Military Family Support 2026/2027

CalOPS will apply for the California Purple Star School Designation Program in late October 2026.

Purple Star School Program

Designed to reduce the burden on military-connected students and their families by responding directly to their unique educational and social-emotional needs.

- Supports students through transitions (military children may move every 2–3 years or more).
- Helps schools welcome and integrate military-connected youth effectively.

Next Steps

CalOPS employees were informed of this effort during the September 16th Superintendent led Brown Bag Meeting. Employees will be further trained about the unique needs of military families throughout October and early November 2026

School Stability and Enrollment

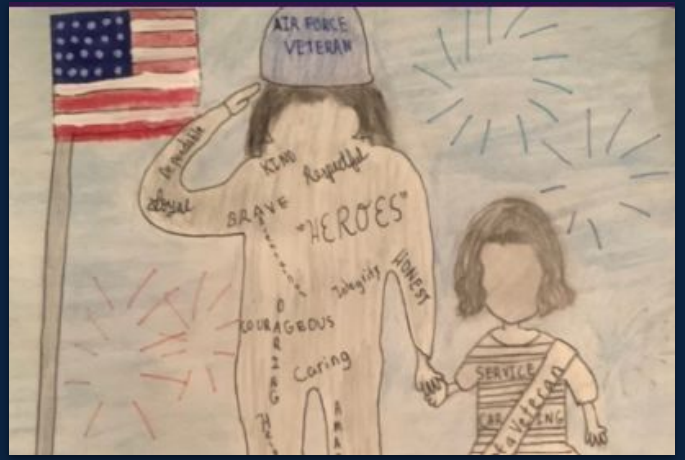

California's Education Code §48204.6 states that the local educational agency serving a pupil who is a child of a military family shall do either of the following:

(1) Allow the pupil to continue his or her education in the school of origin, regardless of any change of residence of the military family during that school year, for the duration of the pupil's status as a child of a military family.

(2) For a pupil whose status changes due to the end of military service of his or her parent during a school year, comply with either of the following, as applicable:

(A) If the pupil is enrolled in kindergarten or any of grades 1 to 8, inclusive, allow the pupil to continue his or her education in the school of origin through the duration of that academic school year.

(B) If the child is enrolled in high school, allow the pupil to continue his or her education in the school of origin through graduation.

School Stability and Enrollment (cont.)

(c) To ensure that the pupil who is a child of a military family has the benefit of matriculating with his or her peers in accordance with the established feeder patterns of school districts, the following apply:

(1) If the pupil who is a child of a military family is transitioning between school grade levels, the local educational agency shall allow the pupil who is a child of a military family to continue in the school district of origin in the same attendance area.

(2) If the pupil who is a child of a military family is transitioning to a middle school or high school, and the school designated for matriculation is in another school district, the local educational agency shall allow the pupil who is a child of a military family to continue to the school designated for matriculation in that school district.

(3) The new school shall immediately enroll the pupil who is a child of a military family even if the child has outstanding fees, fines, textbooks, or other items or moneys due to the school last attended or is unable to produce clothing or records normally required for enrollment, such as previous academic records, medical records, including, but not limited to, records or other proof of immunization history pursuant to Chapter 1 (commencing with Section 120325) of Part 2 of Division 105 of the Health and Safety Code, proof of residency, other documentation, or school uniforms.

School Stability and Enrollment (cont.)

(d) Unless otherwise required by federal law, this section does not require a local educational agency to provide transportation services to allow a pupil subject to paragraph (1) or (2) of subdivision (b) or subdivision (c) to attend a school pursuant to this section.

ST SVS LEADERSHIP RESTRUCTURE WITH INTENTION

A Culture Aligned with Our Values

Intentional Personnel Changes

Over the past year, we made intentional changes within our leadership team — changes that have begun to shift our department culture to align more closely with our values and vision.

Collaborator Roles

We added collaborator personnel designed to build capacity across the department and strengthen coordination between teams.

ST SVS LEADERSHIP RESTRUCTURE WITH INTENTION

Expanding How We Supervise

From Siloed to Cross-Setting Supervision

We challenged our existing supervision model where teacher supervisors oversaw only their own credential or ed setting area and expanded to cross-educational-setting supervision.

Pushing Against Stagnation

Just as we ask it of our students, we are pushing just beyond what's comfortable, with the right support (a little bit ZPD in the leadership sense)

Growth on Both Sides

The intention behind this shift is mutual growth: stronger supervisees, and stronger leadership development across the department.

Teacher-to-Para Ratio

Why the structure changed

Paras are structured to support teachers with the administrative tasks unique to an online school — reducing that load so teachers can spend more time directly engaged with students.

PARAPROFESSIONAL HIRING & STRUCTURE

Feedback & Partnership

Teacher Feedback

Feedback from teachers has been consistently positive. Many describe dedicated para support as a meaningful shift — one that gives them more time to spend directly engaged with students.

Paraprofessional Feedback

Paraprofessionals report a strong sense of partnership and collaboration, with many describing real investment in the outcomes of the students and teachers they support.

Across both groups, the consistent theme is collaboration — teachers and paraprofessionals working as true partners in supporting students.

PARAPROFESSIONAL HIRING & STRUCTURE

Looking Ahead: Growing Our Own

Reach Full Staffing at Target Ratios

Reaching full in-house staffing at our 1:1 (ESN/SDC) and 3–4:1 (team) ratios.

Pathway to Substitute Teaching

Investigating a pipeline for paraprofessionals interested in moving into substitute teaching roles.

Pathway to a Special Education Credential

Exploring pathways to support paraprofessionals pursuing a Special Education teaching credential — growing our own future educators.

Investing in our paraprofessionals today builds the educator pipeline of tomorrow.

NEW TO THE PATHWAY THIS YEAR

12

students moved to this pathway in 2026–27

Rolled out through the IEP process as another option for students whose IEP team determines it appropriate— made possible through close collaboration with the ED SVS team. As diploma requirements rise across more career paths, the long-term impact for these students can be life-changing.

CRISIS RESPONSE & CRISIS INTERVENTION TEAM

CalOps Crisis Intervention Team

A streamlined, districtwide model for student and staff support

CRISIS RESPONSE & CRISIS INTERVENTION TEAM

A Streamlined, Districtwide Model

As the district has grown, so has the need for a robust, districtwide mental health support system. Crisis response once involved many individuals tied to each student — this year's goal was to streamline support for students and staff alike through a dedicated Crisis Intervention Team (CIT) and bridge support.

CRISIS INTERVENTION TEAM

Shannon Doss
LCSW & CIT Lead

Nydia Sanchez
School Psychologist

Leeann Hernandez
Assistant Principal

GENERAL RESPONSE FRAMEWORK

1 Identify & Report → 2 Activate CIT → 3 Immediate Support → 4 Follow-Up & Coordination

CRISIS RESPONSE & CRISIS INTERVENTION TEAM

Bridge Support & Post-Crisis Stabilization

After the Crisis Intervention Team's immediate response and student is safe, students move into bridge support — a stabilization period that helps them safely re-enter their routine before moving through next steps of support

Re-Entry Support

Helping students transition back into their regular school routine at a pace that supports their stability.

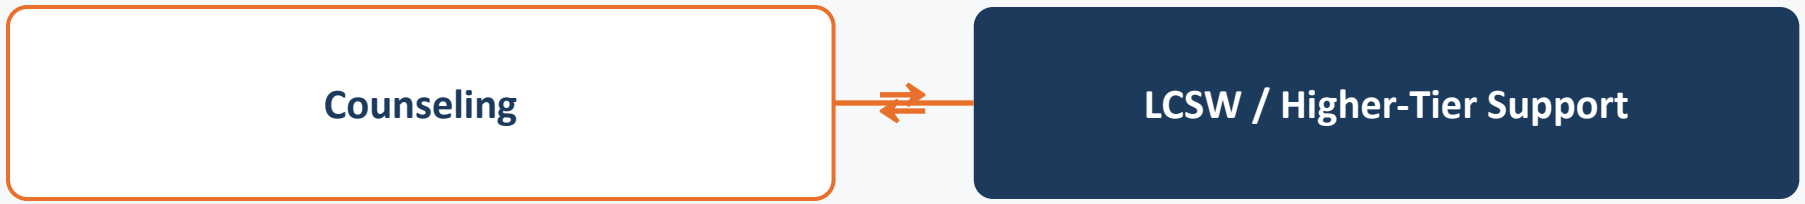

Counseling (As Needed)

Short-term counseling check-ins during the stabilization window, based on each student's individual needs.

Follow-Up & Hand-Off

Ongoing follow-up to ensure continuity of care, with a collaborative hand-off to counseling for continued support.

TIERED SUPPORT — THE BRIDGE WORKS BOTH WAYS

Escalates for higher need • Steps back down as the student stabilizes

A. Public Comment

The Board welcomes participation by the members of the public telephonically. To address an item on the agenda, before the scheduled start of the meeting, an individual must write their name and a short description of the agenda item on which they wish to comment on the card provided and submit this to the Chair, along with any materials they want to have distributed to the Board. Individuals who wish to address the Board telephonically must contact the School Leader by phone or by email at least twenty four (24) hours before the scheduled start of the Board meeting. No requests for public comment were submitted in advance. No member of the public was present in person.

III. Public Hearing

A. 2026-2027 Curriculum (attached)

L. Dombek opened the public hearing at 5:09 PM regarding the sufficiency of textbooks and instructional materials for the 2026-27 school year. No comments were received, and the public hearing was closed at 5:10 PM.

IV. Oral Reports

A. Co-Superintendents' Report

R. Savage and R. Romero provided updates on the start of the 2026-27 school year. The first day of school had gone well without major disruptions. They also discussed the continued review of the Student Support Process, crisis intervention training, the launch of CalOPS's internal substitute pool, and ongoing collaboration across departments.

Enrollment had increased significantly compared with the prior year. D. Hertzler confirmed approximately 7,924 fully enrolled students, with approximately 700 students still completing the enrollment process, and projected enrollment of 8,250-8,500 by the end of the week. R. Romero noted that CalOPS could be experiencing a record first-day enrollment and credited the Avela enrollment platform and CalOPS's marketing and outreach efforts.
Technical difficulties occurred resulting in administration restarting the Zoom room and requesting everyone rejoin. Recording ended at 5:22 PM and restarted at 5:22 PM when the Zoom room restarted.
Quorum with board member attendance was reconfirmed at 5:30 PM before Oral Reports continued.

R. Romero continued to provide an update on the renewal status of CalOPS Central Coast and CalOPS Central Valley and noted positive preliminary feedback regarding growth scores across the network.

B. Principal's Report

H. Tamayo provided an update on Middle School, which had approximately 1,850 students, including approximately 470 sixth graders, 600 seventh graders, and 765 eighth graders. Approximately 88 students were still completing Master Agreements.

H. Tamayo also highlighted student opportunities and academic initiatives. The National Junior Honor Society included six seventh graders and 21 eighth graders, while AVID included nine sixth graders, 17 seventh graders, and 27 eighth graders. i-Ready assessments were scheduled to begin the following week, and the first Middle School field trip of the year was upcoming.

C. CalOPS Financial Services Updates

L. Carter provided an update on the July financial close and noted that early-year curriculum and supply expenditures were tracking as expected. She explained that the budget was based on an enrollment of approximately 8,077 students and that continued enrollment growth could require additional curriculum seats. Because funding was primarily based on ADA, CalOPS would continue monitoring enrollment and attendance before making additional spending decisions.

L. Carter also highlighted the importance of monitoring the unduplicated student count, including English Learners, students experiencing homelessness, and students qualifying for free or reduced-price meals, as these factors affect certain funding allocations. She noted that 29 paraprofessionals had been brought in-house, which reduced contracted special education service costs while increasing salary expenditures.

L. Carter offered to follow up individually with Board members as needed to review the slide deck, which could not be presented due to the ongoing technical difficulties.

D. Policy, Compliance, and Legislative Updates

D. Hertzler provided updates on the annual policy update cycle and legislative matters. He discussed AB 2519, which would address an unintended consequence of prior CalSTRS legislation and allow certain charter school administrators to retain CalSTRS eligibility. CalOPS had submitted a letter of support for the legislation to Governor Newsom.

D. Hertzler also discussed SB 1083, which CalOPS was monitoring due to concerns raised by CCSA, CSDC, and APLUS regarding additional requirements related to employee misconduct reporting. CalOPS would continue monitoring both bills and any action taken by the Governor.

E. Educational Services Updates

L. Dombek presented the Quarter 4 School Enhancement Target results for the 2025-26 school year. Graduation and academic targets were met, with 149 Project Success students graduating during the quarter and 80% of school-wide PLC goals and 65% of math PLC SMART goals achieved. Summer school served 509 actively engaged students and resulted in a record number of credits earned.

The engagement target was not met, with 85% of students receiving five successful contacts. L. Dombek reviewed next steps for improving student engagement and diagnostic participation, as well as strategies for earlier identification and support of students who were off track for graduation.

Z. Robeson praised the multi-pronged approach to academic improvement and expressed interest in seeing additional detail in the future.

V. Information Items

A. Board Retreat Updates

D. Hertzler provided an update on preparations for the November CalOPS Board Retreat, including facilitation, travel, lodging, meals, and Board preparation.

B. District Priorities (attached)

R. Romero presented updated District Priorities incorporating the Board's previous request to more explicitly connect the priorities to the CalOPS Vision and Values. Z. Robeson supported the overall crosswalk but recommended reframing the collaboration language to emphasize welcoming differing viewpoints and remaining engaged in finding the best path forward together. R. Romero agreed to revise the language as described.

C. CalOPS Cybersecurity Overview (attached)

D. Hertzler presented an overview of CalOPS cybersecurity efforts and noted that cybersecurity was a joint effort between the internal technology team and SoftMSP. Staff training had contributed to a reduction in phishing incidents, and CalOPS would continue strengthening its cybersecurity practices. Leadership was also considering adding internal cybersecurity expertise. J. Stockdale expressed appreciation for the report.

CalOPS finished the school year with an annual reserve of approximately 13.3% and a cumulative reserve of approximately 35.5%. L. Carter also reported increases in the unduplicated student count across all schools and noted that approximately 69% of revenue was spent on salaries and benefits. J. Stockdale commended L. Changes included documentation of comparable bids or market comparisons, incorporation of AB 126 transparency requirements, removal of individual credit cards, and a requirement for Board approval of expenditures over $100,000.

The policy also revised meal reimbursement amounts to up to $25 for breakfast, $25 for lunch, and $50 for dinner rather than using a per diem structure. Z. Robeson asked whether the auditor had reviewed the revised meal reimbursement structure, and R. Romero noted that CalOPS would bring the policy to auditors for review and approval. D. Hertzler suggested approval of the policy barring any substantive changes following auditor review.

D. Approval of East West Line of Credit (attached)

L. Carter presented the proposed East West Line of Credit and explained that, while she believed CalOPS was increasingly unlikely to need to use the line, it would provide a contingency during a projected temporary reduction in available cash flow. She explained that prior-year cash included significant funds associated with the former SoCal school that could not be used for current operating expenses.

The Board discussed the anticipated timing of state funding, potential borrowing needs, and alternatives to borrowing. Z. Robeson expressed that she generally preferred to avoid borrowing but supported maintaining the line as a contingency.
A. Pulsipher made a motion to approve the East West Line of Credit as described.
Z. Robeson seconded the motion.

III. Action Items

A. Approval of Commercial Insurance Contract Renewal (to follow)

Z. Kidd presented the renewal of CalOPS's property and casualty and management liability insurance for the 2026–27 policy year, effective October 1, 2026. She explained that Newfront had sought bids from more than 30 insurance companies after the employment practices liability policy was not renewed. The proposed annual premium was approximately $416,600, a 25% increase from the prior year, primarily due to increased employment practices liability costs and retention. However, workers' compensation costs decreased by approximately 34%, resulting in an overall decrease of approximately 9% across CalOPS's property and casualty insurance costs.
R. Savage noted that CalOPS would implement processes to work with its broker earlier in the renewal cycle to avoid future timing issues.
M. Henjum made a motion to approve the Commercial Insurance Contract Renewal.

GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract (or "Contract") is entered into on **September 8, 2026**, between **California Online Public Schools which includes California Online Public Schools Central Coast, California Online Public Schools Central Valley, California Online Public Schools Monterey Bay, California Online Public Schools North Bay, California Online Public Schools Northern California, and California Online Public Schools Southern California**, hereinafter referred to as the local educational agency ("LEA"), a member of the **El Dorado** SELPA and

Access Language Connection, Inc

(nonpublic, nonsectarian school or agency), hereinafter referred to as NPS/A or "CONTRACTOR" for the purpose of providing special education and/or related services to students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq*. and Title 5 of the California Code of Regulations section 3000 *et seq*., AB 490 (Chapter 862, Statutes of 2003) and AB 1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit the LEA to pay for special education and/or related services provided to any student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Service Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, these forms shall acknowledge CONTRACTOR's obligation to provide all relevant services specified in the student's Individualized Education Program (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of a student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each student served by CONTRACTOR. As available and appropriate, the LEA shall make available access to any electronic IEP system and/or electronic database for the development of the ISA and invoices.

Unless placement and/or services is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed settlement agreement between LEA and parent or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with NPS placement or NPS/A services until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a NPS/A. All NPS/A services shall be provided consistent with the area of certification and licensure specified by CDE Certification and as defined in California Education Code, section 56366 et seq

and within the professional scope of practice of each provider's license, certification, and/or credential. A current copy of CONTRACTOR's NPS/A certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Agreement is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract.

Total student enrollment shall be limited to capacity as stated on CDE certification and in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified and all staff persons providing services to pupils shall be certified and/or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care room and board to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this State, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE in writing of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless, taking into consideration all of the surrounding facts and circumstances, a policy or policies or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR's failure to comply with applicable LEA policies (e.g., those policies relating to; the provision of special education and/or related services, facilities for individuals with exceptional needs, student enrollment and transfer, student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract; and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2026 to June 30, 2027 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. The parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2026 (Title 5 California Code of Regulations section 3062(d)). In the event the contract negotiations are not agreed to by June 30th, the most recently executed

Master Contract will remain in effect for 90 days (Education Code 56366(c)(1)). If, after 60 days the Master Contract or individual services agreement has not been finalized, as prescribed in paragraph (1) of subdivision (a), either party may appeal to the county superintendent of schools, if the county superintendent of schools is not participating in the local plan involved in the nonpublic, nonsectarian school or agency contract; or the Superintendent, if the county superintendent of schools is participating in the local plan involved in the contract, to negotiate the contract. Within 30 days of receipt of this appeal, the county superintendent of schools or the Superintendent, or the individual designee, shall mediate the formulation of a contract, which shall be binding upon both parties (Education Code 56366 (c) (2)). No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR's ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

CONTRACTOR shall provide the LEA with information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of current teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to District, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety-day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (California Education Code section 56366(c)(1) and (2)). In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students at the discretion of the LEA

6. INDIVIDUAL SERVICE AGREEMENT ("ISA")

This Agreement shall include an ISA developed for each student to whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for students enrolled with the approval of the LEA pursuant to Education Code section 56366 (a)(2)(A). In the event that this Master Contract expires or terminates, CONTRACTOR, shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students.

Any and all changes to a student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the student's IEP or by written agreement between the parent and LEA. At any time during the term of this Master Contract, a student's parent, CONTRACTOR, or LEA may request a review of a student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA. (California Education Code sections 56366(a) (5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to student as a result of lack of provision of services while student was served by the NPS/A.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c) (2).

Nothing contained in this Contract shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is determined to be a partner, joint venture, co-principal, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding.

18. SUBCONTRACTING

The LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the student is performed or a report is prepared in the normal course of the services provided to the student by CONTRACTOR. To avoid conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may not fund services through the evaluator whose IEE the LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When CONTRACTOR is a NPS, per implementation of Senate Bill 484, CONTRACTOR shall administer all statewide assessments within the California Assessment of Student Performance and Progress ("CAASPP"), Desired Results Developmental Profile ("DRDP"), California Alternative Assessment ("CAA"), achievement and abilities tests (using LEA-authorized assessment instruments), the Fitness Gram, , the English Language Proficiency Assessments for California ("ELPAC"), the Alternative English Language Proficiency Assessments for California ("Alternative ELPAC"), and as appropriate to the student, and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR'S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend District mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, data collection, and standardized testing and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS

CONTRACTOR shall comply with the requirements of Education Code sections 49000, *et seq.,* 49005, *et seq*., 56521.1 and 56521.2. LEA students who exhibit behaviors that interfere with their learning or the learning of others must receive timely and appropriate assessments and positive supports and interventions in accordance with state and federal law and implementing regulations. If the IEP team determines that a student's behavior impedes the individual learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that

behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan ("BIP"), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and behavioral emergency reports. CONTRACTOR shall ensure that all of its staff members are trained in crisis intervention, emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR's pupil population. The training shall be provided within 30 days of employment to new staff who have any contact or interaction with pupils during the school day, and annually to all staff who have any contact or interaction with pupils during the school day. The CONTRACTOR shall select and conduct the training in accordance with California Education Code section 56366.1. CONTRACTOR shall maintain written records of the training and provide written verification of the training annually and upon request.

Emergency interventions are those interventions used with a student during the time they present a serious, dangerous behavior that staff has determined to be present a clear and present danger to self or others, which requires a non-violent physical intervention to protect the safety of student, self, or others that cannot be prevented by use of a less restrictive technique. Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP, and shall not be employed longer than necessary to contain the behavior. Emergency interventions may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the individual with exceptional needs, or others, and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.

CONTRACTOR shall complete a behavior emergency report when an emergency intervention is used ; or when a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. A behavior emergency report form must be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall also notify Parent within twenty-four (24) hours via telephone. If the student's IEP does not contain a BIP, CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days to review the behavior emergency report, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If applicable, the IEP team shall document the reasons for not conducting the functional behavioral assessment, not developing an interim plan, or both. If the student already has a BIP, and the incident involved a previously unseen or new serious behavior, or if preexisting behavioral interventions in the BIP were ineffective, CONTRACTOR shall schedule with LEA an IEP meeting to review and determine the need to modify the BIP.

Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following:

1. any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric-shock;
2. an intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual;
3. an intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities;
4. an intervention that is designed to subject, used to subject, or likely to subject, the individual to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma;
5. restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities;
6. prone restraint;
7. locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room;
8. an intervention that precludes adequate supervision of the individual;

9. an intervention that deprives the individual of one or more of the individual's senses.

CONTRACTOR shall comply with Education Code sections 49005.8, 56521.1 and 56521.2. Specifically, Contractor shall not do any of the following:

1. Use seclusion or a behavioral restraint for the purpose of coercion, discipline, convenience, or retaliation.
2. Use locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room.
3. Use a physical restraint technique that obstructs a pupil's respiratory airway or impairs the pupil's breathing or respiratory capacity, including techniques in which a staff member places pressure on a pupil's back or places the staff member's body weight against the pupil's torso or back.
4. Use a behavioral restraint technique that restricts breathing, including, but not limited to, using a pillow, blanket, carpet, mat, or other item to cover a pupil's face.
5. Use prone restraint, including but not limited to prone containment.
6. Use a behavioral restraint for longer than is necessary to contain the behavior that poses a clear and present danger of serious physical harm to the pupil or others.

CONTRACTOR shall keep constant, direct observation of a pupil who is in seclusion, which may be through observation of the pupil through a window, or another barrier, through which the educational provider is able to make direct eye contact with the pupil. This observation shall not be through indirect means, including through a security camera or a closed-circuit television.

CONTRACTOR shall afford pupils who are restrained the least restrictive alternative and the maximum freedom of movement, and shall use the least number of restraint points, while ensuring the physical safety of the pupil and others.

In the case of a child whose behavior impedes the child's learning or that of others, the IEP team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

All restraint practices must be reviewed and revised when they have an adverse effect on a student and are used repeatedly for an individual child, either on multiple occasions within the same classroom or multiple uses by the same individual. CONTRACTOR shall notify the student's parent/guardian when any type of physical or mechanical restraint or seclusion has been used. Upon the use of any type of physical or mechanical restraint or seclusions of an LEA student, CONTRACTOR shall complete a BER per the reporting and notification requirements listed above.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations. Using forms developed by the California Department of Education or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.

When CONTRACTOR seeks to remove a student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA. Written discipline reports shall include, but not be limited to: the student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10^{th}) day of suspension

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the NPS; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (California Education Code sections 56366 (a) (2) (B) (i) and (ii)) and pursuant to California Education Code section 56345 (b) (4).)

If the LEA student is to be transferred from a NPS setting into a regular class setting in a public school for any part of the school day, the IEP team shall document a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of the individual IEP team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, the parent, the CONTRACTOR or the LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to parent, CONTRACTOR and LEA. CONTRACTOR shall provide to LEA assessments and written assessment reports by service providers upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the approved electronic IEP system of the LEA for all IEP planning and progress reporting at the LEA's discretion. The LEA or SELPA may provide training for any CONTRACTOR to ensure access to the approved system. The CONTRACTOR shall maintain confidentiality of all IEP data on the approved system and shall protect the password requirements of the system. When a student dis-enrolls from the NPS/NPA, the NPS/NPA and LEA shall discontinue use of the approved system for that student.

Changes in any student's educational program, including instruction, services, or instructional setting provided under this Master Contract, may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of consideration of a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code.

If CONTRACTOR is an NPS, CONTRACTOR shall ensure private and confidential communication, including telecommunication, between a pupil of the NPS and members of the pupil's IEP team and the CDE's Constituent Services Office, at the pupil's discretion.

33. SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall recognize an LEA appointed surrogate parent assignments for students without parental representation, including unaccompanied homeless youths, in special education procedures pursuant to California Government Code Section 7579.5. Surrogate parents shall serve as the child's parent and have all the rights relative to the student's education that a parent has under the Individuals with Disabilities Education Act pursuant to *20 USC 1414-1482 and 34 CFR 300.1-300.756.* A pupil in foster care shall be defined pursuant to California Education Code section 42238.01(b). The LEA shall annually notify the CONTRACTOR who the LEA has designated as the educational liaison for foster children. When a pupil in foster care is enrolled in a NPS by the LEA any time after the completion of the pupil's second year of high school, the CONTRACTOR shall schedule the pupil in courses leading

towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1.

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. Participation further includes the willingness to make CONTRACTOR's staff available for witness preparation and testimony as is necessary to facilitate a due process hearing. CONTRACTOR shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office of Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR's program and/or the implementation of a particular student's IEP/Individual and Family Service Plan ("IFSP").

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to parent complaints. These procedures shall include annually notifying and providing parents of students with appropriate information (including complaint forms) for the following: (1) Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations section 4600 *et seq*.; (2) Nondiscrimination policy pursuant to Title 5 of the California Code of Regulations section 4960 (a); (3) Sexual Harassment Policy, California Education Code 231.5 (a) (b) (c); (4) Title IX Student Grievance Procedure, Title IX 106.8 (a) (d) and 106.9 (a); and (5) Notice of Privacy Practices in compliance with Health Insurance Portability and Accountability Act ("HIPAA"). CONTRACTOR shall include verification of these procedures to the LEA. CONTRACTOR shall immediately notify LEA of any complaints filed against it related to LEA students and provide LEA with all documentation related to the complaints and/or its investigation of complaints, including any and all reports generated as a result of an investigation.

36. STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to LEA at least two (2) written progress reports/report cards annually, two (2) weeks prior to the end of each semester. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR's place of business and shall be submitted to the LEA two (2) weeks prior to the end of each semester, in accordance with the LEA's procedures and school calendar.

The CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, observation notes, data sheets, pre/post tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior intervention plans. The LEA may request such data at any time within five (5) years of the date of service. The CONTRACTOR shall provide this data supporting progress within five (5) business days of request. Additional time may be granted as needed by the LEA.

CONTRACTOR shall complete academic or other evaluations of the student ten (10) days prior to the student's annual or triennial review IEP team meeting for the purpose of reporting the student's present levels of performance at the IEP team meeting as required by state and federal laws and regulations and pursuant to LEA policies, procedures, and/or practices. CONTRACTOR shall provide sufficient copies of its reports, documents, and projected goals to share with members of the IEP team five (5) business days prior to the IEP meeting. CONTRACTOR shall maintain supporting documentation such as test protocols and data collection, which shall be made available to LEA within five (5) business days of request.

The CONTRACTOR is responsible for all evaluation costs regarding the updating of goals and objectives, progress reporting and development of present levels of performance. All assessments resulting from an assessment plan shall be provided by the LEA unless the LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Any assessment and/or evaluation costs may be added to the ISA and/or approved separately by the LEA at the LEA's sole discretion.

It is understood that all billable hours must be in direct services to pupils as specified in the ISA. For NPA services, supervision provided by a qualified individual as specified in Title 5 Regulation, subsection 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

CONTRACTOR shall not charge the student's parent(s) or LEA for the provision of progress reports, report cards, evaluations conducted in order to obtain present levels of performance, interviews, and/or meetings. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the pupil's record and shall be made available to the LEA upon written request.

37. GRADES, HIGH SCHOOL COURSE CREDITS, & TRANSCRIPTS

When CONTRACTOR is a NPS, CONTRACTOR is responsible for assigning grades for any course of instruction taught at the NPS. The grades determined by the pupil's teacher, in the absence of clerical or mechanical mistake, fraud, bad faith, or incompetency, shall be final and consistent with the provisions specified in EC Section 49066. The grades each pupil receives in all courses of instruction taught by the NPS shall be reported to the parents and the LEA on a quarterly basis. Consistent with the LEA, should it become evident to the NPS the pupil is in danger of failing a course, the CONTRACTOR must initiate a parent conference, and the LEA representative must be in attendance.

When CONTRACTOR serves students in grades nine (9) through twelve (12) inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements. CONTRACTOR shall not recommend awarding a high school diploma to students who have not successfully completed all of the LEA's graduation requirements.

Pupils enrolled in high school during the 2020-2021 academic year may request a Pass or No Pass grade as permitted in EC Section 49066.5, which may be reflected on the student's transcript and shall not negatively affect the pupil's grade point average.

CONTRACTOR shall prepare transcripts at the close of each semester, or upon student transfer, for students in grades nine (9) through twelve (12) inclusive, and submit them on LEA approved forms to the student's school of residence for evaluation of progress toward completion of diploma requirements as specified in LEA Procedures. CONTRACTOR shall submit to the LEA names of students and their schools of residence for whom transcripts have been submitted as specified by the LEA.

INDIVIDUAL TRANSITION PLANNING – AB 438, Approved on September 28, 2024

Effective July 1, 2025, if determined appropriate by the pupil's IEP team, beginning when the pupil starts their high school experience and not later than when the pupil is 16 years of age or younger, as appropriate, and annually thereafter, a statement of needed transition services shall be included in the pupil's individualized education program. If the individualized education program team determines that the pupil would benefit from the postponement of the inclusion of appropriate measurable postsecondary goals and transition services until 16 years of age, rather than when the pupil begins their high school experience, the individualized education program team shall appropriately justify the basis for that postponement. (EC section 56043(h).)

38. STUDENT CHANGE OF RESIDENCE

Within five (5) school days from the date CONTRACTOR becomes aware of a student's change of residence, CONTRACTOR shall notify LEA, in writing, of the student's change of residence. Upon enrollment, CONTRACTOR shall notify parents in writing of their obligation to notify CONTRACTOR of the student's change of residence. CONTRACTOR shall maintain, and provide upon request by LEA, documentation of such notice to parents.

If CONTRACTOR had knowledge or should reasonably have had knowledge of the student's change of residence boundaries and CONTRACTOR fails to follow the procedures specified in this provision, LEA shall not be responsible for the costs of services delivered following the student's change of residence.

39. WITHDRAWAL OF STUDENT FROM PROGRAM

CONTRACTOR shall immediately report electronically and in writing to the LEA within five (5) business days when an LEA student is withdrawn without prior notice from school and/or services, including student's change of residence to a residence outside of LEA service boundaries, and parent/guardian withdrawal of student against professional advice from a NPS/RTC.

40. PARENT ACCESS

CONTRACTOR shall provide for reasonable parental access to students and all facilities including, but not limited to, the instructional setting, recreational activity areas, meeting rooms and student living quarters, when applicable. CONTRACTOR shall comply with any known court orders regarding parental visits and access to LEA students.

CONTRACTOR operating programs associated with a NPS/RTC shall cooperate with a parent's reasonable request for LEA student therapeutic visits in their home or at the NPS/RTC. CONTRACTOR shall require that parents obtain prior written authorization for therapeutic visits from the CONTRACTOR and the LEA at least thirty (30) days in advance. When requested, CONTRACTOR shall facilitate all parent travel and accommodations and for providing travel information to the parent as appropriate. Payment by LEA for approved travel-related expenses shall be made directly through the LEA consistent with LEA Procedures.

CONTRACTOR providing services in the student's home as specified in the IEP shall ensure that at least one parent of the child, or an adult caregiver with written and signed authorization to make decisions in an emergency, is present. The names of any adult caregiver other than the parent shall be provided to the LEA prior to the start of any home based services, including written and signed authorization in emergency situations. The parent shall inform the LEA of any changes of caregivers and provide written authorization for emergencies. The adult caregiver cannot also be an employee or volunteer associated with the NPS/NPA service provider.

All problems and/or concerns, both verbal and written, reported to pupil's parents shall also be provided, in writing, to the LEA.

41. LICENSED CHILDREN'S INSTITUTION ("LCI") CONTRACTORS AND RESIDENTIAL TREATMENT CENTER ("RTC") CONTRACTORS

If CONTRACTOR is a LCI, CONTRACTOR shall adhere to all legal requirements regarding educational placements for LCI students as stated in Education Code 56366 (a) (2) (C), 56366.9 (c) (1), Health and Safety Code section 1501.1 and any other applicable laws and/or regulations, including LEA guidelines or procedures. An LCI shall not require that a pupil be placed in its NPS as a condition of being placed in its residential facility.

If CONTRACTOR is a NPS/RTC, CONTRACTOR shall adhere to all legal requirements under the Individuals with Disabilities Education Act (IDEA), 20 U.S.C. section 1400 et seq. including the federal regulations 34 C.F.R section 300 et seq. and Education Code section 56000 et seq. including Title 5 of the

California Code of Regulations section 3000 et seq. CONTRACTOR shall comply with all monitoring requirements set forth in Section 43 below.

If CONTRACTOR is a NPS that is owned, operated by, or associated with a LCI, CONTRACTOR shall provide to LEA, on a quarterly basis, a list of all students, including those identified as eligible for special education. For those identified as special education students, the list shall include: 1) special education eligibility at the time of enrollment and; 2) the educational placement and services specified in each student's IEP at the time of enrollment. A copy of the current IEP shall be provided to the LEA.

Unless placement is made pursuant to an Office of Administrative Hearings order or a lawfully executed agreement between LEA and parent, LEA is not responsible for the costs associated with NPS placement until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student's parent or another adult with educational decision-making rights.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal IDEA (20 U.S.C. Sec. 1400 et seq.); shall be certified or licensed by the state to provide nonmedical care, clinical services, or short-term residential therapeutic programs, as applicable to the facility type; and shall submit to all monitoring requirements specific to out-of-state NPS contractors set forth in Education Code 56366.1 and Section 43 below

42. STATE MEAL MANDATE

When CONTRACTOR is a NPS, CONTRACTOR and LEA shall satisfy the State Meal Mandate under California Education Code sections 49005 et seq.; 49501.5, the universal meal mandate; 49530 et seq; and 49550 et seq.

LEA, at its sole discretion, may elect to directly provide meals to CONTRACTOR for distribution to LEA students at the nonpublic school on its own or by another local school district.

CONTRACTOR acknowledges that the LEA does not receive any state or federal reimbursement for any meals CONTRACTOR provides to LEA students and that CONTRACTOR is only eligible to receive direct reimbursement if it is an approved site under the National School Lunch Program.

In the event the LEA requests CONTRACTOR to provide meals to LEA students, CONTRACTOR will provide breakfast and lunch to LEA students in compliance with the meal pattern requirements under the School Breakfast Program and National School Lunch Program nutritional standards. LEA shall reimburse CONTRACTOR for each meal made available at a mutually agreed upon rate. In the event CONTRACTOR is unable to provide meals, the LEA and CONTRACTOR will work collaboratively to find a solution. In the event CDE determines that meals do not need to be provided, this paragraph shall not apply.

CONTRACTOR shall maintain all documentation of meals provided to LEA students. CONTRACTOR shall comply with record keeping requirements under the School Breakfast Program and National School Lunch Program or LEA template. Upon request, CONTRACTOR shall provide copies of any such records to LEA. CONTRACTOR shall also allow LEA to conduct site monitoring visits as deemed necessary by the LEA.

Upon request, CONTRACTOR shall provide LEA with any contracts it has with third-party vendors providing meals for students.

43. MONITORING

The State Superintendent of Public Instruction ("Superintendent"), through the delegated monitoring activities to the California Department of Education (CDE), shall monitor CONTRACTOR'S facilities, the educational environment, and the quality of the educational program, including the teaching staff, the credentials authorizing service, the standards-based core curriculum being employed, and the standard focused instructional materials used on a three-year cycle, as follows: (1) CONTRACTOR shall complete a self-review in year one; (2) the Superintendent shall conduct an onsite review in year two; and (3) the Superintendent shall conduct a follow-up visit in year three.

CONTRACTOR shall participate in any LEA or CDE compliance review, if applicable, to be conducted as aligned with the CDE Onsite Review and monitoring cycle in accordance with California Education Code section 56366.1(j) and (k) as applicable. This review will address programmatic aspects of the NPS, compliance with relevant state and federal regulations, and Master Contract compliance, as well as pupil perceptions, progress, and concerns, as required by law. CONTRACTOR shall conduct any follow-up or corrective action procedures related to review findings.

If CONTRACTOR is also an LCI and/or NPS/RTC, the CDE shall annually evaluate whether CONTRACTOR is in compliance with Education Code section 56366.9 and Health and Safety Code section 1501.1(b).

The LEA or SELPA shall conduct an onsite visit to the NPS before placement of a pupil if the LEA does not have any pupils enrolled at the school at the time of placement.

The LEA or SELPA shall conduct at least one onsite monitoring visit during each school year to the CONTRACTOR site certified as an NPS where the LEA has placed a pupil and entered into a master contract. The monitoring visit shall include, but is not limited to, a review of services specified on the ISA and provided to the pupil, a review of progress the pupil is making toward the goals set forth in the pupil's IEP, a review of progress the pupil is making toward the goals set forth in the pupil's behavioral intervention plan, if applicable, an observation of the pupil during instruction, a walkthrough of the facility, and, for a pupil placed in an NPS located outside of California, an in-person interview with the pupil, in a manner consistent with the pupil's IEP, to evaluate the pupil's health and safety. The LEA or SELPA shall report the findings resulting from the monitoring visit to the CDE, using the "Local Educational Agency Onsite Visit for Nonpublic School" form developed and published by the department on CDE's internet website, including additional findings required by the CDE specific to NPS located outside California, if applicable, within 60 calendar days of the onsite visit.

If CONTRACTOR is an NPS located outside of California, the LEA or SELPA shall conduct at least quarterly check-ins with a pupil placed by the LEA pursuant to a master contract, through an unmonitored telephone call, in a manner consistent with the pupil's IEP.

CONTRACTOR shall allow LEA representatives access to its facilities for additional periodic monitoring of each student's instructional program. LEA shall have access to observe each student at work, observe the instructional setting, interview CONTRACTOR employees and student(s) placed by the LEA, and review each student's records and progress. Such access shall include unannounced monitoring visits. When making site visits, LEA shall initially report to CONTRACTOR's site administrative office. CONTRACTOR shall be invited to participate in the review of each student's progress.

CONTRACTOR understands that LEA reserves the right to institute a program audit with or without cause. The program audit may include, but is not limited to, a review of core compliance areas of health and safety; curriculum/instruction; related services; and contractual, legal, and procedural compliance.

When CONTRACTOR is a NPS, CONTRACTOR shall collect all applicable data and prepare the applicable portion of a School Accountability Report Card as appropriate in accordance with California Education Code Section 33126.

PERSONNEL

44. CLEARANCE REQUIREMENTS

CONTRACTOR shall comply with the requirements of California Education Code sections 44237, 35021.1, 35021.2, and 56366.1 including, but not limited to: obtaining clearance from both the California Department of Justice (hereinafter referred to as "CDOJ") and clearance from the Federal Bureau of Investigation (hereinafter referred to as "FBI") for CONTRACTOR's employees and volunteers who will have or likely may have any direct contact with LEA students. CONTRACTOR hereby agrees that CONTRACTOR's employees and volunteers shall not come in contact with students, in-person or virtually, until CDOJ and FBI clearance are ascertained. CONTRACTOR shall certify in writing to LEA that none of its employees, and volunteers, unless CONTRACTOR determines that the volunteers will have no direct contact with students, or subcontractors who may come into contact with students have been convicted of a violent or serious felony as those terms are defined in California Education Code section 44237(h), unless despite the employee's conviction of a violent or serious felony, he or she has met the criteria to be eligible for employment pursuant to California Education Code section 44237 (i) or (j). Upon request, clearance certification shall be submitted to the LEA. In addition, CONTRACTOR shall make a request for subsequent arrest service from CDOJ as required by California Penal Code section 11105.2. Contractor shall certify to LEA that they have successful background checks and enrolled in subsequent arrest notification service for all employees who may come into contact with students.

Notwithstanding the restrictions on sharing and destroying criminal background check information, CONTRACTOR, upon demand, shall make available to the LEA evidence of a successful criminal background check clearance and enrollment in subsequent arrest notification service, as provided, for each owner, operator, and employee of the NPS/A. CONTRACTOR is required to retain the evidence on-site, as specified, for all staff, including those licensed or credentialed by another state agency. Background clearances and proof of subsequent arrest notification service, as required by California Penal Code section 11105.2, for all staff shall be provided to the LEA upon request.

45. STAFF QUALIFICATIONS

NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES MASTER CONTRACT

GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract (or "Contract") is entered into on **September 8, 2026**, between **California Online Public Schools which includes California Online Public Schools Central Coast, California Online Public Schools Central Valley, California Online Public Schools Monterey Bay, California Online Public Schools North Bay, California Online Public Schools Northern California, and California Online Public Schools Southern California**, hereinafter referred to as the local educational agency ("LEA"), a member of the **El Dorado** SELPA and

TheraStaffers

(nonpublic, nonsectarian school or agency), hereinafter referred to as NPS/A or "CONTRACTOR" for the purpose of providing special education and/or related services to students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq*. and Title 5 of the California Code of Regulations section 3000 *et seq*., AB 490 (Chapter 862, Statutes of 2003) and AB 1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit the LEA to pay for special education and/or related services provided to any student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Service Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, these forms shall acknowledge CONTRACTOR's obligation to provide all relevant services specified in the student's Individualized Education Program (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of a student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each student served by CONTRACTOR. As available and appropriate, the LEA shall make available access to any electronic IEP system and/or electronic database for the development of the ISA and invoices.

Unless placement and/or services is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed settlement agreement between LEA and parent or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with NPS placement or NPS/A services until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a NPS/A. All NPS/A services shall be provided consistent with the area of certification and licensure specified by CDE Certification and as defined in California Education Code, section 56366 et seq

and within the professional scope of practice of each provider's license, certification, and/or credential. A current copy of CONTRACTOR's NPS/A certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Agreement is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract.

Total student enrollment shall be limited to capacity as stated on CDE certification and in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified and all staff persons providing services to pupils shall be certified and/or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care room and board to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this State, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE in writing of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless, taking into consideration all of the surrounding facts and circumstances, a policy or policies or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR's failure to comply with applicable LEA policies (e.g., those policies relating to; the provision of special education and/or related services, facilities for individuals with exceptional needs, student enrollment and transfer, student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract; and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2026 to June 30, 2027 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. The parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2026 (Title 5 California Code of Regulations section 3062(d)). In the event the contract negotiations are not agreed to by June 30th, the most recently executed

Master Contract will remain in effect for 90 days (Education Code 56366(c)(1)). If, after 60 days the Master Contract or individual services agreement has not been finalized, as prescribed in paragraph (1) of subdivision (a), either party may appeal to the county superintendent of schools, if the county superintendent of schools is not participating in the local plan involved in the nonpublic, nonsectarian school or agency contract; or the Superintendent, if the county superintendent of schools is participating in the local plan involved in the contract, to negotiate the contract. Within 30 days of receipt of this appeal, the county superintendent of schools or the Superintendent, or the individual designee, shall mediate the formulation of a contract, which shall be binding upon both parties (Education Code 56366 (c) (2)). No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR's ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each ISA and they are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of current teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to District, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety-day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (California Education Code section 56366(c)(1) and (2)). In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students at the discretion of the LEA

6. INDIVIDUAL SERVICE AGREEMENT ("ISA")

This Agreement shall include an ISA developed for each student to whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for students enrolled with the approval of the LEA pursuant to Education Code section 56366 (a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR, shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students.

Any and all changes to a student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the student's IEP or by written agreement between the parent and LEA. At any time during the term of this Master Contract, a student's parent, CONTRACTOR, or LEA may request a review of a student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA. (California Education Code sections 56366(a) (5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to student as a result of lack of provision of services while student was served by the NPS/A.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c) (2).

If the LEA is determined to be a partner, joint venture, co-principal, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding.

The LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the student is performed or a report is prepared in the normal course of the services provided to the student by CONTRACTOR. To avoid conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may not fund services through the evaluator whose IEE the LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

LEA students who exhibit behaviors that interfere with their learning or the learning of others must receive timely and appropriate assessments and positive supports and interventions in accordance with state and federal law and implementing regulations. If the IEP team determines that a student's behavior impedes the individual learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that

behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan ("BIP"), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and behavioral emergency reports. CONTRACTOR shall ensure that all of its staff members are trained in crisis intervention, emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR's pupil population. The training shall be provided within 30 days of employment to new staff who have any contact or interaction with pupils during the school day, and annually to all staff who have any contact or interaction with pupils during the school day. The CONTRACTOR shall select and conduct the training in accordance with California Education Code section 56366.1. CONTRACTOR shall maintain written records of the training and provide written verification of the training annually and upon request.

Emergency interventions are those interventions used with a student during the time they present a serious, dangerous behavior that staff has determined to be present a clear and present danger to self or others, which requires a non-violent physical intervention to protect the safety of student, self, or others that cannot be prevented by use of a less restrictive technique. Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP, and shall not be employed longer than necessary to contain the behavior. Emergency interventions may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the individual with exceptional needs, or others, and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.

CONTRACTOR shall complete a behavior emergency report when an emergency intervention is used ; or when a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. A behavior emergency report form must be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall also notify Parent within twenty-four (24) hours via telephone. If the student's IEP does not contain a BIP, CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days to review the behavior emergency report, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If applicable, the IEP team shall document the reasons for not conducting the functional behavioral assessment, not developing an interim plan, or both. If the student already has a BIP, and the incident involved a previously unseen or new serious behavior, or if preexisting behavioral interventions in the BIP were ineffective, CONTRACTOR shall schedule with LEA an IEP meeting to review and determine the need to modify the BIP.

Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following:

1. any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric-shock;
2. an intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual;
3. an intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities;
4. an intervention that is designed to subject, used to subject, or likely to subject, the individual to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma;
5. restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities;
6. prone restraint;
7. locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room;
8. an intervention that precludes adequate supervision of the individual;

9. an intervention that deprives the individual of one or more of the individual's senses.

CONTRACTOR shall comply with Education Code sections 49005.8, 56521.1 and 56521.2. Specifically, Contractor shall not do any of the following:

1. Use seclusion or a behavioral restraint for the purpose of coercion, discipline, convenience, or retaliation.
2. Use locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room.
3. Use a physical restraint technique that obstructs a pupil's respiratory airway or impairs the pupil's breathing or respiratory capacity, including techniques in which a staff member places pressure on a pupil's back or places the staff member's body weight against the pupil's torso or back.
4. Use a behavioral restraint technique that restricts breathing, including, but not limited to, using a pillow, blanket, carpet, mat, or other item to cover a pupil's face.
5. Use prone restraint, including but not limited to prone containment.
6. Use a behavioral restraint for longer than is necessary to contain the behavior that poses a clear and present danger of serious physical harm to the pupil or others.

CONTRACTOR shall keep constant, direct observation of a pupil who is in seclusion, which may be through observation of the pupil through a window, or another barrier, through which the educational provider is able to make direct eye contact with the pupil. This observation shall not be through indirect means, including through a security camera or a closed-circuit television.

CONTRACTOR shall afford pupils who are restrained the least restrictive alternative and the maximum freedom of movement, and shall use the least number of restraint points, while ensuring the physical safety of the pupil and others.

In the case of a child whose behavior impedes the child's learning or that of others, the IEP team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

All restraint practices must be reviewed and revised when they have an adverse effect on a student and are used repeatedly for an individual child, either on multiple occasions within the same classroom or multiple uses by the same individual. CONTRACTOR shall notify the student's parent/guardian when any type of physical or mechanical restraint or seclusion has been used. Upon the use of any type of physical or mechanical restraint or seclusions of an LEA student, CONTRACTOR shall complete a BER per the reporting and notification requirements listed above.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations. Using forms developed by the California Department of Education or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.

When CONTRACTOR seeks to remove a student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA. Written discipline reports shall include, but not be limited to: the student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10^{th}) day of suspension

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the NPS; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (California Education Code sections 56366 (a) (2) (B) (i) and (ii)) and pursuant to California Education Code section 56345 (b) (4).)

If the LEA student is to be transferred from a NPS setting into a regular class setting in a public school for any part of the school day, the IEP team shall document a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of the individual IEP team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, the parent, the CONTRACTOR or the LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to parent, CONTRACTOR and LEA. CONTRACTOR shall provide to LEA assessments and written assessment reports by service providers upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the approved electronic IEP system of the LEA for all IEP planning and progress reporting at the LEA's discretion. The LEA or SELPA may provide training for any CONTRACTOR to ensure access to the approved system. The CONTRACTOR shall maintain confidentiality of all IEP data on the approved system and shall protect the password requirements of the system. When a student dis-enrolls from the NPS/NPA, the NPS/NPA and LEA shall discontinue use of the approved system for that student.

Changes in any student's educational program, including instruction, services, or instructional setting provided under this Master Contract, may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of consideration of a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code.

If CONTRACTOR is an NPS, CONTRACTOR shall ensure private and confidential communication, including telecommunication, between a pupil of the NPS and members of the pupil's IEP team and the CDE's Constituent Services Office, at the pupil's discretion.

33. SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall recognize an LEA appointed surrogate parent assignments for students without parental representation, including unaccompanied homeless youths, in special education procedures pursuant to California Government Code Section 7579.5. Surrogate parents shall serve as the child's parent and have all the rights relative to the student's education that a parent has under the Individuals with Disabilities Education Act pursuant to *20 USC 1414-1482 and 34 CFR 300.1-300.756.* A pupil in foster care shall be defined pursuant to California Education Code section 42238.01(b). The LEA shall annually notify the CONTRACTOR who the LEA has designated as the educational liaison for foster children. When a pupil in foster care is enrolled in a NPS by the LEA any time after the completion of the pupil's second year of high school, the CONTRACTOR shall schedule the pupil in courses leading

towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1.

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. Participation further includes the willingness to make CONTRACTOR's staff available for witness preparation and testimony as is necessary to facilitate a due process hearing. CONTRACTOR shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office of Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR's program and/or the implementation of a particular student's IEP/Individual and Family Service Plan ("IFSP").

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to parent complaints. These procedures shall include annually notifying and providing parents of students with appropriate information (including complaint forms) for the following: (1) Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations section 4600 *et seq*.; (2) Nondiscrimination policy pursuant to Title 5 of the California Code of Regulations section 4960 (a); (3) Sexual Harassment Policy, California Education Code 231.5 (a) (b) (c); (4) Title IX Student Grievance Procedure, Title IX 106.8 (a) (d) and 106.9 (a); and (5) Notice of Privacy Practices in compliance with Health Insurance Portability and Accountability Act ("HIPAA"). CONTRACTOR shall include verification of these procedures to the LEA. CONTRACTOR shall immediately notify LEA of any complaints filed against it related to LEA students and provide LEA with all documentation related to the complaints and/or its investigation of complaints, including any and all reports generated as a result of an investigation.

36. STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to LEA at least two (2) written progress reports/report cards annually, two (2) weeks prior to the end of each semester. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR's place of business and shall be submitted to the LEA two (2) weeks prior to the end of each semester, in accordance with the LEA's procedures and school calendar.

The CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, observation notes, data sheets, pre/post tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior intervention plans. The LEA may request such data at any time within five (5) years of the date of service. The CONTRACTOR shall provide this data supporting progress within five (5) business days of request. Additional time may be granted as needed by the LEA.

CONTRACTOR shall complete academic or other evaluations of the student ten (10) days prior to the student's annual or triennial review IEP team meeting for the purpose of reporting the student's present levels of performance at the IEP team meeting as required by state and federal laws and regulations and pursuant to LEA policies, procedures, and/or practices. CONTRACTOR shall provide sufficient copies of its reports, documents, and projected goals to share with members of the IEP team five (5) business days prior to the IEP meeting. CONTRACTOR shall maintain supporting documentation such as test protocols and data collection, which shall be made available to LEA within five (5) business days of request.

The CONTRACTOR is responsible for all evaluation costs regarding the updating of goals and objectives, progress reporting and development of present levels of performance. All assessments resulting from an assessment plan shall be provided by the LEA unless the LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Any assessment and/or evaluation costs may be added to the ISA and/or approved separately by the LEA at the LEA's sole discretion.

It is understood that all billable hours must be in direct services to pupils as specified in the ISA. For NPA services, supervision provided by a qualified individual as specified in Title 5 Regulation, subsection 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

CONTRACTOR shall not charge the student's parent(s) or LEA for the provision of progress reports, report cards, evaluations conducted in order to obtain present levels of performance, interviews, and/or meetings. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the pupil's record and shall be made available to the LEA upon written request.

37. GRADES, HIGH SCHOOL COURSE CREDITS, & TRANSCRIPTS

When CONTRACTOR is a NPS, CONTRACTOR is responsible for assigning grades for any course of instruction taught at the NPS. The grades determined by the pupil's teacher, in the absence of clerical or mechanical mistake, fraud, bad faith, or incompetency, shall be final and consistent with the provisions specified in EC Section 49066. The grades each pupil receives in all courses of instruction taught by the NPS shall be reported to the parents and the LEA on a quarterly basis. Consistent with the LEA, should it become evident to the NPS the pupil is in danger of failing a course, the CONTRACTOR must initiate a parent conference, and the LEA representative must be in attendance.

When CONTRACTOR serves students in grades nine (9) through twelve (12) inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements. CONTRACTOR shall not recommend awarding a high school diploma to students who have not successfully completed all of the LEA's graduation requirements.

Pupils enrolled in high school during the 2020-2021 academic year may request a Pass or No Pass grade as permitted in EC Section 49066.5, which may be reflected on the student's transcript and shall not negatively affect the pupil's grade point average.

CONTRACTOR shall prepare transcripts at the close of each semester, or upon student transfer, for students in grades nine (9) through twelve (12) inclusive, and submit them on LEA approved forms to the student's school of residence for evaluation of progress toward completion of diploma requirements as specified in LEA Procedures. CONTRACTOR shall submit to the LEA names of students and their schools of residence for whom transcripts have been submitted as specified by the LEA.

INDIVIDUAL TRANSITION PLANNING – AB 438, Approved on September 28, 2024

Effective July 1, 2025, if determined appropriate by the pupil's IEP team, beginning when the pupil starts their high school experience and not later than when the pupil is 16 years of age or younger, as appropriate, and annually thereafter, a statement of needed transition services shall be included in the pupil's individualized education program. If the individualized education program team determines that the pupil would benefit from the postponement of the inclusion of appropriate measurable postsecondary goals and transition services until 16 years of age, rather than when the pupil begins their high school experience, the individualized education program team shall appropriately justify the basis for that postponement. (EC section 56043(h).)

38. STUDENT CHANGE OF RESIDENCE

Within five (5) school days from the date CONTRACTOR becomes aware of a student's change of residence, CONTRACTOR shall notify LEA, in writing, of the student's change of residence. Upon enrollment, CONTRACTOR shall notify parents in writing of their obligation to notify CONTRACTOR of the student's change of residence. CONTRACTOR shall maintain, and provide upon request by LEA, documentation of such notice to parents.

If CONTRACTOR had knowledge or should reasonably have had knowledge of the student's change of residence boundaries and CONTRACTOR fails to follow the procedures specified in this provision, LEA shall not be responsible for the costs of services delivered following the student's change of residence.

39. WITHDRAWAL OF STUDENT FROM PROGRAM

CONTRACTOR shall immediately report electronically and in writing to the LEA within five (5) business days when an LEA student is withdrawn without prior notice from school and/or services, including student's change of residence to a residence outside of LEA service boundaries, and parent/guardian withdrawal of student against professional advice from a NPS/RTC.

40. PARENT ACCESS

CONTRACTOR shall provide for reasonable parental access to students and all facilities including, but not limited to, the instructional setting, recreational activity areas, meeting rooms and student living quarters, when applicable. CONTRACTOR shall comply with any known court orders regarding parental visits and access to LEA students.

CONTRACTOR operating programs associated with a NPS/RTC shall cooperate with a parent's reasonable request for LEA student therapeutic visits in their home or at the NPS/RTC. CONTRACTOR shall require that parents obtain prior written authorization for therapeutic visits from the CONTRACTOR and the LEA at least thirty (30) days in advance. When requested, CONTRACTOR shall facilitate all parent travel and accommodations and for providing travel information to the parent as appropriate. Payment by LEA for approved travel-related expenses shall be made directly through the LEA consistent with LEA Procedures.

CONTRACTOR providing services in the student's home as specified in the IEP shall ensure that at least one parent of the child, or an adult caregiver with written and signed authorization to make decisions in an emergency, is present. The names of any adult caregiver other than the parent shall be provided to the LEA prior to the start of any home based services, including written and signed authorization in emergency situations. The parent shall inform the LEA of any changes of caregivers and provide written authorization for emergencies. The adult caregiver cannot also be an employee or volunteer associated with the NPS/NPA service provider.

All problems and/or concerns, both verbal and written, reported to pupil's parents shall also be provided, in writing, to the LEA.

41. LICENSED CHILDREN'S INSTITUTION ("LCI") CONTRACTORS AND RESIDENTIAL TREATMENT CENTER ("RTC") CONTRACTORS

If CONTRACTOR is a LCI, CONTRACTOR shall adhere to all legal requirements regarding educational placements for LCI students as stated in Education Code 56366 (a) (2) (C), 56366.9 (c) (1), Health and Safety Code section 1501.1 and any other applicable laws and/or regulations, including LEA guidelines or procedures. An LCI shall not require that a pupil be placed in its NPS as a condition of being placed in its residential facility.

If CONTRACTOR is a NPS/RTC, CONTRACTOR shall adhere to all legal requirements under the Individuals with Disabilities Education Act (IDEA), 20 U.S.C. section 1400 et seq. including the federal regulations 34 C.F.R section 300 et seq. and Education Code section 56000 et seq. including Title 5 of the

California Code of Regulations section 3000 et seq. CONTRACTOR shall comply with all monitoring requirements set forth in Section 43 below.

If CONTRACTOR is a NPS that is owned, operated by, or associated with a LCI, CONTRACTOR shall provide to LEA, on a quarterly basis, a list of all students, including those identified as eligible for special education. For those identified as special education students, the list shall include: 1) special education eligibility at the time of enrollment and; 2) the educational placement and services specified in each student's IEP at the time of enrollment. A copy of the current IEP shall be provided to the LEA.

Unless placement is made pursuant to an Office of Administrative Hearings order or a lawfully executed agreement between LEA and parent, LEA is not responsible for the costs associated with NPS placement until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student's parent or another adult with educational decision-making rights.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal IDEA (20 U.S.C. Sec. 1400 et seq.); shall be certified or licensed by the state to provide nonmedical care, clinical services, or short-term residential therapeutic programs, as applicable to the facility type; and shall submit to all monitoring requirements specific to out-of-state NPS contractors set forth in Education Code 56366.1 and Section 43 below

When CONTRACTOR is a NPS, CONTRACTOR and LEA shall satisfy the State Meal Mandate under California Education Code sections 49005 et seq.; 49501.5, the universal meal mandate; 49530 et seq; and 49550 et seq.

LEA, at its sole discretion, may elect to directly provide meals to CONTRACTOR for distribution to LEA students at the nonpublic school on its own or by another local school district.

CONTRACTOR acknowledges that the LEA does not receive any state or federal reimbursement for any meals CONTRACTOR provides to LEA students and that CONTRACTOR is only eligible to receive direct reimbursement if it is an approved site under the National School Lunch Program.

In the event the LEA requests CONTRACTOR to provide meals to LEA students, CONTRACTOR will provide breakfast and lunch to LEA students in compliance with the meal pattern requirements under the School Breakfast Program and National School Lunch Program nutritional standards. LEA shall reimburse CONTRACTOR for each meal made available at a mutually agreed upon rate. In the event CONTRACTOR is unable to provide meals, the LEA and CONTRACTOR will work collaboratively to find a solution. In the event CDE determines that meals do not need to be provided, this paragraph shall not apply.

CONTRACTOR shall maintain all documentation of meals provided to LEA students. CONTRACTOR shall comply with record keeping requirements under the School Breakfast Program and National School Lunch Program or LEA template. Upon request, CONTRACTOR shall provide copies of any such records to LEA. CONTRACTOR shall also allow LEA to conduct site monitoring visits as deemed necessary by the LEA.

Upon request, CONTRACTOR shall provide LEA with any contracts it has with third-party vendors providing meals for students.

43. MONITORING

The State Superintendent of Public Instruction ("Superintendent"), through the delegated monitoring activities to the California Department of Education (CDE), shall monitor CONTRACTOR'S facilities, the educational environment, and the quality of the educational program, including the teaching staff, the credentials authorizing service, the standards-based core curriculum being employed, and the standard focused instructional materials used on a three-year cycle, as follows: (1) CONTRACTOR shall complete a self-review in year one; (2) the Superintendent shall conduct an onsite review in year two; and (3) the Superintendent shall conduct a follow-up visit in year three.

CONTRACTOR shall participate in any LEA or CDE compliance review, if applicable, to be conducted as aligned with the CDE Onsite Review and monitoring cycle in accordance with California Education Code section 56366.1(j) and (k) as applicable. This review will address programmatic aspects of the NPS, compliance with relevant state and federal regulations, and Master Contract compliance, as well as pupil perceptions, progress, and concerns, as required by law. CONTRACTOR shall conduct any follow-up or corrective action procedures related to review findings.

If CONTRACTOR is also an LCI and/or NPS/RTC, the CDE shall annually evaluate whether CONTRACTOR is in compliance with Education Code section 56366.9 and Health and Safety Code section 1501.1(b).

The LEA or SELPA shall conduct an onsite visit to the NPS before placement of a pupil if the LEA does not have any pupils enrolled at the school at the time of placement.

The LEA or SELPA shall conduct at least one onsite monitoring visit during each school year to the CONTRACTOR site certified as an NPS where the LEA has placed a pupil and entered into a master contract. The monitoring visit shall include, but is not limited to, a review of services specified on the ISA and provided to the pupil, a review of progress the pupil is making toward the goals set forth in the pupil's IEP, a review of progress the pupil is making toward the goals set forth in the pupil's behavioral intervention plan, if applicable, an observation of the pupil during instruction, a walkthrough of the facility, and, for a pupil placed in an NPS located outside of California, an in-person interview with the pupil, in a manner consistent with the pupil's IEP, to evaluate the pupil's health and safety. The LEA or SELPA shall report the findings resulting from the monitoring visit to the CDE, using the "Local Educational Agency Onsite Visit for Nonpublic School" form developed and published by the department on CDE's internet website, including additional findings required by the CDE specific to NPS located outside California, if applicable, within 60 calendar days of the onsite visit.

If CONTRACTOR is an NPS located outside of California, the LEA or SELPA shall conduct at least quarterly check-ins with a pupil placed by the LEA pursuant to a master contract, through an unmonitored telephone call, in a manner consistent with the pupil's IEP.

CONTRACTOR shall allow LEA representatives access to its facilities for additional periodic monitoring of each student's instructional program. LEA shall have access to observe each student at work, observe the instructional setting, interview CONTRACTOR employees and student(s) placed by the LEA, and review each student's records and progress. Such access shall include unannounced monitoring visits. When making site visits, LEA shall initially report to CONTRACTOR's site administrative office. CONTRACTOR shall be invited to participate in the review of each student's progress.

CONTRACTOR understands that LEA reserves the right to institute a program audit with or without cause. The program audit may include, but is not limited to, a review of core compliance areas of health and safety; curriculum/instruction; related services; and contractual, legal, and procedural compliance.

When CONTRACTOR is a NPS, CONTRACTOR shall collect all applicable data and prepare the applicable portion of a School Accountability Report Card as appropriate in accordance with California Education Code Section 33126.

PERSONNEL

CONTRACTOR shall comply with the requirements of California Education Code sections 44237, 35021.1, 35021.2, and 56366.1 including, but not limited to: obtaining clearance from both the California Department of Justice (hereinafter referred to as "CDOJ") and clearance from the Federal Bureau of Investigation (hereinafter referred to as "FBI") for CONTRACTOR's employees and volunteers who will have or likely may have any direct contact with LEA students. CONTRACTOR hereby agrees that CONTRACTOR's employees and volunteers shall not come in contact with students, in-person or virtually, until CDOJ and FBI clearance are ascertained. CONTRACTOR shall certify in writing to LEA that none of its employees, and volunteers, unless CONTRACTOR determines that the volunteers will have no direct contact with students, or subcontractors who may come into contact with students have been convicted of a violent or serious felony as those terms are defined in California Education Code section 44237(h), unless despite the employee's conviction of a violent or serious felony, he or she has met the criteria to be eligible for employment pursuant to California Education Code section 44237 (i) or (j). Upon request, clearance certification shall be submitted to the LEA. In addition, CONTRACTOR shall make a request for subsequent arrest service from CDOJ as required by California Penal Code section 11105.2. Contractor shall certify to LEA that they have successful background checks and enrolled in subsequent arrest notification service for all employees who may come into contact with students.

Notwithstanding the restrictions on sharing and destroying criminal background check information, CONTRACTOR, upon demand, shall make available to the LEA evidence of a successful criminal background check clearance and enrollment in subsequent arrest notification service, as provided, for each owner, operator, and employee of the NPS/A. CONTRACTOR is required to retain the evidence on-site, as specified, for all staff, including those licensed or credentialed by another state agency. Background clearances and proof of subsequent arrest notification service, as required by California Penal Code section 11105.2, for all staff shall be provided to the LEA upon request.

45. STAFF QUALIFICATIONS

CONTRACTOR shall ensure that all individuals employed, contracted, and/or otherwise hired by CONTRACTOR to provide classroom and/or individualized instruction or related services hold a license, certificate, permit, or other document equivalent to that which staff in a public school are required to hold in the service rendered consistent with Education Code section 56366.1(n)(1) and are qualified pursuant to Title 34 of the Code of Federal Regulations sections 200.56 and 200.58, and Title 5 of the California Code of Regulations sections 3001(r), 3064 and 3065. CONTRACTOR shall ensure that all staff are appropriately credentialed to provide instruction and services to students with the disabling conditions placed in their program/school through documentation provided to the CDE (5 CCR 3064 (a)).
In accordance with California Education Code section 56366.1(a)(5), when CONTRACTOR is a NPS, an appropriately qualified person shall serve as curricular and instructional leader, and be able to provide leadership, oversight and professional development. The administrator of the NPS holds or is in the process of obtaining one of the following: (A) An administrative credential granted by an accredited postsecondary educational institution and two years of experience with pupils with disabilities. (B) A pupil personnel services credential that authorizes school counseling or psychology. (C) A license as a clinical social worker issued by the Board of Behavioral Sciences. Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by the LEA until completion of a review or audit, if deemed necessary by the LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the portion of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to the student.

If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies or submit to LEA written documentation demonstrating that the basis or bases cited by the LEA for withholding payment is unfounded. Upon receipt of CONTRACTOR's written request showing good cause, LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. The LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: The LEA or CONTRACTOR may appeal to the County Superintendent of Schools so long as the County Superintendent of Schools is not participating in the Local Plan involved in the NPS/A contract, or a mutually agreed upon mediator. LOCAL EDUCATION AGENCY: California Online Public Schools

NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER:

John Tracy Center-Los Angeles

NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES MASTER CONTRACT

GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract (or "Contract") is entered into on **September 8, 2026**, between **California Online Public Schools which includes California Online Public Schools Central Coast, California Online Public Schools Central Valley, California Online Public Schools Monterey Bay, California Online Public Schools North Bay, California Online Public Schools Northern California, and California Online Public Schools Southern California**, hereinafter referred to as the local educational agency ("LEA"), a member of the **El Dorado** SELPA and

John Tracy Center-Los Angeles

(nonpublic, nonsectarian school or agency), hereinafter referred to as NPS/A or "CONTRACTOR" for the purpose of providing special education and/or related services to students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq*. and Title 5 of the California Code of Regulations section 3000 *et seq*., AB 490 (Chapter 862, Statutes of 2003) and AB 1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit the LEA to pay for special education and/or related services provided to any student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Service Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, these forms shall acknowledge CONTRACTOR's obligation to provide all relevant services specified in the student's Individualized Education Program (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of a student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each student served by CONTRACTOR. As available and appropriate, the LEA shall make available access to any electronic IEP system and/or electronic database for the development of the ISA and invoices.

Unless placement and/or services is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed settlement agreement between LEA and parent or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with NPS placement or NPS/A services until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a NPS/A. All NPS/A services shall be provided consistent with the area of certification and licensure specified by CDE Certification and as defined in California Education Code, section 56366 et seq

and within the professional scope of practice of each provider's license, certification, and/or credential. A current copy of CONTRACTOR's NPS/A certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Agreement is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract.

Total student enrollment shall be limited to capacity as stated on CDE certification and in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified and all staff persons providing services to pupils shall be certified and/or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care room and board to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this State, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE in writing of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless, taking into consideration all of the surrounding facts and circumstances, a policy or policies or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR's failure to comply with applicable LEA policies (e.g., those policies relating to; the provision of special education and/or related services, facilities for individuals with exceptional needs, student enrollment and transfer, student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract; and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2026 to June 30, 2027 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. The parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2026 (Title 5 California Code of Regulations section 3062(d)). In the event the contract negotiations are not agreed to by June 30th, the most recently executed

Master Contract will remain in effect for 90 days (Education Code 56366(c)(1)). If, after 60 days the Master Contract or individual services agreement has not been finalized, as prescribed in paragraph (1) of subdivision (a), either party may appeal to the county superintendent of schools, if the county superintendent of schools is not participating in the local plan involved in the nonpublic, nonsectarian school or agency contract; or the Superintendent, if the county superintendent of schools is participating in the local plan involved in the contract, to negotiate the contract. Within 30 days of receipt of this appeal, the county superintendent of schools or the Superintendent, or the individual designee, shall mediate the formulation of a contract, which shall be binding upon both parties (Education Code 56366 (c) (2)). No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR's ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each ISA and they are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of current teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to District, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety-day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (California Education Code section 56366(c)(1) and (2)). In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students at the discretion of the LEA

6. INDIVIDUAL SERVICE AGREEMENT ("ISA")

This Agreement shall include an ISA developed for each student to whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for students enrolled with the approval of the LEA pursuant to Education Code section 56366 (a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR, shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students.

Any and all changes to a student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the student's IEP or by written agreement between the parent and LEA. At any time during the term of this Master Contract, a student's parent, CONTRACTOR, or LEA may request a review of a student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA. (California Education Code sections 56366(a) (5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to student as a result of lack of provision of services while student was served by the NPS/A.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c) (2).

Such log shall be maintained as required by California Education Code section 49064 and include the name, title, agency/organization affiliation, date/time of access for each individual requesting or receiving information from the student's record, and a description of the record(s) provided. Such log needs to record access to the student's records by: (a) the student's parent; (b) an individual to whom written consent has been executed by the student's parent; or (c) employees of LEA or CONTRACTOR having a legitimate educational interest in requesting or receiving information from the record. 14. TERMINATION

CONTRACTOR or LEA may terminate this Master Contract or an ISA for cause. "Cause" shall not include the availability of a public class initiated during the period of the contract or student behaviors known to CONTRACTOR at the time of student's placement, unless the parent and LEA agree to a change of student's placement at an IEP team meeting, or pursuant to lawful order from an administrative agency or court of competent jurisdiction.

The cause shall not be behaviors that student is engaging in that were known to CONTRACTOR at the time the student was placed in CONTRACTOR'S program.

To terminate the Master Contract either party shall give no less than twenty (20) days prior written notice (California Education Code section 56366(a)(4)). To the fullest extent allowed by law, CONTRACTOR shall indemnify and hold LEA and its Board Members, administrators, employees, agents, attorneys, volunteers, and subcontractors ("LEA Indemnities") harmless against all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of this Master Contract or its performance, to the extent that such loss, expense, damage or liability was proximately caused by negligence, intentional act, or willful act or omission of CONTRACTOR, including, without limitation, its agents, employees, subcontractors or anyone employed directly or indirectly by it (excluding LEA and LEA Indemnities). The duty and obligation to defend shall arise immediately upon tender of a claim or lawsuit to the CONTRACTOR. The LEA and the Member District(s) shall have the right in their sole discretion to select counsel of its choice to provide the defense at the sole cost of the CONTRACTOR or the applicable insurance carrier.

To the fullest extent allowed by law, LEA shall indemnify and hold CONTRACTOR and its Board Members, administrators, employees, agents, attorneys, and subcontractors ("CONTRACTOR Indemnities") harmless against all liability, loss, damage and expense (including reasonable attorneys' fees)

resulting from or arising out of this Master Contract or its performance thereof, to the extent that such loss, expense, damage or liability was proximately caused by the negligent, intentional act or willful act or omission of LEA, including, without limitation, its agents, employees, subcontractors or anyone employed directly or indirectly by it (excluding CONTRACTOR and/or any CONTRACTOR Indemnities).

LEA represents that it is self-insured in compliance with the laws of the State of California, that the self-insurance covers LEA employees acting within the course and scope of their respective duties and that its self-insurance covers the LEA's indemnification obligations under this Master Contract.

17. INDEPENDENT CONTRACTOR

Nothing herein contained will be construed to imply a joint venture, partnership or principal-agent relationship between the LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Contract as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Contract shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is determined to be a partner, joint venture, co-principal, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR's original notice and CONTRACTOR shall not subcontract for said service(s).

CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts, to the fullest extent reasonably possible. Furthermore, when CONTRACTOR enters into subcontracts for the provision of special education and/or related services (including, but not limited to, transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. Such subcontractor's insurance shall comply with the provisions of Section 15. Each subcontractor shall furnish the LEA with original endorsements and certificates of insurance effecting coverage required by Section 15. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. The endorsements are to be on forms as required by the LEA. All endorsements are to be received and approved by the LEA before the subcontractor's work commences. The Commercial General Liability and Automobile Liability policies shall name the LEA/SELPA and the LEA Board of Education as additional insured.

As an alternative to the LEA's forms, a subcontractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by this Master Contract. All Certificates of Insurance must reference the LEA contract number, name of the school or agency submitting the certificate, indication if NPS or NPA, and the location of the school or agency submitting the certificate. In addition, all subcontractors must meet the requirements as contained in Section 44 Clearance Requirements and Section 45 Staff Qualifications of this Master Contract.

of interest pursuant to California Education Code section 56042 and Government Code Section 1090 including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR's facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

The LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the student is performed or a report is prepared in the normal course of the services provided to the student by CONTRACTOR. To avoid conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may not fund services through the evaluator whose IEE the LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

CONTRACTOR shall provide special education and/or related services (including transition services) to each student within the NPS/A consistent with the student's IEP and as specified in the ISA. If CONTRACTOR is a NPS, CONTRACTOR shall not accept a student if it cannot provide or ensure the provision of the services outlined in the student's IEP. If student services are provided by a third party (i.e. Related Services Provider), CONTRACTOR shall notify LEA if provision of services cease.

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities, as specified in the student's IEP and ISA. CONTRACTOR shall make no charge of any kind to parents for special education and/or related services as specified in the student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of the student's enrollment under the terms of this Master Contract). LEA shall provide low incidence equipment for eligible students with low incidence disabilities when specified in the student's IEP and ISA. Such equipment remains the property of the SELPA/LEA and shall be returned to the SELPA/LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the NPS. CONTRACTOR shall ensure that

facilities are adequate to provide LEA students with an environment which meets all pertinent health and safety regulations. CONTRACTOR may charge a student's parent(s) for services and/or activities not necessary for the student to receive a free appropriate public education after: (a) written notification to the student's parent(s) of the cost and voluntary nature of the services and/or activities; and (b) receipt by the LEA of the written notification and a written acknowledgment signed by the student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA requirements concerning parent acknowledgment of financial responsibility.

Voluntary services and/or activities not necessary for the student to receive a free appropriate public education shall not interfere with the student's receipt of special education and/or related services as specified in the student's IEP and ISA unless the LEA, CONTRACTOR, and PARENT agree otherwise in writing.

22. GENERAL PROGRAM OF INSTRUCTION

All NPS/A services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 et seq.

The NPA providing Behavior Intervention services shall develop a written plan that specifies the nature of their NPA service for each student within thirty (30) days of enrollment and shall be provided in writing to the LEA. School-based services may not be unilaterally converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized by the IEP team. Except for services provided by a CONTRACTOR that is a Licensed Children's Institution (LCI), all services not provided in the school setting require the presence of a parent, guardian or adult caregiver during the delivery of services, provided such guardian or caregiver have a signed authorization by the parent or legal guardian to authorize emergency services as requested. LCI CONTRACTORS shall ensure that appropriate and qualified residential or clinical staff is present during the provision of services under this Master Contract. CONTRACTOR shall immediately notify LEA in writing if no parent, guardian or adult caregiver is present. CONTRACTOR shall provide to LEA a written description of the services and location provided prior to the effective date of this Master Contract. Upon prior written approval by an authorized LEA representative, class size may be temporarily increased by a ratio of 1 teacher to fourteen (14) students when necessary, during the regular or extended school year to provide services to students with disabilities.

In the event a NPS is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the CDE Certification of that school, the NPS shall develop a plan to ensure appropriate coverage of students by first utilizing existing certificated staff. The NPS and the LEA may agree to one 30 school day period per contract year where class size may be increased to ensure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both parties. This provision does not apply to a NPA.

CONTRACTOR providing special education instruction for individuals with exceptional needs between the ages of three and five years, inclusive, shall also comply with the appropriate instructional adult to child ratios pursuant to California Education Code sections 56440 et seq.

25. CALENDARS

Billable days shall include only those days that are included on the submitted and approved school calendar, and/or required by the IEP (developed by the LEA) for each student. CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of the LEA. CONTRACTOR must submit any calendar changes to LEA in writing at least ten (10) business days prior to proposed change in order to be eligible for payment based upon the new calendar, if approved. Nothing in this Master Contract shall be interpreted to require the LEA to accept any requests for calendar changes.

Unless otherwise specified by the student's IEP or ISA, educational services shall occur at the school site. A student shall only be eligible for extended school year services as determined by the IEP team and the provision of such is specifically included in the ISA. Extended school year shall consist of twenty (20) instructional days, unless otherwise agreed upon by the IEP team convened by the LEA. Any days of

extended school year in excess of twenty (20) billable days must be mutually agreed to, in writing, prior to the start of the extended school year.

Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

CONTRACTOR shall observe the same legal holidays as LEA. Those holidays are Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Martin Luther King Jr. Day, President's Day, Memorial Day, Juneteenth, and Independence Day. With the approval of LEA, CONTRACTOR may revise the date upon which CONTRACTOR closes in observance of any of the holidays observed by the LEA.

CONTRACTOR herein agrees to observe holidays as specified in the LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to the LEA-developed/approved calendar; or as specified in the LEA student's IEP and ISA. Unless otherwise specified in the LEA student's ISA, CONTRACTOR shall provide related services to LEA students on only those days that the LEA student's school of attendance is in session and the LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on the LEA calendar unless CONTRACTOR and the LEA agree otherwise, in writing. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any NPA service provided by CONTRACTOR. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING AND TRAINING

CONTRACTOR shall agree to provide to the LEA all data related to student information and billing information with LEA. CONTRACTOR shall agree to provide data related to all sections of this contract, including student discipline as noted below, and requested by and in the format required by the LEA. It is understood that all NPS/A shall utilize the LEA approved electronic IEP system for all IEP development, service tracking documentation, and progress reporting, unless otherwise agreed to by the LEA. Additional progress reporting may be required by the LEA. The LEA shall provide the CONTRACTOR with appropriate user training and proper permissions to allow adequate access.

CONTRACTOR shall complete all LEA-specific trainings, orientations, and onboarding requirements designated by the LEA prior to commencing services. Completion of such trainings does not constitute billable service hours unless otherwise agreed to in writing by the LEA. CONTRACTOR shall complete any and all LEA required trainings prior to beginning work with students. CONTRACTOR shall document all session attendance in the LEA's approved electronic IEP system no later than the conclusion of each workday during which services are provided.

Using forms developed by the CDE or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Code sections 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code sections 48900 and 48915.

The LEA shall provide the CONTRACTOR with approved forms and/or format for such data including, but not limited to, invoicing, attendance reports and progress reports. The LEA may approve use of CONTRACTOR'S provided forms at their discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and LEA shall follow all LEA policies and procedures that support Least Restrictive Environment ("LRE") options and/or dual enrollment options if available and appropriate, for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services, goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist the LEA in implementing the IEP team's recommended activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a NPS, per implementation of Senate Bill 484, CONTRACTOR shall administer all statewide assessments within the California Assessment of Student Performance and Progress ("CAASPP"), Desired Results Developmental Profile ("DRDP"), California Alternative Assessment ("CAA"), achievement and abilities tests (using LEA-authorized assessment instruments), the Fitness Gram, , the English Language Proficiency Assessments for California ("ELPAC"), the Alternative English Language Proficiency Assessments for California ("Alternative ELPAC"), and as appropriate to the student, and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR'S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend District mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, data collection, and standardized testing and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS

CONTRACTOR shall comply with the requirements of Education Code sections 49000, *et seq.,* 49005, *et seq*., 56521.1 and 56521.2. LEA students who exhibit behaviors that interfere with their learning or the learning of others must receive timely and appropriate assessments and positive supports and interventions in accordance with state and federal law and implementing regulations. If the IEP team determines that a student's behavior impedes the individual learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that

behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan ("BIP"), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and behavioral emergency reports. CONTRACTOR shall ensure that all of its staff members are trained in crisis intervention, emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR's pupil population. The training shall be provided within 30 days of employment to new staff who have any contact or interaction with pupils during the school day, and annually to all staff who have any contact or interaction with pupils during the school day. The CONTRACTOR shall select and conduct the training in accordance with California Education Code section 56366.1. CONTRACTOR shall maintain written records of the training and provide written verification of the training annually and upon request.

Emergency interventions are those interventions used with a student during the time they present a serious, dangerous behavior that staff has determined to be present a clear and present danger to self or others, which requires a non-violent physical intervention to protect the safety of student, self, or others that cannot be prevented by use of a less restrictive technique. Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP, and shall not be employed longer than necessary to contain the behavior. Emergency interventions may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the individual with exceptional needs, or others, and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.

CONTRACTOR shall complete a behavior emergency report when an emergency intervention is used ; or when a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. A behavior emergency report form must be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall also notify Parent within twenty-four (24) hours via telephone. If the student's IEP does not contain a BIP, CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days to review the behavior emergency report, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If applicable, the IEP team shall document the reasons for not conducting the functional behavioral assessment, not developing an interim plan, or both. If the student already has a BIP, and the incident involved a previously unseen or new serious behavior, or if preexisting behavioral interventions in the BIP were ineffective, CONTRACTOR shall schedule with LEA an IEP meeting to review and determine the need to modify the BIP.

Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following:

1. any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric-shock;
2. an intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual;
3. an intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities;
4. an intervention that is designed to subject, used to subject, or likely to subject, the individual to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma;
5. restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities;
6. prone restraint;
7. locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room;
8. an intervention that precludes adequate supervision of the individual;

9. an intervention that deprives the individual of one or more of the individual's senses.

CONTRACTOR shall comply with Education Code sections 49005.8, 56521.1 and 56521.2. Specifically, Contractor shall not do any of the following:

1. Use seclusion or a behavioral restraint for the purpose of coercion, discipline, convenience, or retaliation.
2. Use locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room.
3. Use a physical restraint technique that obstructs a pupil's respiratory airway or impairs the pupil's breathing or respiratory capacity, including techniques in which a staff member places pressure on a pupil's back or places the staff member's body weight against the pupil's torso or back.
4. Use a behavioral restraint technique that restricts breathing, including, but not limited to, using a pillow, blanket, carpet, mat, or other item to cover a pupil's face.
5. Use prone restraint, including but not limited to prone containment.
6. Use a behavioral restraint for longer than is necessary to contain the behavior that poses a clear and present danger of serious physical harm to the pupil or others.

CONTRACTOR shall keep constant, direct observation of a pupil who is in seclusion, which may be through observation of the pupil through a window, or another barrier, through which the educational provider is able to make direct eye contact with the pupil. This observation shall not be through indirect means, including through a security camera or a closed-circuit television.

CONTRACTOR shall afford pupils who are restrained the least restrictive alternative and the maximum freedom of movement, and shall use the least number of restraint points, while ensuring the physical safety of the pupil and others.

In the case of a child whose behavior impedes the child's learning or that of others, the IEP team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

All restraint practices must be reviewed and revised when they have an adverse effect on a student and are used repeatedly for an individual child, either on multiple occasions within the same classroom or multiple uses by the same individual. CONTRACTOR shall notify the student's parent/guardian when any type of physical or mechanical restraint or seclusion has been used. Upon the use of any type of physical or mechanical restraint or seclusions of an LEA student, CONTRACTOR shall complete a BER per the reporting and notification requirements listed above.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations. Using forms developed by the California Department of Education or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.

When CONTRACTOR seeks to remove a student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA. Written discipline reports shall include, but not be limited to: the student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10^{th}) day of suspension

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the NPS; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (California Education Code sections 56366 (a) (2) (B) (i) and (ii)) and pursuant to California Education Code section 56345 (b) (4).)

If the LEA student is to be transferred from a NPS setting into a regular class setting in a public school for any part of the school day, the IEP team shall document a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of the individual IEP team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, the parent, the CONTRACTOR or the LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to parent, CONTRACTOR and LEA. CONTRACTOR shall provide to LEA assessments and written assessment reports by service providers upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the approved electronic IEP system of the LEA for all IEP planning and progress reporting at the LEA's discretion. The LEA or SELPA may provide training for any CONTRACTOR to ensure access to the approved system. The CONTRACTOR shall maintain confidentiality of all IEP data on the approved system and shall protect the password requirements of the system. When a student dis-enrolls from the NPS/NPA, the NPS/NPA and LEA shall discontinue use of the approved system for that student.

Changes in any student's educational program, including instruction, services, or instructional setting provided under this Master Contract, may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of consideration of a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code.

If CONTRACTOR is an NPS, CONTRACTOR shall ensure private and confidential communication, including telecommunication, between a pupil of the NPS and members of the pupil's IEP team and the CDE's Constituent Services Office, at the pupil's discretion.

33. SURROGATE PARENTS AND FOSTER YOUTH

towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1.

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. Participation further includes the willingness to make CONTRACTOR's staff available for witness preparation and testimony as is necessary to facilitate a due process hearing. CONTRACTOR shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office of Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR's program and/or the implementation of a particular student's IEP/Individual and Family Service Plan ("IFSP").

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to parent complaints. These procedures shall include annually notifying and providing parents of students with appropriate information (including complaint forms) for the following: (1) Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations section 4600 *et seq*.; (2) Nondiscrimination policy pursuant to Title 5 of the California Code of Regulations section 4960 (a); (3) Sexual Harassment Policy, California Education Code 231.5 (a) (b) (c); (4) Title IX Student Grievance Procedure, Title IX 106.8 (a) (d) and 106.9 (a); and (5) Notice of Privacy Practices in compliance with Health Insurance Portability and Accountability Act ("HIPAA"). CONTRACTOR shall include verification of these procedures to the LEA. CONTRACTOR shall immediately notify LEA of any complaints filed against it related to LEA students and provide LEA with all documentation related to the complaints and/or its investigation of complaints, including any and all reports generated as a result of an investigation.

36. STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to LEA at least two (2) written progress reports/report cards annually, two (2) weeks prior to the end of each semester. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR's place of business and shall be submitted to the LEA two (2) weeks prior to the end of each semester, in accordance with the LEA's procedures and school calendar.

The CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, observation notes, data sheets, pre/post tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior intervention plans. The LEA may request such data at any time within five (5) years of the date of service. The CONTRACTOR shall provide this data supporting progress within five (5) business days of request. Additional time may be granted as needed by the LEA.

CONTRACTOR shall complete academic or other evaluations of the student ten (10) days prior to the student's annual or triennial review IEP team meeting for the purpose of reporting the student's present levels of performance at the IEP team meeting as required by state and federal laws and regulations and pursuant to LEA policies, procedures, and/or practices. CONTRACTOR shall provide sufficient copies of its reports, documents, and projected goals to share with members of the IEP team five (5) business days prior to the IEP meeting. CONTRACTOR shall maintain supporting documentation such as test protocols and data collection, which shall be made available to LEA within five (5) business days of request.

The CONTRACTOR is responsible for all evaluation costs regarding the updating of goals and objectives, progress reporting and development of present levels of performance. All assessments resulting from an assessment plan shall be provided by the LEA unless the LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Any assessment and/or evaluation costs may be added to the ISA and/or approved separately by the LEA at the LEA's sole discretion.

It is understood that all billable hours must be in direct services to pupils as specified in the ISA. For NPA services, supervision provided by a qualified individual as specified in Title 5 Regulation, subsection 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

CONTRACTOR shall not charge the student's parent(s) or LEA for the provision of progress reports, report cards, evaluations conducted in order to obtain present levels of performance, interviews, and/or meetings. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the pupil's record and shall be made available to the LEA upon written request.

37. GRADES, HIGH SCHOOL COURSE CREDITS, & TRANSCRIPTS

When CONTRACTOR is a NPS, CONTRACTOR is responsible for assigning grades for any course of instruction taught at the NPS. The grades each pupil receives in all courses of instruction taught by the NPS shall be reported to the parents and the LEA on a quarterly basis. Consistent with the LEA, should it become evident to the NPS the pupil is in danger of failing a course, the CONTRACTOR must initiate a parent conference, and the LEA representative must be in attendance.

When CONTRACTOR serves students in grades nine (9) through twelve (12) inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements. CONTRACTOR shall not recommend awarding a high school diploma to students who have not successfully completed all of the LEA's graduation requirements.

Pupils enrolled in high school during the 2020-2021 academic year may request a Pass or No Pass grade as permitted in EC Section 49066.5, which may be reflected on the student's transcript and shall not negatively affect the pupil's grade point average.

CONTRACTOR shall prepare transcripts at the close of each semester, or upon student transfer, for students in grades nine (9) through twelve (12) inclusive, and submit them on LEA approved forms to the student's school of residence for evaluation of progress toward completion of diploma requirements as specified in LEA Procedures. CONTRACTOR shall submit to the LEA names of students and their schools of residence for whom transcripts have been submitted as specified by the LEA.

INDIVIDUAL TRANSITION PLANNING – AB 438, Approved on September 28, 2024

Effective July 1, 2025, if determined appropriate by the pupil's IEP team, beginning when the pupil starts their high school experience and not later than when the pupil is 16 years of age or younger, as appropriate, and annually thereafter, a statement of needed transition services shall be included in the pupil's individualized education program. If the individualized education program team determines that the pupil would benefit from the postponement of the inclusion of appropriate measurable postsecondary goals and transition services until 16 years of age, rather than when the pupil begins their high school experience, the individualized education program team shall appropriately justify the basis for that postponement. (EC section 56043(h).)

38. STUDENT CHANGE OF RESIDENCE

Within five (5) school days from the date CONTRACTOR becomes aware of a student's change of residence, CONTRACTOR shall notify LEA, in writing, of the student's change of residence. Upon enrollment, CONTRACTOR shall notify parents in writing of their obligation to notify CONTRACTOR of the student's change of residence. CONTRACTOR shall maintain, and provide upon request by LEA, documentation of such notice to parents.

39. WITHDRAWAL OF STUDENT FROM PROGRAM

CONTRACTOR shall immediately report electronically and in writing to the LEA within five (5) business days when an LEA student is withdrawn without prior notice from school and/or services, including student's change of residence to a residence outside of LEA service boundaries, and parent/guardian withdrawal of student against professional advice from a NPS/RTC.

The names of any adult caregiver other than the parent shall be provided to the LEA prior to the start of any home based services, including written and signed authorization in emergency situations. The parent shall inform the LEA of any changes of caregivers and provide written authorization for emergencies. If CONTRACTOR is a LCI, CONTRACTOR shall adhere to all legal requirements regarding educational placements for LCI students as stated in Education Code 56366 (a) (2) (C), 56366.9 (c) (1), Health and Safety Code section 1501.1 and any other applicable laws and/or regulations, including LEA guidelines or procedures. An LCI shall not require that a pupil be placed in its NPS as a condition of being placed in its residential facility.

If CONTRACTOR is a NPS/RTC, CONTRACTOR shall adhere to all legal requirements under the Individuals with Disabilities Education Act (IDEA), 20 U.S.C. section 1400 et seq. including the federal regulations 34 C.F.R section 300 et seq. and Education Code section 56000 et seq. including Title 5 of the

For those identified as special education students, the list shall include: 1) special education eligibility at the time of enrollment and; 2) the educational placement and services specified in each student's IEP at the time of enrollment. A copy of the current IEP shall be provided to the LEA.

Unless placement is made pursuant to an Office of Administrative Hearings order or a lawfully executed agreement between LEA and parent, LEA is not responsible for the costs associated with NPS placement until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student's parent or another adult with educational decision-making rights.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal IDEA (20 U.S.C. CONTRACTOR acknowledges that the LEA does not receive any state or federal reimbursement for any meals CONTRACTOR provides to LEA students and that CONTRACTOR is only eligible to receive direct reimbursement if it is an approved site under the National School Lunch Program.

In the event the LEA requests CONTRACTOR to provide meals to LEA students, CONTRACTOR will provide breakfast and lunch to LEA students in compliance with the meal pattern requirements under the School Breakfast Program and National School Lunch Program nutritional standards. LEA shall reimburse CONTRACTOR for each meal made available at a mutually agreed upon rate. CONTRACTOR shall conduct any follow-up or corrective action procedures related to review findings.

If CONTRACTOR is also an LCI and/or NPS/RTC, the CDE shall annually evaluate whether CONTRACTOR is in compliance with Education Code section 56366.9 and Health and Safety Code section 1501.1(b).

The LEA or SELPA shall conduct an onsite visit to the NPS before placement of a pupil if the LEA does not have any pupils enrolled at the school at the time of placement.

The LEA or SELPA shall conduct at least one onsite monitoring visit during each school year to the CONTRACTOR site certified as an NPS where the LEA has placed a pupil and entered into a master contract. The monitoring visit shall include, but is not limited to, a review of services specified on the ISA and provided to the pupil, a review of progress the pupil is making toward the goals set forth in the pupil's IEP, a review of progress the pupil is making toward the goals set forth in the pupil's behavioral intervention plan, if applicable, an observation of the pupil during instruction, a walkthrough of the facility, and, for a pupil placed in an NPS located outside of California, an in-person interview with the pupil, in a manner consistent with the pupil's IEP, to evaluate the pupil's health and safety. If CONTRACTOR is an NPS located outside of California, the LEA or SELPA shall conduct at least quarterly check-ins with a pupil placed by the LEA pursuant to a master contract, through an unmonitored telephone call, in a manner consistent with the pupil's IEP.

CONTRACTOR shall allow LEA representatives access to its facilities for additional periodic monitoring of each student's instructional program. LEA shall have access to observe each student at work, observe the instructional setting, interview CONTRACTOR employees and student(s) placed by the LEA, and review each student's records and progress. Such access shall include unannounced monitoring visits. When making site visits, LEA shall initially report to CONTRACTOR's site administrative office. CONTRACTOR shall be invited to participate in the review of each student's progress.

CONTRACTOR understands that LEA reserves the right to institute a program audit with or without cause. The program audit may include, but is not limited to, a review of core compliance areas of health and safety; curriculum/instruction; related services; and contractual, legal, and procedural compliance.

When CONTRACTOR is a NPS, CONTRACTOR shall collect all applicable data and prepare the applicable portion of a School Accountability Report Card as appropriate in accordance with California Education Code Section 33126.

Upon request, clearance certification shall be submitted to the LEA. In addition, CONTRACTOR shall make a request for subsequent arrest service from CDOJ as required by California Penal Code section 11105.2. LEA shall make payment to CONTRACTOR based on the number of billable days of attendance and hours of service at rates specified in this contract within forty-five (45) days of LEA's receipt of properly submitted hard copy of invoices prepared and submitted as specified in California Education Code Section 56366.5 and the LEA. CONTRACTOR shall correct deficiencies and submit rebilling invoices no later than thirty (30) calendar days after the invoice is returned by LEA. LEA shall pay properly submitted re-billing invoices no later than forty-five (45) days after the date a completely corrected re-billing invoice is received by LEA.

In no case shall initial payment claim submission for any Master Contract fiscal year (July through June) extend beyond December 31st after the close of the fiscal year. If the billing or re-billing error is the responsibility of the LEA, then no limit is set provided that the LEA and CONTRACTOR have communicated such concerns in writing during the 12-month period following the close of the fiscal year. LEA will not pay mileage for NPA employees unless agreed upon.

57. RIGHT TO WITHHOLD PAYMENT

LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this contract; (b) CONTRACTOR has billed for services rendered on days other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (c) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice, as required by EC 56366(c)(2); (e) education and/or related services are provided to students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received prior to school closure or contract termination, all documents concerning one or more students enrolled in CONTRACTOR's educational program; (g) CONTRACTOR fails to confirm a student's change of residence to another district or confirms the change of residence to another district, but fails to notify LEA within five (5) days of such confirmation; or (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a student. It is understood

that no payments shall be made for any invoices that are not received by six (6) months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by the LEA until completion of a review or audit, if deemed necessary by the LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the portion of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to the student.

If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies or submit to LEA written documentation demonstrating that the basis or bases cited by the LEA for withholding payment is unfounded. Upon receipt of CONTRACTOR's written request showing good cause, LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. The LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: The LEA or CONTRACTOR may appeal to the County Superintendent of Schools so long as the County Superintendent of Schools is not participating in the Local Plan involved in the NPS/A contract, or a mutually agreed upon mediator. Both parties agree to pay for their own costs and expenses arising out of such mediation. Each party agrees to act in good faith in participating in any mediation process agreed to by the parties.

58. PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to students. Upon request, CONTRACTOR shall provide to LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to students. CONTRACTOR shall provide prior written notice of the rights and protections required by Title

Additional Terms Regarding Invoices and Payment

Weekly or alternative billing frequencies are not permitted unless expressly approved in advance. In addition, to support SELPA reporting requirements, services provided to students with low incidence disabilities and students receiving mental health services must be invoiced separately. Invoice review and payment terms shall be forty-five (45) business days from the date a complete and accurate invoice is received. All references to a 30-to-45-day period refer to business days, not calendar days. Business days exclude weekends, holidays, and school breaks, including fall, winter, spring, and summer breaks, which may extend invoice review and payment timelines. LOCAL EDUCATION AGENCY: California Online Public Schools

NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER:

Deaf and Hard of Hearing Educational Solutions, Inc

NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES MASTER CONTRACT

GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract (or "Contract") is entered into on **September 8, 2026**, between **California Online Public Schools which includes California Online Public Schools Central Coast, California Online Public Schools Central Valley, California Online Public Schools Monterey Bay, California Online Public Schools North Bay, California Online Public Schools Northern California, and California Online Public Schools Southern California**, hereinafter referred to as the local educational agency ("LEA"), a member of the **El Dorado** SELPA and

Deaf and Hard of Hearing Educational Solutions, Inc

(nonpublic, nonsectarian school or agency), hereinafter referred to as NPS/A or "CONTRACTOR" for the purpose of providing special education and/or related services to students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq*. and Title 5 of the California Code of Regulations section 3000 *et seq*., AB 490 (Chapter 862, Statutes of 2003) and AB 1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit the LEA to pay for special education and/or related services provided to any student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Service Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, these forms shall acknowledge CONTRACTOR's obligation to provide all relevant services specified in the student's Individualized Education Program (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of a student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each student served by CONTRACTOR. As available and appropriate, the LEA shall make available access to any electronic IEP system and/or electronic database for the development of the ISA and invoices.

Unless placement and/or services is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed settlement agreement between LEA and parent or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with NPS placement or NPS/A services until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a NPS/A. All NPS/A services shall be provided consistent with the area of certification and licensure specified by CDE Certification and as defined in California Education Code, section 56366 et seq

and within the professional scope of practice of each provider's license, certification, and/or credential. A current copy of CONTRACTOR's NPS/A certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Agreement is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract.

Total student enrollment shall be limited to capacity as stated on CDE certification and in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified and all staff persons providing services to pupils shall be certified and/or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care room and board to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this State, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE in writing of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless, taking into consideration all of the surrounding facts and circumstances, a policy or policies or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR's failure to comply with applicable LEA policies (e.g., those policies relating to; the provision of special education and/or related services, facilities for individuals with exceptional needs, student enrollment and transfer, student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract; and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2026 to June 30, 2027 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. The parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2026 (Title 5 California Code of Regulations section 3062(d)). In the event the contract negotiations are not agreed to by June 30th, the most recently executed

Master Contract will remain in effect for 90 days (Education Code 56366(c)(1)). If, after 60 days the Master Contract or individual services agreement has not been finalized, as prescribed in paragraph (1) of subdivision (a), either party may appeal to the county superintendent of schools, if the county superintendent of schools is not participating in the local plan involved in the nonpublic, nonsectarian school or agency contract; or the Superintendent, if the county superintendent of schools is participating in the local plan involved in the contract, to negotiate the contract. Within 30 days of receipt of this appeal, the county superintendent of schools or the Superintendent, or the individual designee, shall mediate the formulation of a contract, which shall be binding upon both parties (Education Code 56366 (c) (2)). No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR's ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each ISA and they are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of current teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to District, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety-day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (California Education Code section 56366(c)(1) and (2)). In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students at the discretion of the LEA

6. INDIVIDUAL SERVICE AGREEMENT ("ISA")

This Agreement shall include an ISA developed for each student to whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for students enrolled with the approval of the LEA pursuant to Education Code section 56366 (a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR, shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students.

Any and all changes to a student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the student's IEP or by written agreement between the parent and LEA. At any time during the term of this Master Contract, a student's parent, CONTRACTOR, or LEA may request a review of a student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA. (California Education Code sections 56366(a) (5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to student as a result of lack of provision of services while student was served by the NPS/A.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c) (2).

CONTRACTOR shall provide all services under this Contract as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Contract shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is determined to be a partner, joint venture, co-principal, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts, to the fullest extent reasonably possible. Furthermore, when CONTRACTOR enters into subcontracts for the provision of special education and/or related services (including, but not limited to, transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. The LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the student is performed or a report is prepared in the normal course of the services provided to the student by CONTRACTOR. To avoid conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may not fund services through the evaluator whose IEE the LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

In the event a NPS is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the CDE Certification of that school, the NPS shall develop a plan to ensure appropriate coverage of students by first utilizing existing certificated staff. The NPS and the LEA may agree to one 30 school day period per contract year where class size may be increased to ensure coverage by an appropriately credentialed teacher. 29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend District mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, data collection, and standardized testing and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS

CONTRACTOR shall comply with the requirements of Education Code sections 49000, *et seq.,* 49005, *et seq*., 56521.1 and 56521.2. LEA students who exhibit behaviors that interfere with their learning or the learning of others must receive timely and appropriate assessments and positive supports and interventions in accordance with state and federal law and implementing regulations. If the IEP team determines that a student's behavior impedes the individual learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that

behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan ("BIP"), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and behavioral emergency reports. CONTRACTOR shall ensure that all of its staff members are trained in crisis intervention, emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR's pupil population. The training shall be provided within 30 days of employment to new staff who have any contact or interaction with pupils during the school day, and annually to all staff who have any contact or interaction with pupils during the school day. The CONTRACTOR shall select and conduct the training in accordance with California Education Code section 56366.1. CONTRACTOR shall maintain written records of the training and provide written verification of the training annually and upon request.

Emergency interventions are those interventions used with a student during the time they present a serious, dangerous behavior that staff has determined to be present a clear and present danger to self or others, which requires a non-violent physical intervention to protect the safety of student, self, or others that cannot be prevented by use of a less restrictive technique. Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP, and shall not be employed longer than necessary to contain the behavior. Emergency interventions may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the individual with exceptional needs, or others, and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.

CONTRACTOR shall complete a behavior emergency report when an emergency intervention is used ; or when a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. A behavior emergency report form must be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall also notify Parent within twenty-four (24) hours via telephone. If the student's IEP does not contain a BIP, CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days to review the behavior emergency report, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If applicable, the IEP team shall document the reasons for not conducting the functional behavioral assessment, not developing an interim plan, or both. If the student already has a BIP, and the incident involved a previously unseen or new serious behavior, or if preexisting behavioral interventions in the BIP were ineffective, CONTRACTOR shall schedule with LEA an IEP meeting to review and determine the need to modify the BIP.

Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following:

1. any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric-shock;
2. an intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual;
3. an intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities;
4. an intervention that is designed to subject, used to subject, or likely to subject, the individual to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma;
5. restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities;
6. prone restraint;
7. locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room;
8. an intervention that precludes adequate supervision of the individual;

9. an intervention that deprives the individual of one or more of the individual's senses.

CONTRACTOR shall comply with Education Code sections 49005.8, 56521.1 and 56521.2. Specifically, Contractor shall not do any of the following:

1. Use seclusion or a behavioral restraint for the purpose of coercion, discipline, convenience, or retaliation.
2. Use locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room.
3. Use a physical restraint technique that obstructs a pupil's respiratory airway or impairs the pupil's breathing or respiratory capacity, including techniques in which a staff member places pressure on a pupil's back or places the staff member's body weight against the pupil's torso or back.
4. Use a behavioral restraint technique that restricts breathing, including, but not limited to, using a pillow, blanket, carpet, mat, or other item to cover a pupil's face.
5. Use prone restraint, including but not limited to prone containment.
6. Use a behavioral restraint for longer than is necessary to contain the behavior that poses a clear and present danger of serious physical harm to the pupil or others.

CONTRACTOR shall keep constant, direct observation of a pupil who is in seclusion, which may be through observation of the pupil through a window, or another barrier, through which the educational provider is able to make direct eye contact with the pupil. This observation shall not be through indirect means, including through a security camera or a closed-circuit television.

CONTRACTOR shall afford pupils who are restrained the least restrictive alternative and the maximum freedom of movement, and shall use the least number of restraint points, while ensuring the physical safety of the pupil and others.

In the case of a child whose behavior impedes the child's learning or that of others, the IEP team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

All restraint practices must be reviewed and revised when they have an adverse effect on a student and are used repeatedly for an individual child, either on multiple occasions within the same classroom or multiple uses by the same individual. CONTRACTOR shall notify the student's parent/guardian when any type of physical or mechanical restraint or seclusion has been used. Upon the use of any type of physical or mechanical restraint or seclusions of an LEA student, CONTRACTOR shall complete a BER per the reporting and notification requirements listed above.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations. Using forms developed by the California Department of Education or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.

When CONTRACTOR seeks to remove a student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA. Written discipline reports shall include, but not be limited to: the student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10^{th}) day of suspension

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the NPS; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (California Education Code sections 56366 (a) (2) (B) (i) and (ii)) and pursuant to California Education Code section 56345 (b) (4).)

If the LEA student is to be transferred from a NPS setting into a regular class setting in a public school for any part of the school day, the IEP team shall document a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of the individual IEP team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, the parent, the CONTRACTOR or the LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to parent, CONTRACTOR and LEA. CONTRACTOR shall provide to LEA assessments and written assessment reports by service providers upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the approved electronic IEP system of the LEA for all IEP planning and progress reporting at the LEA's discretion. The LEA or SELPA may provide training for any CONTRACTOR to ensure access to the approved system. The CONTRACTOR shall maintain confidentiality of all IEP data on the approved system and shall protect the password requirements of the system. When a student dis-enrolls from the NPS/NPA, the NPS/NPA and LEA shall discontinue use of the approved system for that student.

Changes in any student's educational program, including instruction, services, or instructional setting provided under this Master Contract, may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of consideration of a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code.

If CONTRACTOR is an NPS, CONTRACTOR shall ensure private and confidential communication, including telecommunication, between a pupil of the NPS and members of the pupil's IEP team and the CDE's Constituent Services Office, at the pupil's discretion.

33. SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall recognize an LEA appointed surrogate parent assignments for students without parental representation, including unaccompanied homeless youths, in special education procedures pursuant to California Government Code Section 7579.5. Surrogate parents shall serve as the child's parent and have all the rights relative to the student's education that a parent has under the Individuals with Disabilities Education Act pursuant to *20 USC 1414-1482 and 34 CFR 300.1-300.756.* A pupil in foster care shall be defined pursuant to California Education Code section 42238.01(b). The LEA shall annually notify the CONTRACTOR who the LEA has designated as the educational liaison for foster children. When a pupil in foster care is enrolled in a NPS by the LEA any time after the completion of the pupil's second year of high school, the CONTRACTOR shall schedule the pupil in courses leading

towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1.

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. Participation further includes the willingness to make CONTRACTOR's staff available for witness preparation and testimony as is necessary to facilitate a due process hearing. CONTRACTOR shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office of Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR's program and/or the implementation of a particular student's IEP/Individual and Family Service Plan ("IFSP").

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to parent complaints. These procedures shall include annually notifying and providing parents of students with appropriate information (including complaint forms) for the following: (1) Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations section 4600 *et seq*.; (2) Nondiscrimination policy pursuant to Title 5 of the California Code of Regulations section 4960 (a); (3) Sexual Harassment Policy, California Education Code 231.5 (a) (b) (c); (4) Title IX Student Grievance Procedure, Title IX 106.8 (a) (d) and 106.9 (a); and (5) Notice of Privacy Practices in compliance with Health Insurance Portability and Accountability Act ("HIPAA"). CONTRACTOR shall include verification of these procedures to the LEA. CONTRACTOR shall immediately notify LEA of any complaints filed against it related to LEA students and provide LEA with all documentation related to the complaints and/or its investigation of complaints, including any and all reports generated as a result of an investigation.

36. STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to LEA at least two (2) written progress reports/report cards annually, two (2) weeks prior to the end of each semester. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR's place of business and shall be submitted to the LEA two (2) weeks prior to the end of each semester, in accordance with the LEA's procedures and school calendar.

The CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, observation notes, data sheets, pre/post tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior intervention plans. The LEA may request such data at any time within five (5) years of the date of service. The CONTRACTOR shall provide this data supporting progress within five (5) business days of request. Additional time may be granted as needed by the LEA.

CONTRACTOR shall complete academic or other evaluations of the student ten (10) days prior to the student's annual or triennial review IEP team meeting for the purpose of reporting the student's present levels of performance at the IEP team meeting as required by state and federal laws and regulations and pursuant to LEA policies, procedures, and/or practices. CONTRACTOR shall provide sufficient copies of its reports, documents, and projected goals to share with members of the IEP team five (5) business days prior to the IEP meeting. CONTRACTOR shall maintain supporting documentation such as test protocols and data collection, which shall be made available to LEA within five (5) business days of request.

The CONTRACTOR is responsible for all evaluation costs regarding the updating of goals and objectives, progress reporting and development of present levels of performance. All assessments resulting from an assessment plan shall be provided by the LEA unless the LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Any assessment and/or evaluation costs may be added to the ISA and/or approved separately by the LEA at the LEA's sole discretion.

It is understood that all billable hours must be in direct services to pupils as specified in the ISA. For NPA services, supervision provided by a qualified individual as specified in Title 5 Regulation, subsection 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

CONTRACTOR shall not charge the student's parent(s) or LEA for the provision of progress reports, report cards, evaluations conducted in order to obtain present levels of performance, interviews, and/or meetings. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the pupil's record and shall be made available to the LEA upon written request.

37. GRADES, HIGH SCHOOL COURSE CREDITS, & TRANSCRIPTS

When CONTRACTOR is a NPS, CONTRACTOR is responsible for assigning grades for any course of instruction taught at the NPS. The grades determined by the pupil's teacher, in the absence of clerical or mechanical mistake, fraud, bad faith, or incompetency, shall be final and consistent with the provisions specified in EC Section 49066. The grades each pupil receives in all courses of instruction taught by the NPS shall be reported to the parents and the LEA on a quarterly basis. Consistent with the LEA, should it become evident to the NPS the pupil is in danger of failing a course, the CONTRACTOR must initiate a parent conference, and the LEA representative must be in attendance.

When CONTRACTOR serves students in grades nine (9) through twelve (12) inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements. CONTRACTOR shall not recommend awarding a high school diploma to students who have not successfully completed all of the LEA's graduation requirements.

Pupils enrolled in high school during the 2020-2021 academic year may request a Pass or No Pass grade as permitted in EC Section 49066.5, which may be reflected on the student's transcript and shall not negatively affect the pupil's grade point average.

CONTRACTOR shall prepare transcripts at the close of each semester, or upon student transfer, for students in grades nine (9) through twelve (12) inclusive, and submit them on LEA approved forms to the student's school of residence for evaluation of progress toward completion of diploma requirements as specified in LEA Procedures. CONTRACTOR shall submit to the LEA names of students and their schools of residence for whom transcripts have been submitted as specified by the LEA.

INDIVIDUAL TRANSITION PLANNING – AB 438, Approved on September 28, 2024

Effective July 1, 2025, if determined appropriate by the pupil's IEP team, beginning when the pupil starts their high school experience and not later than when the pupil is 16 years of age or younger, as appropriate, and annually thereafter, a statement of needed transition services shall be included in the pupil's individualized education program. If the individualized education program team determines that the pupil would benefit from the postponement of the inclusion of appropriate measurable postsecondary goals and transition services until 16 years of age, rather than when the pupil begins their high school experience, the individualized education program team shall appropriately justify the basis for that postponement. (EC section 56043(h).)

38. STUDENT CHANGE OF RESIDENCE

Within five (5) school days from the date CONTRACTOR becomes aware of a student's change of residence, CONTRACTOR shall notify LEA, in writing, of the student's change of residence. Upon enrollment, CONTRACTOR shall notify parents in writing of their obligation to notify CONTRACTOR of the student's change of residence. CONTRACTOR shall maintain, and provide upon request by LEA, documentation of such notice to parents.

If CONTRACTOR had knowledge or should reasonably have had knowledge of the student's change of residence boundaries and CONTRACTOR fails to follow the procedures specified in this provision, LEA shall not be responsible for the costs of services delivered following the student's change of residence.

39. WITHDRAWAL OF STUDENT FROM PROGRAM

CONTRACTOR shall immediately report electronically and in writing to the LEA within five (5) business days when an LEA student is withdrawn without prior notice from school and/or services, including student's change of residence to a residence outside of LEA service boundaries, and parent/guardian withdrawal of student against professional advice from a NPS/RTC.

40. PARENT ACCESS

CONTRACTOR shall provide for reasonable parental access to students and all facilities including, but not limited to, the instructional setting, recreational activity areas, meeting rooms and student living quarters, when applicable. CONTRACTOR shall comply with any known court orders regarding parental visits and access to LEA students.

CONTRACTOR operating programs associated with a NPS/RTC shall cooperate with a parent's reasonable request for LEA student therapeutic visits in their home or at the NPS/RTC. CONTRACTOR shall require that parents obtain prior written authorization for therapeutic visits from the CONTRACTOR and the LEA at least thirty (30) days in advance. When requested, CONTRACTOR shall facilitate all parent travel and accommodations and for providing travel information to the parent as appropriate. Payment by LEA for approved travel-related expenses shall be made directly through the LEA consistent with LEA Procedures.

CONTRACTOR providing services in the student's home as specified in the IEP shall ensure that at least one parent of the child, or an adult caregiver with written and signed authorization to make decisions in an emergency, is present. The names of any adult caregiver other than the parent shall be provided to the LEA prior to the start of any home based services, including written and signed authorization in emergency situations. The parent shall inform the LEA of any changes of caregivers and provide written authorization for emergencies. The adult caregiver cannot also be an employee or volunteer associated with the NPS/NPA service provider.

All problems and/or concerns, both verbal and written, reported to pupil's parents shall also be provided, in writing, to the LEA.

41. LICENSED CHILDREN'S INSTITUTION ("LCI") CONTRACTORS AND RESIDENTIAL TREATMENT CENTER ("RTC") CONTRACTORS

If CONTRACTOR is a LCI, CONTRACTOR shall adhere to all legal requirements regarding educational placements for LCI students as stated in Education Code 56366 (a) (2) (C), 56366.9 (c) (1), Health and Safety Code section 1501.1 and any other applicable laws and/or regulations, including LEA guidelines or procedures. An LCI shall not require that a pupil be placed in its NPS as a condition of being placed in its residential facility.

If CONTRACTOR is a NPS/RTC, CONTRACTOR shall adhere to all legal requirements under the Individuals with Disabilities Education Act (IDEA), 20 U.S.C. section 1400 et seq. including the federal regulations 34 C.F.R section 300 et seq. and Education Code section 56000 et seq. including Title 5 of the

California Code of Regulations section 3000 et seq. CONTRACTOR shall comply with all monitoring requirements set forth in Section 43 below.

If CONTRACTOR is a NPS that is owned, operated by, or associated with a LCI, CONTRACTOR shall provide to LEA, on a quarterly basis, a list of all students, including those identified as eligible for special education. For those identified as special education students, the list shall include: 1) special education eligibility at the time of enrollment and; 2) the educational placement and services specified in each student's IEP at the time of enrollment. A copy of the current IEP shall be provided to the LEA.

Unless placement is made pursuant to an Office of Administrative Hearings order or a lawfully executed agreement between LEA and parent, LEA is not responsible for the costs associated with NPS placement until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student's parent or another adult with educational decision-making rights.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal IDEA (20 U.S.C. Sec. 1400 et seq.); shall be certified or licensed by the state to provide nonmedical care, clinical services, or short-term residential therapeutic programs, as applicable to the facility type; and shall submit to all monitoring requirements specific to out-of-state NPS contractors set forth in Education Code 56366.1 and Section 43 below

42. STATE MEAL MANDATE

When CONTRACTOR is a NPS, CONTRACTOR and LEA shall satisfy the State Meal Mandate under California Education Code sections 49005 et seq.; 49501.5, the universal meal mandate; 49530 et seq; and 49550 et seq.

LEA, at its sole discretion, may elect to directly provide meals to CONTRACTOR for distribution to LEA students at the nonpublic school on its own or by another local school district.

CONTRACTOR acknowledges that the LEA does not receive any state or federal reimbursement for any meals CONTRACTOR provides to LEA students and that CONTRACTOR is only eligible to receive direct reimbursement if it is an approved site under the National School Lunch Program.

In the event the LEA requests CONTRACTOR to provide meals to LEA students, CONTRACTOR will provide breakfast and lunch to LEA students in compliance with the meal pattern requirements under the School Breakfast Program and National School Lunch Program nutritional standards. LEA shall reimburse CONTRACTOR for each meal made available at a mutually agreed upon rate. In the event CONTRACTOR is unable to provide meals, the LEA and CONTRACTOR will work collaboratively to find a solution. In the event CDE determines that meals do not need to be provided, this paragraph shall not apply.

CONTRACTOR shall maintain all documentation of meals provided to LEA students. CONTRACTOR shall comply with record keeping requirements under the School Breakfast Program and National School Lunch Program or LEA template. Upon request, CONTRACTOR shall provide copies of any such records to LEA. CONTRACTOR shall also allow LEA to conduct site monitoring visits as deemed necessary by the LEA.

If CONTRACTOR uses a third-party vendor to provide meals, CONTRACTOR will assure that the third-party vendor agrees to comply with all meal pattern requirements of the School Breakfast Program and National School Lunch Program nutritional standards. Upon request, CONTRACTOR shall provide LEA with any contracts it has with third-party vendors providing meals for students.

43. MONITORING

The State Superintendent of Public Instruction ("Superintendent"), through the delegated monitoring activities to the California Department of Education (CDE), shall monitor CONTRACTOR'S facilities, the educational environment, and the quality of the educational program, including the teaching staff, the credentials authorizing service, the standards-based core curriculum being employed, and the standard focused instructional materials used on a three-year cycle, as follows: (1) CONTRACTOR shall complete a self-review in year one; (2) the Superintendent shall conduct an onsite review in year two; and (3) the Superintendent shall conduct a follow-up visit in year three.

CONTRACTOR shall participate in any LEA or CDE compliance review, if applicable, to be conducted as aligned with the CDE Onsite Review and monitoring cycle in accordance with California Education Code section 56366.1(j) and (k) as applicable. This review will address programmatic aspects of the NPS, compliance with relevant state and federal regulations, and Master Contract compliance, as well as pupil perceptions, progress, and concerns, as required by law. CONTRACTOR shall conduct any follow-up or corrective action procedures related to review findings.

If CONTRACTOR is also an LCI and/or NPS/RTC, the CDE shall annually evaluate whether CONTRACTOR is in compliance with Education Code section 56366.9 and Health and Safety Code section 1501.1(b).

The LEA or SELPA shall conduct an onsite visit to the NPS before placement of a pupil if the LEA does not have any pupils enrolled at the school at the time of placement.

The LEA or SELPA shall conduct at least one onsite monitoring visit during each school year to the CONTRACTOR site certified as an NPS where the LEA has placed a pupil and entered into a master contract. The monitoring visit shall include, but is not limited to, a review of services specified on the ISA and provided to the pupil, a review of progress the pupil is making toward the goals set forth in the pupil's IEP, a review of progress the pupil is making toward the goals set forth in the pupil's behavioral intervention plan, if applicable, an observation of the pupil during instruction, a walkthrough of the facility, and, for a pupil placed in an NPS located outside of California, an in-person interview with the pupil, in a manner consistent with the pupil's IEP, to evaluate the pupil's health and safety. The LEA or SELPA shall report the findings resulting from the monitoring visit to the CDE, using the "Local Educational Agency Onsite Visit for Nonpublic School" form developed and published by the department on CDE's internet website, including additional findings required by the CDE specific to NPS located outside California, if applicable, within 60 calendar days of the onsite visit.

If CONTRACTOR is an NPS located outside of California, the LEA or SELPA shall conduct at least quarterly check-ins with a pupil placed by the LEA pursuant to a master contract, through an unmonitored telephone call, in a manner consistent with the pupil's IEP.

CONTRACTOR shall allow LEA representatives access to its facilities for additional periodic monitoring of each student's instructional program. LEA shall have access to observe each student at work, observe the instructional setting, interview CONTRACTOR employees and student(s) placed by the LEA, and review each student's records and progress. Such access shall include unannounced monitoring visits. When making site visits, LEA shall initially report to CONTRACTOR's site administrative office. CONTRACTOR shall be invited to participate in the review of each student's progress.

CONTRACTOR understands that LEA reserves the right to institute a program audit with or without cause. The program audit may include, but is not limited to, a review of core compliance areas of health and safety; curriculum/instruction; related services; and contractual, legal, and procedural compliance.

When CONTRACTOR is a NPS, CONTRACTOR shall collect all applicable data and prepare the applicable portion of a School Accountability Report Card as appropriate in accordance with California Education Code Section 33126.

PERSONNEL

44. CLEARANCE REQUIREMENTS

CONTRACTOR shall comply with the requirements of California Education Code sections 44237, 35021.1, 35021.2, and 56366.1 including, but not limited to: obtaining clearance from both the California Department of Justice (hereinafter referred to as "CDOJ") and clearance from the Federal Bureau of Investigation (hereinafter referred to as "FBI") for CONTRACTOR's employees and volunteers who will have or likely may have any direct contact with LEA students. CONTRACTOR hereby agrees that CONTRACTOR's employees and volunteers shall not come in contact with students, in-person or virtually, until CDOJ and FBI clearance are ascertained. CONTRACTOR shall certify in writing to LEA that none of its employees, and volunteers, unless CONTRACTOR determines that the volunteers will have no direct contact with students, or subcontractors who may come into contact with students have been convicted of a violent or serious felony as those terms are defined in California Education Code section 44237(h), unless despite the employee's conviction of a violent or serious felony, he or she has met the criteria to be eligible for employment pursuant to California Education Code section 44237 (i) or (j). Upon request, clearance certification shall be submitted to the LEA. In addition, CONTRACTOR shall make a request for subsequent arrest service from CDOJ as required by California Penal Code section 11105.2. Contractor shall certify to LEA that they have successful background checks and enrolled in subsequent arrest notification service for all employees who may come into contact with students.

Notwithstanding the restrictions on sharing and destroying criminal background check information, CONTRACTOR, upon demand, shall make available to the LEA evidence of a successful criminal background check clearance and enrollment in subsequent arrest notification service, as provided, for each owner, operator, and employee of the NPS/A. CONTRACTOR is required to retain the evidence on-site, as specified, for all staff, including those licensed or credentialed by another state agency. Background clearances and proof of subsequent arrest notification service, as required by California Penal Code section 11105.2, for all staff shall be provided to the LEA upon request.

45. STAFF QUALIFICATIONS

CONTRACTOR shall ensure that all individuals employed, contracted, and/or otherwise hired by CONTRACTOR to provide classroom and/or individualized instruction or related services hold a license, certificate, permit, or other document equivalent to that which staff in a public school are required to hold in the service rendered consistent with Education Code section 56366.1(n)(1) and are qualified pursuant to Title 34 of the Code of Federal Regulations sections 200.56 and 200.58, and Title 5 of the California Code of Regulations sections 3001(r), 3064 and 3065. Such qualified staff may only provide related services within the scope of their professional license, certification or credential and ethical standards set by each profession, and not assume responsibility or authority for another related services provider or special education teacher's scope of practice.

CONTRACTOR shall ensure that all staff are appropriately credentialed to provide instruction and services to students with the disabling conditions placed in their program/school through documentation provided to the CDE (5 CCR 3064 (a)).
In accordance with California Education Code section 56366.1(a)(5), when CONTRACTOR is a NPS, an appropriately qualified person shall serve as curricular and instructional leader, and be able to provide leadership, oversight and professional development. If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies or submit to LEA written documentation demonstrating that the basis or bases cited by the LEA for withholding payment is unfounded. Upon receipt of CONTRACTOR's written request showing good cause, LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. Meeting successful Deaf/Hard of Hearing adults can benefit students, their parents and the staff who work with our students. Many students, especially those from rural areas, report that they have never met an adult who has a hearing loss! This can be an inspiring and rewarding experience and is important for social emotional development and positive self-identity.

LOCAL EDUCATION AGENCY: California Online Public Schools

NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER:

SPEAK! Speech & Language Therapy, Inc.

NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES MASTER CONTRACT

GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract (or "Contract") is entered into on **September 8, 2026**, between **California Online Public Schools which includes California Online Public Schools Central Coast, California Online Public Schools Central Valley, California Online Public Schools Monterey Bay, California Online Public Schools North Bay, California Online Public Schools Northern California, and California Online Public Schools Southern California**, hereinafter referred to as the local educational agency ("LEA"), a member of the **El Dorado** SELPA and
SPEAK! Speech & Language Therapy, Inc.
(nonpublic, nonsectarian school or agency), hereinafter referred to as NPS/A or "CONTRACTOR" for the purpose of providing special education and/or related services to students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq*. and Title 5 of the California Code of Regulations section 3000 *et seq*., AB 490 (Chapter 862, Statutes of 2003) and AB 1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit the LEA to pay for special education and/or related services provided to any student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Service Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, these forms shall acknowledge CONTRACTOR's obligation to provide all relevant services specified in the student's Individualized Education Program (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of a student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each student served by CONTRACTOR. As available and appropriate, the LEA shall make available access to any electronic IEP system and/or electronic database for the development of the ISA and invoices.

Unless placement and/or services is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed settlement agreement between LEA and parent or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with NPS placement or NPS/A services until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a NPS/A. All NPS/A services shall be provided consistent with the area of certification and licensure specified by CDE Certification and as defined in California Education Code, section 56366 et seq

and within the professional scope of practice of each provider's license, certification, and/or credential. A current copy of CONTRACTOR's NPS/A certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Agreement is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract.

Total student enrollment shall be limited to capacity as stated on CDE certification and in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified and all staff persons providing services to pupils shall be certified and/or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care room and board to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this State, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE in writing of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless, taking into consideration all of the surrounding facts and circumstances, a policy or policies or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR's failure to comply with applicable LEA policies (e.g., those policies relating to; the provision of special education and/or related services, facilities for individuals with exceptional needs, student enrollment and transfer, student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract; and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2026 to June 30, 2027 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. The parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2026 (Title 5 California Code of Regulations section 3062(d)). In the event the contract negotiations are not agreed to by June 30th, the most recently executed

Master Contract will remain in effect for 90 days (Education Code 56366(c)(1)). If, after 60 days the Master Contract or individual services agreement has not been finalized, as prescribed in paragraph (1) of subdivision (a), either party may appeal to the county superintendent of schools, if the county superintendent of schools is not participating in the local plan involved in the nonpublic, nonsectarian school or agency contract; or the Superintendent, if the county superintendent of schools is participating in the local plan involved in the contract, to negotiate the contract. Within 30 days of receipt of this appeal, the county superintendent of schools or the Superintendent, or the individual designee, shall mediate the formulation of a contract, which shall be binding upon both parties (Education Code 56366 (c) (2)). No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR's ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each ISA and they are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of current teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to District, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety-day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (California Education Code section 56366(c)(1) and (2)). In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students at the discretion of the LEA

6. INDIVIDUAL SERVICE AGREEMENT ("ISA")

This Agreement shall include an ISA developed for each student to whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for students enrolled with the approval of the LEA pursuant to Education Code section 56366 (a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR, shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students.

Any and all changes to a student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the student's IEP or by written agreement between the parent and LEA. At any time during the term of this Master Contract, a student's parent, CONTRACTOR, or LEA may request a review of a student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA. (California Education Code sections 56366(a) (5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to student as a result of lack of provision of services while student was served by the NPS/A.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c) (2).

If the LEA is determined to be a partner, joint venture, co-principal, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding.

This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the student is performed or a report is prepared in the normal course of the services provided to the student by CONTRACTOR. To avoid conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may not fund services through the evaluator whose IEE the LEA agrees to fund. CONTRACTOR shall complete all LEA-specific trainings, orientations, and onboarding requirements designated by the LEA prior to commencing services. Completion of such trainings does not constitute billable service hours unless otherwise agreed to in writing by the LEA. CONTRACTOR shall complete any and all LEA required trainings prior to beginning work with students. CONTRACTOR shall document all session attendance in the LEA's approved electronic IEP system no later than the conclusion of each workday during which services are provided.

Using forms developed by the CDE or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Code sections 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code sections 48900 and 48915.

The LEA shall provide the CONTRACTOR with approved forms and/or format for such data including, but not limited to, invoicing, attendance reports and progress reports. The LEA may approve use of CONTRACTOR'S provided forms at their discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and LEA shall follow all LEA policies and procedures that support Least Restrictive Environment ("LRE") options and/or dual enrollment options if available and appropriate, for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services, goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist the LEA in implementing the IEP team's recommended activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a NPS, per implementation of Senate Bill 484, CONTRACTOR shall administer all statewide assessments within the California Assessment of Student Performance and Progress ("CAASPP"), Desired Results Developmental Profile ("DRDP"), California Alternative Assessment ("CAA"), achievement and abilities tests (using LEA-authorized assessment instruments), the Fitness Gram, , the English Language Proficiency Assessments for California ("ELPAC"), the Alternative English Language Proficiency Assessments for California ("Alternative ELPAC"), and as appropriate to the student, and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR'S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend District mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, data collection, and standardized testing and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS

CONTRACTOR shall comply with the requirements of Education Code sections 49000, *et seq.,* 49005, *et seq*., 56521.1 and 56521.2. LEA students who exhibit behaviors that interfere with their learning or the learning of others must receive timely and appropriate assessments and positive supports and interventions in accordance with state and federal law and implementing regulations. If the IEP team determines that a student's behavior impedes the individual learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that

behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan ("BIP"), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and behavioral emergency reports. CONTRACTOR shall ensure that all of its staff members are trained in crisis intervention, emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR's pupil population. The training shall be provided within 30 days of employment to new staff who have any contact or interaction with pupils during the school day, and annually to all staff who have any contact or interaction with pupils during the school day. The CONTRACTOR shall select and conduct the training in accordance with California Education Code section 56366.1. CONTRACTOR shall maintain written records of the training and provide written verification of the training annually and upon request.

Emergency interventions are those interventions used with a student during the time they present a serious, dangerous behavior that staff has determined to be present a clear and present danger to self or others, which requires a non-violent physical intervention to protect the safety of student, self, or others that cannot be prevented by use of a less restrictive technique. Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP, and shall not be employed longer than necessary to contain the behavior. Emergency interventions may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the individual with exceptional needs, or others, and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.

CONTRACTOR shall complete a behavior emergency report when an emergency intervention is used ; or when a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. A behavior emergency report form must be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall also notify Parent within twenty-four (24) hours via telephone. If the student's IEP does not contain a BIP, CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days to review the behavior emergency report, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If applicable, the IEP team shall document the reasons for not conducting the functional behavioral assessment, not developing an interim plan, or both. If the student already has a BIP, and the incident involved a previously unseen or new serious behavior, or if preexisting behavioral interventions in the BIP were ineffective, CONTRACTOR shall schedule with LEA an IEP meeting to review and determine the need to modify the BIP.

Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following:

1. any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric-shock;
2. an intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual;
3. an intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities;
4. an intervention that is designed to subject, used to subject, or likely to subject, the individual to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma;
5. restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities;
6. prone restraint;
7. locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room;
8. an intervention that precludes adequate supervision of the individual;

9. an intervention that deprives the individual of one or more of the individual's senses.

CONTRACTOR shall comply with Education Code sections 49005.8, 56521.1 and 56521.2. Specifically, Contractor shall not do any of the following:

1. Use seclusion or a behavioral restraint for the purpose of coercion, discipline, convenience, or retaliation.
2. Use locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room.
3. Use a physical restraint technique that obstructs a pupil's respiratory airway or impairs the pupil's breathing or respiratory capacity, including techniques in which a staff member places pressure on a pupil's back or places the staff member's body weight against the pupil's torso or back.
4. Use a behavioral restraint technique that restricts breathing, including, but not limited to, using a pillow, blanket, carpet, mat, or other item to cover a pupil's face.
5. Use prone restraint, including but not limited to prone containment.
6. Use a behavioral restraint for longer than is necessary to contain the behavior that poses a clear and present danger of serious physical harm to the pupil or others.

CONTRACTOR shall keep constant, direct observation of a pupil who is in seclusion, which may be through observation of the pupil through a window, or another barrier, through which the educational provider is able to make direct eye contact with the pupil. This observation shall not be through indirect means, including through a security camera or a closed-circuit television.

CONTRACTOR shall afford pupils who are restrained the least restrictive alternative and the maximum freedom of movement, and shall use the least number of restraint points, while ensuring the physical safety of the pupil and others.

In the case of a child whose behavior impedes the child's learning or that of others, the IEP team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

All restraint practices must be reviewed and revised when they have an adverse effect on a student and are used repeatedly for an individual child, either on multiple occasions within the same classroom or multiple uses by the same individual. CONTRACTOR shall notify the student's parent/guardian when any type of physical or mechanical restraint or seclusion has been used. Upon the use of any type of physical or mechanical restraint or seclusions of an LEA student, CONTRACTOR shall complete a BER per the reporting and notification requirements listed above.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations. Using forms developed by the California Department of Education or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.

When CONTRACTOR seeks to remove a student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA. Written discipline reports shall include, but not be limited to: the student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10^{th}) day of suspension

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the NPS; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (California Education Code sections 56366 (a) (2) (B) (i) and (ii)) and pursuant to California Education Code section 56345 (b) (4).)

If the LEA student is to be transferred from a NPS setting into a regular class setting in a public school for any part of the school day, the IEP team shall document a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of the individual IEP team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, the parent, the CONTRACTOR or the LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to parent, CONTRACTOR and LEA. CONTRACTOR shall provide to LEA assessments and written assessment reports by service providers upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the approved electronic IEP system of the LEA for all IEP planning and progress reporting at the LEA's discretion. The LEA or SELPA may provide training for any CONTRACTOR to ensure access to the approved system. The CONTRACTOR shall maintain confidentiality of all IEP data on the approved system and shall protect the password requirements of the system. When a student dis-enrolls from the NPS/NPA, the NPS/NPA and LEA shall discontinue use of the approved system for that student.

Changes in any student's educational program, including instruction, services, or instructional setting provided under this Master Contract, may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of consideration of a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code.

If CONTRACTOR is an NPS, CONTRACTOR shall ensure private and confidential communication, including telecommunication, between a pupil of the NPS and members of the pupil's IEP team and the CDE's Constituent Services Office, at the pupil's discretion.

33. SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall recognize an LEA appointed surrogate parent assignments for students without parental representation, including unaccompanied homeless youths, in special education procedures pursuant to California Government Code Section 7579.5. Surrogate parents shall serve as the child's parent and have all the rights relative to the student's education that a parent has under the Individuals with Disabilities Education Act pursuant to *20 USC 1414-1482 and 34 CFR 300.1-300.756.* A pupil in foster care shall be defined pursuant to California Education Code section 42238.01(b). The LEA shall annually notify the CONTRACTOR who the LEA has designated as the educational liaison for foster children. When a pupil in foster care is enrolled in a NPS by the LEA any time after the completion of the pupil's second year of high school, the CONTRACTOR shall schedule the pupil in courses leading

towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1.

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. Participation further includes the willingness to make CONTRACTOR's staff available for witness preparation and testimony as is necessary to facilitate a due process hearing. CONTRACTOR shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office of Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR's program and/or the implementation of a particular student's IEP/Individual and Family Service Plan ("IFSP").

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to parent complaints. These procedures shall include annually notifying and providing parents of students with appropriate information (including complaint forms) for the following: (1) Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations section 4600 *et seq*.; (2) Nondiscrimination policy pursuant to Title 5 of the California Code of Regulations section 4960 (a); (3) Sexual Harassment Policy, California Education Code 231.5 (a) (b) (c); (4) Title IX Student Grievance Procedure, Title IX 106.8 (a) (d) and 106.9 (a); and (5) Notice of Privacy Practices in compliance with Health Insurance Portability and Accountability Act ("HIPAA"). CONTRACTOR shall include verification of these procedures to the LEA. CONTRACTOR shall immediately notify LEA of any complaints filed against it related to LEA students and provide LEA with all documentation related to the complaints and/or its investigation of complaints, including any and all reports generated as a result of an investigation.

36. STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to LEA at least two (2) written progress reports/report cards annually, two (2) weeks prior to the end of each semester. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR's place of business and shall be submitted to the LEA two (2) weeks prior to the end of each semester, in accordance with the LEA's procedures and school calendar.

The CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, observation notes, data sheets, pre/post tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior intervention plans. The LEA may request such data at any time within five (5) years of the date of service. The CONTRACTOR shall provide this data supporting progress within five (5) business days of request. Additional time may be granted as needed by the LEA.

CONTRACTOR shall complete academic or other evaluations of the student ten (10) days prior to the student's annual or triennial review IEP team meeting for the purpose of reporting the student's present levels of performance at the IEP team meeting as required by state and federal laws and regulations and pursuant to LEA policies, procedures, and/or practices. CONTRACTOR shall provide sufficient copies of its reports, documents, and projected goals to share with members of the IEP team five (5) business days prior to the IEP meeting. CONTRACTOR shall maintain supporting documentation such as test protocols and data collection, which shall be made available to LEA within five (5) business days of request.

The CONTRACTOR is responsible for all evaluation costs regarding the updating of goals and objectives, progress reporting and development of present levels of performance. All assessments resulting from an assessment plan shall be provided by the LEA unless the LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Any assessment and/or evaluation costs may be added to the ISA and/or approved separately by the LEA at the LEA's sole discretion.

It is understood that all billable hours must be in direct services to pupils as specified in the ISA. For NPA services, supervision provided by a qualified individual as specified in Title 5 Regulation, subsection 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

CONTRACTOR shall not charge the student's parent(s) or LEA for the provision of progress reports, report cards, evaluations conducted in order to obtain present levels of performance, interviews, and/or meetings. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the pupil's record and shall be made available to the LEA upon written request.

37. GRADES, HIGH SCHOOL COURSE CREDITS, & TRANSCRIPTS

When CONTRACTOR is a NPS, CONTRACTOR is responsible for assigning grades for any course of instruction taught at the NPS. The grades determined by the pupil's teacher, in the absence of clerical or mechanical mistake, fraud, bad faith, or incompetency, shall be final and consistent with the provisions specified in EC Section 49066. The grades each pupil receives in all courses of instruction taught by the NPS shall be reported to the parents and the LEA on a quarterly basis. Consistent with the LEA, should it become evident to the NPS the pupil is in danger of failing a course, the CONTRACTOR must initiate a parent conference, and the LEA representative must be in attendance.

When CONTRACTOR serves students in grades nine (9) through twelve (12) inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements. CONTRACTOR shall not recommend awarding a high school diploma to students who have not successfully completed all of the LEA's graduation requirements.

Pupils enrolled in high school during the 2020-2021 academic year may request a Pass or No Pass grade as permitted in EC Section 49066.5, which may be reflected on the student's transcript and shall not negatively affect the pupil's grade point average.

CONTRACTOR shall prepare transcripts at the close of each semester, or upon student transfer, for students in grades nine (9) through twelve (12) inclusive, and submit them on LEA approved forms to the student's school of residence for evaluation of progress toward completion of diploma requirements as specified in LEA Procedures. CONTRACTOR shall submit to the LEA names of students and their schools of residence for whom transcripts have been submitted as specified by the LEA.

INDIVIDUAL TRANSITION PLANNING – AB 438, Approved on September 28, 2024

Effective July 1, 2025, if determined appropriate by the pupil's IEP team, beginning when the pupil starts their high school experience and not later than when the pupil is 16 years of age or younger, as appropriate, and annually thereafter, a statement of needed transition services shall be included in the pupil's individualized education program. If the individualized education program team determines that the pupil would benefit from the postponement of the inclusion of appropriate measurable postsecondary goals and transition services until 16 years of age, rather than when the pupil begins their high school experience, the individualized education program team shall appropriately justify the basis for that postponement. (EC section 56043(h).)

38. STUDENT CHANGE OF RESIDENCE

Within five (5) school days from the date CONTRACTOR becomes aware of a student's change of residence, CONTRACTOR shall notify LEA, in writing, of the student's change of residence. Upon enrollment, CONTRACTOR shall notify parents in writing of their obligation to notify CONTRACTOR of the student's change of residence. CONTRACTOR shall maintain, and provide upon request by LEA, documentation of such notice to parents.

If CONTRACTOR had knowledge or should reasonably have had knowledge of the student's change of residence boundaries and CONTRACTOR fails to follow the procedures specified in this provision, LEA shall not be responsible for the costs of services delivered following the student's change of residence.

39. WITHDRAWAL OF STUDENT FROM PROGRAM

CONTRACTOR shall immediately report electronically and in writing to the LEA within five (5) business days when an LEA student is withdrawn without prior notice from school and/or services, including student's change of residence to a residence outside of LEA service boundaries, and parent/guardian withdrawal of student against professional advice from a NPS/RTC.

40. PARENT ACCESS

CONTRACTOR shall provide for reasonable parental access to students and all facilities including, but not limited to, the instructional setting, recreational activity areas, meeting rooms and student living quarters, when applicable. CONTRACTOR shall comply with any known court orders regarding parental visits and access to LEA students.

CONTRACTOR operating programs associated with a NPS/RTC shall cooperate with a parent's reasonable request for LEA student therapeutic visits in their home or at the NPS/RTC. CONTRACTOR shall require that parents obtain prior written authorization for therapeutic visits from the CONTRACTOR and the LEA at least thirty (30) days in advance. When requested, CONTRACTOR shall facilitate all parent travel and accommodations and for providing travel information to the parent as appropriate. Payment by LEA for approved travel-related expenses shall be made directly through the LEA consistent with LEA Procedures.

CONTRACTOR providing services in the student's home as specified in the IEP shall ensure that at least one parent of the child, or an adult caregiver with written and signed authorization to make decisions in an emergency, is present. The names of any adult caregiver other than the parent shall be provided to the LEA prior to the start of any home based services, including written and signed authorization in emergency situations. The parent shall inform the LEA of any changes of caregivers and provide written authorization for emergencies. The adult caregiver cannot also be an employee or volunteer associated with the NPS/NPA service provider.

All problems and/or concerns, both verbal and written, reported to pupil's parents shall also be provided, in writing, to the LEA.

41. LICENSED CHILDREN'S INSTITUTION ("LCI") CONTRACTORS AND RESIDENTIAL TREATMENT CENTER ("RTC") CONTRACTORS

If CONTRACTOR is a LCI, CONTRACTOR shall adhere to all legal requirements regarding educational placements for LCI students as stated in Education Code 56366 (a) (2) (C), 56366.9 (c) (1), Health and Safety Code section 1501.1 and any other applicable laws and/or regulations, including LEA guidelines or procedures. An LCI shall not require that a pupil be placed in its NPS as a condition of being placed in its residential facility.

If CONTRACTOR is a NPS/RTC, CONTRACTOR shall adhere to all legal requirements under the Individuals with Disabilities Education Act (IDEA), 20 U.S.C. section 1400 et seq. including the federal regulations 34 C.F.R section 300 et seq. and Education Code section 56000 et seq. including Title 5 of the

California Code of Regulations section 3000 et seq. CONTRACTOR shall comply with all monitoring requirements set forth in Section 43 below.

If CONTRACTOR is a NPS that is owned, operated by, or associated with a LCI, CONTRACTOR shall provide to LEA, on a quarterly basis, a list of all students, including those identified as eligible for special education. For those identified as special education students, the list shall include: 1) special education eligibility at the time of enrollment and; 2) the educational placement and services specified in each student's IEP at the time of enrollment. A copy of the current IEP shall be provided to the LEA.

Unless placement is made pursuant to an Office of Administrative Hearings order or a lawfully executed agreement between LEA and parent, LEA is not responsible for the costs associated with NPS placement until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student's parent or another adult with educational decision-making rights.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal IDEA (20 U.S.C. Sec. 1400 et seq.); shall be certified or licensed by the state to provide nonmedical care, clinical services, or short-term residential therapeutic programs, as applicable to the facility type; and shall submit to all monitoring requirements specific to out-of-state NPS contractors set forth in Education Code 56366.1 and Section 43 below

42. STATE MEAL MANDATE

When CONTRACTOR is a NPS, CONTRACTOR and LEA shall satisfy the State Meal Mandate under California Education Code sections 49005 et seq.; 49501.5, the universal meal mandate; 49530 et seq; and 49550 et seq.

LEA, at its sole discretion, may elect to directly provide meals to CONTRACTOR for distribution to LEA students at the nonpublic school on its own or by another local school district.

CONTRACTOR acknowledges that the LEA does not receive any state or federal reimbursement for any meals CONTRACTOR provides to LEA students and that CONTRACTOR is only eligible to receive direct reimbursement if it is an approved site under the National School Lunch Program.

In the event the LEA requests CONTRACTOR to provide meals to LEA students, CONTRACTOR will provide breakfast and lunch to LEA students in compliance with the meal pattern requirements under the School Breakfast Program and National School Lunch Program nutritional standards. LEA shall reimburse CONTRACTOR for each meal made available at a mutually agreed upon rate. In the event CONTRACTOR is unable to provide meals, the LEA and CONTRACTOR will work collaboratively to find a solution. In the event CDE determines that meals do not need to be provided, this paragraph shall not apply.

CONTRACTOR shall maintain all documentation of meals provided to LEA students. CONTRACTOR shall comply with record keeping requirements under the School Breakfast Program and National School Lunch Program or LEA template. Upon request, CONTRACTOR shall provide copies of any such records to LEA. CONTRACTOR shall also allow LEA to conduct site monitoring visits as deemed necessary by the LEA.

If CONTRACTOR uses a third-party vendor to provide meals, CONTRACTOR will assure that the third-party vendor agrees to comply with all meal pattern requirements of the School Breakfast Program and National School Lunch Program nutritional standards. Upon request, CONTRACTOR shall provide LEA with any contracts it has with third-party vendors providing meals for students.

43. MONITORING

The State Superintendent of Public Instruction ("Superintendent"), through the delegated monitoring activities to the California Department of Education (CDE), shall monitor CONTRACTOR'S facilities, the educational environment, and the quality of the educational program, including the teaching staff, the credentials authorizing service, the standards-based core curriculum being employed, and the standard focused instructional materials used on a three-year cycle, as follows: (1) CONTRACTOR shall complete a self-review in year one; (2) the Superintendent shall conduct an onsite review in year two; and (3) the Superintendent shall conduct a follow-up visit in year three.

CONTRACTOR shall participate in any LEA or CDE compliance review, if applicable, to be conducted as aligned with the CDE Onsite Review and monitoring cycle in accordance with California Education Code section 56366.1(j) and (k) as applicable. This review will address programmatic aspects of the NPS, compliance with relevant state and federal regulations, and Master Contract compliance, as well as pupil perceptions, progress, and concerns, as required by law. CONTRACTOR shall conduct any follow-up or corrective action procedures related to review findings.

If CONTRACTOR is also an LCI and/or NPS/RTC, the CDE shall annually evaluate whether CONTRACTOR is in compliance with Education Code section 56366.9 and Health and Safety Code section 1501.1(b).

The LEA or SELPA shall conduct an onsite visit to the NPS before placement of a pupil if the LEA does not have any pupils enrolled at the school at the time of placement.

The LEA or SELPA shall conduct at least one onsite monitoring visit during each school year to the CONTRACTOR site certified as an NPS where the LEA has placed a pupil and entered into a master contract. The monitoring visit shall include, but is not limited to, a review of services specified on the ISA and provided to the pupil, a review of progress the pupil is making toward the goals set forth in the pupil's IEP, a review of progress the pupil is making toward the goals set forth in the pupil's behavioral intervention plan, if applicable, an observation of the pupil during instruction, a walkthrough of the facility, and, for a pupil placed in an NPS located outside of California, an in-person interview with the pupil, in a manner consistent with the pupil's IEP, to evaluate the pupil's health and safety. The LEA or SELPA shall report the findings resulting from the monitoring visit to the CDE, using the "Local Educational Agency Onsite Visit for Nonpublic School" form developed and published by the department on CDE's internet website, including additional findings required by the CDE specific to NPS located outside California, if applicable, within 60 calendar days of the onsite visit.

If CONTRACTOR is an NPS located outside of California, the LEA or SELPA shall conduct at least quarterly check-ins with a pupil placed by the LEA pursuant to a master contract, through an unmonitored telephone call, in a manner consistent with the pupil's IEP.

CONTRACTOR shall allow LEA representatives access to its facilities for additional periodic monitoring of each student's instructional program. LEA shall have access to observe each student at work, observe the instructional setting, interview CONTRACTOR employees and student(s) placed by the LEA, and review each student's records and progress. Such access shall include unannounced monitoring visits. When making site visits, LEA shall initially report to CONTRACTOR's site administrative office. CONTRACTOR shall be invited to participate in the review of each student's progress.

CONTRACTOR understands that LEA reserves the right to institute a program audit with or without cause. The program audit may include, but is not limited to, a review of core compliance areas of health and safety; curriculum/instruction; related services; and contractual, legal, and procedural compliance.

When CONTRACTOR is a NPS, CONTRACTOR shall collect all applicable data and prepare the applicable portion of a School Accountability Report Card as appropriate in accordance with California Education Code Section 33126.

LOCAL EDUCATION AGENCY: California Online Public Schools

NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER:

Center For Accessible Technology

NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES MASTER CONTRACT

GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract (or "Contract") is entered into on **September 8, 2026**, between **California Online Public Schools which includes California Online Public Schools Central Coast, California Online Public Schools Central Valley, California Online Public Schools Monterey Bay, California Online Public Schools North Bay, California Online Public Schools Northern California, and California Online Public Schools Southern California**, hereinafter referred to as the local educational agency ("LEA"), a member of the **El Dorado** SELPA and

Center For Accessible Technology

(nonpublic, nonsectarian school or agency), hereinafter referred to as NPS/A or "CONTRACTOR" for the purpose of providing special education and/or related services to students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq*. and Title 5 of the California Code of Regulations section 3000 *et seq*., AB 490 (Chapter 862, Statutes of 2003) and AB 1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit the LEA to pay for special education and/or related services provided to any student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Service Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, these forms shall acknowledge CONTRACTOR's obligation to provide all relevant services specified in the student's Individualized Education Program (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of a student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each student served by CONTRACTOR. As available and appropriate, the LEA shall make available access to any electronic IEP system and/or electronic database for the development of the ISA and invoices.

Unless placement and/or services is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed settlement agreement between LEA and parent or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with NPS placement or NPS/A services until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a NPS/A. All NPS/A services shall be provided consistent with the area of certification and licensure specified by CDE Certification and as defined in California Education Code, section 56366 et seq

and within the professional scope of practice of each provider's license, certification, and/or credential. A current copy of CONTRACTOR's NPS/A certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Agreement is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract.

Total student enrollment shall be limited to capacity as stated on CDE certification and in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified and all staff persons providing services to pupils shall be certified and/or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care room and board to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this State, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE in writing of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless, taking into consideration all of the surrounding facts and circumstances, a policy or policies or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR's failure to comply with applicable LEA policies (e.g., those policies relating to; the provision of special education and/or related services, facilities for individuals with exceptional needs, student enrollment and transfer, student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract; and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2026 to June 30, 2027 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. The parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2026 (Title 5 California Code of Regulations section 3062(d)). In the event the contract negotiations are not agreed to by June 30th, the most recently executed

Master Contract will remain in effect for 90 days (Education Code 56366(c)(1)). If, after 60 days the Master Contract or individual services agreement has not been finalized, as prescribed in paragraph (1) of subdivision (a), either party may appeal to the county superintendent of schools, if the county superintendent of schools is not participating in the local plan involved in the nonpublic, nonsectarian school or agency contract; or the Superintendent, if the county superintendent of schools is participating in the local plan involved in the contract, to negotiate the contract. Within 30 days of receipt of this appeal, the county superintendent of schools or the Superintendent, or the individual designee, shall mediate the formulation of a contract, which shall be binding upon both parties (Education Code 56366 (c) (2)). No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR's ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each ISA and they are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of current teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to District, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety-day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (California Education Code section 56366(c)(1) and (2)). In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students at the discretion of the LEA

6. INDIVIDUAL SERVICE AGREEMENT ("ISA")

This Agreement shall include an ISA developed for each student to whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for students enrolled with the approval of the LEA pursuant to Education Code section 56366 (a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR, shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students.

Any and all changes to a student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the student's IEP or by written agreement between the parent and LEA. At any time during the term of this Master Contract, a student's parent, CONTRACTOR, or LEA may request a review of a student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA. (California Education Code sections 56366(a) (5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to student as a result of lack of provision of services while student was served by the NPS/A.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c) (2).

If the LEA is determined to be a partner, joint venture, co-principal, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding.

This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the student is performed or a report is prepared in the normal course of the services provided to the student by CONTRACTOR. To avoid conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may not fund services through the evaluator whose IEE the LEA agrees to fund. Completion of such trainings does not constitute billable service hours unless otherwise agreed to in writing by the LEA. CONTRACTOR shall complete any and all LEA required trainings prior to beginning work with students. CONTRACTOR shall document all session attendance in the LEA's approved electronic IEP system no later than the conclusion of each workday during which services are provided.

Using forms developed by the CDE or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Code sections 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code sections 48900 and 48915.

The LEA shall provide the CONTRACTOR with approved forms and/or format for such data including, but not limited to, invoicing, attendance reports and progress reports. The LEA may approve use of CONTRACTOR'S provided forms at their discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and LEA shall follow all LEA policies and procedures that support Least Restrictive Environment ("LRE") options and/or dual enrollment options if available and appropriate, for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services, goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist the LEA in implementing the IEP team's recommended activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a NPS, per implementation of Senate Bill 484, CONTRACTOR shall administer all statewide assessments within the California Assessment of Student Performance and Progress ("CAASPP"), Desired Results Developmental Profile ("DRDP"), California Alternative Assessment ("CAA"), achievement and abilities tests (using LEA-authorized assessment instruments), the Fitness Gram, , the English Language Proficiency Assessments for California ("ELPAC"), the Alternative English Language Proficiency Assessments for California ("Alternative ELPAC"), and as appropriate to the student, and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR'S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend District mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, data collection, and standardized testing and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS

CONTRACTOR shall comply with the requirements of Education Code sections 49000, *et seq.,* 49005, *et seq*., 56521.1 and 56521.2. LEA students who exhibit behaviors that interfere with their learning or the learning of others must receive timely and appropriate assessments and positive supports and interventions in accordance with state and federal law and implementing regulations. If the IEP team determines that a student's behavior impedes the individual learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that

behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan ("BIP"), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and behavioral emergency reports. CONTRACTOR shall ensure that all of its staff members are trained in crisis intervention, emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR's pupil population. The training shall be provided within 30 days of employment to new staff who have any contact or interaction with pupils during the school day, and annually to all staff who have any contact or interaction with pupils during the school day. The CONTRACTOR shall select and conduct the training in accordance with California Education Code section 56366.1. CONTRACTOR shall maintain written records of the training and provide written verification of the training annually and upon request.

Emergency interventions are those interventions used with a student during the time they present a serious, dangerous behavior that staff has determined to be present a clear and present danger to self or others, which requires a non-violent physical intervention to protect the safety of student, self, or others that cannot be prevented by use of a less restrictive technique. Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP, and shall not be employed longer than necessary to contain the behavior. Emergency interventions may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the individual with exceptional needs, or others, and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.

CONTRACTOR shall complete a behavior emergency report when an emergency intervention is used ; or when a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. A behavior emergency report form must be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall also notify Parent within twenty-four (24) hours via telephone. If the student's IEP does not contain a BIP, CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days to review the behavior emergency report, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If applicable, the IEP team shall document the reasons for not conducting the functional behavioral assessment, not developing an interim plan, or both. If the student already has a BIP, and the incident involved a previously unseen or new serious behavior, or if preexisting behavioral interventions in the BIP were ineffective, CONTRACTOR shall schedule with LEA an IEP meeting to review and determine the need to modify the BIP.

Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following:

1. any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric-shock;
2. an intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual;
3. an intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities;
4. an intervention that is designed to subject, used to subject, or likely to subject, the individual to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma;
5. restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities;
6. prone restraint;
7. locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room;
8. an intervention that precludes adequate supervision of the individual;

9. an intervention that deprives the individual of one or more of the individual's senses.

CONTRACTOR shall comply with Education Code sections 49005.8, 56521.1 and 56521.2. Specifically, Contractor shall not do any of the following:

1. Use seclusion or a behavioral restraint for the purpose of coercion, discipline, convenience, or retaliation.
2. Use locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room.
3. Use a physical restraint technique that obstructs a pupil's respiratory airway or impairs the pupil's breathing or respiratory capacity, including techniques in which a staff member places pressure on a pupil's back or places the staff member's body weight against the pupil's torso or back.
4. Use a behavioral restraint technique that restricts breathing, including, but not limited to, using a pillow, blanket, carpet, mat, or other item to cover a pupil's face.
5. Use prone restraint, including but not limited to prone containment.
6. Use a behavioral restraint for longer than is necessary to contain the behavior that poses a clear and present danger of serious physical harm to the pupil or others.

CONTRACTOR shall keep constant, direct observation of a pupil who is in seclusion, which may be through observation of the pupil through a window, or another barrier, through which the educational provider is able to make direct eye contact with the pupil. This observation shall not be through indirect means, including through a security camera or a closed-circuit television.

CONTRACTOR shall afford pupils who are restrained the least restrictive alternative and the maximum freedom of movement, and shall use the least number of restraint points, while ensuring the physical safety of the pupil and others.

In the case of a child whose behavior impedes the child's learning or that of others, the IEP team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

All restraint practices must be reviewed and revised when they have an adverse effect on a student and are used repeatedly for an individual child, either on multiple occasions within the same classroom or multiple uses by the same individual. CONTRACTOR shall notify the student's parent/guardian when any type of physical or mechanical restraint or seclusion has been used. Upon the use of any type of physical or mechanical restraint or seclusions of an LEA student, CONTRACTOR shall complete a BER per the reporting and notification requirements listed above.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations. Using forms developed by the California Department of Education or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.

When CONTRACTOR seeks to remove a student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA. Written discipline reports shall include, but not be limited to: the student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10^{th}) day of suspension

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the NPS; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (California Education Code sections 56366 (a) (2) (B) (i) and (ii)) and pursuant to California Education Code section 56345 (b) (4).)

If the LEA student is to be transferred from a NPS setting into a regular class setting in a public school for any part of the school day, the IEP team shall document a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of the individual IEP team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, the parent, the CONTRACTOR or the LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to parent, CONTRACTOR and LEA. CONTRACTOR shall provide to LEA assessments and written assessment reports by service providers upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the approved electronic IEP system of the LEA for all IEP planning and progress reporting at the LEA's discretion. The LEA or SELPA may provide training for any CONTRACTOR to ensure access to the approved system. The CONTRACTOR shall maintain confidentiality of all IEP data on the approved system and shall protect the password requirements of the system. When a student dis-enrolls from the NPS/NPA, the NPS/NPA and LEA shall discontinue use of the approved system for that student.

Changes in any student's educational program, including instruction, services, or instructional setting provided under this Master Contract, may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of consideration of a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code.

If CONTRACTOR is an NPS, CONTRACTOR shall ensure private and confidential communication, including telecommunication, between a pupil of the NPS and members of the pupil's IEP team and the CDE's Constituent Services Office, at the pupil's discretion.

33. SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall recognize an LEA appointed surrogate parent assignments for students without parental representation, including unaccompanied homeless youths, in special education procedures pursuant to California Government Code Section 7579.5. Surrogate parents shall serve as the child's parent and have all the rights relative to the student's education that a parent has under the Individuals with Disabilities Education Act pursuant to *20 USC 1414-1482 and 34 CFR 300.1-300.756.* A pupil in foster care shall be defined pursuant to California Education Code section 42238.01(b). The LEA shall annually notify the CONTRACTOR who the LEA has designated as the educational liaison for foster children. When a pupil in foster care is enrolled in a NPS by the LEA any time after the completion of the pupil's second year of high school, the CONTRACTOR shall schedule the pupil in courses leading

towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1.

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. Participation further includes the willingness to make CONTRACTOR's staff available for witness preparation and testimony as is necessary to facilitate a due process hearing. CONTRACTOR shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office of Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR's program and/or the implementation of a particular student's IEP/Individual and Family Service Plan ("IFSP").

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to parent complaints. These procedures shall include annually notifying and providing parents of students with appropriate information (including complaint forms) for the following: (1) Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations section 4600 *et seq*.; (2) Nondiscrimination policy pursuant to Title 5 of the California Code of Regulations section 4960 (a); (3) Sexual Harassment Policy, California Education Code 231.5 (a) (b) (c); (4) Title IX Student Grievance Procedure, Title IX 106.8 (a) (d) and 106.9 (a); and (5) Notice of Privacy Practices in compliance with Health Insurance Portability and Accountability Act ("HIPAA"). CONTRACTOR shall include verification of these procedures to the LEA. CONTRACTOR shall immediately notify LEA of any complaints filed against it related to LEA students and provide LEA with all documentation related to the complaints and/or its investigation of complaints, including any and all reports generated as a result of an investigation.

36. STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to LEA at least two (2) written progress reports/report cards annually, two (2) weeks prior to the end of each semester. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR's place of business and shall be submitted to the LEA two (2) weeks prior to the end of each semester, in accordance with the LEA's procedures and school calendar.

The CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, observation notes, data sheets, pre/post tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior intervention plans. The LEA may request such data at any time within five (5) years of the date of service. The CONTRACTOR shall provide this data supporting progress within five (5) business days of request. Additional time may be granted as needed by the LEA.

CONTRACTOR shall complete academic or other evaluations of the student ten (10) days prior to the student's annual or triennial review IEP team meeting for the purpose of reporting the student's present levels of performance at the IEP team meeting as required by state and federal laws and regulations and pursuant to LEA policies, procedures, and/or practices. CONTRACTOR shall provide sufficient copies of its reports, documents, and projected goals to share with members of the IEP team five (5) business days prior to the IEP meeting. CONTRACTOR shall maintain supporting documentation such as test protocols and data collection, which shall be made available to LEA within five (5) business days of request.

The CONTRACTOR is responsible for all evaluation costs regarding the updating of goals and objectives, progress reporting and development of present levels of performance. All assessments resulting from an assessment plan shall be provided by the LEA unless the LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Any assessment and/or evaluation costs may be added to the ISA and/or approved separately by the LEA at the LEA's sole discretion.

It is understood that all billable hours must be in direct services to pupils as specified in the ISA. For NPA services, supervision provided by a qualified individual as specified in Title 5 Regulation, subsection 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

CONTRACTOR shall not charge the student's parent(s) or LEA for the provision of progress reports, report cards, evaluations conducted in order to obtain present levels of performance, interviews, and/or meetings. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the pupil's record and shall be made available to the LEA upon written request.

37. GRADES, HIGH SCHOOL COURSE CREDITS, & TRANSCRIPTS

When CONTRACTOR is a NPS, CONTRACTOR is responsible for assigning grades for any course of instruction taught at the NPS. The grades determined by the pupil's teacher, in the absence of clerical or mechanical mistake, fraud, bad faith, or incompetency, shall be final and consistent with the provisions specified in EC Section 49066. The grades each pupil receives in all courses of instruction taught by the NPS shall be reported to the parents and the LEA on a quarterly basis. Consistent with the LEA, should it become evident to the NPS the pupil is in danger of failing a course, the CONTRACTOR must initiate a parent conference, and the LEA representative must be in attendance.

When CONTRACTOR serves students in grades nine (9) through twelve (12) inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements. CONTRACTOR shall not recommend awarding a high school diploma to students who have not successfully completed all of the LEA's graduation requirements.

Pupils enrolled in high school during the 2020-2021 academic year may request a Pass or No Pass grade as permitted in EC Section 49066.5, which may be reflected on the student's transcript and shall not negatively affect the pupil's grade point average.

CONTRACTOR shall prepare transcripts at the close of each semester, or upon student transfer, for students in grades nine (9) through twelve (12) inclusive, and submit them on LEA approved forms to the student's school of residence for evaluation of progress toward completion of diploma requirements as specified in LEA Procedures. CONTRACTOR shall submit to the LEA names of students and their schools of residence for whom transcripts have been submitted as specified by the LEA.

INDIVIDUAL TRANSITION PLANNING – AB 438, Approved on September 28, 2024

Effective July 1, 2025, if determined appropriate by the pupil's IEP team, beginning when the pupil starts their high school experience and not later than when the pupil is 16 years of age or younger, as appropriate, and annually thereafter, a statement of needed transition services shall be included in the pupil's individualized education program. If the individualized education program team determines that the pupil would benefit from the postponement of the inclusion of appropriate measurable postsecondary goals and transition services until 16 years of age, rather than when the pupil begins their high school experience, the individualized education program team shall appropriately justify the basis for that postponement. (EC section 56043(h).)

38. STUDENT CHANGE OF RESIDENCE

Within five (5) school days from the date CONTRACTOR becomes aware of a student's change of residence, CONTRACTOR shall notify LEA, in writing, of the student's change of residence. Upon enrollment, CONTRACTOR shall notify parents in writing of their obligation to notify CONTRACTOR of the student's change of residence. CONTRACTOR shall maintain, and provide upon request by LEA, documentation of such notice to parents.

If CONTRACTOR had knowledge or should reasonably have had knowledge of the student's change of residence boundaries and CONTRACTOR fails to follow the procedures specified in this provision, LEA shall not be responsible for the costs of services delivered following the student's change of residence.

39. WITHDRAWAL OF STUDENT FROM PROGRAM

CONTRACTOR shall immediately report electronically and in writing to the LEA within five (5) business days when an LEA student is withdrawn without prior notice from school and/or services, including student's change of residence to a residence outside of LEA service boundaries, and parent/guardian withdrawal of student against professional advice from a NPS/RTC.

40. PARENT ACCESS

CONTRACTOR shall provide for reasonable parental access to students and all facilities including, but not limited to, the instructional setting, recreational activity areas, meeting rooms and student living quarters, when applicable. CONTRACTOR shall comply with any known court orders regarding parental visits and access to LEA students.

CONTRACTOR operating programs associated with a NPS/RTC shall cooperate with a parent's reasonable request for LEA student therapeutic visits in their home or at the NPS/RTC. CONTRACTOR shall require that parents obtain prior written authorization for therapeutic visits from the CONTRACTOR and the LEA at least thirty (30) days in advance. When requested, CONTRACTOR shall facilitate all parent travel and accommodations and for providing travel information to the parent as appropriate. Payment by LEA for approved travel-related expenses shall be made directly through the LEA consistent with LEA Procedures.

CONTRACTOR providing services in the student's home as specified in the IEP shall ensure that at least one parent of the child, or an adult caregiver with written and signed authorization to make decisions in an emergency, is present. The names of any adult caregiver other than the parent shall be provided to the LEA prior to the start of any home based services, including written and signed authorization in emergency situations. The parent shall inform the LEA of any changes of caregivers and provide written authorization for emergencies. The adult caregiver cannot also be an employee or volunteer associated with the NPS/NPA service provider.

All problems and/or concerns, both verbal and written, reported to pupil's parents shall also be provided, in writing, to the LEA.

41. LICENSED CHILDREN'S INSTITUTION ("LCI") CONTRACTORS AND RESIDENTIAL TREATMENT CENTER ("RTC") CONTRACTORS

If CONTRACTOR is a LCI, CONTRACTOR shall adhere to all legal requirements regarding educational placements for LCI students as stated in Education Code 56366 (a) (2) (C), 56366.9 (c) (1), Health and Safety Code section 1501.1 and any other applicable laws and/or regulations, including LEA guidelines or procedures. An LCI shall not require that a pupil be placed in its NPS as a condition of being placed in its residential facility.

If CONTRACTOR is a NPS/RTC, CONTRACTOR shall adhere to all legal requirements under the Individuals with Disabilities Education Act (IDEA), 20 U.S.C. section 1400 et seq. including the federal regulations 34 C.F.R section 300 et seq. and Education Code section 56000 et seq. including Title 5 of the

California Code of Regulations section 3000 et seq. CONTRACTOR shall comply with all monitoring requirements set forth in Section 43 below.

If CONTRACTOR is a NPS that is owned, operated by, or associated with a LCI, CONTRACTOR shall provide to LEA, on a quarterly basis, a list of all students, including those identified as eligible for special education. For those identified as special education students, the list shall include: 1) special education eligibility at the time of enrollment and; 2) the educational placement and services specified in each student's IEP at the time of enrollment. A copy of the current IEP shall be provided to the LEA.

Unless placement is made pursuant to an Office of Administrative Hearings order or a lawfully executed agreement between LEA and parent, LEA is not responsible for the costs associated with NPS placement until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student's parent or another adult with educational decision-making rights.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal IDEA (20 U.S.C. Sec. 1400 et seq.); shall be certified or licensed by the state to provide nonmedical care, clinical services, or short-term residential therapeutic programs, as applicable to the facility type; and shall submit to all monitoring requirements specific to out-of-state NPS contractors set forth in Education Code 56366.1 and Section 43 below

42. STATE MEAL MANDATE

When CONTRACTOR is a NPS, CONTRACTOR and LEA shall satisfy the State Meal Mandate under California Education Code sections 49005 et seq.; 49501.5, the universal meal mandate; 49530 et seq; and 49550 et seq.

LEA, at its sole discretion, may elect to directly provide meals to CONTRACTOR for distribution to LEA students at the nonpublic school on its own or by another local school district.

CONTRACTOR acknowledges that the LEA does not receive any state or federal reimbursement for any meals CONTRACTOR provides to LEA students and that CONTRACTOR is only eligible to receive direct reimbursement if it is an approved site under the National School Lunch Program.

In the event the LEA requests CONTRACTOR to provide meals to LEA students, CONTRACTOR will provide breakfast and lunch to LEA students in compliance with the meal pattern requirements under the School Breakfast Program and National School Lunch Program nutritional standards. LEA shall reimburse CONTRACTOR for each meal made available at a mutually agreed upon rate. In the event CONTRACTOR is unable to provide meals, the LEA and CONTRACTOR will work collaboratively to find a solution. In the event CDE determines that meals do not need to be provided, this paragraph shall not apply.

CONTRACTOR shall maintain all documentation of meals provided to LEA students. CONTRACTOR shall comply with record keeping requirements under the School Breakfast Program and National School Lunch Program or LEA template. Upon request, CONTRACTOR shall provide copies of any such records to LEA. CONTRACTOR shall also allow LEA to conduct site monitoring visits as deemed necessary by the LEA.

Upon request, CONTRACTOR shall provide LEA with any contracts it has with third-party vendors providing meals for students.

43. MONITORING

The State Superintendent of Public Instruction ("Superintendent"), through the delegated monitoring activities to the California Department of Education (CDE), shall monitor CONTRACTOR'S facilities, the educational environment, and the quality of the educational program, including the teaching staff, the credentials authorizing service, the standards-based core curriculum being employed, and the standard focused instructional materials used on a three-year cycle, as follows: (1) CONTRACTOR shall complete a self-review in year one; (2) the Superintendent shall conduct an onsite review in year two; and (3) the Superintendent shall conduct a follow-up visit in year three.

CONTRACTOR shall participate in any LEA or CDE compliance review, if applicable, to be conducted as aligned with the CDE Onsite Review and monitoring cycle in accordance with California Education Code section 56366.1(j) and (k) as applicable. This review will address programmatic aspects of the NPS, compliance with relevant state and federal regulations, and Master Contract compliance, as well as pupil perceptions, progress, and concerns, as required by law. CONTRACTOR shall conduct any follow-up or corrective action procedures related to review findings.

If CONTRACTOR is also an LCI and/or NPS/RTC, the CDE shall annually evaluate whether CONTRACTOR is in compliance with Education Code section 56366.9 and Health and Safety Code section 1501.1(b).

The LEA or SELPA shall conduct an onsite visit to the NPS before placement of a pupil if the LEA does not have any pupils enrolled at the school at the time of placement.

The LEA or SELPA shall conduct at least one onsite monitoring visit during each school year to the CONTRACTOR site certified as an NPS where the LEA has placed a pupil and entered into a master contract. The monitoring visit shall include, but is not limited to, a review of services specified on the ISA and provided to the pupil, a review of progress the pupil is making toward the goals set forth in the pupil's IEP, a review of progress the pupil is making toward the goals set forth in the pupil's behavioral intervention plan, if applicable, an observation of the pupil during instruction, a walkthrough of the facility, and, for a pupil placed in an NPS located outside of California, an in-person interview with the pupil, in a manner consistent with the pupil's IEP, to evaluate the pupil's health and safety. The LEA or SELPA shall report the findings resulting from the monitoring visit to the CDE, using the "Local Educational Agency Onsite Visit for Nonpublic School" form developed and published by the department on CDE's internet website, including additional findings required by the CDE specific to NPS located outside California, if applicable, within 60 calendar days of the onsite visit.

If CONTRACTOR is an NPS located outside of California, the LEA or SELPA shall conduct at least quarterly check-ins with a pupil placed by the LEA pursuant to a master contract, through an unmonitored telephone call, in a manner consistent with the pupil's IEP.

CONTRACTOR shall allow LEA representatives access to its facilities for additional periodic monitoring of each student's instructional program. LEA shall have access to observe each student at work, observe the instructional setting, interview CONTRACTOR employees and student(s) placed by the LEA, and review each student's records and progress. Such access shall include unannounced monitoring visits. When making site visits, LEA shall initially report to CONTRACTOR's site administrative office. CONTRACTOR shall be invited to participate in the review of each student's progress.

CONTRACTOR understands that LEA reserves the right to institute a program audit with or without cause. The program audit may include, but is not limited to, a review of core compliance areas of health and safety; curriculum/instruction; related services; and contractual, legal, and procedural compliance.

When CONTRACTOR is a NPS, CONTRACTOR shall collect all applicable data and prepare the applicable portion of a School Accountability Report Card as appropriate in accordance with California Education Code Section 33126.

PERSONNEL

LOCAL EDUCATION AGENCY: California Online Public Schools

NONPUBLIC SCHOOL/AGENCY/RELATED SERVICES PROVIDER:

Amergis Healthcare Staffing, Inc.

NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES MASTER CONTRACT

GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract (or "Contract") is entered into on **August 24, 2026**, between **California Online Public Schools which includes California Online Public Schools Central Coast, California Online Public Schools Central Valley, California Online Public Schools Monterey Bay, California Online Public Schools North Bay, California Online Public Schools Northern California, and California Online Public Schools Southern California**, hereinafter referred to as the local educational agency ("LEA"), a member of the **El Dorado** SELPA and

Amergis Healthcare Staffing, Inc.

(nonpublic, nonsectarian school or agency), hereinafter referred to as NPS/A or "CONTRACTOR" for the purpose of providing special education and/or related services to students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq*. and Title 5 of the California Code of Regulations section 3000 *et seq*., AB 490 (Chapter 862, Statutes of 2003) and AB 1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit the LEA to pay for special education and/or related services provided to any student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Service Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, these forms shall acknowledge CONTRACTOR's obligation to provide all relevant services specified in the student's Individualized Education Program (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of a student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each student served by CONTRACTOR. As available and appropriate, the LEA shall make available access to any electronic IEP system and/or electronic database for the development of the ISA and invoices.

Unless placement and/or services is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed settlement agreement between LEA and parent or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with NPS placement or NPS/A services until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a NPS/A. All NPS/A services shall be provided consistent with the area of certification and licensure specified by CDE Certification and as defined in California Education Code, section 56366 et seq

and within the professional scope of practice of each provider's license, certification, and/or credential. A current copy of CONTRACTOR's NPS/A certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Agreement is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract.

Total student enrollment shall be limited to capacity as stated on CDE certification and in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified and all staff persons providing services to pupils shall be certified and/or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care room and board to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this State, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE in writing of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless, taking into consideration all of the surrounding facts and circumstances, a policy or policies or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR's failure to comply with applicable LEA policies (e.g., those policies relating to; the provision of special education and/or related services, facilities for individuals with exceptional needs, student enrollment and transfer, student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract; and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2026 to June 30, 2027 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. The parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2026 (Title 5 California Code of Regulations section 3062(d)). In the event the contract negotiations are not agreed to by June 30th, the most recently executed

Master Contract will remain in effect for 90 days (Education Code 56366(c)(1)). If, after 60 days the Master Contract or individual services agreement has not been finalized, as prescribed in paragraph (1) of subdivision (a), either party may appeal to the county superintendent of schools, if the county superintendent of schools is not participating in the local plan involved in the nonpublic, nonsectarian school or agency contract; or the Superintendent, if the county superintendent of schools is participating in the local plan involved in the contract, to negotiate the contract. Within 30 days of receipt of this appeal, the county superintendent of schools or the Superintendent, or the individual designee, shall mediate the formulation of a contract, which shall be binding upon both parties (Education Code 56366 (c) (2)). No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR's ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each ISA and they are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of current teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to District, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety-day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (California Education Code section 56366(c)(1) and (2)). In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students at the discretion of the LEA

6. INDIVIDUAL SERVICE AGREEMENT ("ISA")

This Agreement shall include an ISA developed for each student to whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for students enrolled with the approval of the LEA pursuant to Education Code section 56366 (a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR, shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students.

Any and all changes to a student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the student's IEP or by written agreement between the parent and LEA. At any time during the term of this Master Contract, a student's parent, CONTRACTOR, or LEA may request a review of a student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA. (California Education Code sections 56366(a) (5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to student as a result of lack of provision of services while student was served by the NPS/A.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the "stay-put" requirement of state and federal law unless the parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c) (2).

If the LEA is determined to be a partner, joint venture, co-principal, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding.

18. SUBCONTRACTING

The LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the student is performed or a report is prepared in the normal course of the services provided to the student by CONTRACTOR. To avoid conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may not fund services through the evaluator whose IEE the LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a NPS, per implementation of Senate Bill 484, CONTRACTOR shall administer all statewide assessments within the California Assessment of Student Performance and Progress ("CAASPP"), Desired Results Developmental Profile ("DRDP"), California Alternative Assessment ("CAA"), achievement and abilities tests (using LEA-authorized assessment instruments), the Fitness Gram, , the English Language Proficiency Assessments for California ("ELPAC"), the Alternative English Language Proficiency Assessments for California ("Alternative ELPAC"), and as appropriate to the student, and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR'S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend District mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, data collection, and standardized testing and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS

CONTRACTOR shall comply with the requirements of Education Code sections 49000, *et seq.,* 49005, *et seq*., 56521.1 and 56521.2. LEA students who exhibit behaviors that interfere with their learning or the learning of others must receive timely and appropriate assessments and positive supports and interventions in accordance with state and federal law and implementing regulations. If the IEP team determines that a student's behavior impedes the individual learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that

behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan ("BIP"), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and behavioral emergency reports. CONTRACTOR shall ensure that all of its staff members are trained in crisis intervention, emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR's pupil population. The training shall be provided within 30 days of employment to new staff who have any contact or interaction with pupils during the school day, and annually to all staff who have any contact or interaction with pupils during the school day. The CONTRACTOR shall select and conduct the training in accordance with California Education Code section 56366.1. CONTRACTOR shall maintain written records of the training and provide written verification of the training annually and upon request.

Emergency interventions are those interventions used with a student during the time they present a serious, dangerous behavior that staff has determined to be present a clear and present danger to self or others, which requires a non-violent physical intervention to protect the safety of student, self, or others that cannot be prevented by use of a less restrictive technique. Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP, and shall not be employed longer than necessary to contain the behavior. Emergency interventions may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the individual with exceptional needs, or others, and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.

CONTRACTOR shall complete a behavior emergency report when an emergency intervention is used ; or when a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. A behavior emergency report form must be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall also notify Parent within twenty-four (24) hours via telephone. If the student's IEP does not contain a BIP, CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days to review the behavior emergency report, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If applicable, the IEP team shall document the reasons for not conducting the functional behavioral assessment, not developing an interim plan, or both. If the student already has a BIP, and the incident involved a previously unseen or new serious behavior, or if preexisting behavioral interventions in the BIP were ineffective, CONTRACTOR shall schedule with LEA an IEP meeting to review and determine the need to modify the BIP.

Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following:

1. any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric-shock;
2. an intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual;
3. an intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities;
4. an intervention that is designed to subject, used to subject, or likely to subject, the individual to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma;
5. restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities;
6. prone restraint;
7. locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room;
8. an intervention that precludes adequate supervision of the individual;

9. an intervention that deprives the individual of one or more of the individual's senses.

CONTRACTOR shall comply with Education Code sections 49005.8, 56521.1 and 56521.2. Specifically, Contractor shall not do any of the following:

1. Use seclusion or a behavioral restraint for the purpose of coercion, discipline, convenience, or retaliation.
2. Use locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room.
3. Use a physical restraint technique that obstructs a pupil's respiratory airway or impairs the pupil's breathing or respiratory capacity, including techniques in which a staff member places pressure on a pupil's back or places the staff member's body weight against the pupil's torso or back.
4. Use a behavioral restraint technique that restricts breathing, including, but not limited to, using a pillow, blanket, carpet, mat, or other item to cover a pupil's face.
5. Use prone restraint, including but not limited to prone containment.
6. Use a behavioral restraint for longer than is necessary to contain the behavior that poses a clear and present danger of serious physical harm to the pupil or others.

CONTRACTOR shall keep constant, direct observation of a pupil who is in seclusion, which may be through observation of the pupil through a window, or another barrier, through which the educational provider is able to make direct eye contact with the pupil. This observation shall not be through indirect means, including through a security camera or a closed-circuit television.

CONTRACTOR shall afford pupils who are restrained the least restrictive alternative and the maximum freedom of movement, and shall use the least number of restraint points, while ensuring the physical safety of the pupil and others.

In the case of a child whose behavior impedes the child's learning or that of others, the IEP team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

All restraint practices must be reviewed and revised when they have an adverse effect on a student and are used repeatedly for an individual child, either on multiple occasions within the same classroom or multiple uses by the same individual. CONTRACTOR shall notify the student's parent/guardian when any type of physical or mechanical restraint or seclusion has been used. Upon the use of any type of physical or mechanical restraint or seclusions of an LEA student, CONTRACTOR shall complete a BER per the reporting and notification requirements listed above.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations. Using forms developed by the California Department of Education or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.

When CONTRACTOR seeks to remove a student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA. Written discipline reports shall include, but not be limited to: the student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10^{th}) day of suspension

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the NPS; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (California Education Code sections 56366 (a) (2) (B) (i) and (ii)) and pursuant to California Education Code section 56345 (b) (4).)

If the LEA student is to be transferred from a NPS setting into a regular class setting in a public school for any part of the school day, the IEP team shall document a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of the individual IEP team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, the parent, the CONTRACTOR or the LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to parent, CONTRACTOR and LEA. CONTRACTOR shall provide to LEA assessments and written assessment reports by service providers upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the approved electronic IEP system of the LEA for all IEP planning and progress reporting at the LEA's discretion. The LEA or SELPA may provide training for any CONTRACTOR to ensure access to the approved system. The CONTRACTOR shall maintain confidentiality of all IEP data on the approved system and shall protect the password requirements of the system. When a student dis-enrolls from the NPS/NPA, the NPS/NPA and LEA shall discontinue use of the approved system for that student.

Changes in any student's educational program, including instruction, services, or instructional setting provided under this Master Contract, may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of consideration of a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code.

If CONTRACTOR is an NPS, CONTRACTOR shall ensure private and confidential communication, including telecommunication, between a pupil of the NPS and members of the pupil's IEP team and the CDE's Constituent Services Office, at the pupil's discretion.

33. SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall recognize an LEA appointed surrogate parent assignments for students without parental representation, including unaccompanied homeless youths, in special education procedures pursuant to California Government Code Section 7579.5. Surrogate parents shall serve as the child's parent and have all the rights relative to the student's education that a parent has under the Individuals with Disabilities Education Act pursuant to *20 USC 1414-1482 and 34 CFR 300.1-300.756.* A pupil in foster care shall be defined pursuant to California Education Code section 42238.01(b). The LEA shall annually notify the CONTRACTOR who the LEA has designated as the educational liaison for foster children. When a pupil in foster care is enrolled in a NPS by the LEA any time after the completion of the pupil's second year of high school, the CONTRACTOR shall schedule the pupil in courses leading

towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1.

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. Participation further includes the willingness to make CONTRACTOR's staff available for witness preparation and testimony as is necessary to facilitate a due process hearing. CONTRACTOR shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office of Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR's program and/or the implementation of a particular student's IEP/Individual and Family Service Plan ("IFSP").

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to parent complaints. These procedures shall include annually notifying and providing parents of students with appropriate information (including complaint forms) for the following: (1) Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations section 4600 *et seq*.; (2) Nondiscrimination policy pursuant to Title 5 of the California Code of Regulations section 4960 (a); (3) Sexual Harassment Policy, California Education Code 231.5 (a) (b) (c); (4) Title IX Student Grievance Procedure, Title IX 106.8 (a) (d) and 106.9 (a); and (5) Notice of Privacy Practices in compliance with Health Insurance Portability and Accountability Act ("HIPAA"). CONTRACTOR shall include verification of these procedures to the LEA. CONTRACTOR shall immediately notify LEA of any complaints filed against it related to LEA students and provide LEA with all documentation related to the complaints and/or its investigation of complaints, including any and all reports generated as a result of an investigation.

36. STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to LEA at least two (2) written progress reports/report cards annually, two (2) weeks prior to the end of each semester. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR's place of business and shall be submitted to the LEA two (2) weeks prior to the end of each semester, in accordance with the LEA's procedures and school calendar.

The CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, observation notes, data sheets, pre/post tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior intervention plans. The LEA may request such data at any time within five (5) years of the date of service. The CONTRACTOR shall provide this data supporting progress within five (5) business days of request. Additional time may be granted as needed by the LEA.

CONTRACTOR shall complete academic or other evaluations of the student ten (10) days prior to the student's annual or triennial review IEP team meeting for the purpose of reporting the student's present levels of performance at the IEP team meeting as required by state and federal laws and regulations and pursuant to LEA policies, procedures, and/or practices. CONTRACTOR shall provide sufficient copies of its reports, documents, and projected goals to share with members of the IEP team five (5) business days prior to the IEP meeting. CONTRACTOR shall maintain supporting documentation such as test protocols and data collection, which shall be made available to LEA within five (5) business days of request.

The CONTRACTOR is responsible for all evaluation costs regarding the updating of goals and objectives, progress reporting and development of present levels of performance. All assessments resulting from an assessment plan shall be provided by the LEA unless the LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Any assessment and/or evaluation costs may be added to the ISA and/or approved separately by the LEA at the LEA's sole discretion.

It is understood that all billable hours must be in direct services to pupils as specified in the ISA. For NPA services, supervision provided by a qualified individual as specified in Title 5 Regulation, subsection 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

CONTRACTOR shall not charge the student's parent(s) or LEA for the provision of progress reports, report cards, evaluations conducted in order to obtain present levels of performance, interviews, and/or meetings. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the pupil's record and shall be made available to the LEA upon written request.

37. GRADES, HIGH SCHOOL COURSE CREDITS, & TRANSCRIPTS

When CONTRACTOR is a NPS, CONTRACTOR is responsible for assigning grades for any course of instruction taught at the NPS. The grades determined by the pupil's teacher, in the absence of clerical or mechanical mistake, fraud, bad faith, or incompetency, shall be final and consistent with the provisions specified in EC Section 49066. The grades each pupil receives in all courses of instruction taught by the NPS shall be reported to the parents and the LEA on a quarterly basis. Consistent with the LEA, should it become evident to the NPS the pupil is in danger of failing a course, the CONTRACTOR must initiate a parent conference, and the LEA representative must be in attendance.

When CONTRACTOR serves students in grades nine (9) through twelve (12) inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements. CONTRACTOR shall not recommend awarding a high school diploma to students who have not successfully completed all of the LEA's graduation requirements.

Pupils enrolled in high school during the 2020-2021 academic year may request a Pass or No Pass grade as permitted in EC Section 49066.5, which may be reflected on the student's transcript and shall not negatively affect the pupil's grade point average.

CONTRACTOR shall prepare transcripts at the close of each semester, or upon student transfer, for students in grades nine (9) through twelve (12) inclusive, and submit them on LEA approved forms to the student's school of residence for evaluation of progress toward completion of diploma requirements as specified in LEA Procedures. CONTRACTOR shall submit to the LEA names of students and their schools of residence for whom transcripts have been submitted as specified by the LEA.

INDIVIDUAL TRANSITION PLANNING – AB 438, Approved on September 28, 2024

Effective July 1, 2025, if determined appropriate by the pupil's IEP team, beginning when the pupil starts their high school experience and not later than when the pupil is 16 years of age or younger, as appropriate, and annually thereafter, a statement of needed transition services shall be included in the pupil's individualized education program. If the individualized education program team determines that the pupil would benefit from the postponement of the inclusion of appropriate measurable postsecondary goals and transition services until 16 years of age, rather than when the pupil begins their high school experience, the individualized education program team shall appropriately justify the basis for that postponement. (EC section 56043(h).)

38. STUDENT CHANGE OF RESIDENCE

Within five (5) school days from the date CONTRACTOR becomes aware of a student's change of residence, CONTRACTOR shall notify LEA, in writing, of the student's change of residence. Upon enrollment, CONTRACTOR shall notify parents in writing of their obligation to notify CONTRACTOR of the student's change of residence. CONTRACTOR shall maintain, and provide upon request by LEA, documentation of such notice to parents.

If CONTRACTOR had knowledge or should reasonably have had knowledge of the student's change of residence boundaries and CONTRACTOR fails to follow the procedures specified in this provision, LEA shall not be responsible for the costs of services delivered following the student's change of residence.

39. WITHDRAWAL OF STUDENT FROM PROGRAM

CONTRACTOR shall immediately report electronically and in writing to the LEA within five (5) business days when an LEA student is withdrawn without prior notice from school and/or services, including student's change of residence to a residence outside of LEA service boundaries, and parent/guardian withdrawal of student against professional advice from a NPS/RTC.

40. PARENT ACCESS

CONTRACTOR shall provide for reasonable parental access to students and all facilities including, but not limited to, the instructional setting, recreational activity areas, meeting rooms and student living quarters, when applicable. CONTRACTOR shall comply with any known court orders regarding parental visits and access to LEA students.

CONTRACTOR operating programs associated with a NPS/RTC shall cooperate with a parent's reasonable request for LEA student therapeutic visits in their home or at the NPS/RTC. CONTRACTOR shall require that parents obtain prior written authorization for therapeutic visits from the CONTRACTOR and the LEA at least thirty (30) days in advance. When requested, CONTRACTOR shall facilitate all parent travel and accommodations and for providing travel information to the parent as appropriate. Payment by LEA for approved travel-related expenses shall be made directly through the LEA consistent with LEA Procedures.

CONTRACTOR providing services in the student's home as specified in the IEP shall ensure that at least one parent of the child, or an adult caregiver with written and signed authorization to make decisions in an emergency, is present. The names of any adult caregiver other than the parent shall be provided to the LEA prior to the start of any home based services, including written and signed authorization in emergency situations. The parent shall inform the LEA of any changes of caregivers and provide written authorization for emergencies. The adult caregiver cannot also be an employee or volunteer associated with the NPS/NPA service provider.

All problems and/or concerns, both verbal and written, reported to pupil's parents shall also be provided, in writing, to the LEA.

41. LICENSED CHILDREN'S INSTITUTION ("LCI") CONTRACTORS AND RESIDENTIAL TREATMENT CENTER ("RTC") CONTRACTORS

If CONTRACTOR is a LCI, CONTRACTOR shall adhere to all legal requirements regarding educational placements for LCI students as stated in Education Code 56366 (a) (2) (C), 56366.9 (c) (1), Health and Safety Code section 1501.1 and any other applicable laws and/or regulations, including LEA guidelines or procedures. An LCI shall not require that a pupil be placed in its NPS as a condition of being placed in its residential facility.

If CONTRACTOR is a NPS/RTC, CONTRACTOR shall adhere to all legal requirements under the Individuals with Disabilities Education Act (IDEA), 20 U.S.C. section 1400 et seq. including the federal regulations 34 C.F.R section 300 et seq. and Education Code section 56000 et seq. including Title 5 of the

California Code of Regulations section 3000 et seq. CONTRACTOR shall comply with all monitoring requirements set forth in Section 43 below.

If CONTRACTOR is a NPS that is owned, operated by, or associated with a LCI, CONTRACTOR shall provide to LEA, on a quarterly basis, a list of all students, including those identified as eligible for special education. For those identified as special education students, the list shall include: 1) special education eligibility at the time of enrollment and; 2) the educational placement and services specified in each student's IEP at the time of enrollment. A copy of the current IEP shall be provided to the LEA.

Unless placement is made pursuant to an Office of Administrative Hearings order or a lawfully executed agreement between LEA and parent, LEA is not responsible for the costs associated with NPS placement until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student's parent or another adult with educational decision-making rights.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal IDEA (20 U.S.C. Sec. 1400 et seq.); shall be certified or licensed by the state to provide nonmedical care, clinical services, or short-term residential therapeutic programs, as applicable to the facility type; and shall submit to all monitoring requirements specific to out-of-state NPS contractors set forth in Education Code 56366.1 and Section 43 below

42. STATE MEAL MANDATE

When CONTRACTOR is a NPS, CONTRACTOR and LEA shall satisfy the State Meal Mandate under California Education Code sections 49005 et seq.; 49501.5, the universal meal mandate; 49530 et seq; and 49550 et seq.

LEA, at its sole discretion, may elect to directly provide meals to CONTRACTOR for distribution to LEA students at the nonpublic school on its own or by another local school district.

CONTRACTOR acknowledges that the LEA does not receive any state or federal reimbursement for any meals CONTRACTOR provides to LEA students and that CONTRACTOR is only eligible to receive direct reimbursement if it is an approved site under the National School Lunch Program.

In the event the LEA requests CONTRACTOR to provide meals to LEA students, CONTRACTOR will provide breakfast and lunch to LEA students in compliance with the meal pattern requirements under the School Breakfast Program and National School Lunch Program nutritional standards. LEA shall reimburse CONTRACTOR for each meal made available at a mutually agreed upon rate. In the event CONTRACTOR is unable to provide meals, the LEA and CONTRACTOR will work collaboratively to find a solution. In the event CDE determines that meals do not need to be provided, this paragraph shall not apply.

CONTRACTOR shall maintain all documentation of meals provided to LEA students. CONTRACTOR shall comply with record keeping requirements under the School Breakfast Program and National School Lunch Program or LEA template. Upon request, CONTRACTOR shall provide copies of any such records to LEA. CONTRACTOR shall also allow LEA to conduct site monitoring visits as deemed necessary by the LEA.

Upon request, CONTRACTOR shall provide LEA with any contracts it has with third-party vendors providing meals for students.

43. MONITORING

The State Superintendent of Public Instruction ("Superintendent"), through the delegated monitoring activities to the California Department of Education (CDE), shall monitor CONTRACTOR'S facilities, the educational environment, and the quality of the educational program, including the teaching staff, the credentials authorizing service, the standards-based core curriculum being employed, and the standard focused instructional materials used on a three-year cycle, as follows: (1) CONTRACTOR shall complete a self-review in year one; (2) the Superintendent shall conduct an onsite review in year two; and (3) the Superintendent shall conduct a follow-up visit in year three.

CONTRACTOR shall participate in any LEA or CDE compliance review, if applicable, to be conducted as aligned with the CDE Onsite Review and monitoring cycle in accordance with California Education Code section 56366.1(j) and (k) as applicable. This review will address programmatic aspects of the NPS, compliance with relevant state and federal regulations, and Master Contract compliance, as well as pupil perceptions, progress, and concerns, as required by law. CONTRACTOR shall conduct any follow-up or corrective action procedures related to review findings.

If CONTRACTOR is also an LCI and/or NPS/RTC, the CDE shall annually evaluate whether CONTRACTOR is in compliance with Education Code section 56366.9 and Health and Safety Code section 1501.1(b).

The LEA or SELPA shall conduct an onsite visit to the NPS before placement of a pupil if the LEA does not have any pupils enrolled at the school at the time of placement.

The LEA or SELPA shall conduct at least one onsite monitoring visit during each school year to the CONTRACTOR site certified as an NPS where the LEA has placed a pupil and entered into a master contract. The monitoring visit shall include, but is not limited to, a review of services specified on the ISA and provided to the pupil, a review of progress the pupil is making toward the goals set forth in the pupil's IEP, a review of progress the pupil is making toward the goals set forth in the pupil's behavioral intervention plan, if applicable, an observation of the pupil during instruction, a walkthrough of the facility, and, for a pupil placed in an NPS located outside of California, an in-person interview with the pupil, in a manner consistent with the pupil's IEP, to evaluate the pupil's health and safety. The LEA or SELPA shall report the findings resulting from the monitoring visit to the CDE, using the "Local Educational Agency Onsite Visit for Nonpublic School" form developed and published by the department on CDE's internet website, including additional findings required by the CDE specific to NPS located outside California, if applicable, within 60 calendar days of the onsite visit.

If CONTRACTOR is an NPS located outside of California, the LEA or SELPA shall conduct at least quarterly check-ins with a pupil placed by the LEA pursuant to a master contract, through an unmonitored telephone call, in a manner consistent with the pupil's IEP.

CONTRACTOR shall allow LEA representatives access to its facilities for additional periodic monitoring of each student's instructional program. LEA shall have access to observe each student at work, observe the instructional setting, interview CONTRACTOR employees and student(s) placed by the LEA, and review each student's records and progress. Such access shall include unannounced monitoring visits. When making site visits, LEA shall initially report to CONTRACTOR's site administrative office. CONTRACTOR shall be invited to participate in the review of each student's progress.

CONTRACTOR understands that LEA reserves the right to institute a program audit with or without cause. The program audit may include, but is not limited to, a review of core compliance areas of health and safety; curriculum/instruction; related services; and contractual, legal, and procedural compliance.

When CONTRACTOR is a NPS, CONTRACTOR shall collect all applicable data and prepare the applicable portion of a School Accountability Report Card as appropriate in accordance with California Education Code Section 33126.

PERSONNEL

44. CLEARANCE REQUIREMENTS

CONTRACTOR shall comply with the requirements of California Education Code sections 44237, 35021.1, 35021.2, and 56366.1 including, but not limited to: obtaining clearance from both the California Department of Justice (hereinafter referred to as "CDOJ") and clearance from the Federal Bureau of Investigation (hereinafter referred to as "FBI") for CONTRACTOR's employees and volunteers who will have or likely may have any direct contact with LEA students. CONTRACTOR hereby agrees that CONTRACTOR's employees and volunteers shall not come in contact with students, in-person or virtually, until CDOJ and FBI clearance are ascertained. CONTRACTOR shall certify in writing to LEA that none of its employees, and volunteers, unless CONTRACTOR determines that the volunteers will have no direct contact with students, or subcontractors who may come into contact with students have been convicted of a violent or serious felony as those terms are defined in California Education Code section 44237(h), unless despite the employee's conviction of a violent or serious felony, he or she has met the criteria to be eligible for employment pursuant to California Education Code section 44237 (i) or (j). Upon request, clearance certification shall be submitted to the LEA. In addition, CONTRACTOR shall make a request for subsequent arrest service from CDOJ as required by California Penal Code section 11105.2. Contractor shall certify to LEA that they have successful background checks and enrolled in subsequent arrest notification service for all employees who may come into contact with students.

Notwithstanding the restrictions on sharing and destroying criminal background check information, CONTRACTOR, upon demand, shall make available to the LEA evidence of a successful criminal background check clearance and enrollment in subsequent arrest notification service, as provided, for each owner, operator, and employee of the NPS/A. CONTRACTOR is required to retain the evidence on-site, as specified, for all staff, including those licensed or credentialed by another state agency. Background clearances and proof of subsequent arrest notification service, as required by California Penal Code section 11105.2, for all staff shall be provided to the LEA upon request.

45. STAFF QUALIFICATIONS

Definitions

- "*Education Record*": An education record is any information recorded in any way, including, but not limited to, handwriting, print, computer media, video or audio recordings, film, microfilm, and microfiche that directly relates to a student and is maintained by the Charter School or by a party acting for the Charter School in a manner connected to the student. Such information includes, but is not limited to:
    1. Date of birth; parent and/or guardian's address, mother's maiden name and where the parties may be contacted for emergency purposes.
    2. Grades, test scores, courses taken, academic specializations and school activities.
    3. Special education records.
    4. Disciplinary records.
    5. Medical and health records;

    7. Personal information such as, but not limited to, a student's name, the name of a student's parent or other family member, student identification numbers, social security numbers, photographs, biometric record or any other type of information that aids in identification of a student.

    An education record does not include any of the following:

    1. Records that are kept in the sole possession of the maker, are used only as a personal memory aid, and are not accessible or revealed to any other person except a temporary substitute for the maker of the record.
    2. Records maintained by a law enforcement unit of the Charter School that were created by that law enforcement unit for the purpose of law enforcement.

3. In the case of a person who is employed by the Charter School but not in attendance at the Charter School, records made and maintained in the normal course of business, relate exclusively to the individual in that individual's capacity as an employee, and are not available for any other purpose.
4. Records of a student who is 18 years of age or older, or is attending an institution of postsecondary education, that are: a) made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in their professional capacity or assisting in a paraprofessional capacity; b) made, maintained, or used only in connection with treatment of the student; and c) disclosed only to individuals providing the treatment. For the purpose of this definition, "treatment" does not include remedial educational activities or activities that are part of the program of instruction at the Charter School.

6. Grades on peer-graded papers before they are collected and recorded by a teacher.
7. Other records not directly related with a particular student.

- "*Personally Identifiable Information*": Personally identifiable information ("PII") is information about a student that is contained in their education records that cannot be disclosed without compliance with the requirements of Family Educational Rights and Privacy Act of 2001 ("FERPA"). PII includes, but is not limited to: a student's name; the name of a student's parent or other family member; the address of a student or student's family; a personal identifier, such as the student's Social Security number, student number or biometric record; other indirect identifiers, such as the student's date of birth, place of birth, and mother's maiden name; other information that, alone or in combination, is linked or linkable to a specific student that would allow a reasonable person in the school community, who does not have personal knowledge of the relevant circumstances, to identify the student with reasonable certainty; or information requested by a person who the Charter School reasonably believes knows the identity of the student to whom the education record relates.
- "*Directory Information*": Directory information is information contained in an education record of a student that would not generally be considered harmful or an invasion of privacy if disclosed. The Charter School may disclose the PII that it has designated as directory information, consistent with the terms of the annual notice provided by the Charter School pursuant to the FERPA (20 U.S.C. § 1232g). 13. Student ID number, user ID, or other unique personal identifier used to communicate in electronic systems that cannot be used to access education records without a PIN, password, etc. (A student's social security number, in whole or in part, cannot be used for this purpose.)

- "*Parent*": Parent means a parent of a student and includes a natural parent, a guardian, or an individual acting as a parent in the absence of a parent or a guardian.
- "*Eligible Student*": Eligible student means a student who has reached eighteen (18) years of age.

The notice shall inform the parents and eligible students that they have the right to:

1. Inspect and review the student's education records;
2. Seek amendment of the student's education records that the parent or eligible student believes to be inaccurate, misleading or otherwise in violation of the student's privacy rights;
3. Consent to disclosures of PII contained in the student's education records, except to the extent that disclosure is permitted without prior written consent pursuant to FERPA;
4. File with the U.S. Department of Education a complaint concerning alleged failures by the Charter School to comply with the requirements of FERPA and its promulgated regulations; and
5. Request that the Charter School not release student names, addresses and telephone listings to military recruiters or institutions of higher education without prior written parental consent.

The notice must also include the following:

1. The procedure for exercising the right to inspect and review educational records;
2. The procedure for requesting amendment of records;
3. A statement that the Charter School forwards education records to other agencies or institutions that have requested the records and in which the student seeks or intends to enroll or is already enrolled so long as the disclosure is for purposes related to the student's enrollment or transfer; and
4. The criteria for determining who constitutes a school official and what constitutes a legitimate educational interest.

Parental And Eligible Student Rights Relating To Education Records

Parents and eligible students have the right to review the student's education records. In order to do so, parents and eligible students shall submit a request to review education records in writing to the Superintendent. Within five (5) business days, the Charter School shall comply with the request.

1. Copies of Education Records

The Charter School will provide copies of requested documents within five (5) business days of a written request for copies. The Charter School may charge reasonable fees for copies it provides to parents or eligible students. However, no charge shall be made for furnishing (1) up to two transcripts of former students' records or (2) up to two verifications of various records of former students. The charge will not include a fee to search for or to retrieve the education records.

2. **Request for Amendment to Education Records**

Following the inspection and review of a student's education record, a parent or eligible student may file a written request with the Executive Director or designee to correct or remove any information in the student's education record that is any of the following:

a. Inaccurate.
b. Misleading.
c. In violation of the privacy rights of the student.

The Executive Director or designee will respond within thirty (30) days of the receipt of the request to amend. CalOps's response will be in writing and if the request for amendment is denied, CalOps will set forth the reason for the denial and inform the parent or eligible student of their right to a hearing challenging the content of the education record as described below.

If the Executive Director sustains any or all of the allegations, the Executive Director must order the correction or the removal and destruction of the information. The Executive Director or designee must then inform the parent or eligible student of the amendment in writing.

If the Executive Director sustains the parent or eligible student's request to change the student's name and/or gender, Charter School shall add a new document to the student's record that includes all of the following information:

a. The date of the request.
b. The date the requested records were corrected.
c. A list of the records requested to be corrected.
d. The type of documentation, if any, provided to demonstrate a legal change to the student's name and/or gender. The parent or guardian of the student is not required to provide documentation of a legal change to the student's name and/or gender.
e. The name of the employee who completed the request.
f. The student's corrected and former names and/or genders.

Charter School shall immediately update a **former** student's records to include the student's updated legal name or gender if the Charter School receives government-issued documentation demonstrating that the former student's legal name or gender has been changed. Acceptable government issued identification includes but is not limited to:

a. State-issued driver's license.
b. Birth certificate.
c. Passport.
d. Social security card.
e. Court order indicating a name change or a gender change, or both.

If requested by the former student, the Charter School shall reissue any documents conferred upon the former student with the former student's updated legal name or gender. Documents that may be reissued by Charter School include, but are not limited to, a transcript, a high school diploma, a high school equivalency certificate, or other similar documents conferred upon the former student.

If a former student requests that their name or gender be changed and the requested records are reissued, the Charter School shall add a new document to the former student's file that includes all of the following:

a. The date of the request.
b. The date the requested records were reissued to the former student.
c. A list of the records that were requested by, and reissued to, the former student.
d. The type of documentation provided by the former student in order to demonstrate the legal name or gender change.
e. The name of the employee who completed the request.
f. The current and former name or gender of the former student.

3. Hearing to Challenge Education Record

If the Superintendent or designee denies a parent/guardian or eligible student's request to amend an education record, the parent/guardian or eligible student may, within thirty business (30) days of the denial, request in writing that the parent/guardian or eligible student be given the opportunity for a hearing to challenge the content of the student's education record on the grounds that the information contained in the education record is: inaccurate, misleading, or in violation of the privacy rights of the student. Notice of the date, time and place of the hearing will be sent by the Charter School to the parent or eligible student no later than twenty (20) days before the hearing.

Parent/Guardian or Eligible Student Rights at the Hearing

- To present information and evidence concerning a clerical or recording error in the education record which needs to be corrected. The hearing is not an opportunity to review substantive decisions by CalOPS concerning evaluation of academic work or outcomes of disciplinary proceedings.
- To have the hearing adjudicated by a hearing entity that does not have a direct interest in the outcome of the hearing;
- To be advised by one or more individuals, including counsel at their own expense;
- To have a full and fair opportunity to present evidence concerning requested corrections to the

education record;

- To receive, within a reasonable period of time after the hearing, but not more than thirty (30) business days, a written decision based solely on the evidence provided at the hearing. The decision will include a summary of evidence and reasons for the decision; and
- To submit a statement into the student's education record commenting on the contested portion of the record which will be provided to any person who later views that portion of their education record, if the amendment is denied.

Charter School Rights and Responsibilities When a Hearing is Requested

- The Charter School shall appoint a neutral hearing entity that does not have a direct interest in the hearing outcome to preside over the hearing in accordance with FERPA requirements. The hearing shall in all respects be under the control of the hearing entity and shall not be subject to formal rules of evidence or procedure. The hearing entity may be either 1) a neutral hearing officer who is appointed by the Board Chair, and a Charter School employee, or 2) the Charter School Board of Directors.
- The Charter School shall deny a request for a hearing when the proposed amendment to the education record includes anything more than correcting clerical errors.
- The Charter School shall schedule a hearing within a reasonable time, but not more than thirty (30) business days, after receiving the hearing request.
- The Charter School shall provide evidence to the hearing entity to support the previous determination not to amend the student's education record.

Role of the Hearing Entity

- To allow the parent/guardian or an eligible student the opportunity to present evidence relevant to the issues raised. The hearing entity has the right to determine whether particular evidence presented is relevant to the record and issue(s) in question.
- To make their decision solely on the evidence presented at the hearing.
- To provide the parent/guardian or eligible student with a written decision, including a summary of the evidence and reason for the decision within a reasonable period of time after the hearing.

Outcome

If the hearing entity finds that the record is inaccurate, misleading, or otherwise in violation of the privacy rights of the student, the Charter School will amend the record accordingly. The parent/guardian or eligible student will be notified in writing of the correction. If the hearing entity finds that the information in the education record is not inaccurate, misleading, or otherwise in violation of the privacy rights of the student, the Charter School will notify the student of the right to place a statement in the record commenting on the contested portion of the record, or stating why the student disagrees with the decision not to amend, or both. The Charter School will maintain this statement with the contested portion of the student's education record for as long as the record is maintained. The statement will be disclosed whenever the Charter School is required to disclose the portion of the record to which the statement relates.

Disclosure Of Education Records And Directory Information

The Charter School must have a signed and dated written consent from the parent or eligible student before releasing any non-directory information from a student's education record except as provided below. The written permission must specify the records that may be disclosed, the purpose of the disclosure and the party or class of parties to whom the disclosure may be made. When disclosure is made pursuant to written permission, the parent

or eligible student may request a copy of the disclosed records and the Charter School shall provide the requestor with a copy of the records disclosed upon request. Signed and dated written consent may include a record and signature in electronic form if it identifies and authenticates a particular person as the source of the electronic consent and indicates such person's approval of the information contained in the electronic consent.

The Charter School will only disclose PII on the condition that the receiving party not disclose the information to any party without the prior written consent of the parent or eligible student and that the receiving party use the information for the purposes for which the disclosure was made. This restriction does not apply to disclosures that fall within the disclosure exceptions listed below. The Charter School must maintain the appropriate records related to these disclosure exceptions, as described below. Except for disclosures pursuant to a warrant, judicial order or lawfully issued subpoena, or directory information or to parents or eligible students, the Charter School will inform a receiving party of the requirement that the party not disclose the information to any other party without the prior written consent of the parent or eligible student and that the receiving party use it for the purpose for which the disclosure was made. Note specifically that the Charter School will not release information to third parties for immigration-enforcement purposes, except as required by law or court order.

The Charter School will disclose education records, without prior written consent of the parent or eligible student, to the following parties:

1. School officials who have a legitimate educational interest as defined by 34 Code of Federal Regulations ("C.F.R.") Part 99;
2. Other schools to which a student seeks or intends to enroll so long as the disclosure is for purposes related to the student's enrollment or transfer. When a student transfers schools, the Charter School will mail the original or a copy of a student's cumulative file to the receiving district or private school within ten (10) school days following the date the request is received from the public school or private school where the student intends to enroll. The Charter School will make a reasonable attempt to notify the parent or eligible student of the request for records at their last known address, unless the disclosure is initiated by the parent or eligible student. Additionally, the Charter School will give the parent or eligible student, upon request, a copy of the record that was disclosed and give the parent or eligible student, upon request, an opportunity for hearing pursuant to Section (IV)(3) above;
3. Certain government officials listed in 20 U.S.C. § 1232g(b)(1) in order to carry out lawful functions;
4. Appropriate parties in connection with a student's application for, or receipt of, financial aid if it is necessary to determine eligibility, amount of aid, conditions for aid or enforcing the terms and conditions of the aid;
5. Organizations conducting certain studies for the Charter School in accordance with 20 U.S.C. § 1232g(b)(1)(F);
6. Accrediting organizations in order to carry out their accrediting functions;
7. Parents of a dependent student as defined in section 152 of the Internal Revenue Code of 1986;
8. Individuals or entities, in compliance with a judicial order or lawfully issued subpoena. Subject to the exceptions found in 34 C.F.R. § 99.31(a)(9)(i), reasonable effort must be made to notify the parent or eligible student of the order or subpoena in advance of compliance, so that the parent or eligible student may seek a protective order;
9. Persons who need to know in cases of health and safety emergencies;
10. State and local authorities, within a juvenile justice system, pursuant to specific State law;
11. A foster family agency with jurisdiction over a currently enrolled or former student, a short-term residential treatment program staff responsible for the education or case management of a student, and/or a caregiver (regardless of whether the caregiver has been appointed as the student's educational

rights holder) who has direct responsibility for the care of the student, including a certified or licensed foster parent, an approved relative or nonrelated extended family member, or a resource family, may access the current or most recent records of grades, transcripts, attendance, discipline, and online communication on platforms established by the Charter School for student and parents, and any individualized education program ("IEP") or Section 504 plan that may have been developed or maintained by the Charter School; and/or

12. A victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense. The disclosure may only include final results of the disciplinary proceedings conducted by Charter School with respect to that alleged crime or offense. The Charter School may disclose the final results of the disciplinary proceeding, regardless of whether the Charter School concluded a violation was committed.

Data collected and reported by Charter School to the California Longitudinal Pupil Achievement Data System ("CALPADS"[1]) pursuant to state law, will be shared with the California College Guidance Initiative ("CCGI"[2]) and will:

1) Be used to provide pupils and families with direct access to online tools and resources.
2) Enable a pupil to transmit information shared with the CCGI to both of the following:
   a. Postsecondary educational institutions for purposes of admissions and academic placement.
   b. The Student Aid Commission for purposes of determining eligibility for, and increasing uptake of, student financial aid.

Families are advised to visit the CCGI website at CaliforniaColleges.edu to access resources that help students and their families learn about college admissions requirements.

Charter School shall not release directory information regarding a student identified as a homeless child or youth under the McKinney Vento Homeless Assistance Act in the absence of parent, guardian, or eligible student's written consent, except as follows:

a. when the directory information is released for the purposes of facilitating the student's access to an oral assessment or eye examination required by Charter School, unless the parent/guardian opts out of the examination.

Solicitation and Disclosure of Student Information for Immigration Purposes

Charter School shall observe the following:

1. Except as required by state or federal law or as required to administer a state or federally supported education program, the Charter School officials and employees will not collect information or documents regarding citizenship or immigration status of students or their family members.
2. If the Charter School possesses information that could indicate immigration status, citizenship status, or national origin information, the Charter School will not use the acquired information to discriminate against any student or families or bar children from enrolling in or attending school.

[1] CALPADS is a database maintained by the CDE which consists of pupil data from elementary and secondary schools relating to, among other things, demographic, program participation, enrollment, and statewide assessments data.

[2] CCGI is an authorized provider of an institutional service to all California local educational agencies and part of the state's efforts to make college-going a more streamlined experience for students. The CCGI currently receives enrollment data for all public-school students enrolled in grades six through twelve from the California Department of Education ("CDE").

3. If parents or guardians choose not to provide information that could indicate their or their children's immigration status, citizenship status, or national origin, the Charter School will not use such actions as a basis to discriminate against any students or families or bar children from enrolling or attending school.

The Charter School will not allow school resources or data to be used to create a registry based on race, gender, sexual orientation, religion, ethnicity, or national origin.

4. The Charter School will not release information to third parties for immigration-enforcement purposes, except as required by law or court order. Except for investigations of child abuse, child neglect, or child dependency, or when the subpoena served on the Charter School prohibits disclosure, the Charter School shall provide parental or guardian notification of any court orders, warrants, or subpoenas before responding to such requests.

The parent, guardian, or eligible student is not required to sign the consent form. If the parent, guardian or eligible student refuses to provide written consent for the release of student information that is not otherwise subject to release, the Charter School shall not release the information. The Charter School will permanently keep the consent notice with the record file.

The Charter School personnel shall take the following steps upon receiving an information request related to a student's or family's immigration or citizenship status:

1. Notify a designated Charter School official about the information request.
2. Provide students and families with appropriate notice and a description of the immigration officer's request.
3. Document any verbal or written request for information by immigration authorities.
4. Unless prohibited, provide students and parents/guardians with any documents issued by the immigration-enforcement officer.

Contract for Digital Storage, Management, and Retrieval of Student Records

The Charter School may enter into a contract with a third party for the digital storage, management, and retrieval of student records and/or to authorize a third party provider of digital software to access, store, and use student records, provided that the contract meets the requirements of Education Code section 49073.1 and other applicable state and federal laws.

Record Keeping Requirements

The Charter School will maintain a record of each request for access to and each disclosure of PII from the education records of each student for as long as the records are maintained. For each request, the record must include the following information: the parties who have requested or received the information and the legitimate interests the parties had in requesting or obtaining the information.

For disclosures of PII to institutions that make disclosures of the information on behalf of the Charter School in accordance with 34 C.F.R. § 99.33(b), the record must include the names of the additional parties to which the receiving party may disclose the information on behalf of the Charter School and the legitimate interests that each of the additional parties has in requesting or obtaining the information.

These record keeping requirements do not apply to requests from or disclosure to parents or eligible students, the Charter School officials with a legitimate purpose of inspecting the records, a party with written consent from the parent or eligible student, a party seeking directory information, or a party seeking or receiving the records as directed by a court order or subpoena.

The records relating to disclosures of PII may be inspected by parents and eligible students, the Charter School officials (or their assistants) responsible for the custody of the records, and parties authorized by regulations for the purpose of auditing the recordkeeping procedures of the Charter School.

Student cumulative records may not be removed from the premises of the Charter School, unless the individual removing the record has a legitimate educational interest, and is authorized by the Superintendent, or by a majority of a quorum of the Board of Directors at a duly agendized meeting. Employees who remove student cumulative records or other student records from the Charter School premises without a legitimate educational interest and authorization may be subject to discipline. Employees are permitted to take student work-product, or other appropriate student records, off premises without authorization for legitimate academic purposes (e.g. grading work-product, assigning credit, reviewing materials for classroom discussion, etc.).

Complaints

Parents and eligible students have the right to file a complaint with the U.S. Department of Education concerning alleged failures by the Charter School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Student Privacy Policy Office
U.S. Department of Education
400 Maryland Avenue. S.W.
Washington, D.C. 20202-8520

REPORT TO THE BOARD OF DIRECTORS
CALIFORNIA ONLINE PUBLIC SCHOOLS
CalOPS 9th Grade Math Placements for 2025-2026
Presented October 14, 2025

Overview

This report is being provided as required by the Math Placement Policy adopted by the boards in 2016.

Data includes 823 students who enrolled in 9th grade prior to October 1, 2025. 99% of 9th grade students were enrolled in Algebra 1, Geometry, or Algebra 2, honors and non-honors versions of these courses were combined for the sake of streamlining data reporting. The few students enrolled in Precalculus and Honors Precalculus are included in the report where applicable. Data has been rounded to whole numbers for the ease of interpretation.

Table 1: Overall Math Placement Comparison 2024 vs 2025

Statewide, CalOPS 9th grade students were distributed across math placements in the following percentages. This table includes both 2024 and 2025 math placements as of October 1 of each year. Highlighted areas indicate the following information:

Green	When the school's representation in Algebra 1 has **decreased** in 2025 **OR** when the school's representation in Geometry/Algebra 2 has **increased** in 2025.
Red	When the school's representation in Algebra 1 has **increased** in 2025 **OR** when the school's representation in Geometry/Algebra 2 has **decreased** in 2025.

Course	2024	2025	Change
Algebra 1	60%	82%	22%
Geometry	32%	16%	-16%
Algebra 2	7%	1%	-6%

As a school, we are showing an increase in Algebra 1 placements, and a decrease in Geometry placements. This trend towards decreased placement in higher level math is an area to investigate and improve.

Placement Overall

If 8th graders take Algebra 1 and pass in 8th grade, then an on-track, college-bound student should take Geometry as a 9th grader. A student who takes Algebra 1 as a 9th grader would follow a traditional progression of Algebra 1, Geometry, Algebra 2, Pre-Calculus, and would still be on track for college acceptance. Students who start at Geometry in 9th grade would be able to qualify for an AP level course following a typical 4 year progression.

Table 2: Math Placements 2025 Student Group Distribution

Looking only at course level placements (combining honors and non-honors) gives a snapshot of where students are placed broken down by student group. The following table compares 2025 math placements only; representing the placement of student groups in the levels of math as compared to 2025 school-wide totals. Highlighted areas indicate the following information:

Blue	The percentage composition of that student group within CalOPS.

Green	When a student groups' representation in Algebra 1 is **lower** than the CalOPS distribution **OR** when a student groups' representation in Geometry/Algebra 2 is **higher** than the CalOPS distribution.
Yellow	When a student groups' representation in any math level is **equal** to the CalOPS distribution.
Red	When a student groups' representation in Algebra 1 is **higher** than the CalOPS distribution **OR** when a student groups' representation in Geometry/Algebra 2 is **lower** than the CalOPS distribution.

All CalOPS (honors and non-honors combined)	2024	Comparison to Total
American Indian or Alaskan Native	**1%**	
Algebra 1	100%	17%
Geometry	0%	-16%
Algebra 2	0%	-1%
Asian	**9%**	
Algebra 1	74%	-9%

Algebra 2	4%	3%
Black/African American	**10%**	
Algebra 1	95%	12%
Geometry	5%	-1%
Algebra 2	0%	-1%
Hispanic or Latino	**44%**	
Algebra 1	85%	3%
Geometry	14%	-11%
Algebra 2	1%	-7%

Geometry	18%	3%
Algebra 2	5%	4%
Native Hawaiian or Other Pacific Islander	**1%**	
Algebra 1	100%	17%
Geometry	0%	-16%
Algebra 2	0%	-1%
White (Not Hispanic or Latino)	**26%**	
Algebra 1	81%	-2%
Geometry	18%	2%
Algebra 2	1%	0%
Filipino	1%	
Algebra 1	43%	-40%
Geometry	57%	41%
Algebra 2	0%	-1%

This table shows that during the 2025-2026 school year, all student groups with the exception of students in the Asian, White, and Filipino race categories saw a decrease in Geometry placement. Students in the Asian and Multiple Races group had an overall higher representation in Algebra 2 placements as compared to their classmates of the American Indian or Alaska Native, Black/African American, Hispanic or Latino, Filipino, White, and Native Hawaiian or Other Pacific Islander student groups. The question to be answered at this point is: Has there been any change in overall placements when 2024 is compared to 2025?

Table 3: Math Placements 2024 vs. 2025 Student Group Distribution

The following table compares 2024 math placements to 2025 math placements. The table displays the change in percentage of student groups placed in each math level. Highlighted areas indicate the following information:

Blue	The percentage composition of that student group within CalOPS.
Green	When a student groups' representation in Algebra 1 has **decreased** in 2025 **OR** when a student groups' representation in Geometry/Algebra 2 has **increased** in 2025.
Yellow	When a student groups' representation in any math level is the **same** in 2024 and 2025.
Red	When a student groups' representation in Algebra 1 has **increased** in 2025 **OR** when a student groups' representation in Geometry/Algebra 2 has **decreased** in 2025.

All CalOPS (honors and non-honors combined)	2024	2025	Change

Filipino	0%	1%	
Algebra 1	N/A	43%	43%
Geometry	N/A	57%	57%
Algebra 2	N/A	0%	

When comparing math placement from 2024 to 2025, there have been more enrollments in Algebra 1 across all student groups. There was an increase in Geometry placements in the Filipino group. Algebra 2 placements saw an increase in the Hispanic or Latino student group and held steady in the American Indian or Alaskan Native and Native Hawaiian or Other Pacific Islander student groups.

Summary of Findings

The 2025–26 ninth-grade math placement data show a substantial shift toward Algebra 1 compared with the prior year:

Algebra 1 placements increased from 60% to 82% of ninth graders.
Geometry placements decreased from 32% to 16%.
Algebra 2 placements decreased from 7% to 1%.
This pattern means fewer students began ninth grade on the accelerated pathway that typically leads to an AP-level math course by senior year. Students beginning in Algebra 1 are still on a college-going sequence, but they may have fewer opportunities to take advanced math coursework in high school without additional acceleration or summer options.

The shift toward Algebra 1 occurred across nearly all reported student groups. The largest increases in Algebra 1 placement were among Asian students (28% to 74%), Native Hawaiian or Other Pacific Islander students (60% to 100%), Black/African American students (60% to 95%), American Indian or Alaska Native students (67% to 100%), and White students (60% to 81%). Geometry placement declined for most groups.

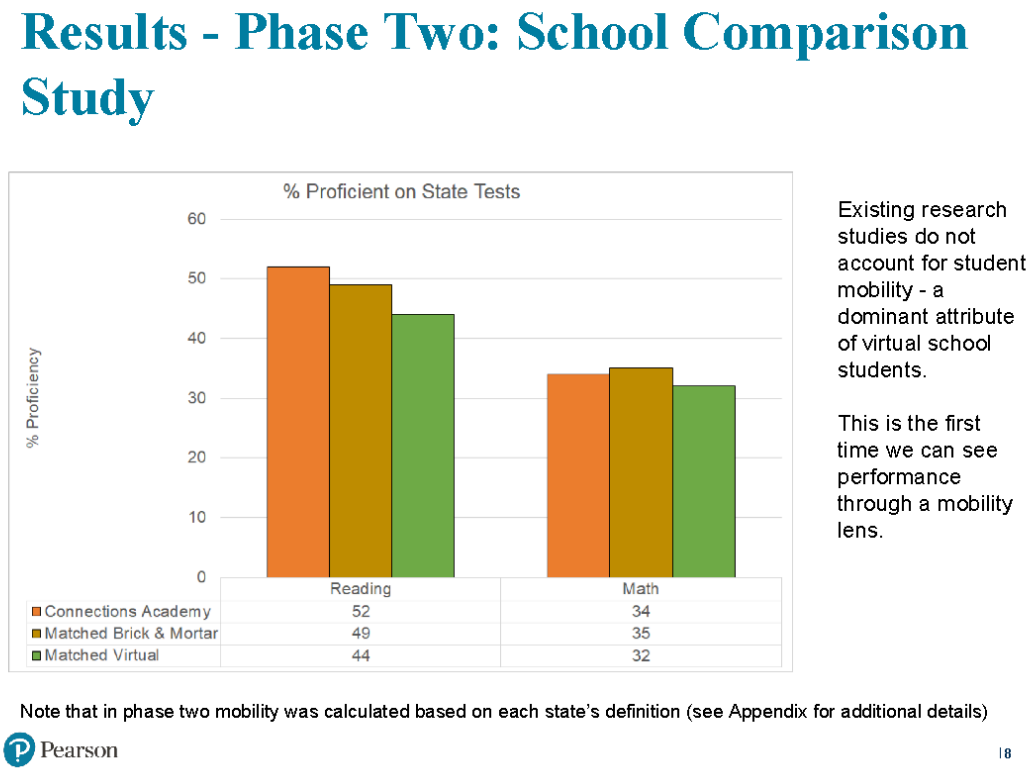

There are also notable equity considerations in the 2025 placement snapshot:

Asian, Filipino, and Multiple Races students had comparatively higher representation in Geometry and/or Algebra 2 than the schoolwide distribution.
Black/African American, Hispanic or Latino, American Indian or Alaska Native, and Native Hawaiian or Other Pacific Islander students had higher representation in Algebra 1 and lower representation in Geometry and Algebra 2 relative to the overall distribution. As mentioned earlier, comparisons such as these in this report can be tricky due to a lack of control over 8th grade math placements of 9th graders new to CalOPS. CalOPS does have a well-defined placement process and a process for placement reevaluation both when requested by a

family and also after receipt of formative assessment data such as iReady and IXL. IXL data are analyzed by High School Math Department Leadership, and students who show the most potential are moved to the higher math level when deemed appropriate. It is important to note that it is the mission of CalOPS to help students achieve at the highest level, but they also must start at the level they exist in. Increases in higher-level math placements are welcomed, but pushing students into too high a level can also be damaging to their educational progress.

The Effect of Mobility

Pearson's Efficacy Research Report was published on April 3, 2018. The overall focus of this report was to control for student mobility at both Connections Academy schools and their matched brick and mortar counterparts. Below is a summary of their findings.

The graph highlights a gain in reading proficiency for Connections Academy students when compared to their matched brick and mortar counterparts. In terms of mathematics proficiency, Connections Academy students only slightly underperform their matched brick and mortar counterparts. If we align mathematics proficiency to course placement both at CalOPS and at matched brick and mortar counterparts, we can infer that math placements of continuing 8th grade Connections Academy students would not differ markedly to new to Connections Academy 9th grade students, or we would expect to see a larger variation on math proficiency on standardized assessments.

Next Steps

This overall math placement analysis is a yearly expectation. As a result, next steps from last year will be continued. The status of these next steps will be recorded after each one.

- Continue to track statistics annually – Completed and Ongoing
- Continue discussion with all Math staff regarding math placement, as well as discussions and training with the guidance team – Completed and Ongoing
- Follow up in the Fall to see which students might be accelerated – Ongoing
- Create clear pathways for students who begin in Algebra 1. Ensure students and families understand that Algebra 1 in ninth grade remains a college-ready pathway.
- Consider supports such as targeted intervention, tutoring, summer coursework, or other acceleration opportunities for students who demonstrate readiness to advance.
- Monthly Math Focus Group/PLC Meetings – Started in the 19/20 school year and continue. All school levels participate, collaborating towards the goal of improving math success schoolwide.
- Implementations of middle school intervention math classes, starting fall of 24/25. Ongoing
- Schoolwide new math curriculum fall 24/25- completed/ongoing

SUBJECT: CalOPS Student Board Member

Category (Contract Approval, Policy, Personnel, General Approval. etc.): Policy

Approval Date: 10/13/2026

Reason for Board Consideration (Fiscal Policy, State Requirement, etc.): Board Bylaws & State Requirement

Decision Type (Action Item, Information Only, etc.): Action Item

Background (Brief Summary of Background Information):

In October of 2023, the CA State Legislature passed AB 275 which required Charter School Boards to approve a Student Board Member if certain requirements are met. These provisions are spelled out in ed. Code 47604.2

Student Board Members are elected for a one year term and have a “preferential and non-binding vote”. This means that they vote before each roll call vote and cannot affect quorum. They are also not allowed to participate in closed session items or items related to staff compensation or review.

The nomination and election process for the student board member began in September 2026, with 11th and 12th grade families informed of the opportunity through Parent Square and email. Students were provided approximately one week to submit an application and a 300-word candidate statement, resulting in 38 completed applications, which were compiled into the candidate statement booklet. Voting was opened to all current high school students through a Google Form posted on Parent Square on September 23rd and concluded on September 30th. There were a total of 206 responses and Adrian Romero won with 11.7% of the votes. His homeroom teacher of the past few years was very excited to be able to announce that he was the winner and he said that , "while he is no expert he is very excited to learn the ropes!".

Along with this action item you will find a breakdown of the voting as well as Adrian’s Candidate Statement.

Rationale (Why is this important and why is this coming to the Board):

Along with the state requirement, CalOPS strongly believes in student and parent involvement at all levels of the school and organization. The opportunity for student input at the Board level of decision making only further aligns with our goals. The preferential vote of the Student Board Member will help inform the Board of the student body's perspective on agenda items as well as allow for the Board to hear directly from a student about what student life at CalOPS is like. In addition, CalOPS staff feels that this experience will also be of great benefit to our CalOPS students, especially those elected annually to fill this position.

Evidence of Due Diligence:

CalOPS staff consulted legal counsel, attended various sessions presented by legal and charter support providers both in person as well as via webinar regarding the passage of this law. As is mentioned above, the High School team communicated with all 11th and 12th grade students and families and held fair and

unbiased elections.

Fiscal Impact: None

Potential Conflicts of Interest: N/A

Recommendation/Board Action:

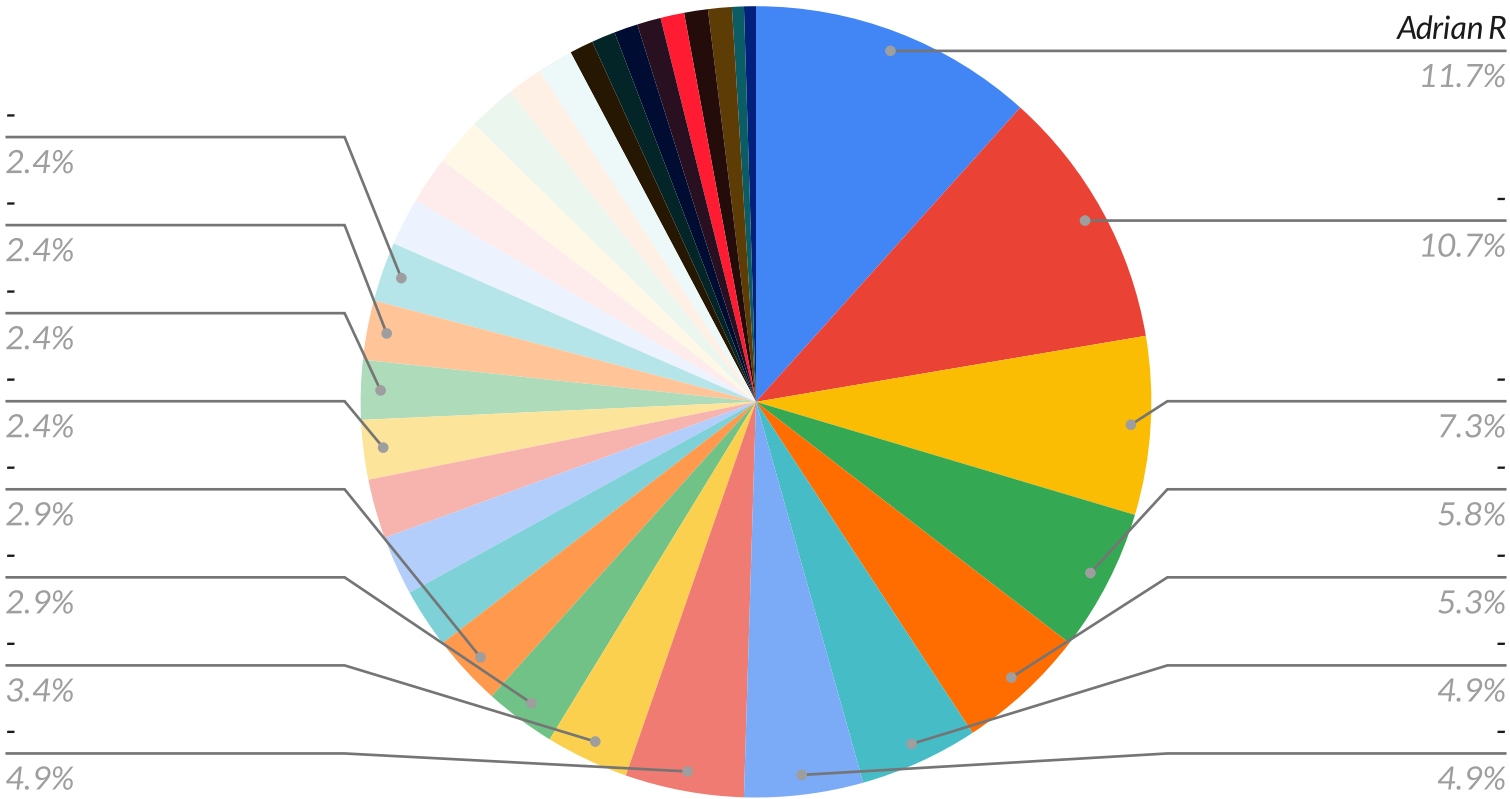

Motion to approve Adrian Romero as the 26/27 CalOPS Student Board Member with a term ending on June 24, 2027.

Adrian R

12th Grade

There are many reasons why I want to be a Student School Board Member. First of all, I would like to get closer to my school community and better understand the structure of our online school. I think that an effective student representative is one that listens carefully to his peers, understands the problems and issues that affect them and helps to make their ideas a reality.

Second, I would like to improve the social interaction within our school. Although, we go to an online school, I think that students need to have opportunities to make friends, connect with their peers and feel like they are members of a community. I would like to encourage and organize more student activities and events that would help them to communicate and interact with each other.

Finally, I would also like to give the students the opportunity to help each other, perhaps as new student peer mentors. That is something that I would have appreciated when I first started at CalOps years ago. Since then, I have become acclimated to the online structure, but I did experience a bit of a culture shock, at first. I sincerely believe that, if I had a mentor to "show me the ropes", I would have had an easier transition into the school.

If elected, I would try to be an accessible and reliable representative that will listen to the students' concerns and ideas and help them to achieve their goals.

SUBJECT: Adoption of Resolution No. 2627-02 Documenting the Closure of California Online Public Schools Southern California

Category (Contract Approval, Policy, Personnel, General Approval. etc.): **General Approval**
Date: 10/13/2026
Reason for Board Consideration (Fiscal Policy, State Requirement, etc.): **State Requirement (Title 5, California Code of Regulations, Section 11962 et seq.)**
Decision Type (Action Item, Information Only, etc.): **Action Item**

Background (Brief Summary of Background Information):
CalOPS operates California Online Public Schools Southern California ("CalOPS Southern California"), a charter school authorized by the Capistrano Unified School District (charter school number 0664; CDS Code 30-66464-0106765). The current charter term runs through June 30, 2027.

Earlier this year, CalOPS was approved for a countywide charter with the Orange County Department of Education (OCDE). All students enrolled in the Southern California region for the 2026-27 school year are enrolled with CalOPS SoCal - OCDE. As discussed with the Board at previous meetings, the Capistrano Unified charter is therefore being closed before the end of its term. The closure is effective September 9, 2026, through voluntary rescission of the charter petition.

Rationale (Why is this important and why is this coming to the Board):
The closure of a charter school must be documented by official action of the governing board. Resolution No. 2627-02 provides that record. It states the effective date of the closure and the reason for it, and confirms that the Board will follow the closure procedures required under the CalOPS Southern California charter, the Charter Schools Act, and Title 5, California Code of Regulations, Section 11962 et seq.

The resolution also identifies Dan Hertzler, Director of Operations, as the person responsible for closure-related activities. The Board has not previously taken action to make this appointment. Adoption of the resolution will therefore serve as the Board's appointment of the Director of Operations to this role, and the recommended motion below states the appointment expressly.

Staff will use the adopted resolution as the formal record of the closure when completing the required closure procedures. Staff will also update the Board regarding these closure procedures at regularly scheduled Board Meetings.

Evidence of Due Diligence:
Resolution No. 2627-02 was drafted by CalOPS legal counsel, Young, Minney & Corr, LLP, and the version presented to the Board is counsel's final version. The decision to close the Capistrano Unified charter has

been discussed with the Board at previous meetings, and all students enrolled in the Southern California region for the 2026-27 school year are enrolled with CalOPS SoCal - OCDE.

Fiscal Impact:
No new budget allocation is requested. Expenses associated with the closure procedures will be paid from cash on hand, as stated in the resolution.

Potential Conflicts of Interest: N/A

Recommendation/Board Action (if applicable):
Staff recommends approval. Motion to adopt Resolution No. 2627-02, documenting the closure of California Online Public Schools Southern California effective September 9, 2026, and appointing Dan Hertzler, Director of Operations, as the person responsible for closure-related activities.

Board Information Memo

SUBJECT: Resolution 2627-03: Establish a District Number for California Online Public Schools - Southern California

Category (Contract Approval, Policy, Personnel, General Approval. etc.): General Approval (Resolution)
Date: 10/13/2026
Reason for Board Consideration (Fiscal Policy, State Requirement, etc.): State and county requirement. The Orange County Department of Education assigns a district number before it can set up the school's treasury account.
Decision Type (Action Item, Information Only, etc.): Action Item

Background (Brief Summary of Background Information):
The Orange County Board of Education approved California Online Public Schools - Southern California as a countywide charter school on June 3, 2026 under Education Code section 47605.6. The school opened July 1, 2026, and received its CDS code, 30 10306 0168369, on September 9, 2026.

Before the Orange County Department of Education (OCDE) can set up a treasury account for the school and send it state funding, it has to assign the school a district number. OCDE has identified District Number A8 for this purpose. This resolution authorizes that assignment.

Rationale (Why is this important and why is this coming to the Board):
The district number is the identifier OCDE uses to track the school in the county financial system. Nothing else can be set up without it. The school's treasury fund attaches to the district number, and funding is routed using it.

This is the first of three resolutions on this agenda that set up the school's banking with the county. Resolution 2627-04 establishes the fund itself, and Resolution 2627-05 authorizes OCDE to release money from it.

OCDE has confirmed that the Board must approve all three resolutions before any funding can come in for the school.

Evidence of Due Diligence:

- The resolution cites the correct authority: Education Code section 47600, the Charter Schools Act of 1996; section 47604, operation as a nonprofit public benefit corporation; and section 47605.6, countywide charter approval.
- The school name, charter number 2185, and CDS code shown on the resolution match the records on file with the Orange County Board of Education and the California Department of Education.

- District Number A8 was provided by OCDE.
- Charter Impact confirmed the order of the three resolutions with OCDE: district number first, then the fund, then the authorization to release funds.

Fiscal Impact:
None. Assigning a district number carries no cost. It is a prerequisite for the school to receive its state and federal funding through the Orange County Treasury.

Potential Conflicts of Interest: N/A

Recommendation/Board Action (if applicable):
Motion to adopt Resolution 2627-03, authorizing the establishment of the California Online Public Schools - Southern California school district for the purpose of assigning District Number A8 by the Orange County Department of Education.

SUBJECT: Resolution 2627-04: Establish a Charter Schools Enterprise Fund for California Online Public Schools - Southern California

Category (Contract Approval, Policy, Personnel, General Approval. etc.): General Approval (Resolution)
Date: 10/13/2026
Reason for Board Consideration (Fiscal Policy, State Requirement, etc.): State requirement. Education Code section 47651 and the California School Accounting Manual provide for this fund.
Decision Type (Action Item, Information Only, etc.): Action Item

Background (Brief Summary of Background Information):
California Online Public Schools - Southern California needs its own fund in the Orange County Treasury to hold the money it receives from the state and federal government. Education Code section 47651(a)(1) and the California School Accounting Manual provide for this type of account, called a Charter Schools Enterprise Fund.

The Orange County Department of Education has identified Fund Number 6262 for the school. The fund attaches to District Number A8, which the Board is asked to approve under Resolution 2627-03 on this agenda.

Rationale (Why is this important and why is this coming to the Board):
Each school in the CalOPS network keeps its money separate. A dedicated fund means the Southern California school's state aid, categorical funding, and lottery money are held and tracked separately, rather than mixed with the other schools in the network. That separation allows the school to be reported on individually, meet the state's accounting requirements, and support a clean audit.

OCDE has confirmed that the Board must approve all three resolutions on this agenda before any funding can come in for the school.

Evidence of Due Diligence:
- The resolution cites Education Code section 47651(a)(1) and the California School Accounting Manual, which are the governing authorities for a Charter Schools Enterprise Fund.
- Fund Number 6262 and its attachment to District Number A8 were both provided by OCDE.
- The fund structure matches how CalOPS holds funds for its previous SoCal Charter.
- The resolution shows the California Public Charter School number, 2185, and the CDS code, 30 10306 0168369, as OCDE requires.

- This resolution should be adopted after Resolution 2627-03, since the fund attaches to the district number established there.

Fiscal Impact:
None. Establishing the fund carries no cost. All of the school's state and federal funding flows through it, so the fund has to exist before any money can be received.

Potential Conflicts of Interest: N/A

Board Information Memo

SUBJECT: Resolution 2627-05: Authorize the Orange County Department of Education to Issue Funds to California Online Public Schools - Southern California

Category (Contract Approval, Policy, Personnel, General Approval. etc.): General Approval (Resolution)
Date: 10/13/2026
Reason for Board Consideration (Fiscal Policy, State Requirement, etc.): County requirement. OCDE needs Board authorization before it can release treasury funds to the school.
Decision Type (Action Item, Information Only, etc.): Action Item

Background (Brief Summary of Background Information):
Money the state sends for California Online Public Schools - Southern California arrives in the Orange County Treasury. The Orange County Department of Education (OCDE) needs the Board's authorization to release it.

This resolution gives that authorization. It covers all public funds received for the school, including Local Control Funding Formula state aid, other state and federal categorical funding, and lottery funds. It directs that the money be sent by electronic funds transfer to the school's bank account, and it names the three employees who may request a withdrawal.

The County Treasurer pays out funds as requested by the school and OCDE.

Once the treasury account is open, money moves two ways. An authorized requester can email OCDE with the amount to be transferred; OCDE checks the cash on hand and sends the funds within two to three business days. Separately, under OCDE's current policy, it clears the treasury cash account to the school's bank account each month, holding back only what is needed to cover CalSTRS.

Rationale (Why is this important and why is this coming to the Board):
Without this authorization, the school's funding sits in the county treasury and cannot be used to pay staff or run the school. This is the last of the three resolutions on this agenda that set up the school's banking with the county.

The resolution also establishes basic financial controls. OCDE will accept transfer requests only from the people named in this resolution, and only three are named: the two Co-Superintendents and the Director of Finance. Adding or changing anyone on that list requires a new Board resolution.

OCDE has confirmed that the Board must approve all three resolutions on this agenda before any funding can come in for the school.

Evidence of Due Diligence:

- The three authorized requesters are Richard Savage, Co-Superintendent; Richie Romero, Co-Superintendent; and LaChelle Carter, Director of Finance. This matches the authorization in place at the other CalOPS schools.
- Funds are released only when OCDE receives public funds with documentation naming the school as the recipient.
- The school's bank account details will be entered on the resolution before it is submitted, along with the voided check or bank letter verifying the wiring instructions that OCDE requires.
- The Board President certifies the Board action and the bank account information as part of the resolution.
- This resolution should be adopted after Resolutions 2627-03 and 2627-04.

Fiscal Impact:
None directly. The resolution does not spend money. It allows money that already belongs to the school to move from the county treasury into the school's bank account. All state and federal funding for the school depends on it.

Potential Conflicts of Interest: N/A

Recommendation/Board Action (if applicable):
Motion to adopt Resolution 2627-05, authorizing the Orange County Department of Education to issue funds to California Online Public Schools - Southern California for all public funds received in the Orange County Treasury for the school, to be transmitted by electronic funds transfer to the school's bank account, and authorizing Richard Savage, Richie Romero, and LaChelle Carter to request withdrawals from the county treasury.

Board Information Memo

SUBJECT: Transition of Life, Disability and Worksite Benefits from MetLife to The Hartford

Category: Contract Approval / Employee Benefits

Date: October 13, 2026

Reason for Board Consideration: Fiscal Impact / Employee Benefits Administration

Decision Type: Action Item

Background

California Online Public Schools conducted a market review of its life, disability, and voluntary worksite benefits in preparation for the 2027 plan year. The review compared the current MetLife renewal with alternative carrier options and evaluated cost, benefit design, rate guarantees, employee impact, and administrative support.

Following the review, The Hartford is recommended as the strongest overall combination of cost, plan design, rate stability, and administrative services. The proposed transition would be effective **February 1, 2027**. Dental and vision coverage are not included in this transition and will remain with MetLife.

a. Contract Term:
Effective February 1, 2027. Hartford provides three-year rate guarantees for Life, Long-Term Disability, worksite benefits, and the leave administration fee, and a two-year rate guarantee for Short-Term Disability.

b. Total Contracted Amount:
Approximately **$278,063 annually**, consisting of:

- $259,730 in CalOPS-paid Life, Short-Term Disability (STD), and Long-Term Disability (LTD) premiums
- Approximately $20,147 annually for Hartford Leave Management and Workplace Solutions, based on the current census of 533 employees at $3.15 per employee per month.

c. Payment Schedule and Amounts:
Premiums and leave administration fees will be paid in accordance with the applicable insurance policies and service agreement.

d. Additional Fees:
Hartford implementation and enrollment are included. A separate Inova benefits administration implementation cost is still to be confirmed.

e. Data Sharing Terms:
Employee eligibility and benefits information necessary to administer insurance coverage, disability claims, leaves of absence, and workplace accommodation services will be provided to The Hartford in accordance with the applicable agreements.

f. Exit Clause:
Subject to the terms of the applicable insurance policies and Hartford Leave Management and Workplace Solutions services agreement.

Rationale

The recommendation provides both financial and operational benefits to CalOPS.

Under the revised MetLife renewal, CalOPS would pay approximately **$345,180 annually** for Life, STD, and LTD coverage. The comparable Hartford premium is approximately **$259,730**, representing annual premium savings of **$85,450, or 24.8%.** After adding Hartford's outsourced leave and ADA administration services, the projected net annual savings to CalOPS are approximately **$67,117, or 19.4%**.

The transition also addresses a growing administrative need. Leave administration, including FMLA, CFRA, Pregnancy Disability Leave, and ADA processes, is currently managed internally. Hartford would provide a single intake and administration model for disability, leave, and ADA matters, providing additional support as the volume and complexity of these processes have increased.

Employees would also receive several benefit improvements, including a higher California STD supplement, reduced premiums for worksite benefits, and additional employee support services. Employee-paid Critical Illness, Accident, and Hospital Indemnity premiums are projected to decrease approximately **36.5%, or $52,265 annually** based on current enrollment.

Evidence of Due Diligence

CalOPS, in partnership with Newfront, conducted a full market review of the current MetLife program. The review evaluated alternative carriers based on premium cost, benefit design, rate guarantees, leave and accommodation administration, employee-paid benefits, and overall service capabilities. The team also met with Mutual of Omaha as well to review their offerings.

The market review determined that The Hartford offered the strongest overall combination of pricing, plan design, multi-year rate guarantees, and administrative support.

RECOMMENDATION TO THE BOARD · EMPLOYEE BENEFITS · EFFECTIVE FEBRUARY 1, 2027

Move life, disability and worksite benefits from MetLife to The Hartford

Lower cost for CalOps and for employees, the same or better coverage, three years of rate certainty, and leave administration taken off HR's desk

$85,450
Annual CalOps premium savings on life, STD and LTD — 24.8% below MetLife's renewal

$67,117
Net annual CalOps savings after adding outsourced leave and ADA administration

$52,265
Annual savings to employees on critical illness, accident and hospital indemnity — 36.5%

3 years
Rate guarantee on life, LTD, worksite lines and the leave fee; 2 years on STD

Why we went to market

- MetLife's renewal held rates flat to slightly lower but offered only 12-month guarantees — every line would be back on the table next year.
- Leave administration (FMLA, CFRA, pregnancy disability, ADA) for 485 employees in 23 states is handled in-house today; the volume and complexity have outgrown the process.
- A full market review confirmed The Hartford as the strongest combination of price, plan design, guarantees and services.

What employees get

- Same basic life benefit (2x earnings to $500,000) and the same voluntary life rates, band for band; child life rate falls 83%.
- California employees receive 15% of earnings on top of State Disability Insurance (10% today); LTD is unchanged at 66⅔% to $11,000 a month.
- Worksite premiums fall 17–50% by tier; accident benefits improve and hospital indemnity adds a $2,000 ICU benefit.
- New services at no cost: EAP counseling, health-care navigation, well-being coaching and bereavement support for families.

What CalOps gets

- $259,730 in CalOps-paid premium, locked for two to three years — no renewal action until 2029.
- One carrier and one intake for disability, leave and ADA: a Hartford team opens the claim and the leave in a single call and manages both.
- Hartford pays the employer share of FICA on disability benefits and handles W-2s for employees on claim.
- A 12-week STD benefit that hands off to LTD on day 91 — continuous income protection at lower cost.

- California employees' STD supplement rises from 10% to 15% of earnings.
- Hospital indemnity: Hartford has been asked to add mental health and substance use confinement, which the current plan covers.
- All other benefit amounts, percentages and waiting periods match today's plan.

Requested action

Approve the transition of basic and voluntary life, AD&D, short- and long-term disability, and critical illness, accident and hospital indemnity coverage from MetLife to The Hartford effective February 1, 2027.

Approve the Hartford Leave Management and Workplace Solutions services agreement at $3.15 per employee per month, to be signed by September 30 for a February 1 go-live.

Budget impact: about $28,000 of savings in the remaining five months of fiscal 2026–27 and approximately $67,000 a year from fiscal 2027–28, with rates fixed through the 2028–29 budget cycle.

Board Information Memo

SUBJECT: Empower 401(k) Plan Audit & Corrections: Approval to Fund Amounts Owed to Employee Accounts

Category (Contract Approval, Policy, Personnel, General Approval. etc.): General Approval (Fiscal)
Date: 10/13/2026
Reason for Board Consideration (Fiscal Policy, State Requirement, etc.): Fiscal. Approval to pay more than $100,000 into employee 401(k) accounts, and compliance with federal retirement plan rules.
Decision Type (Action Item, Information Only, etc.): Action Item

Background (Brief Summary of Background Information):
The Plan's auditor, CliftonLarsonAllen LLP (CLA), audited the California Online Public Schools 401(k) Plan for 2024 and 2025. The Plan started July 1, 2024. CLA sent a draft findings letter on September 28, 2026. It is still marked tentative.

CLA found four problems. Three of them mean money has to move into or out of employee accounts.

1. Medical opt-out stipends were left out of 401(k) pay. Employees who waive medical coverage receive a stipend. Payroll did not count that stipend as pay for 401(k) purposes. As a result, employees contributed less than they had elected and received less employer match than they had earned. The Plan document says the stipend should have counted.
2. Money was withheld from final paychecks but never deposited. Some employees who left CalOPS had 401(k) contributions taken out of an off-cycle final check. That money was never sent to the Plan.
3. The 2024 employer match was calculated over the wrong period. The year-end match calculation used all of calendar year 2024 instead of only July 1 through December 31, 2024, which is when the Plan was actually in place. Several employees were contributing at high rates during those six months, so the Plan paid more match into their accounts than it owed.

Management signed the audit representation letter on October 6, 2026. That letter puts the 2024 match overpayment as an estimated amount over 200k. The amount is not large enough to change the audited financial statements, so the statements will not be redone, but the money still has to be corrected in employee accounts. That is item (c) of the motion below.

The fourth problem is administrative. A former employee was still shown as a contact in Empower's records. CLA confirmed the person had no access and could not act for the Plan. Management is having the listing updated. No Board action is needed on it.

Rationale (Why is this important and why is this coming to the Board):
When CalOPS started its 401(k) Plan in July 2024, the Plan document defined which types of pay count toward retirement contributions. Medical opt-out stipends fall inside that definition, but payroll was never set up to treat them that way. For nearly two years, every employee who received the stipend had both their own contribution and their employer match calculated on a smaller paycheck than the Plan required. The gap was small on any one check and easy to miss, and it went unnoticed until the Plan's first audit.

A few employees who left CalOPS had 401(k) money taken out of a final paycheck that was never deposited, and the Plan's 2024 year-end match was calculated on twelve months of pay when only six months should have counted.

All of these are correctable, and the IRS has a standard program for correcting them. Employees are owed not only the contributions but the investment gains that money would have earned in their accounts, now estimated at $40,000 to $50,000, or roughly 40% on top of the amounts owed. Those gains keep growing until the deposits are made.

Correcting the errors protects the Plan itself. Following the IRS program keeps the Plan's tax-qualified status intact and lets the auditor finish the report that goes with the Plan's annual federal filing.

Management has already fixed the payroll setup that caused the problem and has the correction files with Empower, ready to process. The medical opt-out correction is a single payment of more than $100,000, which is why it comes to the Board. The other items are presented alongside it so the Board can approve the Plan's corrections as one decision rather than in pieces.

Evidence of Due Diligence:
- Every paycheck from July 1, 2024 through May 22, 2026 was reviewed to find each one that included a medical opt-out stipend.
- Each employee's actual contribution rate for each pay date was used, rather than an average or an assumed rate, so every correction matches what that person had elected at the time.
- 132 employees are owed money. Backup schedules were built two ways, by employee and by individual paycheck, and checked against each other and back to payroll.
- The correction follows the IRS standard method. CalOPS adds half of what the employee would have contributed, the full match the employee would have received, and the investment gains on both.
- Empower is calculating the investment gains, since it holds the account records. The preliminary estimate is $40,000 to $50,000.

- The payroll error is now fixed. Medical opt-out stipends have counted as 401(k) pay since the June 10, 2026 paycheck, so nothing new is building up.
- All three correction files are with Empower. The medical opt-out file is waiting on this approval, and the corrected 2024 employee data has been sent for recalculation.
- The audit representation letter signed October 6, 2026 confirms that the withheld paycheck money is disclosed in the financial statements and in the required federal schedules.
- As CLA recommended, management will have the Plan's attorney confirm the correction method before any money moves.
- Going forward, payroll codes will be checked against the Plan document on a set schedule, and the year-end match calculation will be reviewed before it is processed.

Fiscal Impact:
The contribution amounts are final. The investment gains are an estimate from Empower and will be calculated exactly on the day the money is deposited, so approval is requested as a not-to-exceed amount.

What is being paid	**Amount**
1. Money withheld from final paychecks and never deposited (already done)	$2,348.45
2. Medical opt-out stipend correction (waiting on this approval)	$100,844.23
Employer contribution for the deferrals employees missed out on, half of $97,846.75 across 132 employees	*$48,923.37*
Employer match that was not paid	*$51,920.86*
Subtotal, contributions	**$103,192.68**
3. Investment gains owed on items 1 and 2, estimated by Empower through the deposit date	$40,000 to $50,000
Estimated total	**$143,193 to $153,193**
Approval requested, not to exceed	**$160,000**
4. 2024 match overpayment to be recovered (Empower needs 5 to 7 weeks)	Estimated over $200,000

- All of this is paid from unrestricted general funds. No restricted or categorical money is used.

- The medical opt-out correction is a one-time cost covering 23 months of payroll. It will not repeat because the stipend now counts as 401(k) pay.
- Approval is requested as a not-to-exceed amount so that management can pay once Empower finalizes the investment gains, rather than waiting for another Board meeting while those gains keep growing. Management will report what was actually paid and will return to the Board if the final amount exceeds the approval.
- Item 4 should recover an estimated amount of over $200,000 of overpaid match from employee accounts. Federal law generally does not let that money come back to CalOPS as cash. It normally sits in a Plan holding account and is used to reduce future employer contributions or to pay Plan expenses. Management is confirming the treatment and the allowable-use timeline with Empower and the Plan's attorney. Management will report the amount and how it is applied. Some employees may also be owed more match, which would be paid at the same time.
- Audit and professional fees are covered in the existing budget. No budget amendment is needed.

Potential Conflicts of Interest: N/A

Recommendation/Board Action (if applicable):
Motion to authorize management to pay the 401(k) Plan corrections identified in the Plan's audit, in a total amount not to exceed $160,000, consisting of:

a. $2,348.45 in employee contributions that were withheld from final paychecks and never deposited into the Plan;
b. $100,844.23 in employer corrections for leaving medical opt-out stipends out of 401(k) pay, made up of $48,923.37 for the deferrals employees missed out on and $51,920.86 in employer match that was not paid, and the single payment of more than $100,000 needed to fund it; and
c. investment gains on the amounts in (a) and (b), estimated at $40,000 to $50,000, as calculated by Empower through the date the money is deposited.

Management is further authorized to correct the 2024 employer match once Empower completes its recalculation using July 1 through December 31, 2024 pay, including paying any additional match owed to employees and recovering match that was overpaid, in accordance with the Plan document and applicable law.

Management is directed to have the Plan's attorney confirm the correction method before any money moves; to return to the Board if the final amount would be higher than the approval above; and to report back to the Board the amounts actually paid and the amount recovered from the 2024 recalculation and how it is applied.

401(k) Committee
and Management of California Online Public School 401(k)
San Juan Capistrano, California

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of California Online Public School 401(k) (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as of and for the periods ended December 31, 2025 and 2024, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a qualified institution that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Our audit also did not include a consideration of internal control relating to the investment information.

Reportable findings

Reportable findings are items that are not in accordance with the criteria specified (for example, not in accordance with the plan instrument). We consider the following matters to be reportable findings.

Definition of Compensation not Followed

During our audit, we noted that medical opt-out pay was excluded from the calculation of employee deferral and employer matching contributions. According to the Plan document, eligible compensation is defined as federal income tax withholding wages under Internal Revenue Code §3401(a), plus elective deferrals, excluding only taxable income resulting from the exercise of stock options. It is our understanding that medical opt-out pay is subject to federal income tax withholding and, therefore, should be included in eligible compensation for purposes of calculating employee and employer contributions. As a result, participant deferrals and related employer matching contributions may not have been calculated in accordance with the Plan's compensation definition. This could result in participants receiving lower contributions than they were entitled to under the terms of the Plan, potentially creating operational compliance concerns and requiring corrective action.

We recommend that management work with its third-party administrator and ERISA counsel to evaluate the impact of excluding medical opt-out pay from eligible compensation and determine whether any corrective action is necessary, including consideration of whether affected participants experienced missed deferral opportunities or reduced employer matching contributions. Management may also wish to consider whether amending the Plan to specifically exclude medical opt-out pay from eligible compensation would better align the Plan document with its intended administrative practices.

-Tentative Report-
For Discussion Purposes Only
Subject to Revision

Definition of Compensation not Followed (Continued)

Alternatively, if the current treatment is intended to comply with the existing Plan provisions, management should consider updating payroll coding and related procedures to ensure medical opt-out pay is included appropriately in future contribution calculations. Regardless of the approach selected, management should establish a review process to periodically verify that payroll compensation codes are being treated consistently with the definitions contained in the Plan document.

Administrative Access

During audit walkthroughs, we noted that a former employee remained listed as an active contact within Empower's administrative contact listing. Management confirmed that the individual was terminated in February 2026. Based on our review, the former employee appeared to be properly terminated within the Empower system, had no active administrative roles assigned, and last accessed the system on October 8, 2025, prior to their termination. As such, we did not identify evidence that the individual retained active access to the Plan's records or administrative functions. However, because the former employee continued to appear on Empower's administrative contact listing, it could create the appearance that the individual retained authority to interact with Empower on behalf of the Plan or serve as an authorized Plan contact. We recommend that management contact Empower to update its records and remove the terminated employee from all Plan contact and administrative listings. Additionally, management should periodically review authorized user and contact lists maintained by service providers to ensure terminated employees are removed timely and that only current personnel are reflected as authorized Plan representatives.

Timing of Contributions

Department of Labor Regulation 2510.3-102 requires that amounts that participants have withheld from their wages by an employer be contributed to the Plan on the earliest date on which such contributions can reasonably be segregated from the employer's general assets. In any event, employee salary deferrals and loan repayments must be segregated from employer assets no later than the 15th business day of the month following the month in which they would otherwise have been payable to the participant in cash. If an employer does not deposit deferrals into the Plan as soon as they can be reasonably segregated, they are considered to be holding Plan assets. This results in a prohibited transaction (a nonexempt extension of credit between the Plan and a party in interest).

During our audit, we noted that payments to terminated employees outside of normal payroll cycles had 401(k) contributions withheld but were not actually remitted to the trust resulting in missing contributions for certain employees. We recommend that management work to fund the missing amount not remitted and calculate any lost earnings to deposit for the employees. Failure to do so may result in Noncompliance with Department of Labor and prohibited transaction rules.

-Tentative Report-
For Discussion Purposes Only
Subject to Revision

Matching Contribution True-Up Calculation

During our review of the Plan's 2024 employer matching contribution true-up calculation, we noted that the calculation was performed using participants' full calendar-year compensation for the period January 1, 2024 through December 31, 2024. As a result, compensation earned prior to the Plan's effective date of July 1, 2024, was included in the true-up calculation. Because a number of participants elected relatively high deferral percentages during the six-month period the Plan was in effect, the use of full-year compensation resulted in excess employer matching true-up contributions being allocated to participant accounts. This error resulted in employer matching contributions being allocated in a manner that is inconsistent with the terms of the Plan document, potentially leading to overstated participant account balances, additional administrative costs, and the need for corrective action.

We recommend that management work with the Plan's third-party administrator to recalculate the 2024 matching contribution true-up using only participating compensation from July 1, 2024 through December 31, 2024, consistent with the Plan document and evaluate correction of the error with the assistance of ERISA counsel. Management should implement a review control over future matching true-up calculations to ensure compensation definitions, eligibility periods, and other key assumptions are consistent with the Plan's governing provisions before contributions are processed.

We will review the status of these comments during our next audit engagement. We have already discussed many of these comments and suggestions with various plan personnel, and we will be pleased to discuss them in further detail at your convenience, to perform any additional study of these matters, or to assist you in implementing the recommendations.

This communication is intended solely for the information and use of 401(k) Committee, management, and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

Board Information Memo

SUBJECT: Staff Technology Refresh

Category (Contract Approval, Policy, Personnel, General Approval. etc.): General Approval

Date: 10/13/2026

Reason for Board Consideration (Fiscal Policy, State Requirement, etc.): Fiscal Policy

Decision Type (Action Item, Information Only, etc.): Action Item

Background (Brief Summary of Background Information):

CalOPS plans staff technology on a three-year refresh cycle. The first phase was completed in spring 2026 with the Extended Leadership Team. This purchase is the next phase.

This refresh covers 250 employees whose devices the CalOPS technology team identified as the highest priority to replace. The majority are PCs at or nearing three years old, or are assigned to employees with the longest tenure. Each employee will receive a laptop (Dell XPS 16 or Apple MacBook Air), a 32-inch monitor, a wireless keyboard and mouse, and a docking station. The purchase also includes 15 laptops and 10 peripheral packages to be held in stock for future hiring.

Rationale (Why is this important and why is this coming to the Board):

Staff technology is the primary avenue for all work in CalOPS's virtual, remote work environment. A three-year refresh cycle keeps reliable hardware in the hands of staff and allows CalOPS to forecast technology costs.

This purchase is being brought to the Board because it exceeds the $100,000 threshold for Board approval under the CalOPS Fiscal Policy. The purchase is split between two vendors, SoftMSP and Apple, and each is outlined separately below.

Evidence of Due Diligence:

Staff obtained quotes from SoftMSP and STS Education, and compared both against direct education pricing from Dell and Apple.

Laptop selection. CalOPS staff work in a fully virtual environment, where the laptop is the primary tool for every part of the workday. A typical staff member runs Zoom for live instruction and meetings throughout the day while simultaneously working in the student information system, learning platforms, email and other applications. This sustained multitasking places a heavier load on the processor than typical office use.

The Lenovo ThinkPad T16 quoted by STS Education at $2,259.00 uses an 8-core processor, compared to the 16-core processor in the Dell XPS 16 quoted by SoftMSP at $2,975.00. Published benchmarks show the Dell's processor performing roughly 65 to 80 percent faster on multi-core workloads, which is the type of performance that supports running video conferencing alongside multiple applications. The Dell also offers a brighter, higher refresh rate display and independently tested battery life of approximately 27 hours.

Dell direct pricing. Staff also compared SoftMSP's laptop pricing to Dell's direct education pricing for the closest available configuration of the Dell XPS 16, which differs slightly in processor model and memory speed. As of October 6, 2026, Dell's direct price was $2,930.23 per laptop, compared to $2,975.00 from SoftMSP. The difference is $44.77 per laptop, or $8,506.30 across 190 laptops.

The Dell direct price is for a laptop with a standard, unconfigured software image. SoftMSP's price includes loading the CalOPS software image, so each laptop arrives with the required programs installed and ready for staff use. Dell offers custom imaging as an added-cost service, and CalOPS does not currently have that service established with Dell. Imaging the laptops manually would take the CalOPS technology team a few hours per device, or several hundred hours across this purchase.

Monitors and peripherals. The Samsung 32-inch monitor is the same model provided to the Extended Leadership Team in the spring 2026 refresh. Standardizing on a single monitor across staff allows the CalOPS technology team to support, troubleshoot and replace one model. After staff reviewed the STS Education quote, SoftMSP reduced its pricing on the docking station and the keyboard and mouse set.

MacBooks. SoftMSP quoted the 15-inch MacBook Air at $1,951.00 per unit. Apple's direct education price for the same configuration is $1,619.00. Purchasing the 75 MacBooks directly from Apple saves $28,293.00 including tax and fees.

Fiscal Impact:

		Apple total	**$131,210.44**

The combined quoted total is $1,010,774.82. Apple's proposal reflects estimated tax at 7.75 percent. The final rate depends on the delivery location and could be as high as 8.75 percent, which would add $1,214.25. To allow for this difference, staff is requesting approval of not-to-exceed amounts, rounded up to the nearest $1,000.

Vendor	Quoted Total	Tax Allowance	Not to Exceed
SoftMSP	$879,564.38	—	$880,000
Apple	$131,210.44	$1,214.25	$133,000
Total	**$1,010,774.82**	**$1,214.25**	**$1,013,000**

The budget allocates $1,750,000 for capitalized equipment. Spending on staff devices from this allocation totaled $204,800.49 through August 2026. With this purchase at its not-to-exceed amount of $1,013,000, staff device spending would total $1,217,800.49.

Potential Conflicts of Interest: N/A

Recommendation/Board Action (if applicable): Staff recommends approval.

Motion to approve the Staff Technology Refresh purchases as outlined: (1) from SoftMSP in an amount not to exceed $880,000, and (2) from Apple in an amount not to exceed $133,000, for a combined total not to exceed $1,013,000.

Board Information Memo

SUBJECT: Approval of Final Payment to SoftMSP for the RISE Platform

Category (Contract Approval, Policy, Personnel, General Approval. etc.): General Approval
Date: 10/13/2026
Reason for Board Consideration (Fiscal Policy, State Requirement, etc.): Fiscal Policy
Decision Type (Action Item, Information Only, etc.): Action Item

Background (Brief Summary of Background Information):

CalOPS and SoftMSP, LLC have worked together since 2025 on the development of the platform now named RISE. The history of the agreements and Board actions is as follows:

- **May 2025.** CalOPS and SoftMSP signed the original development agreement.
- **November 2025.** The agreement was brought to the Board. The Board approved two outstanding payments to SoftMSP, not to exceed $160,000, and directed staff and SoftMSP to address the payment schedule and certain contract language.
- **December 2025.** A contract amendment was brought to the Board. It set monthly payments of $70,833.33 for the remaining development cost and a one-time $190,000 payment at the start of the support term. The Board did not approve the amendment. Staff proceeded with the monthly payments of $70,833.33, as this was their understanding of the directive based on the Board's communication during the November and December Board meetings.
- **January 2026.** Legal counsel for CalOPS and SoftMSP began negotiations on the agreement.
- **August 11, 2026.** Following those negotiations, staff presented the Settlement Agreement and Release of Claims with SoftMSP, and the Board approved it. Under the approved agreement, maintenance services from May 1, 2026 through April 30, 2028 are included in the contract price. The agreement was signed on August 19 and 25, 2026 by Richard Savage, Co-Superintendent, and Sangar Safi, CEO of SoftMSP.
- **August and September 2026.** Staff worked with SoftMSP and its accounting team to reconcile all outstanding invoices and billing under these agreements.

Rationale (Why is this important and why is this coming to the Board):

With the reconciliation complete, one invoice remains: SoftMSP Invoice No. 1094 for $190,000, due October 31, 2026. This is the remaining balance of the contract price under the Settlement Agreement and Release of Claims approved by the Board on August 11, 2026. The payment exceeds the $100,000 threshold in the CalOPS Fiscal Policy and requires Board approval.

Evidence of Due Diligence:

- The Settlement Agreement and Release of Claims was negotiated between legal counsel for CalOPS and SoftMSP from January through August 2026 and approved by the Board on August 11, 2026.

- Staff and SoftMSP's accounting team reconciled all invoices and payments under the agreements in August and September 2026. The reconciliation confirmed a remaining balance of $190,000, which matches the invoiced amount.

Fiscal Impact:

$190,000, payable to SoftMSP, LLC. This is the final payment of the contract price. Under the agreement, the contract price includes maintenance services for the RISE platform from May 1, 2026 through April 30, 2028, and no separate maintenance fee is owed for that period.

Potential Conflicts of Interest: N/A

Recommendation/Board Action (if applicable):

Staff recommends approval. Motion to approve payment of SoftMSP Invoice No. 1094 in the amount of $190,000, the final payment under the Settlement Agreement and Release of Claims for the RISE platform.
