## **II. Finance**

### **A. Review November Financial Reports**

Tony suggested adding a note to Accounts Receivable so finance committee can see the source(s).

Denise and Matt suggested performing an analysis of cash flow to see if more funds can be transferred into the higher interest bearing money market account.

Lisa suggested and committee members agreed to show the Friend Space & Services Fee on a separate line in the revenue section of the P&L from Restricted grants (Lynne will make that change on the December reports).

Lynne highlighted some enrollment struggles management has seen this year with higher number of students moving out of the district than last year and more students going back into SPS too.

Finance committee agreed with how the BARR Foundation grant is being presented on the grant report.

### **B. Revise FY20 Operating Budget**

Lynne gave an overall explanation to why she is suggesting the FY20 budget be revised due to variances in revenue and expenses being more than 10% in any one bucket due to the BARR and Safety Initiative grants.

Lynne will adjust two of the revenue amounts; Safety Initiative grant and Space & Services Agreement fee as noted by Tony for next month's meeting.

Lisa suggested including a Summary Narrative to the FY20 Budget revision for finance committee to review at the next meeting so when presenting to the Board it will be clear as to why a revision and in what areas of the budget were affected.

### **A. Adjourn Meeting**

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 9:29 AM.
