Members of the public wishing to speak during the public comment period should fill out the Public Comment Form, including their full name and general nature of their comments, prior to the start of the Board Meeting in which they wish to speak. No individual may transfer any remaining time to another individual that is also signed up to speak. A total of up to fifteen (15) minutes will be provided for individuals to speak and no person may speak more than once during the public comment portion of the agenda. The Board reserves the right to modify the time for public comment at any open board meeting.

If a public member requests an extended discussion, it will be at the discretion of the Presiding Officer as to whether to grant further public comment and how much time is allotted.

For the indefinite future while board meetings are conducted online, the School's Public Comment Policy shall be adapted to allow public comments to be made by email (preferred) before the meeting in adherence with the process and timeframe provided before each meeting or by verbal participation during the public comment period after recognition by the presiding board officer.
