## **From the Board**

Mr. Brown expressed that he was happy to be in attendance.

Mr. Bañuelos welcomed Mr. Brown. He also thanked all Da Vinci teachers, and shared that his son Eric will be attending UC Santa Barbara in the Fall. Mr. Bañuelos also expressed his pride in the work and contributions of the FRC team, winners of the World Championships. Mr. Bañuelos spoke of anticipating the Wiseburn Unified School District's Board's settlement and closeout of Phase Two of the project at 201 N. Douglas, and their consideration of a loan to complete the soccer field at 201 N. Douglas.

Dr. Brann spoke of the FRC team and the support they received from Da Vinci staff, faculty and Northrop Grumman engineers.

Dr. Brann also spoke of the visit of Col. Ann Igl to the 201 N. Douglas campus. Col Igl is the commander of the L.A. Air Force Base.

B. Meath arrived.

## **B. From the CEO**

Dr. Wunder introduced Dr. Jennifer Hawn, who will be heading the human resources department beginning in the 2019-20 school year.

Dr. Wunder spoke with appreciation of Ms. Carla Levenson who has been working to secure a \$1.6MM grant.

He also spoke of the New Board Member Selection process: 1) The board discusses the position; 2) develop online application; 3) push out call for applicants via Constant Contact database; 4) form subcommittee to evaluate applications; 5) interview top three candidates; 6) involve WUSD throughout.

## **C. Discussion: Board Retreat**

Thursday, August 8, 2019 is the date that most respondents have indicated they can attend. The meeting would be an all-day (8 a.m to 5 p.m.) event held within the district. Dr. Wunder suggested hiring a facilitator to run the meeting.

Mr. Brown asked if the date would allow enough time for the site administration and Central Office to implement suggestions for the 2019-20 school year. Dr. Wunder responded that the site administrators begin working on the next year's planning in January, so certain items may not be changeable.

The date was finalized; Dr. Brann volunteered to assist in securing a venue.

## **D.**

### **Presentation: Administrative Hiring Process**

Mr. Steve Wallis and Dr. Scott Weatherford gave a presentation on the administrative leader hiring process. There were two hiring symposiums held: the first was for internal candidates, and the second was for external candidates. The applicants were scored based on a rubric created by the principals, Dr. Wunder, Mr. Bravo, and Ms. Saldaña-Bautista. During each symposium, candidates met with parents, site administrators, and the CMO. At each meeting, the candidates participated in an activity or were given a scenario and had to respond with a course of action and their reasoning. Exit interviews were held with all candidates. Dr. Wunder met with the principals, Ms. Yolanda Saldaña-Bautista, and Mr. Vicente Bravo where it was determined that they had qualified candidates, and a third symposium was unnecessary.

Ms. Morgan asked clarifying questions. Mr. Brown shared that the process makes sense to him, and the key is having the resumes and candidates scored by so many people. Dr. Brann expressed appreciation for the caring people who worked on hiring.

### **E. Financial Update**

Mr. Mayotte and Dr. Wunder presented the financial update.

Mr. Mayotte gave some projections for the end of the year, saying that he anticipates a positive net income compared to previous projections.

Regarding the previously Board-approved line of credit, the banker moved from Pacific Premier to Banc of California; Mr. Mayotte will try to secure the line of credit with the new bank, citing a good relationship with the banker who moved, which could be beneficial in the future with other financial issues.

The May Revise was presented:

- The Governor's May Revise contains a 3.26% COLA. Da Vinci has invested \$7.2MM in the 201 N. Douglas campus
- The STRS employer contribution will be reduced for the next two years.
- The other changes will have a minimal effect on Da Vinci Schools.

50% Rule spending guardrail - potentially to be presented for Board approval in June. Site administrators would be responsible for keeping the total costs of teachers, counselors, academic coaches, stipends, and office personnel at or under 50% (excluding benefits and shared-across-all-campus costs).

Dr. Wunder spoke of the Da Vinci Schools Fund, which will separate the costs of fundraising from the Da Vinci budget.

#### D. Authorize CFO to Execute Public Agency Retirement Services (PARS) Setup and Plans

Public Agency Retirement System (PARS), is a defined-benefit plan. The savings (about \$42K) from the PARS program for part-time employees would help fund an increase in

Da Vinci's contribution to the 457 retirement plan of classified staff. El Segundo Unified, LAUSD, etc. also use PARS. Da Vinci does not participate in PERS. Da Vinci Schools retains about 120 part-time employees.

J. Morgan made a motion to approve authorizing the CFO to execute Public Agency Retirement Services (PARS) Setup and Plans.

K. Brown seconded the motion.

The board **VOTED** unanimously to approve the motion.

**E. Approve First Note Finance to Apply for a 0% Loan from the California Energy Commission for DV.**

Mr. Mayotte spoke of the May 31 deadline to apply for the 0% loan (there is a 6.5% finance fee, resulting in about \$200K in fees for a \$3MM project). Mr. Bañuelos had recommended meeting with solar company Engie. Engie could install a parking lot project or a rooftop solution; either would result in providing 60% of the campus' energy. Payback would be expected in 13 years, including fees. There would be no out-of-pocket costs to Da Vinci Schools; the payment structure will be based on DV savings per year. Engie also presented a purchase plan agreement, where Engie would take the tax credit in return for installing a solar energy system. There would be a 28 year period where Da Vinci would see a small savings. The difference between the 0% loan and the purchase plan is \$1.3MM.

Dr. Wunder clarified that the item before the Board is for the loan, not for picking which solution to pursue.

Dr. Brann spoke of needing the Wiseburn Board's approval, as either plan would require a physical change to the campus buildings. Mr. Bañuelos shared that Mr. Mayotte had sent the District documentation for the options.

R. Bañuelos made a motion to approve having First Note Finance apply for a 0% loan from the California Energy Commission on behalf of Da Vinci Schools.

J. Morgan seconded the motion.

The board **VOTED** unanimously to approve the motion.

**F. Approve the 2019-20 Teacher & Counselor Salary Table**

Discussion on teacher and counselor salaries ensued. Da Vinci is comparable to other charter schools at the end of the salary tables, but lower than other schools in the first 10 years.

Mr. Bañuelos asked if waiting for the June subcommittee meeting would create an issue for these items and the forecast. Mr. Mayotte explained that hiring and open enrollment currently occurring were creating a time constraint.

B. Meath made a motion to approve the 2019-20 Teacher and Counselor Salary Table.

J. Morgan seconded the motion.

The board **VOTED** unanimously to approve the motion.

**G.**

### **Approve the Employer Contributions to Medical Benefits and the Opt-Out**

Discussion ensued on the cost of medical benefits. The rate locked for about 18 months because Da Vinci is attempting to move from a July 1 start to a Jan. 1 start. The insurance firm, Charter Life, pools about 36 charter schools together to negotiate better rates.

Dr. Wunder mentioned the policy in the student handbook, saying that this item is a Board policy, as opposed to a site policy.

Dr. Brann objected to the dress code.
