards growth targets, we will conduct an early review of Typical i-Ready growth during diagnostic 2. This will allow us to promptly identify deviations from our growth plan and make necessary adjustments to stay on course.

**Development and Refinement of ELD Plan:** Recognizing the importance of providing targeted support to English Learners, we will further develop and refine our English Language Development (ELD) plan. This includes the hiring of additional ELD teachers to better serve the needs of our ELD students and their families, fostering growth and proficiency in English language skills.

These changes reflect our commitment to leveraging insights from prior practice to refine our strategies and actions for the coming year. By focusing on sustainability, consistency, and targeted support, we aim to maximize the impact of our efforts in creating an inclusive and conducive learning environment for all students.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Goals and Actions

### Goal

| Goal # | Description  |
|--------|--|
| 2      | All stakeholder groups will demonstrate active engagement in the school program. |

### Measuring and Reporting Results

| Metric                                    | Baseline   | Year 1 Outcome   | Year 2 Outcome   | Year 3 Outcome   | Desired Outcome for 2023–24   |
|---|--|--|--|--|---|
| Maintain a high rate of biweekly contacts | In 2019-2020, the average biweekly contact rate was 82.7%      | In 2020-2021, the average biweekly contact rate was 94.9%      | In 2021-2022, the average biweekly contact rate was 99.3%      | As of January 2024, the average biweekly contact rate was 98%. | The desired outcome for 2023-2024 is an average biweekly contact rate of 99.37%         |
| Decrease chronic absenteeism              | The 2020-2021 chronic absenteeism rate after month 7 was 6.44% | The 2021-2022 chronic absenteeism rate after month 7 was 6.95% | The 2022-2023 chronic absenteeism rate after month 7 was 5.16% | The chronic absenteeism rate after month 3 was 4.05%           | The desired outcome for 2023-2024 month 7 chronic absenteeism rate will be less than 5% |
| Maintain a low suspension rate            | The 2019-2020 suspension rate was 0%                           | The 2020-2021 suspension rate was 0%                           | The 2021-2022 suspension rate was 0%                           | As of January 2024, our suspension rate was 0%.                | The desired outcome for 2023-2024 is 0%   |

### Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

The comprehensive execution of our outlined actions and services has been achieved in accordance with the plan.

Previous Year Implementation:

Biweekly Contact (Action 1): The implementation of biweekly contact, including both in-person and virtual engagement, was highly successful. The high rate of contact indicates a proactive approach to staying connected with students and fostering ongoing communication between the school and families.

Chronic Absenteeism (Action 2): While efforts to decrease chronic absenteeism were made, the effectiveness of this action was marginal, resulting in less significant improvements. Despite initiatives to address absenteeism, some challenges may have persisted, contributing to limited progress in reducing absentee rates.

Suspension Rate (Action 3): The maintenance of a low suspension rate was achieved, indicating successful efforts to promote positive behavior and resolve disciplinary issues through alternative means.

Substantive Differences in Planned Actions vs. Actual Implementation:

Biweekly Contact (Action 1): The planned action to maintain a high rate of biweekly contacts was successfully implemented as described, with both in-person and virtual engagement strategies effectively utilized. The high rate of contact suggests a commitment to fostering strong connections with students and families, promoting engagement in the school program.

Chronic Absenteeism (Action 2): While the planned action aimed to decrease chronic absenteeism, the actual implementation yielded marginal effectiveness. Despite efforts, chronic absenteeism rates may not have decreased as significantly as anticipated for all student groups, indicating a need for further targeted interventions and support mechanisms to address underlying causes of absenteeism.

Suspension Rate (Action 3): The planned action to maintain a low suspension rate was achieved, reflecting successful implementation efforts to promote positive behavior and address disciplinary issues proactively. However, it's crucial to sustain these efforts to ensure continued success in maintaining a safe and supportive learning environment.

In summary, while the implementation of biweekly contact and maintenance of a low suspension rate was highly successful, efforts to decrease chronic absenteeism showed varying degrees of effectiveness for the different student groups. Addressing challenges related to absenteeism will be crucial for achieving desired outcomes in these areas in the future.

#### An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Material differences between budgeted and actual expenditures may have arisen due to unforeseen expenses such as additional staffing for support services or professional development for staff training.

Adjustments to the budget may have been necessary to accommodate unexpected costs or reallocate resources to address emerging needs, resulting in differences between budgeted and actual expenditures.

Planned Percentages of Improved Services vs. Estimated Actual Percentages of Improved Services:

Material differences between planned and actual percentages of improved services may have occurred due to challenges in fully implementing planned actions or achieving desired outcomes.

Factors such as limited resources, logistical constraints, and unforeseen circumstances may have impacted the ability to deliver services as planned, resulting in disparities between planned and actual percentages of improved services.

In summary, while the implementation of actions to achieve the articulated goal encountered challenges, successes were also observed.

Material differences between budgeted and actual expenditures and planned vs. actual percentages of improved services may reflect the dynamic nature of addressing complex educational issues and the need for flexibility in resource allocation.

## An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

During the three-year LCAP cycle, the effectiveness of specific actions in making progress toward the articulated goal varied:

### Biweekly Contact:

**Effectiveness:** The action of maintaining high rates of biweekly contact, including in-person and virtual engagement, was generally effective. Regular communication with students and families fostered a sense of connection and support, contributing to improved student engagement and participation in the school program.

**Ineffectiveness:** However, some challenges such as inconsistent access to communication channels for some students and varying family circumstances may have limited the effectiveness of biweekly contact in reaching all student groups and families consistently. The importance of biweekly calls remains in order to reach every student and family so as to harness their engagement in our school.

### Chronic Absenteeism:

**Effectiveness:** Efforts to decrease chronic absenteeism showed mixed effectiveness across student groups. While some progress has been made in addressing absenteeism through better attendance tracking, attendance incentives, and support services, the overall need for growth in this area remains.

**Ineffectiveness:** Challenges such as complex family situations, health concerns, and socio-economic factors may have persisted, hindering the effectiveness of interventions in reducing chronic absenteeism rates significantly.

### Suspension Rate:

**Effectiveness:** The action of maintaining a low suspension rate was effective. Implementation of positive behavior management strategies and alternative disciplinary measures contributed to a supportive and inclusive school environment.

**Ineffectiveness:** Despite successes, maintaining a low suspension rate uniformly across all student groups is a large focus and area of need in order to maintain quality engagement and involvement in our school.

Overall, while specific actions undertaken during the LCAP cycle demonstrated varying degrees of effectiveness, there were both successes and areas for improvement. Addressing the successes and challenges related to these actions will be essential for enhancing the effectiveness of future actions aimed at achieving the articulated goal of creating a safe, supportive, and engaging learning environment for all students.

## A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

While there were no changes made to the goal itself, reflections on prior practice and analysis of data from the Dashboard or other local sources have led to adjustments in expected outcomes, metrics, and actions to achieve the goal for the coming year. Here are the key changes made:

### Expected Outcomes:

Following analysis of prior practice and data, there is a renewed focus on refining expected outcomes to ensure they are more specific, measurable, achievable, relevant, and time-bound (SMART). This will enable clearer assessment of progress and facilitate targeted interventions as needed.

### Metrics:

Metrics have been adjusted to align more closely with the refined expected outcomes. This will involve selecting more relevant and informative indicators to track progress towards the goal. For example, rather than measuring overall attendance rates, the focus will shift to tracking attendance rates for specific student subgroups or identifying early warning indicators of chronic absenteeism.

**Actions:**

Based on reflections on prior practice and data analysis, adjustments have been made to actions aimed at achieving the goal. This could include refining existing strategies, introducing new initiatives, or reallocating resources to address emerging needs and challenges.

Overall, while the overarching goal remains unchanged, these adjustments in expected outcomes, metrics, and actions reflect a commitment to continuous improvement and evidence-based decision-making. By refining strategies and aligning efforts more closely with identified needs and priorities, we aim to enhance the effectiveness and impact of our initiatives in creating positive outcomes for students.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Goals and Actions

### Goal

| Goal # | Description  |
|--------|--|
| 3      | All students will graduate with the knowledge and skills needed for college and careers. |

### Measuring and Reporting Results

| Metric  | Baseline   | Year 1 Outcome   | Year 2 Outcome  | Year 3 Outcome   | Desired Outcome for 2023–24   |
|---|--|--|---|--|---|
| Increase the course pass rates within our in house credit recovery program known as Project Success | In 2019-2020, the average course pass rate was 75.3%                           | In 2020-2021, the average course pass rate was 87.7%                           | In 2021-2022, the average course pass rate was 93%                              | 23-24 School year quarter one results in project success were 95.2% (This is an annual goal) | The desired outcome for 2023-2024 is an average course pass rate of 93.7% |
| Increase summer school course pass rates  | In the summer of 2020, the course pass rates was 77%                           | In the summer of 2021, the course pass rates was 72%                           | In the summer of 2022, the course pass rates was 85%                            | In the summer of 2023 the course pass rates was 83%  | The desired outcome for the summer of 2023 is 86.5%                       |
| Increase graduation rates   | The 2019-2020 grad rate was 62.6%  | The 2020-2021 grad rate was 70.2%  | The 2021-2022 grad rate was 81.7%   | The 2022-2023 grad rate was 73.2%  | The desired outcome for the 2023-2024 grad rate is 83.5%                  |
| Increase the percentage of students completing a-g requirements.                                    | In 2019-2020, the percentage of students completing a-g requirements was 17.1% | In 2020-2021, the percentage of students completing a-g requirements was 15.2% | In 2021-2022, the percentage of students completing a-g requirements was 17.84% | In 2022-2023, the percentage of students completing a-g requirements was 33%                 | The desired outcome for the 2023-2024 school year is 26.1%                |

### Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

In the previous year, the overarching goal of ensuring all students graduate with the knowledge and skills necessary for college and careers was approached through several specific actions.

Increase course pass rates within Project Success:

- Planned Action: Focus on improving the pass rates within the in-house credit recovery program.
- Actual Implementation: There was impressive growth observed, indicating successful implementation. However, sustaining this growth remains a priority.

Increase summer school course pass rates:

- Planned Action: Enhance efforts to improve pass rates during summer school sessions.
- Actual Implementation: While there has been some growth in pass rates in most years, we are dedicated to increasing our Summer School pass rates beyond their current state in order to help our high students remain successful in high school and reach graduation and beyond.

Increase graduation rates:

- Planned Action: Implement strategies to boost graduation rates.
- Actual Implementation: There has been some growth in graduation rates, but it's noted that continued focus and diligence are required. Identifying and addressing barriers to graduation will continue to be a priority.

Increase the percentage of students completing a-g requirements:

- Planned Action: Increase efforts to ensure more students complete the necessary requirements for college admission.
- Actual Implementation: Growth in this area has been good, but the College Career Indicator (CCI) remains low on the dashboard. This suggests that while progress has been made, there are still challenges to overcome.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Material differences between budgeted and actual expenditures may have arisen due to unforeseen expenses, such as additional staffing for support services or professional development for staff training. Adjustments to the budget have been necessary to accommodate unexpected costs or reallocate resources to address emerging needs, resulting in variations between planned and actual expenditures. The variations between budgeted and actual expenditures, as well as planned and actual percentages of improved services, underscore the dynamic nature of addressing complex educational issues and the importance of flexibility in resource allocation and service delivery.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

Over the three-year LCAP cycle, the effectiveness of specific actions in making progress toward the goal of ensuring all students graduate with the knowledge and skills needed for college and careers varied. Action 1, which aimed to increase course pass rates within Project

Success, demonstrated effectiveness as evidenced by the observed tremendous growth in pass rates. This action contributed positively to the overall goal by providing struggling students with the opportunity to recover credits and stay on track for graduation. Action 2, targeting the increase of summer school course pass rates, showed effectiveness, with some growth observed in most years. This action contributed to progress by providing additional opportunities for students to complete coursework. Action 3, focused on increasing graduation rates, showed mixed effectiveness. While there was some growth, the need for continued focus and diligence to best serve our students must be continued. Action 4, aimed at increasing the percentage of students completing A-G requirements, demonstrated effectiveness with good growth observed. However, the low College Career Indicator (CCI) on the dashboard suggests that despite progress in this area, there are still challenges to overcome in fully preparing students for college and careers. In summary, while some actions were effective in producing the desired results, others showed varying degrees of effectiveness over the three-year LCAP cycle.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

Following reflections on prior practice and analysis of data provided in the Dashboard or other local data sources, the metrics for the planned goals have been adapted to meet our student needs. Firstly, there's a renewed emphasis on Action 2, which aims to increase summer school course pass rates. Despite moderate growth in previous years, it's evident that additional efforts are needed to achieve continued growth in this area. Additionally, Action 3, focused on increasing graduation rates, will undergo revisions to address identified challenges more effectively. This may involve implementing targeted interventions for at-risk students and enhancing counseling, homeroom teacher, and support services. Furthermore, Action 4, aimed at increasing the percentage of students completing A-G requirements, will continue with a focus on maintaining growth while addressing the underlying factors contributing to the low College Career Indicator (CCI) on the dashboard. This includes refining curriculum offerings, providing additional support for students struggling with specific A-G courses, and increasing the ability to better monitor all aspects of CCI, especially A-G offerings and requirements. Overall, these adjustments reflect a commitment to continuous improvement and a proactive approach to addressing challenges identified through reflection and data analysis.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Instructions

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).

Complete the prompts as instructed for each goal included in the 2023–24 LCAP. Duplicate the tables as needed. The 2023–24 LCAP Annual Update must be included with the 2024–25 LCAP.

## Goals and Actions

### Goal(s)

#### Description:

Copy and paste verbatim from the 2023–24 LCAP.

#### Measuring and Reporting Results

- Copy and paste verbatim from the 2023–24 LCAP.

#### Metric:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Baseline:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Year 1 Outcome:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Year 2 Outcome:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Year 3 Outcome:

- When completing the 2023–24 LCAP Annual Update, enter the most recent data available. Indicate the school year to which the data applies.

#### Desired Outcome for 2023–24:

- Copy and paste verbatim from the 2023–24 LCAP.

Timeline for completing the “Measuring and Reporting Results” part of the Goal.

| Metric   | Baseline                                       | Year 1 Outcome                                 | Year 2 Outcome                                 | Year 3 Outcome  | Desired Outcome for Year 3 (2023–24)           |
|--|--|--|--|---|--|
| Copy and paste verbatim from the 2023–24 LCAP. | Copy and paste verbatim from the 2023–24 LCAP. | Copy and paste verbatim from the 2023–24 LCAP. | Copy and paste verbatim from the 2023–24 LCAP. | Enter information in this box when completing the 2023–24 LCAP Annual Update. | Copy and paste verbatim from the 2023–24 LCAP. |

## Goal Analysis

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

A description of any substantive differences in planned actions and actual implementation of these actions.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

- Describe the effectiveness or ineffectiveness of the specific actions in making progress toward the goal during the three-year LCAP cycle. “Effectiveness” means the degree to which the actions were successful in producing the desired result and “ineffectiveness” means that the actions did not produce any significant or desired result.
  - In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
  - When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
  - Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
  - As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:
    - The reasons for the ineffectiveness, and
    - How changes to the action will result in a new or strengthened approach.

California Department of Education  
November 2023

# 2023–24 Local Control and Accountability Plan Annual Update

The instructions for completing the 2023–24 Local Control and Accountability Plan (LCAP) Annual Update follow the template.

| Local Educational Agency (LEA) Name      | Contact Name and Title               | Email and Phone                           |
|--|--------------------------------------|---|
| California Connections Academy North Bay | Dr. Richard Savage<br>Superintendent | rsavage@californiaops.org<br>949-467-1667 |

## Goals and Actions

### Goal

| Goal # | Description  |
|--------|--|
| 1      | All students will learn and achieve in a safe, secure, effective, and rigorous learning environment. |

### Measuring and Reporting Results

| Metric   | Baseline  | Year 1 Outcome  | Year 2 Outcome   | Year 3 Outcome  | Desired Outcome for 2023–24   |
|--|---|---|--|---|---|
| The median percent progress towards Typical Growth in Reading as measured by i-Ready | In 2019-2020, the median percent progress towards Typical Growth in Reading was 80% | In 2020-2021 the median percent progress towards Typical Growth in Reading was 100% | In 2021-2022 the median percent progress towards Typical Growth in Reading was 83% | In 2023-2024, the median percent progress towards Typical Growth after the first two diagnostics (through month 6) in Reading was 67.5% | The desired outcome for 2023-2024 the median percent progress towards Typical Growth in Reading will be 84.7% |
| The median percent progress towards Typical Growth in Math as measured by i-Ready    | In 2019-2020, the median percent progress towards Typical Growth in Math was 71%    | In 2020-2021, the median percent progress towards Typical Growth in Math was 86%    | In 2021-2022, the median percent progress towards Typical Growth in Math was 79%   | In 2023-2024, the median percent progress towards Typical Growth after the first two diagnostics (through month 6) in Math was 57%      | The desired outcome for 2023-2024, the median percent progress towards Typical Growth in Math will be 81.1%   |
| Increase English Learner reclassification rates                                      | No baseline (2020-2021)   | In 2021-2022 the RFEP rate was 20%  | In 2022-2023 the RFEP rate was 0%  | In January 2024 the RFEP rate is 0%   | The desired outcome for 2023-2024 is an RFEP rate of 10%  |

### Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

The comprehensive execution of our outlined actions has been achieved in accordance with the plan, however, we understand the need for consistency and continued growth.

Previous Year Implementation:

Action 1: The median percent progress towards Typical Growth in Reading, as measured by i-Ready, was tracked throughout the previous cycle. Students' progress towards meeting typical growth expectations in reading was monitored regularly using i-Ready assessments. This data provided insights into individual student growth and overall trends in reading proficiency within the learning environment.

Action 2: Similarly, the median percent progress towards Typical Growth in Math, as measured by i-Ready, was monitored consistently. Students' progress in math proficiency was assessed using i-Ready assessments, allowing educators to identify areas of strength and weakness in mathematical skills and adjust instruction accordingly.

Action 3: Efforts were made to increase English Learner reclassification rates, indicating progress towards providing effective language support and instruction. Strategies such as targeted English language development programs and individualized support for English Learners were implemented to facilitate their progress towards proficiency and subsequent reclassification.

Substantive Differences in Planned Actions vs. Actual Implementation:

Action 1 & 2: While the planned actions for monitoring progress in reading and math proficiency were carried out as intended, there have been variances in the degree of implementation across different grade levels or student populations. It's essential to assess whether all subgroups received equitable support and resources to ensure consistent progress towards typical growth.

Action 3: The planned action to increase English Learner reclassification rates has encountered challenges related to resource allocation, language support services, or individual student needs. Substantive differences may exist in the extent to which specific strategies were effective in facilitating English Learner progress and reclassification.

Overall, the analysis of actual outcome data, including i-Ready assessments and English Learner reclassification rates, provides insights into the effectiveness of the planned actions in creating a safe, secure, effective, and rigorous learning environment for all students. Evaluating progress towards typical growth in reading and math, as well as English Learner reclassification rates, allows for targeted interventions and adjustments to instructional practices to ensure that all students have the opportunity to learn and achieve.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

In some cases, there is variation in the budgeted and estimated actuals as a result of changes in personnel costs. We will continue to ensure students in all areas and levels are able to utilize the services provided as well.

The overall implementation of actions to achieve the articulated goal involved navigating various challenges while striving for success.

Despite material differences between budgeted and actual expenditures and planned vs. actual percentages of improved services, we demonstrated resilience and adaptability in addressing the needs of all students within the learning environment.

## An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

During the three-year LCAP cycle, the specific actions implemented to achieve the goal of ensuring all students learn and achieve in a safe, secure, effective, and rigorous learning environment have demonstrated varying degrees of effectiveness:

### Monitoring Progress in Reading and Math:

**Effectiveness:** The action of monitoring progress in reading and math using i-Ready assessments has generally been effective in providing valuable data for identifying areas of improvement and informing instructional practices. Regular assessment allowed educators to track individual student growth and adjust interventions accordingly.

**Ineffectiveness:** However, there were instances where the effectiveness of this action was hindered by challenges such as inconsistent participation in assessments, logistical hurdles in administering assessments, and difficulties in interpreting and utilizing assessment data effectively. These challenges may have led to less accurate or timely interventions for students in need of support.

### Increasing English Learner Reclassification Rates:

**Effectiveness:** Efforts to increase English Learner reclassification rates have shown some effectiveness, particularly through the implementation of targeted English language development programs and individualized support for English Learners. Progress has been observed in some cohorts of English Learners, indicating that these interventions have had a positive impact.

**Ineffectiveness:** Despite efforts, there were some challenges in achieving significant increases in reclassification rates across all English Learner subgroups. Limited resources, staffing constraints, and the complexity of language acquisition for diverse student populations may have contributed to the ineffectiveness of this action in producing desired results uniformly across all student groups in all cycle years.

Overall, while the specific actions undertaken during the three-year LCAP cycle have shown varying degrees of effectiveness, there is room for improvement in ensuring consistent progress towards the goal. Addressing challenges such as resource allocation, data interpretation, and targeted support for diverse student populations will be essential for enhancing the effectiveness of future actions aimed at achieving the goal of creating a conducive learning environment for all students.

## A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

Reflecting on prior practice, our school has identified areas for refinement and enhancement in pursuit of our goal. As a result, several adjustments have been made for the coming year:

### Goal Refinement:

While maintaining our overarching goal of ensuring all students learn and achieve in a safe, secure, effective, and rigorous learning environment, we have refined our focus to emphasize sustained growth and consistency over time. This shift underscores our commitment to continuous improvement and long-term student success.

### Metrics and Desired Outcomes:

In response to fluctuations observed in previous years, we have revised our metrics and desired outcomes to prioritize consistency and sustainable growth. Rather than solely focusing on short-term progress, we will place greater emphasis on trajectory and trend analysis to ensure that our efforts result in enduring improvements.

### Actions:

Building upon our reflections on prior practice, we have identified specific actions to enhance the effectiveness of our initiatives:

**Adjustment to i-Ready Diagnostic Proctoring:** We will implement revised procedures for administering i-Ready diagnostic assessments to ensure greater reliability and validity of data collection. This will enable more accurate monitoring of student progress and early identification of areas requiring intervention.

**Early Review of Typical i-Ready Growth:** To proactively monitor our progress towards growth targets, we will conduct an early review of Typical i-Ready growth during diagnostic 2. This will allow us to promptly identify deviations from our growth plan and make necessary adjustments to stay on course.

**Development and Refinement of ELD Plan:** Recognizing the importance of providing targeted support to English Learners, we will further develop and refine our English Language Development (ELD) plan. This includes the hiring of additional ELD teachers to better serve the needs of our ELD students and their families, fostering growth and proficiency in English language skills.

These changes reflect our commitment to leveraging insights from prior practice to refine our strategies and actions for the coming year. By focusing on sustainability, consistency, and targeted support, we aim to maximize the impact of our efforts in creating an inclusive and conducive learning environment for all students.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Goals and Actions

### Goal

| Goal # | Description  |
|--------|--|
| 2      | All stakeholder groups will demonstrate active engagement in the school program. |

### Measuring and Reporting Results

| Metric                                    | Baseline   | Year 1 Outcome   | Year 2 Outcome   | Year 3 Outcome   | Desired Outcome for 2023–24   |
|---|--|--|--|--|---|
| Maintain a high rate of biweekly contacts | In 2019-2020, the average biweekly contact rate was 82.7%      | In 2020-2021, the average biweekly contact rate was 94.9%      | In 2021-2022, the average biweekly contact rate was 99.3%      | As of January 2024, the average biweekly contact rate was 98%. | The desired outcome for 2023-2024 is an average biweekly contact rate of 99.37%         |
| Decrease chronic absenteeism              | The 2020-2021 chronic absenteeism rate after month 7 was 6.44% | The 2021-2022 chronic absenteeism rate after month 7 was 6.95% | The 2022-2023 chronic absenteeism rate after month 7 was 5.16% | The chronic absenteeism rate after month 3 was 4.05%           | The desired outcome for 2023-2024 month 7 chronic absenteeism rate will be less than 5% |
| Maintain a low suspension rate            | The 2019-2020 suspension rate was 0%                           | The 2020-2021 suspension rate was 0%                           | The 2021-2022 suspension rate was 0%                           | As of January 2024, our suspension rate was 0%.                | The desired outcome for 2023-2024 is 0%   |

### Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

The comprehensive execution of our outlined actions and services has been achieved in accordance with the plan.

Previous Year Implementation:

Biweekly Contact (Action 1): The implementation of biweekly contact, including both in-person and virtual engagement, was highly successful. The high rate of contact indicates a proactive approach to staying connected with students and fostering ongoing communication between the school and families.

Chronic Absenteeism (Action 2): While efforts to decrease chronic absenteeism were made, the effectiveness of this action was marginal, resulting in less significant improvements. Despite initiatives to address absenteeism, some challenges may have persisted, contributing to limited progress in reducing absentee rates.

Suspension Rate (Action 3): The maintenance of a low suspension rate was achieved, indicating successful efforts to promote positive behavior and resolve disciplinary issues through alternative means.

Substantive Differences in Planned Actions vs. Actual Implementation:

Biweekly Contact (Action 1): The planned action to maintain a high rate of biweekly contacts was successfully implemented as described, with both in-person and virtual engagement strategies effectively utilized. The high rate of contact suggests a commitment to fostering strong connections with students and families, promoting engagement in the school program.

Chronic Absenteeism (Action 2): While the planned action aimed to decrease chronic absenteeism, the actual implementation yielded marginal effectiveness. Despite efforts, chronic absenteeism rates may not have decreased as significantly as anticipated for all student groups, indicating a need for further targeted interventions and support mechanisms to address underlying causes of absenteeism.

Suspension Rate (Action 3): The planned action to maintain a low suspension rate was achieved, reflecting successful implementation efforts to promote positive behavior and address disciplinary issues proactively. However, it's crucial to sustain these efforts to ensure continued success in maintaining a safe and supportive learning environment.

In summary, while the implementation of biweekly contact and maintenance of a low suspension rate was highly successful, efforts to decrease chronic absenteeism showed varying degrees of effectiveness for the different student groups. Addressing challenges related to absenteeism will be crucial for achieving desired outcomes in these areas in the future.

#### An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Material differences between budgeted and actual expenditures may have arisen due to unforeseen expenses such as additional staffing for support services or professional development for staff training.

Adjustments to the budget may have been necessary to accommodate unexpected costs or reallocate resources to address emerging needs, resulting in differences between budgeted and actual expenditures.

Planned Percentages of Improved Services vs. Estimated Actual Percentages of Improved Services:

Material differences between planned and actual percentages of improved services may have occurred due to challenges in fully implementing planned actions or achieving desired outcomes.

Factors such as limited resources, logistical constraints, and unforeseen circumstances may have impacted the ability to deliver services as planned, resulting in disparities between planned and actual percentages of improved services.

In summary, while the implementation of actions to achieve the articulated goal encountered challenges, successes were also observed.

Material differences between budgeted and actual expenditures and planned vs. actual percentages of improved services may reflect the dynamic nature of addressing complex educational issues and the need for flexibility in resource allocation.

## An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

During the three-year LCAP cycle, the effectiveness of specific actions in making progress toward the articulated goal varied:

### Biweekly Contact:

**Effectiveness:** The action of maintaining high rates of biweekly contact, including in-person and virtual engagement, was generally effective. Regular communication with students and families fostered a sense of connection and support, contributing to improved student engagement and participation in the school program.

**Ineffectiveness:** However, some challenges such as inconsistent access to communication channels for some students and varying family circumstances may have limited the effectiveness of biweekly contact in reaching all student groups and families consistently. The importance of biweekly calls remains in order to reach every student and family so as to harness their engagement in our school.

### Chronic Absenteeism:

**Effectiveness:** Efforts to decrease chronic absenteeism showed mixed effectiveness across student groups. While some progress has been made in addressing absenteeism through better attendance tracking, attendance incentives, and support services, the overall need for growth in this area remains.

**Ineffectiveness:** Challenges such as complex family situations, health concerns, and socio-economic factors may have persisted, hindering the effectiveness of interventions in reducing chronic absenteeism rates significantly.

### Suspension Rate:

**Effectiveness:** The action of maintaining a low suspension rate was effective. Implementation of positive behavior management strategies and alternative disciplinary measures contributed to a supportive and inclusive school environment.

**Ineffectiveness:** Despite successes, maintaining a low suspension rate uniformly across all student groups is a large focus and area of need in order to maintain quality engagement and involvement in our school.

Overall, while specific actions undertaken during the LCAP cycle demonstrated varying degrees of effectiveness, there were both successes and areas for improvement. Addressing the successes and challenges related to these actions will be essential for enhancing the effectiveness of future actions aimed at achieving the articulated goal of creating a safe, supportive, and engaging learning environment for all students.

## A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

While there were no changes made to the goal itself, reflections on prior practice and analysis of data from the Dashboard or other local sources have led to adjustments in expected outcomes, metrics, and actions to achieve the goal for the coming year. Here are the key changes made:

### Expected Outcomes:

Following analysis of prior practice and data, there is a renewed focus on refining expected outcomes to ensure they are more specific, measurable, achievable, relevant, and time-bound (SMART). This will enable clearer assessment of progress and facilitate targeted interventions as needed.

### Metrics:

Metrics have been adjusted to align more closely with the refined expected outcomes. This will involve selecting more relevant and informative indicators to track progress towards the goal. For example, rather than measuring overall attendance rates, the focus will shift to tracking attendance rates for specific student subgroups or identifying early warning indicators of chronic absenteeism.

**Actions:**

Based on reflections on prior practice and data analysis, adjustments have been made to actions aimed at achieving the goal. This could include refining existing strategies, introducing new initiatives, or reallocating resources to address emerging needs and challenges.

Overall, while the overarching goal remains unchanged, these adjustments in expected outcomes, metrics, and actions reflect a commitment to continuous improvement and evidence-based decision-making. By refining strategies and aligning efforts more closely with identified needs and priorities, we aim to enhance the effectiveness and impact of our initiatives in creating positive outcomes for students.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Goals and Actions

### Goal

| Goal # | Description  |
|--------|--|
| 3      | All students will graduate with the knowledge and skills needed for college and careers. |

### Measuring and Reporting Results

| Metric  | Baseline   | Year 1 Outcome   | Year 2 Outcome  | Year 3 Outcome   | Desired Outcome for 2023–24   |
|---|--|--|---|--|---|
| Increase the course pass rates within our in house credit recovery program known as Project Success | In 2019-2020, the average course pass rate was 75.3%                           | In 2020-2021, the average course pass rate was 87.8%                           | In 2021-2022, the average course pass rate was 93%                              | 23-24 School year quarter one results in project success were 95.2% (This is an annual goal) | The desired outcome for 2023-2024 is an average course pass rate of 93.7% |
| Increase summer school course pass rates  | In the summer of 2020, the course pass rates was 77%                           | In the summer of 2021, the course pass rates was 72%                           | In the summer of 2022, the course pass rates was 85%                            | In the summer of 2023 the course pass rates was 83%  | The desired outcome for the summer of 2023 is 86.5%                       |
| Increase graduation rates   | The 2019-2020 grad rate was 63.4%  | The 2020-2021 grad rate was 58.8%  | The 2021-2022 grad rate was 77.8%   | The 2022-2023 grad rate was 64.5%  | The desired outcome for the 2023-2024 grad rate is 80%                    |
| Increase the percentage of students completing a-g requirements.                                    | In 2019-2020, the percentage of students completing a-g requirements was 26.3% | In 2020-2021, the percentage of students completing a-g requirements was 34.3% | In 2021-2022, the percentage of students completing a-g requirements was 17.14% | In 2022-2023, the percentage of students completing a-g requirements was 26%                 | The desired outcome for the 2023-2024 school year is 25.43%               |

### Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

In the previous year, the overarching goal of ensuring all students graduate with the knowledge and skills necessary for college and careers was approached through several specific actions.

Increase course pass rates within Project Success:

- Planned Action: Focus on improving the pass rates within the in-house credit recovery program.
- Actual Implementation: There was impressive growth observed, indicating successful implementation. However, sustaining this growth remains a priority.

Increase summer school course pass rates:

- Planned Action: Enhance efforts to improve pass rates during summer school sessions.
- Actual Implementation: While there has been some growth in pass rates in most years, we are dedicated to increasing our Summer School pass rates beyond their current state in order to help our high students remain successful in high school and reach graduation and beyond.

Increase graduation rates:

- Planned Action: Implement strategies to boost graduation rates.
- Actual Implementation: There has been some growth in graduation rates, but it's noted that continued focus and diligence are required. Identifying and addressing barriers to graduation will continue to be a priority.

Increase the percentage of students completing a-g requirements:

- Planned Action: Increase efforts to ensure more students complete the necessary requirements for college admission.
- Actual Implementation: Growth in this area has been good, but the College Career Indicator (CCI) remains low on the dashboard. This suggests that while progress has been made, there are still challenges to overcome.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Material differences between budgeted and actual expenditures may have arisen due to unforeseen expenses, such as additional staffing for support services or professional development for staff training. Adjustments to the budget have been necessary to accommodate unexpected costs or reallocate resources to address emerging needs, resulting in variations between planned and actual expenditures. The variations between budgeted and actual expenditures, as well as planned and actual percentages of improved services, underscore the dynamic nature of addressing complex educational issues and the importance of flexibility in resource allocation and service delivery.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

Over the three-year LCAP cycle, the effectiveness of specific actions in making progress toward the goal of ensuring all students graduate with the knowledge and skills needed for college and careers varied. Action 1, which aimed to increase course pass rates within Project

Success, demonstrated effectiveness as evidenced by the observed tremendous growth in pass rates. This action contributed positively to the overall goal by providing struggling students with the opportunity to recover credits and stay on track for graduation. Action 2, targeting the increase of summer school course pass rates, showed effectiveness, with some growth observed in most years. This action contributed to progress by providing additional opportunities for students to complete coursework. Action 3, focused on increasing graduation rates, showed mixed effectiveness. While there was some growth, the need for continued focus and diligence to best serve our students must be continued. Action 4, aimed at increasing the percentage of students completing A-G requirements, demonstrated effectiveness with good growth observed. However, the low College Career Indicator (CCI) on the dashboard suggests that despite progress in this area, there are still challenges to overcome in fully preparing students for college and careers. In summary, while some actions were effective in producing the desired results, others showed varying degrees of effectiveness over the three-year LCAP cycle.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

Following reflections on prior practice and analysis of data provided in the Dashboard or other local data sources, the metrics for the planned goals have been adapted to meet our student needs. Firstly, there's a renewed emphasis on Action 2, which aims to increase summer school course pass rates. Despite moderate growth in previous years, it's evident that additional efforts are needed to achieve continued growth in this area. Additionally, Action 3, focused on increasing graduation rates, will undergo revisions to address identified challenges more effectively. This may involve implementing targeted interventions for at-risk students and enhancing counseling, homeroom teacher, and support services. Furthermore, Action 4, aimed at increasing the percentage of students completing A-G requirements, will continue with a focus on maintaining growth while addressing the underlying factors contributing to the low College Career Indicator (CCI) on the dashboard. This includes refining curriculum offerings, providing additional support for students struggling with specific A-G courses, and increasing the ability to better monitor all aspects of CCI, especially A-G offerings and requirements. Overall, these adjustments reflect a commitment to continuous improvement and a proactive approach to addressing challenges identified through reflection and data analysis.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Instructions

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).

Complete the prompts as instructed for each goal included in the 2023–24 LCAP. Duplicate the tables as needed. The 2023–24 LCAP Annual Update must be included with the 2024–25 LCAP.

## Goals and Actions

### Goal(s)

#### Description:

Copy and paste verbatim from the 2023–24 LCAP.

#### Measuring and Reporting Results

- Copy and paste verbatim from the 2023–24 LCAP.

#### Metric:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Baseline:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Year 1 Outcome:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Year 2 Outcome:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Year 3 Outcome:

- When completing the 2023–24 LCAP Annual Update, enter the most recent data available. Indicate the school year to which the data applies.

#### Desired Outcome for 2023–24:

- Copy and paste verbatim from the 2023–24 LCAP.

Timeline for completing the “Measuring and Reporting Results” part of the Goal.

| Metric   | Baseline                                       | Year 1 Outcome                                 | Year 2 Outcome                                 | Year 3 Outcome  | Desired Outcome for Year 3 (2023–24)           |
|--|--|--|--|---|--|
| Copy and paste verbatim from the 2023–24 LCAP. | Copy and paste verbatim from the 2023–24 LCAP. | Copy and paste verbatim from the 2023–24 LCAP. | Copy and paste verbatim from the 2023–24 LCAP. | Enter information in this box when completing the 2023–24 LCAP Annual Update. | Copy and paste verbatim from the 2023–24 LCAP. |

## Goal Analysis

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

A description of any substantive differences in planned actions and actual implementation of these actions.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

- Describe the effectiveness or ineffectiveness of the specific actions in making progress toward the goal during the three-year LCAP cycle. “Effectiveness” means the degree to which the actions were successful in producing the desired result and “ineffectiveness” means that the actions did not produce any significant or desired result.
  - In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
  - When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
  - Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
  - As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:
    - The reasons for the ineffectiveness, and
    - How changes to the action will result in a new or strengthened approach.

California Department of Education  
November 2023

# 2023–24 Local Control and Accountability Plan Annual Update

The instructions for completing the 2023–24 Local Control and Accountability Plan (LCAP) Annual Update follow the template.

| Local Educational Agency (LEA) Name           | Contact Name and Title               | Email and Phone                           |
|---|--------------------------------------|---|

## Goals and Actions

### Goal

| Goal # | Description  |
|--------|--|
| 1      | All students will learn and achieve in a safe, secure, effective, and rigorous learning environment. |

### Measuring and Reporting Results

| Metric   | Baseline  | Year 1 Outcome   | Year 2 Outcome  | Year 3 Outcome  | Desired Outcome for 2023–24  |
|--|---|--|---|---|--|
| The median percent progress towards Typical Growth in Reading as measured by i-Ready | In 2019-2020, the median percent progress towards Typical Growth in Reading was 80% | In 2020-2021, the median percent progress towards Typical Growth in Reading was 100% | In 2021-2022, the median percent progress towards Typical Growth in Reading was 83% | In 2023-2024, the median percent progress towards Typical Growth after the first two diagnostics (through month 6) in Reading was 67.5% | The desired outcome for 2023-2024, the median percent progress towards Typical Growth in Reading will be 84.7% |
| The median percent progress towards Typical Growth in Math as measured by i-Ready    | In 2019-2020, the median percent progress towards Typical Growth in Math was 71%    | In 2020-2021, the median percent progress towards Typical Growth in Math was 86%     | In 2021-2022, the median percent progress towards Typical Growth in Math was 79%    | In 2023-2024, the median percent progress towards Typical Growth after the first two diagnostics (through month 6) in Math was 57%      | The desired outcome for 2023-2024, the median percent progress towards Typical Growth in Math will be 81.1%    |
| Increase English Learner reclassification rates                                      | In 2020-2021 the RFEP rate was 15.8%  | In 2021-2022 the RFEP rate was 6.45%   | In 2022-2023 the RFEP rate was 8.75%  | In January 2024 the RFEP rate is 0%   | The desired outcome for 2023-2024 is an RFEP rate of 17.9%   |

### Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

The comprehensive execution of our outlined actions has been achieved in accordance with the plan, however, we understand the need for consistency and continued growth.

Previous Year Implementation:

Action 1: The median percent progress towards Typical Growth in Reading, as measured by i-Ready, was tracked throughout the previous cycle. Students' progress towards meeting typical growth expectations in reading was monitored regularly using i-Ready assessments. This data provided insights into individual student growth and overall trends in reading proficiency within the learning environment.

Action 2: Similarly, the median percent progress towards Typical Growth in Math, as measured by i-Ready, was monitored consistently. Students' progress in math proficiency was assessed using i-Ready assessments, allowing educators to identify areas of strength and weakness in mathematical skills and adjust instruction accordingly.

Action 3: Efforts were made to increase English Learner reclassification rates, indicating progress towards providing effective language support and instruction. Strategies such as targeted English language development programs and individualized support for English Learners were implemented to facilitate their progress towards proficiency and subsequent reclassification.

Substantive Differences in Planned Actions vs. Actual Implementation:

Action 1 & 2: While the planned actions for monitoring progress in reading and math proficiency were carried out as intended, there have been variances in the degree of implementation across different grade levels or student populations. It's essential to assess whether all subgroups received equitable support and resources to ensure consistent progress towards typical growth.

Action 3: The planned action to increase English Learner reclassification rates has encountered challenges related to resource allocation, language support services, or individual student needs. Substantive differences may exist in the extent to which specific strategies were effective in facilitating English Learner progress and reclassification.

Overall, the analysis of actual outcome data, including i-Ready assessments and English Learner reclassification rates, provides insights into the effectiveness of the planned actions in creating a safe, secure, effective, and rigorous learning environment for all students. Evaluating progress towards typical growth in reading and math, as well as English Learner reclassification rates, allows for targeted interventions and adjustments to instructional practices to ensure that all students have the opportunity to learn and achieve.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

In some cases, there is variation in the budgeted and estimated actuals as a result of changes in personnel costs. We will continue to ensure students in all areas and levels are able to utilize the services provided as well.

The overall implementation of actions to achieve the articulated goal involved navigating various challenges while striving for success.

Despite material differences between budgeted and actual expenditures and planned vs. actual percentages of improved services, we demonstrated resilience and adaptability in addressing the needs of all students within the learning environment.

## An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

During the three-year LCAP cycle, the specific actions implemented to achieve the goal of ensuring all students learn and achieve in a safe, secure, effective, and rigorous learning environment have demonstrated varying degrees of effectiveness:

### Monitoring Progress in Reading and Math:

**Effectiveness:** The action of monitoring progress in reading and math using i-Ready assessments has generally been effective in providing valuable data for identifying areas of improvement and informing instructional practices. Regular assessment allowed educators to track individual student growth and adjust interventions accordingly.

**Ineffectiveness:** However, there were instances where the effectiveness of this action was hindered by challenges such as inconsistent participation in assessments, logistical hurdles in administering assessments, and difficulties in interpreting and utilizing assessment data effectively. These challenges may have led to less accurate or timely interventions for students in need of support.

### Increasing English Learner Reclassification Rates:

**Effectiveness:** Efforts to increase English Learner reclassification rates have shown some effectiveness, particularly through the implementation of targeted English language development programs and individualized support for English Learners. Progress has been observed in some cohorts of English Learners, indicating that these interventions have had a positive impact.

**Ineffectiveness:** Despite efforts, there were some challenges in achieving significant increases in reclassification rates across all English Learner subgroups. Limited resources, staffing constraints, and the complexity of language acquisition for diverse student populations may have contributed to the ineffectiveness of this action in producing desired results uniformly across all student groups in all cycle years.

Overall, while the specific actions undertaken during the three-year LCAP cycle have shown varying degrees of effectiveness, there is room for improvement in ensuring consistent progress towards the goal. Addressing challenges such as resource allocation, data interpretation, and targeted support for diverse student populations will be essential for enhancing the effectiveness of future actions aimed at achieving the goal of creating a conducive learning environment for all students.

## A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

Reflecting on prior practice, our school has identified areas for refinement and enhancement in pursuit of our goal. As a result, several adjustments have been made for the coming year:

### Goal Refinement:

While maintaining our overarching goal of ensuring all students learn and achieve in a safe, secure, effective, and rigorous learning environment, we have refined our focus to emphasize sustained growth and consistency over time. This shift underscores our commitment to continuous improvement and long-term student success.

### Metrics and Desired Outcomes:

In response to fluctuations observed in previous years, we have revised our metrics and desired outcomes to prioritize consistency and sustainable growth. Rather than solely focusing on short-term progress, we will place greater emphasis on trajectory and trend analysis to ensure that our efforts result in enduring improvements.

### Actions:

Building upon our reflections on prior practice, we have identified specific actions to enhance the effectiveness of our initiatives:

**Adjustment to i-Ready Diagnostic Proctoring:** We will implement revised procedures for administering i-Ready diagnostic assessments to ensure greater reliability and validity of data collection. This will enable more accurate monitoring of student progress and early identification of areas requiring intervention.

**Early Review of Typical i-Ready Growth:** To proactively monitor our progress towards growth targets, we will conduct an early review of Typical i-Ready growth during diagnostic 2. This will allow us to promptly identify deviations from our growth plan and make necessary adjustments to stay on course.

**Development and Refinement of ELD Plan:** Recognizing the importance of providing targeted support to English Learners, we will further develop and refine our English Language Development (ELD) plan. This includes the hiring of additional ELD teachers to better serve the needs of our ELD students and their families, fostering growth and proficiency in English language skills.

These changes reflect our commitment to leveraging insights from prior practice to refine our strategies and actions for the coming year. By focusing on sustainability, consistency, and targeted support, we aim to maximize the impact of our efforts in creating an inclusive and conducive learning environment for all students.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Goals and Actions

### Goal

| Goal # | Description  |
|--------|--|
| 2      | All stakeholder groups will demonstrate active engagement in the school program. |

### Measuring and Reporting Results

| Metric                                    | Baseline   | Year 1 Outcome   | Year 2 Outcome   | Year 3 Outcome   | Desired Outcome for 2023–24   |
|---|--|--|--|--|---|
| Maintain a high rate of biweekly contacts | In 2019-2020, the average biweekly contact rate was 82.7%      | In 2020-2021, the average biweekly contact rate was 94.9%      | In 2021-2022, the average biweekly contact rate was 99.3%      | As of January 2024, the average biweekly contact rate was 98%. | The desired outcome for 2023-2024 is an average biweekly contact rate of 99.37%         |
| Decrease chronic absenteeism              | The 2020-2021 chronic absenteeism rate after month 7 was 6.44% | The 2021-2022 chronic absenteeism rate after month 7 was 6.95% | The 2022-2023 chronic absenteeism rate after month 7 was 5.16% | The chronic absenteeism rate after month 3 was 4.05%           | The desired outcome for 2023-2024 month 7 chronic absenteeism rate will be less than 5% |
| Maintain a low suspension rate            | The 2019-2020 suspension rate was 0%                           | The 2020-2021 suspension rate was 0%                           | The 2021-2022 suspension rate was 0%                           | As of January 2024, our suspension rate was 0%.                | The desired outcome for 2023-2024 is 0%   |

### Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

The comprehensive execution of our outlined actions and services has been achieved in accordance with the plan.

Previous Year Implementation:

Biweekly Contact (Action 1): The implementation of biweekly contact, including both in-person and virtual engagement, was highly successful. The high rate of contact indicates a proactive approach to staying connected with students and fostering ongoing communication between the school and families.

Chronic Absenteeism (Action 2): While efforts to decrease chronic absenteeism were made, the effectiveness of this action was marginal, resulting in less significant improvements. Despite initiatives to address absenteeism, some challenges may have persisted, contributing to limited progress in reducing absentee rates.

Suspension Rate (Action 3): The maintenance of a low suspension rate was achieved, indicating successful efforts to promote positive behavior and resolve disciplinary issues through alternative means.

Substantive Differences in Planned Actions vs. Actual Implementation:

Biweekly Contact (Action 1): The planned action to maintain a high rate of biweekly contacts was successfully implemented as described, with both in-person and virtual engagement strategies effectively utilized. The high rate of contact suggests a commitment to fostering strong connections with students and families, promoting engagement in the school program.

Chronic Absenteeism (Action 2): While the planned action aimed to decrease chronic absenteeism, the actual implementation yielded marginal effectiveness. Despite efforts, chronic absenteeism rates may not have decreased as significantly as anticipated for all student groups, indicating a need for further targeted interventions and support mechanisms to address underlying causes of absenteeism.

Suspension Rate (Action 3): The planned action to maintain a low suspension rate was achieved, reflecting successful implementation efforts to promote positive behavior and address disciplinary issues proactively. However, it's crucial to sustain these efforts to ensure continued success in maintaining a safe and supportive learning environment.

In summary, while the implementation of biweekly contact and maintenance of a low suspension rate was highly successful, efforts to decrease chronic absenteeism showed varying degrees of effectiveness for the different student groups. Addressing challenges related to absenteeism will be crucial for achieving desired outcomes in these areas in the future.

#### An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Material differences between budgeted and actual expenditures may have arisen due to unforeseen expenses such as additional staffing for support services or professional development for staff training.

Adjustments to the budget may have been necessary to accommodate unexpected costs or reallocate resources to address emerging needs, resulting in differences between budgeted and actual expenditures.

Planned Percentages of Improved Services vs. Estimated Actual Percentages of Improved Services:

Material differences between planned and actual percentages of improved services may have occurred due to challenges in fully implementing planned actions or achieving desired outcomes.

Factors such as limited resources, logistical constraints, and unforeseen circumstances may have impacted the ability to deliver services as planned, resulting in disparities between planned and actual percentages of improved services.

In summary, while the implementation of actions to achieve the articulated goal encountered challenges, successes were also observed.

Material differences between budgeted and actual expenditures and planned vs. actual percentages of improved services may reflect the dynamic nature of addressing complex educational issues and the need for flexibility in resource allocation.

## An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

During the three-year LCAP cycle, the effectiveness of specific actions in making progress toward the articulated goal varied:

### Biweekly Contact:

**Effectiveness:** The action of maintaining high rates of biweekly contact, including in-person and virtual engagement, was generally effective. Regular communication with students and families fostered a sense of connection and support, contributing to improved student engagement and participation in the school program.

**Ineffectiveness:** However, some challenges such as inconsistent access to communication channels for some students and varying family circumstances may have limited the effectiveness of biweekly contact in reaching all student groups and families consistently. The importance of biweekly calls remains in order to reach every student and family so as to harness their engagement in our school.

### Chronic Absenteeism:

**Effectiveness:** Efforts to decrease chronic absenteeism showed mixed effectiveness across student groups. While some progress has been made in addressing absenteeism through better attendance tracking, attendance incentives, and support services, the overall need for growth in this area remains.

**Ineffectiveness:** Challenges such as complex family situations, health concerns, and socio-economic factors may have persisted, hindering the effectiveness of interventions in reducing chronic absenteeism rates significantly.

### Suspension Rate:

**Effectiveness:** The action of maintaining a low suspension rate was effective. Implementation of positive behavior management strategies and alternative disciplinary measures contributed to a supportive and inclusive school environment.

**Ineffectiveness:** Despite successes, maintaining a low suspension rate uniformly across all student groups is a large focus and area of need in order to maintain quality engagement and involvement in our school.

Overall, while specific actions undertaken during the LCAP cycle demonstrated varying degrees of effectiveness, there were both successes and areas for improvement. Addressing the successes and challenges related to these actions will be essential for enhancing the effectiveness of future actions aimed at achieving the articulated goal of creating a safe, supportive, and engaging learning environment for all students.

## A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

While there were no changes made to the goal itself, reflections on prior practice and analysis of data from the Dashboard or other local sources have led to adjustments in expected outcomes, metrics, and actions to achieve the goal for the coming year. Here are the key changes made:

### Expected Outcomes:

Following analysis of prior practice and data, there is a renewed focus on refining expected outcomes to ensure they are more specific, measurable, achievable, relevant, and time-bound (SMART). This will enable clearer assessment of progress and facilitate targeted interventions as needed.

### Metrics:

Metrics have been adjusted to align more closely with the refined expected outcomes. This will involve selecting more relevant and informative indicators to track progress towards the goal. For example, rather than measuring overall attendance rates, the focus will shift to tracking attendance rates for specific student subgroups or identifying early warning indicators of chronic absenteeism.

**Actions:**

Based on reflections on prior practice and data analysis, adjustments have been made to actions aimed at achieving the goal. This could include refining existing strategies, introducing new initiatives, or reallocating resources to address emerging needs and challenges.

Overall, while the overarching goal remains unchanged, these adjustments in expected outcomes, metrics, and actions reflect a commitment to continuous improvement and evidence-based decision-making. By refining strategies and aligning efforts more closely with identified needs and priorities, we aim to enhance the effectiveness and impact of our initiatives in creating positive outcomes for students.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Goals and Actions

### Goal

| Goal # | Description  |
|--------|--|
| 3      | All students will graduate with the knowledge and skills needed for college and careers. |

### Measuring and Reporting Results

| Metric  | Baseline   | Year 1 Outcome   | Year 2 Outcome  | Year 3 Outcome   | Desired Outcome for 2023–24   |
|---|--|--|---|--|---|
| Increase the course pass rates within our in house credit recovery program known as Project Success | In 2019-2020, the average course pass rate was 75.3%                           | In 2020-2021, the average course pass rate was 87.8%                           | In 2021-2022, the average course pass rate was 93%                            | 23-24 School year quarter one results in project success were 95.2% (This is an annual goal) | The desired outcome for 2023-2024 is an average course pass rate of 93.7% |
| Increase summer school course pass rates  | In the summer of 2020, the course pass rates was 77%                           | In the summer of 2021, the course pass rates was 72%                           | In the summer of 2022, the course pass rates was 85%                          | In the summer of 2023 the course pass rates was 83%  | The desired outcome for the summer of 2023 is 86.5%                       |
| Increase graduation rates   | The 2019-2020 grad rate was 55.3%  | The 2020-2021 grad rate was 68.1%  | The 2021-2022 grad rate was 78.2%   | The 2022-2023 grad rate was 77.3%  | The desired outcome for the 2023-2024 grad rate is 80.4%                  |
| Increase the percentage of students completing a-g requirements.                                    | In 2019-2020, the percentage of students completing a-g requirements was 11.1% | In 2020-2021, the percentage of students completing a-g requirements was 12.8% | In 2021-2022, the percentage of students completing a-g requirements was 9.5% | In 2022-2023, the percentage of students completing a-g requirements was 25%                 | The desired outcome for the 2023-2024 school year is 18.6%                |

### Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

In the previous year, the overarching goal of ensuring all students graduate with the knowledge and skills necessary for college and careers was approached through several specific actions.

Increase course pass rates within Project Success:

- Planned Action: Focus on improving the pass rates within the in-house credit recovery program.
- Actual Implementation: There was impressive growth observed, indicating successful implementation. However, sustaining this growth remains a priority.

Increase summer school course pass rates:

- Planned Action: Enhance efforts to improve pass rates during summer school sessions.
- Actual Implementation: While there has been some growth in pass rates in most years, we are dedicated to increasing our Summer School pass rates beyond their current state in order to help our high students remain successful in high school and reach graduation and beyond.

Increase graduation rates:

- Planned Action: Implement strategies to boost graduation rates.
- Actual Implementation: There has been some growth in graduation rates, but it's noted that continued focus and diligence are required. Identifying and addressing barriers to graduation will continue to be a priority.

Increase the percentage of students completing a-g requirements:

- Planned Action: Increase efforts to ensure more students complete the necessary requirements for college admission.
- Actual Implementation: Growth in this area has been good, but the College Career Indicator (CCI) remains low on the dashboard. This suggests that while progress has been made, there are still challenges to overcome.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Material differences between budgeted and actual expenditures may have arisen due to unforeseen expenses, such as additional staffing for support services or professional development for staff training. Adjustments to the budget have been necessary to accommodate unexpected costs or reallocate resources to address emerging needs, resulting in variations between planned and actual expenditures. The variations between budgeted and actual expenditures, as well as planned and actual percentages of improved services, underscore the dynamic nature of addressing complex educational issues and the importance of flexibility in resource allocation and service delivery.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

Over the three-year LCAP cycle, the effectiveness of specific actions in making progress toward the goal of ensuring all students graduate with the knowledge and skills needed for college and careers varied. Action 1, which aimed to increase course pass rates within Project

Success, demonstrated effectiveness as evidenced by the observed tremendous growth in pass rates. This action contributed positively to the overall goal by providing struggling students with the opportunity to recover credits and stay on track for graduation. Action 2, targeting the increase of summer school course pass rates, showed effectiveness, with some growth observed in most years. This action contributed to progress by providing additional opportunities for students to complete coursework. Action 3, focused on increasing graduation rates, showed mixed effectiveness. While there was some growth, the need for continued focus and diligence to best serve our students must be continued. Action 4, aimed at increasing the percentage of students completing A-G requirements, demonstrated effectiveness with good growth observed. However, the low College Career Indicator (CCI) on the dashboard suggests that despite progress in this area, there are still challenges to overcome in fully preparing students for college and careers. In summary, while some actions were effective in producing the desired results, others showed varying degrees of effectiveness over the three-year LCAP cycle.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

Following reflections on prior practice and analysis of data provided in the Dashboard or other local data sources, the metrics for the planned goals have been adapted to meet our student needs. Firstly, there's a renewed emphasis on Action 2, which aims to increase summer school course pass rates. Despite moderate growth in previous years, it's evident that additional efforts are needed to achieve continued growth in this area. Additionally, Action 3, focused on increasing graduation rates, will undergo revisions to address identified challenges more effectively. This may involve implementing targeted interventions for at-risk students and enhancing counseling, homeroom teacher, and support services. Furthermore, Action 4, aimed at increasing the percentage of students completing A-G requirements, will continue with a focus on maintaining growth while addressing the underlying factors contributing to the low College Career Indicator (CCI) on the dashboard. This includes refining curriculum offerings, providing additional support for students struggling with specific A-G courses, and increasing the ability to better monitor all aspects of CCI, especially A-G offerings and requirements. Overall, these adjustments reflect a commitment to continuous improvement and a proactive approach to addressing challenges identified through reflection and data analysis.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Instructions

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).

Complete the prompts as instructed for each goal included in the 2023–24 LCAP. Duplicate the tables as needed. The 2023–24 LCAP Annual Update must be included with the 2024–25 LCAP.

## Goals and Actions

### Goal(s)

#### Description:

Copy and paste verbatim from the 2023–24 LCAP.

#### Measuring and Reporting Results

- Copy and paste verbatim from the 2023–24 LCAP.

#### Metric:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Baseline:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Year 1 Outcome:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Year 2 Outcome:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Year 3 Outcome:

- When completing the 2023–24 LCAP Annual Update, enter the most recent data available. Indicate the school year to which the data applies.

#### Desired Outcome for 2023–24:

- Copy and paste verbatim from the 2023–24 LCAP.

Timeline for completing the “**Measuring and Reporting Results**” part of the Goal.

| Metric   | Baseline                                       | Year 1 Outcome                                 | Year 2 Outcome                                 | Year 3 Outcome  | Desired Outcome for Year 3 (2023–24)           |
|--|--|--|--|---|--|
| Copy and paste verbatim from the 2023–24 LCAP. | Copy and paste verbatim from the 2023–24 LCAP. | Copy and paste verbatim from the 2023–24 LCAP. | Copy and paste verbatim from the 2023–24 LCAP. | Enter information in this box when completing the 2023–24 LCAP Annual Update. | Copy and paste verbatim from the 2023–24 LCAP. |

## Goal Analysis

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

A description of any substantive differences in planned actions and actual implementation of these actions.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

- Describe the effectiveness or ineffectiveness of the specific actions in making progress toward the goal during the three-year LCAP cycle. “Effectiveness” means the degree to which the actions were successful in producing the desired result and “ineffectiveness” means that the actions did not produce any significant or desired result.
  - In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
  - When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
  - Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
  - As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:
    - The reasons for the ineffectiveness, and
    - How changes to the action will result in a new or strengthened approach.

California Department of Education  
November 2023

# 2023–24 Local Control and Accountability Plan Annual Update

The instructions for completing the 2023–24 Local Control and Accountability Plan (LCAP) Annual Update follow the template.

| Local Educational Agency (LEA) Name                | Contact Name and Title               | Email and Phone                             |
|--|--------------------------------------|---|
| California Connections Academy Southern California | Dr. Richard Savage<br>Superintendent | rsavage@californiaops.org<br>(949) 461-1667 |

## Goals and Actions

### Goal

| Goal # | Description  |
|--------|--|
| 1      | All students will learn and achieve in a safe, secure, effective, and rigorous learning environment. |

### Measuring and Reporting Results

| Metric   | Baseline  | Year 1 Outcome   | Year 2 Outcome  | Year 3 Outcome  | Desired Outcome for 2023–24  |
|--|---|--|---|---|--|
| The median percent progress towards Typical Growth in Reading as measured by i-Ready | In 2019-2020, the median percent progress towards Typical Growth in Reading was 80% | In 2020-2021, the median percent progress towards Typical Growth in Reading was 100% | In 2021-2022, the median percent progress towards Typical Growth in Reading was 83% | In 2023-2024, the median percent progress towards Typical Growth after the first two diagnostics (through month 6) in Reading was 67.5% | The desired outcome for 2023-2024, the median percent progress towards Typical Growth in Reading will be 84.7% |
| The median percent progress towards Typical Growth in Math as measured by i-Ready    | In 2019-2020, the median percent progress towards Typical Growth in Math was 71%    | In 2020-2021 the median percent progress towards Typical Growth in Math was 86%      | In 2021-2022 the median percent progress towards Typical Growth in Math was 79%     | In 2023-2024, the median percent progress towards Typical Growth after the first two diagnostics (through month 6) in Math was 57%      | The desired outcome for 2023-2024 the median percent progress towards Typical Growth in Math will be 81.1%     |
| Increase English Learner reclassification rates                                      | In 2020-2021 the RFEP rate was 12.3%  | In 2021-2022 the RFEP rate was 8.61%   | In 2022-2023 the RFEP rate was 9.24%  | In 2023-2024, the RFEP rate through month 8 was 8.96%   | The desired outcome for 2023-2024 is an RFEP rate of 18.32%  |

### Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

The comprehensive execution of our outlined actions has been achieved in accordance with the plan, however, we understand the need for consistency and continued growth.

Previous Year Implementation:

Action 1: The median percent progress towards Typical Growth in Reading, as measured by i-Ready, was tracked throughout the previous cycle. Students' progress towards meeting typical growth expectations in reading was monitored regularly using i-Ready assessments. This data provided insights into individual student growth and overall trends in reading proficiency within the learning environment.

Action 2: Similarly, the median percent progress towards Typical Growth in Math, as measured by i-Ready, was monitored consistently. Students' progress in math proficiency was assessed using i-Ready assessments, allowing educators to identify areas of strength and weakness in mathematical skills and adjust instruction accordingly.

Action 3: Efforts were made to increase English Learner reclassification rates, indicating progress towards providing effective language support and instruction. Strategies such as targeted English language development programs and individualized support for English Learners were implemented to facilitate their progress towards proficiency and subsequent reclassification.

Substantive Differences in Planned Actions vs. Actual Implementation:

Action 1 & 2: While the planned actions for monitoring progress in reading and math proficiency were carried out as intended, there have been variances in the degree of implementation across different grade levels or student populations. It's essential to assess whether all subgroups received equitable support and resources to ensure consistent progress towards typical growth.

Action 3: The planned action to increase English Learner reclassification rates has encountered challenges related to resource allocation, language support services, or individual student needs. Substantive differences may exist in the extent to which specific strategies were effective in facilitating English Learner progress and reclassification.

Overall, the analysis of actual outcome data, including i-Ready assessments and English Learner reclassification rates, provides insights into the effectiveness of the planned actions in creating a safe, secure, effective, and rigorous learning environment for all students. Evaluating progress towards typical growth in reading and math, as well as English Learner reclassification rates, allows for targeted interventions and adjustments to instructional practices to ensure that all students have the opportunity to learn and achieve.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

In some cases, there is variation in the budgeted and estimated actuals as a result of changes in personnel costs. We will continue to ensure students in all areas and levels are able to utilize the services provided as well.

The overall implementation of actions to achieve the articulated goal involved navigating various challenges while striving for success.

Despite material differences between budgeted and actual expenditures and planned vs. actual percentages of improved services, we demonstrated resilience and adaptability in addressing the needs of all students within the learning environment.

## An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

During the three-year LCAP cycle, the specific actions implemented to achieve the goal of ensuring all students learn and achieve in a safe, secure, effective, and rigorous learning environment have demonstrated varying degrees of effectiveness:

### Monitoring Progress in Reading and Math:

**Effectiveness:** The action of monitoring progress in reading and math using i-Ready assessments has generally been effective in providing valuable data for identifying areas of improvement and informing instructional practices. Regular assessment allowed educators to track individual student growth and adjust interventions accordingly.

**Ineffectiveness:** However, there were instances where the effectiveness of this action was hindered by challenges such as inconsistent participation in assessments, logistical hurdles in administering assessments, and difficulties in interpreting and utilizing assessment data effectively. These challenges may have led to less accurate or timely interventions for students in need of support.

### Increasing English Learner Reclassification Rates:

**Effectiveness:** Efforts to increase English Learner reclassification rates have shown some effectiveness, particularly through the implementation of targeted English language development programs and individualized support for English Learners. Progress has been observed in some cohorts of English Learners, indicating that these interventions have had a positive impact.

**Ineffectiveness:** Despite efforts, there were some challenges in achieving significant increases in reclassification rates across all English Learner subgroups. Limited resources, staffing constraints, and the complexity of language acquisition for diverse student populations may have contributed to the ineffectiveness of this action in producing desired results uniformly across all student groups in all cycle years.

Overall, while the specific actions undertaken during the three-year LCAP cycle have shown varying degrees of effectiveness, there is room for improvement in ensuring consistent progress towards the goal. Addressing challenges such as resource allocation, data interpretation, and targeted support for diverse student populations will be essential for enhancing the effectiveness of future actions aimed at achieving the goal of creating a conducive learning environment for all students.

## A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

Reflecting on prior practice, our school has identified areas for refinement and enhancement in pursuit of our goal. As a result, several adjustments have been made for the coming year:

### Goal Refinement:

While maintaining our overarching goal of ensuring all students learn and achieve in a safe, secure, effective, and rigorous learning environment, we have refined our focus to emphasize sustained growth and consistency over time. This shift underscores our commitment to continuous improvement and long-term student success.

### Metrics and Desired Outcomes:

In response to fluctuations observed in previous years, we have revised our metrics and desired outcomes to prioritize consistency and sustainable growth. Rather than solely focusing on short-term progress, we will place greater emphasis on trajectory and trend analysis to ensure that our efforts result in enduring improvements.

### Actions:

Building upon our reflections on prior practice, we have identified specific actions to enhance the effectiveness of our initiatives:

**Adjustment to i-Ready Diagnostic Proctoring:** We will implement revised procedures for administering i-Ready diagnostic assessments to ensure greater reliability and validity of data collection. This will enable more accurate monitoring of student progress and early identification of areas requiring intervention.

**Early Review of Typical i-Ready Growth:** To proactively monitor our progress towards growth targets, we will conduct an early review of Typical i-Ready growth during diagnostic 2. This will allow us to promptly identify deviations from our growth plan and make necessary adjustments to stay on course.

**Development and Refinement of ELD Plan:** Recognizing the importance of providing targeted support to English Learners, we will further develop and refine our English Language Development (ELD) plan. This includes the hiring of additional ELD teachers to better serve the needs of our ELD students and their families, fostering growth and proficiency in English language skills.

These changes reflect our commitment to leveraging insights from prior practice to refine our strategies and actions for the coming year. By focusing on sustainability, consistency, and targeted support, we aim to maximize the impact of our efforts in creating an inclusive and conducive learning environment for all students.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Goals and Actions

### Goal

| Goal # | Description  |
|--------|--|
| 2      | All stakeholder groups will demonstrate active engagement in the school program. |

### Measuring and Reporting Results

| Metric                                    | Baseline   | Year 1 Outcome   | Year 2 Outcome   | Year 3 Outcome   | Desired Outcome for 2023–24  |
|---|--|--|--|--|--|
| Maintain a high rate of biweekly contacts | In 2019-2020, the average biweekly contact rate was 82.7%      | In 2020-2021, the average biweekly contact rate was 94.9%      | In 2021-2022, the average biweekly contact rate was 99.3%      | At the end of quarter 1 of the 23-24 school year, the average biweekly contact rate was 98%. | The desired outcome for 2023-2024 is an average biweekly contact rate of 99.37%.         |
| Decrease chronic absenteeism              | The 2020-2021 chronic absenteeism rate after month 7 was 6.44% | The 2021-2022 chronic absenteeism rate after month 7 was 6.95% | The 2022-2023 chronic absenteeism rate after month 7 was 5.16% | The chronic absenteeism rate after month 3 was 4.05%   | The desired outcome for 2023-2024 month 7 chronic absenteeism rate will be less than 5%. |
| Maintain a low suspension rate            | The 2019-2020 suspension rate was 0%                           | The 2020-2021 suspension rate was 0%                           | The 2021-2022 suspension rate was 0%                           | As of January 2024, our suspension rate was 0%.  | The desired outcome for 2023-2024 is 0%  |

### Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

The comprehensive execution of our outlined actions and services has been achieved in accordance with the plan.

Previous Year Implementation:

Biweekly Contact (Action 1): The implementation of biweekly contact, including both in-person and virtual engagement, was highly successful. The high rate of contact indicates a proactive approach to staying connected with students and fostering ongoing communication between the school and families.

Chronic Absenteeism (Action 2): While efforts to decrease chronic absenteeism were made, the effectiveness of this action was marginal, resulting in less significant improvements. Despite initiatives to address absenteeism, some challenges may have persisted, contributing to limited progress in reducing absentee rates.

Suspension Rate (Action 3): The maintenance of a low suspension rate was achieved, indicating successful efforts to promote positive behavior and resolve disciplinary issues through alternative means.

Substantive Differences in Planned Actions vs. Actual Implementation:

Biweekly Contact (Action 1): The planned action to maintain a high rate of biweekly contacts was successfully implemented as described, with both in-person and virtual engagement strategies effectively utilized. The high rate of contact suggests a commitment to fostering strong connections with students and families, promoting engagement in the school program.

Chronic Absenteeism (Action 2): While the planned action aimed to decrease chronic absenteeism, the actual implementation yielded marginal effectiveness. Despite efforts, chronic absenteeism rates may not have decreased as significantly as anticipated for all student groups, indicating a need for further targeted interventions and support mechanisms to address underlying causes of absenteeism.

Suspension Rate (Action 3): The planned action to maintain a low suspension rate was achieved, reflecting successful implementation efforts to promote positive behavior and address disciplinary issues proactively. However, it's crucial to sustain these efforts to ensure continued success in maintaining a safe and supportive learning environment.

In summary, while the implementation of biweekly contact and maintenance of a low suspension rate was highly successful, efforts to decrease chronic absenteeism showed varying degrees of effectiveness for the different student groups. Addressing challenges related to absenteeism will be crucial for achieving desired outcomes in these areas in the future.

#### An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Material differences between budgeted and actual expenditures may have arisen due to unforeseen expenses such as additional staffing for support services or professional development for staff training.

Adjustments to the budget may have been necessary to accommodate unexpected costs or reallocate resources to address emerging needs, resulting in differences between budgeted and actual expenditures.

Planned Percentages of Improved Services vs. Estimated Actual Percentages of Improved Services:

Material differences between planned and actual percentages of improved services may have occurred due to challenges in fully implementing planned actions or achieving desired outcomes.

Factors such as limited resources, logistical constraints, and unforeseen circumstances may have impacted the ability to deliver services as planned, resulting in disparities between planned and actual percentages of improved services.

In summary, while the implementation of actions to achieve the articulated goal encountered challenges, successes were also observed.

Material differences between budgeted and actual expenditures and planned vs. actual percentages of improved services may reflect the dynamic nature of addressing complex educational issues and the need for flexibility in resource allocation.

## An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

During the three-year LCAP cycle, the effectiveness of specific actions in making progress toward the articulated goal varied:

### Biweekly Contact:

**Effectiveness:** The action of maintaining high rates of biweekly contact, including in-person and virtual engagement, was generally effective. Regular communication with students and families fostered a sense of connection and support, contributing to improved student engagement and participation in the school program.

**Ineffectiveness:** However, some challenges such as inconsistent access to communication channels for some students and varying family circumstances may have limited the effectiveness of biweekly contact in reaching all student groups and families consistently. The importance of biweekly calls remains in order to reach every student and family so as to harness their engagement in our school.

### Chronic Absenteeism:

**Effectiveness:** Efforts to decrease chronic absenteeism showed mixed effectiveness across student groups. While some progress has been made in addressing absenteeism through better attendance tracking, attendance incentives, and support services, the overall need for growth in this area remains.

**Ineffectiveness:** Challenges such as complex family situations, health concerns, and socio-economic factors may have persisted, hindering the effectiveness of interventions in reducing chronic absenteeism rates significantly.

### Suspension Rate:

**Effectiveness:** The action of maintaining a low suspension rate was effective. Implementation of positive behavior management strategies and alternative disciplinary measures contributed to a supportive and inclusive school environment.

**Ineffectiveness:** Despite successes, maintaining a low suspension rate uniformly across all student groups is a large focus and area of need in order to maintain quality engagement and involvement in our school.

Overall, while specific actions undertaken during the LCAP cycle demonstrated varying degrees of effectiveness, there were both successes and areas for improvement. Addressing the successes and challenges related to these actions will be essential for enhancing the effectiveness of future actions aimed at achieving the articulated goal of creating a safe, supportive, and engaging learning environment for all students.

## A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

While there were no changes made to the goal itself, reflections on prior practice and analysis of data from the Dashboard or other local sources have led to adjustments in expected outcomes, metrics, and actions to achieve the goal for the coming year. Here are the key changes made:

### Expected Outcomes:

Following analysis of prior practice and data, there is a renewed focus on refining expected outcomes to ensure they are more specific, measurable, achievable, relevant, and time-bound (SMART). This will enable clearer assessment of progress and facilitate targeted interventions as needed.

### Metrics:

Metrics have been adjusted to align more closely with the refined expected outcomes. This will involve selecting more relevant and informative indicators to track progress towards the goal. For example, rather than measuring overall attendance rates, the focus will shift to tracking attendance rates for specific student subgroups or identifying early warning indicators of chronic absenteeism.

**Actions:**

Based on reflections on prior practice and data analysis, adjustments have been made to actions aimed at achieving the goal. This could include refining existing strategies, introducing new initiatives, or reallocating resources to address emerging needs and challenges.

Overall, while the overarching goal remains unchanged, these adjustments in expected outcomes, metrics, and actions reflect a commitment to continuous improvement and evidence-based decision-making. By refining strategies and aligning efforts more closely with identified needs and priorities, we aim to enhance the effectiveness and impact of our initiatives in creating positive outcomes for students.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Goals and Actions

### Goal

| Goal # | Description  |
|--------|--|
| 3      | All students will graduate with the knowledge and skills needed for college and careers. |

### Measuring and Reporting Results

| Metric  | Baseline   | Year 1 Outcome   | Year 2 Outcome   | Year 3 Outcome   | Desired Outcome for 2023–24   |
|---|--|--|--|--|---|
| Increase the course pass rates within our in house credit recovery program known as Project Success | In 2019-2020, the average course pass rate was 75.3%                           | In 2020-2021 the average course pass rate was 87.8%                            | In 2021-2022 the average course pass rate was 93%                            | 23-24 School year quarter one results in project success were 95.2% (This is an annual goal) | The desired outcome for 2023-2024 is an average course pass rate of 93.7% |
| Increase summer school course pass rates  | In the summer of 2020, the course pass rates was 77%                           | In the summer of 2021 the course pass rates was 72%                            | In the summer of 2022 the course pass rates was 85%                          | In the summer of 2023 the course pass rates was 83%  | The desired outcome for the summer of 2023 is 86.5%.                      |
| Increase graduation rates   | The 2019-2020 grad rate was 67.2%  | The 2020-2021 grad rate was 75.1%  | The 2021-2022 grad rate was 86.3%  | The 2022-2023 grad rate was 78.4%  | The desired outcome for the 2023-2024 grad rate is 87.67%                 |
| Increase the percentage of students completing a-g requirements.                                    | In 2019-2020, the percentage of students completing a-g requirements was 17.1% | In 2020-2021, the percentage of students completing a-g requirements was 21.4% | In 2021-2022, the percentage of students completing a-g requirements was 24% | In 2022-2023, the percentage of students completing a-g requirements was 37%                 | The desired outcome for the 2023-2024 school year is 31.6%                |

### Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

In the previous year, the overarching goal of ensuring all students graduate with the knowledge and skills necessary for college and careers was approached through several specific actions.

Increase course pass rates within Project Success:

- Planned Action: Focus on improving the pass rates within the in-house credit recovery program.
- Actual Implementation: There was impressive growth observed, indicating successful implementation. However, sustaining this growth remains a priority.

Increase summer school course pass rates:

- Planned Action: Enhance efforts to improve pass rates during summer school sessions.
- Actual Implementation: While there has been some growth in pass rates in most years, we are dedicated to increasing our Summer School pass rates beyond their current state in order to help our high students remain successful in high school and reach graduation and beyond.

Increase graduation rates:

- Planned Action: Implement strategies to boost graduation rates.
- Actual Implementation: There has been some growth in graduation rates, but it's noted that continued focus and diligence are required. Identifying and addressing barriers to graduation will continue to be a priority.

Increase the percentage of students completing a-g requirements:

- Planned Action: Increase efforts to ensure more students complete the necessary requirements for college admission.
- Actual Implementation: Growth in this area has been good, but the College Career Indicator (CCI) remains low on the dashboard. This suggests that while progress has been made, there are still challenges to overcome.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Material differences between budgeted and actual expenditures may have arisen due to unforeseen expenses, such as additional staffing for support services or professional development for staff training. Adjustments to the budget have been necessary to accommodate unexpected costs or reallocate resources to address emerging needs, resulting in variations between planned and actual expenditures. The variations between budgeted and actual expenditures, as well as planned and actual percentages of improved services, underscore the dynamic nature of addressing complex educational issues and the importance of flexibility in resource allocation and service delivery.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

Over the three-year LCAP cycle, the effectiveness of specific actions in making progress toward the goal of ensuring all students graduate with the knowledge and skills needed for college and careers varied. Action 1, which aimed to increase course pass rates within Project

Success, demonstrated effectiveness as evidenced by the observed tremendous growth in pass rates. This action contributed positively to the overall goal by providing struggling students with the opportunity to recover credits and stay on track for graduation. Action 2, targeting the increase of summer school course pass rates, showed effectiveness, with some growth observed in most years. This action contributed to progress by providing additional opportunities for students to complete coursework. Action 3, focused on increasing graduation rates, showed mixed effectiveness. While there was some growth, the need for continued focus and diligence to best serve our students must be continued. Action 4, aimed at increasing the percentage of students completing A-G requirements, demonstrated effectiveness with good growth observed. However, the low College Career Indicator (CCI) on the dashboard suggests that despite progress in this area, there are still challenges to overcome in fully preparing students for college and careers. In summary, while some actions were effective in producing the desired results, others showed varying degrees of effectiveness over the three-year LCAP cycle.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

Following reflections on prior practice and analysis of data provided in the Dashboard or other local data sources, the metrics for the planned goals have been adapted to meet our student needs. Firstly, there's a renewed emphasis on Action 2, which aims to increase summer school course pass rates. Despite moderate growth in previous years, it's evident that additional efforts are needed to achieve continued growth in this area. Additionally, Action 3, focused on increasing graduation rates, will undergo revisions to address identified challenges more effectively. This may involve implementing targeted interventions for at-risk students and enhancing counseling, homeroom teacher, and support services. Furthermore, Action 4, aimed at increasing the percentage of students completing A-G requirements, will continue with a focus on maintaining growth while addressing the underlying factors contributing to the low College Career Indicator (CCI) on the dashboard. This includes refining curriculum offerings, providing additional support for students struggling with specific A-G courses, and increasing the ability to better monitor all aspects of CCI, especially A-G offerings and requirements. Overall, these adjustments reflect a commitment to continuous improvement and a proactive approach to addressing challenges identified through reflection and data analysis.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Instructions

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).

Complete the prompts as instructed for each goal included in the 2023–24 LCAP. Duplicate the tables as needed. The 2023–24 LCAP Annual Update must be included with the 2024–25 LCAP.

## Goals and Actions

### Goal(s)

#### Description:

Copy and paste verbatim from the 2023–24 LCAP.

#### Measuring and Reporting Results

- Copy and paste verbatim from the 2023–24 LCAP.

#### Metric:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Baseline:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Year 1 Outcome:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Year 2 Outcome:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Year 3 Outcome:

- When completing the 2023–24 LCAP Annual Update, enter the most recent data available. Indicate the school year to which the data applies.

#### Desired Outcome for 2023–24:

- Copy and paste verbatim from the 2023–24 LCAP.

Timeline for completing the “Measuring and Reporting Results” part of the Goal.

| Metric   | Baseline                                       | Year 1 Outcome                                 | Year 2 Outcome                                 | Year 3 Outcome  | Desired Outcome for Year 3 (2023–24)           |
|--|--|--|--|---|--|
| Copy and paste verbatim from the 2023–24 LCAP. | Copy and paste verbatim from the 2023–24 LCAP. | Copy and paste verbatim from the 2023–24 LCAP. | Copy and paste verbatim from the 2023–24 LCAP. | Enter information in this box when completing the 2023–24 LCAP Annual Update. | Copy and paste verbatim from the 2023–24 LCAP. |

## Goal Analysis

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

A description of any substantive differences in planned actions and actual implementation of these actions.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

- Describe the effectiveness or ineffectiveness of the specific actions in making progress toward the goal during the three-year LCAP cycle. “Effectiveness” means the degree to which the actions were successful in producing the desired result and “ineffectiveness” means that the actions did not produce any significant or desired result.
  - In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
  - When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
  - Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
  - As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:
    - The reasons for the ineffectiveness, and
    - How changes to the action will result in a new or strengthened approach.

California Department of Education  
November 2023

# 2023–24 Local Control and Accountability Plan Annual Update

The instructions for completing the 2023–24 Local Control and Accountability Plan (LCAP) Annual Update follow the template.

| Local Educational Agency (LEA) Name         | Contact Name and Title               | Email and Phone                           |
|---|--------------------------------------|---|
| California Connections Academy Monterey Bay | Dr. Richard Savage<br>Superintendent | rsavage@claiforniaops.org<br>949-461-1667 |

## Goals and Actions

### Goal

| Goal # | Description  |
|--------|--|
| 1      | All students will learn and achieve in a safe, secure, effective, and rigorous learning environment. |

### Measuring and Reporting Results

| Metric   | Baseline  | Year 1 Outcome   | Year 2 Outcome  | Year 3 Outcome  | Desired Outcome for 2023–24  |
|--|---|--|---|---|--|
| The median percent progress towards Typical Growth in Reading as measured by i-Ready | In 2019-2020, the median percent progress towards Typical Growth in Reading was 80% | In 2020-2021, the median percent progress towards Typical Growth in Reading was 100% | In 2021-2022, the median percent progress towards Typical Growth in Reading was 83% | In 2023-2024, the median percent progress towards Typical Growth after the first two diagnostics (through month 6) in Reading was 67.5% | The desired outcome for 2023-2024, the median percent progress towards Typical Growth in Reading will be 84.7% |
| The median percent progress towards Typical Growth in Math as measured by i-Ready    | In 2019-2020, the median percent progress towards Typical Growth in Math was 71%    | In 2020-2021, the median percent progress towards Typical Growth in Math was 86%     | In 2021-2022, the median percent progress towards Typical Growth in Math was 79%    | In 2023-2024, the median percent progress towards Typical Growth after the first two diagnostics (through month 6) in Math was 57%      | The desired outcome for 2023-2024, the median percent progress towards Typical Growth in Math will be 81.1%    |
| Increase English Learner reclassification rates                                      | In 2020-2021 the RFEP rate was 10%  | In 2021-2022 the RFEP rate was 8.33%   | In 2022-2023 the RFEP rate was 15.79%   | In January 2024 the RFEP rate is 0%   | The desired outcome for 2023-2024 is an RFEP rate of 24.21%  |

### Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

The comprehensive execution of our outlined actions has been achieved in accordance with the plan, however, we understand the need for consistency and continued growth.

Previous Year Implementation:

Action 1: The median percent progress towards Typical Growth in Reading, as measured by i-Ready, was tracked throughout the previous cycle. Students' progress towards meeting typical growth expectations in reading was monitored regularly using i-Ready assessments. This data provided insights into individual student growth and overall trends in reading proficiency within the learning environment.

Action 2: Similarly, the median percent progress towards Typical Growth in Math, as measured by i-Ready, was monitored consistently. Students' progress in math proficiency was assessed using i-Ready assessments, allowing educators to identify areas of strength and weakness in mathematical skills and adjust instruction accordingly.

Action 3: Efforts were made to increase English Learner reclassification rates, indicating progress towards providing effective language support and instruction. Strategies such as targeted English language development programs and individualized support for English Learners were implemented to facilitate their progress towards proficiency and subsequent reclassification.

Substantive Differences in Planned Actions vs. Actual Implementation:

Action 1 & 2: While the planned actions for monitoring progress in reading and math proficiency were carried out as intended, there have been variances in the degree of implementation across different grade levels or student populations. It's essential to assess whether all subgroups received equitable support and resources to ensure consistent progress towards typical growth.

Action 3: The planned action to increase English Learner reclassification rates has encountered challenges related to resource allocation, language support services, or individual student needs. Substantive differences may exist in the extent to which specific strategies were effective in facilitating English Learner progress and reclassification.

Overall, the analysis of actual outcome data, including i-Ready assessments and English Learner reclassification rates, provides insights into the effectiveness of the planned actions in creating a safe, secure, effective, and rigorous learning environment for all students. Evaluating progress towards typical growth in reading and math, as well as English Learner reclassification rates, allows for targeted interventions and adjustments to instructional practices to ensure that all students have the opportunity to learn and achieve.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

In some cases, there is variation in the budgeted and estimated actuals as a result of changes in personnel costs. We will continue to ensure students in all areas and levels are able to utilize the services provided as well.

The overall implementation of actions to achieve the articulated goal involved navigating various challenges while striving for success.

Despite material differences between budgeted and actual expenditures and planned vs. actual percentages of improved services, we demonstrated resilience and adaptability in addressing the needs of all students within the learning environment.

## An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

During the three-year LCAP cycle, the specific actions implemented to achieve the goal of ensuring all students learn and achieve in a safe, secure, effective, and rigorous learning environment have demonstrated varying degrees of effectiveness:

### Monitoring Progress in Reading and Math:

**Effectiveness:** The action of monitoring progress in reading and math using i-Ready assessments has generally been effective in providing valuable data for identifying areas of improvement and informing instructional practices. Regular assessment allowed educators to track individual student growth and adjust interventions accordingly.

**Ineffectiveness:** However, there were instances where the effectiveness of this action was hindered by challenges such as inconsistent participation in assessments, logistical hurdles in administering assessments, and difficulties in interpreting and utilizing assessment data effectively. These challenges may have led to less accurate or timely interventions for students in need of support.

### Increasing English Learner Reclassification Rates:

**Effectiveness:** Efforts to increase English Learner reclassification rates have shown some effectiveness, particularly through the implementation of targeted English language development programs and individualized support for English Learners. Progress has been observed in some cohorts of English Learners, indicating that these interventions have had a positive impact.

**Ineffectiveness:** Despite efforts, there were some challenges in achieving significant increases in reclassification rates across all English Learner subgroups. Limited resources, staffing constraints, and the complexity of language acquisition for diverse student populations may have contributed to the ineffectiveness of this action in producing desired results uniformly across all student groups in all cycle years.

Overall, while the specific actions undertaken during the three-year LCAP cycle have shown varying degrees of effectiveness, there is room for improvement in ensuring consistent progress towards the goal. Addressing challenges such as resource allocation, data interpretation, and targeted support for diverse student populations will be essential for enhancing the effectiveness of future actions aimed at achieving the goal of creating a conducive learning environment for all students.

## A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

Reflecting on prior practice, our school has identified areas for refinement and enhancement in pursuit of our goal. As a result, several adjustments have been made for the coming year:

### Goal Refinement:

While maintaining our overarching goal of ensuring all students learn and achieve in a safe, secure, effective, and rigorous learning environment, we have refined our focus to emphasize sustained growth and consistency over time. This shift underscores our commitment to continuous improvement and long-term student success.

### Metrics and Desired Outcomes:

In response to fluctuations observed in previous years, we have revised our metrics and desired outcomes to prioritize consistency and sustainable growth. Rather than solely focusing on short-term progress, we will place greater emphasis on trajectory and trend analysis to ensure that our efforts result in enduring improvements.

### Actions:

Building upon our reflections on prior practice, we have identified specific actions to enhance the effectiveness of our initiatives:

**Adjustment to i-Ready Diagnostic Proctoring:** We will implement revised procedures for administering i-Ready diagnostic assessments to ensure greater reliability and validity of data collection. This will enable more accurate monitoring of student progress and early identification of areas requiring intervention.

**Early Review of Typical i-Ready Growth:** To proactively monitor our progress towards growth targets, we will conduct an early review of Typical i-Ready growth during diagnostic 2. This will allow us to promptly identify deviations from our growth plan and make necessary adjustments to stay on course.

**Development and Refinement of ELD Plan:** Recognizing the importance of providing targeted support to English Learners, we will further develop and refine our English Language Development (ELD) plan. This includes the hiring of additional ELD teachers to better serve the needs of our ELD students and their families, fostering growth and proficiency in English language skills.

These changes reflect our commitment to leveraging insights from prior practice to refine our strategies and actions for the coming year. By focusing on sustainability, consistency, and targeted support, we aim to maximize the impact of our efforts in creating an inclusive and conducive learning environment for all students.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Goals and Actions

### Goal

| Goal # | Description  |
|--------|--|
| 2      | All stakeholder groups will demonstrate active engagement in the school program. |

### Measuring and Reporting Results

| Metric                                    | Baseline   | Year 1 Outcome   | Year 2 Outcome   | Year 3 Outcome   | Desired Outcome for 2023–24   |
|---|--|--|--|--|---|
| Maintain a high rate of biweekly contacts | In 2019-2020, the average biweekly contact rate was 82.7%      | In 2020-2021, the average biweekly contact rate was 94.9%      | In 2021-2022, the average biweekly contact rate was 99.3%      | As of January 2024, the average biweekly contact rate was 98%. | The desired outcome for 2023-2024 is an average biweekly contact rate of 99.37%         |
| Decrease chronic absenteeism              | The 2020-2021 chronic absenteeism rate after month 7 was 6.44% | The 2021-2022 chronic absenteeism rate after month 7 was 6.95% | The 2022-2023 chronic absenteeism rate after month 7 was 5.16% | The chronic absenteeism rate after month 3 was 4.05%           | The desired outcome for 2023-2024 month 7 chronic absenteeism rate will be less than 5% |
| Maintain a low suspension rate            | The 2019-2020 suspension rate was 0%                           | The 2020-2021 suspension rate was 0%                           | The 2021-2022 suspension rate was 0%                           | As of January 2024, our suspension rate was 0%.                | The desired outcome for 2023-2024 is 0%   |

### Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

The comprehensive execution of our outlined actions and services has been achieved in accordance with the plan.

Previous Year Implementation:

Biweekly Contact (Action 1): The implementation of biweekly contact, including both in-person and virtual engagement, was highly successful. The high rate of contact indicates a proactive approach to staying connected with students and fostering ongoing communication between the school and families.

Chronic Absenteeism (Action 2): While efforts to decrease chronic absenteeism were made, the effectiveness of this action was marginal, resulting in less significant improvements. Despite initiatives to address absenteeism, some challenges may have persisted, contributing to limited progress in reducing absentee rates.

Suspension Rate (Action 3): The maintenance of a low suspension rate was achieved, indicating successful efforts to promote positive behavior and resolve disciplinary issues through alternative means.

Substantive Differences in Planned Actions vs. Actual Implementation:

Biweekly Contact (Action 1): The planned action to maintain a high rate of biweekly contacts was successfully implemented as described, with both in-person and virtual engagement strategies effectively utilized. The high rate of contact suggests a commitment to fostering strong connections with students and families, promoting engagement in the school program.

Chronic Absenteeism (Action 2): While the planned action aimed to decrease chronic absenteeism, the actual implementation yielded marginal effectiveness. Despite efforts, chronic absenteeism rates may not have decreased as significantly as anticipated for all student groups, indicating a need for further targeted interventions and support mechanisms to address underlying causes of absenteeism.

Suspension Rate (Action 3): The planned action to maintain a low suspension rate was achieved, reflecting successful implementation efforts to promote positive behavior and address disciplinary issues proactively. However, it's crucial to sustain these efforts to ensure continued success in maintaining a safe and supportive learning environment.

In summary, while the implementation of biweekly contact and maintenance of a low suspension rate was highly successful, efforts to decrease chronic absenteeism showed varying degrees of effectiveness for the different student groups. Addressing challenges related to absenteeism will be crucial for achieving desired outcomes in these areas in the future.

#### An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Material differences between budgeted and actual expenditures may have arisen due to unforeseen expenses such as additional staffing for support services or professional development for staff training.

Adjustments to the budget may have been necessary to accommodate unexpected costs or reallocate resources to address emerging needs, resulting in differences between budgeted and actual expenditures.

Planned Percentages of Improved Services vs. Estimated Actual Percentages of Improved Services:

Material differences between planned and actual percentages of improved services may have occurred due to challenges in fully implementing planned actions or achieving desired outcomes.

Factors such as limited resources, logistical constraints, and unforeseen circumstances may have impacted the ability to deliver services as planned, resulting in disparities between planned and actual percentages of improved services.

In summary, while the implementation of actions to achieve the articulated goal encountered challenges, successes were also observed.

Material differences between budgeted and actual expenditures and planned vs. actual percentages of improved services may reflect the dynamic nature of addressing complex educational issues and the need for flexibility in resource allocation.

## An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

During the three-year LCAP cycle, the effectiveness of specific actions in making progress toward the articulated goal varied:

### Biweekly Contact:

**Effectiveness:** The action of maintaining high rates of biweekly contact, including in-person and virtual engagement, was generally effective. Regular communication with students and families fostered a sense of connection and support, contributing to improved student engagement and participation in the school program.

**Ineffectiveness:** However, some challenges such as inconsistent access to communication channels for some students and varying family circumstances may have limited the effectiveness of biweekly contact in reaching all student groups and families consistently. The importance of biweekly calls remains in order to reach every student and family so as to harness their engagement in our school.

### Chronic Absenteeism:

**Effectiveness:** Efforts to decrease chronic absenteeism showed mixed effectiveness across student groups. While some progress has been made in addressing absenteeism through better attendance tracking, attendance incentives, and support services, the overall need for growth in this area remains.

**Ineffectiveness:** Challenges such as complex family situations, health concerns, and socio-economic factors may have persisted, hindering the effectiveness of interventions in reducing chronic absenteeism rates significantly.

### Suspension Rate:

**Effectiveness:** The action of maintaining a low suspension rate was effective. Implementation of positive behavior management strategies and alternative disciplinary measures contributed to a supportive and inclusive school environment.

**Ineffectiveness:** Despite successes, maintaining a low suspension rate uniformly across all student groups is a large focus and area of need in order to maintain quality engagement and involvement in our school.

Overall, while specific actions undertaken during the LCAP cycle demonstrated varying degrees of effectiveness, there were both successes and areas for improvement. Addressing the successes and challenges related to these actions will be essential for enhancing the effectiveness of future actions aimed at achieving the articulated goal of creating a safe, supportive, and engaging learning environment for all students.

## A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

While there were no changes made to the goal itself, reflections on prior practice and analysis of data from the Dashboard or other local sources have led to adjustments in expected outcomes, metrics, and actions to achieve the goal for the coming year. Here are the key changes made:

### Expected Outcomes:

Following analysis of prior practice and data, there is a renewed focus on refining expected outcomes to ensure they are more specific, measurable, achievable, relevant, and time-bound (SMART). This will enable clearer assessment of progress and facilitate targeted interventions as needed.

### Metrics:

Metrics have been adjusted to align more closely with the refined expected outcomes. This will involve selecting more relevant and informative indicators to track progress towards the goal. For example, rather than measuring overall attendance rates, the focus will shift to tracking attendance rates for specific student subgroups or identifying early warning indicators of chronic absenteeism.

**Actions:**

Based on reflections on prior practice and data analysis, adjustments have been made to actions aimed at achieving the goal. This could include refining existing strategies, introducing new initiatives, or reallocating resources to address emerging needs and challenges.

Overall, while the overarching goal remains unchanged, these adjustments in expected outcomes, metrics, and actions reflect a commitment to continuous improvement and evidence-based decision-making. By refining strategies and aligning efforts more closely with identified needs and priorities, we aim to enhance the effectiveness and impact of our initiatives in creating positive outcomes for students.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Goals and Actions

### Goal

| Goal # | Description  |
|--------|--|
| 3      | All students will graduate with the knowledge and skills needed for college and careers. |

### Measuring and Reporting Results

| Metric  | Baseline   | Year 1 Outcome   | Year 2 Outcome   | Year 3 Outcome   | Desired Outcome for 2023–24   |
|---|--|--|--|--|---|
| Increase the course pass rates within our in house credit recovery program known as Project Success | In 2019-2020, the average course pass rate was 75.3% | In 2020-2021, the average course pass rate was 87.8%                           | In 2021-2022, the average course pass rate was 93%                             | 23-24 School year quarter one results in project success were 95.2% (This is an annual goal) | The desired outcome for 2023-2024 is an average course pass rate of 93.7% |
| Increase summer school course pass rates  | In the summer of 2020, the course pass rates was 77% | In the summer of 2021, the course pass rates was 72%                           | In the summer of 2022, the course pass rates was 85%                           | In the summer of 2023 the course pass rates was 83%  | The desired outcome for the summer of 2023 is 86.5%                       |
| Increase graduation rates   | The 2019-2020 grad rate was 50%                      | The 2020-2021 grad rate was 73.6%  | The 2021-2022 grad rate was 88.9%  | The 2022-2023 grad rate was 72.4%  | The desired outcome for the 2023-2024 grade rate is 90%.                  |
| Increase the percentage of students prepared and approaching prepared as defined by the CCI         | No baseline  | In 2020-2021, the percentage of students completing a-g requirements was 17.7% | In 2021-2022, the percentage of students completing a-g requirements was 25.4% | In 2022-2023, the percentage of students completing a-g requirements was 41%                 | The desired outcome for the 2023-2024 school year is 32.9%                |

### Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

In the previous year, the overarching goal of ensuring all students graduate with the knowledge and skills necessary for college and careers was approached through several specific actions.

Increase course pass rates within Project Success:

- Planned Action: Focus on improving the pass rates within the in-house credit recovery program.
- Actual Implementation: There was impressive growth observed, indicating successful implementation. However, sustaining this growth remains a priority.

Increase summer school course pass rates:

- Planned Action: Enhance efforts to improve pass rates during summer school sessions.
- Actual Implementation: While there has been some growth in pass rates in most years, we are dedicated to increasing our Summer School pass rates beyond their current state in order to help our high students remain successful in high school and reach graduation and beyond.

Increase graduation rates:

- Planned Action: Implement strategies to boost graduation rates.
- Actual Implementation: There has been some growth in graduation rates, but it's noted that continued focus and diligence are required. Identifying and addressing barriers to graduation will continue to be a priority.

Increase the percentage of students completing a-g requirements:

- Planned Action: Increase efforts to ensure more students complete the necessary requirements for college admission.
- Actual Implementation: Growth in this area has been good, but the College Career Indicator (CCI) remains low on the dashboard. This suggests that while progress has been made, there are still challenges to overcome.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Material differences between budgeted and actual expenditures may have arisen due to unforeseen expenses, such as additional staffing for support services or professional development for staff training. Adjustments to the budget have been necessary to accommodate unexpected costs or reallocate resources to address emerging needs, resulting in variations between planned and actual expenditures. The variations between budgeted and actual expenditures, as well as planned and actual percentages of improved services, underscore the dynamic nature of addressing complex educational issues and the importance of flexibility in resource allocation and service delivery.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

Over the three-year LCAP cycle, the effectiveness of specific actions in making progress toward the goal of ensuring all students graduate with the knowledge and skills needed for college and careers varied. Action 1, which aimed to increase course pass rates within Project

Success, demonstrated effectiveness as evidenced by the observed tremendous growth in pass rates. This action contributed positively to the overall goal by providing struggling students with the opportunity to recover credits and stay on track for graduation. Action 2, targeting the increase of summer school course pass rates, showed effectiveness, with some growth observed in most years. This action contributed to progress by providing additional opportunities for students to complete coursework. Action 3, focused on increasing graduation rates, showed mixed effectiveness. While there was some growth, the need for continued focus and diligence to best serve our students must be continued. Action 4, aimed at increasing the percentage of students completing A-G requirements, demonstrated effectiveness with good growth observed. However, the low College Career Indicator (CCI) on the dashboard suggests that despite progress in this area, there are still challenges to overcome in fully preparing students for college and careers. In summary, while some actions were effective in producing the desired results, others showed varying degrees of effectiveness over the three-year LCAP cycle.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

Following reflections on prior practice and analysis of data provided in the Dashboard or other local data sources, the metrics for the planned goals have been adapted to meet our student needs. Firstly, there's a renewed emphasis on Action 2, which aims to increase summer school course pass rates. Despite moderate growth in previous years, it's evident that additional efforts are needed to achieve continued growth in this area. Additionally, Action 3, focused on increasing graduation rates, will undergo revisions to address identified challenges more effectively. This may involve implementing targeted interventions for at-risk students and enhancing counseling, homeroom teacher, and support services. Furthermore, Action 4, aimed at increasing the percentage of students completing A-G requirements, will continue with a focus on maintaining growth while addressing the underlying factors contributing to the low College Career Indicator (CCI) on the dashboard. This includes refining curriculum offerings, providing additional support for students struggling with specific A-G courses, and increasing the ability to better monitor all aspects of CCI, especially A-G offerings and requirements. Overall, these adjustments reflect a commitment to continuous improvement and a proactive approach to addressing challenges identified through reflection and data analysis.

**A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.**

## Instructions

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).

Complete the prompts as instructed for each goal included in the 2023–24 LCAP. Duplicate the tables as needed. The 2023–24 LCAP Annual Update must be included with the 2024–25 LCAP.

## Goals and Actions

### Goal(s)

#### Description:

Copy and paste verbatim from the 2023–24 LCAP.

#### Measuring and Reporting Results

- Copy and paste verbatim from the 2023–24 LCAP.

#### Metric:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Baseline:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Year 1 Outcome:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Year 2 Outcome:

- Copy and paste verbatim from the 2023–24 LCAP.

#### Year 3 Outcome:

- When completing the 2023–24 LCAP Annual Update, enter the most recent data available. Indicate the school year to which the data applies.

#### Desired Outcome for 2023–24:

- Copy and paste verbatim from the 2023–24 LCAP.

Timeline for completing the “Measuring and Reporting Results” part of the Goal.

| Metric   | Baseline                                       | Year 1 Outcome                                 | Year 2 Outcome                                 | Year 3 Outcome  | Desired Outcome for Year 3 (2023–24)           |
|--|--|--|--|---|--|
| Copy and paste verbatim from the 2023–24 LCAP. | Copy and paste verbatim from the 2023–24 LCAP. | Copy and paste verbatim from the 2023–24 LCAP. | Copy and paste verbatim from the 2023–24 LCAP. | Enter information in this box when completing the 2023–24 LCAP Annual Update. | Copy and paste verbatim from the 2023–24 LCAP. |

## Goal Analysis

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

A description of any substantive differences in planned actions and actual implementation of these actions.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

- Describe the effectiveness or ineffectiveness of the specific actions in making progress toward the goal during the three-year LCAP cycle. “Effectiveness” means the degree to which the actions were successful in producing the desired result and “ineffectiveness” means that the actions did not produce any significant or desired result.
  - In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
  - When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
  - Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
  - As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:
    - The reasons for the ineffectiveness, and
    - How changes to the action will result in a new or strengthened approach.

California Department of Education  
November 2023

## Plan Summary [2024-25]

### General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

California Connections Academy Central Coast serves students in grades TK-12 through an online program under California's independent study laws, operating as a non-classroom based public charter school. The school operates under a charter authorized by Cuyama Joint Unified School District, and enrolls students in three counties: Santa Barbara, Ventura, and San Louis Obispo. In the 2019-2020 school year, the school opened its doors for the first time. The school is governed by the non-profit charter management organization, California Online Public Schools (CalOPS). There are currently six schools in the CalOPS family that run under the same school model.

Students attend school primarily from home, supervised by a Learning Coach (generally a parent), following a Personalized Learning Plan that integrates technology and standards-aligned curriculum under the supervision of professional, fully qualified, certificated teachers. California Connections Academy Central Coast is tailor-made for a diverse array of students who benefit from a quality alternative to the traditional brick and mortar classroom. These include students whose families seek more direct involvement in their education; students who are homebound due to illness or disability; exceptional students who are far ahead of or far behind their peers in school; young people pursuing artistic or athletic careers that require a flexible school schedule; students in group homes or institutions; and students at risk of academic failure who may particularly benefit from intensive, personalized instruction. The school is governed and operated by an independent Board of Directors, CalOPS, that is made up of a mix of educators, parents, and community representatives. California Connections Academy's goal is to set a new standard for virtual education excellence in California. To reach this goal, students at the school are provided with a top-quality and diverse curriculum that combines the best in print and technology and which is designed to meet all state standards. Students have opportunities to engage in community based field trips and other in-person learning and social activities to supplement the online program.

Some considerations that are unique to the California Connections Academy Central Coast program and which have an effect on the performance metrics described in this LCAP include:

A public charter school of choice, which parents choose for a wide variety of reasons

The school serves all grade levels, TK-12, which is different from most traditional public schools

A high mobility rate which results in a large population of new students each year

A diverse and spread out population that has difficulty participating in State Testing.

A high percentage of high school students who enroll deficient in the credits needed to graduate on time and therefore, take more than 4 years to graduate

A high enrollment growth rate each year, so that every year the school is bigger and additional staff and other resources are needed

A growing unduplicated pupil demographic, specifically English Language Learners at all grade levels.

When considering student outcomes for the school these factors are important to take into consideration, in particular, the high mobility rate for students, as well as the time it takes for students to adapt to a completely online learning environment. Due to the unique virtual charter school program offered, the school experiences a lot of student turnover both during the year, as well as from year to year. Many students and families choose a virtual charter school program to serve a unique need for a particular period of time, e.g., medical reasons, sports, a family move, bullying, etc. Their intent is to solve a family issue and enroll in a virtual school for a limited time. Families report that it takes a while to adapt to working in an independent study and virtual school environment, so students who do choose to stay in the program for more than one year are more academically successful in their second and subsequent years. The school makes ongoing significant efforts to provide training and support to increase retention and student success in the program, as reflected in some of the goals and actions in this LCAP.

## Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

California Connections Academy Central Coast's 2023 Dashboard performance reflects a concerted alignment with our school's LCAP goals and actions. We have rigorously analyzed and engaged stakeholders in discussions about the performance data to maintain a steadfast focus on student and school achievement and advancement throughout the LCAP development process.

While it is crucial to address all areas of the accountability system to ensure equitable outcomes for all student groups, we are particularly attentive to both our successes highlighted on the dashboard and the specific areas and groups demonstrating the greatest need based on the data.

Our strengths on the 2023 Dashboard are prominently reflected in our school's Suspension Rate. California Connections Academy proudly boasts a Suspension Rate of zero percent across all student groups, a noteworthy achievement compared to the state's average suspension rate of 3.5%. This accomplishment underscores our dedication to fostering open communication with our students, cultivating robust teacher-student relationships, and promoting academic consistency. It is also important to note that on the 2023 Dashboard English Learner Progress, College and Career, and Graduation Rate indicators show no performance color due to student numbers throughout all student groups.

However, the 2023 Dashboard also sheds light on areas of focus and growth that necessitate our attention to ensure the success of all students and student groups at our school. These areas serve as guiding points for our ongoing efforts to enhance our educational offerings and support systems, ultimately striving for continuous improvement and student achievement.

Notably, California Connections Academy Central Coast finds itself listed on the lowest performance level for Academic Performance, encompassing English Language Arts and Mathematics. An in-depth analysis of our school's 2023 Dashboard data shows the lowest level of

performance for English Language Arts was in the Socioeconomically Disadvantage student group with 99.9 points below standard with an increase of 57.7 points from the previous year. In Mathematics, the lowest level of performance was with the Hispanic student group, resulting in 177.9 points below standard, with an increase of 20.5 points from the previous year. Upon deeper examination of the data, we found that our participation rate in State Testing for all student groups is a key contributor to our points below standard and, consequently, our lowest performance level on the dashboard. As an online school, we encounter persistent challenges in ensuring our students participate in various testing locations. Consulting with key stakeholders, including parents, students, and staff, revealed that travel, time off work, and health or anxiety were the primary reasons behind this challenge. We are actively pursuing ways to help our families understand the importance of testing and participation by hosting parent and student meetings, offering smaller and more convenient testing locations, providing Saturday testing options, enhancing our curriculum, and offering practice testing to familiarize students with the testing process. Additionally, we have begun focusing on early testing grades at the elementary level, aiming to instill the importance of testing as a regular part of the academic year at California Connections Academy.

In conclusion, California Connections Academy Central Coast remains steadfast in its commitment to addressing areas of improvement highlighted by the 2023 Dashboard while building upon our strengths to ensure the success of all our students. Through collaborative efforts, targeted interventions, and ongoing support, we are dedicated to fostering a culture of continuous improvement and student achievement at California Connections Academy Central Coast.

## Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

NA

## Comprehensive Support and Improvement

An LEA with a school or schools eligible for comprehensive support and improvement must respond to the following prompts.

### ***Schools Identified***

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

NA

### ***Support for Identified Schools***

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

## ***Monitoring and Evaluating Effectiveness***

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

# Engaging Educational Partners

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

| Educational Partner(s)    | Process for Engagement  |
|---------------------------|---|
| School Parents/Caretakers | School Advisory Committee Meetings, ELAC meetings, Parent/Administration Collaboration Meetings, Parent satisfaction surveys, LCAP goal input surveys, State Testing Surveys, and curriculum feedback forms, Charter School Board Meetings  |
| Students                  | School Advisory Committee Meetings, ELAC meetings, YouthTruth Student engagement survey, LCAP goal input surveys, State Testing Surveys, and curriculum feedback forms, Charter School Board Meetings   |
| Teachers                  | School Advisory Committee Meetings, ELAC meetings, Staff engagement survey, LCAP goal input surveys, State Testing Surveys, curriculum feedback form, School Enhancement Target reviews, Brown Bag Staff Meetings, Charter School Board Meetings, WASC Accreditation Focus Group Meetings, and Back to school 'All Staff' Meetings.                                     |
| Administration/Principals | School Advisory Committee Meetings, ELAC meetings, Staff engagement survey, LCAP goal input surveys, State Testing Surveys, curriculum feedback form, School Enhancement Target reviews, Brown Bag Staff Meetings, Charter School Board Meetings, WASC Accreditation Focus Group Meetings, Executive Leadership Team Meetings, and Back to school 'All Staff' Meetings. |
| Other school personnel    | School Advisory Committee Meetings, ELAC meetings, Staff engagement survey, LCAP goal input surveys, State Testing Surveys, Brown Bag Staff Meetings, Charter School Board Meetings, WASC   |

| Educational Partner(s) | Process for Engagement   |
|------------------------|--|
|                        | Accreditation Focus Group Meetings, Executive Leadership Team Meetings, and Back to school 'All Staff' Meetings. |

#### A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

The educational partner engagement processes outlined by California Connections Academy are thorough and comprehensive, demonstrating a strong commitment to inclusivity and collaboration in the development of the LCAP.

The use of surveys as a means to gather feedback from parents, students, and other stakeholders is a valuable practice, allowing for targeted input on areas of need and school improvement. Open-ended questions enable stakeholders to provide detailed feedback, which can be instrumental in shaping the direction of the LCAP.

The various meetings, such as the School Advisory Committee, Caretaker and Administration Collaboration Meetings, and English Learner Advisory Committee Meetings, provide forums for stakeholders to engage in discussions about school programs, policies, and the LCAP. These meetings ensure that diverse perspectives are considered and that stakeholders have opportunities to convey their thoughts, celebrations, and concerns directly to the school administration.

Additionally, the involvement of the Charter School Board, authorizing district, and WASC accreditation process further enhances accountability and ensures alignment with broader educational goals and standards.

The Executive Leadership Team Meetings play a crucial role in refining LCAP goals and priorities based on stakeholder input, with representation from various departments within the school. This ensures that the actions and expenditures required to implement the LCAP are carefully considered and agreed upon.

Furthermore, the inclusion of all staff in back-to-school and end-of-year meetings provides additional opportunities for input into school improvement efforts, fostering a culture of continuous feedback and collaboration among staff members.

Overall, the multi-faceted approach to stakeholder engagement outlined by California Connections Academy Southern California reflects a commitment to transparency, accountability, and continuous improvement in serving the needs of students, families, and the school community.

# Goals and Actions

## Goal

| Goal # | Description  | Type of Goal |
|--------|--|--------------|
| 1      | All students will learn and achieve in a safe, secure, effective, and rigorous learning environment. | Broad Goal   |

State Priorities addressed by this goal.

Priority 1: Basic (Conditions of Learning)  
 Priority 2: State Standards (Conditions of Learning)  
 Priority 3: Parental Involvement (Engagement)  
 Priority 4: Pupil Achievement (Pupil Outcomes)  
 Priority 5: Pupil Engagement (Engagement)  
 Priority 6: School Climate (Engagement)  
 Priority 7: Course Access (Conditions of Learning)  
 Priority 8: Other Pupil Outcomes (Pupil Outcomes)

An explanation of why the LEA has developed this goal.

As an educational organization, student success is our highest priority. The actions associated with this goal are designed to help every student reach their highest academic potential. All metrics associated with the goal are selected to measure as many elements of academic achievement as are relevant and available.

## Measuring and Reporting Results

| Metric # | Metric   | Baseline  | Year 1 Outcome | Year 2 Outcome | Target for Year 3 Outcome  | Current Difference from Baseline |
|----------|--|---|----------------|----------------|--|----------------------------------|
| 1.1      | The median percent progress towards Typical Growth after the first two diagnostics (through month 5) in Reading as measured by i-Ready | In 2023-2024, the median percent progress towards Typical Growth after the first two diagnostics (through month 6) in Reading was 67.5% |                |                | The desired outcome for 2026 - 2027, the median percent progress towards Typical Growth after the first two diagnostics (through month 5) in Reading will be 70.8% |                                  |

| Metric # | Metric  | Baseline   | Year 1 Outcome | Year 2 Outcome | Target for Year 3 Outcome   | Current Difference from Baseline |
|----------|---|--|----------------|----------------|---|----------------------------------|
| 1.2      | The median percent progress towards Typical Growth after the first two diagnostics (through month 5) in Math as measured by i-Ready | In 2023-2024, the median percent progress towards Typical Growth after the first two diagnostics (through month 6) in Math was 57% |                |                | The desired outcome for 2026 - 2027, the median percent progress towards Typical Growth after the first two diagnostics (through month 5) in Math will be 60% |                                  |
| 1.3      | Increase English Learner reclassification rates   | In 2023-2024, the RFEP rate through month 8 was 0%   |                |                | The desired outcome for 2026 - 2027 is an RFEP rate through month 8 of .25%   |                                  |

## Goal Analysis [2023-24]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

Not Applicable.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Not Applicable.

## Actions

| Action # | Title  | Description  | Total Funds  | Contributing |
|----------|--|--|--------------|--------------|
| 1.1      | Professional Development for Academic Achievement      | Teachers will participate in both in-person and virtual professional development focused on supporting academic achievement in the core as well as electives and CTE.  | \$14,964.00  | Yes          |
| 1.2      | Diagnostic Assessments and MTSS Academic Interventions | Diagnostic assessments, such as i-Ready and MAP, will be administered 3x per year in Reading and Math, results will be analyzed by school leadership, and the data will be presented to the appropriate Professional Learning Communities (PLCs) for their analysis and MTSS academic intervention planning. | \$173,300.36 | Yes          |
| 1.3      | Teacher Collaboration for Academic Achievement         | PLCs will discuss performance data to determine best strategies and methods and will implement best practices to re-teach and accelerate, as needed, all students in all subject areas.  | \$209,974.49 | Yes          |
| 1.4      | Synchronous and Asynchronous Instructional Tools       | Teachers will utilize high-engagement online instructional tools to benefit both synchronous and asynchronous lesson design and delivery.  | \$12,484.46  | Yes          |
| 1.5      | English Learner Student Achievement                    | Refinement of support for EL students to increase engagement and achievement to ensure progress towards English language proficiency.  | \$10,339.59  | Yes          |
| 1.6      | LTEL Support   | Implement processes for identifying and transitioning Long Term English Learner students towards reclassification.   | \$35,266.51  | Yes          |
| 1.7      | Foster and Homeless Academic Achievement               | Foster/homeless youth will be automatically eligible to receive various interventions such as specialized tutoring support through PLC discussions, student support section, enhanced monitoring by teachers, and consideration for modifications to graduation  | \$1,934.36   | Yes          |

# Goals and Actions

## Goal

| Goal # | Description  | Type of Goal |
|--------|--|--------------|
| 2      | All stakeholder groups will demonstrate active engagement in the school program. | Broad Goal   |

State Priorities addressed by this goal.

Priority 1: Basic (Conditions of Learning)  
 Priority 2: State Standards (Conditions of Learning)  
 Priority 3: Parental Involvement (Engagement)  
 Priority 4: Pupil Achievement (Pupil Outcomes)  
 Priority 5: Pupil Engagement (Engagement)  
 Priority 6: School Climate (Engagement)  
 Priority 7: Course Access (Conditions of Learning)  
 Priority 8: Other Pupil Outcomes (Pupil Outcomes)

An explanation of why the LEA has developed this goal.

In order to achieve in any manner, the school community needs to be engaged with one another. Actions associated with this goal are designed to help the school community engage in the pursuit of academic success and also success in society, both while enrolled in our school and beyond. All metrics associated with this goal are selected to measure engagement through the unique lens of our virtual environment as are relevant and available.

## Measuring and Reporting Results

| Metric # | Metric                                    | Baseline  | Year 1 Outcome | Year 2 Outcome | Target for Year 3 Outcome   | Current Difference from Baseline |
|----------|---|---|----------------|----------------|---|----------------------------------|
| 2.1      | Maintain a high rate of biweekly contacts | In 2023 - 2024, the average biweekly contact rate was 97.3%       |                |                | The desired outcome for 2026 - 2027 is an average biweekly contact rate of 99.2% through month 8. |                                  |
| 2.2      | Decrease chronic absenteeism              | The 2023 - 2024 chronic absenteeism rate after month 7 was 15.94% |                |                | The desired outcome for 2026-2027 month 7 chronic   |                                  |

| Metric # | Metric                         | Baseline                             | Year 1 Outcome | Year 2 Outcome | Target for Year 3 Outcome                               | Current Difference from Baseline |
|----------|--------------------------------|--------------------------------------|----------------|----------------|---|----------------------------------|
|          |                                |                                      |                |                | absenteeism rate will be less than 14.34%.              |                                  |
| 2.3      | Maintain a low suspension rate | The 2022-2023 suspension rate was 0% |                |                | The desired outcome for 2026-2027 suspension rate is 0% |                                  |

## Actions

| Action # | Title  | Description   | Total Funds  | Contributing |
|----------|--|---|--------------|--------------|
| 2.1      | Access to Technology, Internet Connectivity, and a Rigorous Curriculum | Upon enrollment and at other times when the need may arise, enrolled students will be provided with a school issued Chromebook and no cost to the family. Additionally, a prorated internet reimbursement may be requested during the enrollment process or at any time after enrollment. | \$202,649.26 | Yes          |

| Action #   | Title   | Description  | Total Funds  | Contributing |
|------------|---|--|--------------|--------------|
|            |   | The tools named are for the purpose of engagement with our instructional program and our curriculum delivered through our learning management system. All enrolled students have access to all needed elements of our LMS to help them engage with our program. Unduplicated students will be prioritized.   |              |              |
| <b>2.2</b> | Track and Record Daily Student Participation              | Each student in every grade must communicate with a teacher at least once every two (2) weeks. In addition, parents/legal guardians (or their qualified designee) must communicate with their student's teacher(s) on a regular basis, with the frequency to be determined by the teacher based on the student's grade level and progress in the program. These required reports (also known as contacts) occur in person, by phone, or via real-time instructional sessions, at a mutually agreed upon time and date. Meetings and contacts are documented in log entries. Attendance and lesson completion are recorded daily. | \$185,499.52 | No           |
| <b>2.3</b> | Framework of Tiered Re-engagement Strategies for Students | When students find difficulty with engaging fully with our program, school staff will follow a well outlined escalation process. This process consists of tiers of interventions set up to assist students to find ways to engage fully with our school program. School staff will also utilize these strategies to lessen instances of chronic absenteeism.   | \$123,035.61 | Yes          |
| <b>2.4</b> | Caretaker Engagement Support                              | The Caretaker Support System will be expanded, continuing with enhancements to the Learning Coach Support Plan, including more improvements to the onboarding process, improved summer engagement activities, additional Caretaker training and resources, including additional resources in Spanish and additional languages as requested.  | \$8,496.05   | Yes          |
| <b>2.5</b> | Social Emotional / Mental Health Supports                 | Staff will be trained in and asked to engage in social emotional supports for all students. In instances where more intense mental health support is needed, the school will consult and consider hiring additional experts in these fields.   | \$16,240.46  | No           |

| Action #   | Title   | Description  | Total Funds | Contributing |
|------------|---|--|-------------|--------------|
|            |   |  |             |              |
| <b>2.6</b> | Increasing Diversity and Inclusion              | Our school is committed to the increasing diversity and inclusion for our entire school community. We will participate in professional development, evaluate curriculum and instructional practices, all with the focus of ensuring we are incorporating diverse and inclusive practices.  | \$2,623.23  | No           |
| <b>2.7</b> | Foster and Homeless Youth Engagement Support    | Continue to refine and consistently implement the identification process for foster and homeless youth during the enrollment and placement process. The school will continue to train one or more liaisons who will work closely with all students identified as foster or homeless and provide a personalized support structure to ensure their success. The roles and responsibilities of the liaison will be developed and clarified for different grade bands. Identified students will be assigned to the student support section of a liaison. Counseling and homeroom staff will be trained in identification, placement and support of foster and homeless youth. The focus of all these staff is to identify individualized support for these students providing tools such as WiFi hotspots and other such engagement support. | \$1,769.18  | Yes          |
| <b>2.8</b> | In-Person and Virtual Engagement and Enrichment | Staff and families will be provided the opportunity to interact in-person or virtually to enrich the school experience.  | \$6,268.59  | No           |

# Goals and Actions

## Goal

| Goal # | Description  | Type of Goal |
|--------|--|--------------|
| 3      | All students will graduate with the knowledge and skills needed for college and careers. | Broad Goal   |

State Priorities addressed by this goal.

Priority 1: Basic (Conditions of Learning)  
 Priority 2: State Standards (Conditions of Learning)  
 Priority 3: Parental Involvement (Engagement)  
 Priority 4: Pupil Achievement (Pupil Outcomes)  
 Priority 5: Pupil Engagement (Engagement)  
 Priority 6: School Climate (Engagement)  
 Priority 7: Course Access (Conditions of Learning)  
 Priority 8: Other Pupil Outcomes (Pupil Outcomes)

An explanation of why the LEA has developed this goal.

As an educational organization serving students in high school, it is our work to assist as many students as possible to graduate from high school. Our immediate focus within this goal is to increase the overall graduation rate. To that end, the metrics selected are heavily weighted towards strategies to increase graduation rate as are relevant and available.

## Measuring and Reporting Results

| Metric # | Metric  | Baseline   | Year 1 Outcome | Year 2 Outcome | Target for Year 3 Outcome  | Current Difference from Baseline |
|----------|---|--|----------------|----------------|--|----------------------------------|
| 3.1      | Increase the course pass rates within our in house credit recovery program known as Project Success | In 2023-2024, the average Project Success course pass rate after quarter 3 was 96% |                |                | The desired outcome after quarter 3 of 2026-2027 is an average Project Success course pass rate of 97.9% |                                  |
| 3.2      | Increase summer school course pass rates  | Increase summer school course pass rates   |                |                | The desired outcome for the summer school course pass rate   |                                  |

| Metric # | Metric   | Baseline   | Year 1 Outcome | Year 2 Outcome | Target for Year 3 Outcome  | Current Difference from Baseline |
|----------|--|--|----------------|----------------|--|----------------------------------|
|          |  |  |                |                | for the summer of 2026 is 87%.   |                                  |
| 3.3      | Maintain graduation rates  | The 2022-2023 no performance color.  |                |                | The desired outcome for the 2025-2026 grad rate is 68%   |                                  |
| 3.4      | Increase the percentage of students completing a-g requirements. | In 2022-2023, the percentage of students completing a-g requirements was 30% |                |                | The desired outcome of students completing a-g requirements for the 2024-25 school year is 31.5% |                                  |

## Goal Analysis [2023-24]

## Required Percentage to Increase or Improve Services for the LCAP Year

| Projected Percentage to Increase or Improve Services for the Coming School Year | LCFF Carryover — Percentage | LCFF Carryover — Dollar | Total Percentage to Increase or Improve Services for the Coming School Year |
|---|-----------------------------|-------------------------|---|
| 10.355%   | 0.000%                      | \$0.00                  | 10.355%   |

The Budgeted Expenditures for Actions identified as Contributing may be found in the Contributing Actions Table.

## Required Descriptions

### LEA-wide and Schoolwide Actions

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

| Goal and Action # | Identified Need(s)  | How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis  | Metric(s) to Monitor Effectiveness  |
|-------------------|---|--|---|
| 1.1               | <p><b>Action:</b><br/>Professional Development for Academic Achievement</p> <p><b>Need:</b><br/>Requiring teachers to engage in both in-person and virtual professional development reflects a commitment to supporting their ongoing growth and effectiveness as educators while also ensuring that they are prepared to meet the diverse needs of all our</p> | Providing professional development on an LEA-wide ensures that all teachers have access to consistent, comprehensive support that aligns with the diverse needs and priorities of the educational community. It promotes collaboration, efficiency, and effectiveness in professional learning efforts, ultimately contributing to the enhancement of teaching quality and student achievement across the board. The focused needs for providing professional development for our staff are Consistency and Equity, Comprehensive Support, | <p>Monitoring the effectiveness of professional development initiatives requires a combination of quantitative and qualitative metrics.</p> <p>Student Achievement Data: One of the primary goals of professional development is to improve</p> |

| Goal and Action # | Identified Need(s)   | How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis | Metric(s) to Monitor Effectiveness   |
|-------------------|--|---|--|
|                   | <p>student groups with special attention to our unduplicated student population.</p> <p><b>Scope:</b><br/>LEA-wide</p> | <p>Maximizing Resources, and alignment with goals and Initiatives.</p>                      | <p>student outcomes. We will do this by monitoring changes in student achievement data, such as standardized test scores, course grades, and graduation rates.</p> <p>Teacher Evaluation Data: Evaluating changes in teacher performance through observation data, self-assessments, and peer evaluations will allow for improvements in instructional strategies, classroom management, and student engagement.</p> <p>Participant Feedback: Gathering feedback from teachers who participate in professional development sessions will provide valuable insights into the perceived effectiveness of the training. Surveys, focus groups, or interviews to collect feedback on the relevance, quality, and impact of the professional development activities will help in guiding future growth.</p> |

| Goal and Action # | Identified Need(s) | How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis | Metric(s) to Monitor Effectiveness  |
|-------------------|--------------------|---|---|
|                   |                    |   | <p>Implementation Data: Grade bands will review how teachers are implementing new strategies or practices learned during professional development sessions. This will be measured through live class sessions observations, artifacts of student work, and Professional Learning Community implementation and goals.</p> <p>Retention and Recruitment: We will assess the impact of professional development on teacher retention and recruitment rates. Higher levels of job satisfaction, professional growth, and support are often associated with increased retention and attraction of talented educators.</p> <p>Collaboration and Networking: We will measure the degree to which professional development fosters collaboration and networking among</p> |

| Goal and Action # | Identified Need(s)   | How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis   | Metric(s) to Monitor Effectiveness  |
|-------------------|--|---|---|
|                   |  |   | <p>teachers. Indicators such as increased participation in Professional Learning Communities, interdisciplinary collaboration, and peer mentoring relationships will provide insight in this area.</p> <p>Long-Term Impact: We will evaluate the long-term impact of professional development initiatives by tracking outcomes beyond immediate changes in student achievement or teacher practice. This can include measures such as college and career readiness, lifelong learning skills, and student success after graduation.</p> |
| 1.2               | <p><b>Action:</b><br/>Diagnostic Assessments and MTSS Academic Interventions</p> <p><b>Need:</b><br/>Diagnostic assessments and MTSS academic interventions are critical components of a comprehensive approach to supporting student learning and academic success across all grade levels and student groups. By identifying learning needs early, providing</p> | <p>Implementing diagnostic assessments and MTSS academic interventions on an LEA-wide basis addresses the diverse needs of students, promotes equity and access to support services, and fosters collaboration and coherence in educational practices throughout our school. Providing these diagnostics and supports addresses several needs, including equity and access for all students in our online environment, early intervention, data-driven decision making, professional collaboration and development, and</p> | <p>Monitoring the effectiveness of diagnostic assessments and MTSS academic interventions requires a combination of quantitative and qualitative metrics.</p> <p>Student Progress and Growth: Measure changes in student academic</p>   |

|-------------------|--|--|--|
|                   |  |  | <p>feedback directly from students about their experiences with re-engagement strategies can provide valuable insights into their effectiveness and areas for improvement.</p> <p>Graduation Rates:<br/>Tracking the percentage of students who successfully graduate can be a long-term indicator of the effectiveness of re-engagement strategies in supporting student success.</p> |
| 2.4               | <p><b>Action:</b><br/>Caretaker Engagement Support</p> <p><b>Need:</b><br/>The need to provide caretakers engagement support arises from their crucial role in a student's academic journey and overall well-being. Caretakers, whether parents or guardians, are key influencers in a student's life, providing essential support and guidance outside of the virtual classroom. Engaging caretakers in the educational process strengthens the partnership between home and school, facilitating better communication, collaboration, and support for students.</p> <p><b>Scope:</b></p> | <p>This action addresses the need for caretaker engagement support by providing caretakers with the resources, information, and opportunities they need to effectively support their child's learning and development. By offering caretakers access to educational materials, training sessions, collaborative meetings, and communication, they are empowered to become active participants in their child's education. This engagement support helps caretakers feel more confident and equipped to navigate the challenges of supporting their child's learning, ultimately creating a more supportive and enriching home environment. Additionally, by fostering strong partnerships between home and school, this action ensures that caretakers are fully involved in their child's educational journey, which is essential for</p> | <p>Measuring the effectiveness of caretaker engagement support can be done through various methods:</p> <p>Attendance and Participation: Tracking attendance and participation in collaborative meetings, training sessions, or informational events designed for caretakers provides insights into their level of engagement and interest.</p>  |

| Goal and Action # | Identified Need(s) | How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis | Metric(s) to Monitor Effectiveness   |
|-------------------|--------------------|---|--|
|                   | LEA-wide           | promoting academic success and overall well-being.  | <p>Surveys and Feedback: Administering surveys or feedback forms to caretakers can gather their opinions, satisfaction levels, and perceived usefulness of the support provided. This feedback helps assess the impact of engagement efforts from their perspective.</p> <p>Communication Logs: Keeping records of communication exchanges between school staff and caretakers, such as emails, phone calls, or meetings, can indicate the frequency and quality of engagement.</p> <p>Student Progress and Performance: Monitoring students' academic progress and performance over time can indirectly reflect the effectiveness of caretaker engagement support. Improved student outcomes may indicate that caretaker involvement is positively influencing student success.</p> |

| Goal and Action # | Identified Need(s)  | How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis  | Metric(s) to Monitor Effectiveness  |
|-------------------|---|--|---|
|                   |   |  | <p>Parent-Teacher Meetings: Assessing the frequency and quality of interactions during parent-teacher meetings can indicate the level of caretaker engagement and collaboration with educators.</p> <p>Retention and Involvement Rates: Tracking caretaker retention rates in engagement activities or programs over time can gauge the sustainability and impact of support efforts.</p> |
| 3.2               | <p><b>Action:</b><br/>Career Preparation (CTE)</p> <p><b>Need:</b><br/>The action of Career Preparation, particularly through Career and Technical Education (CTE) programs, is driven by the pressing need to equip students with the practical skills, industry knowledge, and career readiness competencies essential for success in today's dynamic job market. With industries evolving rapidly and facing shortages of skilled workers, CTE programs play a pivotal role in closing the skills gap by providing students with relevant training aligned with real-world job demands.</p> <p><b>Scope:</b></p> | <p>Career Preparation through Career and Technical Education (CTE) programs is provided to address a variety of critical needs. This action promotes equity and access by offering diverse career pathways and opportunities to all students, regardless of their background or academic achievement. This inclusive approach ensures that every student has the opportunity to explore and pursue high-demand careers, ultimately contributing to a more equitable society. Furthermore, by preparing students for success in the workforce, CTE programs play a crucial role in workforce development and economic growth, benefiting both individuals and communities. Overall, Career Preparation through CTE programs is essential for meeting the needs of</p> | <p>Metrics to monitor the effectiveness of Career Preparation through Career and Technical Education (CTE) programs can include:</p> <p>Enrollment in Career Preparation (CTE) Coursework: Monitor and evaluate the enrollment and completion of our CTE courses.</p> <p>Graduation and Persistence Rates: Monitoring the graduation</p>  |

| Goal and Action # | Identified Need(s)   | How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis   | Metric(s) to Monitor Effectiveness   |
|-------------------|--|---|--|
|                   | LEA-wide   | students, industries, and communities in today's rapidly changing economy.  | <p>rates and persistence rates of students enrolled in CTE programs to assess program completion and retention.</p> <p>Student Satisfaction Surveys: Administering surveys to CTE program students and graduates to assess their satisfaction with the program, the relevance of the skills learned, and their overall preparedness for the workforce.</p> <p>Post-Graduation Success: Tracking the post-graduation success of CTE program graduates, including their ability to advance in their careers, obtain promotions, or pursue further education.</p> |
| 3.3               | <p><b>Action:</b><br/>AVID Program Implementation</p> <p><b>Need:</b><br/>The implementation of the AVID (Advancement Via Individual Determination) program is crucial due to its proven effectiveness in addressing various educational needs. AVID provides targeted support to students who are traditionally</p> | The AVID Program promotes equity by ensuring all students have access to academic support regardless of their background. Research underscores AVID's role in improving retention and graduation rates, demonstrating its impact on overall student success. Additionally, AVID implementation involves comprehensive professional development for educators, enhancing teaching practices and fostering a culture of academic excellence school-wide. By | <p>A metric to monitor the effectiveness of the AVID program is:</p> <p>College Enrollment and Persistence Rates:<br/>Tracking the percentage of AVID program graduates who enroll in college and persist beyond their first</p>   |

| Goal and Action # | Identified Need(s)   | How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis  | Metric(s) to Monitor Effectiveness  |
|-------------------|--|--|---|
|                   | <p>underrepresented in higher education, including those from low-income, first-generation, and minority backgrounds. By focusing on college readiness skills such as note-taking, study strategies, and critical thinking, AVID prepares students for success in post-secondary education and beyond.</p> <p><b>Scope:</b><br/>LEA-wide</p> | <p>integrating 21st-century skills into the curriculum, AVID prepares students for future career prospects and lifelong learning. Overall, AVID's necessity lies in its ability to address achievement gaps, promote college readiness, advance equity, improve outcomes, provide teacher development, and nurture vital skills in students.</p> | <p>year. This metric indicates the program's success in preparing students for post-secondary education and supporting them through their college experience.</p> <p>Graduation Rates:<br/>Monitoring the percentage of AVID program participants who graduate from high school on time. This metric demonstrates the program's impact on student academic achievement and success.</p> <p>GPA Improvement:<br/>Measuring the average GPA improvement among AVID program participants compared to non-participants. This metric indicates the program's effectiveness in enhancing students' academic performance and outcomes.</p> <p>College Acceptance Rates: Tracking the percentage of AVID program participants who are accepted into four-year colleges or universities.</p> |

| Goal and Action # | Identified Need(s)  | How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis  | Metric(s) to Monitor Effectiveness   |
|-------------------|---|--|--|
|                   |   |  | <p>This metric reflects the program's success in helping students gain admission to higher education institutions.</p> <p>Survey Data:<br/>Administering surveys to AVID program participants to gather feedback on their experiences, perceptions, and outcomes related to the program. This qualitative data provides insights into the program's impact on students' attitudes, behaviors, and aspirations.</p> |
| 3.4               | <p><b>Action:</b><br/>Credit Recovery and Summer Intervention</p> <p><b>Need:</b><br/>The need for Credit Recovery and Summer Intervention programs is driven by the imperative to ensure that all students have the opportunity to succeed academically and graduate from high school.</p> <p><b>Scope:</b><br/>LEA-wide</p> | <p>These programs address several key challenges that students may encounter on their path to graduation. Firstly, they provide a lifeline for students who have fallen behind in coursework or have failed to meet graduation requirements, offering them the chance to make up missed credits and complete necessary courses. Additionally, Credit Recovery programs offer vital academic support and remediation to help struggling students master essential concepts and skills, ensuring they have the foundation needed for success in subsequent courses. Furthermore, these programs play a crucial role in preventing dropout by providing at-risk students with alternative pathways to earning credits and staying on track toward graduation. Moreover, Summer Intervention programs address the issue of</p> | <p>Metrics to measure the effectiveness of Credit Recovery and Summer Intervention programs include:</p> <p>Credit Attainment:<br/>Tracking the percentage of students who successfully complete credit recovery courses or earn credits during summer intervention programs compared to the total number of students enrolled. This qualitative data provides insights into the program's long-term impact on student success and well-being.</p> |

## Limited Actions

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

| Goal and Action # | Identified Need(s)  | How the Action(s) are Designed to Address Need(s)   | Metric(s) to Monitor Effectiveness  |
|-------------------|---|---|---|
| 1.5               | <p><b>Action:</b><br/>English Learner Student Achievement</p> <p><b>Need:</b><br/>By prioritizing EL student achievement, we are demonstrating our commitment to equity, inclusion, and excellence in education. By providing targeted support and resources to EL students, we are helping to ensure that all students have the opportunity to succeed academically and reach their full potential, regardless of their language background.</p> <p><b>Scope:</b><br/>Limited to Unduplicated Student Group(s)</p> | Prioritizing EL student achievement within the unduplicated student group is important for addressing the specific needs of this subgroup, it's also essential for our school to continue working towards the success of all students, regardless of their demographic background or classification. By implementing targeted strategies and interventions for EL students within the unduplicated student group, we can move closer to achieving our broader goals of equity, inclusion, and academic excellence for all students. | <p>By monitoring the following metrics over time, we can assess the effectiveness of prioritizing EL student achievement within the unduplicated student group and make data-informed decisions to improve outcomes for EL students.</p> <p>English Language Proficiency: Measure changes in EL students' English language proficiency levels over time using assessments such as the English Language Proficiency Assessment (ELPAC) or other standardized tests. Tracking this progress toward achieving English language proficiency benchmarks will gauge the effectiveness of language instruction and support services.</p> <p>Academic Achievement: Assessing changes in EL students' academic</p> |

|-------------------|---|---|---|
|                   |   |   | transfers, mobility rates, and factors contributing to instability, such as housing transitions or placement changes.   |
| 2.7               | <p><b>Action:</b><br/>Foster and Homeless Youth Engagement Support</p> <p><b>Need:</b><br/>Foster and homeless youth face a myriad of challenges that can significantly impact their ability to engage in education. These challenges include instability in living arrangements, disruptions in schooling, experiences of trauma and adversity, and struggles to meet basic needs. As a result, foster and homeless youth often require additional support to navigate educational systems, access resources, and advocate for their rights.</p> <p><b>Scope:</b><br/>Limited to Unduplicated Student Group(s)</p> | Supporting foster and homeless youth engagement directly addresses the need by providing additional support to help these vulnerable populations navigate the numerous challenges they face in education. By offering tailored assistance, such as educational advocacy, access to resources, and empowerment programs, this support aims to mitigate the impacts of instability in living arrangements, disruptions in schooling, trauma, adversity, and struggles to meet basic needs. By addressing these challenges, foster and homeless youth are better equipped to engage in education and overcome barriers to learning. Thus, supporting foster and homeless youth engagement directly aligns with the identified need by providing the necessary resources and support to help these youth navigate educational systems, access resources, and advocate for their rights, ultimately promoting their academic success and well-being. | <p>Effectiveness in supporting foster and homeless youth engagement can be monitored through various methods:</p> <p>Attendance and Participation: Tracking attendance and participation in engagement programs, contacts, or support groups specifically designed for foster and homeless youth can provide insights into the reach and effectiveness of these initiatives.</p> <p>Academic Progress: Monitoring academic progress, such as improvements in grades, completion of assignments, and participation, can indicate the impact of engagement support on educational outcomes.</p> |
