## **5 Year Plan**

R. Romano opened the discussion on potentially expanding to a K-8 school exploring the questions of "How will we expand the program without impacting or jeopardizing our current program?" and "How will expansion help us to solve current challenges?". She commented on adding a leader in residence focused on the expansion. She commented that a K-8 program could impact students earlier in their lives. There are short term gains on current challenges but there will be new challenges arising. L. Abbate commented on changing the terminology describing special education/students with disabilities. R. Romano is undecided on the plan. S. Alston commented on clarification on why we start the expansion with kindergarten and not 4th grade. R. Romano commented that it is still being reviewed. D. Fuller commented on the transient and mobility rate of the area. R. Romano commented on the plan for enrolling students and backfilling seats and the impacts on the current program and also expected impacts for an expanded program. Discussion around the culture to keep kids in our school. R. Romano commented on the information she received from her meeting with a representative from the Charter School office. She commented on revisiting other plans for the school. Discussion around a request for more seats and how to expand. M. Sweet would like some flexibility and timing with on-boarding a new leader. R. Romano proposes that a new plan be created for expanding middle school and then a K-8 expansion at a later date. M. Sweet commented on the decisions that need to be made and the timing involved for all of them. R. Romano provided information on proof/provider criteria and where we stand and what are the challenges. R. Romano will prepare a plan and proposed vote to the June Board meeting.
