II. Action Item(s)

A. Approve Delivery Method for CTE Studio

Nancy Bartolo, Project Manager, spoke of the Lease/Lease Back delivery method, where the owner is allowed to select the general contractor from a pool of those that submit an RFP. The owner is able to negotiate the cost of the project (through a GMP, or guaranteed maximum price) and include a contingency to allow changes. Using a general contractor eliminates multiple subcontractors and risk for the owner. Under an open book financial approach with the contractor, monies left over are returned back to the owner. Ms. Bartolo noted that more school districts are using the Lease/Lease Back approach, as it lowers risk and potentially reduces cost.

Mr. Bravo commented that Wiseburn Unified has also used the method in the past, which should help the process along so that it's ready to go by October 1st.

D. Brann made a motion to approve the delivery method of the CTE Studio to be Lease/Lease Back with a guaranteed maximum price (GMP) which will be determined by the owner and contractor through the bidding process.

J. Webber seconded the motion.

The board **VOTED** unanimously to approve the motion.
