Da Vinci Schools Board Meeting

Date and Time

Wednesday February 19, 2020 at 7:30 AM

Da Vinci Schools ("DV") welcomes your participation at its Board meetings. The purpose of a public meeting of the Board of Directors ("Board") is to conduct the affairs of DV in public. Your participation assures us of continuing community interest in our schools. To assist you in speaking/participating in our meetings, the following guidelines are provided:

1. Agendas are available to all audience members at the door to the meeting.
 2. "Request to Speak" forms are available to all audience members who wish to speak on any agenda items or under the general category of "Public Comments," which is time set aside for members of the audience to raise issues not specifically on the agenda. However, due to public meeting laws, the Board can only listen to your issue, not respond or take action. These presentations are limited to three (3) minutes and total time allotted to non-agenda items will not exceed fifteen (15) minutes. Non-English speakers who use a translator shall have six (6) minutes in which to address the Board.
 3. The Board may give direction to staff to respond to your concern or you may be offered the option of returning with a citizen-requested item.
 4. The chair will recognize such individuals who wish to speak on a specific agenda item at the appropriate time. When addressing the Board, speakers are requested to adhere to the time limits set forth, and to not repeat remarks made by those who preceded them.
 5. Any public records relating to an agenda item for an open session of the Board which are distributed to all, or a majority of all, of the Board members shall be available for public inspection at 201 N. Douglas Street, El Segundo, CA 90245, during Business Office operating hours.

The agenda and documents in the agenda packet will be made available, if requested, in appropriate alternative formats to any person with a disability as required by the ADA, 42 USC section 12132, and the federal rules and regulations adopted in implementation thereof. To request a disability-related modification or accommodation, including auxiliary aids or services, you must contact Alison Wohlwerth at 310-725-5800 at least 48 hours before a regular meeting, and at least 12 hours before a special meeting. D. Financial Update

Mr. Mayotte spoke of the enrollment and ADA trends between P1 and P2. Attrition has been lower this year, which resulted in better ADA.

He shared that he believes net income will be about \$1MM at the end of the fiscal year.

20-25% of the school's income is received at the end of the fiscal year. Mr. Mayotte believes this year's "catch up" funding will be close to \$1.6MM.

Mr. Mora asked about the reserves and line of credit. He would like to start with zero reserves and look at the schools' status at the present time, not the past, and would like to know the monthly cost of the loan.

Mr. Mayotte explained why net income can fluctuate, citing varied year-to-year differences in fundraising, outside service costs such as substitute teachers, and delayed invoices.

Summary of Improvements:

Unduplicated pupil Percentage (UPP) improved

Changes in SELPA membership

ADA improvement

Reductions in supplies spending
