V. Executive Director Announcements and Updates

A. Monthly Executive Director Update

Legislative Update: As you may have heard, the NC General Assembly passed several new laws that apply to every public school in NC. I am working with our legal counsel and

the NC Association for Public Charter Schools drafting policies that are in compliance with these new laws. I will present these for vote in the November meeting.

Bobcat Annual Fund: As of today, we have \$10,905.13. We will have a family update next week showcasing another grant that was funded by last year's Bobcat Fund.

Athletic Field: On October 16th, our lawn care team sewed athletic rye. This should provide an immediate improvement for fall through spring. In April, they will aerate and seed Bermuda grass. We will continue to work on these improvements as time passes.

Air Purifiers: Last summer, the NC Dept. of Health and Human Services, offered air purifiers and filters for every classroom and office in our school. These have all been delivered and placed throughout both buildings.

Tours: We had our first tours in early October and they were well attended. We will continue to offer them through February which will take us to lottery on February 23rd. The lottery window will open on January 2nd and end on February 16th.

Academic Update:

Data: Kristin Martin and Lindsey Sealy have prepared a data dive. See slides presentation link in agenda.

 - Creating a fundraising team.

VII. New Business

A. Apptegy Proposal

Feedback last year on website- Mrs. Bair has researched companies that provide education/website software for schools. Apptegy is a company well regarded in multiple schools and was her top choice. They would provide ERA a school specific App-mobile strategy for ERA. and it would do a live feed for the website as well.

- It would redo ERA website and create App- ERA specific
- It would provide up to date- instant updates, athletic information, and much more upto date information for the school to broadcast to community.

See link for Apptegy presentation.

Cost- Lisa gave details on cost and timeline.

Feedback and questions were discussed concerning the proposal.

Kristi Anspach made a motion to Approve to move forward on Apptegy Proposal as presented by Mrs. Bair.

Pamela Norcross seconded the motion.

The board **VOTED** to approve the motion.

B. Executive Director Evaluation

Executive Director evaluation team (Dave, Sarah and Sabrina)- proposed to update the definitions for the executive director standards that are currently in place.

- This change would update the definitions of "below, meets and exceeds expectations".
- Proposed new definitions are in link under agenda.

Discussion- There was consensus that this change should not be done in the middle of the academic school year. More time and discussion is needed on this possible change-

- If changes are made
- What those would be

- Include Lisa in that discussion.

Then a rough draft of proposed changes would be sent to board a head of time, then align and vote. If changes are made would not take effect until next year 2024-25.
