B. Public Comment			10 m
Comments from the public are welcome at this time. You may present your comment during the meeting or beforehand, by contacting Ms. Shepard and relaying the comment to her. No person may sign up for another person, nor yield his/her time to another person. The Board may not deliberate on, or take any action regarding, a matter raised during the public comments sessions, unless the matter itself has already been specifically included on the agenda as an "Action" Item (and then, only at the time such Item is heard). The Board President will limit public comment to 3 to 5 minutes per person to ensure that all participants may speak and the Agenda is not unduly delayed, subject to any brief extension granted by the Board President in his/her sole discretion. No restrictions apply based on the speaker's viewpoints. If the Board hears public comments that exceed, in total, 20 minutes, the Board may postpone the remainder of the public comments to the same agenda item at the end of the meeting. The Board President may, in her discretion, forego Items I (B) and second-to-last item and instead solicit Public Comments during each individual action item below, as permitted by NRS 241.020(3)(d)(3); or alternatively keep Items I (B) and IX but still permit Public Comments during certain (but not necessarily all) individual action items below. The information above applies to all Public Comment periods.

I. Opening Items

A. Call the Meeting to Order

Chan Lengsavath, Esq. called a meeting of the board of directors of Coral Academy of Science Las Vegas to order on Wednesday Oct 29, 2025 at 4:30 PM.

B. Public Comment

There were no public comments.

II. Consent Agenda

A. September 24, 2025 Board Meeting Minutes (For Possible Action)

Dr. Carryn Warren made a motion to approve the minutes from Coral Academy of Science Board Meeting on 09-24-25.

Elizabeth Kazelskis seconded the motion.

The board **VOTED** unanimously to approve the motion.

B. Report of Purchases and Expenses Between \$10,000 and \$25,000 (Information)

Dr. Carryn Warren made a motion to approve the consent agenda.

Elizabeth Kazelskis seconded the motion.

The board **VOTED** unanimously to approve the motion.

III. Information/Discussion Items

A. Quarterly Discipline Report (Information)

CASLV School Safety, Security, and Student Success Coordinator, Ms. Paquin presented the quarterly discipline report in detail while answering questions from the board.

B. SPCSA Organizational Performance Framework (OPF) Final Ratings (Information)

Dr. Ercan explained that Coral Academy met all the areas except one, which was approaching. There is no exceeding standards in the rubric; if there were then we would have received many exceeding standards. The only area approaches is Special Education. He wanted to inform the board that we received this report.

C. Financial Update (Information)

Ms. Patel reviewed the statement of revenues and expenditures and confirmed that CASLV remains in a strong and stable financial position. The organization continues to maintain strong cash reserves. Overall financial stability remains strong with no financial concerns at this time.

D. Executive Director's Progress Report (Information)

Dr. Ercan shared districtwide accomplishments and key updates on campus projects, student achievements, and community engagement initiatives.

- **CASLV Mission Statement:** The CASLV Mission Statement has been officially updated. The State Public Charter School Authority (SPCSA) has approved our amended mission statement.
- **Eastgate Campus Updates:** Eastgate's purchasing process was successfully finalized at a 5.11% interest rate. The new playground construction begins next week, with a grand opening scheduled for November 6 at 3:30 p.m. The project was fully funded through donations. CASLV paid only for the rubber playground surfacing.
- **U.S. News & World Report 2026 Rankings:** CASLV campuses earned top positions among the best schools in Nevada. Tamarus ranked #2 Best Elementary School and #2 Best Elementary Charter School in Nevada. Centennial Hills ranked #6 Best Elementary Charter and #15 Best Elementary School in Nevada. Eastgate

ranked #13 Best Elementary Charter and #28 Best Elementary School in Nevada. Nellis AFB ranked #31 Best Elementary Charter and #143 Best Elementary School in Nevada.

For middle schools, Windmill ranked #2 Best Middle Charter and #4 Best Middle School, Sandy Ridge ranked #7 Best Middle Charter and #9 Best Middle School, Centennial Hills ranked #8 Best Middle Charter and #10 Best Middle School, and Nellis AFB ranked #33 Best Middle Charter and #39 Best Middle School in Nevada.

- **Alumni Salomee Levy:** Cornell graduate; currently working at Congresswoman Dina Titus's Office visited the Central Office.
- **Sandy Ridge Campus:** Earned **5-Star NSPF rating:** Guests included Councilwoman Monica Larson and Henderson Mayor Michelle Romero.
- **Tamarus Campus Shines Bright with 5 Stars:** Tamarus Campus has earned a 5-Star NSPF rating, a true reflection of our community's dedication, teamwork, and pursuit of excellence. The celebration was even more special with its fun Star Wars theme, bringing extra excitement to this outstanding achievement. Special thanks to Brianna Boulay from Congresswoman Susie Lee's Office, CASLV Board President Chan Lengsavath, Esq. for joining our ceremony.
- **Windmill Campus Earns 5-Star & Diamond Recognition:** Windmill Campus has achieved a 5-Star NSPF rating and received Diamond recognition from the Nevada Department of Education's MTSS program, a true testament to our community's dedication, excellence, and hard work. Special thanks to Senator Carrie Buck, Henderson Mayor Michelle Romero, and CASLV Board President Chan Lengsavath, Esq. for joining us in celebrating this remarkable accomplishment.
- **Sandy Ridge Robotics Teams Excel at PACK EXPO LV:** The FRC Sandy Ridge Robotics team represented Coral Academy of Science Las Vegas at the Future Innovators Robotics Showcase during PACK EXPO Las Vegas 2025, where students impressed the audience with their ingenuity, design skills, and teamwork, a true reflection of Coral Academy's spirit of innovation and excellence.
- **Inspiring "Girl Powered" STEM Workshop at Windmill:** Students engaged in hands-on activities including VEX IQ Robotics, Drones, Medical Detectives, and C CAP Art AR. Guest speaker Jennifer Muna, SVP Operations at ANDMORE.COM, inspired students with her STEM career insights and highlighted the importance of Social Emotional Learning, reflecting Coral Academy's commitment to empowering Future Women of STEM.
- **Sandy Ridge Cross Country:** Sandy Ridge's Cross Country teams competed at the Thunderbird Invitational in Indian Springs, where the boys' team earned an impressive first-place

victory. Our top five runners were Joshua J., Pierce N., Jonah J., Tristan B., and Noah D., with junior Joshua J. setting a personal record in the 4,000-meter race with a time of 14:41.30, showcasing the dedication and talent of our athletes.

- **Coral Golfers Shine at the 2025 3A Championship:** Students Danika P., Julie K., Kajalend O. L. represented CASLV. Danika P. earned **3rd place** at Regionals. Their dedication, perseverance, and school spirit throughout the season truly reflect the excellence we strive for at Coral Academy.
- **Proud Alumni Spotlight! - Class of 2015: Clara Buck (CASLV Class of 2015):** Our distinguished alumnus, Clara Buck, (Class of 2015) has been recognized as an Outstanding Teaching Assistant at the University of Minnesota. She is currently pursuing her studies in algebra and combinatorics, with a focus on solvable lattice models arising from quantum groups. It's wonderful to see our graduates making meaningful contributions in higher education and beyond. Clara's dedication and achievements truly represent the spirit of Coral Academy.
- **Sandy Ridge Campus Tennis Team Smashes Competition:** CASLV–Sandy Ridge Boys Tennis Team for an outstanding season. The team finished 3rd in the 3A Division Boys State Championships, a remarkable achievement. And our doubles champions, Austin G. and Matthew I., the #1 3A Southern Division Boys Doubles Team, will also advance to the state championship matches.
- **Windmill Campus D.R.E.A.M. Graduation:** At Windmill Campus, 5th-grade students presented their "My Dream Board" projects and celebrated their D.R.E.A.M. Graduation in collaboration with the Henderson Police Department. Officer Alex from Henderson PD shared motivational insights on responsibility, decision-making, and goal setting, while students proudly took their pledge to make positive, healthy choices, highlighting their growth and commitment to a bright future.
- **Walking Together for Respect and Kindness:** The Respect Walk served as a powerful finale to Nevada's Week of Respect, as CASLV – Cadence hosted its 3rd Annual Respect Walk during the first week of October. Over 1,600 students stepped out to take a stand against bullying, promote kindness, and spread positivity throughout the campus and the wider community.
- **VEX IQ Team 20058B "Eagle IQ":** VEX IQ Robotics Team 20058B, Eagle IQ kicked off the 2025–2026 season with an outstanding performance at Greenspun's "Dawn of the Robots" Season Opener on October 18, 2025. The team earned the Amaze Award, 3rd Place Teamwork Champion, and Robot Skills Champion, showcasing their dedication, creativity, and unstoppable energy. A phenomenal start to the season, keep soaring, Team 20058B!
- **Starfire Cyclones - Centennial Hills Campus:** The Starfire Cyclones Team A from Coral

Academy of Science Las Vegas – Centennial Hills Campus kicked off the new VEX IQ

season with an impressive showing at the Dawn of the Robots Tournament at Greenspun Junior High on October 18. Competing alongside both middle and elementary teams, the Cyclones placed 14th in overall match play and 11th in overall skills, demonstrating sharp driving skills with 3-color pin stacks and scoring four points in the challenging autonomous programming round.

- **Eastgate Campus PTO Hosts Event:** The Eastgate Campus PTO hosted an unforgettable event at Sandy Ridge Campus, bringing together students, families, and staff for a day full of fun and community spirit. Student and parent-run booths featured games, activities, delicious food, and surprises, while students showcased their talents through hands-on experiences. With participation from over 21 clubs and organizations, attendees enjoyed extra excitement, and bonus tickets and prizes made the day even more memorable.
- **Eastgate Multicultural Family Night:** On Thursday, October 2nd, Eastgate Campus hosted Multicultural Family Night at Coral Academy of Science Las Vegas in celebration of Hispanic Heritage Month, bringing families together to honor the vibrant cultures, traditions, and contributions of the Hispanic and Latin communities. The evening featured music, dance, student projects, hands-on activities, traditional foods, and memorable performances, celebrating the diversity and unity that make the Eastgate community so special.
- **Next Meeting:** December 15, 2025, 4:30 pm at Central Office.

IV. Discussion & Possible Action Items- Contracts, Purchases, and Procurements

A. Henderson Chamber of Commerce Membership and Sponsorship (For Possible Action)

Dr. Ercan indicated that there is a \$500 increase this year. He shared that the Henderson Chamber of Commerce has formed workforce committees, and he has been invited to participate in those committees. Dr. Ercan explained that since he serves on the Henderson Chamber of Commerce Board he is bringing this forward for approval although it is within his approval limit.

Elizabeth Kazelskis made a motion to approve the Henderson Chamber of Commerce membership and gold sponsorship in the amount of \$7,500.

Dr. Carryn Warren seconded the motion.

The board **VOTED** unanimously to approve the motion.

B. Cleaning Company Contract Amendment (For Possible Action)

Mr. Nick presented this item, noting a slight increase and explaining that this is a request for retroactive approval effective July. The total cost is \$40,318 monthly, and the increase is due to additional spaces at the Cadence and Windmill campuses.

Elizabeth Kazelskis made a motion to approve the cleaning company contract amendment for nightly cleaning services.

Dr. Carryn Warren seconded the motion.

The board **VOTED** unanimously to approve the motion.

C. Charter Schools Association of Nevada (CSAN) Membership Payment (For Possible Action)

Dr. Ercan explained that this falls within his approval limit; however, as president of their board, he is bringing it before the board for approval. He also provided an overview of what CSAN does for CASLV while responding to questions from board members.

Dr. Carryn Warren made a motion to approve the CSAN membership and payment in the amount of \$18,690.00.

Feyzi Tandogan seconded the motion.

The board **VOTED** unanimously to approve the motion.

V. Discussion/Possible Action Items-Governance/Policies/Finance

A. Critical Needs Positions (For Possible Action)

Ms. Peevy presented this, noting that **all Special Education relation positions** ~~the position~~ must be designated as a critical need, **including Special Education Teachers, Facilitators, Coordinators, Directors, School Psychologists, and Speech/Language Pathologists, as Critical Need positions**, ~~particularly for special education related roles such as speech pathologists~~, given the growing needs of our special education students. There is only one opening, but we currently have staff in critical needs positions whose assignments expire in January. To avoid terminating them or reducing their pay, we need to renew these positions using the same process previously employed.

Dr. Carryn Warren made a motion to approve this based on the facts presented to us, and find there is a critical need.

Feyzi Tandogan seconded the motion.

The board **VOTED** unanimously to approve the motion.

B. 2026-2027 School Year Calendar (For Possible Action)

Dr. Ercan explained that the team worked with campus principals to develop next year's calendar and surveyed parents and staff for input. The parent survey specifically asked whether they preferred 2 or 3 weeks of winter break. The survey received strong participation, with over 1,300 parents and the highest staff turnout to date.

After reviewing the results and considering instructional time, the team decided on Option 1, which includes 2 weeks of winter break. The rationale is that a longer break of 3 weeks could lead to loss of student motivation and knowledge, particularly following SBAC assessments.

Feyzi Tandogan made a motion to approve the proposed 2026-2027 School Year Calendar.

Elizabeth Kazelskis seconded the motion.

The board **VOTED** unanimously to approve the motion.

C. Amendment of Appeals Policy (For Possible Action)

Mr. Selim reported that the policy was updated last year. Most changes were cosmetic; however, substantive edits have been made to differentiate between non-significant suspensions (under 3 days, handled at the campus level) and significant suspensions/expulsions (which follow a more formal process).

Mr. Gibson inquired whether parents must be notified of these changes to ensure proper applicability for the current year.

Mr. Selim confirmed that it is standard practice to provide the updated policy to any family whose student is suspended or expelled at the time of the decision. Additionally, it is important to notify the entire school community. To prevent any applicability issues, the board discussed making the updated policy effective January 1, 2026.

Elizabeth Kazelskis made a motion to approve the amendment of the appeals policy effective January 1, 2026.

Dr. Carryn Warren seconded the motion.

The board **VOTED** unanimously to approve the motion.

D. Financial Audit Report (For Possible Action)

Mr. Nick presented the financial audit report indicating it was a clean audit with no findings while reviewing the report in detail and answering questions from the board.

Feyzi Tandogan made a motion to approve the financial audit report for Fiscal Year 2025.

Dr. Carryn Warren seconded the motion.

The board **VOTED** unanimously to approve the motion.

E. FY 2025-2026 Budget Amendment (For Possible Action)

Mr. Nick explained that, with AB398 funding from the Nevada Department of Education, CASLV will receive \$1,498,928.55. Following approval of the budget amendment, these funds will be distributed to our staff. While building leases are decreasing, debt-related expenses have increased due to the purchase of Eastgate Campus; overall, the budget remains balanced. Mr. Nick will update the report to reflect the AB398 funding.

Elizabeth Kazelskis made a motion to approve the 2025-2026 budget amendment as presented.

Feyzi Tandogan seconded the motion.

The board **VOTED** unanimously to approve the motion.

VI. Closed (Non-Meeting) Sessions

A.

Expulsion of Student(s) (Information, Discussion)

The closed session was held from 6:18 p.m. - 7:27 p.m.

VII. Potential Action(s) (For Possible Action)

A. Expulsion Recommendation(s) for Student(s) (re: item VI. A) (For Possible Action)

Elizabeth Kazelskis made a motion to deny the appeal and approve the staff's recommendation of expulsion of Student X.

Brin Gibson seconded the motion.

The board **VOTED** to approve the motion.

Committee Members Present

Ann Diggins, Chan Lengsavath, Esq. (remote)

Committee Members Absent

Brin Gibson

Guests Present

Andrea Shepard, CASLV Executive Assistant, Cameron Tate, KNIT Architect Senior Project Specialist, Chris Lanx, CORE Construction Director of Pre-Construction, Dr. Ercan Aydogdu, CASLV Executive Director & CEO, Nick Sarishahin, CASLV Chief Financial and Operations Officer

I. Opening Items

A. Call the Meeting to Order

Ann Diggins called a meeting of the Finance and Facilities Committee of Coral Academy of Science Las Vegas to order on Friday Dec 12, 2025 at 2:01 PM.

B. Public Comment

No public comments.

II. Discussion & Possible Action Items

A. Eastgate Campus Playground Surface (For Possible Action)

Mr. Nick explained that CarMax donated the new playground; however, the surfacing was not included, as that portion is CASLV's responsibility. Mr. Lengsavath indicated that he had provided pre-approval for this expense.

Ann Diggins made a motion to approve the Eastgate Campus Playground Surfacing for \$66,725.

Chan Lengsavath, Esq. seconded the motion.

The committee **VOTED** unanimously to approve the motion.

B. Purchase of additional Cameras for Nellis AFB Campus (For Possible Action)

Mr. Nick discussed the need for additional cameras at the Nellis campus and stated that 15 additional cameras are required. The total cost is \$26,346.30. He reviewed the quote with the Board and confirmed that the expense will be paid from general funds and is included in the budget.

Chan Lengsavath, Esq. made a motion to approve the purchase of additional cameras at CASLV's Nellis AFB Campus for \$26,346.30.

Ann Diggins seconded the motion.

The committee **VOTED** unanimously to approve the motion.

C. Approval of E-rate Contract (For Possible Action)

Mr. Nick stated that CASLV would like to apply for E-rate and, based on our Free and Reduced Lunch (FRL) data, may be eligible for a 60% discount on internet and phone services. The current overall FRL percentage for CASLV is 35.33%, which qualifies us for the 60% discount.

The total annual cost for internet and phone services is approximately \$130,000. If approved for E-Rate, CASLV could achieve annual savings of approximately \$81,000, reducing the annual cost to an estimated \$54,048.

Mr. Nick explained that an E-rate consultant is required for the application process. After consulting with Cox Communications, one recommended firm, E-rate Advantage LLC, was identified, and no additional firms were located. He also noted that there may be future savings related to switches, routers, and cabling services.

Ms. Diggins asked about connectivity and reliability. Mr. Nick confirmed that the gigabit connection would increase slightly.

Chan Lengsavath, Esq. made a motion to approve the E-rate Advantage LLC Consultants contract for a 6% fee with a minimum of \$4250 annually.

Ann Diggins seconded the motion.

The committee **VOTED** unanimously to approve the motion.

D. Amendment of the Civil Engineering Service Agreement for Nellis Campus Construction (For Possible Action)

Mr. Nick explained that LR Nelson Consulting Engineers is the selected civil engineering firm; however, due to the additional expansion at the existing campus, an additional \$30,550 is required.

Mr. Tate explained that when survey work initially began, the scope only included the new campus area. Due to the revised courtyard design, LR Nelson was required to survey the entire existing campus as well. He further explained that LR Nelson reviewed whether these additional services could be absorbed within the original project scope; however,

unforeseen requirements from the City of North Las Vegas, specifically the need for permitting related to the water connection and the submission of drawings for city review, resulted in a significant expansion of the scope of work.

Mr. Tate also noted that there may be an additional \$5,000–\$6,000 in costs that have not yet been billed related to the drainage study.

Mr. Nick and Mr. Tate responded to questions from the Board.

Chan Lengsavath, Esq. made a motion to approve the amendment of the Civil Engineering Services agreement for the Nellis AFB Campus in an amount not to exceed \$30,550.

Ann Diggins seconded the motion.

The committee **VOTED** unanimously to approve the motion.

E. Construction Company Contract and Construction Guaranteed Maximum Price for Nellis Campus Expansion Project (GMP) (For Possible Action)

Mr. Nick explained that CORE Construction and KNIT Architects have finalized the Guaranteed Maximum Price (GMP). Dr. Ercan noted that this item will be presented to the full Board at the December 15 meeting.

Mr. Tate presented the final GMP. He explained that during early design efforts, KNIT Architects completed programming, and through the design development phase, they contracted with CORE Construction for pre-design construction support. The initial budget was \$66.5M. After evaluating escalation and priorities, the team worked to reduce the budget to \$63M without eliminating any scope or key programming elements. Between the 95% design phase and the GMP package, they were able to further reduce the budget to \$56.3M for the final GMP. Mr. Tate noted that this budget aligns with the available grant funds and maintains all programmed scope, with minor adjustments such as scaling back some landscaping. He emphasized his strong working relationship with CORE Construction, noting this is his sixth school project with them.

Design Adjustments:

Ms. Diggins asked for clarification on changes made during design. Mr. Tate explained the following:

- The gymnasium and cafeteria originally had higher ceilings and extensive glass; ceilings were reduced and about half of the surrounding windows were removed.
- A mezzanine-style study commons above the cafeteria was eliminated, providing significant savings.
- The gym and cafeteria remain the same size as originally programmed.
- A full kitchen was added during the design phase and is included in the final budget.

- Exterior finishes were changed from contract-type panels to a heavy-duty EPHOS system, maintaining the intended design quality.
- Classroom windows were reduced.
- The playground at the existing campus will be removed. To separate K–8 students, the existing campus courtyard will become the PE/outdoor play area for elementary students.

Mr. Lengsavath asked for clarification on ceiling heights, and Mr. Tate provided detailed explanations for both the gym and cafeteria.

Safety and Security:

Ms. Diggins shifted the discussion to safety concerns, including campus access, plexiglass, and shelter-in-place areas. Mr. Tate explained that, since the campus is on federal land, the focus is on keeping students secure within the campus rather than typical vandalism-type security. He provided a thorough overview of safety planning, including layers of security and exterior monitoring. Ms. Diggins requested pictures of the front entry area and additional details on shelter-in-place spaces, which were reviewed. Dr. Ercan and Mr. Nick discussed current safety protocols. Mr. Lanx noted that the single point of entry has been maintained.

Chan Lengsavath, Esq. made a motion to recommend that the Board approve the construction contract and Guaranteed Maximum Price (GMP) of \$56,387,925 for the Nellis AFB Campus expansion project and authorize CORE Construction to serve as the general contractor. Further, recommend forwarding this item to the full Board approval. Ann Diggins seconded the motion.

The committee **VOTED** unanimously to approve the motion.

F. Review of CASLV Investment Report (Information)

Mr. Nick presented the Coral Academy of Science Las Vegas investment report, which included an overview of current holdings, performance, and compliance with Board-approved investment policies. This item was presented for information only, with no action required.

Ms. Diggins thanked Mr. Nick and noted that the investment is moving in the right direction.

IV. Discussion & Possible Action Items- Contracts, Purchases, and Procurements

A. Construction Company Contract and Construction Guaranteed Maximum Price for Nellis Campus Expansion Project (GMP) (For Possible Action)

Mr. Nick explained that, as the Board is aware, the team has been working on the overall design and construction Guaranteed Maximum Price (GMP) for over a year. Mr. Tate with KNIT Architects, presented the overall design and final GMP to the Board. Mr. Nick noted that once the GMP is approved, construction will begin. The construction process is anticipated to start at the end of January and will take approximately two years to complete.

Mr. Tate provided a progress update to inform the Board of the current status of the design. He confirmed that all programmed spaces have been maintained and that all classroom sizes are consistent with the final design and GMP. The Board reviewed professional renderings of various spaces, including outdoor areas featuring ample shading, vegetation, and artificial turf consistent with current design trends across the valley. Renderings of classrooms and student common areas were also presented, along with a full gymnasium featuring six basketball courts, volleyball capability, and telescopic bleachers. A new cafeteria with a full kitchen is included in the project.

Mr. Tate also reviewed plans to remodel the existing building, including the addition of canopies and entrance modifications to improve traffic separation. Outdoor play areas were discussed in detail, including the addition of enhanced shading. Additional site elements were reviewed, such as the stop-and-go lane, a roundabout serving the entire campus, kitchen delivery zones, and outdoor classroom areas organized by grade level.

Mr. Tate explained that during the early design phase, KNIT Architects completed the programming and, during the design development phase, engaged CORE Construction for pre-design construction services. The initial estimated project budget was \$66.5 million. After evaluating cost escalation and project priorities, the team reduced the budget to \$63 million without eliminating any scope or key programming elements. Between the 95% design phase and the GMP package, the budget was further reduced to \$56.3 million for the final GMP. Mr. Tate noted that this amount aligns with available grant funding and maintains all programmed scope, with minor adjustments such as scaling back some landscaping.

To address acoustic considerations associated with the campus's location on the base, an acoustic engineer was engaged to integrate sound-mitigating features into the building materials. Mr. Tate explained that this approach resulted in both improved acoustic performance and cost savings. He emphasized that the mitigation of aircraft noise will create a noticeable improvement in the learning environment.

Mr. Lengsavath referenced the Finance & Facilities Committee presentation and noted that there were significant changes to the gymnasium and cafeteria areas. Mr. Tate provided additional clarification and details regarding those changes. Mr. Tate and Mr. Hacker also responded to various questions from Board members and reviewed the timeline/summary schedule in detail.

Dr. Carryn Warren made a motion to approve CORE Construction as well as the GMP in the amount of \$56,387,925 for the Nellis AFB Campus Construction.

Melinda Kabar seconded the motion.

The board **VOTED** unanimously to approve the motion.

B.

CASLV End-of-Year Teacher and Staff Celebration Venue Payment (For Possible Action)

Dr. Ercan explained that the venue secured for the event is a better option due to several factors, including its location and parking availability. Additionally, a significant discount was negotiated, which is expected to lower overall costs this year and result in a reduced cost per staff guest. Attendance for staff members will be provided at no cost; however, guests attending with staff members will be charged. An application was submitted for a venue credit of up to \$50,000, though it is anticipated that the final amount will be less. Dr. Ercan requested approval for expenses up to \$60,000.

Dr. Ercan also informed the Board that \$56,250 in sponsorships has already been secured, and with the addition of Howard & Howard's donation, total sponsorship support is expected to be approximately \$66,000. The event is planned for a minimum of 350 attendees, with the venue having the capacity to accommodate up to 500 if needed.

Ann Diggins made a motion to approve the End-of-Year CASLV Teacher and Staff Celebration venue payment up to a total amount of \$60,000.

Feyzi Tandogan seconded the motion.

The board **VOTED** unanimously to approve the motion.

V. Discussion/Possible Action Items-Governance/Policies/Finance

A. Nellis AFB Campus Return to Good Standing (For Possible Action)

Dr. Ercan informed the Board that both Mr. Lengsavath and Dr. Ercan received a letter from the State Public Charter School Authority (SPCSA) stating that the notice of breach has been removed and CASLV is now in full good standing.

The SPCSA invited CASLV to attend its Board meeting, which Dr. Ercan attended remotely. Dr. Ercan explained that the star rating is based on the Nevada Department of Education's (NDE) Nevada School Performance Framework (NSPF), while the SPCSA uses its own academic framework. Under the SPCSA framework, 50 points are allocated for NSPF scores; CASLV Nellis AFB campus received 28.9 points. Schools are also compared to neighborhood schools for academic performance, for which the rubric allows up to 15 points; CASLV Nellis AFB campus received the full 15 points.

Dr. Ercan also reviewed the SPCSA reduction criteria for chronic absenteeism. CASLV Nellis AFB campus received 5 out of 5 points, as chronic absenteeism was reduced from 11.5% to 6.3%. Under SPCSA regulations, if a school receives a three-star rating or meets the standards of SPCSA's Academic Performance Framework, the notice of breach is removed. Dr. Ercan was pleased to report that the breach of contract has been removed and CASLV is now in full good standing.

Information only, no action taken.

If you would like to discuss these details further, please do not hesitate to contact me at **702-383-4777** or (800) 789-9436.

The guaranteed number of guests must be received 5 working days prior to the function, or the expected attendance will be used as the guaranteed number of guests. Payment is due on that same day for estimated charges of event. You may pay with credit card, cashier's check, money order or cash.

Any cancellation received will result in charges based upon the following:

Greater than 45 days prior - loss of deposit

From 45 to 15 days prior - loss of deposit and 50% estimated lost catering revenue

From 14 days to the day of function - loss of deposit and 100% of estimated lost catering revenue

Please be assured of our continued interest in the success of your event. Above all else, we look forward to the opportunity of serving you and your guests.

Sincerely,

Accepted By:

Harris shall not be held liable for failure of, or delay in, performing its obligations if such failure or delay is the result of tariff-driven cost increases, delay in availability or deliveries of materials, or other causes beyond Harris's control. Material and fuel costs are assumed to be stable through the manufacture and delivery on this project, however Harris reserves the right to negotiate a fair escalation in case of excessive volatility in material and fuel prices and/or shortages. Harris is not responsible for material, regional truck and/or fuel shortages which impact delivery schedules. Parties must make every reasonable attempt to minimize delay of performance and costs incurred therefrom.

Upon execution as provided below, this agreement, including the following pages attached hereto (collectively, the "Agreement"), shall become a binding and enforceable agreement against both parties hereto. Project Agreement Terms and Conditions

The following terms and conditions are incorporated into and a part of the agreement between Contractor and Customer (the "Agreement"):

1. Customer shall permit Contractor free and timely access to areas and equipment and allow Contractor to start and stop the equipment as necessary to perform required services. All planned work under this Agreement will be performed during the Contractor's normal working hours.
2. Contractor warrants that the workmanship hereunder shall be free from defects for thirty (30) days from date of installation. If any replacement part or item of equipment proves defective, Contractor will extend to Customer the benefits of any warranty Contractor has received from the manufacturer. Removal and reinstallation of any equipment or materials repaired or replaced under a manufacturer's warranty will be at Customer's expense and at the rates in effect. **CONTRACTOR MAKES NO OTHER WARRANTIES, EXCEPT AS DESCRIBED HEREIN, AND EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.**
3. Contractor may invoice Customer on a monthly basis. Customer will promptly pay invoices within thirty (30) days of receipt. Should a payment become thirty (30) days or more delinquent, Contractor may stop all work under this Agreement without notice and/or cancel this Agreement, and the entire Agreement amount shall become due and payable immediately without notice or demand. In addition, if Contractor does not receive payment of a properly submitted invoice within thirty (30) days, Customer shall accrue a late charge on the balance outstanding at the lesser of (a) 1 1/2% per month of (b) the highest rate allowed by law, in each case compounded monthly to the extent allowed by law.
4. Any alteration to, or deviation from, this Agreement involving extra work, cost of materials or labor will become an extra charge (fixed price amount to be negotiated or on a time-and-materials basis at Contractor's rates then in effect) over the sum stated in this Agreement.
5. In the event Contractor must commence legal action in order to recover any amount payable or owed to Contractor under this Agreement, Customer shall pay Contractor all court costs and attorneys' fees incurred by Contractor.
6. In the event of a breach by Contractor of the terms of this Agreement, including without limitation Section 2, or in the event Customer incurs any liability in connection with the rendering of services by Contractor, Customer's sole remedy against Contractor shall be for Contractor to re-perform the services in accordance with the warranty or, if such services cannot be re-performed or such re-performance does not cure the breach or the liability, to refund to Customer the amount paid to Contractor under this Agreement, up to Customer's direct damages caused by such breach or liability. Notwithstanding the foregoing, in no event shall the liability of Contractor in connection with any products or services, whether by reason of breach of contract, tort (including without limitation negligence), statute or otherwise exceed the amount of fees paid by Customer to Contractor for those products or services. Further, in no event shall Contractor have any liability for loss of profits, loss of business, indirect, incidental, consequential, special, punitive, indirect or exemplary damages, even if Contractor has been advised of the possibility of such damages. In furtherance and not in limitation of the foregoing, Contractor shall not be liable in respect of any decisions made by Customer as a result of Contractor's services. Any action, regardless of form, against the Contractor relating to this Agreement, or the breach thereof, must be commenced within one (1) year from the date of the work.
7. Contractor shall not be liable for any delay, loss, damage or detention caused by acts or circumstances beyond its control including, without limitation, unavailability of machinery, equipment or materials, delay of carriers, strikes, including those by Contractor's employees, lockouts, civil or military authority, priority regulations, insurrection or riot, war, acts of terrorism, action of the elements, forces of nature, or by any cause beyond its control.
8. To the fullest extent permitted by law, Customer shall indemnify and hold harmless Contractor, its agent and employees from and against all claims, liabilities, damages, losses and expenses (including but not limited to attorneys' fees) arising out of or resulting from the performance of work hereunder or any act or omission arising out of or related to this Agreement, provided that such claim, damage, loss or expense is caused in whole or in part by an active or passive act or omission of Customer, anyone directly or indirectly employed by Customer, or anyone for whose acts Customer may be liable, regardless of whether it is caused in part by the negligence of Contractor. Further, and notwithstanding the preceding sentence, Contractor shall be held harmless and shall not be liable to Customer for any claims, liabilities, damages, losses and expenses related to mold or to the creation of mold at Customer's location(s) and shall have no obligation to treat, identify or remove such mold.
9. Customer shall make available to Contractor's personnel all pertinent Material Safety Data Sheets (MSDS) pursuant to OSHA's Hazard Communication Standard Regulations.
10. Contractor's obligation under this proposal and any subsequent contract does not include the identification, abatement or removal of asbestos, mold or any other toxic or hazardous substances, hazardous wastes or hazardous materials. In the event such substances, wastes and materials are encountered, Contractor's shall have the right thereafter to suspend its work until such substances, wastes or materials and the resultant hazards are removed. The time for completion of the work shall be extended to the extent caused by the suspension and the contract price equitably adjusted. As previously provided, Contractor shall be held harmless and shall not be liable for any claims, liabilities, damages, losses and expenses related to such substances, wastes and materials, including the failure to identify or notify Customer of such substances, wastes and materials.
11. This Agreement is between Contractor and Customer alone, and neither intends that there be any third-party beneficiaries to this Agreement. Without limiting the generality of the foregoing, by entering into this Agreement and providing services on

Q-16589

Customer's behalf, Contractor is not assuming any duty or obligation to any of Customer's employees, vendors, clients, subcontractors, agents, shareholders, partners or members. Customer agrees to indemnify and hold Contractor harmless from and against any and all liabilities, losses, claims, costs, expenses and damages (including without limitation reasonable attorneys' fees) incurred by Contractor by reason of a claim brought against Contractor by any of Customer's employees, vendors, clients, subcontractors, agents, shareholders, partners or members with respect to the services provided by Contractor on Customer's behalf.

12. Each of the parties hereto is an independent contractor and neither party is, nor shall be considered to be, an agent, distributor or representative of the other. Neither party shall act or present itself, directly or indirectly, as an agent of the other or in any manner assume or create any obligation on behalf of, or in the name of, the other.

13. These terms and conditions, together with the attached documents, constitutes the entire agreement and understanding among the parties hereto and supersedes any and all prior agreements and understandings, oral or written, relating to the subject matter hereof. It sets forth the terms for the provision of any products or services Contractor may provide Customer, whether in connection with the particular engagement that is identified as the subject of this Agreement or otherwise, unless and until a written instrument is signed by an authorized representative of Contractor agreeing to different terms. This Agreement shall not be assignable by Customer and Contractor without the express prior written consent of either party. This Agreement shall be governed by and construed in accordance with the laws of the State of the Contractor's headquarters are located, without giving effect to that State's conflicts of laws principles.

14. If paying with credit card a 3% surcharge will be added to total project price.

15.

Tax amounts included in any Purchase Order or Quote are estimates and may vary based on final job classification and applicable jurisdictional rules. Final invoiced tax will reflect actual taxable amounts in accordance with federal, state and local tax law.

Important Notes

Terms of Sale

This Quote will, if Customer issues a purchase order for the quoted items that is accepted by Supplier, constitute a contract between the entity issuing this Quote ("Supplier") and the entity to whom this Quote was issued ("Customer"). Unless otherwise stated herein, pricing is valid for Fourteen days from the date of this Quote. All products, pricing, and other information are based on the latest information available and are subject to change for any reason, including but not limited to tariffs imposed by government authorities, shortages in materials or resources, increase in the cost of manufacturing or other factors beyond Supplier's reasonable control. If such changes occur, pricing may be adjusted or purchase orders may be cancelled by Supplier, even after an order has been placed. Supplier also reserves the right to cancel this Quote and Customer purchase orders arising from pricing errors and/or customer changes to Supplier's planned delivery date. Taxes and/or freight charges listed on this Quote are only estimates. The final amounts shall be stated on the relevant invoice. Additional freight charges will be applied if Customer requests expedited shipping. Please indicate any tax exemption status on your purchase order and send your tax exemption certificate to Tax_Department@dell.com or ARSalesTax@emc.com, as applicable.

Governing Terms: This Quote is subject to: (a) a separate written agreement between Customer or Customer's affiliate and Supplier or a Supplier's affiliate to the extent that it expressly applies to the products and/or services in this Quote or, to the extent there is no such agreement, to the applicable set of Dell's Terms of Sale (available at www.dell.com/terms or www.dell.com/oemterms), or for cloud/as-a-Service offerings, the applicable cloud terms of service (identified on the Offer Specific Terms referenced below); and (b) the terms referenced herein (collectively, the "Governing Terms"). Different Governing Terms may apply to different products and services on this Quote. The Governing Terms apply to the exclusion of all terms and conditions incorporated in or referred to in any documentation submitted by Customer to Supplier.

Supplier Software Licenses and Services Descriptions: Customer's use of any Supplier software is subject to the license terms accompanying the software, or in the absence of accompanying terms, the applicable terms posted on www.Dell.com/eula. Descriptions and terms for Supplier-branded standard services are stated at www.dell.com/servicecontracts/global or for certain infrastructure products at www.dell.com/en-us/customer-services/product-warranty-and-service-descriptions.htm.

Offer-Specific, Third Party and Program Specific Terms: Customer's use of third-party software is subject to the license terms that accompany the software. Certain Supplier-branded and third-party products and services listed on this Quote are subject to additional, specific terms stated on www.dell.com/offeringsspecificterms ("Offer Specific Terms").

In case of Resale only: Should Customer procure any products or services for resale, whether on standalone basis or as part of a solution, Customer shall include the applicable software license terms, services terms, and/or offer-specific terms in a written agreement with the end-user and provide written evidence of doing so upon receipt of request from Supplier.

In case of Financing only: If Customer intends to enter into a financing arrangement ("Financing Agreement") for the products and/or services on this Quote with Dell Financial Services LLC or other funding source pre-approved by Supplier ("FS"), Customer may issue its purchase order to Supplier or to FS. If issued to FS, Supplier will fulfill and invoice FS upon confirmation that: (a) FS intends to enter into a Financing Agreement with Customer for this order; and (b) FS agrees to procure these items from Supplier. Notwithstanding the Financing Agreement, Customer's use (and Customer's resale of and the end-user's use) of these items in the order is subject to the applicable governing agreement between Customer and Supplier, except that title shall transfer from Supplier to FS instead of to Customer. If FS notifies Supplier after shipment that Customer is no longer pursuing a Financing Agreement for these items, or if Customer fails to enter into such Financing Agreement within 120 days after shipment by Supplier, Customer shall promptly pay the Supplier invoice amounts directly to Supplier.

Customer represents that this transaction does not involve: (a) use of U.S. Government funds; (b) use by or resale to the U.S. Government; or (c) maintenance and support of the product(s) listed in this document within classified spaces. Customer further represents that this transaction does not require Supplier's compliance with any statute, regulation or information technology standard applicable to a U.S. Government procurement.

For certain products shipped to end users in California, a State Environmental Fee will be applied to Customer's invoice. Supplier encourages customers to dispose of electronic equipment properly.

Electronically linked terms and descriptions are available in hard copy upon request.

Coral Academy Sponsors 2026 Block Kids Event

The image is a promotional flyer for the "Block Kids Building Competition" organized by NAWIC (National Association of Women in Construction) in Las Vegas, NV. The flyer features a large trophy icon on the left and a stack of colorful building blocks on the right. The title "BLOCK KIDS" is prominently displayed in bold letters, with "CALLING ALL CREATIVE KIDS" and "NATIONAL BUILDING COMPETITION FOR CHILDREN" in smaller text below it. A green box titled "REGISTERED PARTICIPANT HIGHLIGHTS" lists benefits such as free lunch, t-shirts, and block sets. A large "\$5 ENTRY FEE" is highlighted in blue. "COMPETITION DETAILS" specify a \$5 entry fee, eligibility for Kindergarten through 6th Grade, and a registration deadline of 1/20/2026. A QR code and a "REGISTER NOW!" button are provided for registration. The bottom of the flyer features the text "WE ARE A PROUD SPONSOR OF THE 2026 BLOCK KIDS EVENT THIS JANUARY!" and "CORAL ACADEMY OF SCIENCE" along with the CASLV logo.

Coral Academy is a sponsor of the 2026 Block Kids Building Competition, taking place at our Eastgate campus.

Students in kindergarten through 6th grade can explore construction careers and showcase their creativity in a hands-on, fun environment. The event features more than 50 vendors, outdoor games, a block play area for younger children, and a food truck.

MEMORANDUM

DATE: 1/21/26

TO: Coral Academy of Science Las Vegas Board of Directors

FROM: Nick Sarisahin, Chief Finance and Operations Officer

STAFF: Alexis L. Lynch, Student Recruitment and Enrollment Manager

SUBJECT: Change in Lottery Program Mid-Enrollment Cycle

BACKGROUND:

The network is pursuing the purchase of a new enrollment and lottery management program due to limitations with the upgraded SchoolMint Enroll platform. While SchoolMint Enroll was recently enhanced, the updated system does not fully meet the operational needs or functional requirements of the organization. To ensure an efficient, compliant, and user-friendly enrollment process, the organization is seeking an alternative program, Avela, that better aligns with these requirements.

The changes affecting this decision are:

- The current platform has many bugs, forcing registrars take additional time to complete simple validations
- The current platform is unable to adequately support
 - Enrollment workflows
 - Lottery processes
 - Reporting Needs

RECOMMENDATION: To approve the purchase of a new lottery platform, Avela, at a cost of \$51,750 for a 15 month term.

End Point Antivirus Protection Software (For Possible Action)

Item: B. End Point Antivirus Protection Software (For Possible Action)

Purpose: Vote

Submitted by:

Related Material: Brief to Board of Directors, End-Point_Protection.pdf

MEMORANDUM

DATE: 01/21/2026
TO: Coral Academy of Science Las Vegas Board of Directors
FROM: Nick Sarisahin, Chief Finance and Operations Officer
STAFF: Hamza H. Cengiz, Director of IT and Cybersecurity

SUBJECT: End-point protection for staff PCs and e-mails

BACKGROUND:

CASLV staff are requesting approval to implement a comprehensive Endpoint Protection Platform (EPP) through a one year engagement that combines advanced device protection and email security into a unified defense layer.

CASLV currently relies on Windows Defender as its primary endpoint security solution. While this provides a basic level of protection the cybersecurity threat landscape has evolved significantly. Modern attacks including AI driven phishing, deepfake emails and advanced social engineering techniques are increasingly capable of bypassing traditional defenses and deceiving even well trained users.

Despite ongoing cybersecurity training and routine phishing simulations it is not realistic to expect all employees to consistently identify and avoid every threat. The proposed EPP solution serves as an essential safeguard by automatically detecting and neutralizing threats at the point of interaction thereby reducing the risk that a single human error could result in a broader system compromise.

In addition to strengthening technical security this initiative supports CASLV's overall risk management strategy. Demonstrated use of advanced endpoint protection is increasingly required to secure and maintain cyber insurance coverage at favorable terms and to meet evolving legal regulatory and industry compliance expectations. Approval of this solution reflects prudent due diligence in protecting CASLV data and systems.

RECOMMENDATION:

Considering a side-by-side analysis of products from Cisco, Fortinet, and Malwarebytes shown below, we suggest Malwarebytes as the optimal choice for this 1-year term. This solution delivers the best 'value-to-risk' ratio, ensuring we have enterprise-grade protection that is right-sized for our infrastructure.

Comparison			
	Cisco <i>Secure Endpoint</i>	Fortinet <i>FortiEDR/FortiClient</i>	Malwarebytes <i>ThreatDown</i>
Best For	Large Enterprise/Cisco shops	Mid-market to Enterprise	Small to Mid-sized Business
Primary Strength	Advanced threat hunting & Ecosystem integration	Cost-effective, high performance, Fabric integration	User-friendly, fast deployment, high detection rate
Weakness	Complex licensing, UI can be challenging	High false positives reported; complex setup	Limited third-party integrations
Key Capability	Orbital Advanced Search/XDR	7-day Ransomware Rollback	Unmatched ease of use
Cost (Annual)	\$122,472.00	\$61,916.60	\$46,401.55

Board Motion:

Approve staff's request to enter into a one year agreement with Malwarebytes ThreatDown in the amount of \$46,401.55 for the implementation of a comprehensive Endpoint Protection Platform EPP that includes advanced device protection and email security to strengthen CASLV's cybersecurity and risk management posture.

ACTION MEMORANDUM

DATE: January 21, 2026
FROM: **Bridget Peevy, Chief People Officer**
TO: Coral Academy of Science Las Vegas Board of Directors
SUBJECT: **Health Insurance Rebate Payment**

BACKGROUND:

Under the Affordable Care Act (ACA) Medical Loss Ratio (MLR), we received a health insurance rebate. The rebate totals \$50,263.75 and is related to approximately 304 eligible employees enrolled in the medical plan during the 2024–2025 school year.

Although ACA guidelines require that only the employee-paid portion of premiums be returned to employees, we propose to allocate the full rebate amount to eligible employees. The rebate will be distributed within February payroll, with individual credits calculated proportionally based on each employee's premium contributions.

PROPOSED MOTION:

I move to approve the distribution of the ACA Medical Loss Ratio (MLR) rebate in the amount of \$50,263.75 that school received from the carrier to eligible Coral Academy employees enrolled in the medical plan during the 2024–2025 school year. The rebate shall be distributed through the February payroll to employees who worked through July 31, 2025, are currently employed, and enrolled in the medical plan, with individual amounts calculated proportionally based on each employee's premium contributions.

MEMORANDUM

DATE: 01/21/2026
TO: Coral Academy of Science Las Vegas Board of Directors
FROM: Nick Sarisahin, Chief Finance and Operations Officer
STAFF: Yucel Korkmaz, Purchasing Manager

SUBJECT: Chromebooks Purchases for Sandy Ridge Campus (For Possible Action)

BACKGROUND:

CASLV staff are requesting approval to proceed with the purchase of 100 new Chromebooks to replace aging devices currently in use at the Sandy Ridge campus. The existing Chromebooks have reached the end of their effective lifecycle and no longer reliably support instructional and operational needs.

As part of due diligence CASLV staff solicited and reviewed multiple competitive quotes from approved vendors for comparable Chromebook models including required Google Chrome OS education licenses and deployment services. After evaluating pricing specifications warranty coverage and deployment support the CDW Government proposal was determined to be the most cost effective and operationally appropriate option.

The recommended purchase includes HP Fortis G11 14 inch Chromebooks Google Chrome OS Education licenses and white glove deployment services which cover device unboxing inspection enrollment into the Google Admin console system updates and wireless configuration. These services will allow the devices to be deployed efficiently with minimal disruption to instructional time.

The total cost of the recommended purchase is \$35,400.00 which is within budgeted technology replacement allocations and consistent with historical device refresh cycles. Approval of this item will ensure continued student and staff access to reliable instructional technology and support CASLV's ongoing commitment to maintaining secure standardized and functional learning environments.

RECOMMENDATION:

Approve CASLV staff's request to purchase 100 HP Fortis G11 Chromebooks including Google Chrome OS Education licenses and white glove deployment services from CDW Government in the total amount of \$35,400.00 to replace aging devices and support continued instructional and operational needs.

Head Injury & Concussion Policy for K-12 Schools

Purpose

This policy provides guidelines for the recognition, management, and accommodation of students who sustain concussions, ensuring a safe environment that supports their recovery and educational success.

This policy applies to all students enrolled in grades K-12 who are suspected of or diagnosed with a concussion, whether the injury occurred during instructional time, school-sponsored activities, sports, or non-school-related events.

This policy also applies to any student who is observed to, or is suspected of, sustaining a bump, blow, or jolt to the head or by a hit to the body that causes the brain to move rapidly back and forth, may have suffered a concussion. Assessment of the head injury and management of any post-concussion is necessary.

Definition of a Concussion

A concussion is a type of traumatic brain injury caused by a blow to the head or body that disrupts normal brain function. Symptoms may be physical, cognitive, emotional, or behavioral, and they can vary in severity and duration.

Signs and Symptoms of a Concussion

Concussion symptoms can include but are not limited to:

- **Physical:** Headache that gets worse and does not go away, neck pain or tenderness, convulsions or seizure-like activity, loss of vision, loss of consciousness, dizziness, nausea or vomiting, sensitivity to light or noise, fatigue, weakness or numbness in more than one arm or leg, decreased coordination, slurred speech, head bump or bruise that increases in size, visible deformity of skull.
- **Cognitive:** Difficulty concentrating, memory problems, increased confusion or slowed processing.
- **Emotional/Behavioral:** Mood swings, irritability, anxiety, sadness, unusual behavior.
- **Sleep:** Trouble falling asleep, drowsiness, or sleeping more or less than usual.

Danger Concussion Signs:

1. Headache that gets worse and does not go away
2. Repeated vomiting
3. Unusual behavior, increased confusion, restlessness, agitation

4. Drowsiness or inability to wake up
5. Slurred speechWeakness, numbness, tingling, decreased coordination
6. Convulsions or seizure like activity
7. Loss of Consciousness
8. One pupil larger than the other
9. Colorless fluid coming from the ear or nose
10. Neck pain

Recognition and Response

School Health Professionals

School health professionals manage and oversee the care of injuries to the head at school during the school day to ensure student safety.

- The school health professionals will examine all students who have sustained an injury to the head (bump, blow, or jolt to the head or hit to the body that causes the head and brain to move rapidly back and forth) during the school day, during athletic activities, during school functions that occur after school hours, or if the school health professional's office is notified by a Licensed Healthcare Provider of a concussion that occurred outside of the school settings.
- School Health Professionals will notify Parents/Guardians for any head injury.
 - Parents/guardians will be notified about the head injury/suspected concussion and recommend seeking medical evaluation by a Licensed Healthcare Provider.
 - Parents/guardians will be provided a copy of the Head Injury Monitoring Checklist, Head Injury Fact Sheet for Parents/Guardians, and Return to School Letter.
 - Health office professionals will document in the student's electronic medical record.

As you know, CASLV (like some other schools in Nevada) has no on-campus doctors. Its health professionals are typically health aides or registered nurses (RNs) or nurse practitioners (NPs). Health aides or RNs are not doctors. Moreover, if the Health Aide/RN is out sick or temporarily at another campus, there might not be an Health Aide/RN immediately available. The school will do its best to ensure an experienced health professional is always onsite during school hours, but it cannot be held responsible for unforeseen delays, nor for medical decisions made by those health professionals which don't fall to the level of health aide/RN malpractice. CASLV has hired them to make those health decisions. Finally, and importantly, a concussion is not like a cut or a bruise. A 'knock' might not present as a concussion immediately, but only hours or days later. Concussions might be among the most difficult ailments to diagnose. CASLV and its health professionals will do their reasonable best for your child, and we are simply asking you to consider the context and these underlying factors, in cooperating with us to ensure your child's best outcomes.

Immediate Response

If a student demonstrates or reports any of the previous dangerous concussion signs or symptoms resulting from an injury of the head, 911 will be called immediately to active emergency medical services (EMS), and the school's health professional will be notified.

1. Management of Head Injuries Occurring During the School Day

- For any student exhibiting any Danger Concussion Signs and Symptoms on the Head Injury Monitoring Checklist, 911 will may be called immediately to activate EMS services.
 - i. Parents/guardians will be notified
 - ii. [CASLV Incident Report.pdf](#) will be completed
 - iii. [Head Injury Sheet for Parents](#) - provided to parents/guardians
 - iv. [Return to School Letter](#) - provided to parents/guardians, student will not be able to return until cleared by a licensed health care provider
- If there are no danger signs, CASLV's School Health Professionals will continue screening for student-reported symptoms and utilize the Head Injury Monitoring Checklist for any student who has sustained or is suspected of sustaining a head injury/concussion. Observation will begin upon initial arrival to the health office and is required to continue in 15 minute increments, for a minimum of 30 minutes.
 - i. Parents/guardians will be notified
 1. For any student exhibiting head injuries, suspected concussion, or signs and symptoms of a concussion that does not require immediate EMS services, parents will be contacted and students will not be released from school without a guardian accompanying them.
 - ii. [CASLV Incident Report.pdf](#) will be completed by a school health professional.
 - iii. [Head Injury Monitoring Checklist](#)
 1. After 30 minutes of observation and no danger signs are present, student may return to class
 2. School Health Professionals will notify all appropriate staff of the student's head injury
 3. School staff will contact the School Health Professional if any danger signs emerge after the student has been returned to class.
 4. If danger signs are reported, 911 will may be called immediately and section 1 of CASLV policy Management of Head Injuries Occurring During the School Day will be activated.

2. Remove from School/Activity:

- Any student suspected of having a concussion must be immediately removed from school/physical activity and will need to be evaluated by a licensed health care provider prior to returning to school.

Commented [1]: This is linked in the handbook, but parents should not have access to the forms.

Commented [2]: Same comment as above

- i. The student should not return to school/activity on the same day.
- ii. The student will not be permitted to participate in any activities until cleared and released from a licensed health care provider.
 - 1. Activities include but are not limited to: School instruction, recess, Physical Education, intramural sports, clubs that involve physical excursion. etc..
- o **Should a student be diagnosed with a concussion**, the student will be required to follow a Return to School Plan which includes Return-to-Learn (RTL) plan and Return-to-Play (RTP) Protocol. This plan will be put in place with recommendations from the student's licensed healthcare providers recommendations.
- o **School Health Professional notified of a head injury/concussion**
 - i. When the health office is notified by the parent/guardian that the student has sustained a head injury/concussion outside of the school setting
 - 1. Medical documentation from the student's licensed healthcare will need to be provided to the School's health professional.
 - 2. CMT will meet to determine a RTL and RTP plan.

Return-to-Learn (RTL) Protocol

Any student who has been diagnosed with a concussion must complete the RTL Protocol. RTL procedures will collaborate with the Concussion Management Team. The Concussion Management Team coordinates the student's concussion management plan. The school will implement a gradual **Return-to-Learn (RTL)** plan to support the student's academic recovery with suggestions from the student's Licensed Healthcare Provider. The process includes four stages.

Stage 1: Rest and Recovery (24–48 hours post-injury)

- o No school attendance; limit cognitive and physical exertion.
 - i. parents /guardians should follow Licensed Healthcare Provider guidelines in regards to activities allowed at home. Activities that are not permitted during this time:
 - 1. Technology use for school type work
 - 2. Attendance at school or school type work
- o Parents must provide a medical clearance provided by a Licensed Healthcare Provider for school reentry. The student may move to Stage 2 when cleared by a medical professional.

Stage 2: CMT Meeting & Gradual Transition Back to School

- o CMT will meet with the student and parents to review the health care provider's suggested accommodations.
- o CMT will develop a Return-to-learn Plan (RTL). RTL will be shared with all relevant staff members.
 - i. [Return to Learn Worksheet_distributed.pdf](#)

- CMT will determine student's accommodations and any adjustment to the student's school schedule, such as:
 - i. Alternate days
 - ii. Half days
 - iii. Excused from physical activity

Stage 3: Continued CMT Support and progression through RTL

- RTL will be followed and reviewed by CMT.
- [Head Injury Monitoring Checklist](#) completed on a routine basis by the school's health professional.

Stage 4: Full Return to School

- Resume regular school schedule and phase out accommodations as symptoms resolve.
- RTL will be ended when cleared by the student's Licensed Healthcare Provider.

Return-to-Play (RTP) Protocol

Any student-athlete with a suspected concussion must be withheld from any sports activity/competition or practice and should NOT be allowed to return to activity until cleared by Licensed Healthcare Provider (LHCP).

If a student demonstrates or reports any of the previous dangerous concussion signs or symptoms resulting from an injury of the head, 911 will-may be called immediately to active emergency medical services (EMS), and the school's health professional will be notified.

Student and parent/guardian will be given Concussion Information and Home Care Information.

[CDC Heads Up Fact Sheet for Parents](#)

For students participating in sports, physical activities or sport clubs, the **Return-to-Play (RTP)** protocol includes six graduated stages:

1. **No Activity:** Complete physical rest.
2. **Light Aerobic Exercise:** Walking or cycling at a gentle pace (no resistance).
3. **Sport-Specific Drills:** Light, non-contact activities.
4. **Non-Contact Training:** Complex drills and strength training.
5. **Full-Contact Practice:** Resume normal practice if medically cleared.
6. **Return to Competition:** Full participation in competitive activities.

Step 1. No Activity: The student-athlete must be evaluated and cleared to participate in the Return-to-Play protocol by a Licensed Healthcare Provider (LHCP). **The school administration or designee can provide the names of LHCPs specializing in concussion management, or the parent/guardian may choose one independently.**

The LHCP's release must be obtained in writing, specify the date the athlete can return to participation, and be submitted to the school administration or designee.

Step 2. Light Aerobic Exercise: The student-athlete must complete and pass standardized concussion testing. This test will help identify post-injury deficits the athlete may experience in brain functions such as memory, vision, reaction time, and balance. To determine whether the test is passed or failed, results will be compared to the student-athlete's individual baseline data or normative data if a baseline is unavailable.

The student-athlete will not be allowed to return to participation until a passing score is achieved.

Step 3. The student-athlete must complete a six-stage graduated exercise program under the direct supervision or if at any point in the program, the student-athlete demonstrates worsening symptoms, the athletic trainer will halt the activity progression, re-evaluate the athlete, and determine the best course for recovery and return to participation.

The student-athlete must remain symptom-free through all activities to successfully complete the graded exercise phase and return to full participation.

Any exacerbation of symptoms will prevent the student-athlete from progressing to the next stage. In such cases, the current stage must be repeated after a 24-hour rest period.

NOTE: Students who participate in clubs affiliated with the NIAA may be required to follow NIAA policies and complete the NIAA-approved For all students who sustained the injury during a NIAA sanctioned activity, who exhibits signs, symptoms, or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion, or balance problems) shall be immediately removed from the contest and shall not return to play until cleared by an appropriate health-care professional. (Please see NFHS Suggested Guidelines for Management of Concussion included in this document or in the Appendix, located in the back of each NFHS Rules Book). [NIAA Concussion Policy](#)

Concussion Management Team (CMT)

Each CASLV Campus will establish a Concussion Management Team (CMT) that may consist of the following members:

- School health professional
- Principal
- Administrators
- School counselor
- Physical education teacher or athletic director
- Classroom teacher(s)
- Parent(s) or guardian(s)

School principals administrators will oversee the CMT. The CMT is responsible for overseeing the implementation of this policy and ensuring compliance with state and federal guidelines. The Return to Learn Plan (RTL) will be followed as outlined in the CASLV Concussion Policy.

Accommodations for Students

Students recovering from concussions may receive temporary accommodations. These accommodations will be outlined in the student's management plan determined by the student's Licensed Healthcare Provider and managed by the CMT. These temporary accommodations may include:

- Reduced homework or modified assignments.
- Extended deadlines and test accommodations.
- Frequent breaks during classes or tests.
- Permission to leave the classroom if symptoms worsen.
- Modified participation in physical education.
- If a student's recovery from a concussion is prolonged and they are unable to complete the Return to Learn (RTL) pathway within a reasonable timeframe, (continued past 30 days) the school may initiate the Section 504 process to determine appropriate academic accommodations.
 - The 504 team will meet as needed to adjust accommodations, update, or discontinue the 504 plan when the student no longer has functional limitations affecting learning.

When students return to school after a concussion, school professionals should watch for:

- Increased problems paying attention or concentrating
- Increased problems remembering or learning new information
- Longer time needed to complete tasks or assignments
- Difficulty organizing tasks or shifting between tasks
- Inappropriate or impulsive behavior during class
- Greater Irritability
- Less ability to cope with stress
- More Emotional than usual
- Fatigue
- Difficulties handling a stimulating school environment (light, noise, etc.)
- Physical symptoms (headache, nausea, dizziness)

Communication and Documentation

1. Documentation Requirements:

- All medical clearance forms and Licensed Healthcare Provider provider recommendations must be submitted to the school's health care professional by the student's parent/guardian.

2. Staff Notification:

- Teachers and relevant staff members will be informed of the student's concussion and accommodations via the student's RTL & RTP plans.

3. Ongoing Monitoring:

- The CMT will regularly review the student's progress and update the RTL and RTP plans as needed.
- Students who have sustained a diagnosed concussion will only be cleared from the RTL & RTP plan when their Licensed Healthcare Provider deems it necessary.

Staff Training per NRS 385B.0880 including prevention

"Each employee of a public school who supports the academics or health, including, without limitation, mental or physical health, of a pupil who has sustained or is suspected of having sustained an injury to the head must annually complete training regarding the prevention and treatment of injuries to the head, which must include, without limitation, a review of the educational information compiled pursuant to subsection 3 of NRS 385B.080. Each public school shall maintain a record of the training required by this section which is completed by each employee of the public school and provide such a record upon request."

All staff members, including teachers, coaches, and administrators, will receive annual training on concussion recognition and management. Specific courses are designed to include:

- Identifying symptoms of concussions.
- Understanding the RTL and RTP processes.
- Supporting students during recovery.

All staff members, including teachers, coaches, and administrators, will receive annual training on concussion recognition and management and are required to complete the following course annually:

- [HEADS UP to Schools: Online Concussion Training for School Professionals](#)

In addition to the Online Training for School Professionals, all coaches, athletic staff, or any staff member overseeing a sports club are required to complete the following course annually:

- [HEADS UP to Youth Sports: Online Concussion Training for Coaches](#)

[**CDC Fact Sheet for Staff**](#)

Parental and Student Education

Parents and students will receive information about concussions, including:

- **Symptoms and signs.**
- **The importance of reporting injuries and adhering to medical recommendations.**
- **The school's concussion policy, RTL, and RTP protocols.**

Policy Review and Compliance

*This policy will be reviewed annually by the school district **in collaboration with medical professionals** to ensure alignment with current best practices and legal requirements.*

ACTION MEMORANDUM

DATE: January 21, 2026
FROM: Selim Tanyeri, Chief Student Services Officer
TO: Coral Academy of Science Las Vegas Board of Directors
SUBJECT: CASLV Concussion Policy Revisions

BACKGROUND:

Our Concussion Policy was developed in response to NDE requirements and was approved for the first time in January 2025. The policy is required to be reviewed annually, and since implementation, we have identified areas that require clarification and revision, informed in part by feedback from our Principals and Health Manager.

RECOMMENDATION:

With input from the Principal and Health Manager, several revisions were identified to improve clarity and alignment with best practices.

Page 4: Revised language to clarify that school health professionals observe head injuries only during the instructional day and not during after-school activities.

Page 5: Updated wording to state that the school *may* call 911 if a student exhibits dangerous concussion symptoms, rather than *will* call 911.

Page 6: Removed language indicating that school administration or designees provide names of Licensed Health Care Providers (LHCPs), clarifying that families independently select providers.

Page 8: Added more detailed information regarding NIAA and NFHS school sports requirements in regards to head injuries.

Page 9: Expanded the rationale for implementing a 504 Plan when concussion symptoms are prolonged.

Page 10: Provided additional clarification distinguishing training requirements for all staff versus coaches, athletic directors, and staff overseeing school-sponsored sports clubs.

Language related to parent and student education was removed. The phrase "in collaboration with medical professionals" was removed to avoid implying that the school provides or coordinates medical services beyond its legal scope and to maintain clear boundaries between the school's responsibility versus the parent's medical responsibilities.

Annual board approval is requested to review the changes and approve the updated version.

Proposed Motion: **Move to approve the proposed revisions and the updated concussion policy as presented.**

SOP # G&A123 Revision: 4-5

Effective Date: ~~September 1, 2023~~ January 21, 2026

Title: G&A123 PROFESSIONAL DEVELOPMENT

Policy: To provide employees with professional development opportunities to increase the effectiveness of their performance in their present positions, and to obtain skills, knowledge, and abilities which may improve their opportunities for advancement within the Organization.

Purpose: Professional development and continuous learning are necessary to maintain the quality of the Organization's staff and their ability to contribute effectively to the mission and goals of the Organization.

Scope:

All full-time employees with at least ~~two years~~ nine (9) months of CASLV employment and are

not on a performance improvement plan are covered by the scope of this policy and its guidelines and are eligible to apply for Tuition Reimbursement.

Teachers must hold a standard or substitute Nevada Teaching license. This program does not reimburse for courses that are part of a licensing requirement or a teacher licensing program.

Cutoff Date Addition: Start date working for CASLV must be prior to January 1st for the following year's program application; applications will be accepted for those starting on or before December 31st of the current year for next year's application.

Responsibilities:

Executive Director or designee is responsible for authorizing and coordinating the employee application process for professional development funds.

Director of Finance or designee is responsible for determining amount of funds that can be made available for professional development after consideration of budgeted expense and reserve amounts.

Board President, Central Office Executive Committee, or designee is responsible for reviewing applications received to determine which employees will qualify for reimbursement of costs incurred for professional development. If one of the applicants is a part of the Central Office Executive Committee, then they need to recuse themselves from the decision-making process involving their application and then it has to come to the board president for final review and approval upon the recommendation of the Central Office Executive Committee.

Background: The work performance of an employee is a vital key to the success of the Organization. Providing professional development opportunities to the organization's employees is an investment in our employee's career and the Organization's future.

G&A123 Professional Development

Procedure:

1.0 ELIGIBILITY

1.1 Professional development is approved at the discretion of the Executive Director or designee. Eligible professional development is obtained through baccalaureate and graduate level courses ~~that must be~~ taken for academic credit through accredited colleges/universities ~~colleges and universities~~ accredited by regional organizations identified in Appendix A.

Courses leading to certification must be taken at a school or through an organization that is authorized by the certifying authority to provide such educational programs.

2.0 TUITION REIMBURSEMENT

- 2.1 For courses that are taken for credit as part of a degree program, tuition ~~is and~~ ~~eligible fees are~~ reimbursed only for courses taken and completed with a final grade of "B" or equivalent, or higher. For courses leading to professional certification, course registration costs will be reimbursed only after the participating employees submits evidence of having successfully completed course requirements leading to professional certification.
- 2.2 Graduate tuition reimbursement is generally limited to one master's and ~~one Ph.D.~~ ~~one doctoral degree for SLT or Principals only, and~~ one master's degree per employee. ~~per employee~~. Tuition reimbursement for ~~any~~ additional graduate degrees requires HR approval. ~~the approval of the Human Resources~~.
- 2.3 Employees completing a graduate course which is not part of a Masters ~~or Ph.D.~~ program, and graduate students granted "special status" (e.g., completing undergraduate deficiencies due to a change in field of study), may be approved for of tuition and eligible fees up to a maximum of \$8,000 per fiscal year.
- 2.4 ~~The maximum reimbursement across all course types remains at \$10,000 per fiscal year. for all courses of study, including certification, career development and job related graduate study combined, will not exceed \$10,000 per fiscal year.~~
- 2.5 Eligible fees include state-equivalent tuition fees and certain mandatory fees.

Required fees eligible for tuition reimbursement subject to the limitations set forth in 2.1 through 2.4 above include the State of Nevada's equivalent to tuition fees (i.e., state education fees, state university fees, state college fees, junior and community college enrollment and registration fees for Nevada residents), continuous enrollment fees for thesis/dissertation, microfilming or binding of dissertation or thesis fees, computer fees, and laboratory fees charged to all students and that are directly applicable to the approved course(s).

2.6 If eligible employees are laid off, have reduced hours, or take disability leave, approved courses in progress may still be reimbursed if completed successfully. ~~If eligible employees are laid off, their hours are reduced, or they go on a disability leave of absence, any approved course(s) in progress will be reimbursed, provided the course is completed with a final grade of "B" or equivalent, or higher, and fulfills the other provisions of this policy.~~

3.0 NONREIMBURSABLE EXPENSES

3.1 Except for courses leading to professional certification as described above, the following do not qualify for tuition reimbursement: professional seminars and workshops, symposia, short (non-credit) courses; college/university entrance exams; review programs for entrance exams; or courses at non-accredited institutions.

3.2 Itemized fees not reimbursable to employees include application/pre-admission registration fees, transcript fees, test preparation fees, admission testing fees, placement fees, course waiver or challenge fees, book costs, travel costs (i.e., transportation, housing, meal, etc.), parking fees, equipment/kit purchase costs, tutoring fees, deferred tuition fees, registration fees, late registration fees, course addition, deletion or transfer fees, student activity fees, student union fees, petition fees, recreation fees, health coverage costs, dissertation or thesis typing fees, development or foundation fees, institution fees, alumni fees, and other similar fees.

3.3 Tuition and eligible fees are not reimbursable when the employee:

- 1) Receives duplicate or comparable fees from another institution or agency, grant, scholarship, or other financial aid; or
- 2) Voluntarily terminate employment, or are terminated for cause, prior to course completion or within two years of course completion, or
- 3) Have not received advance approval from the Executive Director or designee, particularly those associated with a degree program.

3.4 An employee normally is not reimbursed for a course the tuition of which was previously reimbursed under this policy. However, some courses involving

Accounting Policies, Procedures and Forms

research or extended study can be repeated with advance approval of the Executive Director or designee.

4.0 OTHER MATTERS

- 4.1 The taxability of payments to employees under the tuition reimbursement plan is in accordance with current Internal Revenue Service guidelines.
- 4.2 Unless specific approval of both the employee's supervisor and the Executive Director is obtained in advance, an employee may not take a course during scheduled working hours. When the educational program requires being away from one's job during normal work hours, the employee and her or his supervisor must agree on such a schedule in advance and make necessary arrangements to assure that expectations for ongoing work assignments are met. No legal or contractual obligations for overtime premium can be incurred as a result of employees taking a course that will be reimbursed under this policy during their scheduled working hours. Participation in the tuition reimbursement program should not in any way interfere with the employee's ability to perform his or her job.

5.0 REQUESTING FUNDS

- 5.1 During the annual budgeting process, the Director of Finance will evaluate how much of the Organization's resources may be allocated to fund the professional development budget for employees after consideration of available operating expenses and required reserve amounts in each fiscal year or portion of each fiscal year as considered necessary by the Director of Finance.
- 5.2 Upon approval of the budget by the Board of Directors (see G&A118 BUDGETING), applications from employees who wish to utilize professional development funds will be accepted by April 15 contingent on whether funds are available for the next fiscal year. **Employee start date must meet cutoff rule (on or before December 31st)**
- 5.3 To apply for tuition reimbursement, an employee should complete the Application for Academic Program Approval form in Appendix B and submit it to the Executive Director or designee for certification that the proposed program and course(s) meet criteria for reimbursement. After obtaining approval, but prior to enrolling in the course of study, the employee should forward the application form, along with material describing the program and course(s), to Human Resources. The employee's supervisor may include amplifying documentation in support of program or course approval.

The Board of Directors or designated committee will evaluate the applications received and determine the best use of allocated professional development funds.

5.4 Following review of the employee's application for tuition reimbursement, Human Resources will notify the employee in writing as to whether the application has been approved. Upon written confirmation or approval, the employee must submit the following items at the beginning of each term:

- (1) Request for Reimbursement of Tuition (Appendix C)
- (2) Copy of the course syllabus

Within 30 days of completion of the course, the employee ~~should~~ must also submit the following documents to both their campus Principal and Human Resources:

- (1) Copy of the final grade
- (2) Copy of the receipt for tuition ~~and eligible fees~~

Failure to provide documentation can result in discontinuation of future tuition reimbursement.

5.5 Any grants and/or scholarships will be deducted from the tuition costs prior to - determining reimbursement

5.6 In the event that the allocated amount is not sufficient to provide the total reimbursement to all eligible employees, the school shall prorate the budgeted funds so that each eligible employee would receive allocated portion of the budget approved by school board.

5.7 Only classes which are completed from July 1st to June 30th of that fiscal year are eligible for reimbursement. ~~Employees that have not used all of their allocated funds by April 1st but still plan on submitting a reimbursement request, must notify HR of their intent to do so by April 1st or their unused funds will be dispersed among eligible employees in the tuition reimbursement program for the current school year.~~

ACTION MEMORANDUM

DATE: January 21, 2026
FROM: Mustafa Gunozu, Chief Academic and School Officer
TO: Coral Academy of Science Las Vegas Board of Directors
SUBJECT: Alternative School Calendar for Nellis and Sandy Ridge Campuses (For Possible Action)

BACKGROUND:

The Board has approved the traditional calendar for all schools for SY26-27. Nellis AFB and Sandy Ridge are requesting Board approval to operate under alternative school calendars. Nellis AFB has implemented an alternative calendar beginning in SY24-25. The proposed alternative calendars include reduced instructional days and are in full compliance with the State of Nevada's minimum instructional minute requirements.

PROPOSED MOTION:

Staff recommend Board approval of both proposed calendars.
