**D. Amendment of the 2024-2025 School Year Academic Calendar (For Possible Action)**

Dr. Gunozu presented the proposed changes to the 2024/2025 school year calendar:

- October 14th will be a PD day to accommodate parent-teacher conferences.
- Sandy Ridge Campus would like two half days in April for senior project presentations. To accommodate this, Administration is recommending an "Alternative Calendar," meaning the Campus' annual duty to NDE will be measured in total minutes, not days.
- Nellis AFB Campus would like special data days which will be off days for students so staff can study data and adjust instruction. They will extend school days and the Department of Defense agrees. This will reduce absenteeism because it will free up base family days. Instructional days increased by 10 minutes this year and will increase by 25 minutes next year so we will exceed minutes.

Ms. Hayman applauded Nellis for proposing the data days and explained the importance. It was discussed that other principals are interested but would like to see how it goes at Nellis AFB.

Ms. Kazelskis asked that the different calendar changes be communicated well to parents so they understand.

Feyzi Tandogan made a motion to approve the amendment of the 2024-2025 school year academic calendars as presented.

**E. Amendment of the Personal Time Off Policy (For Possible Action)**

Ms. Peevy stated that CASLV would like to remain competitive to ensure retention and attract new qualified teachers. Staff was surveyed and they would like more personal time off (PTO). Last year we increased PTO days from 8 to 9 days and now we would like to increase PTO days from 9 to 12 days. This will help to improve work/life balance. The amount for unused PTO days will increase from \$120 per day to \$150 per day. Ms. Peevy answered various questions from the board.

Chan Lengsavath made a motion to approve the amendment of the Personal Time Off Policy.

Dr. Carryn Warren seconded the motion.

The board **VOTED** unanimously to approve the motion.

**G. Nellis Campus Salary Schedule Amendment Approval (For Possible Action)**

Ms. Peevy stated that the Nellis campus received a grant, which will be used to increase teacher salaries for retention and attraction. This initiative will begin in August 2024 and will continue as long as the grant is received. Dr. Ercan added that there will be a \$2,000 increase at all steps for the Nellis campus teachers, funded by the Impact Aid grant.

Elizabeth Kazelskis made a motion to approve the Nellis Campus Salary Schedule Amendment.

Feyzi Tandogan seconded the motion.

The board **VOTED** unanimously to approve the motion.

**H. Additional Step adding in the maxed-out Salary Schedules Steps (For Possible Action )**

Mr. Nick discussed key aspects of the budget, including the projected number of students, total income, and total expenses, and confirmed that the budget is balanced. Notably, 69% of the budget is allocated for salaries (which is above national and state charter averages), while only 12% is designated for facilities (which is below such averages).

Mr. Vu added that the space is only being used for storage and recommended Tridel for the project at a cost of \$85,300.

Chan Lengsavath made a motion to approve the remodel of the Windmill locker room/restroom into office space and a classroom remodel with Tridel for \$85,300.
