The Nellis portion of the amendment is the expansion of high school for the 2023-24 school year, beginning with 9th grade and the addition of 10th grade the following year. There will be two sections per grade level. Ms. Diggins asked if students will be taught on campus. Mr. Vu explained they will be housed at the existing campus during 9th and 10th grade, after 10th grade, they will be part of a dual enrollment program which will allow them to attend a community college during their 11th and 12th-grade years.

Dr. Warren asked about dual enrollment and what if a student is not at the maturity level to attend CSN. Mr. Ercan explained that there will be an assigned counselor at the Nellis campus for these students and they will visit the Nellis campus once a week so the school admin will keep track of their progress and support them. Ms. Diggins asked that Ms. Hayman and the academic subcommittee take a deeper dive into this dual enrollment program (which wouldn't commence until 2025-26) upon the amendment's approval.
