Further coaching will be available to students. 40-50 students are in person with the remainder online where attendance is more challenged. The hybrid model is meant to help families have flexibility, but with parents heading back to work, students are now less accountable so there will be an effort to get more scholars back in person

B. Enrollment

Baionne gave an update on enrollment (162 students). RVLA is working on re-enrollment (42) and recruitment (82 applicants, 122 interested parties for elementary school)

C. Human Capital

Chastity gave an update on human capital. Three people were hired to fill in as an operations assistant, part time recruiter, and after school program assistant. Two open spots for a special education teacher and a Dean of Community Engagement for recruiting

D. Finance Update

Chastity walked through February results. 2021 audit timeline will include an April agenda item for a board vote
