At the May 15, 2023 Governance Committee Meeting, the following matters were discussed:

1. Status of vendors - Fourth Sector is conducting their onboarding efforts with regards to serving as our back office provider. They believe that they will be able to incorporate the work previously performed by Ed Tec. Ed Tec has delayed getting the information to Fourth Sector. Indeed, Ed Tec has delayed the Release of Information to Elan as well. Elan will execute a release of the Ed Tec Contract and deliver payment of approximately \$19,000 in order to end the contract. It is our understanding that Ed Tec is setting up a meeting with Fourth Sector in order to coordinate the transfer.
2. The Governance Committee has reviewed the Finance Committee's recommendations that we select the Daigrepont Firm to perform our CPA/auditing services. This will be presented to the Board at the May meeting and for vote.
3. The janitorial and food services vendors will remain the same. Transportation remains in limbo, although it appears that we will be likely end our contract with First Student to serve as our transportation vendor, in light of the poor service that we

received from them, and will consider Knowledge Transportation, who responded to our RFP.

4. The draft 2023-2024 budget is almost complete. We have posted the Notice in The Advocate. We will discuss the budget at the May meeting, and vote on same at the June meeting. Much of what remains is simply putting numbers to salaries. There may be some position reorganization, but the foundation of the organizational structure is in place.
5. Head of School Evaluation - we have drafted the Head of School Evaluation and will circulate same for consideration, review and vote at the May meeting.
6. Board Succession Plan - we are circulating the draft Board Succession Plan for vote at the May meeting.
7. Board Recruitment Efforts - Our Board Recruitment Efforts have been slow. Our outreach has not produced any response. We will now send out form letters to the roster of potential candidates that we received from Caroline Roemer with LAPCS.

With that, the meeting adjourned at 5:25pm.

The board **VOTED** unanimously to approve the motion.
