Dr. Jo Webber thanked the Wiseburn Board members for their time in attempting to work through the issues. She also thanked the public for coming out and giving their ideas. She noted the State testing that Da Vinci students had just completed, POLs given by Connect 6th graders, the Connect talent show, and upcoming graduation ceremonies.

Mr. Brian Meath shared his amazement that the school year was almost complete. He is hopeful that the issues with Wiseburn can be resolved.

Mr. Derrick Boston thanked the public for their comments, saying that comments are welcome at any time. He noted that Da Vinci Schools is on the record in support of Wiseburn Unified School District's creation of a public high school. He commended Dr. Webber and Mr. Santiago in working with the District toward a resolution of the issue that will not take up legal fees and time.

Dr. Don Brann also thanked the public for their input, welcoming the public to continue attending board meetings. He noted that Da Vinci Schools aims to serve everyone, Wiseburn resident or not.

**B. From the CEO/Superintendent**

None

**C. From the COO/Deputy Superintendent**

Dr. Hawn spoke of the success of the first-ever Wiseburn Da Vinci Choir Concert.

She also shared that this is the last board meeting of the year for the Student Board Members. She thanked them all, and wished the senior members well as they go off to college.

**D. Student Board Member Update**

Ms. Emma Enriquez, Senior at Da Vinci Science, thanked the student board members, Dr. Hawn, Dr. Wunder, and the trustees, and spoke of her appreciation for the opportunity to be a Student Board member and coordinator.

She then gave the update for Da Vinci Science, sharing the May 1, 2023 Decision Day event for graduating seniors, AAPI Community Dialogue, Senior Awards Night, Teacher

Appreciation Week, ice skating field trip, Mental Health Awareness events, projects, and Presentations of Learning (POLs).

Mr. Alvin Liu, a Senior at Da Vinci Communications, gave his final update, noting the End of Ramadan potluck, College & Career Signing Day, Prom, Teacher & Staff Appreciation week, movie night, Friendship Club's Awards ceremony, DECA end of year ceremony, Northrop Grumman's High School Involvement Partnership (HIP) Program Showcase and Senior Awards Night.

He thanked Emma Enriquez, Daniela Torres, and Da Vinci Schools for the opportunity to participate as a Student Board Member.

Mr. Santiago commented that he'd known Emma Enriquez since she was a lot younger, having been her softball coach, and that he was proud of her.

Dr. Brann called a 10-minute recess at 7:40 p.m.

## **E. Financial Update**

Meeting resumed at 7:50 p.m.

Mr. Amato gave the financial update, sharing the Balance Sheet and Profit & Loss reports. Because of higher Hold Harmless funding, grant funding will be used in the future. Mr. Amato is working on the 2023-24 budget, which will be presented to the Board at the next meeting.

Brief discussion on P&L and ERC funding ensued.

Mr. Amato also spoke of the Governor's May Revision, saying that the strong COLA of 8.22% and increased enrollment at Connect will balance the decrease in one-time State and Federal funds. The State did decrease one-time grants that had already been announced, however the cuts will not affect Da Vinci's position.

Mr. Amato went on to explain the Banc of California line of credit renewal and extension; the Banc is a bit behind in their renewal process, so they are asking for approval of an extension of the current credit terms. Da Vinci will bring the renewal to the next board meeting.

Chartwells has been selected as Da Vinci's food service vendor. Other vendors declined to bid because Da Vinci does not have an in-house kitchen. Da Vinci has received grants totaling approximately \$600K towards a kitchen. Dr. Wunder pointed out that thanks to Wiseburn, Chartwells uses Dana Middle School's kitchen. Mr. Amato noted that some equipment has been purchased to help Chartwells continue to serve Da Vinci students. Brief discussion ensued on the Federal requirements which school meal providers must follow and completing a kitchen.

#### **F. Facilities Update**

Mr. Vicente Bravo gave the update, sharing that the Coffee Bar has been up and running, and that the Entrepreneurial Pathway teachers and Futures teachers will partner with Chartwells to include students in the café in the Fall.

Da Vinci hosted Project Lead the Way's summer STEM event last year, and will do so again this year. Other on-campus summer happenings include UCLA Math Project, summer camps, and summer school.

Graduation ceremonies will be held on June 7, 8, and 9: Connect High and RISE High on June 7 at 4 and 6:30 p.m.; Design on June 8 at 9 a.m.; Communications at 1 p.m.; Science at 5 p.m.; and Connect TK-8 on June 9 at 1 p.m.
