Mr. Ercan explained this was approved at a previous board meeting for 1 1/2 years, however the central office academic team renegotiated. The new 6 month extension will cover the remainder of the current school year. Mr. Gibson asked if there's hard copy text available to students or if it is all online? Mr. Ercan explained this program is for students that have been approved for remote learning. This is an information item only. After the consent agenda motion, this item was discussed further. Mr. Gibson asked if this is only for online students, and Mr. Ercan confirmed it is. Mr. Gibson asked for input from Dr. Warren about this and having hard copy text is quite helpful, and not having them could cause learning gaps. This program will be reevaluated for the 2022-2023 school year.

Ann Diggins made a motion to approve the action items in the consent agenda (items A-K) including the minutes, purchases, agreements, and policies.

Feyzi Tandogan seconded the motion.

The board **VOTED** unanimously to approve the motion.

### III. Discussion/Possible Action Items-Governance/Policies

#### A. CASLV Governing Board (For Possible Action)

Board Development Plan. New Policy:

Ms. Diggins explained she met with Ms. Hayman and Ms. Kazelskis regarding this proposed idea. They discussed possible options for board involvement such as monetary donations, donation of time or expertise, attending school events, or volunteering with the school. Ms. Hayman thinks it will make our board members more vested in the school. It was discussed that it will be defined broadly to have some accountability.

The board will discuss having an annual scholarship that would be given to a graduating senior. Mr. Tandogan recommended creating a Governance/Development Subcommittee. Ms. Diggins asked if the board is in agreement with creating a new committee. Ms. Diggins thinks some items that fall under the Finance and Facilities Subcommittee would fall under governance and development. The goal is engagement and increasing participation from the board members. Ms. Diggins recommends calling it a working group, and by the September 2022 meeting, set some goals for the board for the coming academic year.

Ms. Diggins made a motion to create an informal, non-deliberative working group on governance and development and she volunteered herself to chair the group and asked to include Ms. Hayman, Ms. Kazelskis, Dr. Warren, and the newly elected board member. This working group will present in September the proposed goals. Seconded by Beth Kazelskis.

Board Candidate Interview Assessment and Election:

Ms. Diggins explained the interview process and reviewed the rubric scores with the board. Candidates with financial experience and active CPAs received the highest evaluation score based on CASLV's needs. Ms. Diggins asked for the members to consider Mr. Lengsavath. He has a good background in finance and reporting. Mr. Tandogan agreed. Ms. Kazelskis said he stood out to her via his resume but she did not interview him and noted that the board needs someone with a finance background.

Ms. Diggins would like Mr. Ercan to send a thank you letter to each candidate and keep resumes on file. There may be opportunities they are qualified for in the future.

Mr. Gardberg explained this is a 2-month appointment and informed the board they can re-elect Mr. Lengsavath in May for two years, up to a maximum of 8 years. No formal

nomination process is necessary, but he suggested Ms. Diggins call them all nominated and then vote/poll one by one, the majority wins. Mr. Gardberg added that if the board member that is elected is at the meeting today then he may serve immediately.

Mr. Gibson asked to abstain from this item due to a personal relationship.

There were 5 votes for Mr. Lengsavath.

Ms. Diggins asked Mr. Lengsavath if he would like to serve throughout the remainder of the agenda, and he agreed.

Ann Diggins made a motion to add Mr. Lengsavath to the CASLV board.

Mr. Gibson abstained.

The board **VOTED** to approve the motion.

## **B. Employment of New Staff Member (For Possible Action)**

Ms. Diggins excused herself from the meeting for this item and turned chair duties over to Ms. Kazelskis. Ms. Peevy asked for the board to review this item and vote on the hiring of John Diggins for a school teaching position at the new Cadence campus. Ms. Peevy explained that he is the spouse of Ms. Diggins. It was noted that Mr. Ercan excused himself from any decision-making in hiring Mr. Diggins. The decision to hire Mr. Diggins was made by Ms. Peevy and Mr. Eraslan, Cadence Campus Principal. If this is approved today then we will send it to the Nevada Department of Education (NED) for final approval.

Mr. Gibson asked what the State Public Charter School Authority's (SPCSA) stance on this is, and Mr. Gardberg explained the process. Once the NDE approves this, the SPCSA will need to approve it as well. However, there are no concerns. Mr. Gardberg also indicated that Ms. Peevy will handle all issues involving Mr. Diggins including reviews and compensation.

Brin Gibson made a motion to approve the employment of John Diggins (subject to recusal).

Dr. Carryn Warren seconded the motion.

Ms. Diggins abstained from this item.

The board **VOTED** to approve the motion.

**C. Discipline Appeals Policy (For Possible Action)**

Mr. Ercan explained past procedures regarding the expulsion process. The new changes require CASLV to delegate three people from the central office to be on a discipline committee. It was proposed that the Executive Director, SPED Director, and Director of Operations make the decision for expulsion on behalf of the board. Should the parent choose to appeal the decision of the discipline committee they have the right to appeal to the board and will be granted a hearing. It was discussed that the board will make the final decision if there is an appeal from the parent/guardian.

Mr. Gardberg said there has to be an appeals process and said it will work very similarly in practice. The designee is not a part of the three-person committee. It was advised by Mr. Gardberg that CASLV makes sure there is always an appeal in front of the board for the full board process. Ms. Diggins said it makes sense for this to come to the whole board. Mr. Ercan informed the board of the guidance information he received from the State Public Charter School Authority.

Ms. Diggins asked if more specifics about the appeals process can be included. Mr. Gardberg will work with Mr. Ercan on the wording and this will come back to the March 26 board meeting.

Dr. Carryn Warren made a motion to approve the policy as preliminary with the expectation that legal and central office will work together to make it a uniform and cohesive document that also includes the original expulsion system, a flow chart, and new appeals process. The understanding is that changes will be coming at the next meeting. Subsequent motion: Mr. Tandogan made a motion to appoint the Executive Director, Special Education Director, and Director of Operations as the central office committee with Mr. Gardberg's involvement, seconded by Ms. Kazelskis.

Feyzi Tandogan seconded the motion.

The board **VOTED** unanimously to approve the motion.

**D. Investment Policy (For Possible Action)**

Per Board's request, the central office drafted an investment policy. Mr. Gardberg reviewed the policy and noted the act governs what trustees do. Mr. Gibson asked how much debt should be able to be covered with reserves, and Mr. Nick said it is up to the board.

There will be more discussion regarding the amount to invest and it will be determined by the board. Mr. Gibson added that we need to be very cautious.

Ms. Diggins asked for a sense from the board about this policy and asked if there are enough safeguards as written. Mr. Lengsavath likes the idea of a minimum threshold. Mr. Gibson is in favor of an investment policy if we are going to invest. He is wondering if we should as there are some policy questions. The Finance and Facilities subcommittee will meet before the next board meeting and come back to the board with recommendations.

This item was tabled to the March board meeting.

**E. Student Records Retention Policy (For Possible Action)**

Mr. Ercan indicated CASLV does not have a student records policy in place. Mr. Gardberg helped draft the policy. Feyzi Tandogan seconded the motion. The board **VOTED** unanimously to approve the motion.

**F. Amendment of the CASLV Community Outreach Plan (For Possible Action)**

Mr. Ercan explained this is part of the Cadence campus condition for approval of the campus and was approved at an earlier board meeting. The State Public Charter School Authority said they would like to see more from us. We have expanded various measures, all to increase targeted outreach. The central office has been canvassing going door to door, and more applications are now coming through.

Feyzi Tandogan seconded the motion.

The board **VOTED** unanimously to approve the motion.

The base amount for in-house substitutes is increasing from \$90 to \$115 and for long-term substitutes, the increase is from \$110 to \$130. The prep time payment was also increased to \$25 per hour. This is effective March 1st, 2022.

Feyzi Tandogan made a motion to approve the amendment of the employee handbook effective March 1, 2022.

Arlene Hayman seconded the motion.

The board **VOTED** to approve the motion.

**H. 2022-2023 School Year Academic Calendar (For Possible Action)**

Mr. Ercan proposed two school year academic calendars, one for Cadence and one for the other six campuses. The State Public Charter School Authority advised us to have a

We should receive the Certificate of Occupancy or Temporary Certificate of Occupancy 30 days prior to the first day of school. CASLV Cadence campus start date will be August 15, 2022, and all other CASLV campuses will start on August 9, 2022.

Elizabeth Kazelskis made a motion to approve the Amendment of the Better 4 You Meals Agreement for the remainder of the 21/22 school year.

Chan Lengsavath, Esq. seconded the motion.

The board **VOTED** unanimously to approve the motion.

**B. Amendment of Kelly Education Agreement (For Possible Action)**

Ms. Peevy indicated she, Mr. Nick, and Mr. Ercan met with Kelly Services and they did a data analysis to compare what other schools in the area are paying for substitute teachers. CASLV needs to increase rates to be more competitive with other schools. Mr. Lengsavath asked if Kelly Services is our only provider. Ms. Peevy explained we are working on another company as an alternative when needed. Ms. Hayman said there is a huge shortage of substitute teachers and additional compensation might help. This is effective March 1, 2022.

Dr. Carryn Warren made a motion to approve the amendment of the Kelly Education Agreement.

Arlene Hayman seconded the motion.

The board **VOTED** unanimously to approve the motion.

**C.**

Arlene Hayman made a motion to approve the CCS contract to continue to provide janitorial services in the amount of \$443,952.

Chan Lengsavath, Esq. seconded the motion.

The board **VOTED** to approve the motion.

**A. Change Orders for Cadence Construction (For Possible Action)**

Our Cadence project architect, Mark McGinty, and Jorge Alarcon from CORE Construction presented and indicated the project is at 38% completion. They are working through a few challenges with the City of Henderson, and have not secured the building permit. They have been through these challenges before and are confident they can work through them. It was discussed that CASLV contracted with CORE Construction at end of

August but the building permit was not in hand until December 15th. There was a lapse over what the City of Henderson asked for and it was not in the plans thus requiring the proposed change orders. The scope of work is being modified.

Mr. Ercan explained this is for the developer fee. \$14,000 was pre-approved by Ms. Diggins, but the cost could increase. The amount is an estimate since we do not know the final number. It was noted that Mr. Gardberg reviewed the agreement.

Ann Diggins made a motion to approve this agreement up to \$58,000 and said this can come back to the board if Nevada Energy requests additional funds.
