## II. Governance

### A. FY21 Goals

Aaron shared some of the questions to guide our discussion around goals:

What is our vision for the future?

In five years we will have a fully populated 5-12 with students and staff. Is this all we want to do or do Are there opportunities to merge with other MA Charter schools?

Do we have management capacity to do more?

What is the charter renewal timeline and how does it align with h.s. opening?

Should we be looking to continue to operate in turnaround in holyoke?

How does this contribute or detract from our mission at VPCS?

The committee discussed these questions and drafted the following goals:

**1. Design a process to support the board in its decision around continuing to engage in a Collaborative Space and Services Agreement with the Friends of VPCS in order to support the turnaround of the HPS through the management of VPH.**

-create space to have a broad discussion with all trustees about the work in holyoke, hear opinions and questions to guide next steps.

-collaborate with a rep from Friends to create a timeline for a decision.

**2. Create a maturity plan for the board that aligns with our organizational values and shares a vision for where we want our board to be in 3 - 5 years.**

**3. Create a new trustee onboarding process that can be done remotely.**

-review content from old binders

-explore Board on Track to see how to use it for this purpose

**4. Explore options and possibilities that would allow us to expand in the charter sector**
