- We are working with our insurance company to begin monthly safety committee reports for the K-12 campus.
- The office staff recently went through concussion protocol, first aid and CPR training.
- School Resource Officer (SRO) update - the county is in support of us funding a 12 month position instead of just a 10 month position. We also have a parent who is a recently retired sheriff who may be interested in working for us a private security service. We will get two quotes where we can compare the costs and benefits.

- There is new business with our maintenance contracts that we will discuss later.

- Our PATH meeting on 8/27 was highly attended. After an overall update and brief explanation of PATH's role, they split into 4 task groups: K-5 Liaisons, Middle School Liaisons, High School Liaisons and Teacher Appreciation.
