- Howell Campus Window Replacements

QUESTION:

Committee Member Sweet: KMPS was only able to complete a partial for the Howell Campus Window Replacements because of lack of funding. How much will it cost to complete the remaining windows?

Chief Phillips: Will get back to the committee with the exact amount of funds it will take to complete the Howell Campus windows.

- Howell Campus Innovative Schools STEM Labs. Three STEM Labs were completed due to the Innovative Grant funds received, Engineering, 3-D Printing and Agriculture Bio Lab

B. Facilities Updates

Important Ops and Facilities Bids and Request for Proposals:

- Vendor Selection & Info Ahead
 - **Universal Security-** Starting 08/28/2023 Universal Security began providing security services for the 23/24 school year, by way of contract piggyback with MSCS.
 - **GoToMeeting-** Effective August 18, 2023 Zoom Accounts have been phased out in place of GoToMeeting, the current provider of phone services.

QUESTION:

Committee Chair Anderson: Were there any security concerns or issues with the GoTo Meeting platform versus the Zoom?

Chief Phillips: No. The GoTo Meeting Platform provided the same level of security.

Committee Chair Anderson: Did GoTo Meeting Platform provide KMPS with any other customers or local businesses that use the platform?

Chief Phillips: Will have to check if any local businesses are using it. GoTo Meeting is a nationally recognized application for virtual meeting platforms.

Committee Member Sweet: Is the GoTo Meeting platform free with KMPS current phone service?

Chief Phillips: Yes, the service is free with the current telephone system.

III. Closing Items
