It was discussed that the Board must replace Ms. Hayman with a current or retired teacher in good standing. The nominee is Melinda Kabar, a special education teacher at a local district school with a master's degree.

Dr. Ercan noted that Arlene's resignation is regrettable, emphasizing that term limits were removed to retain experienced members like her. This position differs from a regular Board membership, as it requires a teaching license, and today's candidate is highly qualified.

Ms. Hayman acknowledged that it is the appropriate time for this transition. Ms. Hayman introduced Ms. Kabar, who currently teaches at an elementary school, serves 28 special education students, and acts as a mentor. Ms. Kabar expressed excitement to join the Board and contribute, and Mr. Lengsavath welcomed her to the Board.

Dr. Ercan noted that CASLV has already met or exceeded many empirical benchmarks, including teacher retention and student retention, both of which are above target. He said that he will provide more information regarding meeting the goals of the strategic plan at the next meeting.
