#### **Rudolf Steiner, Motto of Social Ethics, 1920 (at end of first full year of first Waldorf School founded 1919)**

The healing social life is found when in the mirror of each human being the whole community finds its reflection, and when in the community the strength of each one is living.

La vida social saludable se encuentra cuando en el espejo de cada ser humano la comunidad entera se encuentra reflejada y en la comunidad vive la virtud de cada uno.
