II. Other Business

A. Open Discussion

- Lots of unknowns. Different requirements for different grades - 2 vs 5 vs 7 can be confusing with multiple children enrolled
- Not worried about kids catching up given the situation
- A little more academic opportunities would be nice. Accomplish more content-wise. More in-person live sessions
- Teacher relatedness with students going great virtually
- Not overwhelming for students

III. Future Visions

A. Strategic Plan Updates

Goal 4 seems to be about both education and extracurricular

4.1 add "..and safe" Thinking about mulch levels as an example. And now that we have a safety task force being created.

4.2 Move to goal number 3 under STEAM

4.3 Also mention larger play space K-8. What about mentioning selling sponsorship and advertising.

Lisa addition: new 4.4: Develop a transparent financial plan for athletics through a range of options to include: school budget, annual fund, community funding and sponsorships, etc. For the "who" Leadership team, athletic director, and boosters (this could be moved to Goal #1)

Suggestion to add new goal

Goal 3 Educational/Academics (investment in education infrastructure like "wet labs")

Goal 4 Facilities and grounds

Goal 5 Extracurricular

Communication? Align to survey

Goal 5

5.1 Form and enrichment committee. Also guest speakers and in-house field trips

Recommend adding a technology bullet point. Example of grant for ipads and MacBooks. Technology planning. Importance of IT to be called out. Better connection to internet. Chromebook example and connectivity issues.

5.2 Can we call out some of the specific events. Will we have a K-8 Curriculum night. High School CN was a big success.

5.1 and 5.4. Combine

5.5 What about the role of clubs. Student-driven service clubs.

Mention of Comprehensive Character Development program and hiring full time K-8 counselor.
