Committee Chair referred the board to the minutes of the Academic and Family Life Committee call.

Preparation for NYS tests are ongoing.

School is engaging in its regular staff review process, with the Q2 meetings.

The school surveys staff and strategically plans to meet student needs, promote staff retention and ensuring the staffing pipeline remains strong. The process helps morale as we have good communication with staff and staff input in the staffing plan.

Graduation is the morning of June 18th, 2022 at Medgar Evers College.

III. Governance Committee

A. Committee Update

Priorities remain the same in governance. We are still continuing to recruit trustees. Board assessment review will be reviewed and discussed further to continue the growth of the Board of Trustees; further discussion will be reviewed in Executive Session in April 2022.

IV. Finance Committee

A. Committee Update

Focus on having healthy conversations at committee meetings; focus on whats new, challenges and opportunities to ensure effective dialogue.

Current snapshot of enrollment for the day is 713 total students and 153 special education. A reminder that school has rolling enrollment, which may change week to week, throughout the year.

Bank Account balance remains strong, per pupil dropped and we remain in process for Payment 6 (May FY22)

We continue to follow our financial policies and procedures as we make payments for school expenses, with the appropriate levels of decision making and oversight on expenses.

At the April Finance Committee meeting, Executive Director will present initial draft of the FY23 budget, as a part of the ongoing master budgeting process, following the passing of the New York State budget, which includes the key FY23 student per pupil rate.
