Coral Academy of Science Las Vegas Board Meeting

Date and Time

Tuesday November 15, 2022 at 4:30 PM

Location

10 Cadence Crest Ave, Henderson, NV 89011

Posting of Agenda: This agenda has been posted at the following locations:

Coral Academy of Science Las Vegas ("CASLV"), Green Valley Library, Enterprise Library, James Gibson Library, Paseo Verde Library, Whitney Library, CASLV website at www.caslv.org, and Nevada Public Notice website at <http://notice.nv.gov>.

Format / Procedures / Rules: This is a notice of a public meeting held pursuant to NRS Chapter 241. Members of the public are invited to be present.

Certain items may be removed from open/public consideration if permitted or required by Nevada law. The Board may also (i) take agenda items out of order; (ii) combine two or more items for consideration; (iii) separate one item into multiple items; (iv) table an agenda item to a future meeting; and/or (v) remove an agenda item.

Reasonable efforts will be made to assist and accommodate persons with physical disabilities desiring to attend the meeting. Please contact Ms. Shepard at ashepard@coralacademylv.org at least 48 hours before the time of the meeting, if possible, so that reasonable arrangements may conveniently be made.

Please also contact Ms. Shepard if you would like a copy of the agenda and any public reference materials relating to agenda items. Those materials will also be available at the meeting location.

Those materials would provide you with greater context and clarity as to the matters under discussion.

By law, no one may willfully disrupt the meeting to the extent that its orderly conduct becomes impractical.

All items are action or possible action items if denoted as such.

I. Opening Items

A. Call the Meeting to Order

Ann Diggins called a meeting of the board of directors of Coral Academy of Science Las Vegas to order on Tuesday Nov 15, 2022 at 4:30 PM.

The board took a break from 7:00 PM - 7:34 PM.

Dr. Warren left the meeting from 6:23 PM - 6:28 PM.

B. Public Comment

Public Comment 1:

Ms. Cervantes commented regarding an elementary Spanish teacher position not filled at CASLV Cadence campus. Mr. Ercan indicated a Spanish teacher has been hired and will

start on December 1st. Another concern Ms. Cervantes expressed is she thinks anyone can just walk into the school building. Ms. Cervantes also said she has witnessed emergency vehicles not knowing how to enter the school multiple times due to the building being located in a newly developed area and she added this is concerning if there is an emergency.

Ms. Diggins said the board, working with school leadership, commissioned a complete safety study from Homeland Security for all campuses including CASLV Cadence and that the board is hearing detailed recommendations in a closed session at the end of the meeting today. She indicated she anticipates the board making decisions, working with leadership, and allocating resources and they will definitely keep this in mind.

Public Comment 2:

Ms. Vigil commented regarding some students not being able to sit with their friends at lunch due to staggered class schedules.

Ms. Diggins informed Ms. Vigil for public comment items that are not on the agenda, the board listens and takes public comments in and they will have a further discussion to see if it is appropriate for the board to proceed (by including it on a future agenda) and that typically these sorts of campus level decisions are handled by campus leadership.

II. Consent Agenda

A. Approval of the August 27, 2022 Regular Board Meeting Minutes (For Possible Action)

Ann Diggins made a motion to approve the minutes from Coral Academy of Science Las Vegas Board Meeting on 08-27-22.

Elizabeth Kazelskis seconded the motion.

Mr. Lengsavath abstained.

The board **VOTED** to approve the motion.

Roll Call

Melinda Kabar	Aye
Brin Gibson	Absent
Elizabeth Kazelskis	Aye
Ann Diggins	Aye
Dr. Carryn Warren	Aye
Chan Lengsavath, Esq.	Abstain
Feyzi Tandogan	Aye

B. Report of Purchases and Expenses Between \$10,000 and \$25,000 (Information)

C. CTE-Computer Orders for Sandy Ridge Campus (For Possible Action)

Elizabeth Kazelskis made a motion to approve items B and C in the consent agenda.
Melinda Kabar seconded the motion.
The board **VOTED** unanimously to approve the motion.

III. Discussion & Possible Action Items- Contracts, Purchases, and Procurements

A. Selection of ERC Funding Application Company (For Possible Action)

This item was tabled.

B. Nellis High School Expansion RFA Postponement (For Possible Action)

Mr. Ercan introduced the new Nellis AFB Principal, Ms. Mia Nelson, and indicated that the board approved this amendment request previously and that the State Public Charter School Authority (SPCSA) recommended it be taken to their board on Friday, November 18th. After internal discussion, we recommend postponing the high school at Nellis. We also discussed this with the leadership at Nellis AFB and they are in agreement. Ms. Diggins asked for discussion from the board and everyone agrees it is best to postpone. Ann Diggins made a motion to withdraw from the SPCSA board meeting and postpone with no date attached at this point for the expansion at Nellis AFB.
Chan Lengsavath, Esq. seconded the motion.
The board **VOTED** unanimously to approve the motion.

C. Renewal of Henderson Chamber of Commerce Membership and Sponsorship (For Possible Action)

Mr. Ercan explained he sits on the Henderson Chamber of Commerce board of directors, therefore he is seeking board approval. The invoice is \$800 more than last year due to the new CASLV Cadence campus addition. The total amount of the invoice is \$4,300.00. Melinda Kabar made a motion to approve the Henderson Chamber of Commerce Membership and Sponsorship renewal.
Chan Lengsavath, Esq. seconded the motion.
The board **VOTED** to approve the motion.

D. Cross Country Education-Special Education Services Agreement (For Possible Action)

Mr. Nick explained there is a need for more providers. The current providers have some shortages and can't meet the schools' needs. The fees are fairly comparable to other providers. Mr. Gardberg is very close to finalizing the agreement. It was noted that the special education population has doubled with the new Cadence campus.
Chan Lengsavath, Esq. made a motion to approve Cross Country Education-Special Services with the finalizing of the agreement with Mr. Gardberg, Mr. Nick, and Mr. Ercan. Feyzi Tandogan seconded the motion.
The board **VOTED** unanimously to approve the motion.

E.

Scoot Education Substitute and Special Education Education Services Agreement (For Possible Action)

Mr. Nick indicated this is another special education services agreement to help provide additional services. Ms. Peevy gave an explanation of the fees. Mr. Gardberg confirmed he has reviewed the agreement and it is acceptable.

Melinda Kabar made a motion to retain Scoot Education Services for substitute teachers as well as special education services.

Elizabeth Kazelskis seconded the motion.

The board **VOTED** unanimously to approve the motion.

IV. Discussion/Possible Action Items-Finance/Facility

A. Cadence Campus Construction Change Orders (For Possible Action)

Mr. Alarcon, the Senior Project Manager with CORE Construction, gave a detailed explanation of the construction contingencies while answering various questions from the board. Mr. McGinty with KNIT explained this is regarding balancing the allowances, and he thinks this is fair and within the scope of the contract.

Ms. Diggins explained that the board understands the amount of work and professionalism that has gone into this project, and none of this is to be interpreted that there is doubt those preconstruction services did not occur. The board has some internal questions regarding both processes and the content of those services so they can make an informed decision.

This item was tabled so the board can review the information further.

B. Sandy Ridge Campus Door Replacement (For Possible Action)

Mr. Vu explained the Sandy Ridge campus has had several issues with hallway doors and entrance/exit doors. The campus principal requested doors similar to the doors at Cadence since they are perfect for campus safety. Three quotes were obtained and the recommendation is Vortex, the lowest bidder, in the amount of \$47,125.

Elizabeth Kazelskis made a motion to approve Vortex in the amount of \$47,125 for the door replacement at Sandy Ridge.

Melinda Kabar seconded the motion.

The board **VOTED** unanimously to approve the motion.

C. Approval of HVAC Preventive Maintenance Services Company (For Possible Action)

Mr. Vu indicated this came about because the current vendor is raising fees. CASLV issued a request for proposal (RFP) in October, and five bids were received. One vendor is very small and could not bid on Nellis AFB and Cadence due to their capacity; however, we like their work. We currently use them at our Windmill campus, and they are

their preferred vendor. The recommendation is AC Plus for five campuses (Windmill, Tamarus, Sandy Ridge, Eastgate, Centennial) and EMCOR for two campuses (Nellis AFB and Cadence).

Ann Diggins made a motion to approve the two recommended vendors, AC Plus and EMCOR for the campuses as detailed in the bids.

Chan Lengsavath, Esq. seconded the motion.

The board **VOTED** unanimously to approve the motion.

D. Approval of the Annual Audit to comply with NAC 387.775 (For Possible Action)

Mr. Nick presented the financial highlights from the audit report, stating that there are no audit findings.

Mr. Nick stated that the increase in current assets is primarily due to additional funding from the ESSER grant. Current liabilities decreased. A slight decrease in enrollment constituted a decrease in the revenue from state sources. CASLV has also received grant funds through the CARES Act Elementary and Secondary School Emergency Relief Fund (the ESSER Fund). Other sources increased because of the full in-person instruction and loan forgiveness.

Expenses for regular instruction, general administration, school administration, operation/maintenance, student transportation, and food services increased. Student support and instructional support decreased due to in-person post-Covid related instruction model changes. Unallocated depreciation increased due to the acquisition of assets from previous years.

Mr. Nick presented near-term financial indicators and sustainability indicators. He informed the board that CASLV had 265 days of unrestricted cash-on-hand and a 2.04 debt service coverage ratio as of June 30, 2022 (vs. a bond requirement of 1.10:1.00). For the fiscal year 2021-2022, CASLV meets all financial standards. Mr. Nick presented all federal award amounts, and he also stated that CASLV is in a strong financial position.

Melinda Kabar made a motion to approve the results of the audit report.

Elizabeth Kazelskis seconded the motion.

The board **VOTED** unanimously to approve the motion.

E. FY22-23 Budget Amendment (For Possible Action)

Mr. Nick reviewed the budget timeline, enrollment numbers, and budget amendment in detail while answering questions from the board. Chair Diggins noted that certain Board members continue to monitor this year's financial situation and are working with Mr. Nick on concrete ways of improving performance. Chair Diggins and Mr. Ercan noted certain factors that point to this being a one-year challenge (e.g. increased housing in that area). Chan Lengsavath, Esq. made a motion to approve the 22/23 amended budget.

Feyzi Tandogan seconded the motion.

The board **VOTED** unanimously to approve the motion.

V. Discussion/Possible Action Items-Governance/Policies

A. 2023-2024 School Year Academic Calendar (For Possible Action)

Mr. Ercan presented two calendar options for the 2023-2024 school year and indicated that CASLV administration including all seven campus principals, assistant principals, and deans prefer the August 14, 2023 start date. This will allow for more professional development days for teachers.

Melinda Kabar made a motion to approve the proposed 2023-2024 school year academic calendar.

Dr. Carryn Warren seconded the motion.

The board **VOTED** unanimously to approve the motion.

B. Homeless (SB147) Policy Amendment (For Possible Action)

Mr. Ercan indicated the policy is exactly the same but since we have had staff changes at some campuses, the contact information needed to be updated.

Ann Diggins made a motion to approve the Homeless Policy Amendment and future contact information changes do not need to come back to the board. The board gives authority to Mr. Ercan and his leadership team to make those changes.

Melinda Kabar seconded the motion.

The board **VOTED** unanimously to approve the motion.

C. Lottery Policy Amendment (For Possible Action)

Mr. Ercan reviewed the amendment changes in detail with the board.

Ann Diggins made a motion to approve the CASLV Lottery Policy Amendment as presented and also give the school's legal counsel authority to work with Mr. Ercan on any grammatical updates that don't substantially change the policy.

Feyzi Tandogan seconded the motion.

The board **VOTED** unanimously to approve the motion.

VI. Information/Discussion Items

A. Sandy Ridge Campus Athletic Department Update (Information)

Mr. Jacob Thompson, CASLV Sandy Ridge campus Dean of Students presented and noted the benefits/advantages of sports programs including improved academics. It was discussed that stipends are increased for coaches, tiered by increased hours.

B. Academic, SBAC, and NSPF Reports Update (Information)

Mr. Gunozu, CASLV Chief Academic Officer, reviewed School Report Cards for 2021-2022 SY for all campuses in detail providing a thorough explanation for achievement and growth indicators. This year the Nevada Department of Education (NDE) did not issue star ratings but just released index scores for each school in the state. With the released

index scores, all elementary, middle, and high school campuses would have received 5 stars except Sandy Ridge middle school and Nellis AFB elementary and middle schools. Even though some campus index scores dropped, all campuses had improved their test scores in math. Some English scores decreased, and science scores are gradually improving as compared to the previous year. He discussed actions taken to maintain high scores. Interventions are planned at all campuses. The root causes of all changes were explained. In general, chronic absenteeism and growth are the two main causes of low performance for Nellis AFB elementary and middle schools and Sandy Ridge middle school. Sites will present their action plans, and we will continue monitoring the progress. Our current plan proposes tutoring, parent involvement, and teacher professional development.

1. Nellis Campus Action Plan presented by Ms. Mia Nelson

Math and ELA proficiency are higher than pre-Covid. Prior interventions have improved results despite overall academic proficiency declining. Because some of the index changes year-on-year for students, we have so many new students each year at Nellis AFB. There are still problems with chronic absenteeism. Key areas to improve are academic achievement and student growth indicators.

The SPCSA is recommending monitoring/oversight. More details will come on Friday. It may be more of a hindrance than a help if it's simply increased reporting.

2. Sandy Ridge Campus Action Plan presented by Ms. Tanya Markley

Middle School Campus index score decreased. The achievement score is perfect. Problems discussed are chronic absenteeism (Ms. Markley described an action plan) and discussed student growth targeting the lowest performers.

Ms. Diggins said she would like to know what will be required from staff for the additional monitoring. She would like a focus group to visit Nellis in December/January and indicated that whatever resources Nellis needs should come back to the board.

C. Financial Update (Information)

Mr. Paul Khoury with DMS Financial Consulting reviewed the October financials in detail and indicated the organization as a whole is as strong as ever. The cash ratio and current ratio continue to grow which are all good signs. CASLV's unrestricted cash on hand as of October 31 is \$21 M. There is \$4 M invested in CDs. CASLV is on track for an even budget this year. Mr. Khoury indicated the debt covenant ratio could be an issue but it is still early in the year. The debt covenant requires a certain ratio to the overall bond payments. Mr. Khoury also pointed out that the supplies budget is \$5.2 M and CASLV has spent \$4.1 M due to the new school being set up. Mr. Khoury stated that 78% with 34% of the year gone is a high ratio. Overall the organization is very healthy.

D.

Discipline Report (Information)

Mr. Vu reviewed the suspension and expulsion report with the board and the SWIS data report was also reviewed in detail. It was noted that some staff members are still learning SWIS so some data is skewed on that report. Ms. Diggins said this is good data and it is helpful. The board thanked Mr. Vu for the detailed reports.

E. Executive Director's Progress Report (Information)

Mr. Ercan discussed CASLV's accomplishments and important information regarding students and school clubs with the board.
