**Chief Carr:** I will follow-up to see if there is any data analysis in reference to your question.

**J. Worles:** We can definitely reach out to Principal Henderson or more so Chief Brooks, to get insight on their drop. I'm sure she has that context as to why we have a gap with the high school. We will follow up via email to the entire committee with that [information](#).

**Board Chair Davis:** Is KIPP paying attention to the attendance and at what point does that affect our financial standing?
