VIII. PARTNERSHIP STAFFING

Our work as partners represents our shared commitment to improving educational opportunity for those who have traditionally be excluded. We recognize that our staff are our greatest asset in our ability to make a substantial contribution to the students, families, schools and communities we serve. To deliver the highest quality services to our school/district partners, we make a substantial upfront and ongoing investment to building the knowledge, skills, and professional practice of each of our staff. We have developed pipeline programs to identify, recruit and train talented individuals into areas facing critical staffing shortages across the state and operate our Institute for Advanced Practice to provide ongoing training on best practice in the fields of special education and mental health. We believe that this commitment to quality is, in part, what has drawn you to choose us as partners in this work.

To ensure our ongoing capacity to provide high quality services to our school/district partners, we rely on the retention of the staff in whom we have invested. As such, during the term of this Agreement and for one year following the termination of this Agreement, we ask that school/district partners not hire, nor solicit for hire, either directly or indirectly, any of Seneca's employees or contractors who have rendered services to the school on behalf of this Agreement. As your partners, Seneca will not solicit any staff member who is a collaborator under this agreement. On rare occasions it may be that Seneca

and the District will agree to transfer the employment of a particular staff to the other entity. In this type of situation, the transfer will occur as an exception, and only through the development of a written agreement.

The data tracked will be used to support service decisions aimed at improving students' academic achievement and engagement, decreasing problem behavior and discipline issues, and improving social-emotional wellness, school climate, and parent engagement.
- Scope and Data Elements: Seneca will access and import following data sets for all enrolled students into the appropriate databases for service and progress tracking purposes: School Name, School ID, Student ID (SSID), State Student ID, Last Name, First Name, Middle Name, Date of Birth, Gender, Grade, Teacher, Race/Ethnicity, ELL status, Home Language, and Special Education Status.
