3. Lotter opens Jan 4- had a lot of inquiries- tours have been huge, in-person tours this year.

Sara- thank you for Mrs. Hoover

Lisa- starting to allow families to come to campus, but may tighten up after holidays and then see how we do with that with people traveling for holidays and then open back up once we see how things are going.

VI. Committee Updates

A. Future Visions Update

Couple went with Mike and met with Ms. Bair and walked the space, we now have a good idea of where we can go from here. You can expect some things from future visions coming in January.

B. Finance Update

Charles- state did pass budge and sign, but still waiting to see what the sate will pay per pupil. State allowed second draw of funds, so deficits have been removed.

C. Communications Update

Sabrina- update in January

VII. Old Business

A. Vote on status of ERA Face Covering Policy

COVID numbers have not changed since yester- just had one positive case- seems to go through families. Total 14 in K-8 and 7 in High School. 3 right after Thanksgiving. We have been able to test students that have symptoms and contact tracing. Mask mandate still requires mask in buildings. Once mandate is removed, we will seek out information from families to see what their preferences are to allow families to have a voice, but mandate is still in order with number still increasing in the community. This vote today will cover until the new year. Staff will also be surveyed to give voice as well.

Sabrina- what happens if a school does not follow the mandate? what are the consequences?

Charles- I don't like masks, but my kids will wear a mask indoors, I will wear a mask indoors, I will always vote yes, because we cannot control what other households do.

Sarah- need think about this as a public health perspective. Want to caution everyone before we go too deep because we need to find out more information, and can talk in more detail in January. Put this to a vote today with the understanding that we are on a mandate.

Jeremy- no need to get too deep- I am not going to go against a mandate. We can discuss it further. Lisa- when are you going to send out a new survey?

Lisa: I have been in touch weekly with the public health, to note, masks keep us from having to quarantine families
