## **Financial Update**

The financial update for July showed a high cash balance of \$1.85 million, with Michael explaining that this was temporary and would decrease as funds are spent. He noted that accounts receivable was \$490,000 and deferred revenue was \$840,000, representing grant funding for future years. Michael also discussed the current enrollment situation, stating that while it was falling short of budget, the organization had extra funding available to cover any gaps in 25-26, though this would create challenges for future years. Board members suggested holding a coffee or open house event to increase enrollment, and Michael confirmed that grant writing was an option, mentioning the CalCRG and Elevate Youth grants as potential sources of funding.
