Kevin Nesbitt mentioned that the committee is very interested in staff retention. The process for promotion in doubt was discussed, along with the school's Response to Intervention program. The academic leadership structure was also discussed.

Doris Givens arrived.

IV. Finance

A. Report from the Finance committee

Kevin Nesbitt made a motion to approve the budget for Fiscal Year 2020.

Doris Givens seconded the motion.

The board **VOTED** unanimously to approve the motion.

Finance committee reviewed the enrollment for the year, we expect to be at target by the end of the year. Reminder of the protocol for non-per pupil funds to be moved to a separate savings account, and of the new savings account with a higher interest rate.

The committee also reviewed the proposed budget for Fiscal Year 2020. The budget is expected to increase by about 4% because of increased projected enrollment to better align with historical enrollment and an increase in per pupil rate to be received. The biggest driver for expenses is staffing, noting increase in base compensation for returning staff and other benefits such as 529 contributions. Happy staff wants to stay, we are in competition with other schools, and so we offer benefits that are attractive to staff. This is a balanced budget which assumes that the cap does not get lifted, but thought has been given as to how this budget may change if the cap is lifted.

After a discussion, the committee voted to recommend this budget for the Board's approval.

V. Governance
