IV. Executive Director Announcements and Updates

A. Monthly Executive Director Update

- In an effort to bring families into the building and increase exposure to our K-5 specials, today we hosted our Specials Showcase. Today was a K-2 focus and in the spring, we will host 3-5.
- We held our first Trunk-or-Treat in October and it was a huge success. The high school clubs were instrumental in helping organize the event. We will work to make this an annual event at ERA.

- Our high school peer ambassadors have begun their activities in both buildings. They signed up for activities of interest including tours, relationship building with 9th grade CATs groups, outreach to the lower school, buddies, and service. Last week, the ambassadors had a pizza party with their buddy. A buddy is a student identified as needing assistance socially, emotionally, academically, etc. It's a wonderful program and I can't think Mrs. Sealy enough for her organization and leadership of this enriching program.
- Congratulations to our fall sports teams. Volleyball and soccer both made the state playoffs.
- Cross country placed second and ninth in the state. We appreciate all of our coaches for their time and effort in creating such a great program.
- Our School Improvement Team is planning their first meeting after Thanksgiving. We will begin with some team building then start looking at the strategic plan.
- We have begun receiving annual fund donations. We are well over \$2,000 at this point. There are 489 families at ERA.
- I have contracted with a firm to do a risk management assessment on both schools. The scope of work will include school safety and security assessments and review any potential vulnerabilities and recommendations on how to correct those. The work will begin in December with information gathering then a site-visit in January.
