**E. Operations Update**

Mr. Bravo noted the rental fees for the soccer field at the 201 N. Douglas St. campus were being presented for Board approval. There will be three turf fields in the Wiseburn-Da Vinci ecosystem once the field at 139th Street is completed, the field at the Del Aire School will be renovated. After discussions with Wiseburn and an assessment of the surrounding area facilities, the fee of \$150 for nonprofits and \$300 for market cost per hour was determined.

The new field rates will be instituted on August 25, 2025.

Mr. Bravo shared that the other facilities rental fees are more complicated, and he plans to bring those to the Board at the next meeting. A possible 3% increase of other facilities rental fees is being considered.

Mr. Boston inquired about personnel fees. Mr. Bravo clarified that rates for staffing involved in facilities rentals (custodial, safety, IT, etc.) might remain the same as before. We are working with our CPO to determine if any increases are warranted.

Regarding the kitchen, the architectural firm is still waiting for DSA response as of July. DSA's structural engineer had one question on the cafe, to which the architectural firm responded. Once DSA approval is received, the project will go out to bid. Mr. Bravo anticipates about a month or month-and-a-half of work . All work on the cafe will be undertaken at times that will not impact students.

The Connect TK-8 summer construction project work is anticipated to be completed on time. The field's sprinkler systems are being fine-tuned, and the grass will be allowed to take hold. Construction is taking place for Wiseburn Unified School District's Success Learning Center at the back of the Del Aire campus. Mr. Bravo expects Connect TK-8 will be able to access the back of their campus to use the new lunch and play area and tend to the garden by the start of school when students return. Access to the new grass area for play will need to wait until the 3-month period has passed for the roots to take hold, sometime around late October/early November.
