G. Progress Toward FY17 Goals

L. Abbate provides an update to the Governance Committee's goals:

- Board meeting attendance has improved but he suggests implementing a better monitoring system for it
- The goal to support the Executive Director around recruitment, development, and retention of top talent should be changed
- Adapting the governance structures to meet the needs of the school is an ongoing goal
- The committee was successful in recruiting 2 new board members but did not get many recommendations from trustees. He suggests tightening up the recruitment process.

III. Academic Achievement Committee

A. Progress Toward FY17 Goals

R. Sela provides an update to the Academic Achievement Committee's goals:

- Emily, Amy, and Rachel have made progress towards creating a consistent structure for monitoring academic progress by using the academic dashboard at almost every Academic Achievement Committee meeting and by including Emily and Amy in those meetings. She notes that the students took the MCAS instead of the PARCC and that the results from the MCAS will not be released until October. She also highlights that 8th grade matriculation is an ongoing goal as the committee will see how they do in 9th grade.
- DESE Common Criteria was recently edited so this is an ongoing goal that will be shared with the board at a later date.

- Steps have been taken towards dissemination but nothing has been implemented yet. The committee has determined that the culture of the school and the standards based grading system will be the two biggest topics of dissemination.

R. Romano discusses the class reunion and how it can be used to help track students who have graduated from Veritas. Suggestions are made to have a staff or board member dedicated to alumni relations/outreach and/or to have a student class/alumni president to help Veritas stay connected with its graduates.

IV. Finance Committee

A. FY17 Projections and Bonus Update

L. Doherty discusses the status of the Finance Committee and notes that we are ahead of target for our budget and that the cash flow is in a good position.

R. Romano notes that the committee anticipates landing close to budget and that a portion of the surplus will be used to give 5 year bonuses to Veritas staff.

B. Progress Toward FY17 Goals

L. Doherty provides an update on the Finance Committee's goals:

- The committee has stopped the idea of traditional fundraising for the building. Steps have been taken towards PR/Marketing, highlighting that dissemination efforts will be used to rebrand Veritas and that the committee has started preparing stories for this. She notes that that committee should focus on building a supporter list.
- The committee has been successful in ensuring fiscal policies and procedures are implemented with fidelity, highlighting the addition of the Chief Finance Officer and the new audit firm that is focused on charter space and that provides good feedback.

V. Executive Director

A. Report

R. Romano invites board members to attend the Executive Committee meeting on Monday, June 26th at 9:00am.
