#### **IV. Discussion & Possible Action Items- Contracts, Purchases, and Procurements**

##### **A. Sandy Ridge Campus Kitchen Renovation (For Possible Action)**

Mr. Vu explained this came about when the kitchen staff made a note that there is no barrier to prevent students from going into the kitchen and students were going in and

taking apples, milk, etc. The kitchen staff would like more privacy. A door will be created with a service window. Mr. Vu indicated Desert Valley Contracting is the lowest and they have experience working with CASLV. Ms. Kazelskis asked if a permit is needed. Mr. Nick added the board can conditionally approve this and Mr. Vu will see if a permit is required.

Chan Lengsavath made a motion to conditionally approve the Desert Valley Contracting quote to complete the Sandy Ridge Campus Kitchen Renovation for \$25,740.30.

Ann Diggins seconded the motion.

The board **VOTED** unanimously to approve the motion.

#### **B. Nellis Campus Portables Agreement (For Possible Action)**

Mr. Vu explained that this item was tabled from the last board meeting due to the high cost. An RFP was sent and staff reached out to multiple vendors. Mobile Modular was close to \$100K cheaper and staff recommends them. The overall bid cost is \$250,220. Chan Lengsavath made a motion to approve the Mobile Modular quote for \$255,228.17 for 60 months which includes the monthly and one-time fees.

Feyzi Tandogan seconded the motion.

The board **VOTED** unanimously to approve the motion.

#### **C. Curriculum Orders (For Possible Action)**

Mr. Selim presented the curriculum orders and indicated middle school is up for renewal for math, social studies, and ELA. There is also grades 6th-9th Spanish curriculum. Along with two installments that were approved last year for Reveal and Wonders which are K-5, there is no new agreement, these are installment payments. Quotes for each campus were provided based on the numbers they received which include all digital and print. Mr. Nick added that this is the maximum amount since the Spanish curriculum is still being discussed with CASLV Nellis.

Chan Lengsavath made a motion to approve the curriculum as listed on the supporting document not to exceed the amounts listed.

Ann Diggins seconded the motion.

The board **VOTED** unanimously to approve the motion.

#### **D. Health Insurance Renewal (For Possible Action)**

Ms. Peevy presented the health insurance renewal. CASLV's insurance broker solicited multiple quotes in addition to the current provider Health Plan of Nevada (HPN). HPN's premiums are rising by 4.8%. Ms. Peevy explained the existing provider has offered a much better rate. Overall a 6% increase. Staff recommends the same provider so employees are not inconvenienced with new doctors, new paperwork, etc. The life insurance provider proposal offers greater coverage with the benefit of two times the base annual salary with a \$200,000 maximum that will start on July 1, 2023. Until July 1, 2023, we will continue with the current benefit of \$50,000. Health insurance will start on April 1, 2023.

Chan Lengsavath made a motion to approve the quote for the health insurance to start on April 1, 2023, and the increased life insurance plan to start on July 1, 2023.

The board **VOTED** unanimously to approve the motion.

**E. Special Education Support Staff, LLC Agreement (For Possible Action)**

Mr. Nick indicated staff would like to add a fourth provider to CASLV's pool of providers, for optionality. Four providers are needed to serve all of the needs. It is difficult to find one provider for all services. This company serves other charters as well. The goal is ultimately to handle in-house. All providers are licensed/background-checked and check-in/out of campuses. Mr. Gardberg has reviewed this agreement and made the necessary revisions.

Ms. Diggins asked if the Special Education (SPED) Director is keeping up and if they need additional resources as she is concerned with multiple providers and consistency for students. It was discussed that a SPED report be provided at the next board meeting. Arlene Hayman made a motion to accept the special education support staff agreement to become a vendor for our school.

Chan Lengsavath seconded the motion.

The board **VOTED** unanimously to approve the motion.

The board requested multiple edits to the document. Ms. Diggins asked for a report on how this is working at the June board meeting.

Chan Lengsavath made a motion to approve the grievance policy with the understanding there will be a flow chart or something to simplify it as well as include campus-specific information.

Elizabeth Kazelskis seconded the motion.

The board **VOTED** unanimously to approve the motion.

**B. Additional Step adding in the maxed-out Salary Schedules Steps**

Ms. Peevy informed the board this request is to add a new salary step at all campuses, for most senior teachers that are about to max out. This is to increase one additional step. Mr. Gardberg added it is good that we are loading more money into teacher salaries, to serve the public policy goals of the board. Mr. Garberg also indicated the agenda did not specify (For Possible Action) so he recommended the board approve now but also bring this back to the next meeting to be in full compliance with the open meeting law.

Arlene Hayman made a motion to approve a nonbinding agreement to accept the additional salary steps for all campuses including Nellis AFB for the 2023-2024 school year.
