Governance Committee report was delivered

The Governance Committee Meeting commenced on February 28, 2024 at 5:08 p.m. In attendance were Darren Patin, chair and Jeremy Thibodeaux, along with Dr. Melanie Askew Clark.

The following matters were discussed:

Vendor status: The food service vendors are not providing the salad bar, as promised to the faculty. There is also concern with regards to the size of the portions. Dr. Clark is scheduling a meeting with the vendor in order to discuss same.

Janitorial vendor is continuing to perform satisfactorily and within expectations.

The transportation vendor is proving to be expensive, although the GPS service is of benefit to the parents. There appears to be a communication issue with regards to the arrival and departure of the vehicles that needs to be addressed. There have not been a lot of later arrivals, however. There are also two referrals/disciplinary issues involving students, one of which involved a fight and the other is just simply failure to abide by the directions of the drivers.

The lawn vendor is not providing the best service. They have also not repaired a broken window. We are looking to replace the lawn service.

Facility status – The basketball court and playground are completed. Seeds have been spread along the yard. There is a backflow tapper issue that needs to be fixed. Estimates have been requested. There is also a leaking urinal.

Status of litigation – There is no news with regards to any pending litigation.

Board recruitment efforts – We have reached out to LACPS to see if they can provide us with an updated graduates list so we can explore board member recruitment. We have also asked Dr. Clark to reach out to the parents within the Momentum organization to see if anyone would be interested in serving as a parent representative.

Other matters – We discussed the budget surplus and savings balance as we move into the 24-25 school year. This is particularly so as the school is considering changing the teaching model to a director-focused model.

Motion to approve Governance Committee report was offered by Dr. Green, Seconded by Gary Briggs, and approved unanimously

VII. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 6:25 PM.

Respectfully Submitted,
J. Thibodeaux
