### **C. Finance Committee Report**

Discussed big picture with DMS on reporting format and budget development

### **D. Executive Director/Principal Report**

Ceiba has been working on Master Schedule for next year

Spring Intersession Professional Development just completed today

- Math and Science department looked at potential master schedule options and curricula for next year; will choose a paired elective to build math and science knowledge/skills
  - Next step would be to get the curriculum materials to support

Graduation requirements in draft mode

- Specific on what courses needed to pass to graduate (i.e. for "four-years of social sciences" Ceiba lists the exact courses that will be taken)
- This will come up later in action items
- Revised graduation requirements will be communicated to families in the Family Handbook and at orientation
- Continuing students will be phased in to the new requirements. College counselors and registrar will determine which students require specific courses to satisfy the new requirements.

O. Madrigal left.

### **E. 18/19 LCAP Report**

19/20 LCAP is currently under development.

- Need to go back and look at 18/19 services and actions to see how we did.
- We must also incorporate and keep the California CDE Dashboard in mind as Dashboard accountability is important.
- Areas of concern:
  - College & Career rate
  - Suspension rate
    - 15/16 report was errantly reported at 0%
    - 16/17 report showed in the Dashboard as "Red" for major concern since the rate went from 0 to 7.6%
    - 17/18 report raised it from 7.6 to 9.1%
    - 18/19 to date, currently, Ceiba sits at 4.6% suspension rate
      - Staff attribute the improvement to the implementation of a large number of different supports could be used instead of a suspension. Consequences have changed to better serve the students that have committed a behavior infraction. Ceiba is piloting newer interventions, more team building activities, and focusing professional development on academic and behavioral interventions
        - Ensuring Counseling Services in place
        - Reviewing placement of support staff
        - Hiring a campus supervisor to provide on-the-spot early intervention
