## **IV. Old Business**

### **A. ED Recruitment - Recommendation for in person campus visit**

Pamela discussing the ED recruitment candidates recommended by the ED Hiring Committee:

- Zoom interviews of top 6 candidates took place. Gave feedback and ranked those candidates. Now board to review information/folder of top 4 candidates.
- Need to be in closed session to discuss specifics about top 4 candidates due to privacy and confidentiality.
- A Google folder with top 4 candidates will be sent to board to review.

Committee has worked hard on this. 100% attendance of hiring committee.

Dave commented we are where we want to be as far as timing of process.

In-person plan- Dedicating 2 days interviews (1/2 day per person- 3 hours each candidate), tour, presentation, time meeting with principals and time with board.

### **B. Teacher salary schedule**

Kristin sharing screen- of the 2024-2025 Teacher and Counselor Salary Schedule. (see below for details of salary schedule)

Received counsel from attorney and HR- Highlights-

- Need transparent salary scale.
- Discussed the Standard NC State Salary scale chart.
- Wanting to close the gap between teachers.
- Worked hard to make sure this fit within our budget and including the budget for new ED, and two high school principals.

Sabrina and Adam worked on this process and figured out the details. To have a transparent pay scale and pay as much as we can.

Please note- ERA only gets State funds and no county funds. Supplemental pay has to come from somewhere else. So difficult to compare charter versus county schools.

Kristin and Lindsay did a fantastic job on this.

Pamela commented on great on objectiveness of this and this transparency. Good to have this plan moving forward.

Lindsay and Kristin really advocated for staff on this.

Any questions- none
