IV. Executive Director Announcements and Updates

A. Monthly Executive Director Update - Including Covid Updates

- **We had our first full day in service with Dr. Lanier. Based on feedback, he held an additional ‘processing’ meeting to address some concerns/challenges that were voiced by several faculty members.**
- **Report cards will be issued on Friday.**
- **We completed our first round of benchmarks at K-8. Our data analysis shows that our students need intervention in a few specific areas including computation, fluency and vocabulary. Our teachers will be meeting with Mrs. Martin and Mrs. Boysel (MTSS Coordinator) to go over progress monitoring on Friday.**
- **We have received our first grant approval and have been awarded \$328,000. That money will be used for outdoor spaces, technology, and learning gap materials. We are waiting for final approval of a grant worth \$147,600. We should have that decision by the end of the week.**
- **To date, we have had a total of 8 COVID cases at K-8 and 3 at the high school. The cases were all contracted outside of school. Family members make up 7 of the 8 cases at K-8.**

We will be conducting our lockdown drill on Wednesday, October 27th. I will alert K-8 families on Monday since this is a sensitive topic especially for younger students.

B. Celebration of events and achievements by ERA Staff and Students

Included in the Executive Director update.

V. Committee Updates

A. Future Visions Update

Future Visions has their third meeting next week on the 27th. We will continue with putting together proposals for outdoor learning and athletic spaces.

State legislature still has not agreed on a budget. For our school audit, Acadia needs to do management discussion and analysis and then audit is reviewed by our auditor and then released to the state.

C. Communications Update

Create a newsletter to send out as a board monthly to introduce ourselves. Monthly beginning in November. Other items to include in the newsletter would be past meeting's board minutes., exciting events coming up, updates from Future Visions, D&I. Sabrina and Sarah Hernandez to work on this and send out the November board meeting.

VI. New Business

A. Board Assessment and Goals

Have all voting board members take the board assessment. We need to focus on fundraising and board goals over the next couple of months. Discussion on different fundraising ideas to implement. Bring 1-2 board goals to the next meeting.

The board **VOTED** unanimously to approve the motion.
