Talked a moment about group norms and what type of group we want to be: positive, solutions-focused, Inclusive, confidential (others can be added at future meetings as they are defined or revised).

III. D & I Task Force Action Items

A. Review / Discuss

- Discussion centered around statement and whether this “FYI” should have a position statement around support resources available to students and families. Or even a stronger position statement. To be shared at the next board meeting. What is the intent of this statement?
- Questions about the interview team. De’Wana expressed interest and added. Dianne can be optional as needed as the team size seems very good.
- Student perspective shared and need for resources and faculty education (i.e. dealing with Micro agressions)
- Concerns about the pace of action and progress. Discussed previous action items and timeline. Requests for more specifics on timeline, “when.”.
- Asking interview team to research new resources identified or those we had difficulty contacting. Interview team to conduct initial screening of resources and to identify their offerings and availability. Decide whether a next conversation should be had by admin and interview team group. Tracking and recording sheet above in this Google doc to capture notes.
