V. Covid-19 Updates

A. Update on COVID-19 & Re-Opening Plans

Ms. Bair gave an update on the current status with COVID-19 as it relates to re-opening plans for ERA and second semester. Another survey will be sent to families to gauge feelings and perceptions about returning to school as we get closer to second semester. The school admin team will look at how to transition students with minimal disruption.

When ERA returns to Plan B, we will begin with students in grades K-5. The school staff is prepared to bring students back when the data will allow them to return safely.

Mrs. Anspach asked if the outcome of the election would have an impact on students returning to school or allowing the school to remain remote. Ms. Bair said this is to be determined and would be based upon what the NC General Assembly decides.

Ms. Bair said that the December decision will be applicable for the remainder of the year in order to not disrupt learning and schedules as much. The school will offer some social events while practicing safety to build community.

Charles Penny II made a motion to Approve the hybrid plan model for re-opening for potential implementation based on health and family survey data.
