# Academic: What We Learned and Next Steps

- Working toward refinement of PLC SMART goals
- A continued focus on iReady and MAP data in PLC planning
  - Working toward more data driven SMART goals in all PLCs with a focus on timeframe
  - Goal development is more focussed on iREADY and MAP scores which are in direct correlation with to CAASPP scores
- Continuing PLC meetings twice a month and PLC Lead meetings monthly
- Continued work will ensure that we are planned and prepared for the “verified data” requirement of renewal

# Engagement

Success

## Purpose: CHAMPS student have a history of struggling

To identify our students who are either credit deficient, taking additional courses, or have shown a propensity to struggle academically in order to provide them with additional homeroom support. Generally students are 1 credit or more behind. However, CHAMPS students can struggle without failing or have a history of failing.

### FALL 23/24:

**Number of students:** Gen Ed (297) SPED (105)

**CHAMPS Pass Rate:** 81% of courses passed

**Pre-CHAMPS-** They passed almost 88% of classes!

*Early intervention, conversations, and building confidence/accountability with the 9th graders has been hugely successful.*

### SPRING: 23/24\*:

**Estimated Number of students:** Spring: Gen Ed (416)  
SPED (159)

# Grad Rate: What We Learned and Next Steps

- Continuing our focus on our credit deficient students: late enrollees, homeless youth, etc
- Project Success is going strong and focussing on meeting students needs
  - Identifying students on the bubble
  - encouraging June 2024 grad date and not waiting until summer.
  - Looking closely at our smaller schools to impact grad rate.
- Focus continues on how to keep students on cohort prior to their senior year through CHAMPS and Progress Monitoring Meetings (PMM).
- More discussions in PLCs and Department Meetings surrounding grad rate.

**Thank you all for listening and please reach out at anytime with questions. Have a great evening!**
