

**OAKLAND ENROLLS
MEMORANDUM OF UNDERSTANDING
FOR PARTICIPATING CHARTER PARTNERS
(2023-2024 School Year)**

This **Memorandum of Understanding** (“**MOU**”) is entered into by [Community School for Creative Education] (“**Charter Partner**”) and Oakland Enrolls, a California Nonprofit Public Benefit Corporation, effective August 1, 2023 (“**Effective Date**”) Charter Partner and Oakland Enrolls are sometimes referred to in this MOU individually as “**Party**” and together as “**Parties.**”

BACKGROUND

Oakland Enrolls is responsible for the Oakland Enrolls common charter application. Prior to the Oakland Enrolls common charter application, a fragmented system of school enrollment existed in Oakland, making it difficult for families to navigate the public-school enrollment process. The Oakland Enrolls common charter application aims to address this problem, in collaboration with schools and other stakeholders, by providing a simplified enrollment process, where families can use a single platform to fill out one application for charter schools, applying to multiple schools at once. Charter Partner wishes to participate in this Oakland Enrolls common charter application, in order to enhance school choice, make the process for families easier, and share data to gain more insight into application and enrollment trends in Oakland. Therefore, in exchange for good and valuable consideration, the Parties agree as follows:

RIGHTS AND RESPONSIBILITIES

1. Description of Oakland Enrolls common charter application.

a. ***Timeline*** – Charter Partners participating in the city-wide charter enrollment system will follow the following timeline for the 2023 - 2024 School Year (“**SY**”), in service of preparing for the 2024 - 2025 enrollment year. The timeline is subject to change at the discretion of Oakland Enrolls, and Charter Partner will be required to follow any changes implemented by Oakland Enrolls:

Oakland Enrolls' standard messaging gives families 10 business days to accept an offer, but schools may choose to use their own messaging and timeline..

c. Data Sharing Features – The Oakland Enrolls common charter application involves and requires data sharing related to applications, enrollments, transfers, waitlists, and accepted offers, as follows:

- i. By the start of December 2023, Charter Partner will share their Fall 1 Submission CALPADS 8.1 Student Profile List as of October 2023;

Furthermore, Charter Partner represents and warrants that it has the requisite consents and is allowed under FERPA, and other applicable laws, to assign Student Profile Data with Oakland Enrolls that Oakland Enrolls would then share with third parties for research purposes. Purpose: Describe the optional services offered by Oakland Enrolls in more detail

1. 1:1 Operations Training to onboard and train new school administrators (varies): \$4,000

Oakland Enrolls will provide a series of 1:1 Operations Trainings for new school administrators that include the following:

- Oakland Enrolls overview - policies, context for school, cadence of meetings/communications (30 minutes)
- SchoolMint basics - navigating, application index, etc. (60 minutes)
- Lottery overview - setting up lottery, practice in Sandbox, open seats, validating priorities (60 minutes)

2. On-Time Applications Operations Support (Nov 2023 - Feb 2024) \$4,000

Oakland Enrolls creates an On-Time enrollment operations plan and completes the plan in partnership with school staff. Includes:

- Weekly report to school with summary of: number of new applications, number of canceled applications, aggregated applicant demographics (race/ethnicity and region), analysis of type of priorities of applicants, and analysis of time/date of application

- Sending suggested messaging
- Tracking of success of messages (how many received/bounced, etc.) for follow up
- Phone outreach to families who applied to let them know of upcoming tours, events, etc.
- Phone outreach to follow up with school tour/event attendees to help them apply

Basically, this service would take the day-to-day application management off of your hands up until the lottery. This would also include answering school-specific questions from families (though this shouldn't take the place of families interacting with the school specifically).

Schools would need to:

- Confirm application questions in accordance with lottery
- Have the ability to help families apply who walk in to their school
- Work with Oakland Enrolls to build timelines around when communications should go out, to whom, what they should say (though OE would execute these)

3. Late Applications Operations Support (Feb - June 2024) \$3,500 per school

Oakland Enrolls creates an Late enrollment operations plan and completes the plan in partnership with school staff. Includes:

- Weekly report to school with summary of: number of new applications, number of canceled applications, aggregated applicant demographics (race/ethnicity and region), analysis of type of priorities of applicants, and analysis of time/date of application

- Tracking of success of messages (how many received/bounced, etc.) for follow up
- Phone outreach to families who applied to let them know of upcoming tours, events, etc.
- Phone outreach to follow up with school tour/event attendees to help them apply

Basically, this service would take the day-to-day application management off of your hands up after the lottery. This would also include answering school-specific questions from families (though this shouldn't take the place of families interacting with the school specifically).

Schools would need to:

- Have the ability to help families apply who walk in to their school
- Work with Oakland Enrolls to build timelines around when communications should go out, to whom, what they should say (though OE would execute these)

4. Custom Outreach & Marketing Plan and Support (Sept 2023 - April 2024) \$4,000 - \$12,000 depending on level of service.

Oakland Enrolls partners with schools to review and develop a custom outreach and marketing plan that schools will execute.

The most intensive version includes:

- One-on-one strategic planning session with historical school data to help school come up with individualized marketing plan (setting goals, strategies, tactics, and tracking metrics)
- Creation of calendar of social media posts and communications outreach
- Calendar of events throughout Oakland where school can attend

- Template for tracking outreach and marketing metrics and progress
- Graphic design support for marketing materials
- Translation services for marketing materials
- Support planning an options fair or other enrollment event at the school
- Recommended tactical/strategy changes throughout the enrollment season based on tracked metrics

The lighter version includes:

- One-on-one strategic planning session with historical school data to help school come up with individualized marketing plan (setting goals, strategies, tactics, and tracking metrics)
- Creation of calendar of social media posts and communications outreach
- Calendar of events throughout Oakland where school can attend
- Template for tracking event attendance
- Template for tracking outreach and marketing metrics and progress
- Recommended tactical/strategy changes throughout the enrollment season based on tracked metrics

Oakland Enrolls will not be marketing or distributing school-specific collateral during our outreach events or to families who come to Oakland Enrolls support center.

Schools would need to:

- Have an outreach point person with whom Oakland Enrolls can work and who can execute the marketing plan
- Conduct their own outreach activities such as attending school options fairs and community events on behalf of the school
- Track their progress toward goals and metrics
- Manage their own websites, social media channels, etc.
- Send/distribute their own communications to families (emails, text messages, mailers, flyers, etc.)
- Pay for all costs associated with running an event (facility, food, materials, technology, childcare, etc.)
- Pay for printing marketing materials that are produced for the school

3. Graphic Design Support (varies) \$5,000 - \$8,000 depending on level of service.

Oakland Enrolls partners with a graphic design vendor and Charter Partner to aid in Charter Partner's marketing efforts. Detailed packages are available upon request.

4. Custom Data Reports (varies) \$4,000

Oakland Enrolls will create custom data reports during On Time enrollment, as well as Late enrollment. Oakland Enrolls will partner with schools to determine whether there are additional reports they would like to see that we can produce.

Examples of reports:

1. Current Students Activity
2. Demand Report

5. Managing Ongoing Offers (Mar - Jun 2024) \$5,000

Oakland Enrolls partners with a school to set up a process for managing Offers, Rescinds, Waitlist Confirmations, etc. through the end of the school year. Includes:

- Weekly report to school with summary of: number of new applications, number of canceled applications, number of new accepts, status of registering students (if using SM registration), aggregated applicant demographics (race/ethnicity and region), analysis of type of priorities of applicants, and analysis of time/date of application
- Making/rescinding offers based on school's enrollment strategy
- Suggested messaging content and frequency for applicants in various application statuses, and execution of sending messaging
 - Ex: sending messaging to accepted students to outline registration process, sending messaging to offered students to let them know about orientation/events, etc.
- Tracking of success of messages (how many received/bounced, etc.) for follow up
- Follow up by phone with families with pending offers to make sure they're aware and help take action

Oakland Enrolls would also field school-specific registration questions (but would not include supporting families over the phone or in person) about the registration process. Oakland Enrolls runs this process, which goes up until the registration process.

Schools would need to:

- Run their lottery
- Work with Oakland Enrolls to build timelines around when communications should go out, to whom, what they should say (though OE would execute these)
- Work with Oakland Enrolls to determine how many offers should be made (though OE would execute)
- Be able to answer family questions when they call
- Be able to support their families through the entire registration process by phone or in person
