This is money received from the state that supports energy improvements. Ceiba has about \$211k to make improvements and save money on utility bills.

Current plan would be to have a solar parking structure. If approved tonight, it needs to be contingent on landlord's approval.

Ceiba has an intermediary company (lumeo) that oversees the bidding process and has selected Absolutely Electric to do the work. Millar had Ceiba's legal team review the contract before bringing for approval; attorney added language about payment/performance bond and insurance coverage.
