IV. Executive Director Announcements and Updates

A. Monthly Executive Director Update - Including Covid Updates

We will have our first full day in service with Dr. Lanier. He will be presenting from 8:30a-3:00p.

We are completing our first round of benchmarks at K-8. We will have grade level team meetings this week to go over the results and discuss next steps. Once we have analyzed the data, I will be scheduling a Zoom parent meeting to discuss our remediation plan.

The high school team held a club fair last Friday. This was a great opportunity for the students to learn about club opportunities at ERA.

I am in the process of completing a grant application that would be worth around \$147,000. We will be able to use that money for outdoor learning spaces and other ways of combating Covid including instructional resources. I am meeting with an outdoor design consultant at the end of the month to develop a plan which will be shared in the October board meeting.

We have been administering Covid tests to symptomatic students. The program has been a big success so far.

To date, we have had a total of 7 Covid cases at K-8 and 2 at the high school. The cases were all contracted outside of school. Family members make up 6 of the 7 cases at K-8.

High School had a club fair last week. All of these clubs are student lead and have at least 1 staff member sponsor.

Administration is working to put together a Covid case dashboard to report the weekly case number in the newsletter.
