## II. Finance

### A. Charter School Revolving Loan Fund

Prior to now, we could not pinpoint when we would receive CSRLF grants in 2018, so we began researching alternative offers (i.e. Charter School Capital).

Now, we have learned that we can get CDE funding. If we vote to approve and expedite the process, the funds will come "in a few business days." We need to have the funding by Friday, so we can make payments the following week.

The alternative is to go with Charter School Capital. If we take this route, the additional cost to Aurum is somewhere around \$4,000.

The disbursement schedule of the CDE loans is new. This is why we decided to wait until seeking board approval.

J. Jordan arrived.

P. James made a motion to Approve the CDE loan for \$250,000.

K. Fliss seconded the motion.

The board **VOTED** unanimously to approve the motion.

**Roll Call**

M. Hall	Absent
V. Toke	Absent
